The** ***(map/p lat/satellite/aerial photo)*** **includes two circles, as required by the Ordinance—one depicting a 500 foot radius and one depicting an 860 foot radius from the proposed well's surface location. [See § J(10)].**

ATTACHED AS EXHIBIT F **is a copy of the notification letter(s) sent to one hundred (100%) percent of the surface owners, Certified Mail, Return Receipt Requested. [See § J(36)].**

IV. Well & Operations Information

Proposed Well Name: Interstate 5-32 Unit 2 #261

ATTACHED AS EXHIBIT G is **Proposed Hole Size, Casing Program and Cementing Program [See § J(11) and § L(4)]:**

Legal Description of Proposed Well Site:

Surface Hole Location: 167' FNL 1791' FWL, Section 8, Block 39, T-2-S, T&P RR Co Survey, Midland County, Texas

ATTACHED AS EXHIBIT G **is the Plat and Location Site Plan [See § J(9)].**

ATTACHED AS EXHIBIT H **is the Map with the proposed transportation route(s) and road(s) for equipment, chemicals, or refuse products used or produced in the proposed oil and gas operations. [See § J(12)].**

ATTACHED AS EXHIBIT I **is a copy of the approved Texas Railroad Commission permit to drill (Form W-1), together with all attachments** ***(also file copy of W-1 with City Secretary before commencement of drilling operations).*** **[See § J(16) and (20)].**

ATTACHED AS EXHIBIT J **is a copy of the required TCEQ report as to depth of usable quality ground water. [See § J(17)].**

ATTACHED AS EXHIBIT K **is the location agreement letter with current Surface Owner. [See § J(27)].**

ATTACHED AS EXHIBIT L **is the Fencing and Irrigation Plan. [See § J(30)].**

ATTACHED AS EXHIBIT M **is the Road Repair Agreement and** ***Letter of Credit/Certificate of Deposit/Surety Bond*** **in the amount of at least $75,000.** ***Option (if applicable): Applicant would further state that no City-owned streets or alleys will be used by the Operator in connection with its oil and gas operations and as a result, requests a waiver from the Council of this requirement. Option B (if applicable):*** **Because Applicant has three Road Repair Agreements in effect that have been approved by the Council, Applicant requests that the Council consolidate all agreements into one and is filing the necessary $75,000** ***letter of credit/certificate of deposit/surety bond*** **in conjunction with this request. [See § J(31)].**

ATTACHED AS EXHIBIT N **is the written Concept Plan and Site Plan. [See § J(32)].**

Description of Public Utilities required during (1) drilling and (2) operations:

(1) **Drilling:** Electricity Oncor: 1-888-313-6862

(2) **Operations:** Electricity Oncor: 1-888-313-6862

Description of water source to be used during Drilling: Operator will attempt to use water from the Santa Rosa Aquifer for most all drilling and completion purposes. Operator also has freshwater wells in the area, and will be utilizing a frac pond located outside of City limits.

Description of all electric lines to production facilities (reference exhibits as necessary)
ATTACHED AS EXHIBIT G. **[See § L(10)]**

Plan detailing construction, location, and closure of pits used for Drilling and Completion operations (attach exhibit if necessary)
ATTACHED AS EXHIBIT O. **[See § J(35)]**

V. Additional Required Exhibits

ATTACHED AS EXHIBIT P **is the *Blanket Bond and Rider* in accordance with Subsection (K)(2). [See § J(18)].**

ATTACHED AS EXHIBIT Q **is an Affidavit indicating that all taxes on personal and real property, including minerals, owned by Applicant are current. [See § J(29)].**

ATTACHED AS EXHIBIT R **is the required Insurance Certificate. [See § J(19) and § K(3)].**

ATTACHED AS EXHIBIT S (if applicable) **is the Drainage Plan approved by the City Engineer relating to Applicant's proposed operations. [See § J(21)].**

ATTACHED AS EXHIBIT T **is Applicant's Emergency Action Response Plan. [See § J(22)].**

ATTACHED AS EXHIBIT U **is Applicant's Hazardous Materials Management Plan, a copy of which has been submitted and is on file with the Midland Fire Department. [See § J(23)].**

ATTACHED AS EXHIBIT V **is Applicant's Summary List of Variances**

ATTACHED AS EXHIBIT W **is Acoustic Impact Study and Noise Mitigation Plan**

OIL AND GAS WELL PERMIT

The City Council of the City of Midland, Texas, at its regular meeting on November 16, 2021, considered the application of Endeavor Energy Resources, L.P. ("Operator") dated July 29, 2021, to drill an oil and gas well inside the territorial limits of the City of Midland, Texas. The City Council of the City of Midland, Texas, by appropriate action approved the application and authorized the issuance of this permit.

This documentation hereby constitutes a permit, issued in accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), to drill an oil and gas well as requested in Operator's application that has been filed with the Oil & Gas Compliance Coordinator and is incorporated herein for all legal purposes.

The location of Operator's Interstate 5-32 Unit 2 #153 oil and gas well shall be 167 feet from the north line and 1,851 feet from the west line, Section 8, Block 39, T-2-S, T&P RR Co. Survey, Midland County, Texas. The hole size, casing program, cement program and total depth of that well shall be in strict compliance with the proposed hole size, casing program, cementing program and proposed total depth found in Operator's application. Further, all operations done under this permit shall be done and accomplished in strict accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), which is hereby incorporated into this permit by reference and made applicable hereto with the same force and effect as if the same were copied fully in this permit, including, but not limited to, Subsections (K) through (Z).

This permit shall be effective from November 16, 2021 through November 16, 2022, and so long thereafter as oil or gas is produced, or until such time as Operator has permanently abandoned the operations of the well or facility for which this permit is issued.

The issuance of this permit by the City of Midland does not in any way alter or modify the rights as between the surface estate owner(s) and mineral estate owner(s) if there exists a severance of the surface estate and mineral estate. This permit in no way exempts Operator from its responsibilities or obligations as to third parties. The issuance of this permit only means that Operator has, at this time, complied with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance No. 8769) and that the Midland City Council, as a regulatory body, will allow Operator to proceed under the conditions of this permit. The issuance of this permit is intended to be only a negative pronouncement that grants no affirmative rights to the permittee to occupy the property. It is expressly provided that this permit does not authorize a trespass by the permittee as to any third party. This

permit does not in any way restrict the use of the surface estate. Securing a permit does not authorize Operator to act with impunity as to third parties, nor does it insulate Operator from the consequences of its actions with regard to those third parties. The receipt of a permit does not undertake to adjudicate property rights.

This permit granted by the City of Midland does not act to immunize Operator from civil tort liability from private parties for actions arising out of the use of the permit. This is because the permit is a "negative pronouncement" that grants no affirmative rights to the permittee. The issuance of this permit does not authorize any injury to persons or property or an invasion of other property rights, or any infringement of State or local law or regulations. Operator has obtained a permit from the City of Midland but the consequences of acting under the permit have not been immunized. The fact that the City of Midland has issued a permit to drill an oil and gas well does not shield Operator from third party tort liability stemming from the consequences of the permitted activity.

NOTWITHSTANDING ANY OTHER PROVISION, OPERATOR HEREBY RELEASES, ACQUITS, RELINQUISHES AND FOREVER DISCHARGES CITY OF MIDLAND, CITY OF MIDLAND'S EMPLOYEES AND OFFICERS, FROM ANY AND ALL DEMANDS, CLAIMS, DAMAGES OR CAUSES OF ACTION OF ANY KIND WHATSOEVER WHICH OPERATOR HAS OR MIGHT HAVE IN THE FUTURE, INCLUDING BUT NOT LIMITED TO BREACH OF CONTRACT, QUANTUM MERUIT, CLAIMS UNDER THE DUE PROCESS AND TAKING CLAUSES OF THE TEXAS AND UNITED STATES CONSTITUTIONS, TORT CLAIMS OR CITY OF MIDLAND'S NEGLIGENCE.

OPERATOR AGREES TO INDEMNIFY AND HOLD HARMLESS AND DEFEND THE CITY OF MIDLAND, THE CITY'S OFFICERS, AGENTS, AND EMPLOYEES FROM ANY AND ALL CLAIMS, LOSSES, DAMAGES, CAUSES OF ACTION, SUITS, AND LIABILITY OF ANY KIND, INCLUDING ALL EXPENSES OF LITIGATION, COURT COSTS, AND ATTORNEY'S FEES, FOR INJURY TO OR DEATH OF ANY PERSON, OR FOR DAMAGE TO ANY PROPERTY ARISING OUT OF OR IN CONNECTION WITH THE WORK DONE BY OPERATOR UNDER AN OIL AND GAS WELL PERMIT WHERE SUCH INJURIES, DEATH, OR DAMAGES ARE CAUSED BY OPERATOR'S SOLE NEGLIGENCE OR THE JOINT NEGLIGENCE OF THE OPERATOR AND ANY OTHER PERSON OR ENTITY.

A right-of-way license agreement approved by a resolution of the Midland City Council is required for any oil and/or gas flowline or pipeline or any other device associated with a proposed well site that extends into, on, above, in, under, across or through any City rights-of-way, including but not limited to streets, alleys, and utility and drainage rights-of-way.

If the well that is the subject of this permit is not located within the County of Midland, Texas, Operator shall notify the Midland Central Appraisal District of the following: (1) the well's location within the territorial limits of the City of Midland; and (2) that the City of

Midland is to be included as a taxing entity. Operator shall make said notification no later than 60 days after completion of the well.

The Midland City Council, in granting this permit, also grants the following variance(s):

1. In lieu of constructing a perimeter fence around this permitted well, a perimeter fence around the well pad site may be constructed. Said perimeter fence around the well pad site shall, at a minimum, meet the requirements of Ordinance No. 8769.
2. Twenty-four hour hydraulic fracturing and completion operations are permitted.
3. No landscaping or irrigation is required because City water is not available.
4. Drill cuttings shall be removed from the surface location.

Sound walls shall be used during drilling and completion operations as noted in the application.

This permit shall constitute a written contract for purposes of insurance requirements.

In addition to the requirements of this permit and the Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), including, but not limited to Subsections (K) through (Z), Operator shall develop, maintain and operate the well described herein in accordance with the conditions, limitations and safeguards contained in Operator's application for said well.

OIL AND GAS WELL PERMIT

The City Council of the City of Midland, Texas, at its regular meeting on November 16, 2021, considered the application of Endeavor Energy Resources, L.P. ("Operator") dated July 29, 2021, to drill an oil and gas well inside the territorial limits of the City of Midland, Texas. The City Council of the City of Midland, Texas, by appropriate action approved the application and authorized the issuance of this permit.

This documentation hereby constitutes a permit, issued in accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), to drill an oil and gas well as requested in Operator's application that has been filed with the Oil & Gas Compliance Coordinator and is incorporated herein for all legal purposes.

The location of Operator's Interstate 5-32 Unit 2 #154 oil and gas well shall be 167 feet from the north line and 1,891 feet from the west line, Section 8, Block 39, T-2-S, T&P RR Co. Survey, Midland County, Texas. The hole size, casing program, cement program and total depth of that well shall be in strict compliance with the proposed hole size, casing program, cementing program and proposed total depth found in Operator's application. Further, all operations done under this permit shall be done and accomplished in strict accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), which is hereby incorporated into this permit by reference and made applicable hereto with the same force and effect as if the same were copied fully in this permit, including, but not limited to, Subsections (K) through (Z).

This permit shall be effective from November 16, 2021 through November 16, 2022, and so long thereafter as oil or gas is produced, or until such time as Operator has permanently abandoned the operations of the well or facility for which this permit is issued.

The issuance of this permit by the City of Midland does not in any way alter or modify the rights as between the surface estate owner(s) and mineral estate owner(s) if there exists a severance of the surface estate and mineral estate. This permit in no way exempts Operator from its responsibilities or obligations as to third parties. The issuance of this permit only means that Operator has, at this time, complied with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance No. 8769) and that the Midland City Council, as a regulatory body, will allow Operator to proceed under the conditions of this permit. The issuance of this permit is intended to be only a negative pronouncement that grants no affirmative rights to the permittee to occupy the property. It is expressly provided that this permit does not authorize a trespass by the permittee as to any third party. This

permit does not in any way restrict the use of the surface estate. Securing a permit does not authorize Operator to act with impunity as to third parties, nor does it insulate Operator from the consequences of its actions with regard to those third parties. The receipt of a permit does not undertake to adjudicate property rights.

This permit granted by the City of Midland does not act to immunize Operator from civil tort liability from private parties for actions arising out of the use of the permit. This is because the permit is a "negative pronouncement" that grants no affirmative rights to the permittee. The issuance of this permit does not authorize any injury to persons or property or an invasion of other property rights, or any infringement of State or local law or regulations. Operator has obtained a permit from the City of Midland but the consequences of acting under the permit have not been immunized. The fact that the City of Midland has issued a permit to drill an oil and gas well does not shield Operator from third party tort liability stemming from the consequences of the permitted activity.

NOTWITHSTANDING ANY OTHER PROVISION, OPERATOR HEREBY RELEASES, ACQUITS, RELINQUISHES AND FOREVER DISCHARGES CITY OF MIDLAND, CITY OF MIDLAND'S EMPLOYEES AND OFFICERS, FROM ANY AND ALL DEMANDS, CLAIMS, DAMAGES OR CAUSES OF ACTION OF ANY KIND WHATSOEVER WHICH OPERATOR HAS OR MIGHT HAVE IN THE FUTURE, INCLUDING BUT NOT LIMITED TO BREACH OF CONTRACT, QUANTUM MERUIT, CLAIMS UNDER THE DUE PROCESS AND TAKING CLAUSES OF THE TEXAS AND UNITED STATES CONSTITUTIONS, TORT CLAIMS OR CITY OF MIDLAND'S NEGLIGENCE.

OPERATOR AGREES TO INDEMNIFY AND HOLD HARMLESS AND DEFEND THE CITY OF MIDLAND, THE CITY'S OFFICERS, AGENTS, AND EMPLOYEES FROM ANY AND ALL CLAIMS, LOSSES, DAMAGES, CAUSES OF ACTION, SUITS, AND LIABILITY OF ANY KIND, INCLUDING ALL EXPENSES OF LITIGATION, COURT COSTS, AND ATTORNEY'S FEES, FOR INJURY TO OR DEATH OF ANY PERSON, OR FOR DAMAGE TO ANY PROPERTY ARISING OUT OF OR IN CONNECTION WITH THE WORK DONE BY OPERATOR UNDER AN OIL AND GAS WELL PERMIT WHERE SUCH INJURIES, DEATH, OR DAMAGES ARE CAUSED BY OPERATOR'S SOLE NEGLIGENCE OR THE JOINT NEGLIGENCE OF THE OPERATOR AND ANY OTHER PERSON OR ENTITY.

A right-of-way license agreement approved by a resolution of the Midland City Council is required for any oil and/or gas flowline or pipeline or any other device associated with a proposed well site that extends into, on, above, in, under, across or through any City rights-of-way, including but not limited to streets, alleys, and utility and drainage rights-of-way.

OIL AND GAS WELL PERMIT

The City Council of the City of Midland, Texas, at its regular meeting on November 16, 2021, considered the application of Endeavor Energy Resources, L.P. ("Operator") dated July 29, 2021, to drill an oil and gas well inside the territorial limits of the City of Midland, Texas. The City Council of the City of Midland, Texas, by appropriate action approved the application and authorized the issuance of this permit.

This documentation hereby constitutes a permit, issued in accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), to drill an oil and gas well as requested in Operator's application that has been filed with the Oil & Gas Compliance Coordinator and is incorporated herein for all legal purposes.

The location of Operator's Interstate 5-32 Unit 2 #162 oil and gas well shall be 167 feet from the north line and 1,811 feet from the west line, Section 8, Block 39, T-2-S, T&P RR Co. Survey, Midland County, Texas. The hole size, casing program, cement program and total depth of that well shall be in strict compliance with the proposed hole size, casing program, cementing program and proposed total depth found in Operator's application. Further, all operations done under this permit shall be done and accomplished in strict accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), which is hereby incorporated into this permit by reference and made applicable hereto with the same force and effect as if the same were copied fully in this permit, including, but not limited to, Subsections (K) through (Z).

This permit shall be effective from November 16, 2021 through November 16, 2022, and so long thereafter as oil or gas is produced, or until such time as Operator has permanently abandoned the operations of the well or facility for which this permit is issued.

The issuance of this permit by the City of Midland does not in any way alter or modify the rights as between the surface estate owner(s) and mineral estate owner(s) if there exists a severance of the surface estate and mineral estate. This permit in no way exempts Operator from its responsibilities or obligations as to third parties. The issuance of this permit only means that Operator has, at this time, complied with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance No. 8769) and that the Midland City Council, as a regulatory body, will allow Operator to proceed under the conditions of this permit. The issuance of this permit is intended to be only a negative pronouncement that grants no affirmative rights to the permittee to occupy the property. It is expressly provided that this permit does not authorize a trespass by the permittee as to any third party. This

permit does not in any way restrict the use of the surface estate. Securing a permit does not authorize Operator to act with impunity as to third parties, nor does it insulate Operator from the consequences of its actions with regard to those third parties. The receipt of a permit does not undertake to adjudicate property rights.

This permit granted by the City of Midland does not act to immunize Operator from civil tort liability from private parties for actions arising out of the use of the permit. This is because the permit is a "negative pronouncement" that grants no affirmative rights to the permittee. The issuance of this permit does not authorize any injury to persons or property or an invasion of other property rights, or any infringement of State or local law or regulations. Operator has obtained a permit from the City of Midland but the consequences of acting under the permit have not been immunized. The fact that the City of Midland has issued a permit to drill an oil and gas well does not shield Operator from third party tort liability stemming from the consequences of the permitted activity.

NOTWITHSTANDING ANY OTHER PROVISION, OPERATOR HEREBY RELEASES, ACQUITS, RELINQUISHES AND FOREVER DISCHARGES CITY OF MIDLAND, CITY OF MIDLAND'S EMPLOYEES AND OFFICERS, FROM ANY AND ALL DEMANDS, CLAIMS, DAMAGES OR CAUSES OF ACTION OF ANY KIND WHATSOEVER WHICH OPERATOR HAS OR MIGHT HAVE IN THE FUTURE, INCLUDING BUT NOT LIMITED TO BREACH OF CONTRACT, QUANTUM MERUIT, CLAIMS UNDER THE DUE PROCESS AND TAKING CLAUSES OF THE TEXAS AND UNITED STATES CONSTITUTIONS, TORT CLAIMS OR CITY OF MIDLAND'S NEGLIGENCE.

OPERATOR AGREES TO INDEMNIFY AND HOLD HARMLESS AND DEFEND THE CITY OF MIDLAND, THE CITY'S OFFICERS, AGENTS, AND EMPLOYEES FROM ANY AND ALL CLAIMS, LOSSES, DAMAGES, CAUSES OF ACTION, SUITS, AND LIABILITY OF ANY KIND, INCLUDING ALL EXPENSES OF LITIGATION, COURT COSTS, AND ATTORNEY'S FEES, FOR INJURY TO OR DEATH OF ANY PERSON, OR FOR DAMAGE TO ANY PROPERTY ARISING OUT OF OR IN CONNECTION WITH THE WORK DONE BY OPERATOR UNDER AN OIL AND GAS WELL PERMIT WHERE SUCH INJURIES, DEATH, OR DAMAGES ARE CAUSED BY OPERATOR'S SOLE NEGLIGENCE OR THE JOINT NEGLIGENCE OF THE OPERATOR AND ANY OTHER PERSON OR ENTITY.

A right-of-way license agreement approved by a resolution of the Midland City Council is required for any oil and/or gas flowline or pipeline or any other device associated with a proposed well site that extends into, on, above, in, under, across or through any City rights-of-way, including but not limited to streets, alleys, and utility and drainage rights-of-way.

If the well that is the subject of this permit is not located within the County of Midland, Texas, Operator shall notify the Midland Central Appraisal District of the following: (1) the well's location within the territorial limits of the City of Midland; and (2) that the City of

Midland is to be included as a taxing entity. Operator shall make said notification no later than 60 days after completion of the well.

The Midland City Council, in granting this permit, also grants the following variance(s):

1. In lieu of constructing a perimeter fence around this permitted well, a perimeter fence around the well pad site may be constructed. Said perimeter fence around the well pad site shall, at a minimum, meet the requirements of Ordinance No. 8769.
2. Twenty-four hour hydraulic fracturing and completion operations are permitted.
3. No landscaping or irrigation is required because City water is not available.
4. Drill cuttings shall be removed from the surface location.

Sound walls shall be used during drilling and completion operations as noted in the application.

This permit shall constitute a written contract for purposes of insurance requirements.

In addition to the requirements of this permit and the Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), including, but not limited to Subsections (K) through (Z), Operator shall develop, maintain and operate the well described herein in accordance with the conditions, limitations and safeguards contained in Operator's application for said well.

OIL AND GAS WELL PERMIT

The City Council of the City of Midland, Texas, at its regular meeting on November 16, 2021, considered the application of Endeavor Energy Resources, L.P. ("Operator") dated July 29, 2021, to drill an oil and gas well inside the territorial limits of the City of Midland, Texas. The City Council of the City of Midland, Texas, by appropriate action approved the application and authorized the issuance of this permit.

This documentation hereby constitutes a permit, issued in accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), to drill an oil and gas well as requested in Operator's application that has been filed with the Oil & Gas Compliance Coordinator and is incorporated herein for all legal purposes.

The location of Operator's Interstate 5-32 Unit 2 #163 oil and gas well shall be 167 feet from the north line and 1,831 feet from the west line, Section 8, Block 39, T-2-S, T&P RR Co. Survey, Midland County, Texas. The hole size, casing program, cement program and total depth of that well shall be in strict compliance with the proposed hole size, casing program, cementing program and proposed total depth found in Operator's application. Further, all operations done under this permit shall be done and accomplished in strict accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), which is hereby incorporated into this permit by reference and made applicable hereto with the same force and effect as if the same were copied fully in this permit, including, but not limited to, Subsections (K) through (Z).

This permit shall be effective from November 16, 2021 through November 16, 2022, and so long thereafter as oil or gas is produced, or until such time as Operator has permanently abandoned the operations of the well or facility for which this permit is issued.

The issuance of this permit by the City of Midland does not in any way alter or modify the rights as between the surface estate owner(s) and mineral estate owner(s) if there exists a severance of the surface estate and mineral estate. This permit in no way exempts Operator from its responsibilities or obligations as to third parties. The issuance of this permit only means that Operator has, at this time, complied with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance No. 8769) and that the Midland City Council, as a regulatory body, will allow Operator to proceed under the conditions of this permit. The issuance of this permit is intended to be only a negative pronouncement that grants no affirmative rights to the permittee to occupy the property. It is expressly provided that this permit does not authorize a trespass by the permittee as to any third party. This

permit does not in any way restrict the use of the surface estate. Securing a permit does not authorize Operator to act with impunity as to third parties, nor does it insulate Operator from the consequences of its actions with regard to those third parties. The receipt of a permit does not undertake to adjudicate property rights.

This permit granted by the City of Midland does not act to immunize Operator from civil tort liability from private parties for actions arising out of the use of the permit. This is because the permit is a "negative pronouncement" that grants no affirmative rights to the permittee. The issuance of this permit does not authorize any injury to persons or property or an invasion of other property rights, or any infringement of State or local law or regulations. Operator has obtained a permit from the City of Midland but the consequences of acting under the permit have not been immunized. The fact that the City of Midland has issued a permit to drill an oil and gas well does not shield Operator from third party tort liability stemming from the consequences of the permitted activity.

NOTWITHSTANDING ANY OTHER PROVISION, OPERATOR HEREBY RELEASES, ACQUITS, RELINQUISHES AND FOREVER DISCHARGES CITY OF MIDLAND, CITY OF MIDLAND'S EMPLOYEES AND OFFICERS, FROM ANY AND ALL DEMANDS, CLAIMS, DAMAGES OR CAUSES OF ACTION OF ANY KIND WHATSOEVER WHICH OPERATOR HAS OR MIGHT HAVE IN THE FUTURE, INCLUDING BUT NOT LIMITED TO BREACH OF CONTRACT, QUANTUM MERUIT, CLAIMS UNDER THE DUE PROCESS AND TAKING CLAUSES OF THE TEXAS AND UNITED STATES CONSTITUTIONS, TORT CLAIMS OR CITY OF MIDLAND'S NEGLIGENCE.

OPERATOR AGREES TO INDEMNIFY AND HOLD HARMLESS AND DEFEND THE CITY OF MIDLAND, THE CITY'S OFFICERS, AGENTS, AND EMPLOYEES FROM ANY AND ALL CLAIMS, LOSSES, DAMAGES, CAUSES OF ACTION, SUITS, AND LIABILITY OF ANY KIND, INCLUDING ALL EXPENSES OF LITIGATION, COURT COSTS, AND ATTORNEY'S FEES, FOR INJURY TO OR DEATH OF ANY PERSON, OR FOR DAMAGE TO ANY PROPERTY ARISING OUT OF OR IN CONNECTION WITH THE WORK DONE BY OPERATOR UNDER AN OIL AND GAS WELL PERMIT WHERE SUCH INJURIES, DEATH, OR DAMAGES ARE CAUSED BY OPERATOR'S SOLE NEGLIGENCE OR THE JOINT NEGLIGENCE OF THE OPERATOR AND ANY OTHER PERSON OR ENTITY.

A right-of-way license agreement approved by a resolution of the Midland City Council is required for any oil and/or gas flowline or pipeline or any other device associated with a proposed well site that extends into, on, above, in, under, across or through any City rights-of-way, including but not limited to streets, alleys, and utility and drainage rights-of-way.

If the well that is the subject of this permit is not located within the County of Midland, Texas, Operator shall notify the Midland Central Appraisal District of the following: (1) the well's location within the territorial limits of the City of Midland; and (2) that the City of

Midland is to be included as a taxing entity. Operator shall make said notification no later than 60 days after completion of the well.

The Midland City Council, in granting this permit, also grants the following variance(s):

1. In lieu of constructing a perimeter fence around this permitted well, a perimeter fence around the well pad site may be constructed. Said perimeter fence around the well pad site shall, at a minimum, meet the requirements of Ordinance No. 8769.
2. Twenty-four hour hydraulic fracturing and completion operations are permitted.
3. No landscaping or irrigation is required because City water is not available.
4. Drill cuttings shall be removed from the surface location.

Sound walls shall be used during drilling and completion operations as noted in the application.

This permit shall constitute a written contract for purposes of insurance requirements.

In addition to the requirements of this permit and the Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), including, but not limited to Subsections (K) through (Z), Operator shall develop, maintain and operate the well described herein in accordance with the conditions, limitations and safeguards contained in Operator's application for said well.

OIL AND GAS WELL PERMIT

The City Council of the City of Midland, Texas, at its regular meeting on November 16, 2021, considered the application of Endeavor Energy Resources, L.P. ("Operator") dated July 29, 2021, to drill an oil and gas well inside the territorial limits of the City of Midland, Texas. The City Council of the City of Midland, Texas, by appropriate action approved the application and authorized the issuance of this permit.

This documentation hereby constitutes a permit, issued in accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), to drill an oil and gas well as requested in Operator's application that has been filed with the Oil & Gas Compliance Coordinator and is incorporated herein for all legal purposes.

The location of Operator's Interstate 5-32 Unit 2 #172 oil and gas well shall be 167 feet from the north line and 1,770 feet from the west line, Section 8, Block 39, T-2-S, T&P RR Co. Survey, Midland County, Texas. The hole size, casing program, cement program and total depth of that well shall be in strict compliance with the proposed hole size, casing program, cementing program and proposed total depth found in Operator's application. Further, all operations done under this permit shall be done and accomplished in strict accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), which is hereby incorporated into this permit by reference and made applicable hereto with the same force and effect as if the same were copied fully in this permit, including, but not limited to, Subsections (K) through (Z).

This permit shall be effective from November 16, 2021 through November 16, 2022, and so long thereafter as oil or gas is produced, or until such time as Operator has permanently abandoned the operations of the well or facility for which this permit is issued.

The issuance of this permit by the City of Midland does not in any way alter or modify the rights as between the surface estate owner(s) and mineral estate owner(s) if there exists a severance of the surface estate and mineral estate. This permit in no way exempts Operator from its responsibilities or obligations as to third parties. The issuance of this permit only means that Operator has, at this time, complied with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance No. 8769) and that the Midland City Council, as a regulatory body, will allow Operator to proceed under the conditions of this permit. The issuance of this permit is intended to be only a negative pronouncement that grants no affirmative rights to the permittee to occupy the property. It is expressly provided that this permit does not authorize a trespass by the permittee as to any third party. This

permit does not in any way restrict the use of the surface estate. Securing a permit does not authorize Operator to act with impunity as to third parties, nor does it insulate Operator from the consequences of its actions with regard to those third parties. The receipt of a permit does not undertake to adjudicate property rights.

This permit granted by the City of Midland does not act to immunize Operator from civil tort liability from private parties for actions arising out of the use of the permit. This is because the permit is a "negative pronouncement" that grants no affirmative rights to the permittee. The issuance of this permit does not authorize any injury to persons or property or an invasion of other property rights, or any infringement of State or local law or regulations. Operator has obtained a permit from the City of Midland but the consequences of acting under the permit have not been immunized. The fact that the City of Midland has issued a permit to drill an oil and gas well does not shield Operator from third party tort liability stemming from the consequences of the permitted activity.

NOTWITHSTANDING ANY OTHER PROVISION, OPERATOR HEREBY RELEASES, ACQUITS, RELINQUISHES AND FOREVER DISCHARGES CITY OF MIDLAND, CITY OF MIDLAND'S EMPLOYEES AND OFFICERS, FROM ANY AND ALL DEMANDS, CLAIMS, DAMAGES OR CAUSES OF ACTION OF ANY KIND WHATSOEVER WHICH OPERATOR HAS OR MIGHT HAVE IN THE FUTURE, INCLUDING BUT NOT LIMITED TO BREACH OF CONTRACT, QUANTUM MERUIT, CLAIMS UNDER THE DUE PROCESS AND TAKING CLAUSES OF THE TEXAS AND UNITED STATES CONSTITUTIONS, TORT CLAIMS OR CITY OF MIDLAND'S NEGLIGENCE.

OPERATOR AGREES TO INDEMNIFY AND HOLD HARMLESS AND DEFEND THE CITY OF MIDLAND, THE CITY'S OFFICERS, AGENTS, AND EMPLOYEES FROM ANY AND ALL CLAIMS, LOSSES, DAMAGES, CAUSES OF ACTION, SUITS, AND LIABILITY OF ANY KIND, INCLUDING ALL EXPENSES OF LITIGATION, COURT COSTS, AND ATTORNEY'S FEES, FOR INJURY TO OR DEATH OF ANY PERSON, OR FOR DAMAGE TO ANY PROPERTY ARISING OUT OF OR IN CONNECTION WITH THE WORK DONE BY OPERATOR UNDER AN OIL AND GAS WELL PERMIT WHERE SUCH INJURIES, DEATH, OR DAMAGES ARE CAUSED BY OPERATOR'S SOLE NEGLIGENCE OR THE JOINT NEGLIGENCE OF THE OPERATOR AND ANY OTHER PERSON OR ENTITY.

A right-of-way license agreement approved by a resolution of the Midland City Council is required for any oil and/or gas flowline or pipeline or any other device associated with a proposed well site that extends into, on, above, in, under, across or through any City rights-of-way, including but not limited to streets, alleys, and utility and drainage rights-of-way.

If the well that is the subject of this permit is not located within the County of Midland, Texas, Operator shall notify the Midland Central Appraisal District of the following: (1) the well's location within the territorial limits of the City of Midland; and (2) that the City of

Midland is to be included as a taxing entity. Operator shall make said notification no later than 60 days after completion of the well.

The Midland City Council, in granting this permit, also grants the following variance(s):

1. In lieu of constructing a perimeter fence around this permitted well, a perimeter fence around the well pad site may be constructed. Said perimeter fence around the well pad site shall, at a minimum, meet the requirements of Ordinance No. 8769.
2. Twenty-four hour hydraulic fracturing and completion operations are permitted.
3. No landscaping or irrigation is required because City water is not available.
4. Drill cuttings shall be removed from the surface location.

Sound walls shall be used during drilling and completion operations as noted in the application.

This permit shall constitute a written contract for purposes of insurance requirements.

In addition to the requirements of this permit and the Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), including, but not limited to Subsections (K) through (Z), Operator shall develop, maintain and operate the well described herein in accordance with the conditions, limitations and safeguards contained in Operator's application for said well.

OIL AND GAS WELL PERMIT

The City Council of the City of Midland, Texas, at its regular meeting on November 16, 2021, considered the application of Endeavor Energy Resources, L.P. ("Operator") dated July 29, 2021, to drill an oil and gas well inside the territorial limits of the City of Midland, Texas. The City Council of the City of Midland, Texas, by appropriate action approved the application and authorized the issuance of this permit.

This documentation hereby constitutes a permit, issued in accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), to drill an oil and gas well as requested in Operator's application that has been filed with the Oil & Gas Compliance Coordinator and is incorporated herein for all legal purposes.

The location of Operator's Interstate 5-32 Unit 2 #252 oil and gas well shall be 167 feet from the north line and 1,871 feet from the west line, Section 8, Block 39, T-2-S, T&P RR Co. Survey, Midland County, Texas. The hole size, casing program, cement program and total depth of that well shall be in strict compliance with the proposed hole size, casing program, cementing program and proposed total depth found in Operator's application. Further, all operations done under this permit shall be done and accomplished in strict accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), which is hereby incorporated into this permit by reference and made applicable hereto with the same force and effect as if the same were copied fully in this permit, including, but not limited to, Subsections (K) through (Z).

This permit shall be effective from November 16, 2021 through November 16, 2022, and so long thereafter as oil or gas is produced, or until such time as Operator has permanently abandoned the operations of the well or facility for which this permit is issued.

The issuance of this permit by the City of Midland does not in any way alter or modify the rights as between the surface estate owner(s) and mineral estate owner(s) if there exists a severance of the surface estate and mineral estate. This permit in no way exempts Operator from its responsibilities or obligations as to third parties. The issuance of this permit only means that Operator has, at this time, complied with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance No. 8769) and that the Midland City Council, as a regulatory body, will allow Operator to proceed under the conditions of this permit. The issuance of this permit is intended to be only a negative pronouncement that grants no affirmative rights to the permittee to occupy the property. It is expressly provided that this permit does not authorize a trespass by the permittee as to any third party. This

permit does not in any way restrict the use of the surface estate. Securing a permit does not authorize Operator to act with impunity as to third parties, nor does it insulate Operator from the consequences of its actions with regard to those third parties. The receipt of a permit does not undertake to adjudicate property rights.

This permit granted by the City of Midland does not act to immunize Operator from civil tort liability from private parties for actions arising out of the use of the permit. This is because the permit is a "negative pronouncement" that grants no affirmative rights to the permittee. The issuance of this permit does not authorize any injury to persons or property or an invasion of other property rights, or any infringement of State or local law or regulations. Operator has obtained a permit from the City of Midland but the consequences of acting under the permit have not been immunized. The fact that the City of Midland has issued a permit to drill an oil and gas well does not shield Operator from third party tort liability stemming from the consequences of the permitted activity.

NOTWITHSTANDING ANY OTHER PROVISION, OPERATOR HEREBY RELEASES, ACQUITS, RELINQUISHES AND FOREVER DISCHARGES CITY OF MIDLAND, CITY OF MIDLAND'S EMPLOYEES AND OFFICERS, FROM ANY AND ALL DEMANDS, CLAIMS, DAMAGES OR CAUSES OF ACTION OF ANY KIND WHATSOEVER WHICH OPERATOR HAS OR MIGHT HAVE IN THE FUTURE, INCLUDING BUT NOT LIMITED TO BREACH OF CONTRACT, QUANTUM MERUIT, CLAIMS UNDER THE DUE PROCESS AND TAKING CLAUSES OF THE TEXAS AND UNITED STATES CONSTITUTIONS, TORT CLAIMS OR CITY OF MIDLAND'S NEGLIGENCE.

OPERATOR AGREES TO INDEMNIFY AND HOLD HARMLESS AND DEFEND THE CITY OF MIDLAND, THE CITY'S OFFICERS, AGENTS, AND EMPLOYEES FROM ANY AND ALL CLAIMS, LOSSES, DAMAGES, CAUSES OF ACTION, SUITS, AND LIABILITY OF ANY KIND, INCLUDING ALL EXPENSES OF LITIGATION, COURT COSTS, AND ATTORNEY'S FEES, FOR INJURY TO OR DEATH OF ANY PERSON, OR FOR DAMAGE TO ANY PROPERTY ARISING OUT OF OR IN CONNECTION WITH THE WORK DONE BY OPERATOR UNDER AN OIL AND GAS WELL PERMIT WHERE SUCH INJURIES, DEATH, OR DAMAGES ARE CAUSED BY OPERATOR'S SOLE NEGLIGENCE OR THE JOINT NEGLIGENCE OF THE OPERATOR AND ANY OTHER PERSON OR ENTITY.

A right-of-way license agreement approved by a resolution of the Midland City Council is required for any oil and/or gas flowline or pipeline or any other device associated with a proposed well site that extends into, on, above, in, under, across or through any City rights-of-way, including but not limited to streets, alleys, and utility and drainage rights-of-way.

If the well that is the subject of this permit is not located within the County of Midland, Texas, Operator shall notify the Midland Central Appraisal District of the following: (1) the well's location within the territorial limits of the City of Midland; and (2) that the City of

Midland is to be included as a taxing entity. Operator shall make said notification no later than 60 days after completion of the well.

The Midland City Council, in granting this permit, also grants the following variance(s):

1. In lieu of constructing a perimeter fence around this permitted well, a perimeter fence around the well pad site may be constructed. Said perimeter fence around the well pad site shall, at a minimum, meet the requirements of Ordinance No. 8769.
2. Twenty-four hour hydraulic fracturing and completion operations are permitted.
3. No landscaping or irrigation is required because City water is not available.
4. Drill cuttings shall be removed from the surface location.

Sound walls shall be used during drilling and completion operations as noted in the application.

This permit shall constitute a written contract for purposes of insurance requirements.

In addition to the requirements of this permit and the Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), including, but not limited to Subsections (K) through (Z), Operator shall develop, maintain and operate the well described herein in accordance with the conditions, limitations and safeguards contained in Operator's application for said well.

OIL AND GAS WELL PERMIT

The City Council of the City of Midland, Texas, at its regular meeting on November 16, 2021, considered the application of Endeavor Energy Resources, L.P. ("Operator") dated July 29, 2021, to drill an oil and gas well inside the territorial limits of the City of Midland, Texas. The City Council of the City of Midland, Texas, by appropriate action approved the application and authorized the issuance of this permit.

This documentation hereby constitutes a permit, issued in accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), to drill an oil and gas well as requested in Operator's application that has been filed with the Oil & Gas Compliance Coordinator and is incorporated herein for all legal purposes.

The location of Operator's Interstate 5-32 Unit 2 #261 oil and gas well shall be 167 feet from the north line and 1,791 feet from the west line, Section 8, Block 39, T-2-S, T&P RR Co. Survey, Midland County, Texas. The hole size, casing program, cement program and total depth of that well shall be in strict compliance with the proposed hole size, casing program, cementing program and proposed total depth found in Operator's application. Further, all operations done under this permit shall be done and accomplished in strict accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), which is hereby incorporated into this permit by reference and made applicable hereto with the same force and effect as if the same were copied fully in this permit, including, but not limited to, Subsections (K) through (Z).

This permit shall be effective from November 16, 2021 through November 16, 2022, and so long thereafter as oil or gas is produced, or until such time as Operator has permanently abandoned the operations of the well or facility for which this permit is issued.

The issuance of this permit by the City of Midland does not in any way alter or modify the rights as between the surface estate owner(s) and mineral estate owner(s) if there exists a severance of the surface estate and mineral estate. This permit in no way exempts Operator from its responsibilities or obligations as to third parties. The issuance of this permit only means that Operator has, at this time, complied with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance No. 8769) and that the Midland City Council, as a regulatory body, will allow Operator to proceed under the conditions of this permit. The issuance of this permit is intended to be only a negative pronouncement that grants no affirmative rights to the permittee to occupy the property. It is expressly provided that this permit does not authorize a trespass by the permittee as to any third party. This

permit does not in any way restrict the use of the surface estate. Securing a permit does not authorize Operator to act with impunity as to third parties, nor does it insulate Operator from the consequences of its actions with regard to those third parties. The receipt of a permit does not undertake to adjudicate property rights.

This permit granted by the City of Midland does not act to immunize Operator from civil tort liability from private parties for actions arising out of the use of the permit. This is because the permit is a "negative pronouncement" that grants no affirmative rights to the permittee. The issuance of this permit does not authorize any injury to persons or property or an invasion of other property rights, or any infringement of State or local law or regulations. Operator has obtained a permit from the City of Midland but the consequences of acting under the permit have not been immunized. The fact that the City of Midland has issued a permit to drill an oil and gas well does not shield Operator from third party tort liability stemming from the consequences of the permitted activity.

NOTWITHSTANDING ANY OTHER PROVISION, OPERATOR HEREBY RELEASES, ACQUITS, RELINQUISHES AND FOREVER DISCHARGES CITY OF MIDLAND, CITY OF MIDLAND'S EMPLOYEES AND OFFICERS, FROM ANY AND ALL DEMANDS, CLAIMS, DAMAGES OR CAUSES OF ACTION OF ANY KIND WHATSOEVER WHICH OPERATOR HAS OR MIGHT HAVE IN THE FUTURE, INCLUDING BUT NOT LIMITED TO BREACH OF CONTRACT, QUANTUM MERUIT, CLAIMS UNDER THE DUE PROCESS AND TAKING CLAUSES OF THE TEXAS AND UNITED STATES CONSTITUTIONS, TORT CLAIMS OR CITY OF MIDLAND'S NEGLIGENCE.

OPERATOR AGREES TO INDEMNIFY AND HOLD HARMLESS AND DEFEND THE CITY OF MIDLAND, THE CITY'S OFFICERS, AGENTS, AND EMPLOYEES FROM ANY AND ALL CLAIMS, LOSSES, DAMAGES, CAUSES OF ACTION, SUITS, AND LIABILITY OF ANY KIND, INCLUDING ALL EXPENSES OF LITIGATION, COURT COSTS, AND ATTORNEY'S FEES, FOR INJURY TO OR DEATH OF ANY PERSON, OR FOR DAMAGE TO ANY PROPERTY ARISING OUT OF OR IN CONNECTION WITH THE WORK DONE BY OPERATOR UNDER AN OIL AND GAS WELL PERMIT WHERE SUCH INJURIES, DEATH, OR DAMAGES ARE CAUSED BY OPERATOR'S SOLE NEGLIGENCE OR THE JOINT NEGLIGENCE OF THE OPERATOR AND ANY OTHER PERSON OR ENTITY.

A right-of-way license agreement approved by a resolution of the Midland City Council is required for any oil and/or gas flowline or pipeline or any other device associated with a proposed well site that extends into, on, above, in, under, across or through any City rights-of-way, including but not limited to streets, alleys, and utility and drainage rights-of-way.

If the well that is the subject of this permit is not located within the County of Midland, Texas, Operator shall notify the Midland Central Appraisal District of the following: (1) the well's location within the territorial limits of the City of Midland; and (2) that the City of

Midland is to be included as a taxing entity. Operator shall make said notification no later than 60 days after completion of the well.

The Midland City Council, in granting this permit, also grants the following variance(s):

1. In lieu of constructing a perimeter fence around this permitted well, a perimeter fence around the well pad site may be constructed. Said perimeter fence around the well pad site shall, at a minimum, meet the requirements of Ordinance No. 8769.
2. Twenty-four hour hydraulic fracturing and completion operations are permitted.
3. No landscaping or irrigation is required because City water is not available.
4. Drill cuttings shall be removed from the surface location.

Sound walls shall be used during drilling and completion operations as noted in the application.

This permit shall constitute a written contract for purposes of insurance requirements.

In addition to the requirements of this permit and the Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), including, but not limited to Subsections (K) through (Z), Operator shall develop, maintain and operate the well described herein in accordance with the conditions, limitations and safeguards contained in Operator's application for said well.

City Council Meeting

Item Number: 20

Meeting Date: November 16, 2021

To: City Council / City Manager

From: Ron Jenkins, Oil and Gas Coordinator

Subject: RESOLUTION AUTHORIZING THE EXECUTION OF A ROAD REPAIR AGREEMENT WITH ENDEAVOR ENERGY RESOURCES, L.P. REGARDING ITS APPLICATION TO DRILL OIL AND GAS WELLS WITHIN THE CITY LIMITS IN SECTION 8, BLOCK 39, T-2-S, T&P RR CO. SURVEY, CITY AND COUNTY OF MIDLAND, TEXAS (DISTRICT 2) (DEVELOPMENT SERVICES)

Purpose:

Resolution approving a road repair agreement between the City of Midland and Endeavor Energy Resources, L.P.

Recommended City Council Action:

Approve

Fiscal Impact:

This agreement will cover the cost of road damages to Midkiff Road and Jasmine Road that are attributable to Endeavor Energy Resources, L.P., in association with the drilling permits located in Section 8, Block 39, T-1-S, T&P RR Co Section 8, Block 39, T-1-S, T&P RR Co. Survey, City of Midland and County of Midland, Texas. The total amount of the bond covering proposed and existing well sites within the City is $75,000.00; this is the amount specified in the City's oil and gas drilling regulations

Discussion:

Endeavor Energy Resources, L.P., have met the requirements contained in the City code related to this matter

Attachments: Exhibit A-Road Repair Agreement,

City Manager's Office

RESOLUTION NO. _____

RESOLUTION AUTHORIZING THE EXECUTION OF A ROAD REPAIR AGREEMENT WITH ENDEAVOR ENERGY RESOURCES, L.P. REGARDING ITS APPLICATION TO DRILL OIL AND GAS WELLS WITHIN THE CITY LIMITS IN SECTION 8, BLOCK 39, T-2-S, T&P RR CO. SURVEY, CITY AND COUNTY OF MIDLAND, TEXAS

WHEREAS, the City Council finds it to be in the public interest to authorize the execution of a road repair agreement with Endeavor Energy Resources, L.P. ("Operator");

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF MIDLAND, TEXAS:

THAT the Mayor is hereby authorized and directed to execute on behalf of the City of Midland, Texas, a road repair agreement with Operator. Said agreement shall be substantially similar in form as that of Exhibit "A", which is attached hereto and incorporated herein for all purposes.

On motion of Council member _____, seconded by Council member _____, the above and foregoing resolution was adopted by the City Council of the City of Midland at a regular meeting on the _____ day of _____, A.D., 2021, by the following vote:

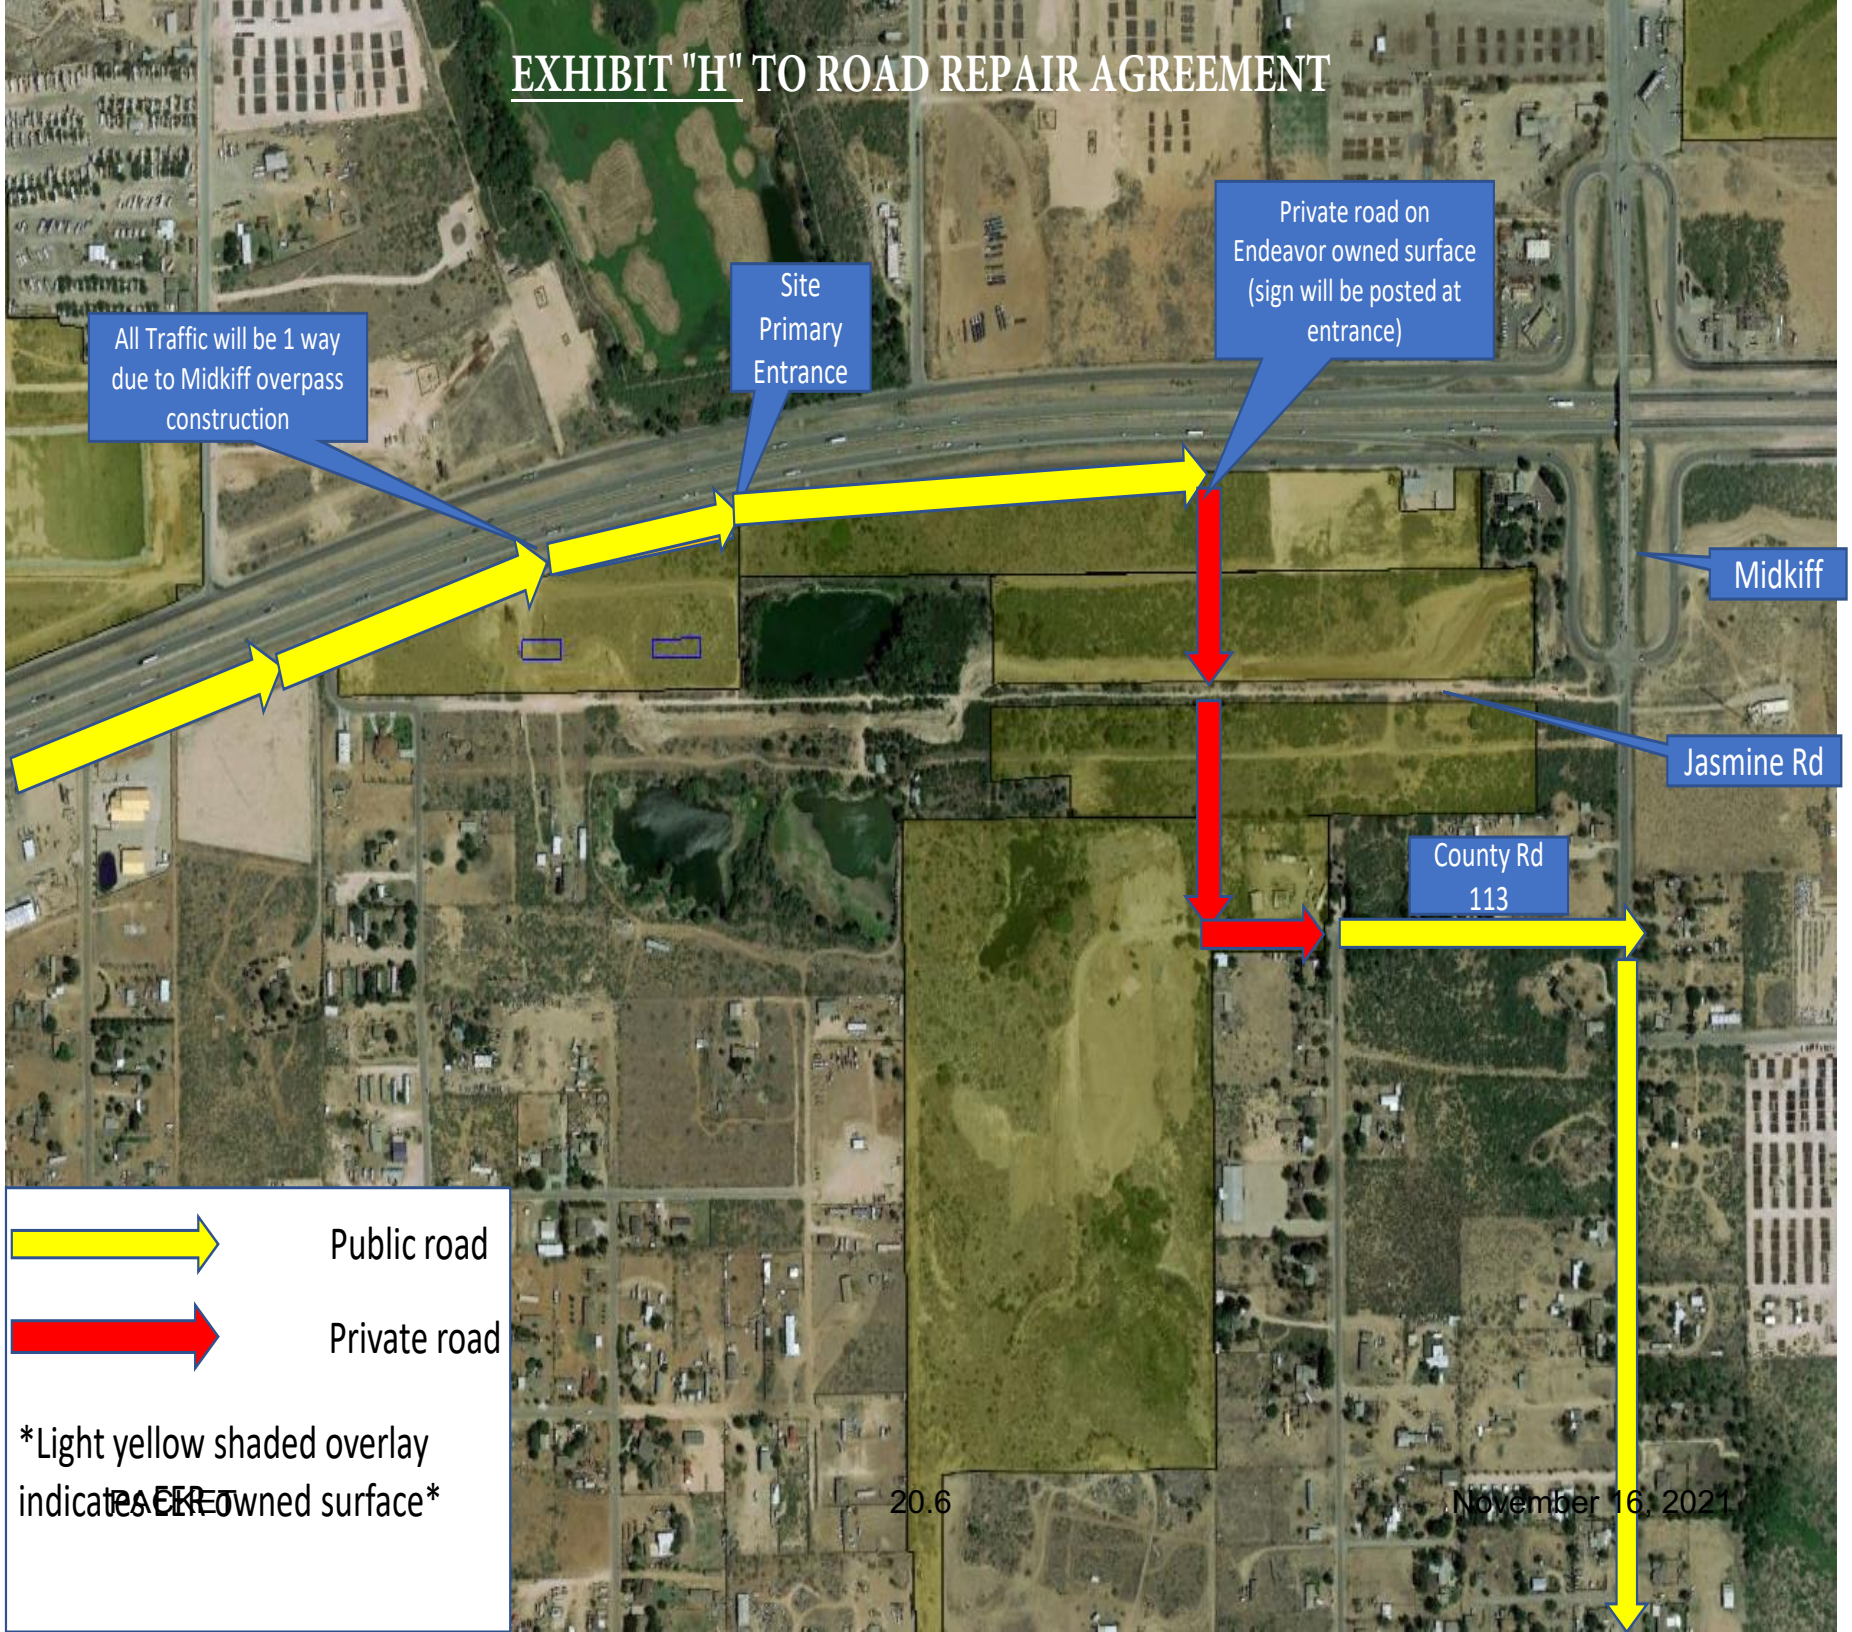
John Ohnemiller, City Attorney

ROAD REPAIR AGREEMENT

Endeavor Energy Resources, LP ("Operator"), intends to use portions of Midkiff & Jasmine Road to access its oil and gas lease as shown on the transportation route depicted on the attached Exhibit H (the "Transportation Route"). Operator agrees to pay actual road repair costs up to a maximum amount of Seventy-Five Thousand and No/100 Dollars ($75,000.00) per calendar year for damage done to the roads on the Transportation Route and the lease entrance gate to the extent that any such damage is verifiably attributable to traffic serving Operator. Operator will not be obligated to pay for any damage to roads on the Transportation Route which is attributable to other parties or for damage associated with normal wear and tear. Operator will not be required to pay road repair expenses in excess of Twenty-Five Thousand and No/100 Dollars ($25,000.00) per calendar year per well, not to exceed a total of Seventy-Five Thousand and No/100 Dollars ($75,000.00) per calendar year for all wells it operates within the city limits of the City of Midland, Texas (the "City"). Operator has attached to this agreement a letter of credit, certificate of deposit, or surety bond in the amount of Seventy-Five Thousand and No/100 Dollars ($75,000.00) which will serve to secure payment of any such road repair expenses for the wells it operates within the city limits of the City. In the event the attached letter of credit, certificate of deposit or surety bond is not restored to Seventy-Five Thousand and No/100 Dollars ($75,000.00) within ten (10) days after the date of the reduction of the letter of credit, certificate of deposit or surety bond, the City may draw and receive the remaining balance of the letter of credit, certificate of deposit or surety bond, and the applicable Oil and Gas Well Permit shall be suspended on such date and the Operator's right to operate under such Oil and Gas Well Permit shall immediately cease until the Operator files the required letter of credit, certificate of deposit or surety bond.

Operator and the City agree that documentation of any road damage determined by the City to be caused by the Operator's use of any roads depicted on the Transportation Route shall be presented to Operator. If the Operator does not agree that the damage was caused by traffic serving Operator, the Operator may file a written objection with the City Manager within ten (10) days of being notified of the road damage. The City Manager shall review the objections and give the Operator the opportunity to be heard and present facts that Operator deems relevant. The City reserves the right, after giving ten (10) business days' written notice to the Operator regarding such damage, to draw upon the letter of credit, certificate of deposit or surety bond, as outlined in Subsection (K), General Conditions of all Oil and Gas Well Permits, in order to remedy the damage to the roads depicted on the Transportation Route. The amount drawn from the letter of credit, certificate of deposit or surety bond shall not exceed the limits previously described by this agreement.

AGREED TO AND ACCEPTED on the 27 day of July 2021, by the following parties:



ENDEAVOR ENERGY RESOURCES, L.P.

Endeavor Petroleum, LLC, its General Partner

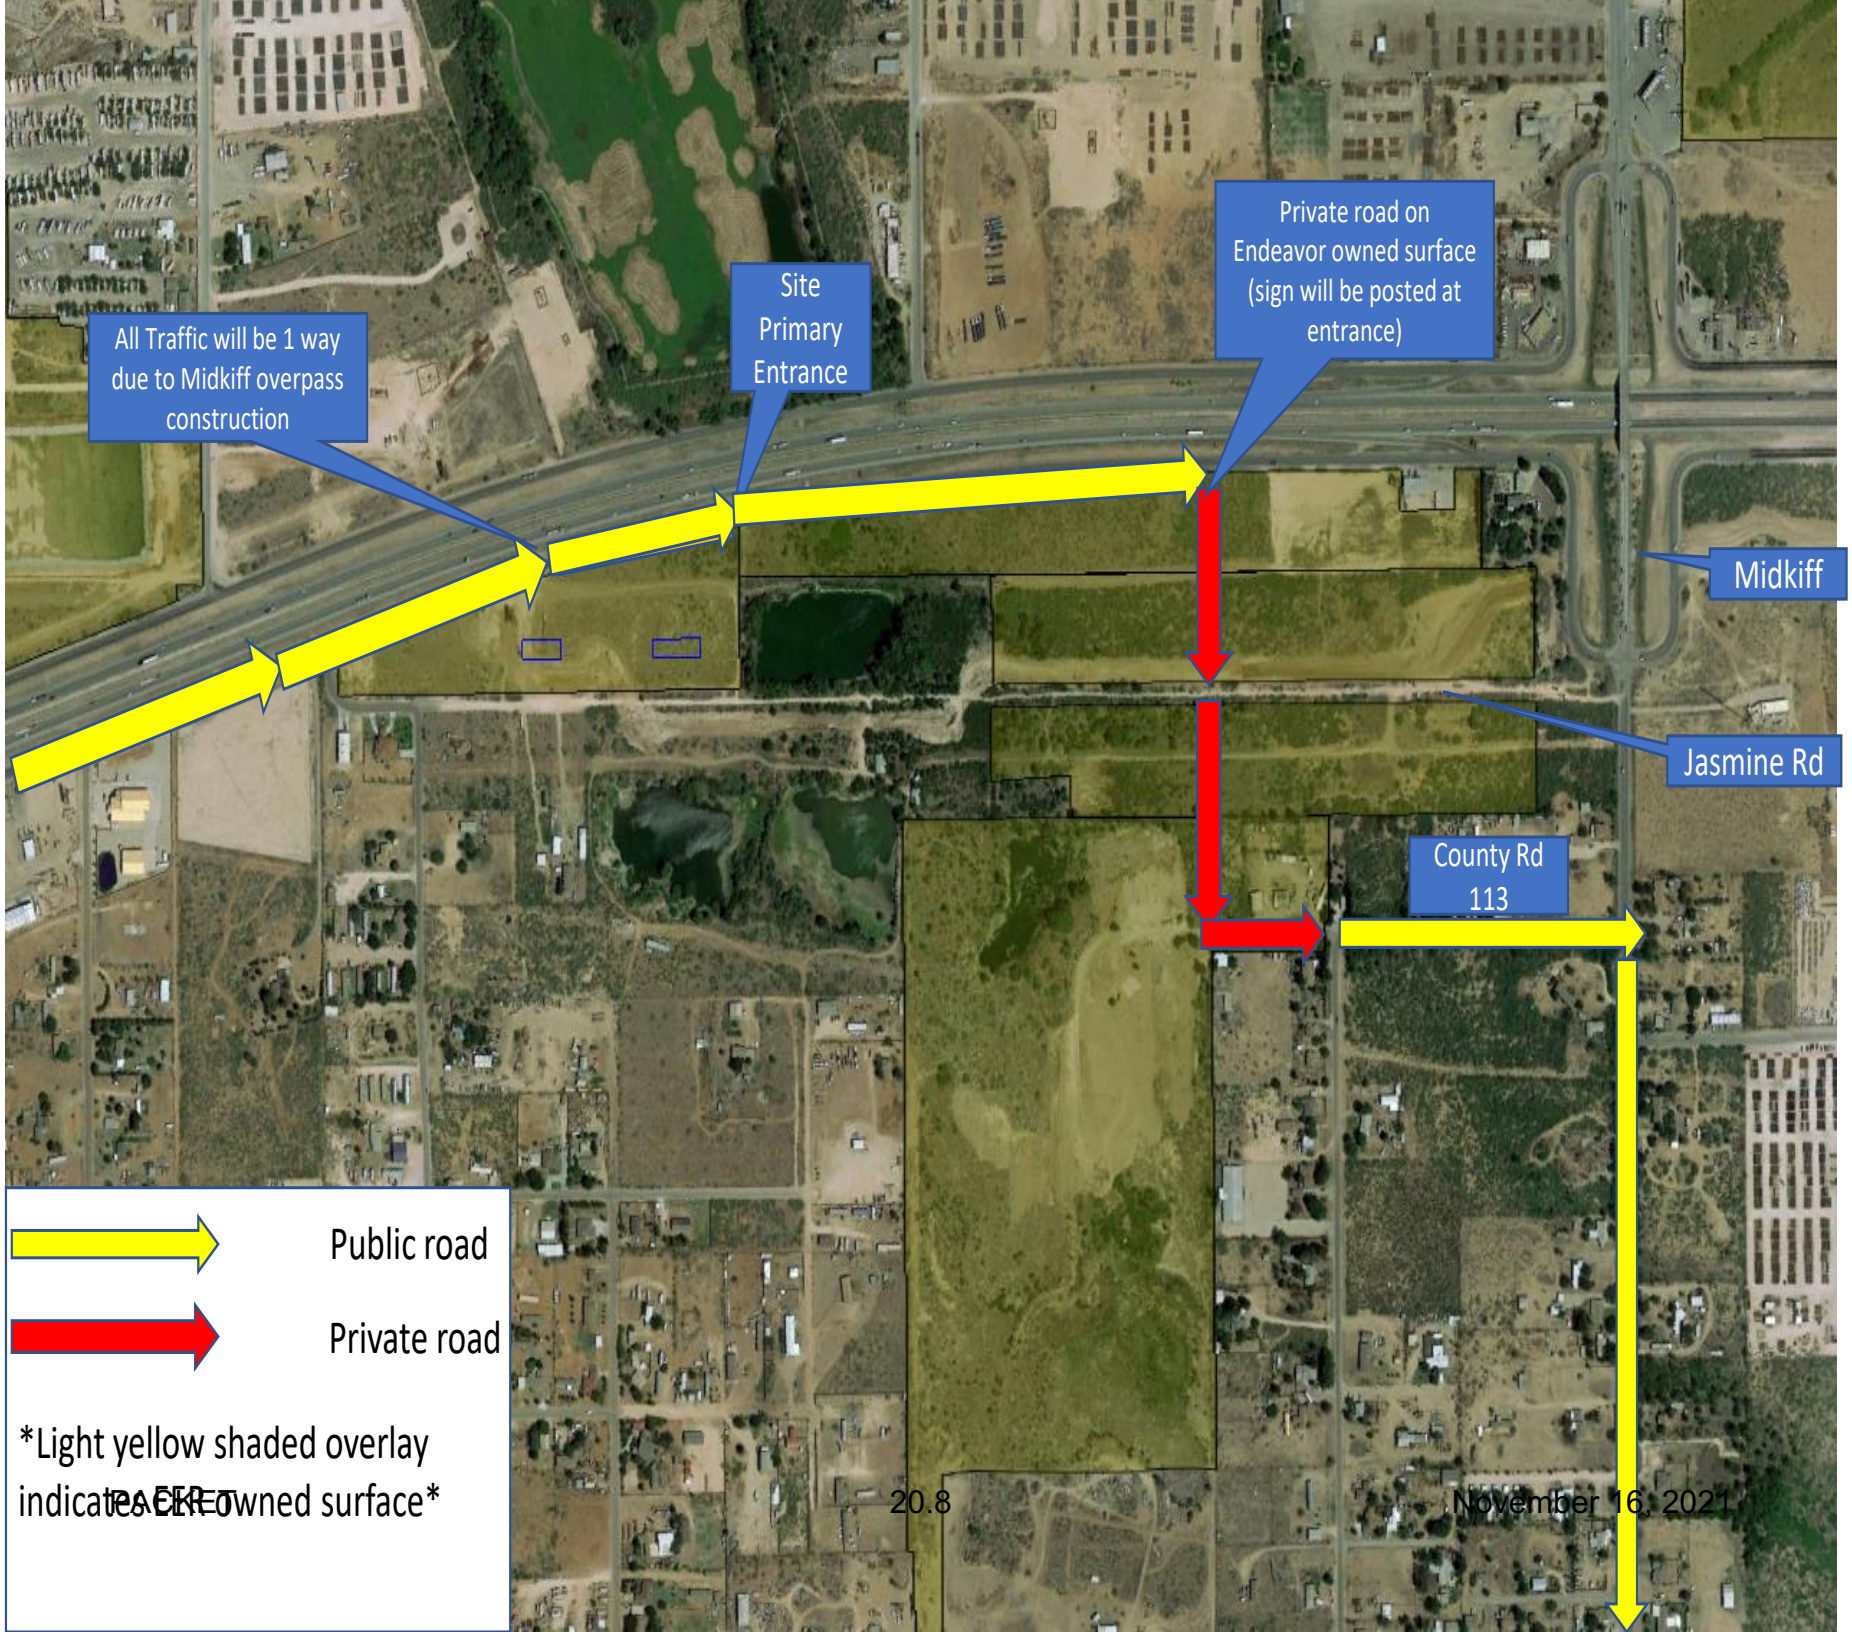
EXHIBIT "H" TO ROAD REPAIR AGREEMENT

ROAD REPAIR AGREEMENT

Endeavor Energy Resources, LP ("Operator"), intends to use portions of Midkiff & Jasmine Road to access its oil and gas lease as shown on the transportation route depicted on the attached Exhibit H (the "Transportation Route"). Operator agrees to pay actual road repair costs up to a maximum amount of Seventy-Five Thousand and No/100 Dollars ($75,000.00) per calendar year for damage done to the roads on the Transportation Route and the lease entrance gate to the extent that any such damage is verifiably attributable to traffic serving Operator. Operator will not be obligated to pay for any damage to roads on the Transportation Route which is attributable to other parties or for damage associated with normal wear and tear. Operator will not be required to pay road repair expenses in excess of Twenty-Five Thousand and No/100 Dollars ($25,000.00) per calendar year per well, not to exceed a total of Seventy-Five Thousand and No/100 Dollars ($75,000.00) per calendar year for all wells it operates within the city limits of the City of Midland, Texas (the "City"). Operator has attached to this agreement a letter of credit, certificate of deposit, or surety bond in the amount of Seventy-Five Thousand and No/100 Dollars ($75,000.00) which will serve to secure payment of any such road repair expenses for the wells it operates within the city limits of the City. In the event the attached letter of credit, certificate of deposit or surety bond is not restored to Seventy-Five Thousand and No/100 Dollars ($75,000.00) within ten (10) days after the date of the reduction of the letter of credit, certificate of deposit or surety bond, the City may draw and receive the remaining balance of the letter of credit, certificate of deposit or surety bond, and the applicable Oil and Gas Well Permit shall be suspended on such date and the Operator's right to operate under such Oil and Gas Well Permit shall immediately cease until the Operator files the required letter of credit, certificate of deposit or surety bond.

Operator and the City agree that documentation of any road damage determined by the City to be caused by the Operator's use of any roads depicted on the Transportation Route shall be presented to Operator. If the Operator does not agree that the damage was caused by traffic serving Operator, the Operator may file a written objection with the City Manager within ten (10) days of being notified of the road damage. The City Manager shall review the objections and give the Operator the opportunity to be heard and present facts that Operator deems relevant. The City reserves the right, after giving ten (10) business days' written notice to the Operator regarding such damage, to draw upon the letter of credit, certificate of deposit or surety bond, as outlined in Subsection (K), General Conditions of all Oil and Gas Well Permits, in order to remedy the damage to the roads depicted on the Transportation Route. The amount drawn from the letter of credit, certificate of deposit or surety bond shall not exceed the limits previously described by this agreement.



AGREED TO AND ACCEPTED on the 27 day of July 2021, by the following parties:

City Council Meeting

Item Number: 21

Meeting Date: November 16, 2021

To: City Council / City Manager

From: John Simmons, Manager, Right-of-Way

Subject: Motion authorizing the execution of a Right-of-Way License with Endeavor Energy Resources, L.P. (21-329-038) regarding city-owned property described as Section 8, Block 39, Township 2 South, T&P RR Co. Survey, Midland County, Texas (DISTRICT 2) (UTILITIES)

Purpose:

This motion will provide a 10' wide right of way to bore 60' in this location and place six - 4" flex steel flow lines in a 16" casing to carry water, gas and oil under City of Midland Jasmine Drive. Both bore pits will be on private property and the pipelines will be cased.

Recommended City Council Action:

Approve

Fiscal Impact:

Application fee (one time): $1,000

Annual Lease Rate,

Annual Lease Rate (3.75 rods x $20/rod): $75.15 / $400.00 minimum per year paid 5 years in advance ($400 x 5) $2,000.00

Surface Damages: none

Total Collected: $3,600.00

Discussion:

This is a privately-owned, 16” casing with six - 4” flex steel flow lines to support Endeavors drilling operation located on private property and permitted through the City of Midland.

Road Bore is required to be cased for the duration of the crossing and buried at a minimum depth of eight (8) feet

Certificates of Insurance are on file

City Secretary to record all documents

RIGHT OF WAY LICENSE

THE STATE OF TEXAS §
§ KNOW ALL MEN BY THESE PRESENTS:
COUNTY OF MIDLAND §

Date:	November 17, 2021
Licensor:	CITY OF MIDLAND, TEXAS, a home-rule municipal corporation
Licensor's Representative:	Robert Patrick, City Manager
Licensor's Mailing Address:	P.O. Box 1152 Midland, Texas 79702
Licensee:	Endeavor Energy Resources, L.P.
Licensee's Representative:	**R. Ben Carter, Vice President - Land**
Licensee's Mailing Address:	110 N. Marienfeld Suite 200 Midland, Texas 79701
Property:	See **Exhibit A** attached hereto and incorporated herein for all purposes.
License Number:	21-329-039

Licensee desires use of property owned by Licensor in Midland County, Texas (the "Property"), for purposes set forth below. Licensee acknowledges and agrees that it must obtain a license (the "License") in order to use the public lands of Licensor.

W I T N E S S E T H:

For and in consideration of the execution of this License and the mutual promises and covenants of the parties hereto, it is mutually promised, understood and agreed as follows:

I. Term

A. Initial Term. This License shall be for a term of five (5) years (the "Initial Term"), commencing with the date of this License (the "Commencement Date") unless terminated earlier as provided hereafter.

B. Renewal Term. This License shall automatically renew at the end of the Initial Term for one (1) additional term of five (5) years, upon the written request of Licensee received by Licensor on or before one hundred twenty (120) days prior to the expiration of the Initial Term then in effect, subject to the express written consent of the governing body of Licensor.

C. Termination. Licensor may terminate this License if Licensee fails to pay, when due, any amount owing under this License and that failure continues for sixty (60) days or, if Licensee commits any material breach or material default in performance of any obligation, prohibition, restriction, provision or covenant contained in this License, and the breach or default continues for a period of thirty (30) days after Licensor delivers notice to Licensee reasonably detailing the breach or default.

Additionally, Licensor may terminate this License at will for any or no reason upon giving at least three hundred sixty-five (365) days' written notice to Licensee. The parties to this License understand and agree that it is in Licensor's sole discretion to cancel the License during the term of the License without penalty to Licensor. Licensee has no expectation and has received no guarantees that this License will not be terminated before the end of the License term. The parties have bargained for the flexibility of terminating this License upon tender of the requisite notice at any time during the term of the License. All work and services under the License shall be suspended upon termination of the License becoming effective.

Upon termination of this License, Licensee shall remove all equipment and structures associated with the undertakings contemplated by this License. After removal of all equipment and structures associated with the undertakings contemplated by this License, the surface shall be restored at the expense of Licensee to its original condition, as close thereto as may be practical, subject to the approval of Licensor upon inspection by Licensor's Representative, which approval shall not be unreasonably withheld. All of said work shall be completed within one hundred and eighty (180) days after termination of this License.

II. Financial Consideration

A. License Fee. The license fee in the amount of TWO THOUSAND and No/100 Dollars ($2,000.00) shall be due and payable on or prior to the Commencement Date of this License ("License Fee"). Licensee's failure to make the License Fee payment within thirty (30) days after the License Fee is due shall constitute a late payment and Licensee shall pay Licensor a late charge of five percent (5%).

In the event Licensor terminates this License pursuant to the provisions of Section I.C., Licensor agrees to refund to Licensee a pro rata share of the License Fee actually paid by Licensee to Licensor for that portion of the remaining term that is being terminated. For the avoidance of doubt, the amount of any refund payable to Licensee pursuant to this Section shall be determined net of any costs or expenses incurred by Licensor in connection with Licensee's unfulfilled obligations under this License (if any).

B. Surface Damage Fee. Intentionally omitted.

C. Application Fee. At the same time the first year License Fee is due, Licensee shall pay a non-refundable one-time fee of ONE THOUSAND and No/100 Dollars ($1,000.00) to Licensor's Representative. Said fee shall revert to Licensor and Licensee shall have no claim to said fee. The fee shall be used to process the application for the License.

D. Fee Adjustment. Prior to commencement of any renewal term, Licensor and Licensee shall

negotiate in good faith to agree to an adjustment of the License Fee. If Licensor and Licensee are unable to reach an agreement regarding an adjustment to the License Fee, then the License Fee shall be determined by Licensor in its sole discretion, provided the new License Fee shall not exceed twenty-five percent (25%) of the License Fee paid for the Initial Term.

E. Delivery of Payment. The License Fee payment shall be made to Licensor at the office of Licensor's Representative, Attn: Right of Way Manager, P.O. Box 1152, Midland, Texas, 79702. The License Fee payment shall be exclusive of and in addition to all general municipal taxes of whatever nature, including but not limited to ad valorem taxes and special taxes and assessments for public improvements.

III. Use

A. Permitted Use. Licensor does hereby grant unto Licensee, the right to enter upon certain property of Licensor, being ten (10) feet in width of the pipeline location as shown on **Exhibit A** attached hereto and incorporated herein for the purpose of placing, constructing, operating, repairing, maintaining, replacing and removing, thereon, along the herein described pipeline location, six (6) four (4) inch flexsteel flow lines in a sixteen (16) inch casing, for the transportation of water, gas and oil and to have the right of ingress and egress at convenient points for such purpose. **Licensee shall provide Licensor with a complete as-built survey within sixty (60) days of completion of the pipeline(s) and facilities described herein. The parties agree Licensee's failure to provide Licensor with a complete as-built survey within sixty (60) days of completion of the pipeline(s) and facilities described herein may result in the termination of this License. The decision to accept a complete as-built survey after the sixty-day deadline prescribed herein, or, conversely, to terminate this License shall be in the sole and absolute discretion of Licensor.**

B. Road Repair. Licensee covenants and agrees that it will repair any of Licensor's roads that Licensee damages on Licensor's property so that such roads will comply with Licensor's Standard Specifications.

C. Utility Repair. Licensee covenants and agrees that Licensee shall, at its own expense, repair all water lines, sewer lines, service lines and water meters owned by Licensor that Licensee, its employees, its agents or assigns, damage so that such water lines, sewer lines and water meters shall comply with the requirements of Licensor's Standard Specifications.

D. Depth. Licensee covenants and agrees that it will bury the pipeline(s) to be constructed hereunder no less than eight (8) feet in depth. All backfill used in burying such line shall be compacted to a density of ninety percent (90%), except where such pipeline(s) crosses under a paved or traveled portion of City of Midland right of way where such backfill shall be compacted to a density of ninety-five percent (95%). Licensor shall be afforded the opportunity to test the density on all backfill. Notwithstanding any provision to the contrary contained herein, Licensee covenants and agrees that, at any point that Licensee's pipeline(s) intersects with a City of Midland utility line location, the pipeline(s) shall be bored at a depth of a least (i) nine (9) feet under all City of Midland water utility lines and (ii) two (2) feet under all City of Midland sewer utility lines. Licensee agrees that it shall comply with 30 Tex. Admin. Code § 290.44(e), as amended, to the extent applicable to this License.

E. Approval of Bids. Before Licensee seeks bids on any phase of the repair of public streets, alleys, water lines, sewer lines or any other public utilities, the specifications shall be approved by Licensor's Representative.

F. Reservation of Rights. Licensor expressly reserves the right to install, repair, or reconstruct streets or roads and all ancillary public uses usual and customary in connection with streets and roads, expressly including but not limited to drainage facilities and related structures in the rights of way used and occupied by Licensee.

Licensor reserves the right to lay and permit to be laid, sewer, gas, water, and other pipelines or cables and conduits, and to do and permit to be done, any underground or overhead installation or improvement that may be deemed necessary or proper by the governing body of Licensor, in, on, across, along, over, under, and through any property occupied by Licensee. In permitting such work to be done, Licensor shall not (except to the extent of Licensor's gross negligence or willful misconduct) be liable to Licensee for any damage so caused to Licensee's system or property, **NOR SHALL LICENSOR BE LIABLE TO LICENSEE FOR ANY DAMAGES TO LICENSEE'S PIPELINE(S), CASING, OR COMPRESSOR STATION, ARISING OUT OF THE NEGLIGENCE, BUT EXCLUDING THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, OF LICENSOR, ITS EMPLOYEES, OFFICERS OR AGENTS, OR LICENSOR'S CONTRACTORS OR SUBCONTRACTORS.** If Licensor requires Licensee to remove, alter, change, adapt, or conform Licensee's facilities because of changes in the grade or construction of a street or in the location or manner of constructing a water pipe, sewer pipe, or other surface, underground or aboveground structure owned by Licensor, Licensee shall make the alterations or changes as soon as practicable, and in no event longer than one hundred eighty (180) days, when ordered in writing by Licensor, without claim for reimbursement for the cost of the relocation or for damages against Licensor. If these requirements impose a financial hardship upon Licensee, Licensee shall have the right to present alternative proposals for Licensor's consideration.

G. Non-exclusive. Licensor expressly reserves the full right to grant other easements or rights of way crossing or running parallel with the rights of way used by Licensee.

H. Abandonment. It is especially provided, however, that as an express condition of this License, and not as a mere covenant, in the event Licensee abandons any equipment or appurtenances to the undertakings contemplated by this License, or the Property ceases to be used for the purposes enumerated herein for any period of twelve (12) consecutive months, or longer, other than the time elapsing between the date hereof and construction, and upon giving Licensee one hundred and twenty (120) days' written notice, then and in that event, this License shall automatically revert to Licensor, its successors or assigns, free and clear of any right, title, or interest in Licensee, or any re-entry by Licensor.

I. Approval of Specifications. In the event Licensee desires to reconstruct, repair, maintain, replace or remove any pipeline or casing system built hereunder, Licensee shall submit the plans and specifications that pertain to the rebuilding or repairs of Licensor's streets and roads and the rebuilding or repairs of any of Licensor's public utilities to Licensor's Representative for his or her approval. In the event of emergency repairs necessary to restore service, Licensee shall notify

Licensor's Representative before making any repairs if during a Licensor work day. If not on a work day, Licensee shall notify Licensor's Representative on the first work day after repairs have begun.

J. Gates and Fences. Licensee agrees to use existing gates and roadways where available, to enter, leave and cross the Property; provided that Licensee shall not use any road marked "Closed." Licensee and all persons entering or leaving the Property in connection with Licensee's operations hereunder shall keep all outside and interior gates securely closed except during operations related to this License. Licensee shall keep all outside gates, and all other gates designated by Licensor, securely locked except during operations related to this License. At any gate that is to be locked, Licensor may install its own lock in addition to Licensee's lock.

Licensee agrees that Licensee shall not cut or go over any fence at any time or in connection with any operations on the Property without first obtaining Licensor's express consent thereto in writing. All gates or openings in fences shall be at mutually agreeable location(s) between Licensee and Licensor and shall be constructed as reasonably required by Licensor. Upon the termination of this License, at Licensor's election, gates in fences shall be left in place and shall thereafter be owned by Licensor or Licensee shall remove such gates and restore the fence to its original condition as nearly as reasonably practicable. The terms, provisions and requirements of this provision shall survive the termination or expiration of this License.

K. Trash. Licensee shall keep the Property free of trash and debris at all times. Under no circumstances, will Licensee be allowed to bury any trash, debris or foreign material of any kind on or under the Property. Licensor shall have the right to expel and permanently ban from the Property any person observed disposing of trash on the Property. Upon the completion of any operations, all ribbons, flags, stakes and similar items shall by promptly removed from the Property.

L. Hunting, Fishing and Alcohol Prohibited. No agent, employee, representative, contractor or subcontractor of Licensee or any other person allowed to enter the Property by Licensee shall be permitted to hunt, fish, trap, camp, picnic, ride motorcycles or four-wheelers or otherwise conduct any social gathering on the Property, nor shall any such persons be permitted to bring firearms, archery equipment, dogs, alcoholic beverages or illegal drugs on the Property at any time. Violations of this provision shall cause the violator to be regarded as a trespasser and subject to prosecution under trespass laws of the State of Texas. Licensor shall have the right to expel and permanently ban from the Property any person observed on the Property in violation of this provision.

M. Storage of Machinery and Equipment. Licensee shall use no part of the Property to store machinery, equipment, or other property of Licensee while it is not being used.

N. Additional Reservations. Licensor reserves the right to use the surface, subsurface or airspace above the land covered by this License for any purpose allowed by law and deemed necessary by Licensor and to do and permit to be done, any work in connection therewith which may be deemed necessary or proper by Licensor in, on, across, along, over, under, and through said right of way occupied by Licensee. In the event of such work in connection with said purposes it shall be deemed necessary by Licensor, at Licensor's sole discretion, to alter, change, adapt, conform or

relocate any pipeline, property, or casing of Licensee, such alteration or change or relocation shall be commenced and completed by Licensee within one hundred eighty (180) days after being ordered in writing by Licensor pursuant to directions from Licensor's City Council without any claim for reimbursement for the cost of the relocation or damages against Licensor. The relocation or alteration shall be at the sole cost of Licensee. Provided, however, that Licensee shall at all times be entitled to receive from appropriate governmental bodies, excluding Licensor, payment for alteration or relocation of its system to which it may be lawfully entitled to under applicable federal or state laws with respect to relocation payments.

IV. Standard General Conditions

A. Insurance. Licensee shall at all times during the term of this License maintain and keep in full force and effect insurance in the following types and minimum amounts with companies authorized to do business in the State of Texas:

Commercial General Liability (including Contractual liability):	
■ Personal Injury:	$1,000,000.00 per person $1,000,000.00 per occurrence
■ Property Damage:	$100,000.00 per occurrence
Business Automobile Liability:	$1,000,000.00 combined single limit-- Personal Injury and Property Damage
Workers' Compensation:	Statutory limits
Employers' Liability:	$1,000,000.00 per accident or occurrence
Excess Liability:	$10,000,000.00 each occurrence $10,000,000.00 aggregate

The Commercial General Liability shall be on an occurrence basis. This insurance shall name Licensor as an additional insured and all insurance shall waive subrogation in favor of Licensor.

The Workers' Compensation coverage provided by Licensee shall inure to the benefit of employees injured during the course and scope of their employment by Licensee pursuant to this License. The Workers' Compensation insurance shall waive all rights of subrogation against Licensor.

The Business Automobile Liability insurance provided by Licensee shall cover any auto for bodily injury and property damage, including owned vehicles, hired and non-owner vehicles, and employee non-ownership, and the amount of such policy shall be a minimum of $1,000,000.00 covering any vehicle used for the execution of the work that is the subject of this License. This insurance shall name Licensor as an additional insured and all insurance shall waive subrogation in favor of Licensor.

The parties agree that, prior to the execution of the License, Licensee shall provide one or more certificates of insurance showing that the requirements of this article have been met. This decision

shall be in Licensor's sole discretion.

Licensor shall be provided the notice by Licensee's insurance provider not later than thirty (30) days prior to any reduction or termination of such coverage. Licensor shall not be required to provide any insurance whatsoever pursuant to this License.

Licensee shall contractually require all contractors, subcontractors, and sub-subcontractors that work on any portion of the work that is the subject of this License to obtain insurance coverage that meets or exceeds the policy requirements and minimum amounts as required by Licensee, and name the City of Midland as an additional insured. Licensee certifies that the one or more certificates of insurance provided as required herein complies with the requirements of Chapter 1811 of the Texas Insurance Code. Licensee shall not use an unapproved certificate of insurance or insert inappropriate language on a certificate. Compliance with state law is the sole responsibility of Licensee.

B. Indemnity. LICENSEE SHALL INDEMNIFY AND HOLD HARMLESS AND DEFEND LICENSOR, AND ALL OF LICENSOR'S OFFICERS, AGENTS AND EMPLOYEES FROM ALL SUITS, ACTIONS, CLAIMS, DAMAGES, PERSONAL INJURIES, ACCIDENTAL DEATH, PROPERTY DAMAGE, LOSSES AND EXPENSE OF ANY CHARACTER WHATSOEVER, INCLUDING REASONABLE ATTORNEY'S FEES, BROUGHT FOR OR ON ACCOUNT OF ANY INJURIES OR DAMAGES RECEIVED OR SUSTAINED BY ANY PERSON OR PERSONS OR PROPERTY ON ACCOUNT OF ANY NEGLIGENT ACT OF LICENSEE, LICENSEE'S OFFICERS, AGENTS OR EMPLOYEES, WHETHER SUCH NEGLIGENT ACT WAS THE SOLE PROXIMATE CAUSE OF THE INJURY OR DAMAGE OR A PROXIMATE CAUSE JOINTLY AND CONCURRENTLY WITH LICENSEE OR LICENSEE'S EMPLOYEES', AGENTS' OR SUBCONTRACTORS' NEGLIGENCE, IN THE EXECUTION, SUPERVISION AND OPERATIONS GROWING OUT OF OR IN ANY WAY CONNECTED WITH THE PERFORMANCE OF THIS LICENSE INCLUDING SUCH NEGLIGENT ACTS ARISING FROM OR IN ANY WAY CONNECTED WITH THE PLACEMENT, CONSTRUCTION, OPERATION, REPAIR, MAINTENANCE, REPLACEMENT OR REMOVAL OF ANY PART OF LICENSEE'S PIPELINE(S),CASING SYSTEM, OR COMPRESSOR STATION IN LICENSOR'S RIGHT OF WAY. LICENSEE WILL BE REQUIRED TO PAY ANY JUDGMENT WITH COSTS WHICH MAY BE OBTAINED AGAINST LICENSOR OR ANY OF ITS OFFICERS, AGENTS OR EMPLOYEES, INCLUDING REASONABLE ATTORNEY'S FEES, BUT ONLY TO THE EXTENT LICENSEE OWES LICENSOR AN INDEMNITY UNDER THIS PARAGRAPH.

LICENSEE AGREES THAT LICENSEE SHALL INDEMNIFY AND SAVE LICENSOR HARMLESS FROM ALL CLAIMS GROWING OUT OF ANY DEMANDS OF SUBCONTRACTORS, LABORERS, WORKMEN, MECHANICS, MATERIALMEN, AND FURNISHERS OF MACHINERY AND PARTS THEREOF, EQUIPMENT, POWER TOOLS, ALL SUPPLIES, CONSTRUCTION, OPERATION, REPAIR, MAINTENANCE, REPLACEMENT OR REMOVAL OF THE PIPELINE(S), CASING SYSTEM, OR COMPRESSOR STATION DESCRIBED HEREIN.

LICENSEE SHALL INDEMNIFY AND HOLD HARMLESS AND DEFEND LICENSOR,

AND ALL OF LICENSOR'S OFFICERS, AGENTS OR EMPLOYEES FROM ALL SUITS, ACTIONS, CLAIMS, DAMAGES, PERSONAL INJURIES, ACCIDENTAL DEATH, PROPERTY DAMAGE, LOSSES AND EXPENSE OF ANY CHARACTER WHATSOEVER, INCLUDING REASONABLE ATTORNEY'S FEES, BROUGHT FOR OR ON ACCOUNT OF ANY INJURIES OR DAMAGES RECEIVED OR SUSTAINED BY ANY PERSON OR PERSONS OR PROPERTY ON ACCOUNT OF ANY NEGLIGENT ACT OF LICENSOR, LICENSOR'S OFFICERS, AGENTS OR EMPLOYEES, WHETHER SUCH NEGLIGENT ACT WAS THE SOLE PROXIMATE CAUSE OF THE INJURY OR DAMAGE OR A PROXIMATE CAUSE JOINTLY AND CONCURRENTLY WITH LICENSEE OR LICENSEE'S EMPLOYEES', AGENTS' OR SUBCONTRACTORS' NEGLIGENCE, IN THE EXECUTION, SUPERVISION AND OPERATIONS GROWING OUT OF OR IN ANY WAY CONNECTED WITH THE PERFORMANCE OF THIS LICENSE INCLUDING SUCH NEGLIGENT ACTS ARISING FROM OR IN ANY WAY CONNECTED WITH THE PLACEMENT, CONSTRUCTION, OPERATION, REPAIR, MAINTENANCE, REPLACEMENT OR REMOVAL OF ANY PART OF LICENSEE'S PIPELINE(S),CASING SYSTEM, OR COMPRESSOR STATION IN LICENSOR'S RIGHT OF WAY. LICENSEE WILL BE REQUIRED TO PAY ANY JUDGMENT WITH COSTS WHICH MAY BE OBTAINED AGAINST LICENSOR OR ANY OF ITS OFFICERS, AGENTS OR EMPLOYEES, INCLUDING REASONABLE ATTORNEY'S FEES.

LICENSEE SHALL INDEMNIFY AND HOLD HARMLESS AND DEFEND LICENSOR, AND ALL OF LICENSOR'S OFFICERS, AGENTS AND EMPLOYEES FROM ALL CLAIMS, LOSSES, DAMAGES, LIABILITIES, LIENS, FINES, PENALTIES, CAUSES OF ACTION, SUITS, CHARGES, JUDGMENTS, ADMINISTRATIVE ORDERS, REMEDIATION REQUIREMENTS, ENFORCEMENT ACTIONS OF ANY KIND, AND ALL COSTS AND EXPENSES OF ANY CHARACTER WHATSOEVER, INCLUDING REASONABLE ATTORNEY'S FEES, BROUGHT FOR OR ON ACCOUNT OF FAILURE OF LICENSEE, ANY CONTRACTOR, SUBCONTRACTOR, ANYONE DIRECTLY OR INDIRECTLY EMPLOYED BY THEM, OR ANYONE THAT THEY CONTROL OR EXERCISE CONTROL OVER TO COMPLY WITH ALL APPLICABLE LOCAL, FEDERAL AND/OR STATE ENVIRONMENTAL LAWS, INCLUDING BUT NOT LIMITED TO THE RESOURCE CONSERVATION AND RECOVERY ACT (RCRA) AND THE COMPREHENSIVE ENVIRONMENTAL RESPONSE, COMPENSATION, AND LIABILITY ACT (CERCLA) (AS THEY MAY BE REAUTHORIZED AND/OR AMENDED) AND ALL OTHER LOCAL, FEDERAL AND STATE LAWS, IN CONNECTION WITH OR RELATED TO ANY OF LICENSEE'S OPERATIONS OR ACTIVITIES ON THE PROPERTY, OR ANY OF LICENSEE'S HANDLING, STORING, RELEASING, TRANSPORTING OR DISPOSING OF ALL SUBSTANCES, INCLUDING, BUT NOT LIMITED TO HAZARDOUS SUBSTANCES AND HAZARDOUS WASTES, ON OR FROM THE PROPERTY OR ANY OTHER LANDS OF LICENSOR.

NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED HEREIN, THE PARTIES HEREBY EXPRESSLY WAIVE THEIR RIGHT TO RECOVER ANY PUNITIVE, EXEMPLARY OR CONSEQUENTIAL DAMAGES ARISING OUT OF THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

FURTHERMORE, IN NO EVENT SHALL LICENSEE'S INDEMNIFICATION OBLIGATIONS HEREUNDER EXTEND TO ANY CLAIMS, DAMAGES, INJURIES, DEATH, DAMAGES, LOSSES OR EXPENSES OF ANY CHARACTER WHATSOEVER TO THE EXTENT ARISING OUT TO THE GROSS NEGLIGENCE OF WILLFUL MISCONDUCT OF LICENSOR OR ANY OF LICENSOR'S OFFICERS, AGENTS, CONTRACTORS, SUBCONTRACTORS OR EMPLOYEES.

C. Assignment. The rights granted by this License inure to the benefit of Licensee. The rights and privileges shall not be assignable by Licensee without the express written consent of Licensor's City Manager. Any required consent is to be evidenced by a letter written by Licensor's City Manager that fully recites the terms and conditions, if any, upon which consent is given. The granting of consent is in the sole discretion of Licensor's City Manager.

D. Independent Contractor. It is expressly understood and agreed that Licensee shall perform all work and services described herein as an independent contractor and not as an officer, agent, servant or employee of Licensor; that Licensee shall have exclusive control of and the exclusive right to control the details of the services and work performed hereunder, and all persons performing the same; and shall be solely responsible for the acts and omissions of its officers, agents, employees, contractors and subcontractors; that the doctrine of respondeat superior shall not apply as between Licensor and Licensee, its officers, agents, employees, contractors and subcontractors; and that nothing herein shall be construed as creating a partnership or joint enterprise between Licensor and Licensee. No person performing any of the work and services described hereunder shall be considered an officer, agent, servant or employee of Licensor. Further, it is specifically understood and agreed that nothing in this License is intended or shall be construed as creating a "Community of Pecuniary Interest" or "An Equal Right of Control" which would give rise to vicarious liability. Licensee shall be an independent contractor under this License and shall assume all of the rights, obligations and liabilities applicable to it as such independent contractor hereunder. Licensor does not have the power to direct the order in which the work is done. Licensor shall not have the right to control the means, methods or details of Licensee's work. Licensee shall assume exclusive responsibility for the work. Licensee is entirely free to do the work in its own way.

E. Waiver of Attorney Fees. BY EXECUTING THIS LICENSE, LICENSEE AGREES TO WAIVE, AND DOES HEREBY KNOWINGLY, CONCLUSIVELY, VOLUNTARILY AND INTENTIONALLY WAIVE, ANY CLAIM IT HAS OR MAY HAVE IN THE FUTURE AGAINST LICENSOR REGARDING THE AWARD OF REASONABLE ATTORNEY'S FEES, WHICH ARE IN ANY WAY RELATED TO THE LICENSE OR THE CONSTRUCTION OR INTERPRETATION OF THE LICENSE. LICENSEE SPECIFICALLY AGREES THAT IF LICENSEE BRINGS OR COMMENCES ANY LEGAL ACTION OR PROCEEDING RELATED TO THIS LICENSE, THE CONSTRUCTION, INTERPRETATION, VALIDITY OR BREACH OF THIS LICENSE, INCLUDING BUT NOT LIMITED TO ANY ACTION PURSUANT TO THE PROVISIONS OF THE TEXAS UNIFORM DECLARATORY JUDGMENTS ACT (TEXAS CIVIL PRACTICE AND REMEDIES CODE SECTION 37.001, ET SEQ., AS AMENDED), OR CHAPTER 271 OF THE TEXAS LOCAL GOVERNMENT CODE, LICENSEE AGREES TO ABANDON, WAIVE AND RELINQUISH ANY AND ALL RIGHTS TO THE RECOVERY OF REASONABLE ATTORNEY'S FEES TO WHICH

LICENSEE MIGHT OTHERWISE BE ENTITLED.

LICENSEE AGREES THAT THIS IS THE VOLUNTARY AND INTENTIONAL RELINQUISHMENT AND ABANDONMENT OF A PRESENTLY EXISTING, KNOWN RIGHT. LICENSEE ACKNOWLEDGES THAT IT UNDERSTANDS ALL TERMS AND CONDITIONS OF THIS LICENSE. LICENSEE FURTHER ACKNOWLEDGES AND AGREES THAT THERE WAS AND IS NO DISPARITY OF BARGAINING POWER BETWEEN LICENSOR AND LICENSEE. THIS SECTION SHALL NOT BE CONSTRUED OR INTERPRETED AS A WAIVER OF GOVERNMENTAL IMMUNITY.

LICENSEE AND LICENSOR ARE RELYING ON THEIR OWN JUDGMENT. EACH PARTY HAD THE OPPORTUNITY TO DISCUSS THIS LICENSE WITH LEGAL COUNSEL PRIOR TO ITS EXECUTION.

F. Governing Law & Venue. All performance and payment made pursuant to this License shall be deemed to have occurred in Midland County, Texas. Exclusive venue for any claims, suits or any other action arising from or connected in any way to this License or the performance of this License shall be in Midland County, Texas. The obligations and undertakings of each of the parties to this License shall be deemed to have been performed in Midland County, Texas. This License shall be construed, interpreted and enforced under the laws of the State of Texas. The laws of the State of Texas shall govern, construe and enforce all the rights and duties of the parties, including but not limited to tort claims and any and all other claims or disputes, arising from or relating in any way to the subject matter of this License, without regard to conflict of laws and rules that would direct application of the laws of another jurisdiction.

G. Release. NOTWITHSTANDING ANY OTHER PROVISIONS OF THIS LICENSE, LICENSEE HEREBY RELEASES, ACQUITS, RELINQUISHES AND FOREVER DISCHARGES LICENSOR, LICENSOR'S EMPLOYEES AND OFFICERS FROM ANY AND ALL DEMANDS, CLAIMS, DAMAGES OR CAUSES OF ACTION OF ANY KIND WHATSOEVER WHICH LICENSEE HAS OR MIGHT HAVE IN THE FUTURE WITH REGARDS TO THIS LICENSE, INCLUDING BUT NOT LIMITED TO BREACH OF CONTRACT, QUANTUM MERUIT, TORT CLAIMS, LICENSOR'S NEGLIGENCE OR CLAIMS UNDER THE DUE PROCESS AND TAKINGS CLAUSES OF THE TEXAS AND UNITED STATES CONSTITUTIONS; PROVIDED, HOWEVER, THAT SAID RELEASE SHALL NOT EXTEND TO ANY DEMANDS, CLAIMS, DAMAGES OR CAUSES OF ACTION RELATING TO INTENTIONAL MISCONDUCT OR GROSS NEGLIGENCE ON THE PART OF LICENSOR.

H. Governmental Immunity. By executing this License, Licensor is not waiving its right of governmental immunity. Licensor is retaining its immunity from suit. Licensor is not granting consent to be sued by legislative resolution or action. **THERE IS NO WAIVER OF GOVERNMENTAL IMMUNITY.**

I. Third Party Beneficiary. Licensor's approval of this License does not create a third party beneficiary. There is no third party beneficiary to this License. No person or entity who is not a party to this License shall have any third party beneficiary or other rights hereunder.

J. Notices. Any notice or communication required in the administration of this License shall be sent by certified mail, return receipt requested, to the parties' respective mailing addresses as set forth hereinabove.

K. Notice of Alleged Breach; Statutory Prerequisite. As a condition precedent to filing suit for alleged damages incurred by an alleged breach of an express or implied provision of this License, Licensee or its legal representative, shall give the City Manager, or any other reasonable official of Licensor, notice in writing (consisting of one (1) original and seven (7) copies of notice attached to a copy of this License) of such damages, duly verified, within one hundred eighty (180) days after the same has been sustained. The discovery rule does not apply to the giving of this notice. The notice shall include when, where and how the damages occurred, the apparent extent thereof, the amount of damages sustained, the amount for which Licensee will settle, the physical and mailing addresses of Licensee at the time and date the claim was presented and the physical and mailing addresses of Licensee for the six (6) months immediately preceding the occurrence of such damages, and the names and addresses of the witnesses upon whom Licensee relies to establish its claim; and a failure to so notify the City Manager within the time and manner provided herein shall exonerate, excuse and except Licensor from any liability whatsoever. Licensor is under no obligation to provide notice to Licensee that Licensee's notice is insufficient. Licensor reserves the right to request reasonable additional information regarding the claim. Said additional information shall be supplied within thirty (30) days after receipt of notice.

The statutory prerequisites outlined herein constitute jurisdictional requirements pursuant to Section 271.154 of the Texas Local Government Code and Section 311.034 of the Texas Government Code. Notwithstanding any other provision, Licensee's failure to comply with the requirements herein shall perpetually bar Licensee's claim for damages under Chapter 271 of the Texas Local Government Code, and Section 311.034 of the Texas Government Code, regardless if Licensor has actual or constructive notice or knowledge of said claim or alleged damages. Licensee agrees that the requirements of this entire License are reasonable.

L. Consideration. The terms of this License are supported by good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by the parties named herein.

M. Waiver of Governmental Immunity; Chapter 271, TEX. LOC. GOV'T CODE. The parties agree that this License does not constitute a License or Contract for providing goods and/or services to Licensor as discussed in Subchapter I of Chapter 271 of the Texas Local Government Code, and Licensor does not waive, to the maximum extent allowed by law, any constitutional, statutory or common law right to sovereign immunity or governmental immunity from liability or suit. Licensor expressly does not consent to be sued or be liable. To the greatest extent allowed by law, nothing in this License constitutes a waiver of Licensor's governmental immunity and the parties expressly agree that this License shall not constitute, nor be interpreted as a waiver of Licensor's governmental immunity under Subchapter I of Chapter 271 of the Texas Local Government Code, nor shall it constitute nor be interpreted as a waiver of Licensor's governmental immunity for the benefit of any third party lacking privity to the License.

This License does not obligate Licensee to use the Property to construct, repair, operate, replace, and maintain Licensor's facilities or structures described herein, it merely prohibits Licensee from using the Property for any other purpose. This License restricts the use of the Property to a specific

purpose, but does not require the use of the Property for a specific purpose. This License does not require Licensee to construct, operate, repair, maintain, replace or remove any of Licensee's facilities or structures described herein. Licensee is not providing a service to Licensor but is providing a service to Licensee's customers. Licensee is paying Licensor for a temporary interest in real property not for a service. Any such provision shall be deemed to be a covenant against noncomplying use, not a covenant to use. Licensee's use of the Property in compliance with a restriction shall not constitute a service, and such complying use shall not operate to waive Licensor's governmental immunity.

N. Compliance. Licensee agrees that it shall comply with Texas Government Code Section 2252.908, as amended, to the extent that this statute applies to this License. Licensee agrees that it shall comply with Texas Local Government Code Section 176.006, as amended, to the extent that this statute applies to this License.

O. Texas Historical Commission Survey. Licensee agrees that it shall comply with Chapter 191 of the Texas Natural Resources Code. By executing this License, Licensee represents that it has contacted the Texas Historical Commission (the "Commission") for the purpose of determining whether the Commission will request that an archaeological survey be completed before Licensee commences operations on the Property, as contemplated herein. Licensee agrees that it shall complete or cause to be completed an archaeological survey before commencing any operations on the Property if the Commission so requests and deliver the same to Licensor. Notwithstanding any provision contained herein, in the event that any site, object, artifact, or other feature of archaeological, scientific, educational, cultural, or historical interest is encountered during the operations authorized by this License, Licensee will immediately notify Licensor and the Commission so that adequate measures may be undertaken to protect or recover such discoveries or findings, as deemed appropriate by Licensor or the Commission.

City Council Meeting

Item Number: 22

Meeting Date: November 16, 2021

To: City Council / City Manager

From: John Simmons, Manager, Right-of-Way

Subject: Motion authorizing the execution of a Right-of-Way License with Endeavor Energy Resources, L.P. (21-329-039) regarding city-owned property described as Section 8, Block 39, Township 2 South, T&P RR Co. Survey, Midland County, Texas (DISTRICT 2) (UTILITIES)

Purpose:

This motion will provide a 10' wide right of way to bore 60' in this location and place six - 4" flex steel flow lines in a 16" casing to carry water, gas and oil under City of Midland owned Jasmine Drive. Both bore pits will be on private property and the pipelines will be cased.

This Right-of-Way License is proposed for a single five (5) year period with the option for a single five (5) year renewal. Terms are consistent with the City's standard license for pipeline facilities of this nature.

Recommended City Council Action:

Approve

Fiscal Impact:

Application fee (one time): $1,000

Annual Lease Rate,

Annual Lease Rate (3.75 rods x $20/rod): $75.15 / $400.00 minimum per year paid 5 years in advance ($400 x 5) $2,000.00

Surface Damages: none

Total Collected: $3,600.00

Discussion:

This is a privately-owned, 16” casing with six - 4” flex steel flow lines to support Endeavors drilling operation located on private property and permitted through the City of Midland.

Road Bore is required to be cased for the duration of the crossing and buried at a minimum depth of eight (8) feet

Certificates of Insurance are on file

City Secretary to record all documents

City Manager’s Office

RIGHT OF WAY LICENSE

THE STATE OF TEXAS §
§ KNOW ALL MEN BY THESE PRESENTS:
COUNTY OF MIDLAND §

Date:	November 17, 2021
Licensor:	CITY OF MIDLAND, TEXAS, a home-rule municipal corporation
Licensor's Representative:	Robert Patrick, City Manager
Licensor's Mailing Address:	P.O. Box 1152 Midland, Texas 79702
Licensee:	Endeavor Energy Resources, L.P.
Licensee's Representative:	**R. Ben Carter, Vice President - Land**
Licensee's Mailing Address:	110 N. Marienfeld Suite 200 Midland, Texas 79701
Property:	See **Exhibit A** attached hereto and incorporated herein for all purposes.
License Number:	21-329-039

Licensee desires use of property owned by Licensor in Midland County, Texas (the "Property"), for purposes set forth below. Licensee acknowledges and agrees that it must obtain a license (the "License") in order to use the public lands of Licensor.

W I T N E S S E T H:

For and in consideration of the execution of this License and the mutual promises and covenants of the parties hereto, it is mutually promised, understood and agreed as follows:

I. Term

A. Initial Term. This License shall be for a term of five (5) years (the "Initial Term"), commencing with the date of this License (the "Commencement Date") unless terminated earlier as provided hereafter.

B. Renewal Term. This License shall automatically renew at the end of the Initial Term for one (1) additional term of five (5) years, upon the written request of Licensee received by Licensor on or before one hundred twenty (120) days prior to the expiration of the Initial Term then in effect, subject to the express written consent of the governing body of Licensor.

C. Termination. Licensor may terminate this License if Licensee fails to pay, when due, any amount owing under this License and that failure continues for sixty (60) days or, if Licensee commits any material breach or material default in performance of any obligation, prohibition, restriction, provision or covenant contained in this License, and the breach or default continues for a period of thirty (30) days after Licensor delivers notice to Licensee reasonably detailing the breach or default.

Additionally, Licensor may terminate this License at will for any or no reason upon giving at least three hundred sixty-five (365) days' written notice to Licensee. The parties to this License understand and agree that it is in Licensor's sole discretion to cancel the License during the term of the License without penalty to Licensor. Licensee has no expectation and has received no guarantees that this License will not be terminated before the end of the License term. The parties have bargained for the flexibility of terminating this License upon tender of the requisite notice at any time during the term of the License. All work and services under the License shall be suspended upon termination of the License becoming effective.

Upon termination of this License, Licensee shall remove all equipment and structures associated with the undertakings contemplated by this License. After removal of all equipment and structures associated with the undertakings contemplated by this License, the surface shall be restored at the expense of Licensee to its original condition, as close thereto as may be practical, subject to the approval of Licensor upon inspection by Licensor's Representative, which approval shall not be unreasonably withheld. All of said work shall be completed within one hundred and eighty (180) days after termination of this License.

II. Financial Consideration

A. License Fee. The license fee in the amount of TWO THOUSAND and No/100 Dollars ($2,000.00) shall be due and payable on or prior to the Commencement Date of this License ("License Fee"). Licensee's failure to make the License Fee payment within thirty (30) days after the License Fee is due shall constitute a late payment and Licensee shall pay Licensor a late charge of five percent (5%).

In the event Licensor terminates this License pursuant to the provisions of Section I.C., Licensor agrees to refund to Licensee a pro rata share of the License Fee actually paid by Licensee to Licensor for that portion of the remaining term that is being terminated. For the avoidance of doubt, the amount of any refund payable to Licensee pursuant to this Section shall be determined net of any costs or expenses incurred by Licensor in connection with Licensee's unfulfilled obligations under this License (if any).

B. Surface Damage Fee. Intentionally omitted.

C. Application Fee. At the same time the first year License Fee is due, Licensee shall pay a non-refundable one-time fee of ONE THOUSAND and No/100 Dollars ($1,000.00) to Licensor's Representative. Said fee shall revert to Licensor and Licensee shall have no claim to said fee. The fee shall be used to process the application for the License.

D. Fee Adjustment. Prior to commencement of any renewal term, Licensor and Licensee shall

negotiate in good faith to agree to an adjustment of the License Fee. If Licensor and Licensee are unable to reach an agreement regarding an adjustment to the License Fee, then the License Fee shall be determined by Licensor in its sole discretion, provided the new License Fee shall not exceed twenty-five percent (25%) of the License Fee paid for the Initial Term.

E. Delivery of Payment. The License Fee payment shall be made to Licensor at the office of Licensor's Representative, Attn: Right of Way Manager, P.O. Box 1152, Midland, Texas, 79702. The License Fee payment shall be exclusive of and in addition to all general municipal taxes of whatever nature, including but not limited to ad valorem taxes and special taxes and assessments for public improvements.

III. Use

A. Permitted Use. Licensor does hereby grant unto Licensee, the right to enter upon certain property of Licensor, being ten (10) feet in width of the pipeline location as shown on **Exhibit A** attached hereto and incorporated herein for the purpose of placing, constructing, operating, repairing, maintaining, replacing and removing, thereon, along the herein described pipeline location, six (6) four (4) inch flexsteel flow lines in a sixteen (16) inch casing, for the transportation of water, gas and oil and to have the right of ingress and egress at convenient points for such purpose. **Licensee shall provide Licensor with a complete as-built survey within sixty (60) days of completion of the pipeline(s) and facilities described herein. The parties agree Licensee's failure to provide Licensor with a complete as-built survey within sixty (60) days of completion of the pipeline(s) and facilities described herein may result in the termination of this License. The decision to accept a complete as-built survey after the sixty-day deadline prescribed herein, or, conversely, to terminate this License shall be in the sole and absolute discretion of Licensor.**

B. Road Repair. Licensee covenants and agrees that it will repair any of Licensor's roads that Licensee damages on Licensor's property so that such roads will comply with Licensor's Standard Specifications.

C. Utility Repair. Licensee covenants and agrees that Licensee shall, at its own expense, repair all water lines, sewer lines, service lines and water meters owned by Licensor that Licensee, its employees, its agents or assigns, damage so that such water lines, sewer lines and water meters shall comply with the requirements of Licensor's Standard Specifications.

D. Depth. Licensee covenants and agrees that it will bury the pipeline(s) to be constructed hereunder no less than eight (8) feet in depth. All backfill used in burying such line shall be compacted to a density of ninety percent (90%), except where such pipeline(s) crosses under a paved or traveled portion of City of Midland right of way where such backfill shall be compacted to a density of ninety-five percent (95%). Licensor shall be afforded the opportunity to test the density on all backfill. Notwithstanding any provision to the contrary contained herein, Licensee covenants and agrees that, at any point that Licensee's pipeline(s) intersects with a City of Midland utility line location, the pipeline(s) shall be bored at a depth of a least (i) nine (9) feet under all City of Midland water utility lines and (ii) two (2) feet under all City of Midland sewer utility lines. Licensee agrees that it shall comply with 30 Tex. Admin. Code § 290.44(e), as amended, to the extent applicable to this License.

E. Approval of Bids. Before Licensee seeks bids on any phase of the repair of public streets, alleys, water lines, sewer lines or any other public utilities, the specifications shall be approved by Licensor's Representative.

F. Reservation of Rights. Licensor expressly reserves the right to install, repair, or reconstruct streets or roads and all ancillary public uses usual and customary in connection with streets and roads, expressly including but not limited to drainage facilities and related structures in the rights of way used and occupied by Licensee.

Licensor reserves the right to lay and permit to be laid, sewer, gas, water, and other pipelines or cables and conduits, and to do and permit to be done, any underground or overhead installation or improvement that may be deemed necessary or proper by the governing body of Licensor, in, on, across, along, over, under, and through any property occupied by Licensee. In permitting such work to be done, Licensor shall not (except to the extent of Licensor's gross negligence or willful misconduct) be liable to Licensee for any damage so caused to Licensee's system or property, **NOR SHALL LICENSOR BE LIABLE TO LICENSEE FOR ANY DAMAGES TO LICENSEE'S PIPELINE(S), CASING, OR COMPRESSOR STATION, ARISING OUT OF THE NEGLIGENCE, BUT EXCLUDING THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, OF LICENSOR, ITS EMPLOYEES, OFFICERS OR AGENTS, OR LICENSOR'S CONTRACTORS OR SUBCONTRACTORS.** If Licensor requires Licensee to remove, alter, change, adapt, or conform Licensee's facilities because of changes in the grade or construction of a street or in the location or manner of constructing a water pipe, sewer pipe, or other surface, underground or aboveground structure owned by Licensor, Licensee shall make the alterations or changes as soon as practicable, and in no event longer than one hundred eighty (180) days, when ordered in writing by Licensor, without claim for reimbursement for the cost of the relocation or for damages against Licensor. If these requirements impose a financial hardship upon Licensee, Licensee shall have the right to present alternative proposals for Licensor's consideration.

G. Non-exclusive. Licensor expressly reserves the full right to grant other easements or rights of way crossing or running parallel with the rights of way used by Licensee.

H. Abandonment. It is especially provided, however, that as an express condition of this License, and not as a mere covenant, in the event Licensee abandons any equipment or appurtenances to the undertakings contemplated by this License, or the Property ceases to be used for the purposes enumerated herein for any period of twelve (12) consecutive months, or longer, other than the time elapsing between the date hereof and construction, and upon giving Licensee one hundred and twenty (120) days' written notice, then and in that event, this License shall automatically revert to Licensor, its successors or assigns, free and clear of any right, title, or interest in Licensee, or any re-entry by Licensor.

I. Approval of Specifications. In the event Licensee desires to reconstruct, repair, maintain, replace or remove any pipeline or casing system built hereunder, Licensee shall submit the plans and specifications that pertain to the rebuilding or repairs of Licensor's streets and roads and the rebuilding or repairs of any of Licensor's public utilities to Licensor's Representative for his or her approval. In the event of emergency repairs necessary to restore service, Licensee shall notify

Licensor's Representative before making any repairs if during a Licensor work day. If not on a work day, Licensee shall notify Licensor's Representative on the first work day after repairs have begun.

J. Gates and Fences. Licensee agrees to use existing gates and roadways where available, to enter, leave and cross the Property; provided that Licensee shall not use any road marked "Closed." Licensee and all persons entering or leaving the Property in connection with Licensee's operations hereunder shall keep all outside and interior gates securely closed except during operations related to this License. Licensee shall keep all outside gates, and all other gates designated by Licensor, securely locked except during operations related to this License. At any gate that is to be locked, Licensor may install its own lock in addition to Licensee's lock.

Licensee agrees that Licensee shall not cut or go over any fence at any time or in connection with any operations on the Property without first obtaining Licensor's express consent thereto in writing. All gates or openings in fences shall be at mutually agreeable location(s) between Licensee and Licensor and shall be constructed as reasonably required by Licensor. Upon the termination of this License, at Licensor's election, gates in fences shall be left in place and shall thereafter be owned by Licensor or Licensee shall remove such gates and restore the fence to its original condition as nearly as reasonably practicable. The terms, provisions and requirements of this provision shall survive the termination or expiration of this License.

K. Trash. Licensee shall keep the Property free of trash and debris at all times. Under no circumstances, will Licensee be allowed to bury any trash, debris or foreign material of any kind on or under the Property. Licensor shall have the right to expel and permanently ban from the Property any person observed disposing of trash on the Property. Upon the completion of any operations, all ribbons, flags, stakes and similar items shall by promptly removed from the Property.

L. Hunting, Fishing and Alcohol Prohibited. No agent, employee, representative, contractor or subcontractor of Licensee or any other person allowed to enter the Property by Licensee shall be permitted to hunt, fish, trap, camp, picnic, ride motorcycles or four-wheelers or otherwise conduct any social gathering on the Property, nor shall any such persons be permitted to bring firearms, archery equipment, dogs, alcoholic beverages or illegal drugs on the Property at any time. Violations of this provision shall cause the violator to be regarded as a trespasser and subject to prosecution under trespass laws of the State of Texas. Licensor shall have the right to expel and permanently ban from the Property any person observed on the Property in violation of this provision.

M. Storage of Machinery and Equipment. Licensee shall use no part of the Property to store machinery, equipment, or other property of Licensee while it is not being used.

N. Additional Reservations. Licensor reserves the right to use the surface, subsurface or airspace above the land covered by this License for any purpose allowed by law and deemed necessary by Licensor and to do and permit to be done, any work in connection therewith which may be deemed necessary or proper by Licensor in, on, across, along, over, under, and through said right of way occupied by Licensee. In the event of such work in connection with said purposes it shall be deemed necessary by Licensor, at Licensor's sole discretion, to alter, change, adapt, conform or

relocate any pipeline, property, or casing of Licensee, such alteration or change or relocation shall be commenced and completed by Licensee within one hundred eighty (180) days after being ordered in writing by Licensor pursuant to directions from Licensor's City Council without any claim for reimbursement for the cost of the relocation or damages against Licensor. The relocation or alteration shall be at the sole cost of Licensee. Provided, however, that Licensee shall at all times be entitled to receive from appropriate governmental bodies, excluding Licensor, payment for alteration or relocation of its system to which it may be lawfully entitled to under applicable federal or state laws with respect to relocation payments.

IV. Standard General Conditions

A. Insurance. Licensee shall at all times during the term of this License maintain and keep in full force and effect insurance in the following types and minimum amounts with companies authorized to do business in the State of Texas:

Commercial General Liability (including Contractual liability):	
■ Personal Injury:	$1,000,000.00 per person $1,000,000.00 per occurrence
■ Property Damage:	$100,000.00 per occurrence
Business Automobile Liability:	$1,000,000.00 combined single limit-- Personal Injury and Property Damage
Workers' Compensation:	Statutory limits
Employers' Liability:	$1,000,000.00 per accident or occurrence
Excess Liability:	$10,000,000.00 each occurrence $10,000,000.00 aggregate

The Commercial General Liability shall be on an occurrence basis. This insurance shall name Licensor as an additional insured and all insurance shall waive subrogation in favor of Licensor.

The Workers' Compensation coverage provided by Licensee shall inure to the benefit of employees injured during the course and scope of their employment by Licensee pursuant to this License. The Workers' Compensation insurance shall waive all rights of subrogation against Licensor.

The Business Automobile Liability insurance provided by Licensee shall cover any auto for bodily injury and property damage, including owned vehicles, hired and non-owner vehicles, and employee non-ownership, and the amount of such policy shall be a minimum of $1,000,000.00 covering any vehicle used for the execution of the work that is the subject of this License. This insurance shall name Licensor as an additional insured and all insurance shall waive subrogation in favor of Licensor.

The parties agree that, prior to the execution of the License, Licensee shall provide one or more certificates of insurance showing that the requirements of this article have been met. This decision

shall be in Licensor's sole discretion.

Licensor shall be provided the notice by Licensee's insurance provider not later than thirty (30) days prior to any reduction or termination of such coverage. Licensor shall not be required to provide any insurance whatsoever pursuant to this License.

Licensee shall contractually require all contractors, subcontractors, and sub-subcontractors that work on any portion of the work that is the subject of this License to obtain insurance coverage that meets or exceeds the policy requirements and minimum amounts as required by Licensee, and name the City of Midland as an additional insured. Licensee certifies that the one or more certificates of insurance provided as required herein complies with the requirements of Chapter 1811 of the Texas Insurance Code. Licensee shall not use an unapproved certificate of insurance or insert inappropriate language on a certificate. Compliance with state law is the sole responsibility of Licensee.

B. Indemnity. LICENSEE SHALL INDEMNIFY AND HOLD HARMLESS AND DEFEND LICENSOR, AND ALL OF LICENSOR'S OFFICERS, AGENTS AND EMPLOYEES FROM ALL SUITS, ACTIONS, CLAIMS, DAMAGES, PERSONAL INJURIES, ACCIDENTAL DEATH, PROPERTY DAMAGE, LOSSES AND EXPENSE OF ANY CHARACTER WHATSOEVER, INCLUDING REASONABLE ATTORNEY'S FEES, BROUGHT FOR OR ON ACCOUNT OF ANY INJURIES OR DAMAGES RECEIVED OR SUSTAINED BY ANY PERSON OR PERSONS OR PROPERTY ON ACCOUNT OF ANY NEGLIGENT ACT OF LICENSEE, LICENSEE'S OFFICERS, AGENTS OR EMPLOYEES, WHETHER SUCH NEGLIGENT ACT WAS THE SOLE PROXIMATE CAUSE OF THE INJURY OR DAMAGE OR A PROXIMATE CAUSE JOINTLY AND CONCURRENTLY WITH LICENSEE OR LICENSEE'S EMPLOYEES', AGENTS' OR SUBCONTRACTORS' NEGLIGENCE, IN THE EXECUTION, SUPERVISION AND OPERATIONS GROWING OUT OF OR IN ANY WAY CONNECTED WITH THE PERFORMANCE OF THIS LICENSE INCLUDING SUCH NEGLIGENT ACTS ARISING FROM OR IN ANY WAY CONNECTED WITH THE PLACEMENT, CONSTRUCTION, OPERATION, REPAIR, MAINTENANCE, REPLACEMENT OR REMOVAL OF ANY PART OF LICENSEE'S PIPELINE(S),CASING SYSTEM, OR COMPRESSOR STATION IN LICENSOR'S RIGHT OF WAY. LICENSEE WILL BE REQUIRED TO PAY ANY JUDGMENT WITH COSTS WHICH MAY BE OBTAINED AGAINST LICENSOR OR ANY OF ITS OFFICERS, AGENTS OR EMPLOYEES, INCLUDING REASONABLE ATTORNEY'S FEES, BUT ONLY TO THE EXTENT LICENSEE OWES LICENSOR AN INDEMNITY UNDER THIS PARAGRAPH.

LICENSEE AGREES THAT LICENSEE SHALL INDEMNIFY AND SAVE LICENSOR HARMLESS FROM ALL CLAIMS GROWING OUT OF ANY DEMANDS OF SUBCONTRACTORS, LABORERS, WORKMEN, MECHANICS, MATERIALMEN, AND FURNISHERS OF MACHINERY AND PARTS THEREOF, EQUIPMENT, POWER TOOLS, ALL SUPPLIES, CONSTRUCTION, OPERATION, REPAIR, MAINTENANCE, REPLACEMENT OR REMOVAL OF THE PIPELINE(S), CASING SYSTEM, OR COMPRESSOR STATION DESCRIBED HEREIN.

LICENSEE SHALL INDEMNIFY AND HOLD HARMLESS AND DEFEND LICENSOR,

AND ALL OF LICENSOR'S OFFICERS, AGENTS OR EMPLOYEES FROM ALL SUITS, ACTIONS, CLAIMS, DAMAGES, PERSONAL INJURIES, ACCIDENTAL DEATH, PROPERTY DAMAGE, LOSSES AND EXPENSE OF ANY CHARACTER WHATSOEVER, INCLUDING REASONABLE ATTORNEY'S FEES, BROUGHT FOR OR ON ACCOUNT OF ANY INJURIES OR DAMAGES RECEIVED OR SUSTAINED BY ANY PERSON OR PERSONS OR PROPERTY ON ACCOUNT OF ANY NEGLIGENT ACT OF LICENSOR, LICENSOR'S OFFICERS, AGENTS OR EMPLOYEES, WHETHER SUCH NEGLIGENT ACT WAS THE SOLE PROXIMATE CAUSE OF THE INJURY OR DAMAGE OR A PROXIMATE CAUSE JOINTLY AND CONCURRENTLY WITH LICENSEE OR LICENSEE'S EMPLOYEES', AGENTS' OR SUBCONTRACTORS' NEGLIGENCE, IN THE EXECUTION, SUPERVISION AND OPERATIONS GROWING OUT OF OR IN ANY WAY CONNECTED WITH THE PERFORMANCE OF THIS LICENSE INCLUDING SUCH NEGLIGENT ACTS ARISING FROM OR IN ANY WAY CONNECTED WITH THE PLACEMENT, CONSTRUCTION, OPERATION, REPAIR, MAINTENANCE, REPLACEMENT OR REMOVAL OF ANY PART OF LICENSEE'S PIPELINE(S),CASING SYSTEM, OR COMPRESSOR STATION IN LICENSOR'S RIGHT OF WAY. LICENSEE WILL BE REQUIRED TO PAY ANY JUDGMENT WITH COSTS WHICH MAY BE OBTAINED AGAINST LICENSOR OR ANY OF ITS OFFICERS, AGENTS OR EMPLOYEES, INCLUDING REASONABLE ATTORNEY'S FEES.

LICENSEE SHALL INDEMNIFY AND HOLD HARMLESS AND DEFEND LICENSOR, AND ALL OF LICENSOR'S OFFICERS, AGENTS AND EMPLOYEES FROM ALL CLAIMS, LOSSES, DAMAGES, LIABILITIES, LIENS, FINES, PENALTIES, CAUSES OF ACTION, SUITS, CHARGES, JUDGMENTS, ADMINISTRATIVE ORDERS, REMEDIATION REQUIREMENTS, ENFORCEMENT ACTIONS OF ANY KIND, AND ALL COSTS AND EXPENSES OF ANY CHARACTER WHATSOEVER, INCLUDING REASONABLE ATTORNEY'S FEES, BROUGHT FOR OR ON ACCOUNT OF FAILURE OF LICENSEE, ANY CONTRACTOR, SUBCONTRACTOR, ANYONE DIRECTLY OR INDIRECTLY EMPLOYED BY THEM, OR ANYONE THAT THEY CONTROL OR EXERCISE CONTROL OVER TO COMPLY WITH ALL APPLICABLE LOCAL, FEDERAL AND/OR STATE ENVIRONMENTAL LAWS, INCLUDING BUT NOT LIMITED TO THE RESOURCE CONSERVATION AND RECOVERY ACT (RCRA) AND THE COMPREHENSIVE ENVIRONMENTAL RESPONSE, COMPENSATION, AND LIABILITY ACT (CERCLA) (AS THEY MAY BE REAUTHORIZED AND/OR AMENDED) AND ALL OTHER LOCAL, FEDERAL AND STATE LAWS, IN CONNECTION WITH OR RELATED TO ANY OF LICENSEE'S OPERATIONS OR ACTIVITIES ON THE PROPERTY, OR ANY OF LICENSEE'S HANDLING, STORING, RELEASING, TRANSPORTING OR DISPOSING OF ALL SUBSTANCES, INCLUDING, BUT NOT LIMITED TO HAZARDOUS SUBSTANCES AND HAZARDOUS WASTES, ON OR FROM THE PROPERTY OR ANY OTHER LANDS OF LICENSOR.

NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED HEREIN, THE PARTIES HEREBY EXPRESSLY WAIVE THEIR RIGHT TO RECOVER ANY PUNITIVE, EXEMPLARY OR CONSEQUENTIAL DAMAGES ARISING OUT OF THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

FURTHERMORE, IN NO EVENT SHALL LICENSEE'S INDEMNIFICATION OBLIGATIONS HEREUNDER EXTEND TO ANY CLAIMS, DAMAGES, INJURIES, DEATH, DAMAGES, LOSSES OR EXPENSES OF ANY CHARACTER WHATSOEVER TO THE EXTENT ARISING OUT TO THE GROSS NEGLIGENCE OF WILLFUL MISCONDUCT OF LICENSOR OR ANY OF LICENSOR'S OFFICERS, AGENTS, CONTRACTORS, SUBCONTRACTORS OR EMPLOYEES.

C. Assignment. The rights granted by this License inure to the benefit of Licensee. The rights and privileges shall not be assignable by Licensee without the express written consent of Licensor's City Manager. Any required consent is to be evidenced by a letter written by Licensor's City Manager that fully recites the terms and conditions, if any, upon which consent is given. The granting of consent is in the sole discretion of Licensor's City Manager.

D. Independent Contractor. It is expressly understood and agreed that Licensee shall perform all work and services described herein as an independent contractor and not as an officer, agent, servant or employee of Licensor; that Licensee shall have exclusive control of and the exclusive right to control the details of the services and work performed hereunder, and all persons performing the same; and shall be solely responsible for the acts and omissions of its officers, agents, employees, contractors and subcontractors; that the doctrine of respondeat superior shall not apply as between Licensor and Licensee, its officers, agents, employees, contractors and subcontractors; and that nothing herein shall be construed as creating a partnership or joint enterprise between Licensor and Licensee. No person performing any of the work and services described hereunder shall be considered an officer, agent, servant or employee of Licensor. Further, it is specifically understood and agreed that nothing in this License is intended or shall be construed as creating a "Community of Pecuniary Interest" or "An Equal Right of Control" which would give rise to vicarious liability. Licensee shall be an independent contractor under this License and shall assume all of the rights, obligations and liabilities applicable to it as such independent contractor hereunder. Licensor does not have the power to direct the order in which the work is done. Licensor shall not have the right to control the means, methods or details of Licensee's work. Licensee shall assume exclusive responsibility for the work. Licensee is entirely free to do the work in its own way.

E. Waiver of Attorney Fees. BY EXECUTING THIS LICENSE, LICENSEE AGREES TO WAIVE, AND DOES HEREBY KNOWINGLY, CONCLUSIVELY, VOLUNTARILY AND INTENTIONALLY WAIVE, ANY CLAIM IT HAS OR MAY HAVE IN THE FUTURE AGAINST LICENSOR REGARDING THE AWARD OF REASONABLE ATTORNEY'S FEES, WHICH ARE IN ANY WAY RELATED TO THE LICENSE OR THE CONSTRUCTION OR INTERPRETATION OF THE LICENSE. LICENSEE SPECIFICALLY AGREES THAT IF LICENSEE BRINGS OR COMMENCES ANY LEGAL ACTION OR PROCEEDING RELATED TO THIS LICENSE, THE CONSTRUCTION, INTERPRETATION, VALIDITY OR BREACH OF THIS LICENSE, INCLUDING BUT NOT LIMITED TO ANY ACTION PURSUANT TO THE PROVISIONS OF THE TEXAS UNIFORM DECLARATORY JUDGMENTS ACT (TEXAS CIVIL PRACTICE AND REMEDIES CODE SECTION 37.001, ET SEQ., AS AMENDED), OR CHAPTER 271 OF THE TEXAS LOCAL GOVERNMENT CODE, LICENSEE AGREES TO ABANDON, WAIVE AND RELINQUISH ANY AND ALL RIGHTS TO THE RECOVERY OF REASONABLE ATTORNEY'S FEES TO WHICH

LICENSEE MIGHT OTHERWISE BE ENTITLED.

LICENSEE AGREES THAT THIS IS THE VOLUNTARY AND INTENTIONAL RELINQUISHMENT AND ABANDONMENT OF A PRESENTLY EXISTING, KNOWN RIGHT. LICENSEE ACKNOWLEDGES THAT IT UNDERSTANDS ALL TERMS AND CONDITIONS OF THIS LICENSE. LICENSEE FURTHER ACKNOWLEDGES AND AGREES THAT THERE WAS AND IS NO DISPARITY OF BARGAINING POWER BETWEEN LICENSOR AND LICENSEE. THIS SECTION SHALL NOT BE CONSTRUED OR INTERPRETED AS A WAIVER OF GOVERNMENTAL IMMUNITY.

LICENSEE AND LICENSOR ARE RELYING ON THEIR OWN JUDGMENT. EACH PARTY HAD THE OPPORTUNITY TO DISCUSS THIS LICENSE WITH LEGAL COUNSEL PRIOR TO ITS EXECUTION.

F. Governing Law & Venue. All performance and payment made pursuant to this License shall be deemed to have occurred in Midland County, Texas. Exclusive venue for any claims, suits or any other action arising from or connected in any way to this License or the performance of this License shall be in Midland County, Texas. The obligations and undertakings of each of the parties to this License shall be deemed to have been performed in Midland County, Texas. This License shall be construed, interpreted and enforced under the laws of the State of Texas. The laws of the State of Texas shall govern, construe and enforce all the rights and duties of the parties, including but not limited to tort claims and any and all other claims or disputes, arising from or relating in any way to the subject matter of this License, without regard to conflict of laws and rules that would direct application of the laws of another jurisdiction.

G. Release. NOTWITHSTANDING ANY OTHER PROVISIONS OF THIS LICENSE, LICENSEE HEREBY RELEASES, ACQUITS, RELINQUISHES AND FOREVER DISCHARGES LICENSOR, LICENSOR'S EMPLOYEES AND OFFICERS FROM ANY AND ALL DEMANDS, CLAIMS, DAMAGES OR CAUSES OF ACTION OF ANY KIND WHATSOEVER WHICH LICENSEE HAS OR MIGHT HAVE IN THE FUTURE WITH REGARDS TO THIS LICENSE, INCLUDING BUT NOT LIMITED TO BREACH OF CONTRACT, QUANTUM MERUIT, TORT CLAIMS, LICENSOR'S NEGLIGENCE OR CLAIMS UNDER THE DUE PROCESS AND TAKINGS CLAUSES OF THE TEXAS AND UNITED STATES CONSTITUTIONS; PROVIDED, HOWEVER, THAT SAID RELEASE SHALL NOT EXTEND TO ANY DEMANDS, CLAIMS, DAMAGES OR CAUSES OF ACTION RELATING TO INTENTIONAL MISCONDUCT OR GROSS NEGLIGENCE ON THE PART OF LICENSOR.

H. Governmental Immunity. By executing this License, Licensor is not waiving its right of governmental immunity. Licensor is retaining its immunity from suit. Licensor is not granting consent to be sued by legislative resolution or action. **THERE IS NO WAIVER OF GOVERNMENTAL IMMUNITY.**

I. Third Party Beneficiary. Licensor's approval of this License does not create a third party beneficiary. There is no third party beneficiary to this License. No person or entity who is not a party to this License shall have any third party beneficiary or other rights hereunder.

J. Notices. Any notice or communication required in the administration of this License shall be sent by certified mail, return receipt requested, to the parties' respective mailing addresses as set forth hereinabove.

K. Notice of Alleged Breach; Statutory Prerequisite. As a condition precedent to filing suit for alleged damages incurred by an alleged breach of an express or implied provision of this License, Licensee or its legal representative, shall give the City Manager, or any other reasonable official of Licensor, notice in writing (consisting of one (1) original and seven (7) copies of notice attached to a copy of this License) of such damages, duly verified, within one hundred eighty (180) days after the same has been sustained. The discovery rule does not apply to the giving of this notice. The notice shall include when, where and how the damages occurred, the apparent extent thereof, the amount of damages sustained, the amount for which Licensee will settle, the physical and mailing addresses of Licensee at the time and date the claim was presented and the physical and mailing addresses of Licensee for the six (6) months immediately preceding the occurrence of such damages, and the names and addresses of the witnesses upon whom Licensee relies to establish its claim; and a failure to so notify the City Manager within the time and manner provided herein shall exonerate, excuse and except Licensor from any liability whatsoever. Licensor is under no obligation to provide notice to Licensee that Licensee's notice is insufficient. Licensor reserves the right to request reasonable additional information regarding the claim. Said additional information shall be supplied within thirty (30) days after receipt of notice.

The statutory prerequisites outlined herein constitute jurisdictional requirements pursuant to Section 271.154 of the Texas Local Government Code and Section 311.034 of the Texas Government Code. Notwithstanding any other provision, Licensee's failure to comply with the requirements herein shall perpetually bar Licensee's claim for damages under Chapter 271 of the Texas Local Government Code, and Section 311.034 of the Texas Government Code, regardless if Licensor has actual or constructive notice or knowledge of said claim or alleged damages. Licensee agrees that the requirements of this entire License are reasonable.

L. Consideration. The terms of this License are supported by good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by the parties named herein.

M. Waiver of Governmental Immunity; Chapter 271, TEX. LOC. GOV'T CODE. The parties agree that this License does not constitute a License or Contract for providing goods and/or services to Licensor as discussed in Subchapter I of Chapter 271 of the Texas Local Government Code, and Licensor does not waive, to the maximum extent allowed by law, any constitutional, statutory or common law right to sovereign immunity or governmental immunity from liability or suit. Licensor expressly does not consent to be sued or be liable. To the greatest extent allowed by law, nothing in this License constitutes a waiver of Licensor's governmental immunity and the parties expressly agree that this License shall not constitute, nor be interpreted as a waiver of Licensor's governmental immunity under Subchapter I of Chapter 271 of the Texas Local Government Code, nor shall it constitute nor be interpreted as a waiver of Licensor's governmental immunity for the benefit of any third party lacking privity to the License.

This License does not obligate Licensee to use the Property to construct, repair, operate, replace, and maintain Licensor's facilities or structures described herein, it merely prohibits Licensee from using the Property for any other purpose. This License restricts the use of the Property to a specific

purpose, but does not require the use of the Property for a specific purpose. This License does not require Licensee to construct, operate, repair, maintain, replace or remove any of Licensee's facilities or structures described herein. Licensee is not providing a service to Licensor but is providing a service to Licensee's customers. Licensee is paying Licensor for a temporary interest in real property not for a service. Any such provision shall be deemed to be a covenant against noncomplying use, not a covenant to use. Licensee's use of the Property in compliance with a restriction shall not constitute a service, and such complying use shall not operate to waive Licensor's governmental immunity.

N. Compliance. Licensee agrees that it shall comply with Texas Government Code Section 2252.908, as amended, to the extent that this statute applies to this License. Licensee agrees that it shall comply with Texas Local Government Code Section 176.006, as amended, to the extent that this statute applies to this License.

O. Texas Historical Commission Survey. Licensee agrees that it shall comply with Chapter 191 of the Texas Natural Resources Code. By executing this License, Licensee represents that it has contacted the Texas Historical Commission (the "Commission") for the purpose of determining whether the Commission will request that an archaeological survey be completed before Licensee commences operations on the Property, as contemplated herein. Licensee agrees that it shall complete or cause to be completed an archaeological survey before commencing any operations on the Property if the Commission so requests and deliver the same to Licensor. Notwithstanding any provision contained herein, in the event that any site, object, artifact, or other feature of archaeological, scientific, educational, cultural, or historical interest is encountered during the operations authorized by this License, Licensee will immediately notify Licensor and the Commission so that adequate measures may be undertaken to protect or recover such discoveries or findings, as deemed appropriate by Licensor or the Commission.

City Council Meeting

Item Number: 23

Meeting Date: November 16, 2021

To: City Council / City Manager

From: John Simmons, Manager, Right-of-Way

Subject: Motion authorizing the execution of a Right-of-Way License with Endeavor Energy Resources, L.P. (21-329-040) regarding city-owned property described as Section 8, Block 39, Township 2 South, T&P RR Co. Survey, Midland County, Texas (DISTRICT 2) (UTILITIES)

Purpose:

This motion will provide a 10' wide right of way to bore 60' in this location and place a 4" SCH 80 FBE natural gas pipeline in a 16" casing to under City of Midland owned Jasmine Drive. Both bore pits will be on private property and the pipelines will be cased.

This Right-of-Way License is proposed for a single five (5) year period with the option for a single five (5) year renewal. Terms are consistent with the City's standard license for pipeline facilities of this nature.

Recommended City Council Action:

Approve

Fiscal Impact:

Application fee (one time): $1,000

Annual Lease Rate,

Annual Lease Rate (3.75 rods x $20/rod): $75.15 / $400.00 minimum per year paid 5 years in advance ($400 x 5) $2,000.00

Surface Damages: none

Total Collected: $3,600.00

Discussion:

This is a privately-owned, 16” casing with a 4” private natural gas pipeline line to support Endeavors production operation located on private property and permitted through the City of Midland.

Road Bore is required to be cased for the duration of the crossing and buried at a minimum depth of eight (8) feet

Certificates of Insurance are on file

City Secretary to record all documents

RIGHT OF WAY LICENSE

THE STATE OF TEXAS §
§ KNOW ALL MEN BY THESE PRESENTS:
COUNTY OF MIDLAND §

Date:	November 17, 2021
Licensor:	CITY OF MIDLAND, TEXAS, a home-rule municipal corporation
Licensor's Representative:	Robert Patrick, City Manager
Licensor's Mailing Address:	P.O. Box 1152 Midland, Texas 79702
Licensee:	Endeavor Energy Resources, L.P.
Licensee's Representative:	**R. Ben Carter, Vice President - Land**
Licensee's Mailing Address:	110 N. Marienfeld Suite 200 Midland, Texas 79701
Property:	See **Exhibit A** attached hereto and incorporated herein for all purposes.
License Number:	21-329-040

Licensee desires use of property owned by Licensor in Midland County, Texas (the "Property"), for purposes set forth below. Licensee acknowledges and agrees that it must obtain a license (the "License") in order to use the public lands of Licensor.

W I T N E S S E T H:

For and in consideration of the execution of this License and the mutual promises and covenants of the parties hereto, it is mutually promised, understood and agreed as follows:

I. Term

A. Initial Term. This License shall be for a term of five (5) years (the "Initial Term"), commencing with the date of this License (the "Commencement Date") unless terminated earlier as provided hereafter.

B. Renewal Term. This License shall automatically renew at the end of the Initial Term for one (1) additional term of five (5) years, upon the written request of Licensee received by Licensor on or before one hundred twenty (120) days prior to the expiration of the Initial Term then in effect, subject to the express written consent of the governing body of Licensor.

C. Termination. Licensor may terminate this License if Licensee fails to pay, when due, any amount owing under this License and that failure continues for sixty (60) days or, if Licensee commits any material breach or material default in performance of any obligation, prohibition, restriction, provision or covenant contained in this License, and the breach or default continues for a period of thirty (30) days after Licensor delivers notice to Licensee reasonably detailing the breach or default.

Additionally, Licensor may terminate this License at will for any or no reason upon giving at least three hundred sixty-five (365) days' written notice to Licensee. The parties to this License understand and agree that it is in Licensor's sole discretion to cancel the License during the term of the License without penalty to Licensor. Licensee has no expectation and has received no guarantees that this License will not be terminated before the end of the License term. The parties have bargained for the flexibility of terminating this License upon tender of the requisite notice at any time during the term of the License. All work and services under the License shall be suspended upon termination of the License becoming effective.

Upon termination of this License, Licensee shall remove all equipment and structures associated with the undertakings contemplated by this License. After removal of all equipment and structures associated with the undertakings contemplated by this License, the surface shall be restored at the expense of Licensee to its original condition, as close thereto as may be practical, subject to the approval of Licensor upon inspection by Licensor's Representative, which approval shall not be unreasonably withheld. All of said work shall be completed within one hundred and eighty (180) days after termination of this License.

II. Financial Consideration

A. License Fee. The license fee in the amount of TWO THOUSAND and No/100 Dollars ($2,000.00) shall be due and payable on or prior to the Commencement Date of this License ("License Fee"). Licensee's failure to make the License Fee payment within thirty (30) days after the License Fee is due shall constitute a late payment and Licensee shall pay Licensor a late charge of five percent (5%).

In the event Licensor terminates this License pursuant to the provisions of Section I.C., Licensor agrees to refund to Licensee a pro rata share of the License Fee actually paid by Licensee to Licensor for that portion of the remaining term that is being terminated. For the avoidance of doubt, the amount of any refund payable to Licensee pursuant to this Section shall be determined net of any costs or expenses incurred by Licensor in connection with Licensee's unfulfilled obligations under this License (if any).

B. Surface Damage Fee. Intentionally omitted.

C. Application Fee. At the same time the first year License Fee is due, Licensee shall pay a non-refundable one-time fee of ONE THOUSAND and No/100 Dollars ($1,000.00) to Licensor's Representative. Said fee shall revert to Licensor and Licensee shall have no claim to said fee. The fee shall be used to process the application for the License.

D. Fee Adjustment. Prior to commencement of any renewal term, Licensor and Licensee shall

negotiate in good faith to agree to an adjustment of the License Fee. If Licensor and Licensee are unable to reach an agreement regarding an adjustment to the License Fee, then the License Fee shall be determined by Licensor in its sole discretion, provided the new License Fee shall not exceed twenty-five percent (25%) of the License Fee paid for the Initial Term.

E. Delivery of Payment. The License Fee payment shall be made to Licensor at the office of Licensor's Representative, Attn: Right of Way Manager, P.O. Box 1152, Midland, Texas, 79702. The License Fee payment shall be exclusive of and in addition to all general municipal taxes of whatever nature, including but not limited to ad valorem taxes and special taxes and assessments for public improvements.

III. Use

A. Permitted Use. Licensor does hereby grant unto Licensee, the right to enter upon certain property of Licensor, being ten (10) feet in width of the pipeline location as shown on **Exhibit A** attached hereto and incorporated herein for the purpose of placing, constructing, operating, repairing, maintaining, replacing and removing, thereon, along the herein described pipeline location, a four (4) inch SCH 80 FBE pipeline in a sixteen (16) inch casing, for the transportation of natural gas and to have the right of ingress and egress at convenient points for such purpose. **Licensee shall provide Licensor with a complete as-built survey within sixty (60) days of completion of the pipeline(s) and facilities described herein. The parties agree Licensee's failure to provide Licensor with a complete as-built survey within sixty (60) days of completion of the pipeline(s) and facilities described herein may result in the termination of this License. The decision to accept a complete as-built survey after the sixty-day deadline prescribed herein, or, conversely, to terminate this License shall be in the sole and absolute discretion of Licensor.**

B. Road Repair. Licensee covenants and agrees that it will repair any of Licensor's roads that Licensee damages on Licensor's property so that such roads will comply with Licensor's Standard Specifications.

C. Utility Repair. Licensee covenants and agrees that Licensee shall, at its own expense, repair all water lines, sewer lines, service lines and water meters owned by Licensor that Licensee, its employees, its agents or assigns, damage so that such water lines, sewer lines and water meters shall comply with the requirements of Licensor's Standard Specifications.

D. Depth. Licensee covenants and agrees that it will bury the pipeline(s) to be constructed hereunder no less than eight (8) feet in depth. All backfill used in burying such line shall be compacted to a density of ninety percent (90%), except where such pipeline(s) crosses under a paved or traveled portion of City of Midland right of way where such backfill shall be compacted to a density of ninety-five percent (95%). Licensor shall be afforded the opportunity to test the density on all backfill. Notwithstanding any provision to the contrary contained herein, Licensee covenants and agrees that, at any point that Licensee's pipeline(s) intersects with a City of Midland utility line location, the pipeline(s) shall be bored at a depth of a least (i) nine (9) feet under all City of Midland water utility lines and (ii) two (2) feet under all City of Midland sewer utility lines. Licensee agrees that it shall comply with 30 Tex. Admin. Code § 290.44(e), as amended, to the extent applicable to this License.

E. Approval of Bids. Before Licensee seeks bids on any phase of the repair of public streets, alleys, water lines, sewer lines or any other public utilities, the specifications shall be approved by Licensor's Representative.

F. Reservation of Rights. Licensor expressly reserves the right to install, repair, or reconstruct streets or roads and all ancillary public uses usual and customary in connection with streets and roads, expressly including but not limited to drainage facilities and related structures in the rights of way used and occupied by Licensee.

Licensor reserves the right to lay and permit to be laid, sewer, gas, water, and other pipelines or cables and conduits, and to do and permit to be done, any underground or overhead installation or improvement that may be deemed necessary or proper by the governing body of Licensor, in, on, across, along, over, under, and through any property occupied by Licensee. In permitting such work to be done, Licensor shall not (except to the extent of Licensor's gross negligence or willful misconduct) be liable to Licensee for any damage so caused to Licensee's system or property, **NOR SHALL LICENSOR BE LIABLE TO LICENSEE FOR ANY DAMAGES TO LICENSEE'S PIPELINE(S), CASING, OR COMPRESSOR STATION, ARISING OUT OF THE NEGLIGENCE, BUT EXCLUDING THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, OF LICENSOR, ITS EMPLOYEES, OFFICERS OR AGENTS, OR LICENSOR'S CONTRACTORS OR SUBCONTRACTORS.** If Licensor requires Licensee to remove, alter, change, adapt, or conform Licensee's facilities because of changes in the grade or construction of a street or in the location or manner of constructing a water pipe, sewer pipe, or other surface, underground or aboveground structure owned by Licensor, Licensee shall make the alterations or changes as soon as practicable, and in no event longer than one hundred eighty (180) days, when ordered in writing by Licensor, without claim for reimbursement for the cost of the relocation or for damages against Licensor. If these requirements impose a financial hardship upon Licensee, Licensee shall have the right to present alternative proposals for Licensor's consideration.

G. Non-exclusive. Licensor expressly reserves the full right to grant other easements or rights of way crossing or running parallel with the rights of way used by Licensee.

H. Abandonment. It is especially provided, however, that as an express condition of this License, and not as a mere covenant, in the event Licensee abandons any equipment or appurtenances to the undertakings contemplated by this License, or the Property ceases to be used for the purposes enumerated herein for any period of twelve (12) consecutive months, or longer, other than the time elapsing between the date hereof and construction, and upon giving Licensee one hundred and twenty (120) days' written notice, then and in that event, this License shall automatically revert to Licensor, its successors or assigns, free and clear of any right, title, or interest in Licensee, or any re-entry by Licensor.

I. Approval of Specifications. In the event Licensee desires to reconstruct, repair, maintain, replace or remove any pipeline or casing system built hereunder, Licensee shall submit the plans and specifications that pertain to the rebuilding or repairs of Licensor's streets and roads and the rebuilding or repairs of any of Licensor's public utilities to Licensor's Representative for his or her approval. In the event of emergency repairs necessary to restore service, Licensee shall notify

Licensor's Representative before making any repairs if during a Licensor work day. If not on a work day, Licensee shall notify Licensor's Representative on the first work day after repairs have begun.

J. Gates and Fences. Licensee agrees to use existing gates and roadways where available, to enter, leave and cross the Property; provided that Licensee shall not use any road marked "Closed." Licensee and all persons entering or leaving the Property in connection with Licensee's operations hereunder shall keep all outside and interior gates securely closed except during operations related to this License. Licensee shall keep all outside gates, and all other gates designated by Licensor, securely locked except during operations related to this License. At any gate that is to be locked, Licensor may install its own lock in addition to Licensee's lock.

Licensee agrees that Licensee shall not cut or go over any fence at any time or in connection with any operations on the Property without first obtaining Licensor's express consent thereto in writing. All gates or openings in fences shall be at mutually agreeable location(s) between Licensee and Licensor and shall be constructed as reasonably required by Licensor. Upon the termination of this License, at Licensor's election, gates in fences shall be left in place and shall thereafter be owned by Licensor or Licensee shall remove such gates and restore the fence to its original condition as nearly as reasonably practicable. The terms, provisions and requirements of this provision shall survive the termination or expiration of this License.

K. Trash. Licensee shall keep the Property free of trash and debris at all times. Under no circumstances, will Licensee be allowed to bury any trash, debris or foreign material of any kind on or under the Property. Licensor shall have the right to expel and permanently ban from the Property any person observed disposing of trash on the Property. Upon the completion of any operations, all ribbons, flags, stakes and similar items shall by promptly removed from the Property.

L. Hunting, Fishing and Alcohol Prohibited. No agent, employee, representative, contractor or subcontractor of Licensee or any other person allowed to enter the Property by Licensee shall be permitted to hunt, fish, trap, camp, picnic, ride motorcycles or four-wheelers or otherwise conduct any social gathering on the Property, nor shall any such persons be permitted to bring firearms, archery equipment, dogs, alcoholic beverages or illegal drugs on the Property at any time. Violations of this provision shall cause the violator to be regarded as a trespasser and subject to prosecution under trespass laws of the State of Texas. Licensor shall have the right to expel and permanently ban from the Property any person observed on the Property in violation of this provision.

M. Storage of Machinery and Equipment. Licensee shall use no part of the Property to store machinery, equipment, or other property of Licensee while it is not being used.

N. Additional Reservations. Licensor reserves the right to use the surface, subsurface or airspace above the land covered by this License for any purpose allowed by law and deemed necessary by Licensor and to do and permit to be done, any work in connection therewith which may be deemed necessary or proper by Licensor in, on, across, along, over, under, and through said right of way occupied by Licensee. In the event of such work in connection with said purposes it shall be deemed necessary by Licensor, at Licensor's sole discretion, to alter, change, adapt, conform or

relocate any pipeline, property, or casing of Licensee, such alteration or change or relocation shall be commenced and completed by Licensee within one hundred eighty (180) days after being ordered in writing by Licensor pursuant to directions from Licensor's City Council without any claim for reimbursement for the cost of the relocation or damages against Licensor. The relocation or alteration shall be at the sole cost of Licensee. Provided, however, that Licensee shall at all times be entitled to receive from appropriate governmental bodies, excluding Licensor, payment for alteration or relocation of its system to which it may be lawfully entitled to under applicable federal or state laws with respect to relocation payments.

IV. Standard General Conditions

A. Insurance. Licensee shall at all times during the term of this License maintain and keep in full force and effect insurance in the following types and minimum amounts with companies authorized to do business in the State of Texas:

Commercial General Liability (including Contractual liability):	
■ Personal Injury:	$1,000,000.00 per person $1,000,000.00 per occurrence
■ Property Damage:	$100,000.00 per occurrence
Business Automobile Liability:	$1,000,000.00 combined single limit-- Personal Injury and Property Damage
Workers' Compensation:	Statutory limits
Employers' Liability:	$1,000,000.00 per accident or occurrence
Excess Liability:	$10,000,000.00 each occurrence $10,000,000.00 aggregate

The Commercial General Liability shall be on an occurrence basis. This insurance shall name Licensor as an additional insured and all insurance shall waive subrogation in favor of Licensor.

The Workers' Compensation coverage provided by Licensee shall inure to the benefit of employees injured during the course and scope of their employment by Licensee pursuant to this License. The Workers' Compensation insurance shall waive all rights of subrogation against Licensor.

The Business Automobile Liability insurance provided by Licensee shall cover any auto for bodily injury and property damage, including owned vehicles, hired and non-owner vehicles, and employee non-ownership, and the amount of such policy shall be a minimum of $1,000,000.00 covering any vehicle used for the execution of the work that is the subject of this License. This insurance shall name Licensor as an additional insured and all insurance shall waive subrogation in favor of Licensor.

The parties agree that, prior to the execution of the License, Licensee shall provide one or more certificates of insurance showing that the requirements of this article have been met. This decision

shall be in Licensor's sole discretion.

Licensor shall be provided the notice by Licensee's insurance provider not later than thirty (30) days prior to any reduction or termination of such coverage. Licensor shall not be required to provide any insurance whatsoever pursuant to this License.

Licensee shall contractually require all contractors, subcontractors, and sub-subcontractors that work on any portion of the work that is the subject of this License to obtain insurance coverage that meets or exceeds the policy requirements and minimum amounts as required by Licensee, and name the City of Midland as an additional insured. Licensee certifies that the one or more certificates of insurance provided as required herein complies with the requirements of Chapter 1811 of the Texas Insurance Code. Licensee shall not use an unapproved certificate of insurance or insert inappropriate language on a certificate. Compliance with state law is the sole responsibility of Licensee.

B. Indemnity. LICENSEE SHALL INDEMNIFY AND HOLD HARMLESS AND DEFEND LICENSOR, AND ALL OF LICENSOR'S OFFICERS, AGENTS AND EMPLOYEES FROM ALL SUITS, ACTIONS, CLAIMS, DAMAGES, PERSONAL INJURIES, ACCIDENTAL DEATH, PROPERTY DAMAGE, LOSSES AND EXPENSE OF ANY CHARACTER WHATSOEVER, INCLUDING REASONABLE ATTORNEY'S FEES, BROUGHT FOR OR ON ACCOUNT OF ANY INJURIES OR DAMAGES RECEIVED OR SUSTAINED BY ANY PERSON OR PERSONS OR PROPERTY ON ACCOUNT OF ANY NEGLIGENT ACT OF LICENSEE, LICENSEE'S OFFICERS, AGENTS OR EMPLOYEES, WHETHER SUCH NEGLIGENT ACT WAS THE SOLE PROXIMATE CAUSE OF THE INJURY OR DAMAGE OR A PROXIMATE CAUSE JOINTLY AND CONCURRENTLY WITH LICENSEE OR LICENSEE'S EMPLOYEES', AGENTS' OR SUBCONTRACTORS' NEGLIGENCE, IN THE EXECUTION, SUPERVISION AND OPERATIONS GROWING OUT OF OR IN ANY WAY CONNECTED WITH THE PERFORMANCE OF THIS LICENSE INCLUDING SUCH NEGLIGENT ACTS ARISING FROM OR IN ANY WAY CONNECTED WITH THE PLACEMENT, CONSTRUCTION, OPERATION, REPAIR, MAINTENANCE, REPLACEMENT OR REMOVAL OF ANY PART OF LICENSEE'S PIPELINE(S),CASING SYSTEM, OR COMPRESSOR STATION IN LICENSOR'S RIGHT OF WAY. LICENSEE WILL BE REQUIRED TO PAY ANY JUDGMENT WITH COSTS WHICH MAY BE OBTAINED AGAINST LICENSOR OR ANY OF ITS OFFICERS, AGENTS OR EMPLOYEES, INCLUDING REASONABLE ATTORNEY'S FEES, BUT ONLY TO THE EXTENT LICENSEE OWES LICENSOR AN INDEMNITY UNDER THIS PARAGRAPH.

LICENSEE AGREES THAT LICENSEE SHALL INDEMNIFY AND SAVE LICENSOR HARMLESS FROM ALL CLAIMS GROWING OUT OF ANY DEMANDS OF SUBCONTRACTORS, LABORERS, WORKMEN, MECHANICS, MATERIALMEN, AND FURNISHERS OF MACHINERY AND PARTS THEREOF, EQUIPMENT, POWER TOOLS, ALL SUPPLIES, CONSTRUCTION, OPERATION, REPAIR, MAINTENANCE, REPLACEMENT OR REMOVAL OF THE PIPELINE(S), CASING SYSTEM, OR COMPRESSOR STATION DESCRIBED HEREIN.

LICENSEE SHALL INDEMNIFY AND HOLD HARMLESS AND DEFEND LICENSOR,

AND ALL OF LICENSOR'S OFFICERS, AGENTS OR EMPLOYEES FROM ALL SUITS, ACTIONS, CLAIMS, DAMAGES, PERSONAL INJURIES, ACCIDENTAL DEATH, PROPERTY DAMAGE, LOSSES AND EXPENSE OF ANY CHARACTER WHATSOEVER, INCLUDING REASONABLE ATTORNEY'S FEES, BROUGHT FOR OR ON ACCOUNT OF ANY INJURIES OR DAMAGES RECEIVED OR SUSTAINED BY ANY PERSON OR PERSONS OR PROPERTY ON ACCOUNT OF ANY NEGLIGENT ACT OF LICENSOR, LICENSOR'S OFFICERS, AGENTS OR EMPLOYEES, WHETHER SUCH NEGLIGENT ACT WAS THE SOLE PROXIMATE CAUSE OF THE INJURY OR DAMAGE OR A PROXIMATE CAUSE JOINTLY AND CONCURRENTLY WITH LICENSEE OR LICENSEE'S EMPLOYEES', AGENTS' OR SUBCONTRACTORS' NEGLIGENCE, IN THE EXECUTION, SUPERVISION AND OPERATIONS GROWING OUT OF OR IN ANY WAY CONNECTED WITH THE PERFORMANCE OF THIS LICENSE INCLUDING SUCH NEGLIGENT ACTS ARISING FROM OR IN ANY WAY CONNECTED WITH THE PLACEMENT, CONSTRUCTION, OPERATION, REPAIR, MAINTENANCE, REPLACEMENT OR REMOVAL OF ANY PART OF LICENSEE'S PIPELINE(S),CASING SYSTEM, OR COMPRESSOR STATION IN LICENSOR'S RIGHT OF WAY. LICENSEE WILL BE REQUIRED TO PAY ANY JUDGMENT WITH COSTS WHICH MAY BE OBTAINED AGAINST LICENSOR OR ANY OF ITS OFFICERS, AGENTS OR EMPLOYEES, INCLUDING REASONABLE ATTORNEY'S FEES.

LICENSEE SHALL INDEMNIFY AND HOLD HARMLESS AND DEFEND LICENSOR, AND ALL OF LICENSOR'S OFFICERS, AGENTS AND EMPLOYEES FROM ALL CLAIMS, LOSSES, DAMAGES, LIABILITIES, LIENS, FINES, PENALTIES, CAUSES OF ACTION, SUITS, CHARGES, JUDGMENTS, ADMINISTRATIVE ORDERS, REMEDIATION REQUIREMENTS, ENFORCEMENT ACTIONS OF ANY KIND, AND ALL COSTS AND EXPENSES OF ANY CHARACTER WHATSOEVER, INCLUDING REASONABLE ATTORNEY'S FEES, BROUGHT FOR OR ON ACCOUNT OF FAILURE OF LICENSEE, ANY CONTRACTOR, SUBCONTRACTOR, ANYONE DIRECTLY OR INDIRECTLY EMPLOYED BY THEM, OR ANYONE THAT THEY CONTROL OR EXERCISE CONTROL OVER TO COMPLY WITH ALL APPLICABLE LOCAL, FEDERAL AND/OR STATE ENVIRONMENTAL LAWS, INCLUDING BUT NOT LIMITED TO THE RESOURCE CONSERVATION AND RECOVERY ACT (RCRA) AND THE COMPREHENSIVE ENVIRONMENTAL RESPONSE, COMPENSATION, AND LIABILITY ACT (CERCLA) (AS THEY MAY BE REAUTHORIZED AND/OR AMENDED) AND ALL OTHER LOCAL, FEDERAL AND STATE LAWS, IN CONNECTION WITH OR RELATED TO ANY OF LICENSEE'S OPERATIONS OR ACTIVITIES ON THE PROPERTY, OR ANY OF LICENSEE'S HANDLING, STORING, RELEASING, TRANSPORTING OR DISPOSING OF ALL SUBSTANCES, INCLUDING, BUT NOT LIMITED TO HAZARDOUS SUBSTANCES AND HAZARDOUS WASTES, ON OR FROM THE PROPERTY OR ANY OTHER LANDS OF LICENSOR.

NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED HEREIN, THE PARTIES HEREBY EXPRESSLY WAIVE THEIR RIGHT TO RECOVER ANY PUNITIVE, EXEMPLARY OR CONSEQUENTIAL DAMAGES ARISING OUT OF THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

FURTHERMORE, IN NO EVENT SHALL LICENSEE'S INDEMNIFICATION OBLIGATIONS HEREUNDER EXTEND TO ANY CLAIMS, DAMAGES, INJURIES, DEATH, DAMAGES, LOSSES OR EXPENSES OF ANY CHARACTER WHATSOEVER TO THE EXTENT ARISING OUT TO THE GROSS NEGLIGENCE OF WILLFUL MISCONDUCT OF LICENSOR OR ANY OF LICENSOR'S OFFICERS, AGENTS, CONTRACTORS, SUBCONTRACTORS OR EMPLOYEES.

C. Assignment. The rights granted by this License inure to the benefit of Licensee. The rights and privileges shall not be assignable by Licensee without the express written consent of Licensor's City Manager. Any required consent is to be evidenced by a letter written by Licensor's City Manager that fully recites the terms and conditions, if any, upon which consent is given. The granting of consent is in the sole discretion of Licensor's City Manager.

D. Independent Contractor. It is expressly understood and agreed that Licensee shall perform all work and services described herein as an independent contractor and not as an officer, agent, servant or employee of Licensor; that Licensee shall have exclusive control of and the exclusive right to control the details of the services and work performed hereunder, and all persons performing the same; and shall be solely responsible for the acts and omissions of its officers, agents, employees, contractors and subcontractors; that the doctrine of respondeat superior shall not apply as between Licensor and Licensee, its officers, agents, employees, contractors and subcontractors; and that nothing herein shall be construed as creating a partnership or joint enterprise between Licensor and Licensee. No person performing any of the work and services described hereunder shall be considered an officer, agent, servant or employee of Licensor. Further, it is specifically understood and agreed that nothing in this License is intended or shall be construed as creating a "Community of Pecuniary Interest" or "An Equal Right of Control" which would give rise to vicarious liability. Licensee shall be an independent contractor under this License and shall assume all of the rights, obligations and liabilities applicable to it as such independent contractor hereunder. Licensor does not have the power to direct the order in which the work is done. Licensor shall not have the right to control the means, methods or details of Licensee's work. Licensee shall assume exclusive responsibility for the work. Licensee is entirely free to do the work in its own way.

E. Waiver of Attorney Fees. BY EXECUTING THIS LICENSE, LICENSEE AGREES TO WAIVE, AND DOES HEREBY KNOWINGLY, CONCLUSIVELY, VOLUNTARILY AND INTENTIONALLY WAIVE, ANY CLAIM IT HAS OR MAY HAVE IN THE FUTURE AGAINST LICENSOR REGARDING THE AWARD OF REASONABLE ATTORNEY'S FEES, WHICH ARE IN ANY WAY RELATED TO THE LICENSE OR THE CONSTRUCTION OR INTERPRETATION OF THE LICENSE. LICENSEE SPECIFICALLY AGREES THAT IF LICENSEE BRINGS OR COMMENCES ANY LEGAL ACTION OR PROCEEDING RELATED TO THIS LICENSE, THE CONSTRUCTION, INTERPRETATION, VALIDITY OR BREACH OF THIS LICENSE, INCLUDING BUT NOT LIMITED TO ANY ACTION PURSUANT TO THE PROVISIONS OF THE TEXAS UNIFORM DECLARATORY JUDGMENTS ACT (TEXAS CIVIL PRACTICE AND REMEDIES CODE SECTION 37.001, ET SEQ., AS AMENDED), OR CHAPTER 271 OF THE TEXAS LOCAL GOVERNMENT CODE, LICENSEE AGREES TO ABANDON, WAIVE AND RELINQUISH ANY AND ALL RIGHTS TO THE RECOVERY OF REASONABLE ATTORNEY'S FEES TO WHICH

LICENSEE MIGHT OTHERWISE BE ENTITLED.

LICENSEE AGREES THAT THIS IS THE VOLUNTARY AND INTENTIONAL RELINQUISHMENT AND ABANDONMENT OF A PRESENTLY EXISTING, KNOWN RIGHT. LICENSEE ACKNOWLEDGES THAT IT UNDERSTANDS ALL TERMS AND CONDITIONS OF THIS LICENSE. LICENSEE FURTHER ACKNOWLEDGES AND AGREES THAT THERE WAS AND IS NO DISPARITY OF BARGAINING POWER BETWEEN LICENSOR AND LICENSEE. THIS SECTION SHALL NOT BE CONSTRUED OR INTERPRETED AS A WAIVER OF GOVERNMENTAL IMMUNITY.

LICENSEE AND LICENSOR ARE RELYING ON THEIR OWN JUDGMENT. EACH PARTY HAD THE OPPORTUNITY TO DISCUSS THIS LICENSE WITH LEGAL COUNSEL PRIOR TO ITS EXECUTION.

F. Governing Law & Venue. All performance and payment made pursuant to this License shall be deemed to have occurred in Midland County, Texas. Exclusive venue for any claims, suits or any other action arising from or connected in any way to this License or the performance of this License shall be in Midland County, Texas. The obligations and undertakings of each of the parties to this License shall be deemed to have been performed in Midland County, Texas. This License shall be construed, interpreted and enforced under the laws of the State of Texas. The laws of the State of Texas shall govern, construe and enforce all the rights and duties of the parties, including but not limited to tort claims and any and all other claims or disputes, arising from or relating in any way to the subject matter of this License, without regard to conflict of laws and rules that would direct application of the laws of another jurisdiction.

G. Release. NOTWITHSTANDING ANY OTHER PROVISIONS OF THIS LICENSE, LICENSEE HEREBY RELEASES, ACQUITS, RELINQUISHES AND FOREVER DISCHARGES LICENSOR, LICENSOR'S EMPLOYEES AND OFFICERS FROM ANY AND ALL DEMANDS, CLAIMS, DAMAGES OR CAUSES OF ACTION OF ANY KIND WHATSOEVER WHICH LICENSEE HAS OR MIGHT HAVE IN THE FUTURE WITH REGARDS TO THIS LICENSE, INCLUDING BUT NOT LIMITED TO BREACH OF CONTRACT, QUANTUM MERUIT, TORT CLAIMS, LICENSOR'S NEGLIGENCE OR CLAIMS UNDER THE DUE PROCESS AND TAKINGS CLAUSES OF THE TEXAS AND UNITED STATES CONSTITUTIONS; PROVIDED, HOWEVER, THAT SAID RELEASE SHALL NOT EXTEND TO ANY DEMANDS, CLAIMS, DAMAGES OR CAUSES OF ACTION RELATING TO INTENTIONAL MISCONDUCT OR GROSS NEGLIGENCE ON THE PART OF LICENSOR.

H. Governmental Immunity. By executing this License, Licensor is not waiving its right of governmental immunity. Licensor is retaining its immunity from suit. Licensor is not granting consent to be sued by legislative resolution or action. **THERE IS NO WAIVER OF GOVERNMENTAL IMMUNITY.**

I. Third Party Beneficiary. Licensor's approval of this License does not create a third party beneficiary. There is no third party beneficiary to this License. No person or entity who is not a party to this License shall have any third party beneficiary or other rights hereunder.

J. Notices. Any notice or communication required in the administration of this License shall be sent by certified mail, return receipt requested, to the parties' respective mailing addresses as set forth hereinabove.

K. Notice of Alleged Breach; Statutory Prerequisite. As a condition precedent to filing suit for alleged damages incurred by an alleged breach of an express or implied provision of this License, Licensee or its legal representative, shall give the City Manager, or any other reasonable official of Licensor, notice in writing (consisting of one (1) original and seven (7) copies of notice attached to a copy of this License) of such damages, duly verified, within one hundred eighty (180) days after the same has been sustained. The discovery rule does not apply to the giving of this notice. The notice shall include when, where and how the damages occurred, the apparent extent thereof, the amount of damages sustained, the amount for which Licensee will settle, the physical and mailing addresses of Licensee at the time and date the claim was presented and the physical and mailing addresses of Licensee for the six (6) months immediately preceding the occurrence of such damages, and the names and addresses of the witnesses upon whom Licensee relies to establish its claim; and a failure to so notify the City Manager within the time and manner provided herein shall exonerate, excuse and except Licensor from any liability whatsoever. Licensor is under no obligation to provide notice to Licensee that Licensee's notice is insufficient. Licensor reserves the right to request reasonable additional information regarding the claim. Said additional information shall be supplied within thirty (30) days after receipt of notice.

The statutory prerequisites outlined herein constitute jurisdictional requirements pursuant to Section 271.154 of the Texas Local Government Code and Section 311.034 of the Texas Government Code. Notwithstanding any other provision, Licensee's failure to comply with the requirements herein shall perpetually bar Licensee's claim for damages under Chapter 271 of the Texas Local Government Code, and Section 311.034 of the Texas Government Code, regardless if Licensor has actual or constructive notice or knowledge of said claim or alleged damages. Licensee agrees that the requirements of this entire License are reasonable.

L. Consideration. The terms of this License are supported by good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by the parties named herein.

M. Waiver of Governmental Immunity; Chapter 271, TEX. LOC. GOV'T CODE. The parties agree that this License does not constitute a License or Contract for providing goods and/or services to Licensor as discussed in Subchapter I of Chapter 271 of the Texas Local Government Code, and Licensor does not waive, to the maximum extent allowed by law, any constitutional, statutory or common law right to sovereign immunity or governmental immunity from liability or suit. Licensor expressly does not consent to be sued or be liable. To the greatest extent allowed by law, nothing in this License constitutes a waiver of Licensor's governmental immunity and the parties expressly agree that this License shall not constitute, nor be interpreted as a waiver of Licensor's governmental immunity under Subchapter I of Chapter 271 of the Texas Local Government Code, nor shall it constitute nor be interpreted as a waiver of Licensor's governmental immunity for the benefit of any third party lacking privity to the License.

This License does not obligate Licensee to use the Property to construct, repair, operate, replace, and maintain Licensor's facilities or structures described herein, it merely prohibits Licensee from using the Property for any other purpose. This License restricts the use of the Property to a specific

purpose, but does not require the use of the Property for a specific purpose. This License does not require Licensee to construct, operate, repair, maintain, replace or remove any of Licensee's facilities or structures described herein. Licensee is not providing a service to Licensor but is providing a service to Licensee's customers. Licensee is paying Licensor for a temporary interest in real property not for a service. Any such provision shall be deemed to be a covenant against noncomplying use, not a covenant to use. Licensee's use of the Property in compliance with a restriction shall not constitute a service, and such complying use shall not operate to waive Licensor's governmental immunity.

N. Compliance. Licensee agrees that it shall comply with Texas Government Code Section 2252.908, as amended, to the extent that this statute applies to this License. Licensee agrees that it shall comply with Texas Local Government Code Section 176.006, as amended, to the extent that this statute applies to this License.

O. Texas Historical Commission Survey. Licensee agrees that it shall comply with Chapter 191 of the Texas Natural Resources Code. By executing this License, Licensee represents that it has contacted the Texas Historical Commission (the "Commission") for the purpose of determining whether the Commission will request that an archaeological survey be completed before Licensee commences operations on the Property, as contemplated herein. Licensee agrees that it shall complete or cause to be completed an archaeological survey before commencing any operations on the Property if the Commission so requests and deliver the same to Licensor. Notwithstanding any provision contained herein, in the event that any site, object, artifact, or other feature of archaeological, scientific, educational, cultural, or historical interest is encountered during the operations authorized by this License, Licensee will immediately notify Licensor and the Commission so that adequate measures may be undertaken to protect or recover such discoveries or findings, as deemed appropriate by Licensor or the Commission.

City Council Meeting

Item Number: 24

Meeting Date: November 16, 2021

To: City Council / City Manager

From: John Simmons, Manager, Right-of-Way

Subject: Motion authorizing the execution of a Right-of-Way License with Environmental Disposal Systems, LLC, Regarding City-owned property described as Section 24, Block 37, Township 3 South, T&P RR Co. Survey, Midland County, Texas (DISTRICT: NONE) (UTILITIES)

Purpose:

This is a two year ROW for 2 fresh and 2 produced, 12” lay-flat water lines. This will allow Environmental Disposal Systems to move fresh and produced water in support of parent company, Endeavor Energy’s current mineral development operations under the current SUA. This parcel is located at the southern edge of the Spraberry Farm that is not used for current City operations.

Recommended City Council Action:

Approve

Fiscal Impact:

Application fee (one time): $1,000

Annual Lease Rate,

Above ground Pipelines ($40/rod * 302.88): $ 12,115.2 / paid 2 year term: $24,230.40

Surface Damages: collected under ROW License 21-329-011

Total Collected: $25,230.40

Discussion:

Environmental Disposal Systems, LLC is a wholly owned subsidiary of Endeavor Energy, this pipeline ROW will support mineral recovery operations on this property and adjacent privately owned property. This right of way will include an additional 20’ wide temporary construction area.

Current Certificate of Insurance is on file.

City Secretary will record all documents.

Robert Patrick

City Manager’s Office

RIGHT OF WAY LICENSE

THE STATE OF TEXAS §
§ KNOW ALL MEN BY THESE PRESENTS:
COUNTY OF MIDLAND §

Date:	November 17, 2021
Licensor:	CITY OF MIDLAND, TEXAS, a home-rule municipal corporation
Licensor's Representative:	Robert Patrick, City Manager
Licensor's Mailing Address:	P.O. Box 1152 Midland, Texas 79702
Licensee:	Environmental Disposal Systems, LLC
Licensee's Representative:	**Robert Booth**
Licensee's Mailing Address:	110 N. Marienfeld St. Midland, Texas 79701
Property:	See **Exhibit A** attached hereto and incorporated herein for all purposes.
License Number:	21-329-042

Licensee desires use of property owned by Licensor in Midland County, Texas (the "Property"), for purposes set forth below. Licensee acknowledges and agrees that it must obtain a license (the "License") in order to use the public lands of Licensor.

W I T N E S S E T H:

For and in consideration of the execution of this License and the mutual promises and covenants of the parties hereto, it is mutually promised, understood and agreed as follows:

I. Term

A. Initial Term. This License shall be for a term of two (2) years (the "Initial Term"), commencing with the date of this License (the "Commencement Date") unless terminated earlier as provided hereafter.

B. Renewal Term. Intentionally omitted.

C. Termination. Licensor may terminate this License if Licensee fails to pay, when due, any amount owing under this License and that failure continues for sixty (60) days or, if Licensee commits any material breach or material default in performance of any obligation, prohibition,

restriction, provision or covenant contained in this License, and the breach or default continues for a period of thirty (30) days after Licensor delivers notice to Licensee reasonably detailing the breach or default.

Additionally, Licensor may terminate this License at will for any or no reason upon giving at least three hundred sixty-five (365) days' written notice to Licensee. The parties to this License understand and agree that it is in Licensor's sole discretion to cancel the License during the term of the License without penalty to Licensor. Licensee has no expectation and has received no guarantees that this License will not be terminated before the end of the License term. The parties have bargained for the flexibility of terminating this License upon tender of the requisite notice at any time during the term of the License. All work and services under the License shall be suspended upon termination of the License becoming effective.

Upon termination of this License, Licensee shall remove all equipment and structures associated with the undertakings contemplated by this License. After removal of all equipment and structures associated with the undertakings contemplated by this License, the surface shall be restored at the expense of Licensee to its original condition, as close thereto as may be practical, subject to the approval of Licensor upon inspection by Licensor's Representative, which approval shall not be unreasonably withheld. All of said work shall be completed within one hundred and eighty (180) days after termination of this License.

II. Financial Consideration

A. License Fee. The license fee in the amount of TWENTY-FOUR THOUSAND TWO HUNDRED THIRTY and 40/100 Dollars ($24,230.40) shall be due and payable on or prior to the Commencement Date of this License ("License Fee"). Licensee's failure to make the License Fee payment within thirty (30) days after the License Fee is due shall constitute a late payment and Licensee shall pay Licensor a late charge of five percent (5%).

B. Surface Damage Fee. Intentionally omitted.

C. Application Fee. At the same time the first year License Fee is due, Licensee shall pay a non-refundable one-time fee of ONE THOUSAND and No/100 Dollars ($1,000.00) to Licensor's Representative. Said fee shall revert to Licensor and Licensee shall have no claim to said fee. The fee shall be used to process the application for the License.

D. Fee Adjustment. Prior to commencement of any renewal term, Licensor and Licensee shall negotiate in good faith to agree to an adjustment of the Annual Fee. If Licensor and Licensee are unable to reach an agreement regarding an adjustment to the Annual Fee, then the Annual Fee shall be determined by Licensor in its sole discretion, provided the new Annual Fee shall not exceed twenty-five percent (25%) of the Annual Fee paid for the last year of the Initial Term.

E. Delivery of Payment. The License Fee payment shall be made to Licensor at the office of Licensor's Representative, Attn: Right of Way Manager, P.O. Box 1152, Midland, Texas, 79702. The License Fee payment shall be exclusive of and in addition to all general municipal taxes of whatever nature, including but not limited to ad valorem taxes and special taxes and assessments for public improvements.

III. Use

A. Permitted Use. Licensor does hereby grant unto Licensee, the right to enter upon the Property, being fifty (50) feet in width of the pipeline location as shown on **Exhibit A** attached hereto and incorporated herein for the purpose of placing, constructing, operating, repairing, maintaining, replacing and removing, thereon, along the herein described pipeline locations, two (2) twelve (12) inch lay-flat water lines for the transportation of fresh water and two (2) twelve (12) inch lay-flat water lines for the transportation of produced water, to have the right of ingress and egress at convenient points for such purpose, and said construction width shall revert to thirty (30) feet after the pipeline is laid. **Licensee shall provide Licensor with a complete as-built survey within sixty (60) days of completion of the pipeline(s) and facilities described herein. The parties agree Licensee's failure to provide Licensor with a complete as-built survey within sixty (60) days of completion of the pipeline(s) and facilities described herein may result in the termination of this License. The decision to accept a complete as-built survey after the sixty-day deadline prescribed herein, or, conversely, to terminate this License shall be in the sole and absolute discretion of Licensor.**

B. Road Repair. Licensee covenants and agrees that it will repair any of Licensor's roads that Licensee damages on Licensor's property so that such roads will comply with Licensor's Standard Specifications.

C. Utility Repair. Licensee covenants and agrees that Licensee shall, at its own expense, repair all water lines, sewer lines, service lines and water meters owned by Licensor that Licensee, its employees, its agents or assigns, damage so that such water lines, sewer lines and water meters shall comply with the requirements of Licensor's Standard Specifications.

D. Depth. Intentionally omitted.

E. Approval of Bids. Before Licensee seeks bids on any phase of the repair of public streets, alleys, water lines, sewer lines or any other public utilities, the specifications shall be approved by Licensor's Representative.

F. Reservation of Rights. Licensor expressly reserves the right to install, repair, or reconstruct streets or roads and all ancillary public uses usual and customary in connection with streets and roads, expressly including but not limited to drainage facilities and related structures in the rights of way used and occupied by Licensee.

Licensor reserves the right to lay and permit to be laid, sewer, gas, water, and other pipelines or cables and conduits, and to do and permit to be done, any underground or overhead installation or improvement that may be deemed necessary or proper by the governing body of Licensor, in, on, across, along, over, under, and through any property occupied by Licensee. In permitting such work to be done, Licensor shall not (except to the extent of Licensor's gross negligence or willful misconduct) be liable to Licensee for any damage so caused to Licensee's system or property, **NOR SHALL LICENSOR BE LIABLE TO LICENSEE FOR ANY DAMAGES TO LICENSEE'S PIPELINE(S), CASING, OR COMPRESSOR STATION, ARISING OUT OF THE NEGLIGENCE, BUT EXCLUDING THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, OF LICENSOR, ITS EMPLOYEES, OFFICERS OR AGENTS, OR LICENSOR'S CONTRACTORS OR SUBCONTRACTORS.** If Licensor requires Licensee to

remove, alter, change, adapt, or conform Licensee's facilities because of changes in the grade or construction of a street or in the location or manner of constructing a water pipe, sewer pipe, or other surface, underground or aboveground structure owned by Licensor, Licensee shall make the alterations or changes as soon as practicable, and in no event longer than one hundred eighty (180) days, when ordered in writing by Licensor, without claim for reimbursement for the cost of the relocation or for damages against Licensor. If these requirements impose a financial hardship upon Licensee, Licensee shall have the right to present alternative proposals for Licensor's consideration.

G. Non-exclusive. Licensor expressly reserves the full right to grant other easements or rights of way crossing or running parallel with the rights of way used by Licensee.

H. Abandonment. It is especially provided, however, that as an express condition of this License, and not as a mere covenant, in the event Licensee abandons any equipment or appurtenances to the undertakings contemplated by this License, or the Property ceases to be used for the purposes enumerated herein for any period of twelve (12) consecutive months, or longer, other than the time elapsing between the date hereof and construction, and upon giving Licensee one hundred and twenty (120) days' written notice, then and in that event, this License shall automatically revert to Licensor, its successors or assigns, free and clear of any right, title, or interest in Licensee, or any re-entry by Licensor.

I. Approval of Specifications. In the event Licensee desires to reconstruct, repair, maintain, replace or remove any pipeline or casing system built hereunder, Licensee shall submit the plans and specifications that pertain to the rebuilding or repairs of Licensor's streets and roads and the rebuilding or repairs of any of Licensor's public utilities to Licensor's Representative for his or her approval. In the event of emergency repairs necessary to restore service, Licensee shall notify Licensor's Representative before making any repairs if during a Licensor work day. If not on a work day, Licensee shall notify Licensor's Representative on the first work day after repairs have begun.

J. Gates and Fences. Licensee agrees to use existing gates and roadways where available, to enter, leave and cross the Property; provided that Licensee shall not use any road marked "Closed." Licensee and all persons entering or leaving the Property in connection with Licensee's operations hereunder shall keep all outside and interior gates securely closed except during operations related to this License. Licensee shall keep all outside gates, and all other gates designated by Licensor, securely locked except during operations related to this License. At any gate that is to be locked, Licensor may install its own lock in addition to Licensee's lock.

Licensee agrees that Licensee shall not cut or go over any fence at any time or in connection with any operations on the Property without first obtaining Licensor's express consent thereto in writing. All gates or openings in fences shall be at mutually agreeable location(s) between Licensee and Licensor and shall be constructed as reasonably required by Licensor. Upon the termination of this License, at Licensor's election, gates in fences shall be left in place and shall thereafter be owned by Licensor or Licensee shall remove such gates and restore the fence to its original condition as nearly as reasonably practicable. The terms, provisions and requirements of this provision shall survive the termination or expiration of this License.

K. Trash. Licensee shall keep the Property free of trash and debris at all times. Under no

circumstances, will Licensee be allowed to bury any trash, debris or foreign material of any kind on or under the Property. Licensor shall have the right to expel and permanently ban from the Property any person observed disposing of trash on the Property. Upon the completion of any operations, all ribbons, flags, stakes and similar items shall by promptly removed from the Property.

L. Hunting, Fishing and Alcohol Prohibited. No agent, employee, representative, contractor or subcontractor of Licensee or any other person allowed to enter the Property by Licensee shall be permitted to hunt, fish, trap, camp, picnic, ride motorcycles or four-wheelers or otherwise conduct any social gathering on the Property, nor shall any such persons be permitted to bring firearms, archery equipment, dogs, alcoholic beverages or illegal drugs on the Property at any time. Violations of this provision shall cause the violator to be regarded as a trespasser and subject to prosecution under trespass laws of the State of Texas. Licensor shall have the right to expel and permanently ban from the Property any person observed on the Property in violation of this provision.

M. Storage of Machinery and Equipment. Licensee shall use no part of the Property to store machinery, equipment, or other property of Licensee while it is not being used.

N. Additional Reservations. Licensor reserves the right to use the surface, subsurface or airspace above the land covered by this License for any purpose allowed by law and deemed necessary by Licensor and to do and permit to be done, any work in connection therewith which may be deemed necessary or proper by Licensor in, on, across, along, over, under, and through said right of way occupied by Licensee. In the event of such work in connection with said purposes it shall be deemed necessary by Licensor, at Licensor's sole discretion, to alter, change, adapt, conform or relocate any pipeline, property, or casing of Licensee, such alteration or change or relocation shall be commenced and completed by Licensee within one hundred eighty (180) days after being ordered in writing by Licensor pursuant to directions from Licensor's City Council without any claim for reimbursement for the cost of the relocation or damages against Licensor. The relocation or alteration shall be at the sole cost of Licensee. Provided, however, that Licensee shall at all times be entitled to receive from appropriate governmental bodies, excluding Licensor, payment for alteration or relocation of its system to which it may be lawfully entitled to under applicable federal or state laws with respect to relocation payments.

IV. Standard General Conditions

A. Insurance. Licensee shall at all times during the term of this License maintain and keep in full force and effect insurance in the following types and minimum amounts with companies authorized to do business in the State of Texas:

Commercial General Liability (including Contractual liability):

- Personal Injury: $1,000,000.00 per person
  $1,000,000.00 per occurrence
- Property Damage: $100,000.00 per occurrence

Business Automobile Liability: $1,000,000.00 combined single limit--
Personal Injury and Property Damage

Workers' Compensation:	Statutory limits
Employers' Liability:	$1,000,000.00 per accident or occurrence
Excess Liability:	$10,000,000.00 each occurrence $10,000,000.00 aggregate

The Commercial General Liability shall be on an occurrence basis. This insurance shall name Licensor as an additional insured and all insurance shall waive subrogation in favor of Licensor.

The Workers' Compensation coverage provided by Licensee shall inure to the benefit of employees injured during the course and scope of their employment by Licensee pursuant to this License. The Workers' Compensation insurance shall waive all rights of subrogation against Licensor.

The Business Automobile Liability insurance provided by Licensee shall cover any auto for bodily injury and property damage, including owned vehicles, hired and non-owner vehicles, and employee non-ownership, and the amount of such policy shall be a minimum of $1,000,000.00 covering any vehicle used for the execution of the work that is the subject of this License. This insurance shall name Licensor as an additional insured and all insurance shall waive subrogation in favor of Licensor.

The parties agree that, prior to the execution of the License, Licensee shall provide one or more certificates of insurance showing that the requirements of this article have been met. This decision shall be in Licensor's sole discretion.

Licensor shall be provided the notice by Licensee's insurance provider not later than thirty (30) days prior to any reduction or termination of such coverage. Licensor shall not be required to provide any insurance whatsoever pursuant to this License.

Licensee shall contractually require all contractors, subcontractors, and sub-subcontractors that work on any portion of the work that is the subject of this License to obtain insurance coverage that meets or exceeds the policy requirements and minimum amounts as required by Licensee, and name the City of Midland as an additional insured. Licensee certifies that the one or more certificates of insurance provided as required herein complies with the requirements of Chapter 1811 of the Texas Insurance Code. Licensee shall not use an unapproved certificate of insurance or insert inappropriate language on a certificate. Compliance with state law is the sole responsibility of Licensee.

B. Indemnity. LICENSEE SHALL INDEMNIFY AND HOLD HARMLESS AND DEFEND LICENSOR, AND ALL OF LICENSOR'S OFFICERS, AGENTS AND EMPLOYEES FROM ALL SUITS, ACTIONS, CLAIMS, DAMAGES, PERSONAL INJURIES, ACCIDENTAL DEATH, PROPERTY DAMAGE, LOSSES AND EXPENSE OF ANY CHARACTER WHATSOEVER, INCLUDING REASONABLE ATTORNEY'S FEES, BROUGHT FOR OR ON ACCOUNT OF ANY INJURIES OR DAMAGES RECEIVED OR SUSTAINED BY ANY PERSON OR PERSONS OR PROPERTY ON ACCOUNT OF ANY NEGLIGENT ACT OF LICENSEE, LICENSEE'S OFFICERS, AGENTS OR EMPLOYEES, WHETHER SUCH NEGLIGENT ACT WAS THE SOLE PROXIMATE

CAUSE OF THE INJURY OR DAMAGE OR A PROXIMATE CAUSE JOINTLY AND CONCURRENTLY WITH LICENSEE OR LICENSEE'S EMPLOYEES', AGENTS' OR SUBCONTRACTORS' NEGLIGENCE, IN THE EXECUTION, SUPERVISION AND OPERATIONS GROWING OUT OF OR IN ANY WAY CONNECTED WITH THE PERFORMANCE OF THIS LICENSE INCLUDING SUCH NEGLIGENT ACTS ARISING FROM OR IN ANY WAY CONNECTED WITH THE PLACEMENT, CONSTRUCTION, OPERATION, REPAIR, MAINTENANCE, REPLACEMENT OR REMOVAL OF ANY PART OF LICENSEE'S PIPELINE(S),CASING SYSTEM, OR COMPRESSOR STATION IN LICENSOR'S RIGHT OF WAY. LICENSEE WILL BE REQUIRED TO PAY ANY JUDGMENT WITH COSTS WHICH MAY BE OBTAINED AGAINST LICENSOR OR ANY OF ITS OFFICERS, AGENTS OR EMPLOYEES, INCLUDING REASONABLE ATTORNEY'S FEES, BUT ONLY TO THE EXTENT LICENSEE OWES LICENSOR AN INDEMNITY UNDER THIS PARAGRAPH.

LICENSEE AGREES THAT LICENSEE SHALL INDEMNIFY AND SAVE LICENSOR HARMLESS FROM ALL CLAIMS GROWING OUT OF ANY DEMANDS OF SUBCONTRACTORS, LABORERS, WORKMEN, MECHANICS, MATERIALMEN, AND FURNISHERS OF MACHINERY AND PARTS THEREOF, EQUIPMENT, POWER TOOLS, ALL SUPPLIES, CONSTRUCTION, OPERATION, REPAIR, MAINTENANCE, REPLACEMENT OR REMOVAL OF THE PIPELINE(S), CASING SYSTEM, OR COMPRESSOR STATION DESCRIBED HEREIN.

LICENSEE SHALL INDEMNIFY AND HOLD HARMLESS AND DEFEND LICENSOR, AND ALL OF LICENSOR'S OFFICERS, AGENTS OR EMPLOYEES FROM ALL SUITS, ACTIONS, CLAIMS, DAMAGES, PERSONAL INJURIES, ACCIDENTAL DEATH, PROPERTY DAMAGE, LOSSES AND EXPENSE OF ANY CHARACTER WHATSOEVER, INCLUDING REASONABLE ATTORNEY'S FEES, BROUGHT FOR OR ON ACCOUNT OF ANY INJURIES OR DAMAGES RECEIVED OR SUSTAINED BY ANY PERSON OR PERSONS OR PROPERTY ON ACCOUNT OF ANY NEGLIGENT ACT OF LICENSOR, LICENSOR'S OFFICERS, AGENTS OR EMPLOYEES, WHETHER SUCH NEGLIGENT ACT WAS THE SOLE PROXIMATE CAUSE OF THE INJURY OR DAMAGE OR A PROXIMATE CAUSE JOINTLY AND CONCURRENTLY WITH LICENSEE OR LICENSEE'S EMPLOYEES', AGENTS' OR SUBCONTRACTORS' NEGLIGENCE, IN THE EXECUTION, SUPERVISION AND OPERATIONS GROWING OUT OF OR IN ANY WAY CONNECTED WITH THE PERFORMANCE OF THIS LICENSE INCLUDING SUCH NEGLIGENT ACTS ARISING FROM OR IN ANY WAY CONNECTED WITH THE PLACEMENT, CONSTRUCTION, OPERATION, REPAIR, MAINTENANCE, REPLACEMENT OR REMOVAL OF ANY PART OF LICENSEE'S PIPELINE(S),CASING SYSTEM, OR COMPRESSOR STATION IN LICENSOR'S RIGHT OF WAY. LICENSEE WILL BE REQUIRED TO PAY ANY JUDGMENT WITH COSTS WHICH MAY BE OBTAINED AGAINST LICENSOR OR ANY OF ITS OFFICERS, AGENTS OR EMPLOYEES, INCLUDING REASONABLE ATTORNEY'S FEES.

LICENSEE SHALL INDEMNIFY AND HOLD HARMLESS AND DEFEND LICENSOR, AND ALL OF LICENSOR'S OFFICERS, AGENTS AND EMPLOYEES FROM ALL CLAIMS, LOSSES, DAMAGES, LIABILITIES, LIENS, FINES, PENALTIES, CAUSES OF ACTION, SUITS, CHARGES, JUDGMENTS, ADMINISTRATIVE ORDERS,

REMEDIATION REQUIREMENTS, ENFORCEMENT ACTIONS OF ANY KIND, AND ALL COSTS AND EXPENSES OF ANY CHARACTER WHATSOEVER, INCLUDING REASONABLE ATTORNEY'S FEES, BROUGHT FOR OR ON ACCOUNT OF FAILURE OF LICENSEE, ANY CONTRACTOR, SUBCONTRACTOR, ANYONE DIRECTLY OR INDIRECTLY EMPLOYED BY THEM, OR ANYONE THAT THEY CONTROL OR EXERCISE CONTROL OVER TO COMPLY WITH ALL APPLICABLE LOCAL, FEDERAL AND/OR STATE ENVIRONMENTAL LAWS, INCLUDING BUT NOT LIMITED TO THE RESOURCE CONSERVATION AND RECOVERY ACT (RCRA) AND THE COMPREHENSIVE ENVIRONMENTAL RESPONSE, COMPENSATION, AND LIABILITY ACT (CERCLA) (AS THEY MAY BE REAUTHORIZED AND/OR AMENDED) AND ALL OTHER LOCAL, FEDERAL AND STATE LAWS, IN CONNECTION WITH OR RELATED TO ANY OF LICENSEE'S OPERATIONS OR ACTIVITIES ON THE PROPERTY, OR ANY OF LICENSEE'S HANDLING, STORING, RELEASING, TRANSPORTING OR DISPOSING OF ALL SUBSTANCES, INCLUDING, BUT NOT LIMITED TO HAZARDOUS SUBSTANCES AND HAZARDOUS WASTES, ON OR FROM THE PROPERTY OR ANY OTHER LANDS OF LICENSOR.

NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED HEREIN, THE PARTIES HEREBY EXPRESSLY WAIVE THEIR RIGHT TO RECOVER ANY PUNITIVE, EXEMPLARY OR CONSEQUENTIAL DAMAGES ARISING OUT OF THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY. FURTHERMORE, IN NO EVENT SHALL LICENSEE'S INDEMNIFICATION OBLIGATIONS HEREUNDER EXTEND TO ANY CLAIMS, DAMAGES, INJURIES, DEATH, DAMAGES, LOSSES OR EXPENSES OF ANY CHARACTER WHATSOEVER TO THE EXTENT ARISING OUT TO THE GROSS NEGLIGENCE OF WILLFUL MISCONDUCT OF LICENSOR OR ANY OF LICENSOR'S OFFICERS, AGENTS, CONTRACTORS, SUBCONTRACTORS OR EMPLOYEES.

C. Assignment. The rights granted by this License inure to the benefit of Licensee. The rights and privileges shall not be assignable by Licensee without the express written consent of Licensor's City Manager. Any required consent is to be evidenced by a letter written by Licensor's City Manager that fully recites the terms and conditions, if any, upon which consent is given. The granting of consent is in the sole discretion of Licensor's City Manager.

D. Independent Contractor. It is expressly understood and agreed that Licensee shall perform all work and services described herein as an independent contractor and not as an officer, agent, servant or employee of Licensor; that Licensee shall have exclusive control of and the exclusive right to control the details of the services and work performed hereunder, and all persons performing the same; and shall be solely responsible for the acts and omissions of its officers, agents, employees, contractors and subcontractors; that the doctrine of respondeat superior shall not apply as between Licensor and Licensee, its officers, agents, employees, contractors and subcontractors; and that nothing herein shall be construed as creating a partnership or joint enterprise between Licensor and Licensee. No person performing any of the work and services described hereunder shall be considered an officer, agent, servant or employee of Licensor. Further, it is specifically understood and agreed that nothing in this License is intended or shall be construed as creating a "Community of Pecuniary Interest" or "An Equal Right of Control" which would give rise to vicarious liability. Licensee shall be an independent contractor under this

License and shall assume all of the rights, obligations and liabilities applicable to it as such independent contractor hereunder. Licensor does not have the power to direct the order in which the work is done. Licensor shall not have the right to control the means, methods or details of Licensee's work. Licensee shall assume exclusive responsibility for the work. Licensee is entirely free to do the work in its own way.

E. Waiver of Attorney Fees. BY EXECUTING THIS LICENSE, LICENSEE AGREES TO WAIVE, AND DOES HEREBY KNOWINGLY, CONCLUSIVELY, VOLUNTARILY AND INTENTIONALLY WAIVE, ANY CLAIM IT HAS OR MAY HAVE IN THE FUTURE AGAINST LICENSOR REGARDING THE AWARD OF REASONABLE ATTORNEY'S FEES, WHICH ARE IN ANY WAY RELATED TO THE LICENSE OR THE CONSTRUCTION OR INTERPRETATION OF THE LICENSE. LICENSEE SPECIFICALLY AGREES THAT IF LICENSEE BRINGS OR COMMENCES ANY LEGAL ACTION OR PROCEEDING RELATED TO THIS LICENSE, THE CONSTRUCTION, INTERPRETATION, VALIDITY OR BREACH OF THIS LICENSE, INCLUDING BUT NOT LIMITED TO ANY ACTION PURSUANT TO THE PROVISIONS OF THE TEXAS UNIFORM DECLARATORY JUDGMENTS ACT (TEXAS CIVIL PRACTICE AND REMEDIES CODE SECTION 37.001, ET SEQ., AS AMENDED), OR CHAPTER 271 OF THE TEXAS LOCAL GOVERNMENT CODE, LICENSEE AGREES TO ABANDON, WAIVE AND RELINQUISH ANY AND ALL RIGHTS TO THE RECOVERY OF REASONABLE ATTORNEY'S FEES TO WHICH LICENSEE MIGHT OTHERWISE BE ENTITLED.

LICENSEE AGREES THAT THIS IS THE VOLUNTARY AND INTENTIONAL RELINQUISHMENT AND ABANDONMENT OF A PRESENTLY EXISTING, KNOWN RIGHT. LICENSEE ACKNOWLEDGES THAT IT UNDERSTANDS ALL TERMS AND CONDITIONS OF THIS LICENSE. LICENSEE FURTHER ACKNOWLEDGES AND AGREES THAT THERE WAS AND IS NO DISPARITY OF BARGAINING POWER BETWEEN LICENSOR AND LICENSEE. THIS SECTION SHALL NOT BE CONSTRUED OR INTERPRETED AS A WAIVER OF GOVERNMENTAL IMMUNITY.

LICENSEE AND LICENSOR ARE RELYING ON THEIR OWN JUDGMENT. EACH PARTY HAD THE OPPORTUNITY TO DISCUSS THIS LICENSE WITH LEGAL COUNSEL PRIOR TO ITS EXECUTION.

F. Governing Law & Venue. All performance and payment made pursuant to this License shall be deemed to have occurred in Midland County, Texas. Exclusive venue for any claims, suits or any other action arising from or connected in any way to this License or the performance of this License shall be in Midland County, Texas. The obligations and undertakings of each of the parties to this License shall be deemed to have been performed in Midland County, Texas. This License shall be construed, interpreted and enforced under the laws of the State of Texas. The laws of the State of Texas shall govern, construe and enforce all the rights and duties of the parties, including but not limited to tort claims and any and all other claims or disputes, arising from or relating in any way to the subject matter of this License, without regard to conflict of laws and rules that would direct application of the laws of another jurisdiction.

G. Release. NOTWITHSTANDING ANY OTHER PROVISIONS OF THIS LICENSE, LICENSEE HEREBY RELEASES, ACQUITS, RELINQUISHES AND FOREVER

DISCHARGES LICENSOR, LICENSOR'S EMPLOYEES AND OFFICERS FROM ANY AND ALL DEMANDS, CLAIMS, DAMAGES OR CAUSES OF ACTION OF ANY KIND WHATSOEVER WHICH LICENSEE HAS OR MIGHT HAVE IN THE FUTURE WITH REGARDS TO THIS LICENSE, INCLUDING BUT NOT LIMITED TO BREACH OF CONTRACT, QUANTUM MERUIT, TORT CLAIMS, LICENSOR'S NEGLIGENCE OR CLAIMS UNDER THE DUE PROCESS AND TAKINGS CLAUSES OF THE TEXAS AND UNITED STATES CONSTITUTIONS; PROVIDED, HOWEVER, THAT SAID RELEASE SHALL NOT EXTEND TO ANY DEMANDS, CLAIMS, DAMAGES OR CAUSES OF ACTION RELATING TO INTENTIONAL MISCONDUCT OR GROSS NEGLIGENCE ON THE PART OF LICENSOR.

H. Governmental Immunity. By executing this License, Licensor is not waiving its right of governmental immunity. Licensor is retaining its immunity from suit. Licensor is not granting consent to be sued by legislative resolution or action. **THERE IS NO WAIVER OF GOVERNMENTAL IMMUNITY.**

I. Third Party Beneficiary. Licensor's approval of this License does not create a third party beneficiary. There is no third party beneficiary to this License. No person or entity who is not a party to this License shall have any third party beneficiary or other rights hereunder.

J. Notices. Any notice or communication required in the administration of this License shall be sent by certified mail, return receipt requested, to the parties' respective mailing addresses as set forth hereinabove.

K. Notice of Alleged Breach; Statutory Prerequisite. As a condition precedent to filing suit for alleged damages incurred by an alleged breach of an express or implied provision of this License, Licensee or its legal representative, shall give the City Manager, or any other reasonable official of Licensor, notice in writing (consisting of one (1) original and seven (7) copies of notice attached to a copy of this License) of such damages, duly verified, within one hundred eighty (180) days after the same has been sustained. The discovery rule does not apply to the giving of this notice. The notice shall include when, where and how the damages occurred, the apparent extent thereof, the amount of damages sustained, the amount for which Licensee will settle, the physical and mailing addresses of Licensee at the time and date the claim was presented and the physical and mailing addresses of Licensee for the six (6) months immediately preceding the occurrence of such damages, and the names and addresses of the witnesses upon whom Licensee relies to establish its claim; and a failure to so notify the City Manager within the time and manner provided herein shall exonerate, excuse and except Licensor from any liability whatsoever. Licensor is under no obligation to provide notice to Licensee that Licensee's notice is insufficient. Licensor reserves the right to request reasonable additional information regarding the claim. Said additional information shall be supplied within thirty (30) days after receipt of notice.

The statutory prerequisites outlined herein constitute jurisdictional requirements pursuant to Section 271.154 of the Texas Local Government Code and Section 311.034 of the Texas Government Code. Notwithstanding any other provision, Licensee's failure to comply with the requirements herein shall perpetually bar Licensee's claim for damages under Chapter 271 of the Texas Local Government Code, and Section 311.034 of the Texas Government Code, regardless if Licensor has actual or constructive notice or knowledge of said claim or alleged damages. Licensee agrees that the requirements of this entire License are reasonable.

L. Consideration. The terms of this License are supported by good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by the parties named herein.

M. Waiver of Governmental Immunity; Chapter 271, TEX. LOC. GOV'T CODE. The parties agree that this License does not constitute a License or Contract for providing goods and/or services to Licensor as discussed in Subchapter I of Chapter 271 of the Texas Local Government Code, and Licensor does not waive, to the maximum extent allowed by law, any constitutional, statutory or common law right to sovereign immunity or governmental immunity from liability or suit. Licensor expressly does not consent to be sued or be liable. To the greatest extent allowed by law, nothing in this License constitutes a waiver of Licensor's governmental immunity and the parties expressly agree that this License shall not constitute, nor be interpreted as a waiver of Licensor's governmental immunity under Subchapter I of Chapter 271 of the Texas Local Government Code, nor shall it constitute nor be interpreted as a waiver of Licensor's governmental immunity for the benefit of any third party lacking privity to the License.

This License does not obligate Licensee to use the Property to construct, repair, operate, replace, and maintain Licensor's facilities or structures described herein, it merely prohibits Licensee from using the Property for any other purpose. This License restricts the use of the Property to a specific purpose, but does not require the use of the Property for a specific purpose. This License does not require Licensee to construct, operate, repair, maintain, replace or remove any of Licensee's facilities or structures described herein. Licensee is not providing a service to Licensor but is providing a service to Licensee's customers. Licensee is paying Licensor for a temporary interest in real property not for a service. Any such provision shall be deemed to be a covenant against noncomplying use, not a covenant to use. Licensee's use of the Property in compliance with a restriction shall not constitute a service, and such complying use shall not operate to waive Licensor's governmental immunity.

N. Compliance. Licensee agrees that it shall comply with Texas Government Code Section 2252.908, as amended, to the extent that this statute applies to this License. Licensee agrees that it shall comply with Texas Local Government Code Section 176.006, as amended, to the extent that this statute applies to this License.

O. Texas Historical Commission Survey. Licensee agrees that it shall comply with Chapter 191 of the Texas Natural Resources Code. By executing this License, Licensee represents that it has contacted the Texas Historical Commission (the "Commission") for the purpose of determining whether the Commission will request that an archaeological survey be completed before Licensee commences operations on the Property, as contemplated herein. Licensee agrees that it shall complete or cause to be completed an archaeological survey before commencing any operations on the Property if the Commission so requests and deliver the same to Licensor. Notwithstanding any provision contained herein, in the event that any site, object, artifact, or other feature of archaeological, scientific, educational, cultural, or historical interest is encountered during the operations authorized by this License, Licensee will immediately notify Licensor and the Commission so that adequate measures may be undertaken to protect or recover such discoveries or findings, as deemed appropriate by Licensor or the Commission.

City Council Meeting

Item Number: 25

Meeting Date: November 16, 2021

To: City Council / City Manager

From: John Simmons, Manager, Right-of-Way

Subject: Motion authorizing the execution of a Right-of-Way License (21-317-043) with WTG North Permian Midstream LLC, Regarding City-owned property described as Section 36, Block 39, and Sections 33 and 34, Block 38 Township 1 North, T&P RR Co. Survey, Martin County, Texas (DISTRICT: NONE) (UTILITIES)

Purpose:

Right of Way License dated November 1, 2011, granted a 60' wide right of way to WTG Gas Processing, L.P., of which WTG North Permian Midstream, LLC is the successor in interest. This Right of Way License updates and replaces the previously granted license and terms for the continued operation of said pipeline. Previous license had rate increases agreed to by both parties noted to be paid at time of renewal.

This Right-of-Way License is proposed for a single five (5) year period with the option for a single five (5) year renewal. Terms are consistent with the City's standard license for pipeline facilities of this nature.

Recommended City Council Action:

Approve

Fiscal Impact:

Application fee (one time): $1,000

Annual Lease Rate,

Pipeline: rate agreed to in previous license - 5-year initial term = $31,250.00

Surface Damage Fee: existing pipeline

Total Collected: $32,250.00

Discussion:

This private use, 16” polyethylene gas line is buried thirty-six inches (36) deep. Attached plat is the “As Built” survey of the existing pipeline. All payments have been collected and currently up to date.

Certificates of Insurance (COI) with City of Midland named as additional insured and a waiver of subrogation in favor of the City of Midland has been collected and on file.

City Secretary to record completed License Agreement

Robert Patrick

City Manager’s Office

RIGHT OF WAY LICENSE

THE STATE OF TEXAS §
§ KNOW ALL MEN BY THESE PRESENTS:
COUNTY OF MIDLAND §

Date: November 17, 2021

Licensor: CITY OF MIDLAND, TEXAS, a home-rule municipal corporation

Licensor's Representative: Robert Patrick, Assistant City Manager

Licensor's Mailing Address: P.O. Box 1152
Midland, Texas 79702

Licensee: WTG North Permian Midstream LLC

Licensee's Representative: **David B. Freeman**

Licensee's Mailing Address: 211 N. Colorado St.
Midland, Texas 79701

Property: See **Exhibit A** attached hereto and incorporated herein for all purposes.

License Number: 21-317-043

Licensee desires use of property owned by Licensor in Martin County, Texas (the "Property"), for purposes set forth below. Licensee acknowledges and agrees that it must obtain a license (the "License") in order to use the public lands of Licensor.

W I T N E S S E T H:

For and in consideration of the execution of this License and the mutual promises and covenants of the parties hereto, it is mutually promised, understood and agreed as follows:

I. Term

A. Initial Term. This License shall be for a term of five (5) years (the "Initial Term") unless terminated earlier as provided hereafter. The Initial Term shall commence on the date of this License (the "Commencement Date").

B. Renewal Term. This License shall automatically renew at the end of the Initial Term for one (1) additional term of five (5) years, upon the written request of Licensee received by Licensor on or before one hundred twenty (120) days prior to the expiration of the Initial Term then in effect, subject to the express written consent of the governing body of Licensor.

C. Termination. Licensor may terminate this License if Licensee fails to pay, when due, any amount owing under this License and that failure continues for sixty (60) days or, if Licensee commits any material breach or material default in performance of any obligation, prohibition, restriction, provision or covenant contained in this License, and the breach or default continues for a period of thirty (30) days after Licensor delivers notice to Licensee reasonably detailing the breach or default.

Additionally, Licensor may terminate this License at will for any or no reason upon giving at least three hundred sixty-five (365) days' written notice to Licensee. The parties to this License understand and agree that it is in Licensor's sole discretion to cancel the License during the term of the License without penalty to Licensor. Licensee has no expectation and has received no guarantees that this License will not be terminated before the end of the License term. The parties have bargained for the flexibility of terminating this License upon tender of the requisite notice at any time during the term of the License. All work and services under the License shall be suspended upon termination of the License becoming effective.

Upon termination of this License, Licensee shall remove all equipment and structures associated with the undertakings contemplated by this License. After removal of all equipment and structures associated with the undertakings contemplated by this License, the surface shall be restored at the expense of Licensee to its original condition, as close thereto as may be practical, subject to the approval of Licensor upon inspection by Licensor's Representative, which approval shall not be unreasonably withheld. All of said work shall be completed within one hundred and eighty (180) days after termination of this License.

II. Financial Consideration

A. License Fee. The license fee in the amount of THIRTY-ONE THOUSAND TWO HUNDRED FIFTY and No/100 Dollars ($31,250.00) shall be due and payable on or prior to the Commencement Date of this License ("License Fee"). Licensee's failure to make the License Fee payment within thirty (30) days after the License Fee is due shall constitute a late payment and Licensee shall pay Licensor a late charge of five percent (5%).

In the event Licensor terminates this License pursuant to the provisions of Section I.C., Licensor agrees to refund to Licensee a pro rata share of the License Fee actually paid by Licensee to Licensor for that portion of the remaining term that is being terminated. For the avoidance of doubt, the amount of any refund payable to Licensee pursuant to this Section shall be determined net of any costs or expenses incurred by Licensor in connection with Licensee's unfulfilled obligations under this License (if any).

B. Surface Damage Fee. Purposefully omitted.

C. Application Fee. At the same time the first year License Fee is due, Licensee shall pay a non-refundable one-time fee of ONE THOUSAND and No/100 Dollars ($1,000.00) to Licensor's Representative. Said fee shall revert to Licensor and Licensee shall have no claim to said fee. The fee shall be used to process the application for the License.

D. Fee Adjustment. Prior to commencement of any renewal term, Licensor and Licensee shall negotiate in good faith to agree to an adjustment of the License Fee. If Licensor and Licensee are

unable to reach an agreement regarding an adjustment to the License Fee, then the License Fee shall be determined by Licensor in its sole discretion, provided the new License Fee shall not exceed twenty-five percent (25%) of the License Fee paid for the Initial Term.

E. Delivery of Payment. The License Fee payment shall be made to Licensor at the office of Licensor's Representative, Attn: Right of Way Manager, P.O. Box 1152, Midland, Texas, 79702. The License Fee payment shall be exclusive of and in addition to all general municipal taxes of whatever nature, including but not limited to ad valorem taxes and special taxes and assessments for public improvements.

III. Use

A. Permitted Use. Licensor does hereby grant unto Licensee, the right to enter upon the Property, being sixty (60) feet in width of the pipeline location as shown on **Exhibit A** attached hereto and incorporated herein for the purpose of operating, repairing, maintaining, replacing and removing, thereon, along the herein described pipeline locations, a polyethylene pipeline, not to exceed sixteen (16) inches in diameter, for the transportation of natural gas and to have the right of ingress and egress at convenient points for such purpose. **Licensee shall provide Licensor with a complete as-built survey within sixty (60) days of completion of the pipeline(s) and facilities described herein. The parties agree Licensee's failure to provide Licensor with a complete as-built survey within sixty (60) days of completion of the pipeline(s) and facilities described herein may result in the termination of this License. The decision to accept a complete as-built survey after the sixty-day deadline prescribed herein, or, conversely, to terminate this License shall be in the sole and absolute discretion of Licensor.**

B. Road Repair. Licensee covenants and agrees that it will repair any of Licensor's roads that Licensee damages on Licensor's property so that such roads will comply with Licensor's Standard Specifications.

C. Utility Repair. Licensee covenants and agrees that Licensee shall, at its own expense, repair all water lines, sewer lines, service lines and water meters owned by Licensor that Licensee, its employees, its agents or assigns, damage so that such water lines, sewer lines and water meters shall comply with the requirements of Licensor's Standard Specifications.

D. Depth. Licensee covenants and agrees that it will bury the pipeline(s) to be constructed hereunder no less than thirty-six (36) inches in depth. All backfill used in burying such line shall be compacted to a density of ninety percent (90%), except where such pipeline(s) crosses under a paved or traveled portion of City of Midland right of way where such backfill shall be compacted to a density of ninety-five percent (95%). Licensor shall be afforded the opportunity to test the density on all backfill. Notwithstanding any provision to the contrary contained herein, Licensee covenants and agrees that, at any point that Licensee's pipeline(s) intersects with a City of Midland utility line location, the pipeline(s) shall be bored at a depth of a least (i) nine (9) feet under all City of Midland water utility lines and (ii) two (2) feet under all City of Midland sewer utility lines. Licensee agrees that it shall comply with 30 Tex. Admin. Code § 290.44(e), as amended, to the extent applicable to this License.

E. Approval of Bids. Before Licensee seeks bids on any phase of the repair of public streets, alleys, water lines, sewer lines or any other public utilities, the specifications shall be approved by

Licensor's Representative.

F. Reservation of Rights. Licensor expressly reserves the right to install, repair, or reconstruct streets or roads and all ancillary public uses usual and customary in connection with streets and roads, expressly including but not limited to drainage facilities and related structures in the rights of way used and occupied by Licensee.

Licensor reserves the right to lay and permit to be laid, sewer, gas, water, and other pipelines or cables and conduits, and to do and permit to be done, any underground or overhead installation or improvement that may be deemed necessary or proper by the governing body of Licensor, in, on, across, along, over, under, and through any property occupied by Licensee. In permitting such work to be done, Licensor shall not be liable to Licensee for any damage so caused to Licensee's system or property, **NOR SHALL LICENSOR BE LIABLE TO LICENSEE FOR ANY DAMAGES TO LICENSEE'S PIPELINE(S), CASING, OR COMPRESSOR STATION, ARISING OUT OF THE NEGLIGENCE BY LICENSOR, ITS EMPLOYEES, OFFICERS OR AGENTS, OR LICENSOR'S CONTRACTORS OR SUBCONTRACTORS**. If Licensor requires Licensee to remove, alter, change, adapt, or conform Licensee's facilities because of changes in the grade or construction of a street or in the location or manner of constructing a water pipe, sewer pipe, or other surface, underground or aboveground structure owned by Licensor, Licensee shall make the alterations or changes as soon as practicable, and in no event longer than one hundred eighty (180) days, when ordered in writing by Licensor, without claim for reimbursement for the cost of the relocation or for damages against Licensor. If these requirements impose a financial hardship upon Licensee, Licensee shall have the right to present alternative proposals for Licensor's consideration.

G. Non-exclusive. Licensor expressly reserves the full right to grant other easements or rights of way crossing or running parallel with the rights of way used by Licensee.

H. Abandonment. It is especially provided, however, that as an express condition of this License, and not as a mere covenant, in the event Licensee abandons any equipment or appurtenances to the undertakings contemplated by this License, or the Property ceases to be used for the purposes enumerated herein for any period of twelve (12) consecutive months, or longer, other than the time elapsing between the date hereof and construction, and upon giving Licensee one hundred and twenty (120) days' written notice, then and in that event, this License shall automatically revert to Licensor, its successors or assigns, free and clear of any right, title, or interest in Licensee, or any re-entry by Licensor.

I. Approval of Specifications. In the event Licensee desires to reconstruct, repair, maintain, replace or remove any pipeline or casing system built hereunder, Licensee shall submit the plans and specifications that pertain to the rebuilding or repairs of Licensor's streets and roads and the rebuilding or repairs of any of Licensor's public utilities to Licensor's Representative for his or her approval. In the event of emergency repairs necessary to restore service, Licensee shall notify Licensor's Representative before making any repairs if during a Licensor work day. If not on a work day, Licensee shall notify Licensor's Representative on the first work day after repairs have begun.

J. Gates and Fences. Licensee agrees to use existing gates and roadways where available, to enter, leave and cross the Property; provided that Licensee shall not use any road marked "Closed."

Licensee and all persons entering or leaving the Property in connection with Licensee's operations hereunder shall keep all outside and interior gates securely closed except during operations related to this License. Licensee shall keep all outside gates, and all other gates designated by Licensor, securely locked except during operations related to this License. At any gate that is to be locked, Licensor may install its own lock in addition to Licensee's lock.

Licensee agrees that Licensee shall not cut or go over any fence at any time or in connection with any operations on the Property without first obtaining Licensor's express consent thereto in writing. All gates or openings in fences shall be at mutually agreeable location(s) between Licensee and Licensor and shall be constructed as reasonably required by Licensor. Upon the termination of this License, at Licensor's election, gates in fences shall be left in place and shall thereafter be owned by Licensor or Licensee shall remove such gates and restore the fence to its original condition as nearly as reasonably practicable. The terms, provisions and requirements of this provision shall survive the termination or expiration of this License.

K. Trash. Licensee shall keep the Property free of trash and debris at all times. Under no circumstances, will Licensee be allowed to bury any trash, debris or foreign material of any kind on or under the Property. Licensor shall have the right to expel and permanently ban from the Property any person observed disposing of trash on the Property. Upon the completion of any operations, all ribbons, flags, stakes and similar items shall by promptly removed from the Property.

L. Hunting, Fishing and Alcohol Prohibited. No agent, employee, representative, contractor or subcontractor of Licensee or any other person allowed to enter the Property by Licensee shall be permitted to hunt, fish, trap, camp, picnic, ride motorcycles or four-wheelers or otherwise conduct any social gathering on the Property, nor shall any such persons be permitted to bring firearms, archery equipment, dogs, alcoholic beverages or illegal drugs on the Property at any time. Violations of this provision shall cause the violator to be regarded as a trespasser and subject to prosecution under trespass laws of the State of Texas. Licensor shall have the right to expel and permanently ban from the Property any person observed on the Property in violation of this provision.

M. Storage of Machinery and Equipment. Licensee shall use no part of the Property to store machinery, equipment, or other property of Licensee while it is not being used.

N. Additional Reservations. Licensor reserves the right to use the surface, subsurface or airspace above the land covered by this License for any purpose allowed by law and deemed necessary by Licensor and to do and permit to be done, any work in connection therewith which may be deemed necessary or proper by Licensor in, on, across, along, over, under, and through said right of way occupied by Licensee. In the event of such work in connection with said purposes it shall be deemed necessary by Licensor, at Licensor's sole discretion, to alter, change, adapt, conform or relocate any pipeline, property, or casing of Licensee, such alteration or change or relocation shall be commenced and completed by Licensee within one hundred eighty (180) days after being ordered in writing by Licensor pursuant to directions from Licensor's City Council without any claim for reimbursement for the cost of the relocation or damages against Licensor. The relocation or alteration shall be at the sole cost of Licensee. Provided, however, that Licensee shall at all times be entitled to receive from appropriate governmental bodies, excluding Licensor, payment for alteration or relocation of its system to which it may be lawfully entitled to under applicable

federal or state laws with respect to relocation payments.

IV. Standard General Conditions

A. Insurance. Licensee shall at all times during the term of this License maintain and keep in full force and effect insurance in the following types and minimum amounts with companies authorized to do business in the State of Texas:

Commercial General Liability (including Contractual liability):	
■ Personal Injury:	$1,000,000.00 per person $1,000,000.00 per occurrence
■ Property Damage:	$100,000.00 per occurrence
Business Automobile Liability:	$1,000,000.00 combined single limit-- Personal Injury and Property Damage
Workers' Compensation:	Statutory limits
Employers' Liability:	$1,000,000.00 per accident or occurrence
Umbrella Liability:	$10,000,000.00 each occurrence $10,000,000.00 aggregate

The Commercial General Liability shall be on an occurrence basis. This insurance shall name Licensor as an additional insured and all insurance shall waive subrogation in favor of Licensor.

The Workers' Compensation coverage provided by Licensee shall inure to the benefit of employees injured during the course and scope of their employment by Licensee pursuant to this License. The Workers' Compensation insurance shall waive all rights of subrogation against Licensor.

The Business Automobile Liability insurance provided by Licensee shall cover any auto for bodily injury and property damage, including owned vehicles, hired and non-owner vehicles, and employee non-ownership, and the amount of such policy shall be a minimum of $1,000,000.00 covering any vehicle used for the execution of the work that is the subject of this License. This insurance shall name Licensor as an additional insured and all insurance shall waive subrogation in favor of Licensor.

The parties agree that, prior to the execution of the License, Licensee shall provide one or more certificates of insurance showing that the requirements of this article have been met. This decision shall be in Licensor's sole discretion.

Licensor shall be provided the notice by Licensee's insurance provider not later than thirty (30) days prior to any reduction or termination of such coverage. Licensor shall not be required to provide any insurance whatsoever pursuant to this License.

Licensee shall contractually require all contractors, subcontractors, and sub-subcontractors that work on any portion of the work that is the subject of this License to obtain insurance coverage

that meets or exceeds the policy requirements and minimum amounts as required by Licensee, and name the City of Midland as an additional insured. Licensee certifies that the one or more certificates of insurance provided as required herein complies with the requirements of Chapter 1811 of the Texas Insurance Code. Licensee shall not use an unapproved certificate of insurance or insert inappropriate language on a certificate. Compliance with state law is the sole responsibility of Licensee.

B. Indemnity. LICENSEE SHALL INDEMNIFY AND HOLD HARMLESS AND DEFEND LICENSOR, AND ALL OF LICENSOR'S OFFICERS, AGENTS AND EMPLOYEES FROM ALL SUITS, ACTIONS, CLAIMS, DAMAGES, PERSONAL INJURIES, ACCIDENTAL DEATH, PROPERTY DAMAGE, LOSSES AND EXPENSE OF ANY CHARACTER WHATSOEVER, INCLUDING ATTORNEY'S FEES, BROUGHT FOR OR ON ACCOUNT OF ANY INJURIES OR DAMAGES RECEIVED OR SUSTAINED BY ANY PERSON OR PERSONS OR PROPERTY ON ACCOUNT OF ANY NEGLIGENT ACT OF LICENSEE, LICENSEE'S OFFICERS, AGENTS OR EMPLOYEES, WHETHER SUCH NEGLIGENT ACT WAS THE SOLE PROXIMATE CAUSE OF THE INJURY OR DAMAGE OR A PROXIMATE CAUSE JOINTLY AND CONCURRENTLY WITH LICENSEE OR LICENSEE'S EMPLOYEES', AGENTS' OR SUBCONTRACTORS' NEGLIGENCE, IN THE EXECUTION, SUPERVISION AND OPERATIONS GROWING OUT OF OR IN ANY WAY CONNECTED WITH THE PERFORMANCE OF THIS LICENSE INCLUDING SUCH NEGLIGENT ACTS ARISING FROM OR IN ANY WAY CONNECTED WITH THE PLACEMENT, CONSTRUCTION, OPERATION, REPAIR, MAINTENANCE, REPLACEMENT OR REMOVAL OF ANY PART OF LICENSEE'S PIPELINE(S),CASING SYSTEM, OR COMPRESSOR STATION IN LICENSOR'S RIGHT OF WAY. LICENSEE WILL BE REQUIRED TO PAY ANY JUDGMENT WITH COSTS WHICH MAY BE OBTAINED AGAINST LICENSOR OR ANY OF ITS OFFICERS, AGENTS OR EMPLOYEES, INCLUDING ATTORNEY'S FEES.

LICENSEE AGREES THAT LICENSEE SHALL INDEMNIFY AND SAVE LICENSOR HARMLESS FROM ALL CLAIMS GROWING OUT OF ANY DEMANDS OF SUBCONTRACTORS, LABORERS, WORKMEN, MECHANICS, MATERIALMEN, AND FURNISHERS OF MACHINERY AND PARTS THEREOF, EQUIPMENT, POWER TOOLS, ALL SUPPLIES, CONSTRUCTION, OPERATION, REPAIR, MAINTENANCE, REPLACEMENT OR REMOVAL OF THE PIPELINE(S), CASING SYSTEM, OR COMPRESSOR STATION DESCRIBED HEREIN.

LICENSEE SHALL INDEMNIFY AND HOLD HARMLESS AND DEFEND LICENSOR, AND ALL OF LICENSOR'S OFFICERS, AGENTS OR EMPLOYEES FROM ALL SUITS, ACTIONS, CLAIMS, DAMAGES, PERSONAL INJURIES, ACCIDENTAL DEATH, PROPERTY DAMAGE, LOSSES AND EXPENSE OF ANY CHARACTER WHATSOEVER, INCLUDING ATTORNEY'S FEES, BROUGHT FOR OR ON ACCOUNT OF ANY INJURIES OR DAMAGES RECEIVED OR SUSTAINED BY ANY PERSON OR PERSONS OR PROPERTY ON ACCOUNT OF ANY NEGLIGENT ACT OF LICENSOR, LICENSOR'S OFFICERS, AGENTS OR EMPLOYEES, WHETHER SUCH NEGLIGENT ACT WAS THE SOLE PROXIMATE CAUSE OF THE INJURY OR DAMAGE OR A PROXIMATE CAUSE JOINTLY AND CONCURRENTLY WITH LICENSEE OR LICENSEE'S EMPLOYEES', AGENTS' OR SUBCONTRACTORS' NEGLIGENCE, IN THE EXECUTION, SUPERVISION AND OPERATIONS GROWING

OUT OF OR IN ANY WAY CONNECTED WITH THE PERFORMANCE OF THIS LICENSE INCLUDING SUCH NEGLIGENT ACTS ARISING FROM OR IN ANY WAY CONNECTED WITH THE PLACEMENT, CONSTRUCTION, OPERATION, REPAIR, MAINTENANCE, REPLACEMENT OR REMOVAL OF ANY PART OF LICENSEE'S PIPELINE(S),CASING SYSTEM, OR COMPRESSOR STATION IN LICENSOR'S RIGHT OF WAY. LICENSEE WILL BE REQUIRED TO PAY ANY JUDGMENT WITH COSTS WHICH MAY BE OBTAINED AGAINST LICENSOR OR ANY OF ITS OFFICERS, AGENTS OR EMPLOYEES, INCLUDING ATTORNEY'S FEES.

LICENSEE SHALL INDEMNIFY AND HOLD HARMLESS AND DEFEND LICENSOR, AND ALL OF LICENSOR'S OFFICERS, AGENTS AND EMPLOYEES FROM ALL CLAIMS, LOSSES, DAMAGES, LIABILITIES, LIENS, FINES, PENALTIES, CAUSES OF ACTION, SUITS, CHARGES, JUDGMENTS, ADMINISTRATIVE ORDERS, REMEDIATION REQUIREMENTS, ENFORCEMENT ACTIONS OF ANY KIND, AND ALL COSTS AND EXPENSES OF ANY CHARACTER WHATSOEVER, INCLUDING ATTORNEY'S FEES, BROUGHT FOR OR ON ACCOUNT OF FAILURE OF LICENSEE, ANY CONTRACTOR, SUBCONTRACTOR, ANYONE DIRECTLY OR INDIRECTLY EMPLOYED BY THEM, OR ANYONE THAT THEY CONTROL OR EXERCISE CONTROL OVER TO COMPLY WITH ALL APPLICABLE LOCAL, FEDERAL AND/OR STATE ENVIRONMENTAL LAWS, INCLUDING BUT NOT LIMITED TO THE RESOURCE CONSERVATION AND RECOVERY ACT (RCRA) AND THE COMPREHENSIVE ENVIRONMENTAL RESPONSE, COMPENSATION, AND LIABILITY ACT (CERCLA) (AS THEY MAY BE REAUTHORIZED AND/OR AMENDED) AND ALL OTHER LOCAL, FEDERAL AND STATE LAWS, IN CONNECTION WITH OR RELATED TO ANY OF LICENSEE'S OPERATIONS OR ACTIVITIES ON THE PROPERTY, OR ANY OF LICENSEE'S HANDLING, STORING, RELEASING, TRANSPORTING OR DISPOSING OF ALL SUBSTANCES, INCLUDING, BUT NOT LIMITED TO HAZARDOUS SUBSTANCES AND HAZARDOUS WASTES, ON OR FROM THE PROPERTY OR ANY OTHER LANDS OF LICENSOR.

C. Assignment. The rights granted by this License inure to the benefit of Licensee. The rights and privileges shall not be assignable by Licensee without the express written consent of Licensor's City Manager. Any required consent is to be evidenced by a letter written by Licensor's City Manager that fully recites the terms and conditions, if any, upon which consent is given. The granting of consent is in the sole discretion of Licensor's City Manager.

D. Independent Contractor. It is expressly understood and agreed that Licensee shall perform all work and services described herein as an independent contractor and not as an officer, agent, servant or employee of Licensor; that Licensee shall have exclusive control of and the exclusive right to control the details of the services and work performed hereunder, and all persons performing the same; and shall be solely responsible for the acts and omissions of its officers, agents, employees, contractors and subcontractors; that the doctrine of respondeat superior shall not apply as between Licensor and Licensee, its officers, agents, employees, contractors and subcontractors; and that nothing herein shall be construed as creating a partnership or joint enterprise between Licensor and Licensee. No person performing any of the work and services described hereunder shall be considered an officer, agent, servant or employee of Licensor. Further, it is specifically understood and agreed that nothing in this License is intended or shall be construed as creating a "Community of Pecuniary Interest" or "An Equal Right of Control" which

would give rise to vicarious liability. Licensee shall be an independent contractor under this License and shall assume all of the rights, obligations and liabilities applicable to it as such independent contractor hereunder. Licensor does not have the power to direct the order in which the work is done. Licensor shall not have the right to control the means, methods or details of Licensee's work. Licensee shall assume exclusive responsibility for the work. Licensee is entirely free to do the work in its own way.

E. Waiver of Attorney Fees. BY EXECUTING THIS LICENSE, LICENSEE AGREES TO WAIVE, AND DOES HEREBY KNOWINGLY, CONCLUSIVELY, VOLUNTARILY AND INTENTIONALLY WAIVE, ANY CLAIM IT HAS OR MAY HAVE IN THE FUTURE AGAINST LICENSOR REGARDING THE AWARD OF ATTORNEY'S FEES, WHICH ARE IN ANY WAY RELATED TO THE LICENSE, THE CONSTRUCTION, OR INTERPRETATION, VALIDITY OR BREACH OF THE LICENSE. LICENSEE SPECIFICALLY AGREES THAT IF LICENSEE BRINGS OR COMMENCES ANY LEGAL ACTION OR PROCEEDING RELATED TO THIS LICENSE, THE CONSTRUCTION, INTERPRETATION, VALIDITY OR BREACH OF THIS LICENSE, INCLUDING BUT NOT LIMITED TO ANY ACTION PURSUANT TO THE PROVISIONS OF THE TEXAS UNIFORM DECLARATORY JUDGMENTS ACT (TEXAS CIVIL PRACTICE AND REMEDIES CODE SECTION 37.001, ET SEQ., AS AMENDED), OR CHAPTER 271 OF THE TEXAS LOCAL GOVERNMENT CODE, LICENSEE AGREES TO ABANDON, WAIVE AND RELINQUISH ANY AND ALL RIGHTS TO THE RECOVERY OF ATTORNEY'S FEES TO WHICH LICENSEE MIGHT OTHERWISE BE ENTITLED.

LICENSEE AGREES THAT THIS IS THE VOLUNTARY AND INTENTIONAL RELINQUISHMENT AND ABANDONMENT OF A PRESENTLY EXISTING, KNOWN RIGHT. LICENSEE ACKNOWLEDGES THAT IT UNDERSTANDS ALL TERMS AND CONDITIONS OF THIS LICENSE. LICENSEE FURTHER ACKNOWLEDGES AND AGREES THAT THERE WAS AND IS NO DISPARITY OF BARGAINING POWER BETWEEN LICENSOR AND LICENSEE. THIS SECTION SHALL NOT BE CONSTRUED OR INTERPRETED AS A WAIVER OF GOVERNMENTAL IMMUNITY.

LICENSEE AND LICENSOR ARE RELYING ON THEIR OWN JUDGMENT. EACH PARTY HAD THE OPPORTUNITY TO DISCUSS THIS LICENSE WITH LEGAL COUNSEL PRIOR TO ITS EXECUTION.

F. Governing Law & Venue. All performance and payment made pursuant to this License shall be deemed to have occurred in Midland County, Texas. Exclusive venue for any claims, suits or any other action arising from or connected in any way to this License or the performance of this License shall be in Midland County, Texas. The obligations and undertakings of each of the parties to this License shall be deemed to have been performed in Midland County, Texas. This License shall be construed, interpreted and enforced under the laws of the State of Texas. The laws of the State of Texas shall govern, construe and enforce all the rights and duties of the parties, including but not limited to tort claims and any and all other claims or disputes, arising from or relating in any way to the subject matter of this License, without regard to conflict of laws and rules that would direct application of the laws of another jurisdiction.

G. Release. NOTWITHSTANDING ANY OTHER PROVISIONS, LICENSEE HEREBY

RELEASES, ACQUITS, RELINQUISHES AND FOREVER DISCHARGES LICENSOR, LICENSOR'S EMPLOYEES AND OFFICERS FROM ANY AND ALL DEMANDS, CLAIMS, DAMAGES OR CAUSES OF ACTION OF ANY KIND WHATSOEVER WHICH LICENSEE HAS OR MIGHT HAVE IN THE FUTURE, INCLUDING BUT NOT LIMITED TO BREACH OF CONTRACT, QUANTUM MERUIT, CLAIMS UNDER THE DUE PROCESS AND TAKINGS CLAUSES OF THE TEXAS AND UNITED STATES CONSTITUTIONS, TORT CLAIMS, OR LICENSOR'S NEGLIGENCE.

H. Governmental Immunity. By executing this License, Licensor is not waiving its right of governmental immunity. Licensor is retaining its immunity from suit. Licensor is not granting consent to be sued by legislative resolution or action. **THERE IS NO WAIVER OF GOVERNMENTAL IMMUNITY**.

I. Third Party Beneficiary. Licensor's approval of this License does not create a third party beneficiary. There is no third party beneficiary to this License. No person or entity who is not a party to this License shall have any third party beneficiary or other rights hereunder.

J. Notices. Any notice or communication required in the administration of this License shall be sent by certified mail, return receipt requested, to the parties' respective mailing addresses as set forth hereinabove.

K. Notice of Alleged Breach; Statutory Prerequisite. As a condition precedent to filing suit for alleged damages incurred by an alleged breach of an express or implied provision of this License, Licensee or its legal representative, shall give the City Manager, or any other reasonable official of Licensor, notice in writing (consisting of one (1) original and seven (7) copies of notice attached to a copy of this License) of such damages, duly verified, within one hundred eighty (180) days after the same has been sustained. The discovery rule does not apply to the giving of this notice. The notice shall include when, where and how the damages occurred, the apparent extent thereof, the amount of damages sustained, the amount for which Licensee will settle, the physical and mailing addresses of Licensee at the time and date the claim was presented and the physical and mailing addresses of Licensee for the six (6) months immediately preceding the occurrence of such damages, and the names and addresses of the witnesses upon whom Licensee relies to establish its claim; and a failure to so notify the City Manager within the time and manner provided herein shall exonerate, excuse and except Licensor from any liability whatsoever. Licensor is under no obligation to provide notice to Licensee that Licensee's notice is insufficient. Licensor reserves the right to request reasonable additional information regarding the claim. Said additional information shall be supplied within thirty (30) days after receipt of notice.

The statutory prerequisites outlined herein constitute jurisdictional requirements pursuant to Section 271.154 of the Texas Local Government Code and Section 311.034 of the Texas Government Code. Notwithstanding any other provision, Licensee's failure to comply with the requirements herein shall perpetually bar Licensee's claim for damages under Chapter 271 of the Texas Local Government Code, and Section 311.034 of the Texas Government Code, regardless if Licensor has actual or constructive notice or knowledge of said claim or alleged damages. Licensee agrees that the requirements of this entire License are reasonable.

L. Consideration. The terms of this License are supported by good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by the parties named herein.

M. Waiver of Governmental Immunity; Chapter 271, TEX. LOC. GOV'T CODE. The parties agree that this License does not constitute a License or Contract for providing goods and/or services to Licensor as discussed in Subchapter I of Chapter 271 of the Texas Local Government Code, and Licensor does not waive, to the maximum extent allowed by law, any constitutional, statutory or common law right to sovereign immunity or governmental immunity from liability or suit. Licensor expressly does not consent to be sued or be liable. To the greatest extent allowed by law, nothing in this License constitutes a waiver of Licensor's governmental immunity and the parties expressly agree that this License shall not constitute, nor be interpreted as a waiver of Licensor's governmental immunity under Subchapter I of Chapter 271 of the Texas Local Government Code, nor shall it constitute nor be interpreted as a waiver of Licensor's governmental immunity for the benefit of any third party lacking privity to the License.

This License does not obligate Licensee to use the Property to construct, repair, operate, replace, and maintain Licensor's facilities or structures described herein, it merely prohibits Licensee from using the Property for any other purpose. This License restricts the use of the Property to a specific purpose, but does not require the use of the Property for a specific purpose. This License does not require Licensee to construct, operate, repair, maintain, replace or remove any of Licensee's facilities or structures described herein. Licensee is not providing a service to Licensor but is providing a service to Licensee's customers. Licensee is paying Licensor for a temporary interest in real property not for a service. Any such provision shall be deemed to be a covenant against noncomplying use, not a covenant to use. Licensee's use of the Property in compliance with a restriction shall not constitute a service, and such complying use shall not operate to waive Licensor's governmental immunity.

N. Compliance. Licensee agrees that it shall comply with Texas Government Code Section 2252.908, as amended, to the extent that this statute applies to this License. Licensee agrees that it shall comply with Texas Local Government Code Section 176.006, as amended, to the extent that this statute applies to this License.

O. Texas Historical Commission Survey. Licensee agrees that it shall comply with Chapter 191 of the Texas Natural Resources Code. By executing this License, Licensee represents that it has contacted the Texas Historical Commission (the "Commission") for the purpose of determining whether the Commission will request that an archaeological survey be completed before Licensee commences operations on the Property, as contemplated herein. Licensee agrees that it shall complete or cause to be completed an archaeological survey before commencing any operations on the Property if the Commission so requests and deliver the same to Licensor. Notwithstanding any provision contained herein, in the event that any site, object, artifact, or other feature of archaeological, scientific, educational, cultural, or historical interest is encountered during the operations authorized by this License, Licensee will immediately notify Licensor and the Commission so that adequate measures may be undertaken to protect or recover such discoveries or findings, as deemed appropriate by Licensor or the Commission.

City Council Meeting

Item Number: 26

Meeting Date: October 26, 2021

To: City Council / City Manager

From: Cole Furqueron, Senior Planner

Subject: AN ORDINANCE AMENDING THE ZONING DISTRICT MAP OF THE CITY OF MIDLAND TO GRANT A SPECIFIC USE DESIGNATION WITH TERM FOR A 2,494-SQUARE FOOT PORTION OF LOT 18, BLOCK 1, PROVIDENCE PARK ADDITION, CITY AND COUNTY OF MIDLAND, TEXAS (GENERALLY LOCATED ON THE WEST SIDE OF NORTH MIDKIFF ROAD, APPROXIMATELY 496 FEET NORTH OF WEST WADLEY AVENUE), WHICH IS PRESENTLY ZONED RR, REGIONAL RETAIL DISTRICT, ALLOWING SAID PROPERTY TO BE USED FOR THE SALE OF ALL ALCOHOLIC BEVERAGES IN A RESTAURANT FOR ON-PREMISES CONSUMPTION; MAKING SAID DESIGNATION SUBJECT TO CERTAIN CONDITIONS AND RESTRICTIONS CONTAINED HEREIN; CONTAINING A CUMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; PROVIDING FOR A MAXIMUM PENALTY OR FINE OF TWO THOUSAND DOLLARS ($2,000.00); AND ORDERING PUBLICATION (DISTRICT 1) (DEVELOPMENT SERVICES)

Purpose:

The applicant, Yuanbing Gan, is requesting a Specific Use Designation with term for the sale of alcoholic beverages for on-premises consumption in a restaurant at 3303 N. Midkiff Street, Suite 152, Midland, Texas 79705.

Recommended City Council Action:

Approve

Fiscal Impact:

This proposal does not have a significant financial impact to the City.

Discussion:

Current Zoning:

RR, Regional Retail District

Surrounding Zoning and Land Use:

The property is located at 3303 N. Midkiff Road, Suite 152 in a RR, Regional Retail District. The property to the north is zoned SF-2, Single-Family Dwelling District and is utilized for single-family housing. The property to the east is zoned RR, Regional Retail District and is utilized for a variety of retail shops. The property to the south is zoned as PD, Planned Development and is the location of H-E-B. The property to the west is zoned SF-2 Single-Family Dwelling District and is utilized as single-family housing.

Analysis:

Kuo's Chinese Restaurant is requesting a Specific Use Designation to be able to sell all alcoholic beverages for on premises consumption, within a restaurant. The property is zoned RR, Regional Retail District, which allows for the sale and on-premises consumption of alcoholic beverages with the approval of a Specific Use Designation.

Kuo's Chinese Restaurant is currently not in operation and does not have a specific use designation for the sale of all alcoholic beverages. The floor plan attached hereto as "Exhibit A" illustrates that the establishment will have a total square footage of 2,494 square feet, with an alcohol serviceable area of 1,350 square feet. The site currently has adequate parking and restroom facilities.

The restaurant will have the following hours of operation and alcohol service:

Monday through Sunday: 11:00 a.m. to 9:45 p.m

Per Midland City Code 5.4.4. –Prohibited place of business

The sale of any alcoholic beverage is hereby prohibited by any person, where the place of business of any such dealer is within 300 feet of any church, public school, public school ground, athletic stadium used by any public school or public hospital, the measurements to be along the property lines of the street fronts and from front door to front door and in a direct line across intersections where they occur.

There are no churches or schools within 300 feet of the property.

This project has been circulated to all City departments for review. Below are the department comments.

Fire: (Approved)

No objections.

Engineering: (Approved)

No objections.

Transportation: (Approved)

No objections.

Building Code: (Approved)

No objections.

The SUD for Kuo's is acceptable. The property must adhere to the current maximum occupant load of 56 persons. Occupancy loads must be posted in accordance with section 1004.3 of the 2015 International Fire Code.

Planning:

The request is in compliance with the Tall City Tomorrow Comprehensive Plan, Chapter 6-Character Plan Goal 4, "Encourage the development of places where Midland residents can gather and socialize to build connections." (Tall City Tomorrow page 137) Kuo's Chinese Restaurant will create a sophisticated atmosphere where Midland Residents can relax and enjoy drinks with their meal.

This request was approved at the October 18, Planning and Zoning Comission meeting.

This request meets all requirements; therefore, staff recommends approval of the request for a Specific Use Designation with Term for the sale of all alcoholic beverages, for on-premises consumption, in a restaurant, subject to Condition A through G.

Conditions:

A. **That the alcoholic serviceable area of the restaurant shall be limited to approximately 1,350 square feet as shown in Exhibit "A", which is attached hereto and incorporated herein for all purposes.**

B. **That the days and hours of alcoholic beverages sales and consumption shall be limited to:**

Monday Through Sunday from 11:00 a.m. to 9:45 p.m.

C. **That the occupancy of the establishment shall not exceed the maximum occupancy determined by the Building Code and Fire Code.**

D. **That the establishment shall meet all requirements of the Fire Department and Code Administration.**

E. **That the sale and on-premises consumption of alcoholic beverages shall conform to applicable state and local laws.**

F. **That the applicant shall obtain a Certificate of Occupancy prior to the commencement of the sale of alcoholic beverages for on premises consumption to ensure that the conditions of this permit are satisfied.**

G. **That in accordance with Section 9.07.E.3 of the zoning ordinance, the restaurant shall be in operation within 120 days from the final adoption date of this ordinance.**

Letters of Objection:

As of October 20, 2021, staff has not received any letters of objections.

ORDINANCE NO. _____

AN ORDINANCE AMENDING THE ZONING DISTRICT MAP OF THE CITY OF MIDLAND TO GRANT A SPECIFIC USE DESIGNATION WITH TERM FOR A 2,494-SQUARE FOOT PORTION OF LOT 18, BLOCK 1, PROVIDENCE PARK ADDITION, CITY AND COUNTY OF MIDLAND, TEXAS (GENERALLY LOCATED ON THE WEST SIDE OF NORTH MIDKIFF ROAD, APPROXIMATELY 496 FEET NORTH OF WEST WADLEY AVENUE), WHICH IS PRESENTLY ZONED RR, REGIONAL RETAIL DISTRICT, ALLOWING SAID PROPERTY TO BE USED FOR THE SALE OF ALL ALCOHOLIC BEVERAGES IN A RESTAURANT FOR ON-PREMISES CONSUMPTION; MAKING SAID DESIGNATION SUBJECT TO CERTAIN CONDITIONS AND RESTRICTIONS CONTAINED HEREIN; CONTAINING A CUMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; PROVIDING FOR A MAXIMUM PENALTY OR FINE OF TWO THOUSAND DOLLARS ($2,000.00); AND ORDERING PUBLICATION

WHEREAS, the City Planning and Zoning Commission and the Governing Body of the City of Midland, Texas, in compliance with the City Charter, the City Code, and State law, have given the requisite notices by United States mail, publication and otherwise; and after holding due hearings affording a full and fair hearing to all of the property owners generally, and particularly to those interested persons situated in the affected area and in the vicinity thereof, the Governing Body of the City of Midland finds that the public convenience will be best served by granting a Specific Use Designation With Term for a 2,494-square foot portion of Lot 18, Block 1, Providence Park Addition, City and County of Midland, Texas (the "Property"), as set out hereinafter;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MIDLAND, TEXAS:

SECTION ONE. That the Zoning District Map of the City of Midland, Texas, is hereby amended to grant the Property a Specific Use Designation With Term for the sale of all alcoholic beverages in a restaurant (the "Establishment") for on-premises consumption, together with the uses permitted in the present RR, Regional Retail District.

SECTION TWO. That the Property shall be subject to the following conditions and

restrictions:

A. That the serviceable area of the Establishment shall be limited to approximately 1,350 square feet as shown in Exhibit "A", which is attached hereto and incorporated herein for all purposes.

B. That the sale and on-premises consumption of alcoholic beverages shall conform to all applicable state and local laws.

C. That the days and hours of alcoholic beverage sales and consumption shall be limited to Monday through Sunday from 11:00 a.m. to 9:45 p.m.

D. That the occupancy of the Establishment shall not exceed the maximum occupancy determined by the Building Code and Fire Code.

E. That the Establishment shall meet the requirements of the Fire Department and the Code Administration Division.

F. That the operator of the Establishment shall obtain a Certificate of Occupancy prior to the commencement of the sale of alcoholic beverages for on-premises consumption to ensure that the conditions of this Specific Use Designation With Term are satisfied.

G. That in accordance with Section 11-1-9.07.E.3 of the City Code, the Establishment shall be in operation within 120 days from the final adoption date of this ordinance.

SECTION THREE. The provisions of this ordinance are to be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided, however, that all prior ordinances or parts of ordinances, inconsistent with or in conflict with any of the provisions of this ordinance are hereby expressly repealed to the extent of any such inconsistency or conflict.

SECTION FOUR. If any section, subsection, sentence, clause or phrase of this ordinance is, for any reason, held to be unconstitutional or invalid, such holding shall not affect the validity of the remaining portions of this ordinance. The Council of the City of Midland hereby declares that it would have passed this ordinance and each section, subsection, sentence, clause, or phrase hereof irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared unconstitutional or invalid.

SECTION FIVE. The penalty for violation of this ordinance shall be in accordance with the general penalty provisions contained in Section 1-3-1 of the City Code of Midland,

Texas, which provides for a fine not exceeding two thousand dollars ($2,000.00).

SECTION SIX. The City Secretary is hereby authorized and directed to publish the descriptive caption of this ordinance in the manner and for the length of time prescribed by the law as an alternative method of publication.

The above and foregoing ordinance was duly proposed, read in full and adopted on first reading, the _____ day of _____, A.D., 2021; and passed to second reading on motion of Council member _____, seconded by Council member _____, by the following vote:

Council members voting "AYE":

City Council Meeting

Item Number: 27

Meeting Date: October 26, 2021

To: City Council / City Manager

From: Elizabeth Shaughnessy, Planning Division Manager

Subject: AN ORDINANCE AMENDING THE ZONING DISTRICT MAP OF THE CITY OF MIDLAND TO REZONE LOT 2A, BLOCK 2, WESTRIDGE PARK ADDITION, SECTION 8, CITY AND COUNTY OF MIDLAND, TEXAS, FROM PD, PLANNED DEVELOPMENT DISTRICT FOR A SHOPPING CENTER TO LR, LOCAL RETAIL DISTRICT (GENERALLY LOCATED ON THE SOUTH SIDE OF ANDREWS HIGHWAY FRONTAGE ROAD, APPROXIMATELY 197 FEET EAST OF TRADEWINDS BOULEVARD); CONTAINING A CUMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; PROVIDING FOR A MAXIMUM PENALTY OR FINE OF TWO THOUSAND DOLLARS ($2,000.00); AND ORDERING PUBLICATION (DISTRICT 4) (DEVELOPMENT SERVICES)

Purpose:

The applicant is requesting this zone change to LR, Local Retail District, for a future dental office.

Recommended City Council Action:

Approve

Fiscal Impact:

This proposal does not have a significant financial impact to the city.

Discussion:

Surrounding Zoning and Land Use:

The property to the north across Andrews Highway is zoned SF-1, Single-Family Dwelling District and the location of residences. The property to the east is zoned RR, Regional Retail

District and the location of H-E-B Gas Station. The property to the south is zoned PD, Planned District for a Shopping Center, and the location of a parking lot. The property to the west is zoned LR, Local Retail District, and the location of a gas station.

Analysis:

The property is located at 5509 Andrews Highway and is currently zoned PD, Planned District for a Shopping Center (regulated by Ordinance No. 6621). The applicant, PREG Development, LLC, is requesting this zone change to LR, Local Retail District, for a future dental office.

As shown on the site plan, hereto as Exhibit A, there will be (37) thirty-seven parking spaces, of which (2) two will be ADA accessible spaces. The total square footage for the proposed development is approximately 6,000 square feet.

This proposed project has been circulated to and reviewed by respective City departments for internal review and their comments, conditions, and requirements are as follows:

Fire: (Approved)

No objection to zone change.

Building: (Approved)

No issues. All future structures must adhere to the 2018 International Building Codes, the 2015 International Energy Code, the 2020 NEC requirements, the 2015 International Fire Codes, local city ordinances, zoning requirements, established setbacks, and floodplain requirements if necessary.

Engineering: (Approved)

No objections to zone change.

Site drainage, utilities, driveway access, and traffic circulation may be adjusted during construction drawing review as necessary to receive building permit approval from Engineering and Traffic Operations.

Code: (Approved)

No Oil or Gas wells identified within 500 ft. permitted well radius or in the 135 ft. non-permitted well radius of location on plat. Please note if oil & gas wells are not identified or left off of plat, this could prevent receiving city permits for structures.

Transportation: (Approved)

Site drainage, utilities, driveway access, and traffic circulation may be adjusted during construction drawing review as necessary to receive building permit approval from Engineering

and Traffic Operations.

No objection to zone change.

Planning:

The Future Land Use map in the Tall City Tomorrow Comprehensive Plan identifies this region as a Special Study Area, which is an area where there may be multiple possibilities for development. The development has been directed toward retail. It creates a buffer and serves the surrounding neighborhood; therefore, this development will continue its purpose of serving its community needs.

This request has been recommended for approval by a unanimous vote at the October 4, 2021 Planning and Zoning Commission meeting.

Staff recommends approval of the zone change from PD, Planned District for a Shopping Center to LR, Local Retail District, subject to condition A.

Conditions:

A. **That the use and development of this property shall conform to the regulations of the LR, Local Retail District, except as stated below.**

Letters of Objection:

As of October 20, 2021, staff has not received any letters of objection.

Attachments:

pr

ORDINANCE NO. 6621

AN ORDINANCE AMENDING CHAPTER ONE, TITLE XI, OF THE CITY CODE OF MIDLAND, TEXAS, BY PERMITTING THE PROPERTY DESCRIBED IN SECTION ONE HEREOF, WHICH IS PRESENTLY ZONED "AE", AGRICULTURE-ESTATE DISTRICT, TO BE USED AS A "PLANNED DISTRICT" FOR A SHOPPING CENTER; PROVIDING FOR SUCH USE TO BE SUBJECT TO CERTAIN SPECIAL CONDITIONS AND RESTRICTIONS AS SET OUT HEREIN; PROVIDING THAT THE PROPERTY SHALL BE IMPROVED ACCORDING TO THE SITE PLAN, ORDINANCES AND OTHER SPECIFICATIONS SET OUT AND REFERRED TO HEREIN; ADDING THE PROPERTY DESCRIBED HEREIN TO THE FIRE DISTRICT; CONTAINING A CUMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; PROVIDING FOR A MAXIMUM PENALTY OR FINE OF ONE THOUSAND DOLLARS (1,000.00); AND ORDERING PUBLICATION

WHEREAS, the City Planning and Zoning Commission and the Governing Body of the City of Midland, in compliance with the City Charter and the State law with reference to the creation of "Planned Districts" under the zoning ordinance regulations and zoning map, have given the requisite notices by United States mail, publication and otherwise; and after a full and fair hearing to all of the property owners generally and particularly to those interested persons situated in the affected area and in the vicinity thereof, the Governing Body finds that the public health, safety and general welfare will be best served by the creation of the "Planned District" set out hereinafter and subject to the conditions and restrictions set out hereinafter; and

WHEREAS, the Council, by Ordinance no. 4531, created a Fire District within the City limits of Midland, Texas, and adopted a Fire District map, appropriately shaded; and

WHEREAS, because of the less restrictive zoning being established for the property involved herein, the Council finds it to be in the public interest to amend the Fire District so as to add said premises thereto;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MIDLAND, TEXAS:

SECTION ONE. That Chapter 1, Title XI, of the City Code of Midland, Texas, and the official zoning map of the City of Midland, Texas, are hereby amended insofar as the hereinafter

described property is concerned, which is presently zoned "AE", Agriculture-Estate District, and it shall be used as a "Planned District" for a Shopping Center, subject to the special conditions and restrictions hereinafter set out.

Said property is described as follows:

A 68.141 acre tract of land located in Sections 36 and 37, Block 40, T-1-S, T&P Ry. Co. Survey, Midland County, Texas, being more fully described by metes and bounds as follows:

Beginning at the intersection of the common line of said Sections 36 and 37, from whence the common SE corner of said Section 36 and the NE corner of said Section 37, bears N 75° 15' 15" E, a distance of 91.02 feet;

Thence S 14° 24' 08" E, along the old westerly right of way line of FM 1369 a distance of 1,970.59 feet to the SE corner of this tract;

Thence S 75° 35' 50" W a distance of 1,062.04 feet to a point at the most southerly SW corner of this tract;

Thence N 14° 24' 10" W a distance of 158.23 feet to a point of curvature, from whence a 1/2" iron rod with plastic cap marked "RPS-1974", bears N 75° 35' 50" E, a distance of 40.00 feet;

Thence around a curve to the left in a northwesterly direction with a radius of 320.00 feet, delta angle of 66° 42' 27", tangents of 210.63 feet, and chord bearing N 47° 45' 24" W, 351.87 and an arc length of 372.56 feet to a point of tangency;

Thence N 81° 06' 37" W a distance of 271.69 feet to the most westerly SW corner of this tract;

Thence N 8° 53' 23" E, a distance of 185.00 feet to a point of curvature;

Thence around a curve to the left in a northerly direction, with a radius of 515.00 feet, delta angle of 23° 40' 00", tangents of 107.89 feet, a chord bearing N 2° 56' 37" W, 211.22 and an arc length of 212.72 feet to a point of tangency;

Thence N 14° 46' 37" W, a distance of 1,274.99 feet to the NW corner of this tract;

Thence N 75° 13' 23" E along the north right of way line of State Highway No. 191 and the south boundary line of Grasslands Estates, Section 1, a distance of 1,398.30 feet to the NE corner of this tract;

Thence S 14° 24' 08" E along a projection of the old west right of way line of FM 1369 a distance of 250.04 feet to the place of beginning.

Note: Bearings and coordinates are relative to the Texas State Plane Coordinate System Central Zone with a combined grid factor of 0.9998625 and an average theta angle of -0° 56' 17".

SECTION TWO. That the property described in Section One hereof shall be subject to the following special conditions and restrictions:

1. That the use and development of this property shall conform in all respects to the "LR-2", Local Retail District, except as indicated otherwise on Exhibits "A", "B" or "C", attached hereto and made a part hereof for all legal purposes, or in other conditions of this ordinance.

2. That development of this property shall conform in all respects to said Exhibits "A", "B" and "C".

3. That a retail or wholesale membership club is permitted on this tract in the indicated location, identified on the site plan as "Sam's", subject to conformance to Exhibit "C" in all respects, and subject to the following special conditions:

(a) The "LR-2", Local Retail District shall govern the use of this property, except as otherwise stated in these conditions.

(b) Development of the Sam's building shall conform in all respects to said Exhibit "C" regarding front, side and rear elevations of the building. All doors of a metal material shall be painted a color which will match the concrete on either side of said doors.

(c) There shall be a single entrance/exit for the public and it shall correspond to the main entry door on the elevation. There shall be no customer pick-up area for vehicles permitted in the front of the store, adjacent to the main entry door. Emergency doors shall not be available for public use, except in emergency conditions.

(d) There shall be no customer pick-up permitted on the side of the building, as indicated on the site plan, where at-grade delivery only will be permissible (see side elevation). This at-grade delivery shall be limited to small vehicle delivery, such as fresh bakery goods and produce.

(e) The TMA, Tire Mounting Area, indicated on the side elevation, shall be an area devoted to tire, battery and automotive accessory installation, and minor automotive tune-up and repair. No other auto servicing use will be permissible within this area. All auto servicing will occur within the building. There shall be no storage of tires or other materials outside the building at any time, except as allowed within the screened tire storage area indicated on the west side elevation.

(f) There shall be no delivery of merchandise to any business or business location permitted from this business (Sam's).

4. A building materials sales store shall be permissible within this "Planned District", subject to the following special conditions:

(a) The building materials sales store shall be an integrated building attached to or abutting the principal mall building and shall not be a free-standing development.

(b) The exterior of the building shall conform in color and texture to the exterior of the main mall building.

(c) All exterior doors shall be painted a color which will match the concrete exterior wall.

(d) There shall be a single entrance/exit for the public and it shall correspond to the main entry door on the front elevation.

(e) All sales items will be carried through the main entrance and there shall be no customer pick-up for vehicles.

(f) Emergency doors shall not be available for public use, except in emergency conditions.

(g) There shall be no store delivery of sale items to any business or business locations permitted from this location.

(h) There shall be no outside storage area nor a garden center allowed in conjunction with the building materials sales store.

5. All screening walls shall conform in all respects to Exhibit "B", and shall provide an effective screen of all major refuse, loading/unloading delivery areas indicated on Exhibit "B". The screening wall shall match the color and texture of the walls provided for the mall itself.

6. Parking for this tract shall be accordance with Exhibit "A" in all respects, based upon the distribution of spaces indicated below (2371 spaces minimum):

(a) Gross leasable area of the Mall, excluding the Cinema and Outbuildings:

442,413 square feet divided by 1,000 square feet x 4.5 = 1,991 spaces

(b) The Cinema, associated with the Mall Building, with a maximum 1,758 seats = 30 spaces

(c) The Outbuildings, Numbered 1-4, shall provide the following minimum number of spaces each:

1:	83 spaces
2:	83 spaces
3:	92 spaces
4:	92 spaces
	350 Total

If used as a restaurant(s), the maximum capacity of each building shall be as follows:

1:	250 seats
2:	250 seats
3:	275 seats
4:	275 seats

7. Reciprocal access and parking easements shall be established prior to final plat approval.

8. Areas indicated on Exhibit "A" as "shaded" denote areas that are required to be unpaved and available for landscaping.

SECTION THREE. That the Fire District be amended so as to add thereto the premises described in Section One hereof and the Building Inspector is authorized and directed to add to the Fire District Map said premises.

SECTION FOUR. That definitions given in the zoning regulations contained in the City Code of the City of Midland, Texas,

shall be applicable to such of those terms as are used herein.

SECTION FIVE. The provisions of this ordinance are to be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided, however, that all prior ordinances or parts of ordinances inconsistent with or in conflict with any of the provisions of this ordinance are hereby expressly repealed to the extent of any such inconsistency or conflict.

SECTION SIX. If any section, subsection, sentence, clause or phrase of this ordinance is, for any reason, held to be unconstitutional or invalid, such holding shall not affect the validity of the remaining portions of this ordinance. The Council of the City of Midland hereby declares that it would have passed this ordinance and each section, subsection, sentence, clause, or phrase hereof irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared unconstitutional or invalid.

SECTION SEVEN. The penalty for violation of this ordinance shall be in accordance with the general penalty provisions contained in Section 1-3-1 of the City Code of Midland, Texas, which provides for a fine not exceeding one thousand dollars ($1,000.00).

SECTION EIGHT. The City Secretary is hereby authorized and directed to publish the descriptive caption of this ordinance in the manner and for the length of time prescribed by the law as an alternative method of publication.

The above and foregoing ordinance was duly proposed, read in full and adopted on first reading, the 17th day of December, A.D., 1985; and passed to second reading on motion of Council member Davidson, seconded by Council member Corrales, by the following vote:

Council members voting "AYE": Davidson, Corrales, Akins, Heck, Godfrey, Marcum and Hotchkiss

Council members voting "NAY": None

The above and foregoing ordinance was read in full and

finally adopted by the following vote upon motion of Council member Godfrey, seconded by Council member Hotchkiss, on the 14th day of January, A.D., 1986, at a regular meeting of the City Council:

Council members voting "AYE": Godfrey, Hotchkiss, Heck, Corrales, Davidson, Marcum and Akins

Council members voting "NAY": None

PASSED AND APPROVED THIS 14th day of January, A.D., 1986.

City Council Meeting

Item Number: 28

Meeting Date: October 26, 2021

To: City Council / City Manager

From: Elizabeth Shaughnessy, Planning Division Manger

Subject: AN ORDINANCE EXTENDING THE BOUNDARIES OF THE CITY OF MIDLAND, TEXAS, BY ADDING THERETO A CERTAIN AREA ADJOINING THE PRESENT CITY LIMITS, BEING A 9.162-ACRE TRACT OF LAND OUT OF SECTION 6, BLOCK 38, T-2-S, T&P RR CO. SURVEY, MIDLAND COUNTY, TEXAS (GENERALLY LOCATED AT THE NORTHEAST CORNER OF THE INTERSECTION OF FAIRGROUNDS ROAD AND GARDEN CITY HIGHWAY); ORDERING PUBLICATION; AND ORDERING RECORDATION BY THE CITY SECRETARY (DISTRICT: NONE) (DEVELOPMENT SERVICES)

Purpose:

Consider an ordinance for an annexation of a 9.162-acre tract of land located in Section 6, Block 38, T-2-S, T&P RR Co. Survey, Midland County, Texas, located on the northeast corner of the intersection of Fairgrounds Road and Garden City Highway.

Recommended City Council Action:

Approve

Fiscal Impact:

Additional land to be developed under City regulations in an expanded growth area.

Discussion:

The applicant, Black & Dillard Property Management, LP, is requesting to annex a 9.162-acre tract of land located in Section 6, Block 38, T-2-S, T&P RR Co. Survey, Midland County, Texas, to develop a new an auto and diesel fuel service station. The proposed annexation will allow the provision of City services to the property. This is considered a voluntary annexation.

On September 23, 2021, the service agreement between the City and the property was executed. This is the next step in the annexation process.

This project has been circulated to all respective departments for internal review and received no objections.

Engineering: (Approved)

No objection.

Transportation: (Approved)

No objection.

Fire: (Approved)

No objections.

Code Administration: (Approved)

No Oil or Gas wells identified within 500 ft. permitted well radius or in the 135 ft. non-permitted well radius of location on plat.

Building Code: (Approved)

No objections to annexation.

Planning:

As this proposed development will conform with the Tall City Tomorrow Comprehensive Plan, staff recommends approval of this annexation.

ORDINANCE NO. _____

AN ORDINANCE EXTENDING THE BOUNDARIES OF THE CITY OF MIDLAND, TEXAS, BY ADDING THERETO A CERTAIN AREA ADJOINING THE PRESENT CITY LIMITS, BEING A 9.162-ACRE TRACT OF LAND OUT OF SECTION 6, BLOCK 38, T-2-S, T&P RR CO. SURVEY, MIDLAND COUNTY, TEXAS (GENERALLY LOCATED AT THE NORTHEAST CORNER OF THE INTERSECTION OF FAIRGROUNDS ROAD AND GARDEN CITY HIGHWAY); ORDERING PUBLICATION; AND ORDERING RECORDATION BY THE CITY SECRETARY

WHEREAS, a public hearing before the City Council of the City of Midland, Texas, a home rule municipal corporation, was held in the City Council Chamber on October 26, 2021, during which all interested persons were provided an opportunity to be heard on the proposed annexation of the hereinafter described territory; and

WHEREAS, notice of the public hearing was published on the City of Midland, Texas' Internet website on October 8, 2021, and the notice remained posted until the date of the public hearing; and

WHEREAS, notice of the public hearing was published in a newspaper having general circulation in the City of Midland, Texas, and in the below described territory, on October 8, 2021; and

WHEREAS, all required notices of the proposed annexation and the public hearing were given in accordance with applicable laws; and

WHEREAS, the City of Midland has entered into a written agreement with the owner(s) of the hereinafter described territory for the provision of services in said area;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MIDLAND, TEXAS:

SECTION ONE. That the following described property adjoining the present boundary lines of the City of Midland, Texas, be and the same is hereby annexed to and incorporated within the boundary of the City of Midland, Texas:

Being a 9.162-acre tract of land out of Section 6, Block 38, T-2-S, T&P RR

Co. Survey, Midland County, Texas, and being more fully described by metes and bounds in the petition for annexation attached hereto as Exhibit "A" and incorporated herein by reference for all legal purposes.

SECTION TWO. That this ordinance shall be published in the official newspaper in the City of Midland, Texas, and the same shall not be effective until after the publication thereof.

SECTION THREE. That the City Secretary is hereby authorized and directed to file a certified copy of this ordinance with the County Clerk of Midland County, Texas, for the purpose of recording in the Deed Records of Midland County, Texas.

The above and foregoing ordinance was duly proposed, read in full and adopted on first reading, the _____ day of _____, A.D., 2021; and passed to second reading on motion of Council member _____, seconded by Council member _____, by the following vote:

Council members voting "AYE":

Council members voting "NAY":

The above and foregoing ordinance was read in full and finally adopted by the following vote upon motion of Council member _____, seconded by Council member _____, on the _____ day of _____, A.D., 2021, at a regular meeting of the City Council:

DESCRIPTION PROPERTY

BEING A 9.162 ACRE TRACT OF LAND SITUATED IN THE T&P RR CO SURVEY, ABSTRACT NO. 722, SECTION 6, BLOCK 38, T-2-S, MIDLAND COUNTY, TEXAS, AND BEING ALL OF THE CALLED 6.160 ACRE TRACT OF LAND DESCRIBED AS TRACT ONE IN THE DEED TO BLACK & DILLARD PROPERTY MANAGEMENT, LP RECORDED IN VOLUME 2692, PAGE 829 OF THE DEED RECORDS OF MIDLAND COUNTY, TEXAS, AND ALSO BEING ALL OF THE CALLED 2.99 ACRE TRACT OF LAND DESCRIBED AS TRACT TWO IN THE DEED TO BLACK & DILLARD PROPERTY MANAGEMENT, LP RECORDED IN VOLUME 2692, PAGE 829 OF SAID DEED RECORDS OF MIDLAND COUNTY, TEXAS, SAID 9.162 ACRE TRACT OF LAND BEING MORE PARTICULARLY DESCRIBED BY METES AND BOUNDS AS FOLLOWS:

BEGINNING AT 1/2 INCH IRON ROD WITH CAP STAMPED "DUNAWAY ASSOC LP" FOUND FOR THE SOUTHWEST CORNER OF SAID TRACT ONE, SAID 1/2 INCH IRON ROD WITH CAP STAMPED "DUNAWAY ASSOC LP" ALSO BEING THE INTERSECTION OF THE NORTHEASTERLY RIGHT-OF-WAY LINE OF STATE HIGHWAY 140 (GARDEN CITY HIGHWAY) (VARIABLE WIDTH RIGHT-OF-WAY) WITH THE NORTHEASTERLY RIGHT-OF-WAY LINE OF FAIRGROUNDS ROAD (VARIABLE WIDTH RIGHT-OF-WAY);

THENCE NORTH 13 DEGREES 59 MINUTES 43 SECONDS WEST, WITH THE COMMON SOUTHWESTERLY LINE OF SAID TRACT ONE AND NORTHEASTERLY RIGHT-OF-WAY LINE OF SAID FAIRGROUNDS ROAD, A DISTANCE OF 264.49 FEET TO A 1/2 INCH IRON ROD FOUND FOR CORNER;

THENCE NORTH 14 DEGREES 13 MINUTES 06 SECONDS WEST, WITH THE COMMON SOUTHWESTERLY LINE OF SAID TRACT ONE AND NORTHEASTERLY RIGHT-OF-WAY LINE OF SAID FAIRGROUNDS ROAD, A DISTANCE OF 147.11 FEET TO A 2.5 INCH STEEL FENCE CORNER FOUND FOR THE MOST WESTERLY NORTHWEST CORNER OF SAID TRACT ONE;

THENCE NORTH 50 DEGREES 38 MINUTES 31 SECONDS EAST, WITH THE NORTHWESTERLY LINE OF SAID TRACT ONE, A DISTANCE OF 27.81 FEET TO A 2.5 INCH STEEL FENCE POST FOUND FOR THE MOST NORTHERLY NORTHWEST CORNER OF SAID TRACT ONE;

THENCE NORTH 75 DEGREES 08 MINUTES 40 SECONDS EAST, WITH THE NORTHWESTERLY LINE OF SAID TRACT ONE, A DISTANCE OF 113.89 FEET TO A 2.5 INCH STEEL FENCE POST FOUND FOR CORNER;

THENCE NORTH 74 DEGREES 54 MINUTES 24 SECONDS EAST, WITH THE NORTHWESTERLY LINE OF SAID TRACT ONE, A DISTANCE OF 69.52 FEET TO A 2.5 INCH STEEL FENCE POST FOUND FOR CORNER;

THENCE NORTH 76 DEGREES 04 MINUTES 23 SECONDS EAST, WITH THE NORTHWESTERLY LINE OF SAID TRACT ONE, A DISTANCE OF 505.53 FEET TO A 2.5 INCH STEEL FENCE POST FOUND FOR THE MOST NORTHERLY NORTHEAST CORNER OF SAID TRACT ONE;

THENCE SOUTH 20 DEGREES 56 MINUTES 28 SECONDS WEST, WITH THE SOUTHEASTERLY LINE OF SAID TRACT ONE, A DISTANCE OF 273.32 FEET TO A 2.5 INCH STEEL FENCE POST FOUND FOR THE MOST EASTERLY SOUTHEAST CORNER OF SAID TRACT ONE, SAID 2.5 INCH STEEL FENCE POST ALSO BEING AN EXTERIOR CORNER OF SAID TRACT TWO;

THENCE SOUTH 36 DEGREES 28 MINUTES 08 SECONDS EAST, WITH THE NORTHEASTERLY LINE OF SAID TRACT TWO, A DISTANCE OF 140.71 FEET TO A 2.5 INCH STEEL FENCE POST FOUND FOR CORNER;

THENCE SOUTH 04 DEGREES 39 MINUTES 46 SECONDS EAST, WITH THE NORTHEASTERLY LINE OF SAID TRACT TWO, A DISTANCE OF 26.57 FEET TO A 2.5 INCH STEEL FENCE POST FOUND FOR CORNER;

THENCE SOUTH 55 DEGREES 27 MINUTES 05 SECONDS EAST, WITH THE NORTHEASTERLY LINE OF SAID TRACT TWO, A DISTANCE OF 227.99 FEET TO A 2.5 INCH STEEL FENCE POST FOUND FOR CORNER;

THENCE SOUTH 67 DEGREES 06 MINUTES 21 SECONDS EAST, WITH THE NORTHEASTERLY LINE OF SAID TRACT TWO, A DISTANCE OF 32.06 FEET TO A 2.5 INCH STEEL FENCE POST FOUND FOR THE COMMON NORTHEAST CORNER OF SAID TRACT TWO AND NORTHWEST CORNER OF A CALLED 1.33 ACRE TRACT OF LAND DESCRIBED IN THE DEED TO DWIGHT C. FREEMAN DBA KD'S BAR-B-Q AND KATHY FREEMAN RECORDED IN VOLUME 1483, PAGE 374 OF SAID DEED RECORDS OF MIDLAND COUNTY, TEXAS;

THENCE SOUTH 44 DEGREES 28 MINUTES 02 SECONDS WEST, WITH THE COMMON SOUTHEASTERLY LINE OF SAID TRACT TWO AND NORTHWESTERLY LINE OF SAID 1.33 ACRE TRACT OF LAND, A DISTANCE OF 331.23 FEET TO A 1/2 INCH IRON ROD FOUND FOR THE COMMON SOUTHEAST CORNER OF SAID TRACT TWO AND SOUTHWEST CORNER OF SAID 1.33 ACRE TRACT OF LAND, SAID 1/2 INCH IRON ROD ALSO BEING IN THE NORTHEASTERLY RIGHT-OF-WAY LINE OF SAID STATE HIGHWAY 140 (GARDEN CITY HIGHWAY);

THENCE NORTH 71 DEGREES 03 MINUTES 51 SECONDS WEST, WITH THE COMMON SOUTHWESTERLY LINE OF SAID TRACT TWO AND NORTHEASTERLY RIGHT-OF-WAY LINE OF SAID STATE HIGHWAY 140 (GARDEN CITY HIGHWAY), PASSING AT A DISTANCE OF 260.83 FEET, A 1/2 INCH IRON ROD FOUND FOR THE COMMON SOUTHWEST CORNER OF SAID TRACT TWO AND SOUTHEAST CORNER OF SAID TRACT ONE, IN ALL, A DISTANCE OF 592.11 FEET TO THE **POINT OF BEGINNING** AND CONTAINING 399,081 SQUARE FEET, OR 9.162 ACRES OF LAND, MORE OR LESS.

TITLE COMMITMENT GF NO. WTA-80C-48802011190-MR

SCHEDULE "B" 10 ITEMS

10a. ALL LEASES, GRANTS, EXCEPTIONS OR RESERVATIONS OF COAL, LIGNITE, OIL, GAS AND OTHER MINERALS, TOGETHER WITH ALL RIGHTS, PRIVILEGES, AND IMMUNITIES RELATING THERETO, APPEARING IN THE PUBLIC RECORDS WHETHER LISTED IN SCHEDULE B OR NOT. THERE MAY BE LEASES, GRANTS, EXCEPTIONS OR RESERVATIONS OF MINERAL INTEREST THAT ARE NOT LISTED.

10b. DISTRIBUTION EASEMENT AND RIGHT OF WAY GRANTED TO TEXAS ELECTRIC SERVICE COMPANY AS RECORDED IN VOLUME 317, PAGE 320, VOLUME 413, PAGE 18, DEED RECORDS OF MIDLAND COUNTY, TEXAS. COMPANY MAKES NO REPRESENTATION AS TO THE PRESENT OWNERSHIP OF THIS INTEREST.

BASED ON THE RECORD DESCRIPTION THIS ITEM DOES AFFECT SUBJECT TRACT – NOT SHOWN ON THE SURVEY (NOT ENOUGH INFORMATION).

10c. EASEMENT TO TEXAS ELECTRIC SERVICE COMPANY AS RECORDED IN VOLUME 475, PAGE 602, VOLUME 576, PAGE 394, DEED RECORDS OF MIDLAND COUNTY, TEXAS. COMPANY MAKES NO REPRESENTATION AS TO THE PRESENT OWNERSHIP OF THIS INTEREST.

BASED ON THE RECORD DESCRIPTION THIS ITEM DOES AFFECT SUBJECT TRACT – NOT SHOWN ON THE SURVEY (NOT ENOUGH INFORMATION).

10d. ANY PORTION OF THE PROPERTY DESCRIBED HEREIN WITHIN THE LIMITS OR BOUNDARIES OF ANY PUBLIC OR PRIVATE ROADWAY AND/OR HIGHWAY.

10e. THOSE LIENS CREATED AT CLOSING, IF ANY, PURSUANT TO LENDER INSTRUCTIONS.

10f. SUBJECT PROPERTY IS LOCATED IN THE CITY OF MIDLAND EXTRA TERRITORIAL JURISDICTION, AND AS SUCH, MAY BE SUBJECT TO CERTAIN ORDINANCES, CODES, RESTRICTIONS AND REGULATORY POWERS OF THE CITY OF MIDLAND.

10g. RIGHTS OF PARTIES IN POSSESSION.

10h. RIGHTS OF PARTIES IN POSSESSION UNDER ANY UNRECORDED, WRITTEN OR ORAL LEASE AGREEMENT.

10i. VISIBLE OR APPARENT EASEMENT(S) AND/OR RIGHTS OF WAY ON, OVER, UNDER OR ACROSS THE LAND.

10j. IF ANY PORTION OF THE PROPOSED LOAN AND/OR THE OWNER'S TITLE POLICY COVERAGE AMOUNT INCLUDES FUNDS FOR IMMEDIATELY CONTEMPLATED IMPROVEMENTS, THE FOLLOWING EXCEPTIONS WILL APPEAR IN SCHEDULE B OF ANY POLICY ISSUED AS INDICATED: OWNER AND LOAN POLICY(IES): ANY AND ALL LIENS ARISING BY REASON OF UNPAID BILLS OR CLAIMS FOR WORK PERFORMED OR MATERIALS FURNISHED IN CONNECTION WITH IMPROVEMENTS PLACED, OR TO BE PLACED, UPON THE SUBJECT LAND. HOWEVER, THE COMPANY DOES INSURE THE INSURED AGAINST LOSS, IF ANY, SUSTAINED BY THE INSURED UNDER THIS POLICY IF SUCH LIENS HAVE BEEN FILED WITH THE COUNTY CLERK OF COUNTY, TEXAS, PRIOR TO THE DATE HEREOF. OWNER POLICY(IES) ONLY: LIABILITY HEREUNDER AT THE DATE HEREOF IS LIMITED TO $ 0.00. LIABILITY SHALL INCREASE AS CONTEMPLATED IMPROVEMENTS ARE MADE, SO THAT ANY LOSS PAYABLE HEREUNDER SHALL BE LIMITED TO SAID SUM PLUS THE AMOUNT ACTUALLY EXPENDED BY THE INSURED IN IMPROVEMENTS AT THE TIME THE LOSS OCCURS. ANY EXPENDITURES MADE FOR IMPROVEMENTS, SUBSEQUENT TO THE DATE OF THIS POLICY, WILL BE DEEMED MADE AS OF THE DATE OF THIS POLICY. IN NO EVENT SHALL THE LIABILITY OF THE COMPANY HEREUNDER EXCEED THE FACE AMOUNT OF FIDELITY NATIONAL TITLE INSURANCE COMPANY COMMITMENT NO.: 48802011190

10k. THE FOLLOWING EXCEPTION WILL APPEAR IN ANY POLICY ISSUED (OTHER THAN THE T-1R RESIDENTIAL OWNER POLICY OF TITLE INSURANCE AND THE T-2R SHORT-FORM RESIDENTIAL MORTGAGE POLICY) IF THE COMPANY IS NOT PROVIDED A SURVEY OF THE LAND, ACCEPTABLE TO THE COMPANY, FOR REVIEW AT OR PRIOR TO CLOSING:
ANY ENCROACHMENT, ENCUMBRANCE, VIOLATION, VARIATION, OR ADVERSE CIRCUMSTANCE AFFECTING THE TITLE THAT WOULD BE DISCLOSED BY AN ACCURATE AND COMPLETE LAND SURVEY OF THE LAND.

NOTES

1. ALL BEARINGS ARE REFERENCED TO THE STATE PLANE COORDINATE SYSTEM, NORTH AMERICAN DATUM OF 1983 (NAD 83), TEXAS CENTRAL ZONE (4203).
2. THE SUBJECT TRACT IS LOCATED IN THE CITY OF MIDLAND EXTRA TERRITORIAL JURISDICTION. NO ZONING CLASSIFICATION OR SETBACK REQUIREMENTS.
3. UNDERGROUND UTILITIES MARKINGS WERE LOCATED ON THE PROPERTY (SHOWN ON SURVEY). THE SURVEYOR MAKES NO GUARANTEE THAT THE UNDERGROUND UTILITIES SHOWN COMPRISE ALL SUCH UTILITIES IN THE AREA, EITHER IN SERVICE OR ABANDONED. THE SURVEYOR FURTHER DOES NOT WARRANT THAT THE UNDERGROUND UTILITIES SHOWN ARE IN THE EXACT LOCATION INDICATED. THE SURVEYOR HAS NOT PHYSICALLY LOCATED THE UNDERGROUND UTILITIES.
4. NO OBSERVED PARKING STRIPES IN THE PROCESS OF CONDUCTING THE FIELDWORK.
5. ACCORDING TO PROJECT TRACKER (http://apps.dot.state.tx.us/apps-cq/project_tracker/), THERE ARE FUTURE HIGHWAY IMPROVEMENTS ON STATE HIGHWAY 140; FOR FURTHER INFORMATION CONTACT ROBERT ORNELAS, PROFESSIONAL ENGINEER OF TEXAS DEPARTMENT OF TRANSPORTATION. ROBERT ORNELAS, PE (432) 498-4772.
6. THERE WAS NO EVIDENCE OF FIELD DELINEATION OF WETLANDS AT DATE OF SURVEY.
7. AS DETERMINED BY THE FLOOD INSURANCE RATE MAPS FOR MIDLAND COUNTY, TEXAS, PER MAP NUMBER 48329C0206F DATED SEPTEMBER 16, 2005 PANEL 206 OF 525, SUBJECT TRACT IS LOCATED IN ZONE X (UNSHADED), AREAS OF 0.2% CHANCE OF LESS THAN 1 FOOT OR WITH DRAINAGE AREAS LESS THAN 1 SQUARE MILE; AND AREAS PROTECTED BY LEVEES FROM 1% ANNUAL CHANCE FLOOD.
8. THIS SURVEY WAS PERFORMED IN CONNECTION WITH THE TRANSACTION DESCRIBED IN GF NO. WTA-80C-48802011190-MR, OF FIDELITY NATIONAL TITLE INSURANCE COMPANY WITH AN EFFECTIVE DATE OF JANUARY 24, 2020. USE OF THIS SURVEY FOR ANY OTHER PURPOSE OR BY OTHER PARTIES SHALL BE AT THEIR OWN RISK AND UNDERSIGNED IS NOT RESPONSIBLE TO OTHERS FOR ANY LOSS RESULTING THEREFROM.
9. THERE WAS NO EVIDENCE OF RECENT EARTH MOVING WORK, BUILDING CONSTRUCTION, OR BUILDING ADDITIONS OBSERVED IN THE PROCESS OF CONDUCTING THE FIELDWORK.
10. THERE WAS NO EVIDENCE OF SUBJECT TRACT BEING USED AS A SOLID WASTE DUMP, SUMP, OR SANITARY LANDFILL AT DATE OF SURVEY.
11. THERE WAS NO EVIDENCE OF CEMETERIES LOCATED IN OR WITHIN FIVE (5) FEET OF THE SUBJECT TRACT AT THE DATE OF SURVEY.
12. SUBJECT TRACT IS LOCATED AT THE NORTHEAST CORNER OF THE INTERSECTION OF STATE HIGHWAY 140 AND FAIRGROUND ROAD.

SURVEYOR'S CERTIFICATE

DESCRIPTION PROPERTY

BEING A 9.162 ACRE TRACT OF LAND SITUATED IN THE T&P RR CO SURVEY, ABSTRACT NO. 722, SECTION 6, BLOCK 38, T-2-S, MIDLAND COUNTY, TEXAS, AND BEING ALL OF THE CALLED 6.160 ACRE TRACT OF LAND DESCRIBED AS TRACT ONE IN THE DEED TO BLACK & DILLARD PROPERTY MANAGEMENT, LP RECORDED IN VOLUME 2692, PAGE 829 OF THE DEED RECORDS OF MIDLAND COUNTY, TEXAS, AND ALSO BEING ALL OF THE CALLED 2.99 ACRE TRACT OF LAND DESCRIBED AS TRACT TWO IN THE DEED TO BLACK & DILLARD PROPERTY MANAGEMENT, LP RECORDED IN VOLUME 2692, PAGE 829 OF SAID DEED RECORDS OF MIDLAND COUNTY, TEXAS, SAID 9.162 ACRE TRACT OF LAND BEING MORE PARTICULARLY DESCRIBED BY METES AND BOUNDS AS FOLLOWS:

BEGINNING AT 1/2 INCH IRON ROD WITH CAP STAMPED "DUNAWAY ASSOC LP" FOUND FOR THE SOUTHWEST CORNER OF SAID TRACT ONE, SAID 1/2 INCH IRON ROD WITH CAP STAMPED "DUNAWAY ASSOC LP" ALSO BEING THE INTERSECTION OF THE NORTHEASTERLY RIGHT-OF-WAY LINE OF STATE HIGHWAY 140 (GARDEN CITY HIGHWAY) (VARIABLE WIDTH RIGHT-OF-WAY) WITH THE NORTHEASTERLY RIGHT-OF-WAY LINE OF FAIRGROUNDS ROAD (VARIABLE WIDTH RIGHT-OF-WAY);

THENCE NORTH 13 DEGREES 59 MINUTES 43 SECONDS WEST, WITH THE COMMON SOUTHWESTERLY LINE OF SAID TRACT ONE AND NORTHEASTERLY RIGHT-OF-WAY LINE OF SAID FAIRGROUNDS ROAD, A DISTANCE OF 264.49 FEET TO A 1/2 INCH IRON ROD FOUND FOR CORNER;

THENCE NORTH 14 DEGREES 13 MINUTES 06 SECONDS WEST, WITH THE COMMON SOUTHWESTERLY LINE OF SAID TRACT ONE AND NORTHEASTERLY RIGHT-OF-WAY LINE OF SAID FAIRGROUNDS ROAD, A DISTANCE OF 147.11 FEET TO A 2.5 INCH STEEL FENCE CORNER FOUND FOR THE MOST WESTERLY NORTHWEST CORNER OF SAID TRACT ONE;

THENCE NORTH 50 DEGREES 38 MINUTES 31 SECONDS EAST, WITH THE NORTHWESTERLY LINE OF SAID TRACT ONE, A DISTANCE OF 27.81 FEET TO A 2.5 INCH STEEL FENCE POST FOUND FOR THE MOST NORTHERLY NORTHWEST CORNER OF SAID TRACT ONE;

THENCE NORTH 75 DEGREES 08 MINUTES 40 SECONDS EAST, WITH THE NORTHWESTERLY LINE OF SAID TRACT ONE, A DISTANCE OF 113.89 FEET TO A 2.5 INCH STEEL FENCE POST FOUND FOR CORNER;

THENCE NORTH 74 DEGREES 54 MINUTES 24 SECONDS EAST, WITH THE NORTHWESTERLY LINE OF SAID TRACT ONE, A DISTANCE OF 69.52 FEET TO A 2.5 INCH STEEL FENCE POST FOUND FOR CORNER;

THENCE NORTH 76 DEGREES 04 MINUTES 23 SECONDS EAST, WITH THE NORTHWESTERLY LINE OF SAID TRACT ONE, A DISTANCE OF 505.53 FEET TO A 2.5 INCH STEEL FENCE POST FOUND FOR THE MOST NORTHERLY NORTHEAST CORNER OF SAID TRACT ONE;

THENCE SOUTH 20 DEGREES 56 MINUTES 28 SECONDS WEST, WITH THE SOUTHEASTERLY LINE OF SAID TRACT ONE, A DISTANCE OF 273.32 FEET TO A 2.5 INCH STEEL FENCE POST FOUND FOR THE MOST EASTERLY SOUTHEAST CORNER OF SAID TRACT ONE, SAID 2.5 INCH STEEL FENCE POST ALSO BEING AN EXTERIOR CORNER OF SAID TRACT TWO;

THENCE SOUTH 36 DEGREES 28 MINUTES 08 SECONDS EAST, WITH THE NORTHEASTERLY LINE OF SAID TRACT TWO, A DISTANCE OF 140.71 FEET TO A 2.5 INCH STEEL FENCE POST FOUND FOR CORNER;

THENCE SOUTH 04 DEGREES 39 MINUTES 46 SECONDS EAST, WITH THE NORTHEASTERLY LINE OF SAID TRACT TWO, A DISTANCE OF 26.57 FEET TO A 2.5 INCH STEEL FENCE POST FOUND FOR CORNER;

THENCE SOUTH 55 DEGREES 27 MINUTES 05 SECONDS EAST, WITH THE NORTHEASTERLY LINE OF SAID TRACT TWO, A DISTANCE OF 227.99 FEET TO A 2.5 INCH STEEL FENCE POST FOUND FOR CORNER;

THENCE SOUTH 57 DEGREES 06 MINUTES 21 SECONDS EAST, WITH THE NORTHEASTERLY LINE OF SAID TRACT TWO, A DISTANCE OF 32.06 FEET TO A 2.5 INCH STEEL FENCE POST FOUND FOR THE COMMON NORTHEAST CORNER OF SAID TRACT TWO AND NORTHWEST CORNER OF A CALLED 1.33 ACRE TRACT OF LAND DESCRIBED IN THE DEED TO DWIGHT C. FREEMAN DBA KD'S BAR-B-Q AND KATHY FREEMAN RECORDED IN VOLUME 1483, PAGE 374 OF SAID DEED RECORDS OF MIDLAND COUNTY, TEXAS;

THENCE SOUTH 44 DEGREES 28 MINUTES 02 SECONDS WEST, WITH THE COMMON SOUTHEASTERLY LINE OF SAID TRACT TWO AND NORTHWESTERLY LINE OF SAID 1.33 ACRE TRACT OF LAND, A DISTANCE OF 331.23 FEET TO A 1/2 INCH IRON ROD FOUND FOR THE COMMON SOUTHEAST CORNER OF SAID TRACT TWO AND SOUTHWEST CORNER OF SAID 1.33 ACRE TRACT OF LAND, SAID 1/2 INCH IRON ROD ALSO BEING IN THE NORTHEASTERLY RIGHT-OF-WAY LINE OF SAID STATE HIGHWAY 140 (GARDEN CITY HIGHWAY);

THENCE NORTH 71 DEGREES 03 MINUTES 51 SECONDS WEST, WITH THE COMMON SOUTHWESTERLY LINE OF SAID TRACT TWO AND NORTHEASTERLY RIGHT-OF-WAY LINE OF SAID STATE HIGHWAY 140 (GARDEN CITY HIGHWAY), PASSING AT A DISTANCE OF 260.83 FEET, A 1/2 INCH IRON ROD FOUND FOR THE COMMON SOUTHWEST CORNER OF SAID TRACT TWO AND SOUTHEAST CORNER OF SAID TRACT ONE, IN ALL, A DISTANCE OF 592.11 FEET TO THE **POINT OF BEGINNING** AND CONTAINING 399,081 SQUARE FEET, OR 9.162 ACRES OF LAND, MORE OR LESS.

TITLE COMMITMENT GF NO. WTA-80C-48802011190-MR

SCHEDULE "B" 10 ITEMS

10a. ALL LEASES, GRANTS, EXCEPTIONS OR RESERVATIONS OF COAL, LIGNITE, OIL, GAS AND OTHER MINERALS, TOGETHER WITH ALL RIGHTS, PRIVILEGES, AND IMMUNITIES RELATING THERETO, APPEARING IN THE PUBLIC RECORDS WHETHER LISTED IN SCHEDULE B OR NOT. THERE MAY BE LEASES, GRANTS, EXCEPTIONS OR RESERVATIONS OF MINERAL INTEREST THAT ARE NOT LISTED.

10b. DISTRIBUTION EASEMENT AND RIGHT OF WAY GRANTED TO TEXAS ELECTRIC SERVICE COMPANY AS RECORDED IN VOLUME 317, PAGE 320, VOLUME 413, PAGE 18, DEED RECORDS OF MIDLAND COUNTY, TEXAS. COMPANY MAKES NO REPRESENTATION AS TO THE PRESENT OWNERSHIP OF THIS INTEREST.

BASED ON THE RECORD DESCRIPTION THIS ITEM DOES AFFECT SUBJECT TRACT – NOT SHOWN ON THE SURVEY (NOT ENOUGH INFORMATION).

10c. EASEMENT TO TEXAS ELECTRIC SERVICE COMPANY AS RECORDED IN VOLUME 475, PAGE 602, VOLUME 576, PAGE 394, DEED RECORDS OF MIDLAND COUNTY, TEXAS. COMPANY MAKES NO REPRESENTATION AS TO THE PRESENT OWNERSHIP OF THIS INTEREST.

BASED ON THE RECORD DESCRIPTION THIS ITEM DOES AFFECT SUBJECT TRACT – NOT SHOWN ON THE SURVEY (NOT ENOUGH INFORMATION).

10d. ANY PORTION OF THE PROPERTY DESCRIBED HEREIN WITHIN THE LIMITS OR BOUNDARIES OF ANY PUBLIC OR PRIVATE ROADWAY AND/OR HIGHWAY.

10e. THOSE LIENS CREATED AT CLOSING, IF ANY, PURSUANT TO LENDER INSTRUCTIONS.

10f. SUBJECT PROPERTY IS LOCATED IN THE CITY OF MIDLAND EXTRA TERRITORIAL JURISDICTION, AND AS SUCH, MAY BE SUBJECT TO CERTAIN ORDINANCES, CODES, RESTRICTIONS AND REGULATORY POWERS OF THE CITY OF MIDLAND.

10g. RIGHTS OF PARTIES IN POSSESSION.

10h. RIGHTS OF PARTIES IN POSSESSION UNDER ANY UNRECORDED, WRITTEN OR ORAL LEASE AGREEMENT.

10i. VISIBLE OR APPARENT EASEMENT(S) AND/OR RIGHTS OF WAY ON, OVER, UNDER OR ACROSS THE LAND.

10j. IF ANY PORTION OF THE PROPOSED LOAN AND/OR THE OWNER'S TITLE POLICY COVERAGE AMOUNT INCLUDES FUNDS FOR IMMEDIATELY CONTEMPLATED IMPROVEMENTS, THE FOLLOWING EXCEPTIONS WILL APPEAR IN SCHEDULE B OF ANY POLICY ISSUED AS INDICATED: OWNER AND LOAN POLICY(IES): ANY AND ALL LIENS ARISING BY REASON OF UNPAID BILLS OR CLAIMS FOR WORK PERFORMED OR MATERIALS FURNISHED IN CONNECTION WITH IMPROVEMENTS PLACED, OR TO BE PLACED, UPON THE SUBJECT LAND. HOWEVER, THE COMPANY DOES INSURE THE INSURED AGAINST LOSS, IF ANY, SUSTAINED BY THE INSURED UNDER THIS POLICY IF SUCH LIENS HAVE BEEN FILED WITH THE COUNTY CLERK OF COUNTY, TEXAS, PRIOR TO THE DATE HEREOF. OWNER POLICY(IES) ONLY: LIABILITY HEREUNDER AT THE DATE HEREOF IS LIMITED TO $ 0.00. LIABILITY SHALL INCREASE AS CONTEMPLATED IMPROVEMENTS ARE MADE, SO THAT ANY LOSS PAYABLE HEREUNDER SHALL BE LIMITED TO SAID SUM PLUS THE AMOUNT ACTUALLY EXPENDED BY THE INSURED IN IMPROVEMENTS AT THE TIME THE LOSS OCCURS. ANY EXPENDITURES MADE FOR IMPROVEMENTS, SUBSEQUENT TO THE DATE OF THIS POLICY, WILL BE DEEMED MADE AS OF THE DATE OF THIS POLICY. IN NO EVENT SHALL THE LIABILITY OF THE COMPANY HEREUNDER EXCEED THE FACE AMOUNT OF FIDELITY NATIONAL TITLE INSURANCE COMPANY COMMITMENT NO.: 48802011190

10k. THE FOLLOWING EXCEPTION WILL APPEAR IN ANY POLICY ISSUED (OTHER THAN THE T-1R RESIDENTIAL OWNER POLICY OF TITLE INSURANCE AND THE T-2R SHORT-FORM RESIDENTIAL MORTGAGE POLICY) IF THE COMPANY IS NOT PROVIDED A SURVEY OF THE LAND, ACCEPTABLE TO THE COMPANY, FOR REVIEW AT OR PRIOR TO CLOSING:
ANY ENCROACHMENT, ENCUMBRANCE, VIOLATION, VARIATION, OR ADVERSE CIRCUMSTANCE AFFECTING THE TITLE THAT WOULD BE DISCLOSED BY AN ACCURATE AND COMPLETE LAND SURVEY OF THE LAND.

NOTES

1. ALL BEARINGS ARE REFERENCED TO THE STATE PLANE COORDINATE SYSTEM, NORTH AMERICAN DATUM OF 1983 (NAD 83), TEXAS CENTRAL ZONE (4203).
2. THE SUBJECT TRACT IS LOCATED IN THE CITY OF MIDLAND EXTRA TERRITORIAL JURISDICTION. NO ZONING CLASSIFICATION OR SETBACK REQUIREMENTS.
3. UNDERGROUND UTILITIES MARKINGS WERE LOCATED ON THE PROPERTY (SHOWN ON SURVEY). THE SURVEYOR MAKES NO GUARANTEE THAT THE UNDERGROUND UTILITIES SHOWN COMPRISE ALL SUCH UTILITIES IN THE AREA, EITHER IN SERVICE OR ABANDONED. THE SURVEYOR FURTHER DOES NOT WARRANT THAT THE UNDERGROUND UTILITIES SHOWN ARE IN THE EXACT LOCATION INDICATED. THE SURVEYOR HAS NOT PHYSICALLY LOCATED THE UNDERGROUND UTILITIES.
4. NO OBSERVED PARKING STRIPES IN THE PROCESS OF CONDUCTING THE FIELDWORK.
5. ACCORDING TO PROJECT TRACKER (http://apps.dot.state.tx.us/apps-cq/project_tracker/), THERE ARE FUTURE HIGHWAY IMPROVEMENTS ON STATE HIGHWAY 140; FOR FURTHER INFORMATION CONTACT ROBERT ORNELAS, PROFESSIONAL ENGINEER OF TEXAS DEPARTMENT OF TRANSPORTATION. ROBERT ORNELAS, PE (432) 498-4772.
6. THERE WAS NO EVIDENCE OF FIELD DELINEATION OF WETLANDS AT DATE OF SURVEY.
7. AS DETERMINED BY THE FLOOD INSURANCE RATE MAPS FOR MIDLAND COUNTY, TEXAS, PER MAP NUMBER 48329C0206F DATED SEPTEMBER 16, 2005 PANEL 206 OF 525, SUBJECT TRACT IS LOCATED IN ZONE X (UNSHADED), AREAS OF 0.2% CHANCE OF LESS THAN 1 FOOT OR WITH DRAINAGE AREAS LESS THAN 1 SQUARE MILE; AND AREAS PROTECTED BY LEVEES FROM 1% ANNUAL CHANCE FLOOD.
8. THIS SURVEY WAS PERFORMED IN CONNECTION WITH THE TRANSACTION DESCRIBED IN GF NO. WTA-80C-48802011190-MR, OF FIDELITY NATIONAL TITLE INSURANCE COMPANY WITH AN EFFECTIVE DATE OF JANUARY 24, 2020. USE OF THIS SURVEY FOR ANY OTHER PURPOSE OR BY OTHER PARTIES SHALL BE AT THEIR OWN RISK AND UNDERSIGNED IS NOT RESPONSIBLE TO OTHERS FOR ANY LOSS RESULTING THEREFROM.
9. THERE WAS NO EVIDENCE OF RECENT EARTH MOVING WORK, BUILDING CONSTRUCTION, OR BUILDING ADDITIONS OBSERVED IN THE PROCESS OF CONDUCTING THE FIELDWORK.
10. THERE WAS NO EVIDENCE OF SUBJECT TRACT BEING USED AS A SOLID WASTE DUMP, SUMP, OR SANITARY LANDFILL AT DATE OF SURVEY.
11. THERE WAS NO EVIDENCE OF CEMETERIES LOCATED IN OR WITHIN FIVE (5) FEET OF THE SUBJECT TRACT AT THE DATE OF SURVEY.
12. SUBJECT TRACT IS LOCATED AT THE NORTHEAST CORNER OF THE INTERSECTION OF STATE HIGHWAY 140 AND FAIRGROUND ROAD.

SERVICE AGREEMENT

THIS AGREEMENT is made and effective the 23 day of September 20 21, by and between the CITY OF MIDLAND, TEXAS, hereinafter called "CITY," and BLACK & DILLARD PROPERTY MANAGEMENT, LP, hereinafter referred to as "PETITIONER" whether one or more.

WHEREAS, a petition for annexation of **9.162-acre tract of land out of Section 6, Block 38, T-2-S, T&P RR Co. Survey, Midland County, Texas**, said tract being more fully described by metes and bounds therein (the "Area"), has been submitted to CITY by PETITIONER, the owner(s) of the land located in the Area, a copy of which is attached hereto as Exhibit "A" and incorporated herein for all purposes; and

WHEREAS, before CITY annexes the Area, CITY and PETITIONER must enter into a written agreement for the provision of services in the Area in accordance with Section 43.0672 of the Local Government Code;

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the parties agree as follows:

ARTICLE I. PURPOSE

The purpose of this Agreement is (1) to list each service CITY will provide in the Area on the effective date of the annexation, (2) to establish a schedule that includes the period within which CITY will provide each service in the Area that is not provided on the effective date of the annexation, and (3) to establish the duty of PETITIONER to pay fees similar to impact fees in the event that CITY has adopted, or adopts in the future, one or more ordinances establishing impact fees. PETITIONER understands and agrees that CITY is not required to provide a service that is not included in this Agreement. PETITIONER further understands and agrees that the execution of this Agreement does not constitute a promise by CITY to annex the Area and that this Agreement is not a permit for purposes of Chapter 245 of the Local Government Code.

ARTICLE II. TERM

The term of this Agreement shall be one year; provided, however, that if CITY annexes the Area within one year from the effective date, the term of this Agreement shall continue until such time when all services described in this Agreement are provided in the Area, and at such time, the Agreement shall terminate and shall be of no further force or effect except for those provisions that expressly survive termination. If CITY does not annex the Area during the term of this Agreement, this Agreement shall terminate and shall be of no further force or effect, and CITY shall have no duty to provide services to the Area.

ARTICLE III. SERVICES TO BE PROVIDED UPON ANNEXATION

CITY will provide the following services in the Area on the date that the ordinance annexing the Area becomes effective:

A. **Engineering:** CITY's Engineering Services Department will maintain streets, drainage facilities, and rights-of-way in accordance with CITY policies, procedures, and ordinances and applicable laws. PETITIONER understands and agrees that PETITIONER may be required to construct public improvements, including but not limited to (i) roadways adjacent to property located in the Area upon platting and (ii) roadway connections to existing facilities in the Area upon issuance of building permits in accordance with applicable laws and ordinances. PETITIONER understands and agrees that the Area will be included in CITY's service area of CITY's drainage utility.

B. **Utilities:** CITY will provide water services and wastewater collection services, upon platting property in the Area, in accordance with the City Code at rates established by ordinances for such services; provided, however, that no such service shall be provided until the public improvements necessary therefor have been constructed and CITY has approved said improvements. PETITIONER understands and agrees that CITY may require PETITIONER to construct such public improvements in accordance with applicable laws and ordinances.

C. **Development:** CITY's Development Services Department will provide planning, land development, land use, building review and inspection, and code enforcement services in accordance with applicable laws, rules, regulations, and ordinances.

D. **Police:** CITY's Police Department will provide emergency and routine call response, traffic enforcement, and law enforcement services in the Area.

E. **Fire:** CITY's Fire Department will provide emergency service for fire protection services and emergency medical services.

F. **Community Services:** CITY's Community Services Department will provide access to services and programs that may be offered by the Health and Senior Services Division, services and programs that may be offered by Animal Services Division, and access to City-owned parks.

G. **Solid Waste:** CITY's Solid Waste Department will provide residential garbage pickup service only. PETITIONER understands and agrees that CITY will not provide garbage pickup services to new commercial developments.

Regarding the services described above, PETITIONER understands and agrees that CITY will provide a level of services that is comparable to the level of services available in other parts of the City of Midland with topography, land use, and population density similar to those reasonably contemplated or projected for the Area. PETITIONER understands and acknowledges that any CITY departments or divisions identified above may change names or be reorganized. Any reference to a specific CITY department or division also includes any subsequent CITY department or division that will provide the same or similar services.

ARTICLE IV. IMPACT FEES

A. **Fees to be assessed and collected.** Except as otherwise described herein, if CITY has adopted, or adopts in the future, one or more ordinances establishing impact fees in accordance with Chapter 395 of the Local Government Code, CITY shall assess and collect fees associated with the development of the Area as described for impact fees in the applicable impact fee ordinance(s) (the "Fees").

B. **Service areas.** For purposes of assessing and collecting Fees for water and wastewater under this Agreement, the Area is deemed to be located within CITY's capital improvements plan service area therefor. For the purpose of assessing and collecting Fees for roadways under this Agreement, the Area is deemed to be located in CITY's capital improvements plan roadway service area(s) immediately adjacent thereto; provided, however, that if the Area is not located immediately adjacent to a roadway service area and is located immediately adjacent to a tract of land that is associated with an agreement regarding fees similar to the Fees in this Agreement, the Area is deemed to be located in the roadway service area(s) specified in such similar agreement associated with the adjacent tract of land.

C. **Capital improvements and facility expansions.** For purposes of this Agreement, a capital improvement or facility expansion that will serve the Area shall be deemed to be included in CITY's capital improvements plan if:

   a. said capital improvement or facility expansion is substantially similar to a type of capital improvement or facility expansion identified in CITY's capital improvements plan; or

   b. said capital improvement or facility expansion is an extension of a capital improvement or facility expansion identified in CITY's capital improvements plan.

D. **Time of assessment.** Fees shall be assessed at the time of recordation of a final plat of any portion of the Area, at the time the Area is annexed, or on the effective date(s) of the applicable impact fee ordinance(s), whichever is later.

E. **Time of collection.** CITY shall collect the Fees from PETITIONER at the time of issuance of a building permit. PETITIONER acknowledges and agrees that no building permit or certificate of occupancy shall be issued until PETITIONER has paid the applicable Fees.

F. **Amendment to land use assumptions, capital improvements plan, or impact fees.** Notwithstanding any provision in this Agreement to the contrary, if CITY amends its land use assumptions, capital improvements plan, or impact fees such that PETITIONER would be required to pay impact fees, CITY shall assess and PETITIONER shall pay the applicable impact fees in accordance with the applicable impact fee ordinance(s), as amended; provided, however, that to the extent CITY assesses applicable Fees for service units under this Agreement, PETITIONER shall pay such Fees in accordance with this Agreement and shall not be required to pay the applicable impact fees for the same service units.

G. **Article to survive termination.** If CITY annexes the Area within one year from the

effective date, the provisions of this Article shall survive termination of this Agreement.

ARTICLE V. GOVERNMENTAL IMMUNITY

By executing this agreement CITY is not waiving its right of governmental immunity. CITY is retaining its immunity from suit. CITY is not granting consent to be sued by legislative resolution or action.

THERE IS NO WAIVER OF GOVERNMENTAL IMMUNITY. THE PROVISIONS OF THIS ARTICLE SHALL SURVIVE TERMINATION OF THIS AGREEMENT.

ARTICLE VI. RELEASE

NOTWITHSTANDING ANY OTHER PROVISIONS, PETITIONER HEREBY RELEASES, ACQUITS, RELINQUISHES AND FOREVER DISCHARGES CITY, CITY'S EMPLOYEES AND OFFICERS, FROM ANY AND ALL DEMANDS, CLAIMS, DAMAGES, OR CAUSES OF ACTION OF ANY KIND WHATSOEVER WHICH PETITIONER HAS OR MIGHT HAVE IN THE FUTURE, INCLUDING BUT NOT LIMITED TO BREACH OF AGREEMENT, QUANTUM MERUIT, CLAIMS UNDER THE DUE PROCESS AND TAKINGS CLAUSES OF THE TEXAS AND UNITED STATES CONSTITUTIONS, TORT CLAIMS, CITY'S NEGLIGENCE, OR CLAIMS UNDER CHAPTER 395 OF THE TEXAS LOCAL GOVERNMENT CODE. THE PROVISIONS OF THIS ARTICLE SHALL SURVIVE TERMINATION OF THIS AGREEMENT.

ARTICLE VII. ATTORNEYS' FEES

In the event of any conflict between the parties hereto such that either party brings or commences any legal action or proceeding related to this Agreement, including but not limited to any action pursuant to the provisions of the Texas Uniform Declaratory Judgments Act (Tex. Civ. Prac. & Rem. Code §37.001, et seq., as amended), the parties hereto agree to waive any and all rights to recovery of attorneys' fees to which the prevailing party might otherwise be entitled.

BY EXECUTING THIS AGREEMENT, THE PARTIES AGREE TO WAIVE AND DO HEREBY KNOWINGLY, CONCLUSIVELY, VOLUNTARILY AND INTENTIONALLY WAIVE ANY CLAIM EITHER PARTY HAS OR MAY HAVE IN THE FUTURE AGAINST THE OTHER PARTY, SPECIFICALLY AND SOLELY REGARDING THE AWARD OF ATTORNEYS' FEES, WHICH ARE IN ANY WAY RELATED TO THE AGREEMENT, OR THE CONSTRUCTION, INTERPRETATION OR BREACH OF THE AGREEMENT. THE PARTIES SPECIFICALLY AGREE THAT IF A PARTY BRINGS OR COMMENCES ANY LEGAL ACTION OR PROCEEDING

RELATED TO THIS AGREEMENT, THE CONSTRUCTION, INTERPRETATION, VALIDITY OR BREACH OF THIS AGREEMENT, INCLUDING BUT NOT LIMITED TO ANY ACTION PURSUANT TO THE PROVISIONS OF THE TEXAS UNIFORM DECLARATORY JUDGMENTS ACT (TEXAS CIVIL PRACTICE AND REMEDIES CODE SECTION 37.001, ET. SEQ., AS AMENDED), OR CHAPTER 271 OF THE TEXAS LOCAL GOVERNMENT CODE, THE PARTY BRINGING THE ACTION AGREES TO ABANDON, WAIVE AND RELINQUISH ANY AND ALL RIGHTS TO THE RECOVERY OF ATTORNEYS' FEES TO WHICH THE PARTY MIGHT OTHERWISE BE ENTITLED.

THE PARTIES AGREE THAT THIS IS THE VOLUNTARY AND INTENTIONAL RELINQUISHMENT AND ABANDONMENT OF A PRESENTLY EXISTING KNOWN RIGHT. EACH PARTY ACKNOWLEDGES THAT IT UNDERSTANDS ALL TERMS AND CONDITIONS OF THE AGREEMENT. THE PARTIES FURTHER ACKNOWLEDGE AND AGREE THAT THERE WAS AND IS NO DISPARITY OF BARGAINING POWER BETWEEN CITY AND PETITIONER. THIS SECTION SHALL NOT BE CONSTRUED OR INTERPRETED AS A WAIVER OF SOVEREIGN IMMUNITY.

THE PROVISIONS OF THIS ARTICLE SHALL SURVIVE TERMINATION OF THIS AGREEMENT. PETITIONER AND CITY ARE RELYING ON THEIR OWN JUDGMENT. EACH PARTY HAD THE OPPORTUNITY TO DISCUSS THIS AGREEMENT WITH LEGAL COUNSEL PRIOR TO ITS EXECUTION.

ARTICLE VIII. GENERAL PROVISIONS

A. **Governing law and venue.** This Agreement shall be governed by the laws of the State of Texas. All performance made pursuant to this Agreement shall be deemed to have occurred in Midland County, Texas. Exclusive venue for any claims, suits or any other action arising from or connected in any way to this Agreement or the performance of this Agreement shall be in Midland County, Texas. The obligations and undertakings of each of the parties to this Agreement shall be deemed to have occurred in Midland County, Texas. This Agreement shall be governed by, interpreted, enforced and construed under the laws of the State of Texas. The laws of the State of Texas shall govern, construe and enforce all the rights and duties of the parties, including but not limited to tort claims and any and all contractual claims or disputes, arising from or relating in any way to the subject matter of this Agreement, without regard to conflict of laws and rules that would direct application of the laws of another jurisdiction. The provisions of this Article VIII.A. shall survive termination of this Agreement.

B. **Notice.** Any notice or demand that shall be made regarding this Agreement, shall be made in writing and delivered either in person or by certified or registered mail. Notice by mail shall be complete upon deposit of the paper, postage prepaid, in a post office or official depository under the care and custody of the United States Postal Service addressed as

follows:

If to CITY: City Manager's Office
P.O. Box 1152
Midland, Texas 79702

If to PETITIONER: Black & Dillard Property Management, LP
P.O. Box 60850
Midland, Texas 79711

The parties hereto may change the above-designated addresses by giving notice pursuant to the terms of this Section.

C. **Severability.** In case any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, this invalidity, illegality, or unenforceability shall not affect any other provision of the Agreement, and this Agreement shall be construed as if the invalid, illegal, or unenforceable provision had never been contained herein.

D. **Use of language.** Words in the singular shall be held to include the plural, unless the context otherwise requires.

E. **Amendments, modifications, alterations.** No amendment, modification, or alteration of the terms of this Agreement shall be binding unless it is in writing, dated subsequent to the date of this Agreement, and duly executed by the parties to this Agreement.

F. **Counterparts.** This Agreement may be executed in multiple counterparts, each of which shall be deemed as original, and all of which shall constitute one and the same instrument.

G. **Notice of alleged breach; statutory prerequisites.** As a condition precedent to filing suit for alleged damages incurred by an alleged breach of an express or implied provision of this Agreement, PETITIONER or PETITIONER'S legal representative, shall give the City Manager, or any other reasonable official of CITY, notice in writing (consisting of one original and seven copies of notice attached to a copy of this Agreement) of such damages, duly verified, within one-hundred fifty (150) days after the same has been sustained. The discovery rule does not apply to the giving of this notice. The notice shall include when, where and how the damages occurred, the apparent extent thereof, the amount of damages sustained, the amount for which PETITIONER will settle, the physical and mailing addresses of PETITIONER at the time and date the claim was presented and the physical and mailing addresses of PETITIONER for the six months immediately preceding the occurrence of such damages, and the names and addresses of the witnesses upon whom PETITIONER relies to establish its claim; and a failure to so notify the City Manager within the time and manner provided herein shall exonerate, excuse and except CITY from any liability whatsoever. CITY is under no obligation to provide notice to PETITIONER that PETITIONER'S notice is insufficient. CITY reserves the right to request reasonable additional information regarding the claim. Said additional information shall be

supplied within thirty (30) days after receipt of notice.

The statutory prerequisites outlined herein constitute jurisdictional requirements pursuant to Section 271.154 of the Texas Local Government Code and Section 311.034 of the Texas Government Code. Notwithstanding any other provision, PETITIONER'S failure to comply with the requirements herein shall perpetually bar PETITIONER'S claim for damages under Chapter 271 of the Texas Local Government Code and Section 311.034 of the Texas Government Code, regardless of whether CITY has actual or constructive notice or knowledge of said claim or alleged damages. The provisions of this Article VIII.G. shall survive termination of this agreement. **PETITONER AGREES THAT THE REQUIREMENTS OF THIS ENTIRE AGREEMENT ARE REASONABLE.**

H. **Covenants run with the land.** The provisions of this Agreement are covenants that run with the land located in the Area. CITY and PETITIONER agree that this Agreement may be recorded in the deed records of the county in which the Area is located. CITY and PETITIONER acknowledge and agree that this Agreement is binding upon CITY and PETITIONER and their respective successors, executors, heirs, and assigns, as applicable. The provisions of this Article VIII.H. shall survive termination of this Agreement.

EXECUTED the day and year first above mentioned.

City Council Meeting

Item Number: 29

Meeting Date: October 26, 2021

To: City Council / City Manager

From: Elizabeth Shaughnessy, Planning Division Manager

Subject: AN ORDINANCE ESTABLISHING THE INITIAL ZONING CLASSIFICATION OF THE AREA INDICATED AS BEING A 9.162-ACRE TRACT OF LAND OUT OF SECTION 6, BLOCK 38, T-2-S, T&P RR CO. SURVEY, MIDLAND COUNTY, TEXAS, AS AN RR, REGIONAL RETAIL DISTRICT; SAID TRACT BEING GENERALLY LOCATED AT THE NORTHEAST CORNER OF THE INTERSECTION OF FAIRGROUNDS ROAD AND GARDEN CITY HIGHWAY; CONTAINING A CUMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; PROVIDING FOR A MAXIMUM PENALTY OR FINE OF TWO THOUSAND DOLLARS ($2,000.00); AND ORDERING PUBLICATION (DISTRICT: NONE) (DEVELOPMENT SERVICES)

Purpose:

Consider an ordinance on a request by Black & Dillard Property Management, LP, for the initial zoning of a 9.162-acre tract of land located in Section 6, Block 38, T-2-S, T&P RR Co. Survey, Midland County, Texas, located on the northeast corner of the intersection of Fairgrounds Road and Garden City Highway.

Recommended City Council Action:

Approve

Fiscal Impact:

This proposal does not have a significant financial impact to the city.

Discussion:

The applicant, Black & Dillard Property Management, LP, is requesting the initial zoning of a 9.162-acre tract of land located in Section 6, Block 38, T-2-S, T&P RR Co. Survey, Midland

County, Texas, located on the northeast corner of the intersection of Fairgrounds Road and Garden City Highway, which is currently being annexed to be RR, Regional Retail District to develop a new gas station.

The site is currently in the process of being annexed into City Limits.

This case has been circulated to and reviewed by all pertinent City departments for internal review and has received no objections. Their comments are as follows.

Engineering: (Approved)

No objection to zone change.

Site drainage, utilities, driveway access, and traffic circulation may be adjusted during construction drawing review as necessary to receive building permit approval from Engineering and Traffic Operations.

Transportation: (Approved)

Access spacing will be required to adhere to the TxDOT Access Management Standards along the state highway.

Site drainage, utilities, driveway access, and traffic circulation may be adjusted during construction drawing review as necessary to receive building permit approval from Engineering and Traffic Operations.

No objection to zone change.

Fire: (Approved)

No objection.

Code Administration: (Approved)

No objections.

Oil and Gas: (Approved)

No Oil or Gas wells identified within 500 ft. permitted well radius or in the 135 ft. non-permitted well radius of location on plat.

Planning:

The Future Land Use Map in Tall City Tomorrow Comprehensive Plan calls for Business Park uses in this location, where special consideration should be given to the image travelers have, as they pass through Midland. Preservation of sites suitable for industrial and business development adjacent to railroad and interstate access is important to the economic

development of the region. This request will aid in promoting investment in an established area with existing capital assets. This development will make full use of existing infrastructure, while also respecting the character of the surrounding neighborhood.

This request was recommended for approval at the October 4, 2021, Planning and Zoning Commission meeting.

As this proposed initial zoning conforms with the Tall City Tomorrow Comprehensive Plan, staff recommends approval of this initial zoning of RR, Regional Retail District, subject to condition A.

Conditions:

A. **That the use and development of this property (Exhibit A) shall conform to the regulations of the RR, Regional Retail District.**

Letters of Objection:

As of October 20, 2021, staff has not received any letters of objection to this request.

ORDINANCE NO. _____

AN ORDINANCE ESTABLISHING THE INITIAL ZONING CLASSIFICATION OF THE AREA INDICATED AS BEING A 9.162-ACRE TRACT OF LAND OUT OF SECTION 6, BLOCK 38, T-2-S, T&P RR CO. SURVEY, MIDLAND COUNTY, TEXAS, AS AN RR, REGIONAL RETAIL DISTRICT; SAID TRACT BEING GENERALLY LOCATED AT THE NORTHEAST CORNER OF THE INTERSECTION OF FAIRGROUNDS ROAD AND GARDEN CITY HIGHWAY; CONTAINING A CUMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; PROVIDING FOR A MAXIMUM PENALTY OR FINE OF TWO THOUSAND DOLLARS ($2,000.00); AND ORDERING PUBLICATION

WHEREAS, notice has been given to all parties in interest and citizens by publication in the official newspaper and otherwise of a public hearing to be held before the City Council on October 26, 2021 (the "Hearing Date"), to consider an amendment to the Zoning District Map of the City of Midland, Texas, so as to establish the initial zoning classification of the property described in Section One hereof as an RR, Regional Retail District, as set out in Title XI, Chapter 1 of the City Code of Midland, Texas; and

WHEREAS, such a public hearing was held in the Council Chambers on the Hearing Date, as advertised; and

WHEREAS, after a full hearing, at which all parties in interest and citizens were given an opportunity to be heard; and after considering among other things, the character of the property involved and the surrounding area and its peculiar suitability for particular uses; and with a view to conserving the value of buildings and encouraging the most appropriate use of land throughout such municipality, the Council finds it to be in the best interest of the health, safety, morals and general welfare of the City of Midland to amend the Zoning District Map accordingly;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MIDLAND, TEXAS:

SECTION ONE. That the initial zoning classification of the area indicated on Exhibit "A", attached hereto and incorporated herein by reference, is hereby established as

a RR, Regional Retail District, and the Zoning District Map of the City of Midland, Texas, is hereby amended to reflect the establishment of this initial zoning classification.

SECTION TWO. The provisions of this ordinance are to be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided, however, that all prior ordinances or parts of ordinances inconsistent with or in conflict with any of the provisions of this ordinance are hereby expressly repealed to the extent of any such inconsistency or conflict.

SECTION THREE. If any section, subsection, sentence, clause or phrase of this ordinance is, for any reason, held to be unconstitutional or invalid, such holding shall not affect the validity of the remaining portions of this ordinance. The Council of the City of Midland hereby declares that it would have passed this ordinance and each section, subsection, sentence, clause, or phrase hereof irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared unconstitutional or invalid.

SECTION FOUR. The penalty for violation of this ordinance shall be in accordance with the general penalty provisions contained in Section 1-3-1 of the City Code of Midland, Texas, which provides for a fine not exceeding two thousand dollars ($2,000.00).

SECTION FIVE. The City Secretary is hereby authorized and directed to publish the descriptive caption of this ordinance in the manner and for the length of time prescribed by the law as an alternative method of publication.

The above and foregoing ordinance was duly proposed, read in full and adopted on first reading, the ___day of _____, A.D., 2021; and passed to second reading on motion of Council member _____, seconded by Council member _____, by the following vote:

Council members voting "AYE":

Council members voting "NAY":

The above and foregoing ordinance was read in full and finally adopted by the following vote upon motion of Council member _____, seconded by Council member _____, on the ___ day of _____, A.D., 2021, at a regular meeting of the City Council:

Council members voting "AYE":

Council members voting "NAY":

PASSED AND APPROVED THIS _____ day of _____, A.D., 2021.

DESCRIPTION PROPERTY

BEING A 9.162 ACRE TRACT OF LAND SITUATED IN THE T&P RR CO SURVEY, ABSTRACT NO. 722, SECTION 6, BLOCK 38, T-2-S, MIDLAND COUNTY, TEXAS, AND BEING ALL OF THE CALLED 6.160 ACRE TRACT OF LAND DESCRIBED AS TRACT ONE IN THE DEED TO BLACK & DILLARD PROPERTY MANAGEMENT, LP RECORDED IN VOLUME 2692, PAGE 829 OF THE DEED RECORDS OF MIDLAND COUNTY, TEXAS, AND ALSO BEING ALL OF THE CALLED 2.99 ACRE TRACT OF LAND DESCRIBED AS TRACT TWO IN THE DEED TO BLACK & DILLARD PROPERTY MANAGEMENT, LP RECORDED IN VOLUME 2692, PAGE 829 OF SAID DEED RECORDS OF MIDLAND COUNTY, TEXAS, SAID 9.162 ACRE TRACT OF LAND BEING MORE PARTICULARLY DESCRIBED BY METES AND BOUNDS AS FOLLOWS:

BEGINNING AT 1/2 INCH IRON ROD WITH CAP STAMPED "DUNAWAY ASSOC LP" FOUND FOR THE SOUTHWEST CORNER OF SAID TRACT ONE, SAID 1/2 INCH IRON ROD WITH CAP STAMPED "DUNAWAY ASSOC LP" ALSO BEING THE INTERSECTION OF THE NORTHEASTERLY RIGHT-OF-WAY LINE OF STATE HIGHWAY 140 (GARDEN CITY HIGHWAY) (VARIABLE WIDTH RIGHT-OF-WAY) WITH THE NORTHEASTERLY RIGHT-OF-WAY LINE OF FAIRGROUNDS ROAD (VARIABLE WIDTH RIGHT-OF-WAY);

THENCE NORTH 13 DEGREES 59 MINUTES 43 SECONDS WEST, WITH THE COMMON SOUTHWESTERLY LINE OF SAID TRACT ONE AND NORTHEASTERLY RIGHT-OF-WAY LINE OF SAID FAIRGROUNDS ROAD, A DISTANCE OF 264.49 FEET TO A 1/2 INCH IRON ROD FOUND FOR CORNER;

THENCE NORTH 14 DEGREES 13 MINUTES 06 SECONDS WEST, WITH THE COMMON SOUTHWESTERLY LINE OF SAID TRACT ONE AND NORTHEASTERLY RIGHT-OF-WAY LINE OF SAID FAIRGROUNDS ROAD, A DISTANCE OF 147.11 FEET TO A 2.5 INCH STEEL FENCE CORNER FOUND FOR THE MOST WESTERLY NORTHWEST CORNER OF SAID TRACT ONE;

THENCE NORTH 50 DEGREES 38 MINUTES 31 SECONDS EAST, WITH THE NORTHWESTERLY LINE OF SAID TRACT ONE, A DISTANCE OF 27.81 FEET TO A 2.5 INCH STEEL FENCE POST FOUND FOR THE MOST NORTHERLY NORTHWEST CORNER OF SAID TRACT ONE;

THENCE NORTH 75 DEGREES 08 MINUTES 40 SECONDS EAST, WITH THE NORTHWESTERLY LINE OF SAID TRACT ONE, A DISTANCE OF 113.89 FEET TO A 2.5 INCH STEEL FENCE POST FOUND FOR CORNER;

THENCE NORTH 74 DEGREES 54 MINUTES 24 SECONDS EAST, WITH THE NORTHWESTERLY LINE OF SAID TRACT ONE, A DISTANCE OF 69.52 FEET TO A 2.5 INCH STEEL FENCE POST FOUND FOR CORNER;

THENCE NORTH 76 DEGREES 04 MINUTES 23 SECONDS EAST, WITH THE NORTHWESTERLY LINE OF SAID TRACT ONE, A DISTANCE OF 505.53 FEET TO A 2.5 INCH STEEL FENCE POST FOUND FOR THE MOST NORTHERLY NORTHEAST CORNER OF SAID TRACT ONE;

THENCE SOUTH 20 DEGREES 56 MINUTES 28 SECONDS WEST, WITH THE SOUTHEASTERLY LINE OF SAID TRACT ONE, A DISTANCE OF 273.32 FEET TO A 2.5 INCH STEEL FENCE POST FOUND FOR THE MOST EASTERLY SOUTHEAST CORNER OF SAID TRACT ONE, SAID 2.5 INCH STEEL FENCE POST ALSO BEING AN EXTERIOR CORNER OF SAID TRACT TWO;

THENCE SOUTH 36 DEGREES 28 MINUTES 08 SECONDS EAST, WITH THE NORTHEASTERLY LINE OF SAID TRACT TWO, A DISTANCE OF 140.71 FEET TO A 2.5 INCH STEEL FENCE POST FOUND FOR CORNER;

THENCE SOUTH 04 DEGREES 39 MINUTES 46 SECONDS EAST, WITH THE NORTHEASTERLY LINE OF SAID TRACT TWO, A DISTANCE OF 26.57 FEET TO A 2.5 INCH STEEL FENCE POST FOUND FOR CORNER;

THENCE SOUTH 55 DEGREES 27 MINUTES 05 SECONDS EAST, WITH THE NORTHEASTERLY LINE OF SAID TRACT TWO, A DISTANCE OF 227.99 FEET TO A 2.5 INCH STEEL FENCE POST FOUND FOR CORNER;

THENCE SOUTH 67 DEGREES 06 MINUTES 21 SECONDS EAST, WITH THE NORTHEASTERLY LINE OF SAID TRACT TWO, A DISTANCE OF 32.06 FEET TO A 2.5 INCH STEEL FENCE POST FOUND FOR THE COMMON NORTHEAST CORNER OF SAID TRACT TWO AND NORTHWEST CORNER OF A CALLED 1.33 ACRE TRACT OF LAND DESCRIBED IN THE DEED TO DWIGHT C. FREEMAN DBA KD'S BAR-B-Q AND KATHY FREEMAN RECORDED IN VOLUME 1483, PAGE 374 OF SAID DEED RECORDS OF MIDLAND COUNTY, TEXAS;

THENCE SOUTH 44 DEGREES 28 MINUTES 02 SECONDS WEST, WITH THE COMMON SOUTHEASTERLY LINE OF SAID TRACT TWO AND NORTHWESTERLY LINE OF SAID 1.33 ACRE TRACT OF LAND, A DISTANCE OF 331.23 FEET TO A 1/2 INCH IRON ROD FOUND FOR THE COMMON SOUTHEAST CORNER OF SAID TRACT TWO AND SOUTHWEST CORNER OF SAID 1.33 ACRE TRACT OF LAND, SAID 1/2 INCH IRON ROD ALSO BEING IN THE NORTHEASTERLY RIGHT-OF-WAY LINE OF SAID STATE HIGHWAY 140 (GARDEN CITY HIGHWAY);

THENCE NORTH 71 DEGREES 03 MINUTES 51 SECONDS WEST, WITH THE COMMON SOUTHWESTERLY LINE OF SAID TRACT TWO AND NORTHEASTERLY RIGHT-OF-WAY LINE OF SAID STATE HIGHWAY 140 (GARDEN CITY HIGHWAY), PASSING AT A DISTANCE OF 260.83 FEET, A 1/2 INCH IRON ROD FOUND FOR THE COMMON SOUTHWEST CORNER OF SAID TRACT TWO AND SOUTHEAST CORNER OF SAID TRACT ONE, IN ALL, A DISTANCE OF 592.11 FEET TO THE **POINT OF BEGINNING** AND CONTAINING 399,081 SQUARE FEET, OR 9.162 ACRES OF LAND, MORE OR LESS.

TITLE COMMITMENT GF NO. WTA-80C-48802011190-MR

SCHEDULE "B" 10 ITEMS

10a. ALL LEASES, GRANTS, EXCEPTIONS OR RESERVATIONS OF COAL, LIGNITE, OIL, GAS AND OTHER MINERALS, TOGETHER WITH ALL RIGHTS, PRIVILEGES, AND IMMUNITIES RELATING THERETO, APPEARING IN THE PUBLIC RECORDS WHETHER LISTED IN SCHEDULE B OR NOT. THERE MAY BE LEASES, GRANTS, EXCEPTIONS OR RESERVATIONS OF MINERAL INTEREST THAT ARE NOT LISTED.

10b. DISTRIBUTION EASEMENT AND RIGHT OF WAY GRANTED TO TEXAS ELECTRIC SERVICE COMPANY AS RECORDED IN VOLUME 317, PAGE 320, VOLUME 413, PAGE 18, DEED RECORDS OF MIDLAND COUNTY, TEXAS. COMPANY MAKES NO REPRESENTATION AS TO THE PRESENT OWNERSHIP OF THIS INTEREST.

BASED ON THE RECORD DESCRIPTION THIS ITEM DOES AFFECT SUBJECT TRACT – NOT SHOWN ON THE SURVEY (NOT ENOUGH INFORMATION).

10c. EASEMENT TO TEXAS ELECTRIC SERVICE COMPANY AS RECORDED IN VOLUME 475, PAGE 602, VOLUME 576, PAGE 394, DEED RECORDS OF MIDLAND COUNTY, TEXAS. COMPANY MAKES NO REPRESENTATION AS TO THE PRESENT OWNERSHIP OF THIS INTEREST.

BASED ON THE RECORD DESCRIPTION THIS ITEM DOES AFFECT SUBJECT TRACT – NOT SHOWN ON THE SURVEY (NOT ENOUGH INFORMATION).

10d. ANY PORTION OF THE PROPERTY DESCRIBED HEREIN WITHIN THE LIMITS OR BOUNDARIES OF ANY PUBLIC OR PRIVATE ROADWAY AND/OR HIGHWAY.

10e. THOSE LIENS CREATED AT CLOSING, IF ANY, PURSUANT TO LENDER INSTRUCTIONS.

10f. SUBJECT PROPERTY IS LOCATED IN THE CITY OF MIDLAND EXTRA TERRITORIAL JURISDICTION, AND AS SUCH, MAY BE SUBJECT TO CERTAIN ORDINANCES, CODES, RESTRICTIONS AND REGULATORY POWERS OF THE CITY OF MIDLAND.

10g. RIGHTS OF PARTIES IN POSSESSION.

10h. RIGHTS OF PARTIES IN POSSESSION UNDER ANY UNRECORDED, WRITTEN OR ORAL LEASE AGREEMENT.

10i. VISIBLE OR APPARENT EASEMENT(S) AND/OR RIGHTS OF WAY ON, OVER, UNDER OR ACROSS THE LAND.

10j. IF ANY PORTION OF THE PROPOSED LOAN AND/OR THE OWNER'S TITLE POLICY COVERAGE AMOUNT INCLUDES FUNDS FOR IMMEDIATELY CONTEMPLATED IMPROVEMENTS, THE FOLLOWING EXCEPTIONS WILL APPEAR IN SCHEDULE B OF ANY POLICY ISSUED AS INDICATED: OWNER AND LOAN POLICY(IES): ANY AND ALL LIENS ARISING BY REASON OF UNPAID BILLS OR CLAIMS FOR WORK PERFORMED OR MATERIALS FURNISHED IN CONNECTION WITH IMPROVEMENTS PLACED, OR TO BE PLACED, UPON THE SUBJECT LAND. HOWEVER, THE COMPANY DOES INSURE THE INSURED AGAINST LOSS, IF ANY, SUSTAINED BY THE INSURED UNDER THIS POLICY IF SUCH LIENS HAVE BEEN FILED WITH THE COUNTY CLERK OF COUNTY, TEXAS, PRIOR TO THE DATE HEREOF. OWNER POLICY(IES) ONLY: LIABILITY HEREUNDER AT THE DATE HEREOF IS LIMITED TO $ 0.00. LIABILITY SHALL INCREASE AS CONTEMPLATED IMPROVEMENTS ARE MADE, SO THAT ANY LOSS PAYABLE HEREUNDER SHALL BE LIMITED TO SAID SUM PLUS THE AMOUNT ACTUALLY EXPENDED BY THE INSURED IN IMPROVEMENTS AT THE TIME THE LOSS OCCURS. ANY EXPENDITURES MADE FOR IMPROVEMENTS, SUBSEQUENT TO THE DATE OF THIS POLICY, WILL BE DEEMED MADE AS OF THE DATE OF THIS POLICY. IN NO EVENT SHALL THE LIABILITY OF THE COMPANY HEREUNDER EXCEED THE FACE AMOUNT OF FIDELITY NATIONAL TITLE INSURANCE COMPANY COMMITMENT NO.: 48802011190

10k. THE FOLLOWING EXCEPTION WILL APPEAR IN ANY POLICY ISSUED (OTHER THAN THE T-1R RESIDENTIAL OWNER POLICY OF TITLE INSURANCE AND THE T-2R SHORT-FORM RESIDENTIAL MORTGAGE POLICY) IF THE COMPANY IS NOT PROVIDED A SURVEY OF THE LAND, ACCEPTABLE TO THE COMPANY, FOR REVIEW AT OR PRIOR TO CLOSING:
ANY ENCROACHMENT, ENCUMBRANCE, VIOLATION, VARIATION, OR ADVERSE CIRCUMSTANCE AFFECTING THE TITLE THAT WOULD BE DISCLOSED BY AN ACCURATE AND COMPLETE LAND SURVEY OF THE LAND.

NOTES

1. ALL BEARINGS ARE REFERENCED TO THE STATE PLANE COORDINATE SYSTEM, NORTH AMERICAN DATUM OF 1983 (NAD 83), TEXAS CENTRAL ZONE (4203).
2. THE SUBJECT TRACT IS LOCATED IN THE CITY OF MIDLAND EXTRA TERRITORIAL JURISDICTION. NO ZONING CLASSIFICATION OR SETBACK REQUIREMENTS.
3. UNDERGROUND UTILITIES MARKINGS WERE LOCATED ON THE PROPERTY (SHOWN ON SURVEY). THE SURVEYOR MAKES NO GUARANTEE THAT THE UNDERGROUND UTILITIES SHOWN COMPRISE ALL SUCH UTILITIES IN THE AREA, EITHER IN SERVICE OR ABANDONED. THE SURVEYOR FURTHER DOES NOT WARRANT THAT THE UNDERGROUND UTILITIES SHOWN ARE IN THE EXACT LOCATION INDICATED. THE SURVEYOR HAS NOT PHYSICALLY LOCATED THE UNDERGROUND UTILITIES.
4. NO OBSERVED PARKING STRIPES IN THE PROCESS OF CONDUCTING THE FIELDWORK.
5. ACCORDING TO PROJECT TRACKER (http://apps.dot.state.tx.us/apps-cq/project_tracker/), THERE ARE FUTURE HIGHWAY IMPROVEMENTS ON STATE HIGHWAY 140; FOR FURTHER INFORMATION CONTACT ROBERT ORNELAS, PROFESSIONAL ENGINEER OF TEXAS DEPARTMENT OF TRANSPORTATION. ROBERT ORNELAS, PE (432) 498-4772.
6. THERE WAS NO EVIDENCE OF FIELD DELINEATION OF WETLANDS AT DATE OF SURVEY.
7. AS DETERMINED BY THE FLOOD INSURANCE RATE MAPS FOR MIDLAND COUNTY, TEXAS, PER MAP NUMBER 48329C0206F DATED SEPTEMBER 16, 2005 PANEL 206 OF 525, SUBJECT TRACT IS LOCATED IN ZONE X (UNSHADED), AREAS OF 0.2% CHANCE OF LESS THAN 1 FOOT OR WITH DRAINAGE AREAS LESS THAN 1 SQUARE MILE; AND AREAS PROTECTED BY LEVEES FROM 1% ANNUAL CHANCE FLOOD.
8. THIS SURVEY WAS PERFORMED IN CONNECTION WITH THE TRANSACTION DESCRIBED IN GF NO. WTA-80C-48802011190-MR, OF FIDELITY NATIONAL TITLE INSURANCE COMPANY WITH AN EFFECTIVE DATE OF JANUARY 24, 2020. USE OF THIS SURVEY FOR ANY OTHER PURPOSE OR BY OTHER PARTIES SHALL BE AT THEIR OWN RISK AND UNDERSIGNED IS NOT RESPONSIBLE TO OTHERS FOR ANY LOSS RESULTING THEREFROM.
9. THERE WAS NO EVIDENCE OF RECENT EARTH MOVING WORK, BUILDING CONSTRUCTION, OR BUILDING ADDITIONS OBSERVED IN THE PROCESS OF CONDUCTING THE FIELDWORK.
10. THERE WAS NO EVIDENCE OF SUBJECT TRACT BEING USED AS A SOLID WASTE DUMP, SUMP, OR SANITARY LANDFILL AT DATE OF SURVEY.
11. THERE WAS NO EVIDENCE OF CEMETERIES LOCATED IN OR WITHIN FIVE (5) FEET OF THE SUBJECT TRACT AT THE DATE OF SURVEY.
12. SUBJECT TRACT IS LOCATED AT THE NORTHEAST CORNER OF THE INTERSECTION OF STATE HIGHWAY 140 AND FAIRGROUND ROAD.

DESCRIPTION PROPERTY

BEING A 9.162 ACRE TRACT OF LAND SITUATED IN THE T&P RR CO SURVEY, ABSTRACT NO. 722, SECTION 6, BLOCK 38, T-2-S, MIDLAND COUNTY, TEXAS, AND BEING ALL OF THE CALLED 6.160 ACRE TRACT OF LAND DESCRIBED AS TRACT ONE IN THE DEED TO BLACK & DILLARD PROPERTY MANAGEMENT, LP RECORDED IN VOLUME 2692, PAGE 829 OF THE DEED RECORDS OF MIDLAND COUNTY, TEXAS, AND ALSO BEING ALL OF THE CALLED 2.99 ACRE TRACT OF LAND DESCRIBED AS TRACT TWO IN THE DEED TO BLACK & DILLARD PROPERTY MANAGEMENT, LP RECORDED IN VOLUME 2692, PAGE 829 OF SAID DEED RECORDS OF MIDLAND COUNTY, TEXAS, SAID 9.162 ACRE TRACT OF LAND BEING MORE PARTICULARLY DESCRIBED BY METES AND BOUNDS AS FOLLOWS:

BEGINNING AT 1/2 INCH IRON ROD WITH CAP STAMPED "DUNAWAY ASSOC LP" FOUND FOR THE SOUTHWEST CORNER OF SAID TRACT ONE, SAID 1/2 INCH IRON ROD WITH CAP STAMPED "DUNAWAY ASSOC LP" ALSO BEING THE INTERSECTION OF THE NORTHEASTERLY RIGHT-OF-WAY LINE OF STATE HIGHWAY 140 (GARDEN CITY HIGHWAY) (VARIABLE WIDTH RIGHT-OF-WAY) WITH THE NORTHEASTERLY RIGHT-OF-WAY LINE OF FAIRGROUNDS ROAD (VARIABLE WIDTH RIGHT-OF-WAY);

THENCE NORTH 13 DEGREES 59 MINUTES 43 SECONDS WEST, WITH THE COMMON SOUTHWESTERLY LINE OF SAID TRACT ONE AND NORTHEASTERLY RIGHT-OF-WAY LINE OF SAID FAIRGROUNDS ROAD, A DISTANCE OF 264.49 FEET TO A 1/2 INCH IRON ROD FOUND FOR CORNER;

THENCE NORTH 14 DEGREES 13 MINUTES 06 SECONDS WEST, WITH THE COMMON SOUTHWESTERLY LINE OF SAID TRACT ONE AND NORTHEASTERLY RIGHT-OF-WAY LINE OF SAID FAIRGROUNDS ROAD, A DISTANCE OF 147.11 FEET TO A 2.5 INCH STEEL FENCE CORNER FOUND FOR THE MOST WESTERLY NORTHWEST CORNER OF SAID TRACT ONE;

THENCE NORTH 50 DEGREES 38 MINUTES 31 SECONDS EAST, WITH THE NORTHWESTERLY LINE OF SAID TRACT ONE, A DISTANCE OF 27.81 FEET TO A 2.5 INCH STEEL FENCE POST FOUND FOR THE MOST NORTHERLY NORTHWEST CORNER OF SAID TRACT ONE;

THENCE NORTH 75 DEGREES 08 MINUTES 40 SECONDS EAST, WITH THE NORTHWESTERLY LINE OF SAID TRACT ONE, A DISTANCE OF 113.89 FEET TO A 2.5 INCH STEEL FENCE POST FOUND FOR CORNER;

THENCE NORTH 74 DEGREES 54 MINUTES 24 SECONDS EAST, WITH THE NORTHWESTERLY LINE OF SAID TRACT ONE, A DISTANCE OF 69.52 FEET TO A 2.5 INCH STEEL FENCE POST FOUND FOR CORNER;

THENCE NORTH 76 DEGREES 04 MINUTES 23 SECONDS EAST, WITH THE NORTHWESTERLY LINE OF SAID TRACT ONE, A DISTANCE OF 505.53 FEET TO A 2.5 INCH STEEL FENCE POST FOUND FOR THE MOST NORTHERLY NORTHEAST CORNER OF SAID TRACT ONE;

THENCE SOUTH 20 DEGREES 56 MINUTES 28 SECONDS WEST, WITH THE SOUTHEASTERLY LINE OF SAID TRACT ONE, A DISTANCE OF 273.32 FEET TO A 2.5 INCH STEEL FENCE POST FOUND FOR THE MOST EASTERLY SOUTHEAST CORNER OF SAID TRACT ONE, SAID 2.5 INCH STEEL FENCE POST ALSO BEING AN EXTERIOR CORNER OF SAID TRACT TWO;

THENCE SOUTH 36 DEGREES 28 MINUTES 08 SECONDS EAST, WITH THE NORTHEASTERLY LINE OF SAID TRACT TWO, A DISTANCE OF 140.71 FEET TO A 2.5 INCH STEEL FENCE POST FOUND FOR CORNER;

THENCE SOUTH 04 DEGREES 39 MINUTES 46 SECONDS EAST, WITH THE NORTHEASTERLY LINE OF SAID TRACT TWO, A DISTANCE OF 26.57 FEET TO A 2.5 INCH STEEL FENCE POST FOUND FOR CORNER;

THENCE SOUTH 55 DEGREES 27 MINUTES 05 SECONDS EAST, WITH THE NORTHEASTERLY LINE OF SAID TRACT TWO, A DISTANCE OF 227.99 FEET TO A 2.5 INCH STEEL FENCE POST FOUND FOR CORNER;

THENCE SOUTH 57 DEGREES 06 MINUTES 21 SECONDS EAST, WITH THE NORTHEASTERLY LINE OF SAID TRACT TWO, A DISTANCE OF 32.06 FEET TO A 2.5 INCH STEEL FENCE POST FOUND FOR THE COMMON NORTHEAST CORNER OF SAID TRACT TWO AND NORTHWEST CORNER OF A CALLED 1.33 ACRE TRACT OF LAND DESCRIBED IN THE DEED TO DWIGHT C. FREEMAN DBA KD'S BAR-B-Q AND KATHY FREEMAN RECORDED IN VOLUME 1483, PAGE 374 OF SAID DEED RECORDS OF MIDLAND COUNTY, TEXAS;

THENCE SOUTH 44 DEGREES 28 MINUTES 02 SECONDS WEST, WITH THE COMMON SOUTHEASTERLY LINE OF SAID TRACT TWO AND NORTHWESTERLY LINE OF SAID 1.33 ACRE TRACT OF LAND, A DISTANCE OF 331.23 FEET TO A 1/2 INCH IRON ROD FOUND FOR THE COMMON SOUTHEAST CORNER OF SAID TRACT TWO AND SOUTHWEST CORNER OF SAID 1.33 ACRE TRACT OF LAND, SAID 1/2 INCH IRON ROD ALSO BEING IN THE NORTHEASTERLY RIGHT-OF-WAY LINE OF SAID STATE HIGHWAY 140 (GARDEN CITY HIGHWAY);

THENCE NORTH 71 DEGREES 03 MINUTES 51 SECONDS WEST, WITH THE COMMON SOUTHWESTERLY LINE OF SAID TRACT TWO AND NORTHEASTERLY RIGHT-OF-WAY LINE OF SAID STATE HIGHWAY 140 (GARDEN CITY HIGHWAY), PASSING AT A DISTANCE OF 260.83 FEET, A 1/2 INCH IRON ROD FOUND FOR THE COMMON SOUTHWEST CORNER OF SAID TRACT TWO AND SOUTHEAST CORNER OF SAID TRACT ONE, IN ALL, A DISTANCE OF 592.11 FEET TO THE **POINT OF BEGINNING** AND CONTAINING 399,081 SQUARE FEET, OR 9.162 ACRES OF LAND, MORE OR LESS.

TITLE COMMITMENT GF NO. WTA-80C-48802011190-MR

SCHEDULE "B" 10 ITEMS

10a. ALL LEASES, GRANTS, EXCEPTIONS OR RESERVATIONS OF COAL, LIGNITE, OIL, GAS AND OTHER MINERALS, TOGETHER WITH ALL RIGHTS, PRIVILEGES, AND IMMUNITIES RELATING THERETO, APPEARING IN THE PUBLIC RECORDS WHETHER LISTED IN SCHEDULE B OR NOT. THERE MAY BE LEASES, GRANTS, EXCEPTIONS OR RESERVATIONS OF MINERAL INTEREST THAT ARE NOT LISTED.

10b. DISTRIBUTION EASEMENT AND RIGHT OF WAY GRANTED TO TEXAS ELECTRIC SERVICE COMPANY AS RECORDED IN VOLUME 317, PAGE 320, VOLUME 413, PAGE 18, DEED RECORDS OF MIDLAND COUNTY, TEXAS. COMPANY MAKES NO REPRESENTATION AS TO THE PRESENT OWNERSHIP OF THIS INTEREST.

BASED ON THE RECORD DESCRIPTION THIS ITEM DOES AFFECT SUBJECT TRACT – NOT SHOWN ON THE SURVEY (NOT ENOUGH INFORMATION).

10c. EASEMENT TO TEXAS ELECTRIC SERVICE COMPANY AS RECORDED IN VOLUME 475, PAGE 602, VOLUME 576, PAGE 394, DEED RECORDS OF MIDLAND COUNTY, TEXAS. COMPANY MAKES NO REPRESENTATION AS TO THE PRESENT OWNERSHIP OF THIS INTEREST.

BASED ON THE RECORD DESCRIPTION THIS ITEM DOES AFFECT SUBJECT TRACT – NOT SHOWN ON THE SURVEY (NOT ENOUGH INFORMATION).

10d. ANY PORTION OF THE PROPERTY DESCRIBED HEREIN WITHIN THE LIMITS OR BOUNDARIES OF ANY PUBLIC OR PRIVATE ROADWAY AND/OR HIGHWAY.

10e. THOSE LIENS CREATED AT CLOSING, IF ANY, PURSUANT TO LENDER INSTRUCTIONS.

10f. SUBJECT PROPERTY IS LOCATED IN THE CITY OF MIDLAND EXTRA TERRITORIAL JURISDICTION, AND AS SUCH, MAY BE SUBJECT TO CERTAIN ORDINANCES, CODES, RESTRICTIONS AND REGULATORY POWERS OF THE CITY OF MIDLAND.

10g. RIGHTS OF PARTIES IN POSSESSION.

10h. RIGHTS OF PARTIES IN POSSESSION UNDER ANY UNRECORDED, WRITTEN OR ORAL LEASE AGREEMENT.

10i. VISIBLE OR APPARENT EASEMENT(S) AND/OR RIGHTS OF WAY ON, OVER, UNDER OR ACROSS THE LAND.

10j. IF ANY PORTION OF THE PROPOSED LOAN AND/OR THE OWNER'S TITLE POLICY COVERAGE AMOUNT INCLUDES FUNDS FOR IMMEDIATELY CONTEMPLATED IMPROVEMENTS, THE FOLLOWING EXCEPTIONS WILL APPEAR IN SCHEDULE B OF ANY POLICY ISSUED AS INDICATED: OWNER AND LOAN POLICY(IES): ANY AND ALL LIENS ARISING BY REASON OF UNPAID BILLS OR CLAIMS FOR WORK PERFORMED OR MATERIALS FURNISHED IN CONNECTION WITH IMPROVEMENTS PLACED, OR TO BE PLACED, UPON THE SUBJECT LAND. HOWEVER, THE COMPANY DOES INSURE THE INSURED AGAINST LOSS, IF ANY, SUSTAINED BY THE INSURED UNDER THIS POLICY IF SUCH LIENS HAVE BEEN FILED WITH THE COUNTY CLERK OF COUNTY, TEXAS, PRIOR TO THE DATE HEREOF. OWNER POLICY(IES) ONLY: LIABILITY HEREUNDER AT THE DATE HEREOF IS LIMITED TO $ 0.00. LIABILITY SHALL INCREASE AS CONTEMPLATED IMPROVEMENTS ARE MADE, SO THAT ANY LOSS PAYABLE HEREUNDER SHALL BE LIMITED TO SAID SUM PLUS THE AMOUNT ACTUALLY EXPENDED BY THE INSURED IN IMPROVEMENTS AT THE TIME THE LOSS OCCURS. ANY EXPENDITURES MADE FOR IMPROVEMENTS, SUBSEQUENT TO THE DATE OF THIS POLICY, WILL BE DEEMED MADE AS OF THE DATE OF THIS POLICY. IN NO EVENT SHALL THE LIABILITY OF THE COMPANY HEREUNDER EXCEED THE FACE AMOUNT OF FIDELITY NATIONAL TITLE INSURANCE COMPANY COMMITMENT NO.: 48802011190

10k. THE FOLLOWING EXCEPTION WILL APPEAR IN ANY POLICY ISSUED (OTHER THAN THE T-1R RESIDENTIAL OWNER POLICY OF TITLE INSURANCE AND THE T-2R SHORT-FORM RESIDENTIAL MORTGAGE POLICY) IF THE COMPANY IS NOT PROVIDED A SURVEY OF THE LAND, ACCEPTABLE TO THE COMPANY, FOR REVIEW AT OR PRIOR TO CLOSING:
ANY ENCROACHMENT, ENCUMBRANCE, VIOLATION, VARIATION, OR ADVERSE CIRCUMSTANCE AFFECTING THE TITLE THAT WOULD BE DISCLOSED BY AN ACCURATE AND COMPLETE LAND SURVEY OF THE LAND.

NOTES

1. ALL BEARINGS ARE REFERENCED TO THE STATE PLANE COORDINATE SYSTEM, NORTH AMERICAN DATUM OF 1983 (NAD 83), TEXAS CENTRAL ZONE (4203).
2. THE SUBJECT TRACT IS LOCATED IN THE CITY OF MIDLAND EXTRA TERRITORIAL JURISDICTION. NO ZONING CLASSIFICATION OR SETBACK REQUIREMENTS.
3. UNDERGROUND UTILITIES MARKINGS WERE LOCATED ON THE PROPERTY (SHOWN ON SURVEY). THE SURVEYOR MAKES NO GUARANTEE THAT THE UNDERGROUND UTILITIES SHOWN COMPRISE ALL SUCH UTILITIES IN THE AREA, EITHER IN SERVICE OR ABANDONED. THE SURVEYOR FURTHER DOES NOT WARRANT THAT THE UNDERGROUND UTILITIES SHOWN ARE IN THE EXACT LOCATION INDICATED. THE SURVEYOR HAS NOT PHYSICALLY LOCATED THE UNDERGROUND UTILITIES.
4. NO OBSERVED PARKING STRIPES IN THE PROCESS OF CONDUCTING THE FIELDWORK.
5. ACCORDING TO PROJECT TRACKER (http://apps.dot.state.tx.us/apps-cq/project_tracker/), THERE ARE FUTURE HIGHWAY IMPROVEMENTS ON STATE HIGHWAY 140; FOR FURTHER INFORMATION CONTACT ROBERT ORNELAS, PROFESSIONAL ENGINEER OF TEXAS DEPARTMENT OF TRANSPORTATION. ROBERT ORNELAS, PE (432) 498-4772.
6. THERE WAS NO EVIDENCE OF FIELD DELINEATION OF WETLANDS AT DATE OF SURVEY.
7. AS DETERMINED BY THE FLOOD INSURANCE RATE MAPS FOR MIDLAND COUNTY, TEXAS, PER MAP NUMBER 48329C0206F DATED SEPTEMBER 16, 2005 PANEL 206 OF 525, SUBJECT TRACT IS LOCATED IN ZONE X (UNSHADED), AREAS OF 0.2% CHANCE OF LESS THAN 1 FOOT OR WITH DRAINAGE AREAS LESS THAN 1 SQUARE MILE; AND AREAS PROTECTED BY LEVEES FROM 1% ANNUAL CHANCE FLOOD.
8. THIS SURVEY WAS PERFORMED IN CONNECTION WITH THE TRANSACTION DESCRIBED IN GF NO. WTA-80C-48802011190-MR, OF FIDELITY NATIONAL TITLE INSURANCE COMPANY WITH AN EFFECTIVE DATE OF JANUARY 24, 2020. USE OF THIS SURVEY FOR ANY OTHER PURPOSE OR BY OTHER PARTIES SHALL BE AT THEIR OWN RISK AND UNDERSIGNED IS NOT RESPONSIBLE TO OTHERS FOR ANY LOSS RESULTING THEREFROM.
9. THERE WAS NO EVIDENCE OF RECENT EARTH MOVING WORK, BUILDING CONSTRUCTION, OR BUILDING ADDITIONS OBSERVED IN THE PROCESS OF CONDUCTING THE FIELDWORK.
10. THERE WAS NO EVIDENCE OF SUBJECT TRACT BEING USED AS A SOLID WASTE DUMP, SUMP, OR SANITARY LANDFILL AT DATE OF SURVEY.
11. THERE WAS NO EVIDENCE OF CEMETERIES LOCATED IN OR WITHIN FIVE (5) FEET OF THE SUBJECT TRACT AT THE DATE OF SURVEY.
12. SUBJECT TRACT IS LOCATED AT THE NORTHEAST CORNER OF THE INTERSECTION OF STATE HIGHWAY 140 AND FAIRGROUND ROAD.

SERVICE AGREEMENT

THIS AGREEMENT is made and effective the 23 day of September 20 21, by and between the CITY OF MIDLAND, TEXAS, hereinafter called "CITY," and BLACK & DILLARD PROPERTY MANAGEMENT, LP, hereinafter referred to as "PETITIONER" whether one or more.

WHEREAS, a petition for annexation of **9.162-acre tract of land out of Section 6, Block 38, T-2-S, T&P RR Co. Survey, Midland County, Texas**, said tract being more fully described by metes and bounds therein (the "Area"), has been submitted to CITY by PETITIONER, the owner(s) of the land located in the Area, a copy of which is attached hereto as Exhibit "A" and incorporated herein for all purposes; and

WHEREAS, before CITY annexes the Area, CITY and PETITIONER must enter into a written agreement for the provision of services in the Area in accordance with Section 43.0672 of the Local Government Code;

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the parties agree as follows:

ARTICLE I. PURPOSE

The purpose of this Agreement is (1) to list each service CITY will provide in the Area on the effective date of the annexation, (2) to establish a schedule that includes the period within which CITY will provide each service in the Area that is not provided on the effective date of the annexation, and (3) to establish the duty of PETITIONER to pay fees similar to impact fees in the event that CITY has adopted, or adopts in the future, one or more ordinances establishing impact fees. PETITIONER understands and agrees that CITY is not required to provide a service that is not included in this Agreement. PETITIONER further understands and agrees that the execution of this Agreement does not constitute a promise by CITY to annex the Area and that this Agreement is not a permit for purposes of Chapter 245 of the Local Government Code.

ARTICLE II. TERM

The term of this Agreement shall be one year; provided, however, that if CITY annexes the Area within one year from the effective date, the term of this Agreement shall continue until such time when all services described in this Agreement are provided in the Area, and at such time, the Agreement shall terminate and shall be of no further force or effect except for those provisions that expressly survive termination. If CITY does not annex the Area during the term of this Agreement, this Agreement shall terminate and shall be of no further force or effect, and CITY shall have no duty to provide services to the Area.

ARTICLE III. SERVICES TO BE PROVIDED UPON ANNEXATION

CITY will provide the following services in the Area on the date that the ordinance annexing the Area becomes effective:

A. **Engineering:** CITY's Engineering Services Department will maintain streets, drainage facilities, and rights-of-way in accordance with CITY policies, procedures, and ordinances and applicable laws. PETITIONER understands and agrees that PETITIONER may be required to construct public improvements, including but not limited to (i) roadways adjacent to property located in the Area upon platting and (ii) roadway connections to existing facilities in the Area upon issuance of building permits in accordance with applicable laws and ordinances. PETITIONER understands and agrees that the Area will be included in CITY's service area of CITY's drainage utility.

B. **Utilities:** CITY will provide water services and wastewater collection services, upon platting property in the Area, in accordance with the City Code at rates established by ordinances for such services; provided, however, that no such service shall be provided until the public improvements necessary therefor have been constructed and CITY has approved said improvements. PETITIONER understands and agrees that CITY may require PETITIONER to construct such public improvements in accordance with applicable laws and ordinances.

C. **Development:** CITY's Development Services Department will provide planning, land development, land use, building review and inspection, and code enforcement services in accordance with applicable laws, rules, regulations, and ordinances.

D. **Police:** CITY's Police Department will provide emergency and routine call response, traffic enforcement, and law enforcement services in the Area.

E. **Fire:** CITY's Fire Department will provide emergency service for fire protection services and emergency medical services.

F. **Community Services:** CITY's Community Services Department will provide access to services and programs that may be offered by the Health and Senior Services Division, services and programs that may be offered by Animal Services Division, and access to City-owned parks.

G. **Solid Waste:** CITY's Solid Waste Department will provide residential garbage pickup service only. PETITIONER understands and agrees that CITY will not provide garbage pickup services to new commercial developments.

Regarding the services described above, PETITIONER understands and agrees that CITY will provide a level of services that is comparable to the level of services available in other parts of the City of Midland with topography, land use, and population density similar to those reasonably contemplated or projected for the Area. PETITIONER understands and acknowledges that any CITY departments or divisions identified above may change names or be reorganized. Any reference to a specific CITY department or division also includes any subsequent CITY department or division that will provide the same or similar services.

ARTICLE IV. IMPACT FEES

A. **Fees to be assessed and collected.** Except as otherwise described herein, if CITY has adopted, or adopts in the future, one or more ordinances establishing impact fees in accordance with Chapter 395 of the Local Government Code, CITY shall assess and collect fees associated with the development of the Area as described for impact fees in the applicable impact fee ordinance(s) (the "Fees").

B. **Service areas.** For purposes of assessing and collecting Fees for water and wastewater under this Agreement, the Area is deemed to be located within CITY's capital improvements plan service area therefor. For the purpose of assessing and collecting Fees for roadways under this Agreement, the Area is deemed to be located in CITY's capital improvements plan roadway service area(s) immediately adjacent thereto; provided, however, that if the Area is not located immediately adjacent to a roadway service area and is located immediately adjacent to a tract of land that is associated with an agreement regarding fees similar to the Fees in this Agreement, the Area is deemed to be located in the roadway service area(s) specified in such similar agreement associated with the adjacent tract of land.

C. **Capital improvements and facility expansions.** For purposes of this Agreement, a capital improvement or facility expansion that will serve the Area shall be deemed to be included in CITY's capital improvements plan if:

   a. said capital improvement or facility expansion is substantially similar to a type of capital improvement or facility expansion identified in CITY's capital improvements plan; or

   b. said capital improvement or facility expansion is an extension of a capital improvement or facility expansion identified in CITY's capital improvements plan.

D. **Time of assessment.** Fees shall be assessed at the time of recordation of a final plat of any portion of the Area, at the time the Area is annexed, or on the effective date(s) of the applicable impact fee ordinance(s), whichever is later.

E. **Time of collection.** CITY shall collect the Fees from PETITIONER at the time of issuance of a building permit. PETITIONER acknowledges and agrees that no building permit or certificate of occupancy shall be issued until PETITIONER has paid the applicable Fees.

F. **Amendment to land use assumptions, capital improvements plan, or impact fees.** Notwithstanding any provision in this Agreement to the contrary, if CITY amends its land use assumptions, capital improvements plan, or impact fees such that PETITIONER would be required to pay impact fees, CITY shall assess and PETITIONER shall pay the applicable impact fees in accordance with the applicable impact fee ordinance(s), as amended; provided, however, that to the extent CITY assesses applicable Fees for service units under this Agreement, PETITIONER shall pay such Fees in accordance with this Agreement and shall not be required to pay the applicable impact fees for the same service units.

G. **Article to survive termination.** If CITY annexes the Area within one year from the

effective date, the provisions of this Article shall survive termination of this Agreement.

ARTICLE V. GOVERNMENTAL IMMUNITY

By executing this agreement CITY is not waiving its right of governmental immunity. CITY is retaining its immunity from suit. CITY is not granting consent to be sued by legislative resolution or action.

THERE IS NO WAIVER OF GOVERNMENTAL IMMUNITY. THE PROVISIONS OF THIS ARTICLE SHALL SURVIVE TERMINATION OF THIS AGREEMENT.

ARTICLE VI. RELEASE

NOTWITHSTANDING ANY OTHER PROVISIONS, PETITIONER HEREBY RELEASES, ACQUITS, RELINQUISHES AND FOREVER DISCHARGES CITY, CITY'S EMPLOYEES AND OFFICERS, FROM ANY AND ALL DEMANDS, CLAIMS, DAMAGES, OR CAUSES OF ACTION OF ANY KIND WHATSOEVER WHICH PETITIONER HAS OR MIGHT HAVE IN THE FUTURE, INCLUDING BUT NOT LIMITED TO BREACH OF AGREEMENT, QUANTUM MERUIT, CLAIMS UNDER THE DUE PROCESS AND TAKINGS CLAUSES OF THE TEXAS AND UNITED STATES CONSTITUTIONS, TORT CLAIMS, CITY'S NEGLIGENCE, OR CLAIMS UNDER CHAPTER 395 OF THE TEXAS LOCAL GOVERNMENT CODE. THE PROVISIONS OF THIS ARTICLE SHALL SURVIVE TERMINATION OF THIS AGREEMENT.

ARTICLE VII. ATTORNEYS' FEES

In the event of any conflict between the parties hereto such that either party brings or commences any legal action or proceeding related to this Agreement, including but not limited to any action pursuant to the provisions of the Texas Uniform Declaratory Judgments Act (Tex. Civ. Prac. & Rem. Code §37.001, et seq., as amended), the parties hereto agree to waive any and all rights to recovery of attorneys' fees to which the prevailing party might otherwise be entitled.

BY EXECUTING THIS AGREEMENT, THE PARTIES AGREE TO WAIVE AND DO HEREBY KNOWINGLY, CONCLUSIVELY, VOLUNTARILY AND INTENTIONALLY WAIVE ANY CLAIM EITHER PARTY HAS OR MAY HAVE IN THE FUTURE AGAINST THE OTHER PARTY, SPECIFICALLY AND SOLELY REGARDING THE AWARD OF ATTORNEYS' FEES, WHICH ARE IN ANY WAY RELATED TO THE AGREEMENT, OR THE CONSTRUCTION, INTERPRETATION OR BREACH OF THE AGREEMENT. THE PARTIES SPECIFICALLY AGREE THAT IF A PARTY BRINGS OR COMMENCES ANY LEGAL ACTION OR PROCEEDING

RELATED TO THIS AGREEMENT, THE CONSTRUCTION, INTERPRETATION, VALIDITY OR BREACH OF THIS AGREEMENT, INCLUDING BUT NOT LIMITED TO ANY ACTION PURSUANT TO THE PROVISIONS OF THE TEXAS UNIFORM DECLARATORY JUDGMENTS ACT (TEXAS CIVIL PRACTICE AND REMEDIES CODE SECTION 37.001, ET. SEQ., AS AMENDED), OR CHAPTER 271 OF THE TEXAS LOCAL GOVERNMENT CODE, THE PARTY BRINGING THE ACTION AGREES TO ABANDON, WAIVE AND RELINQUISH ANY AND ALL RIGHTS TO THE RECOVERY OF ATTORNEYS' FEES TO WHICH THE PARTY MIGHT OTHERWISE BE ENTITLED.

THE PARTIES AGREE THAT THIS IS THE VOLUNTARY AND INTENTIONAL RELINQUISHMENT AND ABANDONMENT OF A PRESENTLY EXISTING KNOWN RIGHT. EACH PARTY ACKNOWLEDGES THAT IT UNDERSTANDS ALL TERMS AND CONDITIONS OF THE AGREEMENT. THE PARTIES FURTHER ACKNOWLEDGE AND AGREE THAT THERE WAS AND IS NO DISPARITY OF BARGAINING POWER BETWEEN CITY AND PETITIONER. THIS SECTION SHALL NOT BE CONSTRUED OR INTERPRETED AS A WAIVER OF SOVEREIGN IMMUNITY.

THE PROVISIONS OF THIS ARTICLE SHALL SURVIVE TERMINATION OF THIS AGREEMENT. PETITIONER AND CITY ARE RELYING ON THEIR OWN JUDGMENT. EACH PARTY HAD THE OPPORTUNITY TO DISCUSS THIS AGREEMENT WITH LEGAL COUNSEL PRIOR TO ITS EXECUTION.

ARTICLE VIII. GENERAL PROVISIONS

A. **Governing law and venue.** This Agreement shall be governed by the laws of the State of Texas. All performance made pursuant to this Agreement shall be deemed to have occurred in Midland County, Texas. Exclusive venue for any claims, suits or any other action arising from or connected in any way to this Agreement or the performance of this Agreement shall be in Midland County, Texas. The obligations and undertakings of each of the parties to this Agreement shall be deemed to have occurred in Midland County, Texas. This Agreement shall be governed by, interpreted, enforced and construed under the laws of the State of Texas. The laws of the State of Texas shall govern, construe and enforce all the rights and duties of the parties, including but not limited to tort claims and any and all contractual claims or disputes, arising from or relating in any way to the subject matter of this Agreement, without regard to conflict of laws and rules that would direct application of the laws of another jurisdiction. The provisions of this Article VIII.A. shall survive termination of this Agreement.

B. **Notice.** Any notice or demand that shall be made regarding this Agreement, shall be made in writing and delivered either in person or by certified or registered mail. Notice by mail shall be complete upon deposit of the paper, postage prepaid, in a post office or official depository under the care and custody of the United States Postal Service addressed as

follows:

If to CITY: City Manager's Office
P.O. Box 1152
Midland, Texas 79702

If to PETITIONER: Black & Dillard Property Management, LP
P.O. Box 60850
Midland, Texas 79711

The parties hereto may change the above-designated addresses by giving notice pursuant to the terms of this Section.

C. **Severability.** In case any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, this invalidity, illegality, or unenforceability shall not affect any other provision of the Agreement, and this Agreement shall be construed as if the invalid, illegal, or unenforceable provision had never been contained herein.

D. **Use of language.** Words in the singular shall be held to include the plural, unless the context otherwise requires.

E. **Amendments, modifications, alterations.** No amendment, modification, or alteration of the terms of this Agreement shall be binding unless it is in writing, dated subsequent to the date of this Agreement, and duly executed by the parties to this Agreement.

F. **Counterparts.** This Agreement may be executed in multiple counterparts, each of which shall be deemed as original, and all of which shall constitute one and the same instrument.

G. **Notice of alleged breach; statutory prerequisites.** As a condition precedent to filing suit for alleged damages incurred by an alleged breach of an express or implied provision of this Agreement, PETITIONER or PETITIONER'S legal representative, shall give the City Manager, or any other reasonable official of CITY, notice in writing (consisting of one original and seven copies of notice attached to a copy of this Agreement) of such damages, duly verified, within one-hundred fifty (150) days after the same has been sustained. The discovery rule does not apply to the giving of this notice. The notice shall include when, where and how the damages occurred, the apparent extent thereof, the amount of damages sustained, the amount for which PETITIONER will settle, the physical and mailing addresses of PETITIONER at the time and date the claim was presented and the physical and mailing addresses of PETITIONER for the six months immediately preceding the occurrence of such damages, and the names and addresses of the witnesses upon whom PETITIONER relies to establish its claim; and a failure to so notify the City Manager within the time and manner provided herein shall exonerate, excuse and except CITY from any liability whatsoever. CITY is under no obligation to provide notice to PETITIONER that PETITIONER'S notice is insufficient. CITY reserves the right to request reasonable additional information regarding the claim. Said additional information shall be

supplied within thirty (30) days after receipt of notice.

The statutory prerequisites outlined herein constitute jurisdictional requirements pursuant to Section 271.154 of the Texas Local Government Code and Section 311.034 of the Texas Government Code. Notwithstanding any other provision, PETITIONER'S failure to comply with the requirements herein shall perpetually bar PETITIONER'S claim for damages under Chapter 271 of the Texas Local Government Code and Section 311.034 of the Texas Government Code, regardless of whether CITY has actual or constructive notice or knowledge of said claim or alleged damages. The provisions of this Article VIII.G. shall survive termination of this agreement. **PETITONER AGREES THAT THE REQUIREMENTS OF THIS ENTIRE AGREEMENT ARE REASONABLE.**

H. **Covenants run with the land.** The provisions of this Agreement are covenants that run with the land located in the Area. CITY and PETITIONER agree that this Agreement may be recorded in the deed records of the county in which the Area is located. CITY and PETITIONER acknowledge and agree that this Agreement is binding upon CITY and PETITIONER and their respective successors, executors, heirs, and assigns, as applicable. The provisions of this Article VIII.H. shall survive termination of this Agreement.

EXECUTED the day and year first above mentioned.

City Council Meeting

Item Number: 30

Meeting Date: October 26, 2021

To: City Council / City Manager

From: Kelly Martinez, Senior Planner

Subject: AN ORDINANCE AMENDING THE ZONING DISTRICT MAP OF THE CITY OF MIDLAND TO REZONE LOT 9, BLOCK 10, GREENWOOD ADDITION, THIRD, FOURTH AND FIFTH SECTIONS, CITY AND COUNTY OF MIDLAND, TEXAS, FROM C, COMMERCIAL DISTRICT TO SF-3, SINGLE-FAMILY DWELLING DISTRICT (GENERALLY LOCATED ON THE EAST SIDE OF SOUTH STONEWALL STREET, APPROXIMATELY 140 FEET NORTH OF EAST WASHINGTON AVENUE); CONTAINING A CUMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; PROVIDING FOR A MAXIMUM PENALTY OR FINE OF TWO THOUSAND DOLLARS ($2,000.00); AND ORDERING PUBLICATION (DISTRICT 2) (DEVELOPMENT SERVICES)

Purpose:

The applicant, Jamie Bowers is requesting to rezone the property located at 407 S. Stonewall Street to allow for the construction of a single family home.

Recommended City Council Action:

Approve

Fiscal Impact:

This request does not require any City funds.

Current Zoning:

C, Commercial District.

Surrounding Zoning and Land Use:

The properties to the north, east, south, and west are zoned C, Commercial District and the locations of single-family homes and vacant land.

Analysis:

The property is located at 407 S. Stonewall Street and is currently vacant. The applicant is proposing the development of a single family home. Per the previous zoning code, the current zoning district would have allowed for the construction of a residential home, as it allowed for cumulative zoning. Under the new zoning code adopted in 2019, residential uses became more specific to single-family zoning districts. The property meets the minimum lot size requirements in the SF-3, Single-Family Dwelling District.

This proposed zone change has been circulated to the respective City departments for internal review and their comments, conditions, and requirements are as follows:

Fire: (Approved)

No objections

Building: (Approved)

No issues. All future structures must adhere to the 2018 International Building Codes, the 2015 International Energy Code, the 2020 NEC requirements, the 2015 International Fire Codes, local city ordinances, zoning requirements, established setbacks, and floodplain requirements if necessary.

Engineering: (Approved)

No objection to zone change.

Site drainage, utilities, driveway access, and traffic circulation may be adjusted during construction drawing review as necessary to receive building permit approval from Engineering and Traffic Operations.

Code: (Approved)

No Oil or Gas wells identified within 500 ft. permitted well radius or in the 135 ft. non-permitted well radius of location.

Transportation: (Approved)

Site drainage, utilities, driveway access, and traffic circulation may be adjusted during construction drawing review as necessary to receive building permit approval from Engineering and Traffic Operations.

No objection to zone change.

Planning:

This proposed development fits with the Tall City Tomorrow Comprehensive Plan, Chapter 3, An Integrated Land Use Vision, Future Land Use Map as this area calls for urban residential-medium. This designation calls for a mix of housing types, including single-family, townhouse, and two-family dwelling uses. In addition, this zone change fits the surrounding land uses in this area.

This request was approved at the October 4th Planning and Zoning Commission meeting.

Staff recommends approval of this zone change from C, Commercial District to SF-3, Single Family Dwelling District, subject to condition A.

Conditions:

A. **That the use and development of this property shall conform to the regulations of the SF-3, Single-Family Dwelling District.**

Letters of Objection:

Staff has not received any letters of objection as of October 20, 2021.

ORDINANCE NO. _____

AN ORDINANCE AMENDING THE ZONING DISTRICT MAP OF THE CITY OF MIDLAND TO REZONE LOT 9, BLOCK 10, GREENWOOD ADDITION, THIRD, FOURTH AND FIFTH SECTIONS, CITY AND COUNTY OF MIDLAND, TEXAS, FROM C, COMMERCIAL DISTRICT TO SF-3, SINGLE-FAMILY DWELLING DISTRICT (GENERALLY LOCATED ON THE EAST SIDE OF SOUTH STONEWALL STREET, APPROXIMATELY 140 FEET NORTH OF EAST WASHINGTON AVENUE); CONTAINING A CUMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; PROVIDING FOR A MAXIMUM PENALTY OR FINE OF TWO THOUSAND DOLLARS ($2,000.00); AND ORDERING PUBLICATION

WHEREAS, the City Planning and Zoning Commission and the Governing Body of the City of Midland, in compliance with the City Charter, the City Code, and State law, have given the requisite notices by United States mail, publication and otherwise; and after a full and fair hearing to all of the property owners generally and particularly to those interested persons situated in the affected area and in the vicinity thereof, the Governing Body finds that the public health, safety and general welfare will be best served by rezoning Lot 9, Block 10, Greenwood Addition, Third, Fourth and Fifth Sections, City and County of Midland, Texas (the "Property") to SF-3, Single-Family Dwelling District, as set out hereinafter;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MIDLAND, TEXAS:

SECTION ONE. That the Zoning District Map of the City of Midland, Texas, is hereby amended to rezone the Property from C, Commercial District to SF-3, Single-Family Dwelling District.

SECTION TWO. That the definitions given in the zoning regulations contained in the City Code of the City of Midland, Texas, shall be applicable to such of those terms as are used herein.

SECTION THREE. The provisions of this ordinance are to be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as

that covered herein; provided, however, that all prior ordinances or parts of ordinances inconsistent with or in conflict with any of the provisions of this ordinance are hereby expressly repealed to the extent of any such inconsistency or conflict.

SECTION FOUR. If any section, subsection, sentence, clause or phrase of this ordinance is, for any reason, held to be unconstitutional or invalid, such holding shall not affect the validity of the remaining portions of this ordinance. The Council of the City of Midland hereby declares that it would have passed this ordinance and each section, subsection, sentence, clause, or phrase hereof irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared unconstitutional or invalid.

SECTION FIVE. The penalty for violation of this ordinance shall be in accordance with the general penalty provisions contained in Section 1-3-1 of the City Code of Midland, Texas, which provides for a fine not exceeding two thousand dollars ($2,000.00).

SECTION SIX. The City Secretary is hereby authorized and directed to publish the descriptive caption of this ordinance in the manner and for the length of time prescribed by the law as an alternative method of publication.

The above and foregoing ordinance was duly proposed, read in full and adopted on first reading, the _____ day of _____, A.D., 2021; and passed to second reading on motion of Council member _____, seconded by Council member _____, by the following vote:

Council members voting "AYE":

2214

City Council Meeting

Item Number: 31

Meeting Date: October 26, 2021

To: City Council / City Manager

From: Cole Furqueron, Senior Planner

Subject: AN ORDINANCE AMENDING THE ZONING DISTRICT MAP OF THE CITY OF MIDLAND TO REZONE A 0.72-ACRE TRACT OF LAND OUT OF LOT 2, BLOCK 4, AMARON ADDITION, SECTION 5, CITY AND COUNTY OF MIDLAND, TEXAS, FROM TP, TECHNOLOGY PARK DISTRICT TO RR, REGIONAL RETAIL DISTRICT (GENERALLY LOCATED ON THE NORTH SIDE OF WOLCOTT AVENUE, APPROXIMATELY 465 FEET WEST OF RANKIN HIGHWAY); CONTAINING A CUMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; PROVIDING FOR A MAXIMUM PENALTY OR FINE OF TWO THOUSAND DOLLARS ($2,000.00); AND ORDERING PUBLICATION (DISTRICT 2) (DEVELOPMENT SERVICES)

Purpose:

The applicant, CG Faudree LLC, is requesting a Zone Change from TP, Technology Park District to RR, Regional Retail District on Lots 2, Block 4, Amaron Addition, Section 5, City and County of Midland, Texas.

Recommended City Council Action:

Approve

Fiscal Impact:

This request does not require any City funds.

Discussion:

Current Zoning:

TP, Technology Park District.

Surrounding Zoning and Land Use:

The properties to the north are zoned TP, Technology Park, and PD, Planned Development District, and are the locations of a residence, a radio tower, and a vacant lot. The property to the east is RR, Regional Retail District, and is the location of retail spaces. The properties to the south are zoned PD, Planned Development District, O-2, Office District and RR, Regional Retail, and are the locations of an apartment complex, a hotel, and retail spaces. The property to the west is zoned TP, Technology Park and is the location of a vacant lot.

Analysis:

The applicant is requesting a Zone Change from TP, Technology Park to RR, Regional Retail for a portion of lot 2 to allow for the development of two fast food restaurants along Rankin Highway. Although the development will be on Lot 1, both lots 1 & 2 are in the process of a replat and the property's line will be shifting west, requiring a portion of lot 2 to be rezoned to allow for this development to follow the proper zoning. Currently Lot 2 has no conceptual design of the future development. Any future development will be required to meet the area regulations and performance standards of the TP, Technology Park District.

If approved, the development will need to conform to Section 5.05, Nonresidential Zoning District Dimensional Regulations and Section 6.01 through 6.05, Zoning Development Regulations of the Zoning Ordinance. As well as Chapter 9-Landscape Regulations for future landscaping.

This proposed zone change has been circulated to the respective City departments for internal review and their comments, conditions, and requirements are as follows:

Fire: (Approved)

No objection to zone change.

Building: (Approved)

No issues. All future structures must adhere to the 2018 International Building Codes, the 2015 International Energy Code, the 2020 NEC requirements, the 2015 International Fire Codes, local city ordinances, zoning requirements, established setbacks, and floodplain requirements if necessary.

Engineering: (Approved)

No objection to zone change.

Site drainage, utilities, driveway access, and traffic circulation may be adjusted during construction drawing review as necessary to receive building permit approval from Engineering and Traffic Operations.

Code: (Approved)

No Oil or Gas wells identified within 500 ft. permitted well radius or in the 135 ft. non-permitted well radius of location on plat. Please note if oil & gas wells are not identified or left off of plat, this could prevent receiving city permits for structures. Any plugged and abandoned well would need to be identified.

Transportation: (Approved)

Access spacing will be required to adhere to the TxDOT Access Management Standards along the state highway.

Site drainage, utilities, driveway access, and traffic circulation may be adjusted during construction drawing review as necessary to receive building permit approval from Engineering and Traffic Operations.

No objection to zone change.

Planning:

The request is in compliance with the Tall City Tomorrow Comprehensive Plan, Chapter 6-Character Plan Goal 4, “Encourage the development of places where Midland residents can gather and socialize to build connections” (Tall City Tomorrow page 137). This entertainment complex will fit into the character of the area and provide a new location for Midland residents to gather and socialize.

This request was approved at the October 4, 2021 Planning and Zoning Commission meeting.

Staff recommends approval of this zone change from TP, Technology Park to RR, Regional Retail District, subject to condition A.

Conditions:

A. That the use and development of this property shall conform to the regulations of the RR, Regional Retail District.

Letters of Objection:

Staff has not received any letters of objection as of October 20, 2021.

Street Address: a portion of 1106 W Wollcott

Legal Description
Lot: 2 Block: 4 Subdivision: Amaron Addition Section 5

Current Zoning:
a portion of 1106 W Wollcott - TP

Proposed Zone: RR
(List by tracts if more than one district is requested)

Reason for Zone Change Request: We want to change the portinion of land we are adding into the front wto lots per our replat to be the same zoning code as the front lots

Present Use of Property: outside storage

Proposed Use of Property: Restaurants

How would this zone change affect the public health, safety and welfare? This would allow for new restaurants to service the residents are

Describe how conditions affecting the property have changed since present zoning designation: When these buildings and PD was put in place the only retail in the area was Mcdonalds, Sconic and Tractor Supply now there is Walmart and countless other retail uses

November 16, 2021

City Council Meeting

Item Number: 32

Meeting Date: November 16, 2021

To: City Council / City Manager

From: Cole Furqueron, Senior Planner

Subject: AN ORDINANCE GRANTING A SPECIAL EXCEPTION FOR LOT 7, BLOCK 5, FANNIN TERRACE, SECTION TWO, CITY AND COUNTY OF MIDLAND, TEXAS (GENERALLY LOCATED AT THE SOUTHEAST CORNER OF THE INTERSECTION OF FANNIN AVENUE AND MABERRY STREET), BY PERMITTING A REDUCED MINIMUM SIDE YARD SETBACK ON THE WEST SIDE OF THE LOT; CONTAINING A CUMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; PROVIDING FOR A MAXIMUM PENALTY OR FINE OF TWO THOUSAND DOLLARS ($2,000.00); ORDERING RECORDATION BY THE CITY SECRETARY IN THE DEED RECORDS OF MIDLAND COUNTY, TEXAS; AND ORDERING PUBLICATION (DISTRICT 3) (DEVELOPMENT SERVICES)

Purpose:

The applicant, Brad Burgeson, is requesting a Special Exception from the City of Midland Zoning Ordinance, Section 5.04 – Residential Zoning District Dimensional Regulations Chart, concerning the minimum side yard setback for a corner lot to add 989 square foot garage.

Recommended City Council Action:

Deny

Fiscal Impact:

No City funds are required to process this request.

Discussion:

The applicant's property is located at 2512 Fannin Avenue, which is zoned SF-1, Single Family Dwelling District.

Per our City of Midland Zoning Ordinance, Section 5.04 – Residential Zoning District Dimensional Regulations Chart:

SF-1, Single Family Dwelling District
Lot dimensions
Minimum Side Yard Setback:
Corner Lot: 10 Feet

The applicant's property is a corner lot and would have to meet the required minimum 10-foot side yard setbacks for a corner lot as listed in the zoning ordinance.

The applicant is requesting to reduce the required minimum side yard setback for a corner lot for the proposed lot to be zero feet to be able to proceed with the addition of a 989 square foot garage.

This request has been circulated to all pertinent City departments for review. Below are the departments' comments.

Engineering: (Approved)

No objection.

Transportation: (Approved)

No objection.

Fire: (Approved)

No objections.

Code Compliance: (Approved)

No Oil and Gas issues.

Building: (Approved)

No issues. All future structures must adhere to the 2018 International Building Codes, the 2015 International Energy Code, the 2017 NEC requirements, the 2015 International Fire Codes, local city ordinances, zoning requirements, established setbacks, and floodplain requirements if necessary.

Planning Analysis:

As this request represents a deviation from the existing Zoning Ordinance, staff would recommend denial of this application for a Special Exception to the City of Midland Zoning Ordinance, Section 5.04 – Residential Zoning District Dimensional Regulations Chart

concerning the minimum side yard setback for a corner lot.

This lot does not exhibit any hardships that are not already present in other lots around the city.

Should the City Council approve this request, the property shall be subject to conditions A and B:

Conditions:

A. That the property shall significantly conform to the site plan shown in Exhibit "A", which is attached hereto and incorporated herein for all purposes.

B. That the minimum side yard setback for the proposed addition on this property shall be zero feet

Letters of Objection:

As of November 10, 2021, staff has not received any letters of objection

Attachments:

ORDINANCE NO. _____

AN ORDINANCE GRANTING A SPECIAL EXCEPTION FOR LOT 7, BLOCK 5, FANNIN TERRACE, SECTION TWO, CITY AND COUNTY OF MIDLAND, TEXAS (GENERALLY LOCATED AT THE SOUTHEAST CORNER OF THE INTERSECTION OF FANNIN AVENUE AND MABERRY STREET), BY PERMITTING A REDUCED MINIMUM SIDE YARD SETBACK ON THE WEST SIDE OF THE LOT; CONTAINING A CUMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; PROVIDING FOR A MAXIMUM PENALTY OR FINE OF TWO THOUSAND DOLLARS ($2,000.00); ORDERING RECORDATION BY THE CITY SECRETARY IN THE DEED RECORDS OF MIDLAND COUNTY, TEXAS; AND ORDERING PUBLICATION

WHEREAS, the City Council modified the authority of the Board of Adjustment in Title XI, Chapter 1, Section 7 ("Section 11-1-7") of the Midland City Code; and

WHEREAS, Section 11-1-7 provides for the consideration of requests for special exceptions to the Midland Zoning Ordinance; and

WHEREAS, the Council finds that satisfactory evidence has been presented that the use to be authorized by the granting of the special exception will not be detrimental to the health, safety, comfort and welfare of the occupants of the land area near the tract on which the use to be allowed by special exception will be located; and

WHEREAS, the Council finds that it is clearly and specifically authorized by the terms of Section 11-1-7 to grant such a special exception, and said exception will be in harmony with the general purposes and intent of the zoning provisions of the Midland City Code; and

WHEREAS, after a full and fair public hearing at which all parties in interest were offered an opportunity to be heard, all pursuant to law, the Council finds it to be in the public interest to grant a special exception to the Zoning Code, pursuant to Section 11-1-7, for the purposes herein stated, subject to special conditions;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MIDLAND, TEXAS:

SECTION ONE. That a special exception is hereby granted for the property described as Lot 7, Block 5, Fannin Terrace, Section Two, City and County of Midland, Texas. Said special exception shall allow a reduced minimum side yard setback on the west side of the lot.

SECTION TWO. Said special exception is subject to the following special conditions:

A. That the minimum side yard setback on the west side of the lot shall be zero feet.

B. That the property shall significantly conform to Exhibit "A", which is attached hereto and incorporated herein for all purposes.

SECTION THREE. The provisions of this ordinance are to be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided, however, that all prior ordinances or parts of ordinances inconsistent with or in conflict with any of the provisions of this ordinance are hereby expressly repealed to the extent of any such inconsistency or conflict.

SECTION FOUR. If any section, subsection, sentence, clause or phrase of this ordinance is, for any reason, held to be unconstitutional or invalid, such holding shall not affect the validity of the remaining portions of this ordinance. The Council of the City of Midland hereby declares that it would have passed this ordinance and each section, subsection, sentence, clause, or phrase hereof irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared unconstitutional or invalid.

SECTION FIVE. The penalty for violation of this ordinance shall be in accordance with the general penalty provisions contained in Section 1-3-1 of the City Code of Midland, Texas, which provides for a fine not exceeding two thousand dollars ($2,000.00).

SECTION SIX. The City Secretary is hereby authorized and directed to file this ordinance with the Office of the County Clerk for purposes of recordation.

SECTION SEVEN. The City Secretary is hereby authorized and directed to publish

the descriptive caption of this ordinance in the manner and for the length of time prescribed by the law as an alternative method of publication.

The above and foregoing ordinance was duly proposed, read in full and adopted on first reading, the _____ day of _____, A.D., 2021; and passed to second reading on motion of Council member _____, seconded by Council member _____, by the following vote:

Council members voting "AYE":

To: City Council / City Manager

From: Ron Jenkins, Oil and Gas Coordinator

Subject: **The proposed granting of oil and gas well permits to MCM Operating, LLC for the drilling of the following oil and gas wells: MB-8H; MB-9H; MB-10H; MB-11H; and MB-12H; said wells being generally located 485 feet south of Mockingbird Lane Extension and between 1,450 feet and 1,530 feet east of Holiday Hill Road (DISTRICT 1) (DEVELOPMENT SERVICES)**

Purpose:

MCM Operating, LLC, for the drilling of oil gas wells, as listed prior. This is an opportunity for the Council to receive public comment. Council may consider this permit following a 30-day public comment period and at a regularly scheduled meeting. One objection received.

Recommended City Council Action:

Directional / Informational

Fiscal Impact:

There is no cost to the City to process this application.

Discussion:

The Oil and Gas Advisory Committee has reviewed the well sites in detail and recommends approval. MCM Operating will be using 24 ft. tall sound walls on all sides of the well pad during drilling and fracing operations. Additionally, will be utilizing a quite frac crew to further minimize concerns with sound. Existing tank battery being relocated out of neighborhood and relocated to the county side west of Holiday Hill Road. Existing 4 wells located in the neighborhood, have been or in the process of being plugged and abandoned. MCM Operating does have a surface agreement with the surface owner. Receiving support of the Oil & Gas Advisory Committee, MCM Operating is requesting the following variances:

1. Requesting a variance to the hours of operation for fracture stimulations and to allow for frac operations to occur during a 24-hour period which will include the use a workover rig during the completion process following the fracing operations on the subject wells.

2. Requesting a variance to the landscaping plan, the proposed fencing plan provides adequate screening from adjacent roads and parcels. Additionally, MCM Operating, LLC will work with the surface owner/developer Los Conchos Ventures, LLC on future screening and landscaping.

3. Requesting a variance to have perimeter fence around entire pad site instead of the individual wellheads.

223 W. Wall Street, Suite 400 Midland, TX 79701

Other Permitted Wells in City ***(ATTACH EXHIBIT B*** **[see § J(26)]).**

II. Mineral Ownership

Name(s) and Address(es) of Mineral Estate Lessors (under applicable lease):

1. Attached as Exhibit "C"
2.
3.

ATTACHED AS EXHIBIT C **is (a** ***Title Opinion by*** Dawson Parrish, PC ***, a licensed Texas Attorney/Title Commitment by Abstract Company/a Take-off from , a Certified Petroleum Landman/an opinion letter from ,*** ***a licensed Texas Attorney)*** **indicating that [Operator] has a legal right to develop the mineral estate that is the subject of this Application. [See § J(5)].**

III. Surface Ownership & Use

General Description of Current Surface Use (within 860 feet of proposed surface location):

- Existing single family residences to the north
- Undeveloped and existing oil and gas facilities to the east
- Undeveloped, existing oil and gas facilities, future single family residences to the south
- Undeveloped and existing oil and gas facilities to the west

ATTACHED AS EXHIBIT D **is Current Tax Roll from Midland Central Appraisal District), which lists**

ATTACHED AS EXHIBIT E **is a** ***(map/p lat/satellite/aerial photo)*** **depicting all Residences, commercial structures, public buildings, all publicly dedicated Streets and alleys, Rights of Way, and permanent accessory structures surrounding the proposed Drill Site. The** ***(map/p lat/satellite/aerial photo)*** **includes two circles, as required by the Ordinance—one depicting a 500 foot radius and one depicting an 860 foot radius from the proposed well's surface location. [See § J(10)].**

ATTACHED AS EXHIBIT F **is a copy of the notification letter(s) sent to 100 percent of the surface owners, Certified Mail, Return Receipt Requested. [See § J(36)].**

IV. Well & Operations Information

Proposed Well Name: MB-8H

Proposed Hole Size, Casing Program and Cementing Program (attach Exhibit as Necessary)[See § J(11) and § L(4)]:

Attached as Exhibit V.

Legal Description of Proposed Well Site:
SHL - 1,450' FWL and 485' FNL-Situated in Section 6, A-15, Block X, H.P. Hilliard Survey, Midland County, TX

BHL - 660' FWL and 50' FSL-Situated in Section 18, A-681,Block 39, T-1-S,T& P RR Co, Midland County,TX

ATTACHED AS EXHIBIT G **is the Location Site Plan [See § J(9)].**

ATTACHED AS EXHIBIT H **is the Map with the proposed transportation route(s) and road(s) for equipment, chemicals, or refuse products used or produced in the proposed oil and gas operations. [See § J(12)].**

ATTACHED AS EXHIBIT I **is a copy of the approved Texas Railroad Commission permit to drill (Form W-1), together with all attachments** ***(also file copy of W-1 with City Secretary before commencement of drilling operations).*** **[See § J(16) and (20)].**

ATTACHED AS EXHIBIT J **is a copy of the required TCEQ report as to depth of usable quality ground water. [See § J(17)].**

ATTACHED AS EXHIBIT K (if applicable) **is the list of alternative locations developed in consultation with the Oil & Gas Advisory Committee. [See § J(27)].**

ATTACHED AS EXHIBIT L **is the Fencing and Irrigation Plan. [See § J(30)].**

ATTACHED AS EXHIBIT M **is the Road Repair Agreement and** ***Letter of Credit/Certificate of Deposit/Surety Bond*** **in the amount of at least $25,000.** ***Option (if applicable): Applicant would further state that no City-owned streets or alleys will be used by the Operator in connection with its oil and gas operations and as a result, requests a waiver from the Council of this requirement. Option B (if applicable):*** **Because Applicant has three Road Repair Agreements in effect that have been approved by the Council, Applicant requests that the Council consolidate all agreements into one and is filing the necessary $75,000** ***letter of credit/certificate of deposit/surety bond*** **in conjunction with this request. [See § J(31)].**

ATTACHED AS EXHIBIT N **is the Concept Plan depicting the proposed Operations Site (which includes tanks, roads, power lines, and pipeline routes). [See § J(32)].**

Description of Public Utilities required during (1) drilling and (2) operations:

(1) Drilling:
None.
(2) Opera tions:

Electrical.

Description of water source to be used during Drilling:

Water will be stored in off-site frac ponds. Water source will be from an off-site water well or trucked if necessary.

Description of all electric lines to production facilities (reference exhibits as necessary) [See § L(10)]:

Attached as Exhibit N

Plan detailing construction, location, and closure of pits used for Drilling and Completion operations (attach exhibit if necessary) [See § J(35)]:

Attached as Exhibit O

V. Additional Required Exhibits

ATTACHED AS EXHIBIT P **is the** ***Letter of Credit/Certificate of Deposit*** **in accordance with Subsection (K)(2). [See § J(18)].**

ATTACHED AS EXHIBIT Q **are Tax certificates from Midland Central Appraisal District to be submitted indicating that all taxes on personal and real property, including minerals, owned by Applicant are current. [See § J(29)].**

ATTACHED AS EXHIBIT R **is the required Insurance Certificate. [See § J(19) and § K(3)].**

ATTACHED AS EXHIBIT S (if applicable) **is the Drainage Plan approved by the City Engineer relating to Applicant's proposed operations. [See § J(21)].**

ATTACHED AS EXHIBIT T **is Applicant's Emergency Action Response Plan. [See § J(22)].**

ATTACHED AS EXHIBIT U **is Applicant's Hazardous Materials Management Plan, a copy of which has been submitted and is on file with the Midland Fire Department. [See § J(23)].**

APPLICATION FOR OIL AND GAS PERMIT

(Pursuant to Midland City Ordinance No. 8769)

I. General Information

Date	Operator Name (must match W-1)	Operator Address
9/1/2021	MCM Operating, LLC	223 W. Wall Street, Suite 400 Midland, TX 79701

Representative Name	Representative Address (within Midland City Limits)	Rep. Tele. (432) 704-2500
Matthew Chitwood	223 W. Wall St,Ste. 400 Midland,TX	Rep. Fax
Fee: $4,000.00 Rec'd Yes_X_ No___	NOTE: All attachments need to bound and put in a binder before submitting.	Pages 1-4

Permit Compliance Contact (Choose 1):

Option A:

24/7 Answering Services - No. 1 (Tele.): **No. 2 (Tele.):**

Option B:

Company Compliance Representative (Name, Address, Local Telephone) ***(ATTACH STATEMENT AS EXHIBIT A):***

Emergency Contact Representative (Name, Address, 24-Hour Tele. No.):

Matthew Chitwood - (817) 675-6680 (Cell Phone)
223 W. Wall Street, Suite 400 Midland, TX 79701

Other Permitted Wells in City ***(ATTACH EXHIBIT B*** **[see § J(26)]).**

II. Mineral Ownership

Name(s) and Address(es) of Mineral Estate Lessors (under applicable lease):

1. Attached as Exhibit "C"
2.
3.

ATTACHED AS EXHIBIT C **is (a** ***Title Opinion by*** Dawson Parrish, PC ***, a licensed Texas Attorney/Title Commitment by Abstract Company/a Take-off from , a Certified Petroleum Landman/an opinion letter from ,*** ***a licensed Texas Attorney)*** **indicating that [Operator] has a legal right to develop the mineral estate that is the subject of this Application. [See § J(5)].**

III. Surface Ownership & Use

General Description of Current Surface Use (within 860 feet of proposed surface location):

- Existing single family residences to the north
- Undeveloped and existing oil and gas facilities to the east
- Undeveloped, existing oil and gas facilities, future single family residences to the south
- Undeveloped and existing oil and gas facilities to the west

ATTACHED AS EXHIBIT D **is Current Tax Roll from Midland Central Appraisal District), which lists**

ATTACHED AS EXHIBIT E **is a** ***(map/p lat/satellite/aerial photo)*** **depicting all Residences, commercial structures, public buildings, all publicly dedicated Streets and alleys, Rights of Way, and permanent accessory structures surrounding the proposed Drill Site. The** ***(map/p lat/satellite/aerial photo)*** **includes two circles, as required by the Ordinance—one depicting a 500 foot radius and one depicting an 860 foot radius from the proposed well's surface location. [See § J(10)].**

ATTACHED AS EXHIBIT F **is a copy of the notification letter(s) sent to 100 percent of the surface owners, Certified Mail, Return Receipt Requested. [See § J(36)].**

IV. Well & Operations Information

Proposed Well Name: MB-11H

Proposed Hole Size, Casing Program and Cementing Program (attach Exhibit as Necessary)[See § J(11) and § L(4)]:

Attached as Exhibit V.

Legal Description of Proposed Well Site:
SHL - 1,510' FWL and 485' FNL-Situated in Section 6, A-15, Block X, H.P. Hilliard Survey, Midland County, TX

BHL - 330' FWL and 50' FSL-Situated in Section 18, A-681,Block 39, T-1-S,T& P RR Co, Midland County,TX

ATTACHED AS EXHIBIT G **is the Location Site Plan [See § J(9)].**

ATTACHED AS EXHIBIT H **is the Map with the proposed transportation route(s) and road(s) for equipment, chemicals, or refuse products used or produced in the proposed oil and gas operations. [See § J(12)].**

ATTACHED AS EXHIBIT I **is a copy of the approved Texas Railroad Commission permit to drill (Form W-1), together with all attachments** ***(also file copy of W-1 with City Secretary before commencement of drilling operations).*** **[See § J(16) and (20)].**

ATTACHED AS EXHIBIT J **is a copy of the required TCEQ report as to depth of usable quality ground water. [See § J(17)].**

ATTACHED AS EXHIBIT K (if applicable) **is the list of alternative locations developed in consultation with the Oil & Gas Advisory Committee. [See § J(27)].**

ATTACHED AS EXHIBIT L **is the Fencing and Irrigation Plan. [See § J(30)].**

ATTACHED AS EXHIBIT M **is the Road Repair Agreement and** ***Letter of Credit/Certificate of Deposit/Surety Bond*** **in the amount of at least $25,000.** ***Option (if applicable): Applicant would further state that no City-owned streets or alleys will be used by the Operator in connection with its oil and gas operations and as a result, requests a waiver from the Council of this requirement. Option B (if applicable):*** **Because Applicant has three Road Repair Agreements in effect that have been approved by the Council, Applicant requests that the Council consolidate all agreements into one and is filing the necessary $75,000** ***letter of credit/certificate of deposit/surety bond*** **in conjunction with this request. [See § J(31)].**

ATTACHED AS EXHIBIT N **is the Concept Plan depicting the proposed Operations Site (which includes tanks, roads, power lines, and pipeline routes). [See § J(32)].**

Description of Public Utilities required during (1) drilling and (2) operations:

(1) Drilling:
None.

(2) Opera tions:

Electrical.

Description of water source to be used during Drilling:

Water will be stored in off-site frac ponds. Water source will be from an off-site water well or trucked if necessary.

Description of all electric lines to production facilities (reference exhibits as necessary) [See § L(10)]:

Attached as Exhibit N

Plan detailing construction, location, and closure of pits used for Drilling and Completion operations (attach exhibit if necessary) [See § J(35)]:

Attached as Exhibit O

V. Additional Required Exhibits

***ATTACHED AS EXHIBIT P* is the *Letter of Credit/Certificate of Deposit* in accordance with Subsection (K)(2). [See § J(18)].**

***ATTACHED AS EXHIBIT Q* are Tax certificates from Midland Central Appraisal District to be submitted indicating that all taxes on personal and real property, including minerals, owned by Applicant are current. [See § J(29)].**

***ATTACHED AS EXHIBIT R* is the required Insurance Certificate. [See § J(19) and § K(3)].**

***ATTACHED AS EXHIBIT S (if applicable)* is the Drainage Plan approved by the City Engineer relating to Applicant's proposed operations. [See § J(21)].**

***ATTACHED AS EXHIBIT T* is Applicant's Emergency Action Response Plan. [See § J(22)].**

***ATTACHED AS EXHIBIT U* is Applicant's Hazardous Materials Management Plan, a copy of which has been submitted and is on file with the Midland Fire Department. [See § J(23)].**

City Council Meeting

Item Number: 34

Meeting Date: November 16, 2021

To: City Council / City Manager

From: Cole Furqueron,

Subject: **AN ORDINANCE GRANTING A SPECIAL EXCEPTION FOR LOT 12, BLOCK 50, EAST MIDLAND ADDITION, CITY AND COUNTY OF MIDLAND, TEXAS (GENERALLY LOCATED AT THE SOUTHEAST CORNER OF THE INTERSECTION OF NORTH TYLER STREET AND ORCHARD LANE), BY PERMITTING A REDUCED MINIMUM LOT WIDTH IN THE EVENT THAT THE ZONING DISTRICT MAP OF THE CITY OF MIDLAND IS AMENDED TO REZONE THE PROPERTY FROM HI, HEAVY INDUSTRIAL DISTRICT TO SF-3, SINGLE-FAMILY DWELLING DISTRICT; CONTAINING A CUMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; PROVIDING FOR A MAXIMUM PENALTY OR FINE OF TWO THOUSAND DOLLARS ($2,000.00); ORDERING RECORDATION BY THE CITY SECRETARY IN THE DEED RECORDS OF MIDLAND COUNTY, TEXAS; AND ORDERING PUBLICATION (DISTRICT 2) (DEVELOPMENT SERVICES)**

Purpose:

The applicant, Sylvia Howard, is requesting a Special Exemption from the City of Midland Zoning Ordinance, Section 5.04- Residential Zoning District Dimensional Regulations Chart, concerning the minimum lot width for a corner lot in an SF-3 Single-family Residential Zoning. The 50 foot lot width does not comply with the 55 foot minimum width as indicated by the Zoning Code.

Recommended City Council Action:

Approve

Fiscal Impact:

No City funds are required to process this request.

Discussion:

The property is located at 610 N. Tyler Street and is currently a vacant lot. The applicant is requesting a special exception to the minimum lot width for the prosed SF-3 Single-Family Dwelling District to be able to proceed with the application or rezoning the property to build a single-family home.

The property is currently zoned HI, Heavy Industrial District and does not meet the minimum lot dimensions for its proposed district.

> Per our City of Midland Zoning Ordinance, *Section 5.04 – Residential Zoning District Dimensional Regulations Chart:*
>
> *SF-3, Single Family Dwelling District*
> *Lot dimensions*
> *Minimum Lot Width:*
> *Corner Lot: 55 Feet*

As shown on East Midland plat, this property is currently 50 feet wide and 140 feet deep.

This request has been circulated to all pertinent City departments for review. Below are the departments' comments.

Engineering: (Approved)

No objections to zone change.

Site drainage, utilities, driveway access, and traffic circulation may be adjusted during construction drawing review as necessary to receive building permit approval from Engineering and Traffic Operations.

Transportation: (Approved)

Site drainage, utilities, driveway access, and traffic circulation may be adjusted during construction drawing review as necessary to receive building permit approval from Engineering and Traffic Operations.

No objection to zone change.

Fire: (Approved)

No objections.

Code Compliance: (Approved)

No Oil and Gas issues.

Building: (Approved)

No issues. All future structures must adhere to the 2018 International Building Codes, the 2015 International Energy Code, the 2020 NEC requirements, the 2015 International Fire Codes, local city ordinances, zoning requirements, established setbacks, and floodplain requirements if necessary.

Planning Analysis:

While this request represents a deviation from the existing Zoning Ordinance, due to the unique circumstances surrounding the lot in question, staff is recommending approval of this application for a Special Exception to the City of Midland Zoning Ordinance, Section 5.04 – Residential Zoning District Dimensional Regulations Chart. This lot has been platted and zoned in a way that prohibits development, therefore, the City has inadvertently forced this property and others around it to remain vacant under the current zoning ordinance. During the initial adoption period of the new zoning ordinance, there were several lots in this area that were re-zoned to SF-3, single family dwelling district that fell into this same issue. Additionally, the area has dispersed single family housing that was developed before the new zoning ordinance took effect, therefore, developing this property as a single-family home would fit with the character of the neighborhood. This special exception is required in order to change the zoning to SF-3 to better conform to develop a single-family residence. This request is in compliance with the Tall City Tomorrow Comprehensive Plan, Chapter 3 An Integrated Land Use Vision, “Future Land Use Map” as it designates this area for Urban Residential-Medium, a classification which calls for “a mix of housing styles including single-family detached, single-family attached, and townhouses.” This special exception would allow for the development of a single-family residence on this lot that would otherwise remain vacant.

Due to these factors, staff is recommending approval of this special exception subject to conditions A and B.

Conditions:

A. **That the minimum lot width shall be 50 feet.**

B. **That approval of a zone change to SF-3, Single Family Dwelling District shall be required prior to any development on the property.**

Letters of Objection:

As of November 10, 2021, staff has not received any letters of objection

ORDINANCE NO. _____

AN ORDINANCE GRANTING A SPECIAL EXCEPTION FOR LOT 12, BLOCK 50, EAST MIDLAND ADDITION, CITY AND COUNTY OF MIDLAND, TEXAS (GENERALLY LOCATED AT THE SOUTHEAST CORNER OF THE INTERSECTION OF NORTH TYLER STREET AND ORCHARD LANE), BY PERMITTING A REDUCED MINIMUM LOT WIDTH IN THE EVENT THAT THE ZONING DISTRICT MAP OF THE CITY OF MIDLAND IS AMENDED TO REZONE THE PROPERTY FROM HI, HEAVY INDUSTRIAL DISTRICT TO SF-3, SINGLE-FAMILY DWELLING DISTRICT; CONTAINING A CUMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; PROVIDING FOR A MAXIMUM PENALTY OR FINE OF TWO THOUSAND DOLLARS ($2,000.00); ORDERING RECORDATION BY THE CITY SECRETARY IN THE DEED RECORDS OF MIDLAND COUNTY, TEXAS; AND ORDERING PUBLICATION

WHEREAS, the City Council modified the authority of the Board of Adjustment in Title XI, Chapter 1, Section 7 ("Section 11-1-7") of the Midland City Code; and

WHEREAS, Section 11-1-7 provides for the consideration of requests for special exceptions to the Midland Zoning Ordinance; and

WHEREAS, the Council finds that satisfactory evidence has been presented that the use to be authorized by the granting of the special exception will not be detrimental to the health, safety, comfort and welfare of the occupants of the land area near the tract on which the use to be allowed by special exception will be located; and

WHEREAS, the Council finds that it is clearly and specifically authorized by the terms of Section 11-1-7 to grant such a special exception, and said exception will be in harmony with the general purposes and intent of the zoning provisions of the Midland City Code; and

WHEREAS, after a full and fair public hearing at which all parties in interest were offered an opportunity to be heard, all pursuant to law, the Council finds it to be in the public interest to grant a special exception to the Zoning Code, pursuant to Section 11-1-7, for the purposes herein stated, subject to special conditions;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MIDLAND, TEXAS:

SECTION ONE. That a special exception is hereby granted for the property described as Lot 12, Block 50, East Midland Addition, City and County of Midland, Texas (the "Property"). Said special exception shall allow a reduced minimum lot width in the event that the Zoning District Map of the City of Midland, Texas, is amended to rezone the Property from HI, Heavy Industrial District to SF-3, Single-Family Dwelling District.

SECTION TWO. That said special exception is subject to the following special conditions:

A. That the minimum lot width shall be 50 feet.

B. That said special exception shall be of no force or effect unless and until the Property is rezoned as described in Section One of this ordinance.

SECTION THREE. The provisions of this ordinance are to be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided, however, that all prior ordinances or parts of ordinances inconsistent with or in conflict with any of the provisions of this ordinance are hereby expressly repealed to the extent of any such inconsistency or conflict.

SECTION FOUR. If any section, subsection, sentence, clause or phrase of this ordinance is, for any reason, held to be unconstitutional or invalid, such holding shall not affect the validity of the remaining portions of this ordinance. The Council of the City of Midland hereby declares that it would have passed this ordinance and each section, subsection, sentence, clause, or phrase hereof irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared unconstitutional or invalid.

SECTION FIVE. The penalty for violation of this ordinance shall be in accordance with the general penalty provisions contained in Section 1-3-1 of the City Code of Midland, Texas, which provides for a fine not exceeding two thousand dollars ($2,000.00).

SECTION SIX. The City Secretary is hereby authorized and directed to file this ordinance with the Office of the County Clerk for purposes of recordation.

SECTION SEVEN. The City Secretary is hereby authorized and directed to publish the descriptive caption of this ordinance in the manner and for the length of time prescribed by the law as an alternative method of publication.

The above and foregoing ordinance was duly proposed, read in full and adopted on first reading, the _____ day of _____, A.D., 2021; and passed to second reading on motion of Council member _____, seconded by Council member _____, by the following vote:

Legal Description
Lot: 12 Block: 50 Subdivision: East Midland Addition

Current Zoning: HI, Heavy Industrial District

This property qualifies as an exception to the City Code because:

- ☐ It is an expansion of a nonconforming use.
- ☐ There are existing nonconforming structures in the area.
- ☐ The addition of architectural or other projections of a minor extent.

Reason for Request: Rezone to residential so we can build a single family residence on this lot

STOP

City Council Meeting

Item Number: 35

Meeting Date: November 16, 2021

To: City Council / City Manager

From: Kelly Martinez, Senior Planner

Subject: AN ORDINANCE AMENDING THE ZONING DISTRICT MAP OF THE CITY OF MIDLAND TO REZONE LOTS 1 AND 2, BLOCK 24, BELMONT ADDITION, CITY AND COUNTY OF MIDLAND, TEXAS, FROM MH, MANUFACTURED HOUSING DISTRICT TO RR, REGIONAL RETAIL DISTRICT (GENERALLY LOCATED AT THE SOUTHWEST CORNER OF THE INTERSECTION OF WEST FRANCIS AVENUE AND SOUTH MAIN STREET); CONTAINING A CUMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; PROVIDING FOR A MAXIMUM PENALTY OR FINE OF TWO THOUSAND DOLLARS ($2,000.00); AND ORDERING PUBLICATION (DISTRICT 2) (DEVELOPMENT SERVICES)

Purpose:

The applicant, Faye Golden Homes, LLC, is requesting to rezone the property of Lots 1 & 2, Block 24, Belmont Addition, City and County of Midland, Texas, for the development of office buildings.

Recommended City Council Action:

Approve

Fiscal Impact:

This request does not require any City funds.

Current Zoning:

MH, Manufactured Housing District

Surrounding Zoning and Land Use:

The property to the north across West Francis Avenue is zoned SF-2, Single- Family Dwelling District, and the location of a church. The properties to the east and south are zoned RR, Regional Retail District, and the location of offices and vacant land. The properties to the west are zoned SF-2, Single-Family Dwelling District, and the location of residences.

Analysis:

The property is located on Lots 1 and 2, Block 24, Belmont Addition, City and County of Midland, Texas, and is currently vacant. The applicant, Faye Golden Homes, LLC, is requesting this zone change to allow for the development of an office. The property meets the minimum lot size requirements for the RR, Regional Retail District. This zone change will be consistent with the surrounding zoning districts in this area.

This proposed zone change has been circulated to the respective City departments for internal review and their comments, conditions, and requirements are as follows:

Fire: (Approved)

No objection.

Building: (Approved)

No issues. All future structures must adhere to the 2018 International Building Codes, the 2015 International Energy Code, the 2020 NEC requirements, the 2015 International Fire Codes, local city ordinances, zoning requirements, established setbacks, and floodplain requirements if necessary.

Engineering: (Approved)

No objection to zone change.

Site drainage, utilities, driveway access, and traffic circulation may be adjusted during construction drawing review as necessary to receive building permit approval from Engineering and Traffic Operations.

Code: (Approved)

No Oil or Gas wells identified within 500 ft. permitted well radius or in the 135 ft. non-permitted well radius of location on plat. Please note if oil & gas wells are not identified or left off of plat, this could prevent receiving city permits for structures.

Transportation: (Approved)

Site drainage, utilities, driveway access, and traffic circulation may be adjusted during construction drawing review as necessary to receive building permit approval from Engineering and Traffic Operations.

No objection to zone change.

Planning:

The request is not compliant with the *Tall City Tomorrow Comprehensive Plan, Chapter 3-An Integrated Land Use Vision.* This area calls for urban-residential medium, a designation that incorporates a mix of housing types, including single-family detached, single-family attached and townhouse uses. The development of an office would not follow the recommendations of the Tall City Tomorrow. However, the development of an office does fit the surrounding land uses in that district.

This request was approved at the October 18, 2021 Planning and Zoning Commission meeting.

Staff recommends approval of this zone change from MH, Manufacturing Housing District to RR, Regional Retail District, subject to condition A.

Conditions:

A. That the use and development of this property shall conform to the regulations of the RR, Regional Retail District.

Letters of Objection:

Staff has not received any letters of objection as of November 10, 2021.

ORDINANCE NO. _____

AN ORDINANCE AMENDING THE ZONING DISTRICT MAP OF THE CITY OF MIDLAND TO REZONE LOTS 1 AND 2, BLOCK 24, BELMONT ADDITION, CITY AND COUNTY OF MIDLAND, TEXAS, FROM MH, MANUFACTURED HOUSING DISTRICT TO RR, REGIONAL RETAIL DISTRICT (GENERALLY LOCATED AT THE SOUTHWEST CORNER OF THE INTERSECTION OF WEST FRANCIS AVENUE AND SOUTH MAIN STREET); CONTAINING A CUMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; PROVIDING FOR A MAXIMUM PENALTY OR FINE OF TWO THOUSAND DOLLARS ($2,000.00); AND ORDERING PUBLICATION

WHEREAS, the City Planning and Zoning Commission and the Governing Body of the City of Midland, in compliance with the City Charter, the City Code, and State law, have given the requisite notices by United States mail, publication and otherwise; and after a full and fair hearing to all of the property owners generally and particularly to those interested persons situated in the affected area and in the vicinity thereof, the Governing Body finds that the public health, safety and general welfare will be best served by rezoning Lots 1 and 2, Block 24, Belmont Addition, City and County of Midland, Texas (the "Property") to RR, Regional Retail District, as set out hereinafter;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MIDLAND, TEXAS:

SECTION ONE. That the Zoning District Map of the City of Midland, Texas, is hereby amended to rezone the Property from MH, Manufactured Housing District to RR, Regional Retail District.

SECTION TWO. That the definitions given in the zoning regulations contained in the City Code of the City of Midland, Texas, shall be applicable to such of those terms as are used herein.

SECTION THREE. The provisions of this ordinance are to be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided, however, that all prior ordinances or parts of ordinances

inconsistent with or in conflict with any of the provisions of this ordinance are hereby expressly repealed to the extent of any such inconsistency or conflict.

SECTION FOUR. If any section, subsection, sentence, clause or phrase of this ordinance is, for any reason, held to be unconstitutional or invalid, such holding shall not affect the validity of the remaining portions of this ordinance. The Council of the City of Midland hereby declares that it would have passed this ordinance and each section, subsection, sentence, clause, or phrase hereof irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared unconstitutional or invalid.

SECTION FIVE. The penalty for violation of this ordinance shall be in accordance with the general penalty provisions contained in Section 1-3-1 of the City Code of Midland, Texas, which provides for a fine not exceeding two thousand dollars ($2,000.00).

SECTION SIX. The City Secretary is hereby authorized and directed to publish the descriptive caption of this ordinance in the manner and for the length of time prescribed by the law as an alternative method of publication.

The above and foregoing ordinance was duly proposed, read in full and adopted on first reading, the _____ day of _____, A.D., 2021; and passed to second reading on motion of Council member _____, seconded by Council member _____, by the following vote:

Council members voting "AYE":

City Council Meeting

Item Number: 36

Meeting Date: November 16, 2021

To: City Council / City Manager

From: Kelly Martinez, Senior Planner

Subject: **AN ORDINANCE GRANTING A SPECIAL EXCEPTION FOR LOT 6, BLOCK 50, EAST MIDLAND ADDITION, CITY AND COUNTY OF MIDLAND, TEXAS (GENERALLY LOCATED AT THE NORTHWEST CORNER OF THE INTERSECTION OF NORTH MADISON STREET AND SOUTH STREET), BY PERMITTING A REDUCED MINIMUM LOT WIDTH IN THE EVENT THAT THE ZONING DISTRICT MAP OF THE CITY OF MIDLAND IS AMENDED TO REZONE THE PROPERTY FROM HI, HEAVY INDUSTRIAL DISTRICT TO SF-3, SINGLE-FAMILY DWELLING DISTRICT; CONTAINING A CUMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; PROVIDING FOR A MAXIMUM PENALTY OR FINE OF TWO THOUSAND DOLLARS ($2,000.00); ORDERING RECORDATION BY THE CITY SECRETARY IN THE DEED RECORDS OF MIDLAND COUNTY, TEXAS; AND ORDERING PUBLICATION (DISTRICT 2) (DEVELOPMENT SERVICES)**

Purpose:

The applicant, Raphael Okugbere, is requesting a Special Exception from the City of Midland Zoning Ordinance, *Section 5.04 – Residential Zoning District Dimensional Regulations Chart*, concerning the minimum lot dimension to be able to rezone the property into SF-3, Single-Family Dwelling District.

Recommended City Council Action:

Approve

Fiscal Impact:

No City funds are required to process this request.

Discussion:

The property is located at 601 N Madison Street and the location of vacant land. The applicant is requesting a special exception to the minimum lot width for the proposed SF-3, Single Family Dwelling District to be able to proceed with the application of rezoning the property to build a single family home.

The property is currently zoned HI, Heavy Industrial District and does not meet the minimum lot dimensions for either its current district, or the proposed district.

Per our City of Midland Zoning Ordinance, *Section 5.04 – Residential Zoning District Dimensional Regulations Chart:*

SF-3, Single Family Dwelling District
Lot dimensions
Minimum Lot Width:
Corner Lot: 55 Feet

As shown on East Midland plat, this property is currently 50 feet wide and 140 feet deep.

This request has been circulated to all pertinent City departments for review. Below are the departments' comments.

Engineering: (Approved)

No objections to zone change.

Site drainage, utilities, driveway access, and traffic circulation may be adjusted during construction drawing review as necessary to receive building permit approval from Engineering and Traffic Operations.

Transportation: (Approved)

Site drainage, utilities, driveway access, and traffic circulation may be adjusted during construction drawing review as necessary to receive building permit approval from Engineering and Traffic Operations.

No objection to zone change.

Fire: (Approved)

No objections.

Code Compliance: (Approved)

No Oil and Gas issues.

Building: (Approved)

No issues. All future structures must adhere to the 2018 International Building Codes, the 2015 International Energy Code, the 2020 NEC requirements, the 2015 International Fire Codes, local city ordinances, zoning requirements, established setbacks, and floodplain requirements if necessary.

Planning Analysis:

While this request represents a deviation from the existing Zoning Ordinance, due to the unique circumstances surrounding the lot in question, staff is recommending approval of this application for a Special Exception to the City of Midland Zoning Ordinance, Section 5.04 – Residential Zoning District Dimensional Regulations Chart. This lot has been platted and zoned in a way that prohibits development, therefore, the City has inadvertently forced this property and others around it to remain vacant under the current zoning ordinance. During the initial adoption period of the new zoning ordinance, there were several lots in this area that were re-zoned to SF-3, single family dwelling district that fell into this same issue. Additionally, the area has dispersed single family housing that was developed before the new zoning ordinance took effect, therefore, developing this property as a single-family home would fit with the character of the neighborhood. This special exception is required in order to change the zoning to SF-3 to better conform to develop a single-family residence. This request is in compliance with the Tall City Tomorrow Comprehensive Plan, Chapter 3 An Integrated Land Use Vision, “Future Land Use Map” as it designates this area for Urban Residential-Medium, a classification which calls for “a mix of housing styles including single-family detached, single-family attached, and townhouses.” This special exception would allow for the development of a single-family residence on this lot that would otherwise remain vacant.

Due to these factors, staff is recommending approval of this special exception subject to conditions A and B.

Conditions:

A. That the minimum lot width shall be 50 feet.

B. That approval of a zone change to SF-3, Single Family Dwelling District shall be required prior to any development on the property.

Letters of Objection:

As of November 10, 2021, staff has not received any letters of objection

ORDINANCE NO. _____

AN ORDINANCE GRANTING A SPECIAL EXCEPTION FOR LOT 6, BLOCK 50, EAST MIDLAND ADDITION, CITY AND COUNTY OF MIDLAND, TEXAS (GENERALLY LOCATED AT THE NORTHWEST CORNER OF THE INTERSECTION OF NORTH MADISON STREET AND SOUTH STREET), BY PERMITTING A REDUCED MINIMUM LOT WIDTH IN THE EVENT THAT THE ZONING DISTRICT MAP OF THE CITY OF MIDLAND IS AMENDED TO REZONE THE PROPERTY FROM HI, HEAVY INDUSTRIAL DISTRICT TO SF-3, SINGLE-FAMILY DWELLING DISTRICT; CONTAINING A CUMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; PROVIDING FOR A MAXIMUM PENALTY OR FINE OF TWO THOUSAND DOLLARS ($2,000.00); ORDERING RECORDATION BY THE CITY SECRETARY IN THE DEED RECORDS OF MIDLAND COUNTY, TEXAS; AND ORDERING PUBLICATION

WHEREAS, the City Council modified the authority of the Board of Adjustment in Title XI, Chapter 1, Section 7 ("Section 11-1-7") of the Midland City Code; and

WHEREAS, Section 11-1-7 provides for the consideration of requests for special exceptions to the Midland Zoning Ordinance; and

WHEREAS, the Council finds that satisfactory evidence has been presented that the use to be authorized by the granting of the special exception will not be detrimental to the health, safety, comfort and welfare of the occupants of the land area near the tract on which the use to be allowed by special exception will be located; and

WHEREAS, the Council finds that it is clearly and specifically authorized by the terms of Section 11-1-7 to grant such a special exception, and said exception will be in harmony with the general purposes and intent of the zoning provisions of the Midland City Code; and

WHEREAS, after a full and fair public hearing at which all parties in interest were offered an opportunity to be heard, all pursuant to law, the Council finds it to be in the public interest to grant a special exception to the Zoning Code, pursuant to Section 11-1-7, for the purposes herein stated, subject to special conditions;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MIDLAND, TEXAS:

SECTION ONE. That a special exception is hereby granted for the property described as Lot 6, Block 50, East Midland Addition, City and County of Midland, Texas (the "Property"). Said special exception shall allow a reduced minimum lot width in the event that the Zoning District Map of the City of Midland, Texas, is amended to rezone the Property from HI, Heavy Industrial District to SF-3, Single-Family Dwelling District.

SECTION TWO. That said special exception is subject to the following special conditions:

A. That the minimum lot width shall be 50 feet.

B. That said special exception shall be of no force or effect unless and until the Property is rezoned as described in Section One of this ordinance.

SECTION THREE. The provisions of this ordinance are to be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided, however, that all prior ordinances or parts of ordinances inconsistent with or in conflict with any of the provisions of this ordinance are hereby expressly repealed to the extent of any such inconsistency or conflict.

SECTION FOUR. If any section, subsection, sentence, clause or phrase of this ordinance is, for any reason, held to be unconstitutional or invalid, such holding shall not affect the validity of the remaining portions of this ordinance. The Council of the City of Midland hereby declares that it would have passed this ordinance and each section, subsection, sentence, clause, or phrase hereof irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared unconstitutional or invalid.

SECTION FIVE. The penalty for violation of this ordinance shall be in accordance with the general penalty provisions contained in Section 1-3-1 of the City Code of Midland, Texas, which provides for a fine not exceeding two thousand dollars ($2,000.00).

SECTION SIX. The City Secretary is hereby authorized and directed to file this ordinance with the Office of the County Clerk for purposes of recordation.

SECTION SEVEN. The City Secretary is hereby authorized and directed to publish the descriptive caption of this ordinance in the manner and for the length of time prescribed by the law as an alternative method of publication.

The above and foregoing ordinance was duly proposed, read in full and adopted on first reading, the _____ day of _____, A.D., 2021; and passed to second reading on motion of Council member _____, seconded by Council member _____, by the following vote:

Council members voting "AYE":

Council members voting "NAY":

The above and foregoing ordinance was read in full and finally adopted by the following vote upon motion of Council member _____, seconded by Council member _____, on the _____ day of _____, A.D., 2021, at a regular meeting of the City Council:

GMC

City Council Meeting

Item Number: 37

Meeting Date: November 16, 2021

To: City Council / City Manager

From: Kelly Martinez, Senior Planner

Subject: **AN ORDINANCE GRANTING A SPECIAL EXCEPTION FOR LOT 3, BLOCK 2, BECKLAND TERRACE, CITY AND COUNTY OF MIDLAND, TEXAS (GENERALLY LOCATED ON THE SOUTH SIDE OF COUNTRY CLUB DRIVE, APPROXIMATELY 312 FEET WEST OF DELMAR STREET), BY PERMITTING A REDUCED MINIMUM SIDE YARD SETBACK ON THE WEST SIDE OF THE LOT AND A REDUCED MINIMUM REAR YARD SETBACK; CONTAINING A CUMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; PROVIDING FOR A MAXIMUM PENALTY OR FINE OF TWO THOUSAND DOLLARS ($2,000.00); ORDERING RECORDATION BY THE CITY SECRETARY IN THE DEED RECORDS OF MIDLAND COUNTY, TEXAS; AND ORDERING PUBLICATION (DISTRICT 4) (DEVELOPMENT SERVICES)**

Purpose:

The applicant, Benny Fehr, is requesting a Special Exception from the City of Midland Zoning Ordinance, *Section 5.04 – Residential Zoning District Dimensional Regulations Chart*, concerning the minimum side and rear yard setback for an interior lot to add a metal building on the property.

Recommended City Council Action:

Deny

Fiscal Impact:

No City funds are required to process this request.

Discussion:

The property is located at 4307 Country Club, which is zoned SF-2, Single Family Dwelling

District.

Per our City of Midland Zoning Ordinance, *Section 5.04 – Residential Zoning District Dimensional Regulations Chart:*

SF-2, Single Family Dwelling District
Lot dimensions
Minimum Side Yard Setback:
Interior Lot: 5 Feet
Minimum Rear Yard Setback:
Where an alley adjoins the rear lot line: 5 feet any structure(garage, carport) with alley access.

The property is an interior lot and would have to meet the required minimum 5-foot side yard setback for an interior lot. The property owner intends to have rear entry access from the alley; therefore, they would have to meet the required minimum 5-foot rear yard setback as listed in the zoning ordinance.

The applicant is requesting to reduce the required minimum side yard setback for an interior lot to be three (3) feet and the minimum rear yard setback to be zero (0) feet to be able to proceed with the addition of a 20' x 20' (400 sq. ft.) metal building. However, this property faces no hardships. There are other alternatives to accommodate the proposed addition without a special exception. For example, the metal building can be relocated to the southeast side of the property and maintain the required minimum side and rear yard setback. Another option would be to reduce the size and scale of the proposed metal building. Therefore, this request does not constitute a lack of reasonable use.

This request has been circulated to all pertinent City departments for review. Below are the departments' comments.

Engineering: (Approved)

No objection.

Transportation: (Approved)

Site drainage, utilities, driveway access, and traffic circulation may be adjusted during construction drawing review as necessary to receive building permit approval from Engineering and Traffic Operations.

No objection to zone change.

Fire: (Approved)

No objections.

Code Compliance: (Approved)

No Oil and Gas issues.

Building: (Approved with Conditions)

No objections. Building must be a minimum of 10 feet away from any dwellings on or off the property. Must also be a minimum of 5 feet from any other detached accessory building including pools or canopies

Planning Analysis:

As this request represents a deviation from the existing Zoning Ordinance, staff would recommend denial of this application for a Special Exception to the City of Midland Zoning Ordinance, *Section 5.04 – Residential Zoning District Dimensional Regulations Chart* concerning the minimum side and rear yard setback for an interior lot.

Should the City Council approve this request, the property shall be subject to conditions A and C:

Conditions:

A. That the property shall significantly conform to the site plan shown in Exhibit "A", which is attached hereto and incorporated herein for all purposes.

B. That the minimum side yard setback for the proposed addition on the western side of the property shall be three (3) feet.

C. That the minimum rear yard setback of the proposed addition shall be zero (0) feet.

Letters of Objection:

As of November 10, 2021, staff has not received any letters of objection

ORDINANCE NO. _____

AN ORDINANCE GRANTING A SPECIAL EXCEPTION FOR LOT 3, BLOCK 2, BECKLAND TERRACE, CITY AND COUNTY OF MIDLAND, TEXAS (GENERALLY LOCATED ON THE SOUTH SIDE OF COUNTRY CLUB DRIVE, APPROXIMATELY 312 FEET WEST OF DELMAR STREET), BY PERMITTING A REDUCED MINIMUM SIDE YARD SETBACK ON THE WEST SIDE OF THE LOT AND A REDUCED MINIMUM REAR YARD SETBACK; CONTAINING A CUMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; PROVIDING FOR A MAXIMUM PENALTY OR FINE OF TWO THOUSAND DOLLARS ($2,000.00); ORDERING RECORDATION BY THE CITY SECRETARY IN THE DEED RECORDS OF MIDLAND COUNTY, TEXAS; AND ORDERING PUBLICATION

WHEREAS, the City Council modified the authority of the Board of Adjustment in Title XI, Chapter 1, Section 7 ("Section 11-1-7") of the Midland City Code; and

WHEREAS, Section 11-1-7 provides for the consideration of requests for special exceptions to the Midland Zoning Ordinance; and

WHEREAS, the Council finds that satisfactory evidence has been presented that the use to be authorized by the granting of the special exception will not be detrimental to the health, safety, comfort and welfare of the occupants of the land area near the tract on which the use to be allowed by special exception will be located; and

WHEREAS, the Council finds that it is clearly and specifically authorized by the terms of Section 11-1-7 to grant such a special exception, and said exception will be in harmony with the general purposes and intent of the zoning provisions of the Midland City Code; and

WHEREAS, after a full and fair public hearing at which all parties in interest were offered an opportunity to be heard, all pursuant to law, the Council finds it to be in the public interest to grant a special exception to the Zoning Code, pursuant to Section 11-1-7, for the purposes herein stated, subject to special conditions;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE

CITY OF MIDLAND, TEXAS:

SECTION ONE. That a special exception is hereby granted for the property described as Lot 3, Block 2, Beckland Terrace, City and County of Midland, Texas. Said special exception shall allow a reduced minimum side yard setback on the west side of the lot and a reduced minimum rear yard setback.

SECTION TWO. Said special exception is subject to the following special conditions:

A. That the minimum side yard setback on the west side of the lot shall be three feet.

B. That the minimum rear yard setback shall be zero feet.

C. That the property shall significantly conform to Exhibit "A", which is attached hereto and incorporated herein for all purposes.

SECTION THREE. The provisions of this ordinance are to be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided, however, that all prior ordinances or parts of ordinances inconsistent with or in conflict with any of the provisions of this ordinance are hereby expressly repealed to the extent of any such inconsistency or conflict.

SECTION FOUR. If any section, subsection, sentence, clause or phrase of this ordinance is, for any reason, held to be unconstitutional or invalid, such holding shall not affect the validity of the remaining portions of this ordinance. The Council of the City of Midland hereby declares that it would have passed this ordinance and each section, subsection, sentence, clause, or phrase hereof irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared unconstitutional or invalid.

SECTION FIVE. The penalty for violation of this ordinance shall be in accordance with the general penalty provisions contained in Section 1-3-1 of the City Code of Midland, Texas, which provides for a fine not exceeding two thousand dollars ($2,000.00).

SECTION SIX. The City Secretary is hereby authorized and directed to file this

ordinance with the Office of the County Clerk for purposes of recordation.

SECTION SEVEN. The City Secretary is hereby authorized and directed to publish the descriptive caption of this ordinance in the manner and for the length of time prescribed by the law as an alternative method of publication.

The above and foregoing ordinance was duly proposed, read in full and adopted on first reading, the _____ day of _____, A.D., 2021; and passed to second reading on motion of Council member _____, seconded by Council member _____, by the following vote:

Council members voting "AYE":

MIDLAND

City Council Meeting

Item Number: 38

Meeting Date: November 16, 2021

To: City Council / City Manager

From: Kelly Martinez, Senior Planner

Subject: **AN ORDINANCE AMENDING THE ZONING DISTRICT MAP OF THE CITY OF MIDLAND TO GRANT A SPECIFIC USE DESIGNATION WITHOUT TERM FOR A 30.80-ACRE TRACT OF LAND OUT OF SECTIONS 37 AND 38, BLOCK 40, T-1-S, T&P RR CO. SURVEY, CITY AND COUNTY OF MIDLAND, TEXAS (GENERALLY LOCATED AT THE SOUTHWEST CORNER OF THE INTERSECTION OF STATE HIGHWAY 191 AND AVALON DRIVE), WHICH IS PRESENTLY ZONED RR, REGIONAL RETAIL DISTRICT, ALLOWING SAID PROPERTY TO BE USED FOR AUTOMOBILE OR OTHER MOTORIZED VEHICLE SALES AND SERVICE; MAKING SAID DESIGNATION SUBJECT TO CERTAIN CONDITIONS AND RESTRICTIONS CONTAINED HEREIN; CONTAINING A CUMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; PROVIDING FOR A MAXIMUM PENALTY OR FINE OF TWO THOUSAND DOLLARS ($2,000.00); AND ORDERING PUBLICATION (DISTRICT 4) (DEVELOPMENT SERVICES)**

Purpose:

The applicant, Lusso Real Estate, LLC, is requesting a Specific Use Designation without Term for Automobile or other Motorized Vehicle Sales and Services in order to open a new car dealership.

Recommended City Council Action:

Approve

Fiscal Impact:

Processing this request does not require any City funds.

Current Zoning:

RR, Regional Retail District

Surrounding Zoning and Land Use:

The property to the north across State Highway 191 is zoned ETJ, Extraterritorial Jurisdiction and is the location of vacant land. The properties to the east are zoned RR, Regional Retail District, and the location of Kent Kwik; and PD, Planned District, and the location of a vacant lot. The properties to the south are zoned RR, Regional Retail District, and the location of vacant lots; and PD, Planned District, and the locations of a vacant lot. The property to the west is zoned ETJ, Extraterritorial Jurisdiction, and the location of vacant land.

Analysis:

The property is currently vacant and is zoned RR, Regional Retail District. Per section 4.03 Use Chart of the zoning ordinance, a car dealership is allowed in the RR, Regional Retail District with a Specific Use Designation without Term.

The proposed site plan, hereto shown as Exhibit B, illustrates eight (8) buildings consisting of three (3) car dealerships, two (2) service centers, a car wash, an amenities building, and a photo booth building. The total square footage of all the buildings combined is about 1,341,212 square feet. The site plan illustrates 1,748 parking spaces. This site will have adequate parking.

The proposed hours of operation are the following:

Monday through Saturday, 7:00 a.m. to 10:00 p.m.

The Automobile or Other Motorized Vehicle Sales and Services will need to comply with the standards as listed in Section 4.04.A.6 of the Zoning Ordinances.

6. Automobile or Other Motorized Vehicle Sales and Service Standards

a. Allowed by Specific Use Designation, according to the permitted Use Chart.

b. All exterior light sources shall be of a down-light type, indirect, diffused, or shielded type luminaries and so installed as to reduce glare effect and consequent interference with use of adjacent properties and boundary streets.

c. No intermittent or flashing lights shall be permitted.

d. Luminaries shall be mounted at a height not to exceed 30 feet as measured vertically from the horizontal surface of the nearest parking pavement.

e. All building façades shall be constructed with the same masonry materials that meet the masonry regulations for the zoning district in which the property is located.

f. No exterior auditory devices shall be permitted.

This project has been circulated to all City departments for review. Below are the department comments.

Fire: (Approved)

No objection.

Engineering: (Approved)

No objection.

Site drainage, utilities, driveway access, and traffic circulation may be adjusted during construction drawing review as necessary to receive building permit approval from Engineering and Traffic Operations.

Transportation: (Approved with Conditions)

Access spacing will be required to adhere to the TxDOT Access Management Standards along the state highway.

Driveway permitting within city limits on I-20, LP 250, SH 191, and FM 1788 is under the jurisdiction of TxDOT. A copy of an approved TxDOT driveway permit must be provided to the City with the building permit application before a City building permit can be issued. The TxDOT Driveway Permit Coordinator is Rachael Ramirez (Rachael.Ramirez@txdot.gov, 432-498-4789).

Site drainage, utilities, driveway access, and traffic circulation may be adjusted during construction drawing review as necessary to receive building permit approval from Engineering and Traffic Operations.

No objection to zone change.

Building Code: (Approved)

No objections.

Planning:

The Future Land Use Map in the Tall City Tomorrow Comprehensive Plan calls for Urban-High uses in this area, encompassing a higher mix of housing types, major commercial, office and services uses, and limited industrial in suitable locations. Therefore, the new car dealership fits the recommendations of the Tall City Tomorrow Comprehensive Plan.

This request was approved at the November 1, 2021, Planning and Zoning Commission meeting.

This request meets all requirements; therefore, staff recommends approval of the request of the

Specific Use Designation without Term for an Automobile or other Motorized Vehicle Sales and Services, subject to Condition A through D.

Conditions:

A. **That the Automobile and other Motorized Vehicle Sales and Service shall significantly conform to the Site Plan (Exhibit B) which is attached hereto and incorporated herein for all purposes.**

B. **That the development of the automobile or other motorized vehicle sales and services shall comply with the standards listed in Section 4.04. A.6 of the Zoning Ordinance.**

C. **That the days and hours of operation of the Automobile or other Motorized Vehicle Sales and Service shall be limited to:**

Monday through Saturday, from 7:00 a.m. to 10:00 p.m.

D. **That the applicant shall obtain a Certificate of Occupancy prior to the commencement of the Automobile Sales and Services to ensure that the conditions of this permit are satisfied**

Letters of Objection:

As of November 10, 2021, staff has not received any letters of objection.

City Manager's Office

ORDINANCE NO. _____

AN ORDINANCE AMENDING THE ZONING DISTRICT MAP OF THE CITY OF MIDLAND TO GRANT A SPECIFIC USE DESIGNATION WITHOUT TERM FOR A 30.80-ACRE TRACT OF LAND OUT OF SECTIONS 37 AND 38, BLOCK 40, T-1-S, T&P RR CO. SURVEY, CITY AND COUNTY OF MIDLAND, TEXAS (GENERALLY LOCATED AT THE SOUTHWEST CORNER OF THE INTERSECTION OF STATE HIGHWAY 191 AND AVALON DRIVE), WHICH IS PRESENTLY ZONED RR, REGIONAL RETAIL DISTRICT, ALLOWING SAID PROPERTY TO BE USED FOR AUTOMOBILE OR OTHER MOTORIZED VEHICLE SALES AND SERVICE; MAKING SAID DESIGNATION SUBJECT TO CERTAIN CONDITIONS AND RESTRICTIONS CONTAINED HEREIN; CONTAINING A CUMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; PROVIDING FOR A MAXIMUM PENALTY OR FINE OF TWO THOUSAND DOLLARS ($2,000.00); AND ORDERING PUBLICATION

WHEREAS, the City Planning and Zoning Commission and the Governing Body of the City of Midland, Texas, in compliance with the City Charter, the City Code, and State law, have given the requisite notices by United States mail, publication and otherwise; and after holding due hearings affording a full and fair hearing to all of the property owners generally, and particularly to those interested persons situated in the affected area and in the vicinity thereof, the Governing Body of the City of Midland finds that the public convenience will be best served by granting a Specific Use Designation Without Term for a 30.80-acre tract of land out of Sections 37 and 38, Block 40, T-1-S, T&P RR Co. Survey, City and County of Midland, Texas, said tract being more specifically described by metes and bounds in Exhibit "A", which is attached hereto and incorporated herein (the "Property") as set out hereinafter;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MIDLAND, TEXAS:

SECTION ONE. That the Zoning District Map of the City of Midland, Texas, is hereby amended to grant the Property a Specific Use Designation Without Term for automobile or other motorized vehicle sales and service (the "Specific Use"), together with

the uses permitted in the present RR, Regional Retail District.

SECTION TWO. That the Property shall be subject to the following conditions and restrictions:

A. That the use and development of the Property for the Specific Use shall significantly conform to the site plan, which is attached hereto as Exhibit "B" and incorporated herein for all purposes.

B. That the use and development of the Property for the Specific Use shall conform to the development standards of Section 11-1-4.04.A.6 of the City Code.

C. That the days and hours of operation of the Specific Use shall be limited to Monday through Saturday from 7:00 a.m. to 10:00 p.m.

D. That the applicant shall obtain a Certificate of Occupancy prior to using the Property for the Specific Use to ensure that the conditions of this Specific Use Designation Without Term are satisfied.

SECTION THREE. The provisions of this ordinance are to be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided, however, that all prior ordinances or parts of ordinances, inconsistent with or in conflict with any of the provisions of this ordinance are hereby expressly repealed to the extent of any such inconsistency or conflict.

SECTION FOUR. If any section, subsection, sentence, clause or phrase of this ordinance is, for any reason, held to be unconstitutional or invalid, such holding shall not affect the validity of the remaining portions of this ordinance. The Council of the City of Midland hereby declares that it would have passed this ordinance and each section, subsection, sentence, clause, or phrase hereof irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared unconstitutional or invalid.

SECTION FIVE. The penalty for violation of this ordinance shall be in accordance with the general penalty provisions contained in Section 1-3-1 of the City Code of Midland, Texas, which provides for a fine not exceeding two thousand dollars ($2,000.00).

SECTION SIX. The City Secretary is hereby authorized and directed to publish the

descriptive caption of this ordinance in the manner and for the length of time prescribed by the law as an alternative method of publication.

The above and foregoing ordinance was duly proposed, read in full and adopted on first reading, the _____ day of _____, A.D., 2021; and passed to second reading on motion of Council member _____, seconded by Council member _____, by the following vote:

Council members voting "AYE":

City Council Meeting

Item Number: 39

Meeting Date: November 16, 2021

To: City Council / City Manager

From: Cole Furqueron,

Subject: **AN ORDINANCE VACATING AND ABANDONING AN APPROXIMATE 0.61-ACRE PORTION OF MOCKINGBIRD LANE / WEST COUNTY ROAD 50 RIGHT-OF-WAY LOCATED IN SECTION 10, BLOCK X, H.P. HILLIARD SURVEY, CITY AND COUNTY OF MIDLAND, TEXAS (GENERALLY LOCATED ON THE NORTH HALF OF MOCKINGBIRD LANE, APPROXIMATELY 3,300 FEET WEST OF NORTH A STREET); ADOPTING THE APPRAISAL BY THE CITY MANAGER OF $18,300.00; AUTHORIZING THE NEGOTIATION AND EXECUTION OF A QUITCLAIM DEED CONVEYING THE AFOREMENTIONED RIGHT-OF-WAY TO THE OWNER OF THE ABUTTING PROPERTY, FROM WHICH THE CITY RESERVES AND EXCEPTS A NON-EXCLUSIVE UTILITY EASEMENT UNTIL EACH EXISTING EASEMENT USER ABANDONS ITS USE OF SAID EASEMENT; AUTHORIZING THE EXECUTION OF ANY DOCUMENTS NECESSARY OR APPROPRIATE TO EFFECTUATE SAID CONVEYANCE; AND ORDERING RECORDATION BY THE CITY SECRETARY (DISTRICT 1) (DEVELOPMENT SERVICES)**

Purpose:

The applicant, Vanderpool Management, is requesting to vacate the 0.61-acre portion of the North 40-feet of an 80-foot right-of-way of Mockingbird Lane/West County Road 50 out of the SW/4 of the SE/4 of the SW/4 of Section 10, Block “X”, H.P. Hilliard Survey, County of Midland, Texas, for future expansion.

Recommended City Council Action:

Approve

Fiscal Impact:

The appraised value of the Mockingbird Lane right-of-way is $30,000.00 per acre or

$18,300.00

Discussion:

The applicant, Vanderpool Management, is requesting to vacate the 0.61-acre portion of the North 40-feet of an 80-foot right-of-way of Mockingbird Lane/West County Road 50 out of the SW/4 of the SE/4 of the SW/4 of Section 10, Block “X”, H.P. Hilliard Survey, County of Midland, Texas, for future expansion.

All the appropriate adjacent owners are aware of the proposed vacation and have signed the application.

The Midland Central’s Appraisal District’s appraisal of the land is $30,000.00 per acre or $18,300.00.

This request has been circulated and reviewed by all pertinent City departments and franchise utility companies. Their comments, conditions, and requests are as follows:

Code Compliance: (Approved)

No Oil and Gas issues.

Building Code: (Approved)

No objections.

Engineering: (Approved with Conditions)

No objections to vacation. Applicant shall be responsible for relocating any utilities, if existing, or providing easements as needed.

Fire: (Approved)

No objections.

Transportation: (Approved with Conditions)

No objections to vacation. Applicant shall be responsible for relocating any utilities, if existing, or providing easements as needed.

AT&T: (Approved)

I don’t show that we have anything in that area.

Atmos: (Approved)

Atmos Energy has no objection to the above referenced changes proposed to the Mockingbird

right of way located between Garfield and A Street in north Midland. We currently have no gas lines or facilities located within this section of right of way.

Grande: (Approved)

We do not have any underground communications in this section of mockingbird.

Oncor: (Approved with Conditions)

Per our phone conversation and speaking with our ROW group. Oncor is retaining the easement at this location.

Suddenlink: (Approved)

We do not have any plant at this location we are good with this request.

Midland Central Appraisal District:

The vacation area indicated has a current value of $30,000.00 per acre or $ 18,300.00.

Planning:

Pertinent City departments and franchise utility companies have reviewed this vacation request and have approved it with the condition that a utility easement is retained.

Therefore, staff recommends approval of the vacation of a 0.61-acre portion of the North 40-feet of an 80-foot right-of-way of Mockingbird Lane/West County Road 50 out of the SW/4 of the SE/4 of the SW/4 of Section 10, Block “X”, H.P. Hilliard Survey, County of Midland, Texas, to be subject to conditions A through D.

Conditions:

A. **That the City of Midland has received from the property owner the sum of $18,300.00.**

B. **That an accessible nonexclusive utility easement is retained.**

C. **Authorization for City Manager to execute a quitclaim deed.**

D. **That a replat of the subject property is approved by the City of Midland and filed and recorded with the County Clerk of Midland County.**

Letters of Objection:

As of November 10, 2020, staff has not received any letters of objection to this request.

City Manager's Office

ORDINANCE NO. _____

AN ORDINANCE VACATING AND ABANDONING AN APPROXIMATE 0.61-ACRE PORTION OF MOCKINGBIRD LANE / WEST COUNTY ROAD 50 RIGHT-OF-WAY LOCATED IN SECTION 10, BLOCK X, H.P. HILLIARD SURVEY, CITY AND COUNTY OF MIDLAND, TEXAS (GENERALLY LOCATED ON THE NORTH HALF OF MOCKINGBIRD LANE, APPROXIMATELY 3,300 FEET WEST OF NORTH A STREET); ADOPTING THE APPRAISAL BY THE CITY MANAGER OF $18,300.00; AUTHORIZING THE NEGOTIATION AND EXECUTION OF A QUITCLAIM DEED CONVEYING THE AFOREMENTIONED RIGHT-OF-WAY TO THE OWNER OF THE ABUTTING PROPERTY, FROM WHICH THE CITY RESERVES AND EXCEPTS A NON-EXCLUSIVE UTILITY EASEMENT UNTIL EACH EXISTING EASEMENT USER ABANDONS ITS USE OF SAID EASEMENT; AUTHORIZING THE EXECUTION OF ANY DOCUMENTS NECESSARY OR APPROPRIATE TO EFFECTUATE SAID CONVEYANCE; AND ORDERING RECORDATION BY THE CITY SECRETARY

WHEREAS, it has been determined by the Midland City Council that an approximate 0.61-acre portion of Mockingbird Lane / West County Road 50 right-of-way located in Section 10, Block X, H.P. Hilliard Survey, City and County of Midland, Texas, as described in Exhibit "A" attached hereto and made a part hereof for all legal purposes (the "Property"), is no longer needed for public use; and

WHEREAS, Section 272.001 of the Texas Local Government Code provides that a political subdivision may not convey, sell, or exchange its interest in land without observing notice and bid requirements, unless the conveyance is to one or more abutting property owners; and

WHEREAS, an application for vacating the Property has been received by the City from the abutting property owner; and

WHEREAS, the City Manager has appraised the value of the City's property interest in the Property at $18,300.00, as shown in Exhibit "B" attached hereto and incorporated herein by reference; and

WHEREAS, the Council finds it to be in the public interest to abandon and vacate

the Property;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MIDLAND, TEXAS:

SECTION ONE. That the Property is hereby vacated and abandoned for all public purposes. Provided, however, that the City is hereby abandoning only the public interest in the Property, and this ordinance in no way affects any private easement or access easement which abutting property owners may have in the Property.

SECTION TWO. That this Ordinance shall not be effective until:

A. the City of Midland has received the sum of $18,300.00 from the owner of the abutting property;

B. a replat of the Property is approved by the City of Midland and filed and recorded with the County Clerk of Midland County, Texas; and

C. a quitclaim deed, as described in Section Four hereof, has been executed and delivered to the owner of the abutting property.

SECTION THREE. That the City herein retains an accessible nonexclusive utility easement across, through, over, under, on and along the Property until all entities that were using the Property for utility purposes as of the date of approval of this ordinance have abandoned their uses of the Property.

SECTION FOUR. That the City Manager is hereby authorized and directed to negotiate and execute, on behalf of the City of Midland, a quitclaim deed conveying the City of Midland's right, title and interest in the Property to the owner of the abutting property and reserving and excepting an accessible nonexclusive utility easement across, through, over, under, on and along the Property until all entities that were using the Property for utility purposes as of the date of approval of this ordinance have abandoned their uses of the Property.

SECTION FIVE. That the City Manager is hereby authorized and directed to execute, on behalf of the City of Midland, any documents necessary or appropriate to effectuate the conveyance described in this Ordinance.

SECTION SIX. That upon the City's receipt of the sum set forth in Section Two hereof, the City Secretary is hereby authorized and directed to file a certified copy of this Ordinance with the County Clerk of Midland County, Texas, for purposes of recording in the Official Records of Midland County, Texas.

The above and foregoing ordinance was duly proposed, read in full and adopted on first reading, the _____ day of _____, A.D., 2021; and passed to second reading on motion of Council member _____, seconded by Council member _____, by the following vote:

Council members voting "AYE":

Office of the City Manager

November 4, 2021

Midland City Council
City of Midland, Texas

RE: Request for vacation of an approximate 0.61-acre portion of Mockingbird Lane / West County Road 50 right-of-way located in Section 10, Block X, H.P. Hilliard Survey, City and County of Midland, Texas

Dear Members of the City Council:

The above-referenced property has been appraised in accordance with Chapter 272 of the Texas Local Government Code. The fair market value of the property is $18,300.00. Upon the City's receipt of this sum from the adjoining property owner, the ordinance vacating and abandoning the City's interest in the property may be recorded in the Midland County Clerk's office.

Very truly yours,

Robert Patrick
City Manager

MIDLAND Planning Division

Vacate Right-of-Way/Public Utility Easement/Land/Street Application

Project Number: V-21-0038

Case Number: _____

Applicant *(if acting as Agent, see affidavit on page 2)* Printed Name: Vanderpool Management, L.P.		Phone (979) 885-8236 Email jennihord@hedlocinv.com	
Address P.O. Box 882	City Midland	State Texas	Zip 79702

Application is hereby made to the City Council to vacate the following:

- ☐ Right-of-Way
- ☐ Public Utility Easement
- ☐ Land
- ■ Street

Description of Address: The South forty feet (40') of the SW/4 of the SE/4 of the SW/4 of Section 10, Block "X", H.P. Hilliard Survey, Midland being more fully described in the certain Dedication Deed filed in Volume 862, Page 45 of the Deed Records of Midland County, Texas

Reason for Request: Mockingbird Lane has been relocated to the North, therefore there is not longer a need for the dedication. We are requesting that the entire 40' originally dedicated be released to Vanderpool Management, L.P. as the dedication was originally carved entirely out of the tract currently owned by Vanderpool Management, L.P.

Reasons, in applicant's opinion, why the requested vacation will not adversely affect the public welfare or will contribute to it in a positive way: Due to the relocation of Mockingbird Lane the dedication serves no purposes to the public welfare whatsoever. Therefore, vacation of the dedication will in no way adversely affect the public welfare.

Submittal and Fees

Items to be submitted with this application form:

- Application Fee – Payable to the 'City of Midland'
- Sealed metes and bounds description of the property to be vacated (included on the map) and total square feet of vacation. Include ownership, legal and deed information for adjacent property owners
- Digital Copies of Survey (PDF/JPEG)

Utility Company Approval

Clearance is needed from the following utility companies:

- City of Midland
- Atmos Energy
- Oncor Electric
- AT&T
- Suddenlink Cable TV Co.
- Grande Communications

The City will route the request to these companies, but it is the applicant's responsibility to ensure clearance has been obtained to resolve any issues that may arise.

Policies

1. If the vacation request involves only a portion of a section right-of-way, such that approval would not affect the public's ability to travel along said right-of-way, then the request will be scheduled for consideration by the City Council. No public hearing will be needed.

2. If the vacation request involves an entire section of right-of-way, such that approval would cause the public to lose all rights to use it, then the following procedures apply:

   a. Nearby land owners who have a reasonable expectation to use said right-of-way, as determined by the Transportation Division, must first agree to the proposed vacation. It is the applicant's responsibility to obtain a letter of concurrence signed by the affected landowners.

   b. If all letters are received indicating that the affected landowners agree to the request, then a public hearing before the City Council will be scheduled. The Transportation Division will mail public notice of the hearing to landowners within 400 feet of the affected right-of-way.

   c. If a request is approved, the right-of-way shall be divided into two equal parts, with each half becoming the property of the respective abutting owner. If the applicant desires to own the entire width, he or she must negotiate with the opposite landowner.

Signatures

Applicant (signature):		Date:
Affected Property Owners:

The Vacation of right-of-way/public utility easement/land/street shall be considered officially received in the Planning office only when it has been submitted in full compliance with the provisions of Section 212 of the Texas Local Government Code and the Zoning Code of Ordinances of the City of Midland and when such required items for the application are also received.

All materials, including exhibits, submitted in support of an application, or displayed during a public hearing, shall remain the property of the City of Midland.

From: Cole Furqueron, Senior Planner

Subject: **AN ORDINANCE AMENDING THE ZONING DISTRICT MAP OF THE CITY OF MIDLAND TO REZONE A 57.55-ACRE TRACT OF LAND OUT OF SECTION 1, BLOCK 39, T-2-S, T&P RR CO. SURVEY, CITY AND COUNTY OF MIDLAND, TEXAS, FROM PD, PLANNED DEVELOPMENT DISTRICT FOR A HOUSING DEVELOPMENT, OFFICE CENTER, AND SHOPPING CENTER TO AN AMENDED PD, PLANNED DEVELOPMENT DISTRICT FOR A HOUSING DEVELOPMENT, OFFICE CENTER, AND SHOPPING CENTER (GENERALLY LOCATED ON THE NORTH SIDE OF EAST INTERSTATE 20, APPROXIMATELY 530 FEET EAST OF SOUTH LAMESA ROAD); CONTAINING A CUMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; PROVIDING FOR A MAXIMUM PENALTY OR FINE OF TWO THOUSAND DOLLARS ($2,000.00); AND ORDERING PUBLICATION (DISTRICT 2) (DEVELOPMENT SERVICES)**

Purpose:

The applicant, Gary Bellomy, is requesting a zone change from PD, Planned Development District for a Housing Development, Office Center, and Shopping Center (Ordinance No. 10206) to an amended PD, Planned Development District for a Housing Development, Office Center, and Shopping Center.

Recommended City Council Action:

Approve

Fiscal Impact:

This request does not require and City funds.

Discussion:

Current Zoning:

PD, Planned Development District for a Housing Development, Office Center, and Shopping Center. (Ordinance No. 10206)

Surrounding Zoning and Land Use:

The property to the north is zoned MF-16, Multiple Family Dwelling District and the location of an apartment complex. The property to the east is zoned LI, Light Industrial, in part; and BP, I-20 Business park in part, and the location of an industrial business. The properties to the south are zoned BP, I-20 Business Park and RR, Regional Retail District and the location of a pump jack and vacant land. The property to the west is zoned MF-22, Multiple-Family Dwelling District and the location of an apartment complex that is under construction.

Analysis:

The applicant, Gary Bellomy, is requesting a zone change to amend the current PD, Planned Development District for a Housing Development, Office Center, and Shopping Center. (Ordinance No. 10206) to adopt an update guiding Regulating Plan for this unique development. If approved, the development will need to conform to the adopted Site Plan and Regulating Plan (extracted from exhibit D), and the Regulating Plan and Development Standards 07/27/2021 ® (Exhibit D).

The site will consist of a mix of uses including office, retail, hotel, single-family residential, townhomes, multi-family residential, and a school. This development would integrate with the neighboring apartment complex to the west and is in the process of being constructed to reflect this integration.

This proposed zone change has been circulated to and reviewed by respective City departments for internal review and their comments, conditions, and requirements are as follows:

Fire: (Approved)

No objection to zone change.

Building: (Approved)

No issues. All future structures must adhere to the 2018 International Building Codes, the 2015 International Energy Code, the 2020 NEC requirements, the 2015 International Fire Codes, local city ordinances, zoning requirements, established setbacks, and floodplain requirements if necessary.

Engineering: (Approved)

No objection to zone change.

Site drainage, utilities, driveway access, and traffic circulation may be adjusted during construction drawing review as necessary to receive building permit approval from Engineering and Traffic Operations.

Code: (Approved)

No Oil or Gas wells identified within 500 ft. permitted well radius or in the 135 ft. non-permitted well radius of location on plat. Please note if oil & gas wells are not identified or left off of plat, this could prevent receiving city permits for structures. Any plugged and abandoned well would need to be identified.

Transportation: (Approved)

Site drainage, utilities, driveway access, and traffic circulation may be adjusted during construction drawing review as necessary to receive building permit approval from Engineering and Traffic Operations.

No objection to zone change.

Planning:

This proposed development fits with Chapter 3, An Integrated Land Use Vision, Future Land Use Map of the Tall City tomorrow comprehensive plan, as this area calls for Employment Reserve Uses. This designation calls for multiple-family housing when integrated with holistic development. As the proposed district integrates a myriad of uses, it is in conformance with the guiding principles of this designation.

This development also aligns with several other aspects of the Tall City Tomorrow Plan. Principle 5 of Chapter 3, requests planning for community amenities such as parks and open spaces space to support “community activity, personal interaction a sense of place, and ultimately a sense of ownership in the community.” Additionally, Principle 8 of the same chapter requests that land use policies and regulations support the creation of more balanced neighborhoods, which include “a variety of housing options, access to open space, and contain activity centers such as parks ”Chapter 9 of the Tall City Tomorrow Plan also seeks to keep us aware of the need for parks and recreational development as Midland continues to expand. Goal 1 of Chapter 9 seeks to provide park facilities accessible to the growing population, nothing that “Midland’s historic trend has been to focus on the need for housing and commercial needs during growth periods without the consideration of additional open space needs. This development fits all of these goals and principles by creating a community with integrated uses, pedestrian friendly streets, and plenty of park and open space areas for residents to recreate in.

Therefore, staff recommends approval of this Zone Change on the above-described property from PD, Planned Development District for a Housing Development, Office Center, and

Shopping Center, to amended PD, Planned Development District for a Housing Development, Office Center, and Shopping Center, subject to condition A through C.

Conditions:

A. **That the use and development of this property shall conform to the regulations of the TH, Townhouse District except as stated below.**

B. **That the development of this property shall significantly conform to the Site Plan of Section 3.1 the *Regulating Plan* (Exhibit B) and Section 4.0 *Summary of Frontage Types* (Exhibit C) of the Regulating Plan and Development Standards 07/27/2021 ®" (Exhibit D).**

C. **That the use and development of this property shall conform to the PD-Planned Development District as set forth in the submitted "Regulating Plan and Development Standards 07/27/2021 ®" (Exhibit D).**

Letters of Objection:

Staff has not received any letters of objection as of November 10, 2021.

ORDINANCE NO. _____

AN ORDINANCE AMENDING THE ZONING DISTRICT MAP OF THE CITY OF MIDLAND TO REZONE A 57.55-ACRE TRACT OF LAND OUT OF SECTION 1, BLOCK 39, T-2-S, T&P RR CO. SURVEY, CITY AND COUNTY OF MIDLAND, TEXAS, FROM PD, PLANNED DEVELOPMENT DISTRICT FOR A HOUSING DEVELOPMENT, OFFICE CENTER, AND SHOPPING CENTER TO AN AMENDED PD, PLANNED DEVELOPMENT DISTRICT FOR A HOUSING DEVELOPMENT, OFFICE CENTER, AND SHOPPING CENTER (GENERALLY LOCATED ON THE NORTH SIDE OF EAST INTERSTATE 20, APPROXIMATELY 530 FEET EAST OF SOUTH LAMESA ROAD); CONTAINING A CUMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; PROVIDING FOR A MAXIMUM PENALTY OR FINE OF TWO THOUSAND DOLLARS ($2,000.00); AND ORDERING PUBLICATION

WHEREAS, the City Planning and Zoning Commission and the Governing Body of the City of Midland, in compliance with the City Charter, the City Code, and State law, have given the requisite notices by United States mail, publication and otherwise; and after a full and fair hearing to all of the property owners generally and particularly to those interested persons situated in the affected area and in the vicinity thereof, the Governing Body finds that the public health, safety and general welfare will be best served by rezoning a 57.55-acre tract of land out of Section 1, Block 39, T-2-S, T&P RR Co. Survey, City and County of Midland, Texas, said tract being more specifically described by metes and bounds in Exhibit "A", which is attached hereto and incorporated herein (the "Property") to an amended PD, Planned Development District for a Housing Development, Office Center, and Shopping Center and adopting a site plan therefor, as set out hereinafter;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MIDLAND, TEXAS:

SECTION ONE. That the Zoning District Map of the City of Midland, Texas, is hereby amended to rezone the Property from PD, Planned Development District for a Housing Development, Office Center, and Shopping Center to an amended PD, Planned Development District for a Housing Development, Office Center, and Shopping Center.

SECTION TWO. That the base zoning district to which the use and development of the Property shall conform, except as modified by Section Three of this ordinance, is the TH, Townhouse (Attached) Dwelling District.

SECTION THREE. That a site plan, attached hereto as Exhibits "B" and "C" and incorporated herein for all purposes, is hereby adopted, said site plan also being contained in Exhibit "D", which is attached hereto and incorporated herein for all purposes, and the use and development of the Property shall be subject to the following conditions and restrictions:

That the use and development of the Property shall significantly conform to the site plan and Exhibit "D".

SECTION FOUR. That the definitions given in the zoning regulations contained in the City Code of the City of Midland, Texas, shall be applicable to such of those terms as are used herein.

SECTION FIVE. The provisions of this ordinance are to be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided, however, that all prior ordinances or parts of ordinances inconsistent with or in conflict with any of the provisions of this ordinance are hereby expressly repealed to the extent of any such inconsistency or conflict.

SECTION SIX. If any section, subsection, sentence, clause or phrase of this ordinance is, for any reason, held to be unconstitutional or invalid, such holding shall not affect the validity of the remaining portions of this ordinance. The Council of the City of Midland hereby declares that it would have passed this ordinance and each section, subsection, sentence, clause, or phrase hereof irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared unconstitutional or invalid.

SECTION SEVEN. The penalty for violation of this ordinance shall be in accordance with the general penalty provisions contained in Section 1-3-1 of the City Code of Midland, Texas, which provides for a fine not exceeding two thousand dollars

($2,000.00).

SECTION EIGHT. The City Secretary is hereby authorized and directed to publish the descriptive caption of this ordinance in the manner and for the length of time prescribed by the law as an alternative method of publication.

The above and foregoing ordinance was duly proposed, read in full and adopted on first reading, the _____ day of _____, A.D., 2021; and passed to second reading on motion of Council member _____, seconded by Council member _____, by the following vote:

Council members voting "AYE":

Council members voting "NAY":

The above and foregoing ordinance was read in full and finally adopted by the following vote upon motion of Council member _____, seconded by Council member _____, on the _____ day of _____, A.D., 2021, at a regular meeting of the City Council:

Council members voting "AYE":

Council members voting "NAY":

PASSED AND APPROVED THIS _____ day of _____, A.D., 2021.

The Oasis Plan

Oasis was conceived as a new mixed-use, mixed-income neighborhood for the City of Midland, offering local retail, daily services, and residential development all in close proximity to one another. The goal is to offer a quality development in a previously undeveloped area near the core of the city.

While this form of development is traditional from a historic standpoint, it no longer represents conventional suburban development patterns. Traditional Neighborhood Development principles form the backbone for the design decisions that have been made in creating the Oasis plan. Many of these principles are rooted in time-tested methodologies and practices, but vary from current development models in most cities around the country. Consequently, the Oasis team has crafted a Regulating Plan and Development Standards in order to assist the City of Midland in administration of the development and allow the Master Developer to utilize a new form of development regulation in the build-out of Oasis.

The Regulating Plan and Development Standards streamlines the entitlement and site planning process while outlining the desired form of development in greater detail than single purpose zoning regulations.

PRINCIPLES OF TRADITIONAL NEIGHBORHOOD DEVELOPMENT (TND)

These are the principles that have been integrated into the Oasis plan. Each principle is followed by the reason or condition that has caused us to pursue this form of development.

1. Cluster retail and basic services together along a single street, without expansive parking lots between them.

This allows people to 'park once' and walk from store to store, reducing vehicle-miles traveled and the congestion often associated with new suburban retail locations.

2. Locate the parking behind the building, shading the parking and providing broad sidewalks in front of the stores, shaded by street trees.

Shaded parking and pedestrian-oriented sidewalks greatly enhances the experience of coming and going from that retail space. Trees have consistently been shown to increase land values, even if only used to shade or screen parking.

3. Integrate residential in close proximity to retail to create a more walkable, sustainable, and usable neighborhood.

If people can walk or bike to work or shopping locations, a second household vehicle may become optional. This flexibility is also enhanced by alternative transportation options. In communities around Texas and around the country, neighborhoods offering this degree of flexibility are consistently becoming more desirable than neighborhoods that isolate residential from commercial uses.

4. Buildings are required to be built adjacent to the edge of the sidewalk, clearly defining a public street space known as 'the public realm'. Parking is predominantly located in the back of buildings, improving the visual connection of buildings to the street. Parking is connected to the front sidewalk by pedestrian passages between buildings.

Placing commercial space directly on the sidewalk improves the experience of walking along the sidewalk and improves the retailing performance by a continous pedestrian activity zone.

5. Provide moderately dense housing alternatives for people less interested in, or not needing a large house and yard.

Conventional suburban housing is often designed for families with two parents and kids, assuming they are looking for a large house and yard. This demographic now represents a much smaller part of the market than it used to, and increasingly, buyers are looking for smaller homes with less maintenance. The townhouse and cottage neighborhoods included in Oasis are designed to offer a variety of homes catering to a variety of ages and income levels.

Above is an artist's rendering of the desired look and feel of a commercial/mixed use street in Oasis - retail shop fronts are pulled up to the shaded sidewalk, parking is provided along the street and behind the buildings. Sidewalks are generous and street widths are narrower than usual. All streets are designed to accommodate pedestrians and cyclists as well as low speed auto traffic.

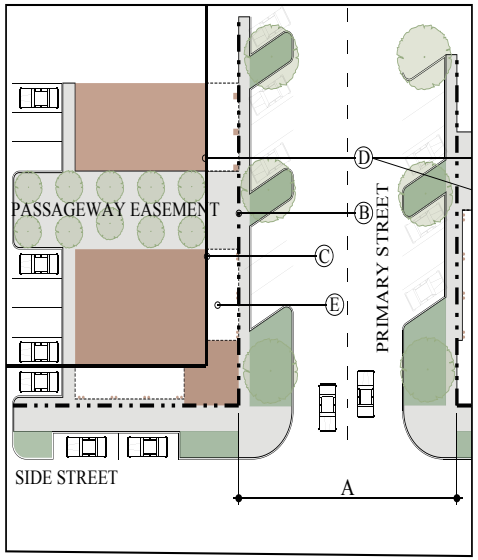
Oasis' Main Street encourages development of retail frontages and public spaces. This artist's rendering illustrates the possibility of a public open space anchoring one side of the street. Evening entertainment and dining within Oasis would add to the quality of the neighborhood by offering walkable destinations other than just for shopping.

The plan includes a location for a K-12 public charter school. Additionally, Oasis has several acres of public open space of various sizes located throughout the community.

The intent of the Development Standards is to create a clear and predictable system of mandatory design standards that become enabling tools to create a more varied and inherently richer form of community. This form of community embraces a diversity of uses, people, and buildings. The standards are prescriptive, that is, they delineate the desired result and enable its success. The standards are graphic by nature as drawings can more clearly communicate what is prescribed under, or enabled by the standards. The standards are organized into four principle sections, The Regulating Plan, The Frontage Types, The Street Types and Other Standards. Used in concert, these four components form a "Graphical User Interface" utilized by the public and private sectors to expedite the permitting and development process.

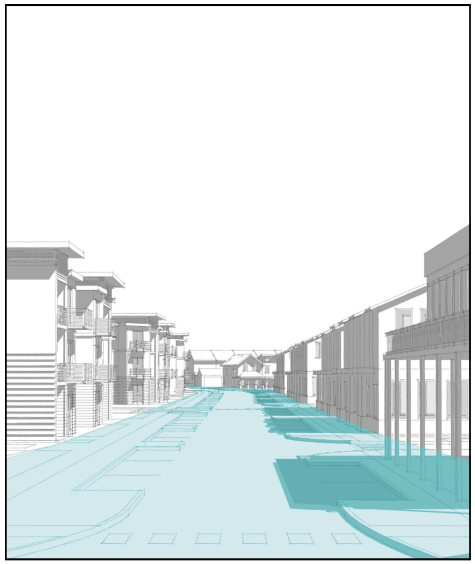
DEVELOPMENT PROCEDURE

Component developments in the various Frontage Type Districts will have the incentive of speed to delivery in that the first two steps in the development process, Zoning and Preliminary Plat, are approved by the adoption of this Regulating Plan. Final plats will follow the same procedure as other projects, but will be aided by being components of the Regulating Plan. Building permits and approval of construction plans for infrastructure will follow the review and approval procedures currently in place.



THE REGULATING PLAN

The Regulating Plan lays out the street grid and precisely marks the various urban design regulations within the Standards which are used to produce the community design or town plan. The Regulating Plan designates where and how the Frontage Types are appropriately combined with the various Street Types. The Regulating Plan also designates sites to be set-aside for public open spaces and special sites reserved for civic buildings (such as town halls, schools, and churches).



THE FRONTAGE TYPES

The Frontage types take the place of typical zoning categories. Each Frontage type defines the required placement of buildings (build-to-line), the minimum and maximum height, parking standards, architectural standards, and allowable uses for the property. By using a Frontage type instead of traditional zoning, the standards require that buildings meet the sidewalk in a particular way, ensuring the quality of the pedestrian experience.

THE STREET TYPES

The Street Types set out, according to the Regulating Plan, the physical parameters of each street including right-of-way and pavement width, design speed, parking, placement of street trees, etc. The Street Type combined with the Frontage Type establishes the all-important public realm. The public realm is the space defined by opposing building fronts which contains the sidewalks, streets, and open spaces.

OTHER STANDARDS

Other Standards including Open Space, Landscape, Drainage and Signage augment the Frontage and Street Types by filling in important details. These details serve to define the quality of the community beyond what type of building should be built. They set out and ensure what the quality of the public realm will be.

THE ILLUSTRATIVE PLAN

This plan for Oasis represents one potential build-out option and is not intended to replace individual site plans. Streets, block patterns, and land uses shown on this plan are defined and enabled by the Regulating Plan on the following pages.

For the purposes of these Development Standards, the following terms, phrases, words and their derivations shall have the meaning ascribed to them in this section:

Accessory Dwelling Units
A secondary living space which shares ownership and utility connections, and which is on-site with a primary living space and that may be contained within the same structure as is the primary living space, or may be contained in a separate structure.

Appurtenances: Spires, belfries, cupolas, water tanks, ventilators, chimneys or other appurtenances usually required to be placed above the roof level and not intended for human occupancy.

Arcade: a Private Frontage conventional for Retail use wherein the Facade is a colonnade supporting habitable space that overhangs the Sidewalk, while the Facade at Sidewalk level remains at the Build to Line.

Avenue (AV): a Thoroughfare of high vehicular capacity and low to moderate speed, acting as a short distance connector between urban centers, and usually equipped with a landscaped median.

Bed and Breakfast: An owner-occupied Lodging type offering 1 to 5 bedrooms, permitted to serve breakfast in the mornings to guests.

Bicycle Lane (BL): a dedicated lane for cycling within a moderate-speed vehicular Thoroughfare, demarcated by striping or other markings.

Block: the aggregate of private Lots, Passages, Rear Alleys and Rear Lanes, circumscribed by Thoroughfares.

Boulevard (BV): a Thoroughfare designed for high vehicular capacity and moderate speed, traversing an Urbanized area. Boulevards are often equipped with Slip Roads buffering Sidewalks and buildings.

Civic: the term defining not-for-profit organizations dedicated to arts, culture, education, recreation, government, transit, and/or municipal parking.

Build to Line (BTL): The line within a property defining the maximum horizontal distance between a building and the adjacent street right of way line.

City: refers to the City of Midland, Texas

Civic Building: a building operated by not-for-profit organizations dedicated to arts, culture, education, economic development, recreation, religion, government, transit, and municipal parking, or for use approved by Oasis.

Civic Uses: The use of a parcel of land for one or more of the following purposes: park and recreation services, cultural services, religious assembly use, safety and medical services, or transit stops.

Commercial: the term collectively defining workplace, Office, Retail, Service, Sales, Display and Lodging Functions.

Diameter at breast height (DBH): Standard method, in forestry terminology, of expressing the diameter of the trunk of a tree at approximately four feet above grade.

Design Speed: is the velocity at which a Thoroughfare tends to be driven without the constraints of signage or enforcement. There are four ranges of speed: Very Low: (below 20 MPH); Low (20-25 MPH); Moderate: (25-35 MPH); High: (above 35 MPH). Lane width is determined by desired Design Speed. Design Speed is related to but separate from the posted Speed Limit.

Developer (Master Developer): Oasis Development Corporation, a Texas Limited Liability Company, or assigns; serves as the owner and development entity for the Oasis project.

Director: The Director of Planning for the City of Midland.

District: An area of land developed with similar, distinguishing characteristics or uses as defined by Frontage Type.

Driveway: a vehicular lane within a Lot, often leading to a garage.

Effective Turning Radius: the measurement of the inside Turning Radius taking parked cars into account.

Elevation: an exterior wall of a building not along a Frontage Line. See: Facade.

Encroach: to break the plane of a vertical or horizontal regulatory limit with a structural element, so that it extends into a Setback, into the Public Frontage, or above a height limit.

Encroachment: any structural element that breaks the plane of a vertical or horizontal regulatory limit, extending into a Setback, into the Public Frontage, or above a height limit.

Facade: the exterior wall of a building that is set along a Frontage Line. See Elevation.

Forecourt: a frontage wherein a portion of the facade is at the build-to line while a significant portion is setback allowing suitable space for a garden, terrace or entry courtyard.

Frontage: The area between a building Facade and the vehicular lanes, inclusive of its built and planted components. Frontage is divided into Private Frontage and Public Frontage.

Frontage Line: a Lot line bordering a Public Frontage,ie the R.O.W. line. Facades facing Frontage Lines define the public realm and are therefore more regulated than the Elevations facing other Lot Lines.

Green: a Civic Space type for unstructured recreation, spatially defined by landscaping rather than building Frontages and having at least one boundary fronting on a public right-of-way.

Half-Story: the portion of a buildings habitable, conditioned space such as an attic or basement with windows.

Home Occupation: non-Retail Commercial enterprises. The work quarters should be invisible from the Frontage, located either within the house or in an Outbuilding.

Live-Work (or Work-Live): a Mixed Use unit consisting of a Commercial and Residential Functions. The Commercial and/or Residential Function may be anywhere in the unit. It may to be occupied by a business operator who lives in the same structure that contains the Commercial activity or industry or it may be leased.

Lodging: Premises available for daily and weekly renting of bedrooms.

Lot Line: the boundary that legally and geometrically demarcates a Lot.

Lot Width: the length along the Principal Frontage Line of a Lot.

Oasis: Oasis Development Corporation, a Texas Limited Liability Company, or assigns; serves as the owner and development entity for the Oasis project.

Off-Street Parking: Vehicular parking outside the street right-of-way that have adequate drives, aisles, and turning and maneuvering areas for access and usability.

Office: uses associated with buildings occupied for the transaction of business, excluding retail and manufacturing.

On-Street Parking: Vehicular parking contained on the street pavement (public and private streets) located outside the primary travel way, which spaces shall be designated and located parallel or at an angle to the street centerline.

Open Space: A parcel or parcels of land or an area of water, or a combination of land and water, which may include floodplain and wetland areas, within a development area and intended for the use and enjoyment of residents of the development area and, where designated, the community at large, which may be landscaped and improved.

Park: a Public Space type that is available for rest and recreation, may be privately developed and maintained but publicly accessible and having at least one boundary fronting on a public right-of-way.

Planned Development (PD): a development in which the applicable code restrictions, other density requirements, may be modified and/or applied to the development as a whole rather than to each individual lot.

Plaza: a Civic Space type designed for Civic purposes and Commercial activities in the more urban Transect Zones, generally paved and spatially defined by building Frontages and having at least one boundary fronting on a public right-of-way.

Primary Street: . The primary street will be determined based on the following criteria:
1. The street with the highest street classification;
2. The street abutting the longest face of the block;
3. The street generally parallel to an alley within the block.

Principal Building: the main building on a Lot, usually located toward the Frontage.

Regulating Plan: a Zoning Map or set of maps that shows the Use Zones, Civic Zones, Special Districts if any, and Special Requirements if any, of areas subject to, or potentially subject to, regulation by the Development Standards.

Retail: uses for commercial enterprises established for the sale of goods and services.

Residential: uses associated with buildings occupied for the purpose of long term human habitation, excluding short term lodging.

Shared Parking Factor: an accounting for parking spaces that are available to more than one Function.

Shopfront: a Private Frontage conventional for Retail use, with substantial glazing and an awning, wherein the Facade is aligned close to the Frontage Line with the building entrance at Sidewalk grade.

Side Yard Lot: A Lot created for the purpose of a dwelling to be constructed along or near an interior side Lot line with a yard created on the opposite side of the Lot.

Sideyard Building: a building that occupies one side of the Lot with a Setback for a yard on the other side. This type can be a Single or Duplex depending on whether it abuts the neighboring house.

Square: a Civic Space type designed for unstructured recreation and Civic purposes, spatially defined by building Frontages and consisting of Paths, lawns and trees, formally disposed and having at least one boundary fronting on a public right-of-way.

Story: a habitable level within a building, excluding an Attic or raised basement and not exceeding 15 feet in height.

Town Architect/Design Review Board: A licensed Architect or designated committee, contracted by Oasis, with the responsibility of reviewing development concepts, finished construction drawings or completed construction for aesthetic compliance with the overall concept of the Oasis project.

HOW DOES A FRONTAGE TYPE CODE WORK?

The Oasis Regulating Plan is a Frontage Type code; this means that land uses, height restrictions, parking requirements, etc. are defined by street frontage, rather than by zoning of a particular parcel. In most cases, a parcel will have only one frontage designation; however, unlike traditional zoning, the Frontage Type code prescribes the location of buildings in a way that forms a quality public realm between buildings.

Another unique element of this Frontage Type code is that density is limited primarily by parking requirements. There is no mandated mix of uses, nor compatibility restrictions; instead, frontage types have been assigned in a way that forms a cohesive neighborhood with market flexibility as the project is built out.

Each Frontage Type has a text description and a site plan diagram to help illustrate the intended regulation. The summary Table 4.01, gives a snapshot of the five frontage types designated within the Oasis Regulating Plan.

Summary of Frontage Types

Complete detailed requirements of Frontage Types can be found in Sections 4.1 through 4.5

FRONTAGES	F1 (See Section F1) Main Street Commercial	F2 (See Section F2) Live/Work	F3 (See Section F3) Townhouse	F4 (See Section F4) Sideyard House	F5 (See Section F5) Education
PERMITTED USES	Retail Sales and Service (20,000 SF max per tenant) Office/Research and Development Lodging/Hotel Multi-Family Residential Single Family Attached Residential Day Care	Limited Retail (≤3,000 SF) Limited Office (≤3,000 SF) Lodging/Hotel (≤10 rooms) Multi-Family Residential (≤10 dwelling units Single Family Attached Residential	Single Family Attached Residential	Single Family Detached Residential Ancillary unit	Public or private School
CONDITIONAL USES	Manufacturing (10,000 SF max. per tenant) Congregate Care (100 room max)	None	Home Occupation	Home Occupation	None
PROHIBITED USES	Vehicle Sales Auto Service & Repair Auto Parts Sales Gas Stations Auto Body Painting and Repair Drive-Through Commercial Storage &Warehouse Single Family Detached Residential Sexually-Oriented Businesses	Same as F1 - Main Street	Same as F1 - Main Street Plus: Retail Office Manufacturing	Same as F1 - Main Street Plus: Retail Office Manufacturing	Same as F1 - Main Street Plus: Retail Office Manufacturing

Table 4.01

Section 4.1
Frontage Type F1 : Main Street Commercial

4.1.1 DEVELOPMENT REGULATIONS

4.1.1.1 BUILDING PLACEMENT

A) Build-to Line:
A 10' setback from the front property line
1) Primary building facade shall be constructed along a minimum of 80% of the total length of the Build-to-Line.
2) If a forecourt is utilized it may occupy up to 50% of the frontage

B) Rear and side setbacks:
Not required

C) Encroachment:
Arcades and corner towers with occupied or unoccupied space may encroach beyond the Build-to Line to the Property Line. Arcades and corner towers shall encroach a maximum of 10'. No corner tower shall have more than 300 SF on the ground floor encroaching beyond the Build-to line.

D) Pedestrian Passageways:
If parking is provided behind a building, pedestrian passageway must be provided at the ground level providing access to the parking area from the from the Right-of-Way. The passageway shall be a minimum 15' in width and one full floor in height. The passageway may be covered by additional occupied floors or a roof structure.
1. When pedestrian passageways are required, one must be provided for every 150' of frontage.

E) Covered sidewalks:
Covered sidewalks shall be constructed along a minimum of 80% of the primary building facade. Covered sidewalks may be provided as arcades or shop-fronts (fig.4.1A).
1) Covered sidewalks and associated structures may encroach beyond the build-to-line up to the property line. Occupiable space may be constructed above the covered sidewalk and may also encroach beyond the build-to-line up to the property line.
2) Building facades with a covered sidewalk may be constructed a maximum of 3' behind the build-to-line.
3) Arcades shall be constructed to provide a minimum of 8' clear walkway between vertical supports and building facade.
4) Shop-fronts (fig.4.1A) shall provide a minimum of 8' of continuous covered walkway width.
5) If the building does not occupy the entire frontage the sidewalk must still occupy 100% of the frontage.

F) 1st Floor Elevation:
The finish floor of the first level shall be at grade with street sidewalk or made accessible to disabled persons in compliance with the Americans With Disabilities Act and Texas Accessibility Standards.

G) Minimum and Maximum Wall Height:
The maximum building height shall be five stories. Buildings shall be a minimum of two stories or 25' in height at the primary building facade.

4.1.1.2 PARKING

A) Parking spaces shall be 9' width by 18' depth, up to 10% of the total spaces may be assigned as oversized spaces with a width of 10' and a depth of 20'.

B) On-site parking is allowed only at the rear of the building.

C) On-Street Parking in front of building may be used to satisfy minimum parking requirements (see Use Standards below)

D) Shared Parking Standards:
Shared parking standards may replace conventional parking requirements outlined in Use Standards below. Minimum parking requirements may be reduced by 15% percent if shared parking lots serve more than a single use (e.g. Restaurants and Office) long term shared parking agreement shall apply.

E) Parking supply may not exceed the minimum parking requirements outlined in the Use Standards by more than 15%.

F) Parking Garages
Structured parking may be provided for optimal land use efficiency. Parking structure shall meet architectural standards.

4.1.2 USE STANDARDS

4.1.2.1 RETAIL

A) Defined Retail Use:
Retail uses include commercial enterprises established for the sales of goods and services including shops, entertainment establishments, banking, restaurants, and hotel lobbies, eateries and day care facilities.
1) No single retail space shall exceed 20,000 SF per floor.
2) Retail uses shall provide parking at 4 spaces per 1,000 square feet.

4.1.2.2 OFFICE

A) Office Uses Defined:
Office uses are those associated with buildings occupied for the transaction of business, excluding retail and manufacturing.
1) Office uses shall provide parking at 4 spaces per 1,000 square feet (no maximum square footage)

4.1.2.3 LODGING

A) Lodging Uses Defined:
Lodging uses are those associated with buildings occupied for short-term (not to exceed three consecutive weeks) human habitation.
1) Lodging uses shall provide 1 parking space per lodging unit. (no maximum number of units)

4.1.2.4 RESIDENTIAL

A) Residential Uses Defined:
Residential uses are those associated with buildings occupied for the purpose of long term human habitation, excluding lodging.
1) Residential uses shall provide designated parking at 1.5 spaces per dwelling unit. (no maximum density)
2)Multifamily residential uses may provide detached garages for up to 10% of total dwelling units and may include storage outside dwelling unit not to exceed a rate of 2 storage units per garage.

4.1.2.5 CONDITIONAL USES

A) Conditional Uses Defined:
Conditional Uses are considered exceptional situations that must have the approval of the Design Review Board or Town Architect. The following may be acceptable conditional uses in areas designated F1:
1) Limited Manufacturing:
No single manufacturing occupied building space shall exceed 10,000 SF. All rear service yards and visible materials must be screened by a solid masonry wall at least 6 ft. tall. The parking requirement shall be negotiated according to the specific manufacturing activity. Screens shall match adjacent architecture.
2) Congregate Care:
Longterm residential facilities offering skilled nursing services are allowed, not to exceed 100 beds. Related single family attached residences for individuals utilizing services of the congregate care facility are allowed so long as they are owned and managed by the congregate care provider.

4.1.2.6 PROHIBITED USES

A) See prohibited use Table 4.01

4.1.3 ARCHITECTURAL STANDARDS

Architectural standards shall be enforced by the Oasis Master Developer.

4.1.3.1 ARCHITECTURAL CHARACTER

All architectural design shall reflect the vernacular traditions of the West Texas region. The following architectural standards allow for a variety of interpretations, both contemporary and historic.

A) Building massing and facades:
No single building facade type shall exceed 90' in length along the primary Build-to-Line; change in massing or materials shall constitute a change in facade type.

B) Exterior walls:
All exterior-building walls shall be finished in brick, native stone, cast stone, stucco, cementitious board (Hardie), wood or engineered wood. Exterior insulation finishing system (E.I.F.S.) may be used above the first story or a minimum of 12' above grade, whichever is higher. Galvanized or factory finished metal paneling is permitted, but may be used on no more than 50% of exterior elevations.

C) Change in materials:
Shall occur along a horizontal line (with the heavier material at the bottom), or at the joint along an inside corner. Facades shall include no more than three major materials.

D) Awnings and canopies:
Shall be made of sheet metal or canvas/poly membrane. Plastic or vinyl awnings are not permitted. Trellises and sun shading devices are recommended and shall be made of wood or metal.

E) Signage: refer to signage standards (section 9.0)

F) Bicycle racks:
One bicycle rack shall be provided per 10,000 square feet of occupied building area. Bike racks may be ganged together block-by-block and located in the Passageway Easements.

G) Roofs:
1) Pitched roofs:
Pitched roofs may be clad in painted or galvanized metal, clay or concrete tile. Composition shingles are permitted only where not visible from a public right-of-way. Pitched roofs shall be symmetrical gable, hip, or barrel vault with a pitch no less than 3/12. Porch and arcade roofs may be 2/12 min. Pitch. Mansard roofs are not permitted.
2) Flat roofs may be made of built-up roofing or a membrane roofing system.
3) Roof penetrations and rooftop mechanical systems shall be screened or setback from view at street level from either the front or side. Screening devices may be parapet extensions or free standing and shall be of material similar to the base building.

H) Glazing:
Glazed openings shall be at least 40 percent of the wall surface along a build-to line at the ground level and 25 percent on upper floors. Glazing shall not exceed 80 percent.
1) Framing shall be commercial grade painted wood, aluminum, or steel.
2) Glazing shall be clear; no reflective or spandrel glass is permitted.
3) Window openings shall be vertical or square in proportion.

Frontage Type F1 : Main Street Commercial

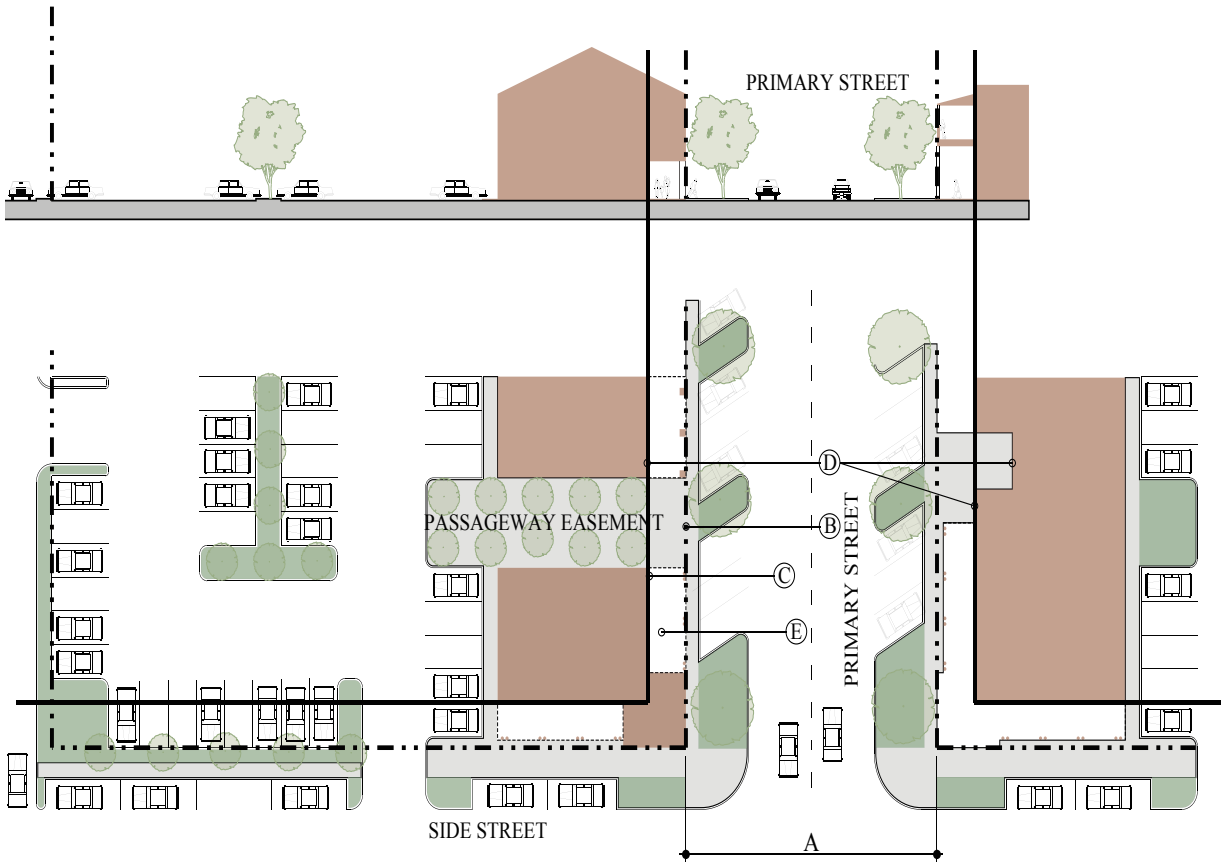

Figure 4.1 Frontage Type - Main Street Commercial

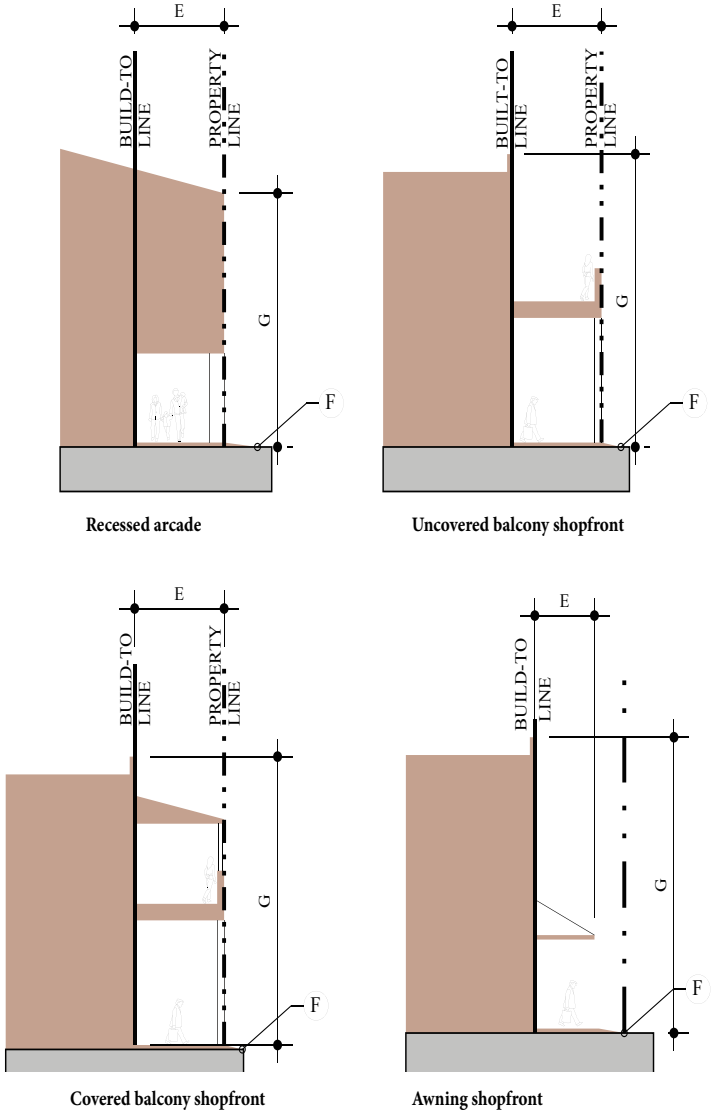

Figure 4.1A
STREET FRONTAGE ARCHITECTURAL OPTIONS

KEYED NOTES

Frontage Type F1: Main Street Commercial

- (A) Right of Way; see street types and standards
- (B) Property Line:
- (C) The Build-to-Line, 0' to 10' setback from the property line
- (D) Primary Building Facade; constructed along 80% of the length of the Build-to-Line
- (E) Covered Sidewalk; may encroach in the setback up to the property line, minimum of 8' deep
- (F) First floor elevation flush with sidewalk or fully accessible
- (G) Building height; 2 stories or 25' minimum; 5 stories maximum

4.2.1 DEVELOPMENT REGULATIONS

4.2.1.1 BUILDING PLACEMENT

A) Build-to Line:
A 10' setback from the front property line
1) Primary building facade shall be constructed along a minimum of 80% of the total length of the Build-to-Line.

B) Rear and side setbacks:
Not required

D) Encroachment:
Corner towers, bay windows, or canopies with occupied or unoccupied space may encroach a maximum of 3' beyond the Build-to-Line. No corner tower shall have more than 300 SF on the ground floor encroaching beyond the Build-to-Line.
1) Stoops, porches or balconies may encroach a maximum of 8' beyond the Build-to-Line.
2) If a stoop is provided, it shall be a minimum of 30 square feet.
3) Stoops and/or porches shall be spaced no more than 60 linear feet along the Build-to-Line within a single parcel.

E) Pedestrian Passageways:
None required

F) Covered sidewalks:
Not required

J) 1st Floor Elevation:
The finish floor of the first level shall be at grade with street sidewalk or made accessible to disabled persons in compliance with the Americans With Disabilities Act and Texas accessibility standards.

K) Minimum and Maximum Wall Height:
The maximum building height shall be three stories. Buildings shall be a minimum of two stories at the primary building facade.

4.2.1.2 PARKING

A) Parking spaces shall be 9' in width by 18' depth, up to 10% of the total spaces may be assigned as oversized spaces with a width of 10' and a depth of 20'.

B) On-site parking is allowed only at the rear of the building.

C) On-Street Parking in front of building may be used to satisfy minimum parking requirements (see Use Standards below)

D) Shared Parking Standards:
Shared parking standards may replace conventional parking requirements outlined in Use Standards below. Minimum parking requirements may be reduced by 15% percent if shared parking lots serve more than a single use (e.g. Restaurants and Office)

E) Parking supply may not exceed the minimum parking requirements outlined in the Use Standards by more than 25%.

F) Parking Garages
Structured parking may be provided for optimal land use efficiency. Parking structure shall meet architectural standards.

4.2.2 USE STANDARDS

4.2.2.1 RETAIL (limited)

A) Defined Retail Use:
Retail uses include commercial enterprises established for the sales of goods and services including shops, entertainment establishments, banking, restaurants, and hotel lobbies and eateries.
1) Retail uses shall provide parking at 4 spaces per 1,000 square feet (maximum of 3,000 square feet)

4.2.2.2 OFFICE (limited)

A) Office Uses Defined:
Office uses are those associated with buildings occupied for the transaction of business, excluding retail and manufacturing.
1) Office uses shall provide parking at 4 spaces per 1,000 square feet (maximum of 3,000 square feet)

4.2.2.3 LODGING (limited)

A) Lodging Uses Defined:
Lodging uses are those associated with buildings occupied for short-term human habitation.
1) Lodging uses shall provide 1 parking space per lodging unit. (maximum of 10 units)

4.2.2.4 RESIDENTIAL

A) Residential Uses Defined:
Residential uses are those associated with buildings occupied for the purpose of long term human habitation, excluding lodging.
1) Residential uses shall provide designated parking at 1.5 spaces per dwelling unit. (no maximum density)
2) Parking for conditional uses and non-conventional unit sizes may be modified with approval of the Town Architect.

4.2.2.5 CONDITIONAL USES

A) Conditional Uses Defined:
Conditional Uses are considered exceptional situations that must have the approval of the Master Developer. The following may be acceptable conditional uses in areas designated F2:
1) Multifamily Residential:
Townhouse lots may be combined to create multifamily development parcels. Architectural massing shall remain consistent with that of surrounding uses, as determined by the Town Architect. Multifamily uses shall be allowed a maximum height of 4 stories and not exceed 20 dwelling units. A maximum of 25% of all combined F2 and F3 frontage may be used for Multifamily Residential.
2) Home occupation permitted

4.2.2.6 PROHIBITED USES

A) See prohibited use Table 4.01.

4.2.3 ARCHITECTURAL STANDARDS

Architectural standards shall be enforced by the Oasis Master Developer.

4.1.3.1 ARCHITECTURAL CHARACTER

All architectural design shall reflect the vernacular traditions of the West Texas region. The following architectural standards allow for a variety of interpretations, both contemporary and historicist.

A) Building massing and facades:
No single building facade type shall exceed 90' in length along the primary Build-to-Line; change in massing or materials shall constitute a change in facade type.

B) Exterior walls:
All exterior-building walls shall be finished in brick, native stone, cast stone, stucco, cementitious board (Hardie), wood or engineered wood. Exterior insulation finishing system (E.I.F.S.) may be used above the first story or a minimum of 12' above grade, whichever is higher. Galvanized or factory finished metal paneling is permitted, but may be used on no more than 50% of exterior elevations.

C) Change in materials:
Shall occur along a horizontal line (with the heavier material at the bottom), or at the joint along an inside corner. Facades shall include no more than three major materials.

D) Awnings and canopies:
Shall be made of sheet metal or canvas/poly membrane. Plastic or vinyl awnings are not permitted. Trellises and sun shading devices are recommended and shall be made of wood or metal.

E) Signage: refer to signage standards (section 9.0)

F) Bicycle racks:
One bicycle rack shall be provided per 10,000 square feet of occupied building area. Bike racks may be ganged together block-by-block and located in the Passageway Easements.

G) Roofs:
1) Pitched roofs:
Pitched roofs may be clad in painted or galvanized metal, clay or concrete tile. Composition shingles are permitted only where not visible from a public right-of-way. Pitched roofs shall be symmetrical gable, hip, or barrel vault with a pitch no less than 3/12. Porch and arcade roofs may be 2/12 min. Pitch. Mansard roofs are not permitted.
2) Flat roofs may be made of built-up roofing or a membrane roofing system.
3) Roof penetrations and rooftop mechanical systems shall be screened or setback from view at street level from either the front or side. Screening devices may be parapet extensions or free standing and shall be of material similar to the base building.

H) Glazing:
Glazed openings shall be at least 30 percent of the wall surface along a build-to line at the ground level and 20 percent on upper floors. Glazing shall not exceed 70 percent.
1) Framing shall be commercial grade painted wood, aluminum, or steel.
2) Glazing shall be clear; no reflective or spandrel glass is permitted.
3) Window openings shall be vertical or square in proportion.

- (B) Property Line:
- (C) The Build-to-Line, 0' to 10' setback from the property line
- (D) Primary Building Facade; constructed along 80% of the length of the Build-to-Line
- (E) Porch/Stoop Encroachment
- (F) Building height; 2 stories or 25' minimum; 3 stories maximum

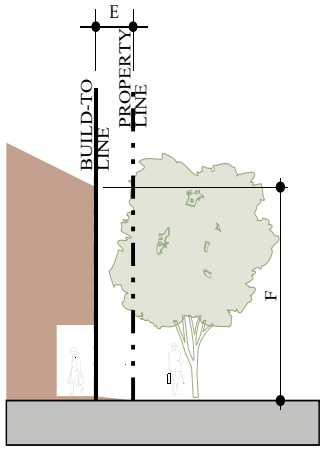

Figure 4.2b
TYPE F2 with RECESSED STOOP

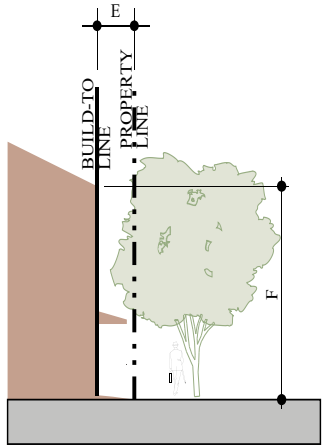

Figure 4.2c
TYPE F2 with PROJECTING STOOP

4.3.1 DEVELOPMENT REGULATIONS

4.3.1.1 BUILDING PLACEMENT

A) Build-to Line:
A 10' setback from the front property line
1) Primary building facade shall be constructed along a minimum of 80% of the total length of the Build-to-Line.

B) Rear and side setbacks:
Not required

C) Encroachment:
Corner towers, bay windows, or canopies with occupied or unoccupied space may encroach a maximum of 3' beyond the Build-to-Line. No corner tower shall have more than 300 SF on the ground floor encroaching beyond the Build-to-Line.
1) Stoops, porches or balconies may encroach a maximum of 8' beyond the Build-to-Line.
2) If a stoop is provided, it shall be a minimum of 30 square feet.
3) Stoops and/or porches shall be spaced no more than 60 linear feet along the Build-to-Line within a single parcel.

D) Pedestrian Passageways:
None required

E) Covered sidewalks:
Not required

F) 1st Floor Elevation:
The finish floor of the first level shall be a minimum of 24 inches above the sidewalk or top of curb.

G) Minimum and Maximum Wall Height:
The maximum building height shall be three stories. Buildings shall be a minimum of two stories at the primary building facade.

4.3.1.2 PARKING

A) Parking spaces shall be 9' in width by 18' depth, up to 10% of the total spaces may be assigned as oversized spaces with a width of 10' and a depth of 20'.

B) On-site parking is allowed only at the rear of the building.

C) On-Street Parking in front of building may be used to supplement minimum parking requirements (see Use Standards below)

D) Shared Parking Standards:
Shared parking standards may NOT replace minimum parking standards in areas designated F3.

E) Parking supply may not exceed the minimum parking requirements outlined in the Use Standards by more than 15%.

F) Parking garages shall count as required parking.

4.3.2 USE STANDARDS

4.3.2.4 RESIDENTIAL

A) Residential Uses Defined:
Residential uses are those associated with buildings occupied for the purpose of long term human habitation, excluding lodging.
1) Residential uses shall provide designated parking at 2 spaces per dwelling unit. (no maximum density)
2) Parking for conditional uses and non-conventional unit sizes may be modified with approval of the Town Architect.

4.3.2.5 CONDITIONAL USES

A) Conditional Uses Defined:
Conditional Uses are considered exceptional situations that must have the approval of the Town Architect or district Design Review Board. The following may be acceptable conditional uses in areas designated F3:
1) Multifamily Residential:
Townhouse lots may be combined to create multifamily development parcels. Architectural massing shall remain consistent with that of surrounding uses, as determined by the Town Architect. Multifamily uses shall be allowed a maximum height of 4 stories and not exceed 20 dwelling units. A maximum of 25% of all combined F2 and F3 frontage may be used for Multifamily Residential.
2) Home occupation permitted

4.3.2.6 PROHIBITED USES

A) See prohibited use Table 4.01.

4.3.3 ARCHITECTURAL STANDARDS

Architectural standards shall be enforced by the Oasis Master Developer.

4.3.3.1 ARCHITECTURAL CHARACTER

All architectural design shall reflect the vernacular traditions of the Central Texas region. The following architectural standards allow for a variety of interpretations, both contemporary and historicist.

A) Building massing and facades
No single building facade type shall exceed 30' in length along the primary Build-to-Line; change in massing or materials shall constitute a change in facade type.

B) Exterior walls:
All exterior-building walls shall be finished in brick, native stone, cast stone, stucco, cementitious board (Hardie), or wood. Exterior insulation finishing system (E.I.F.S.) may not be used. Galvanized or weathered metal paneling is permitted, but may be used on no more than 50% of exterior elevations.

C) Change in materials:
Shall occur along a horizontal line (with the heavier material at the bottom), or at the joint along an inside corner. Facades shall include no more than three major materials.

D) Awnings and canopies:
Shall be made of sheet metal or canvas membrane. Plastic, fabric or vinyl awnings are not permitted. Trellises and sun shading devices are recommended and shall be made of wood or metal.

E) Roofs
1) Pitched roofs:
Pitched roofs may be clad in painted or galvanized metal, clay or concrete tile. No composition shingles are permitted. Pitched roofs shall be symmetrical gable, hip, or barrel vault with a pitch no less than 3/12. Porch and arcade roofs may be 2/12 min. Pitch. Mansard roofs are not permitted.
2) Flat roofs may be made of built-up roofing or a membrane roofing system.
3) Roof penetrations and rooftop mechanical systems shall be screened or setback from view at street level.

Frontage Type F3: Townhouse

- (A) Right of Way; see street types and standards
- (B) Property Line:
- (C) The Build-to-Line, 10' setback from the property line
- (D) Primary Building Facade; constructed along 80% of the length of the Build-to-Line
- (E) Porch/Stoop Encroachment
- (F) First floor elevation min. 24" above sidewalk
- (G) Building height; 2 stories or 25' minimum; 3 stories maximum

4.4.1 DEVELOPMENT REGULATIONS

4.4.1.1 BUILDING PLACEMENT

A) Build-to Line:
A 20' setback from the front property line
1) Primary building facade shall be constructed along a minimum of 50% of the total length of the Build-to-Line.

B) Rear and side setbacks:
1) 5' rear setback
2) 2.5' side setback on one side; 10' side setback on opposite side.
3) 10' street sideyard setback where the lot occupies the end of a block.

D) Encroachment:
Corner towers, bay windows, or canopies with occupied or unoccupied space may encroach a maximum of 3' beyond the Build-to-Line. No corner tower shall have more than 300 SF on the ground floor encroaching beyond the Build-to-Line.
1) Stoops, porches or balconies may encroach a maximum of 10' beyond the Build-to-Line.
2) If a stoop is provided, it shall be a minimum of 30 square feet.
3) If a porch is provided, it shall be a minimum of 8' deep.

E) Pedestrian Passageways:
None required

F) Covered sidewalks:
Not required

J) 1st Floor Elevation:
The finish floor of the first level shall be a minimum of 24 inches above the sidewalk.

K) Minimum and Maximum Wall Height:
The maximum building height shall be two and one-half stories. Buildings shall be a minimum of two stories at the primary building facade.

4.4.1.2 PARKING

A) Off street parking spaces shall be 9' in width by 18' depth, up to 10% of the total spaces may be assigned as oversized spaces with a width of 10' and a depth of 20'.

B) On-site parking is allowed only at the rear of the building.

C) On-Street Parking in front of building may be used to supplement minimum parking requirements (see Use Standards below)

D) Shared Parking Standards:
Shared parking standards may NOT replace minimum parking standards in areas designated F4.

E) Parking supply may not exceed the minimum parking requirements outlined in the Use Standards by more than 15%.

F) Parking garages shall count as required parking

4.4.2 USE STANDARDS

4.4.2.4 RESIDENTIAL

A) Residential Uses Defined:
Residential uses are those associated with buildings occupied for the purpose of long term human habitation, excluding lodging.
1) Residential uses shall provide designated parking at 2 spaces per dwelling unit plus 1 space per accessory dwelling unit. (no maximum density)
2) Parking for conditional uses and non-conventional unit sizes may be modified with approval of the Town Architect.

4.4.2.5 CONDITIONAL USES

A) Conditional Uses Defined:
Conditional Uses are considered exceptional situations that must have the approval of the Town Architect. The following may be acceptable conditional uses in areas designated F4:
1) Multifamily Residential is not permitted
2) Home occupation permitted
3) Ancillary units permitted

4.4.2.6 PROHIBITED USES

A) See prohibited use Table 4.01.

4.4.3 ARCHITECTURAL STANDARDS

Architectural standards shall be enforced by the Oasis Master Developer.

4.4.3.1 ARCHITECTURAL CHARACTER

All architectural design shall reflect the vernacular traditions of the Central Texas region. The following architectural standards allow for a variety of interpretations, both contemporary and historicist.

A) Building massing and facades
No single building facade type shall exceed 30' in length along the primary Build-to-Line; change in massing or materials shall constitute a change in facade type.

B) Exterior walls:
All exterior-building walls shall be finished in brick, native stone, cast stone, stucco, cementitious board (Hardie), or wood. Exterior insulation finishing system (E.I.F.S.) may not be used. Galvanized or weathered metal paneling is permitted, but may be used on no more than 50% of exterior elevations.

C) Change in materials:
Shall occur along a horizontal line (with the heavier material at the bottom), or at the joint along an inside corner. Facades shall include no more than three major materials.

D) Awnings and canopies:
Shall be made of sheet metal or canvas membrane. Plastic, fabric or vinyl awnings are not permitted. Trellises and sun shading devices are recommended and shall be made of wood or metal.

G) Roofs
1) Pitched roofs:
Pitched roofs may be clad in painted or galvanized metal, clay or concrete tile. No composition shingles are permitted. Pitched roofs shall be symmetrical gable, hip, or barrel vault with a pitch no less than 3/12. Porch and arcade roofs may be 2/12 min. Pitch. Mansard roofs are not permitted.
2) Flat roofs may be made of built-up roofing or a membrane roofing system.
3) Roof penetrations and rooftop mechanical systems shall be screened or setback from view at street level.

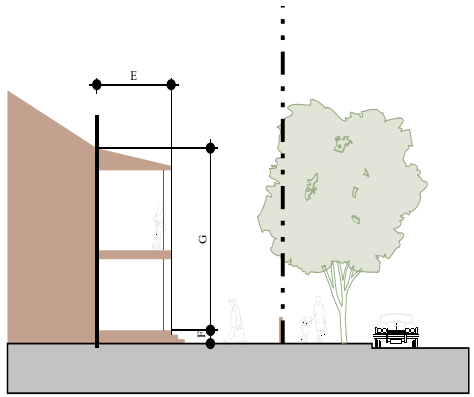

Figure 4.4a
TYPE F4 with COLONNADE

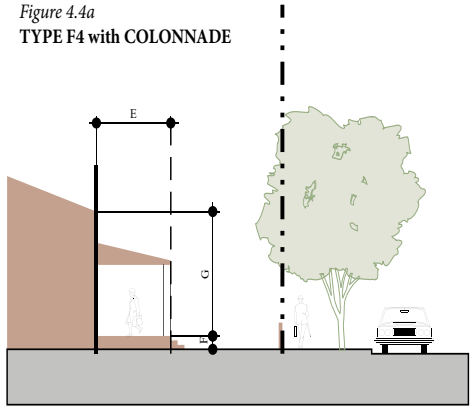

Figure 4.4b
TYPE F4 with ONE STORY PORCH

KEYED NOTES
Frontage Type F4: Sideyard

- (A) Right of Way; see street types and standards
- (B) Property Line:
- (C) The Build-to-Line, 20' setback from the front property line, 5' rear and side setback, 2.5' side setback on one side.
- (D) Primary Building Facade; constructed along 80% of the length of the Build-to-Line
- (E) Porch/Stoop Encroachment
- (F) First floor elevation min. 24" above sidewalk
- (G) Building height; 2 stories or 25' minimum; 2.5 stories maximum

4.4.1 DEVELOPMENT REGULATIONS

4.4.1.1 BUILDING PLACEMENT

A) Build-to Line:
A 90' setback from the front property line
1) Primary building facade shall be constructed along a minimum of 50% of the total length of the Build-to-Line.

B) Rear and side setbacks:
1) 5' rear setback
2) 5' side setback

D) Encroachment:
Corner towers, or canopies with occupied or unoccupied space may encroach a maximum of 30' beyond the Build-to-Line. No corner tower shall have more than 1,000 SF on the ground floor encroaching beyond the Build-to-Line.

E) Pedestrian Passageways:
None required

F) Covered sidewalks:
Recommended for primary student entries.

J) 1st Floor Elevation:
The finish floor of the first level shall be at grade with street sidewalk or made accessible to disabled persons in compliance with the Americans With Disabilities Act and Texas accessibility standards.

K) Minimum and Maximum Wall Height:
The minimum building height shall be two and maximum five stories. Ancillary structures may be one story.

4.4.1.2 PARKING

A) Parking spaces shall be 9' in width by 18' depth, up to 10% of the total spaces may be assigned as oversized spaces with a width of 10' and a depth of 20'.

B) On-site parking is allowed only behind the building.

C) On-Street Parking in front of building may be used to satisfy visitor parking requirements.

D) Shared Parking Standards:
Shared parking standards may NOT replace minimum parking standards in areas designated F5.

E) Parking supply may not exceed the minimum parking requirements outlined in the Use Standards by more than 15%.

4.4.2 USE STANDARDS

4.4.2.4 EDUCATIONAL

A) Educational Uses Defined:
Educational uses are those associated with buildings occupied for the purpose of educational instruction and related services, for public school grades Pre-K through 12.
1) Educational uses shall provide designated parking at one space per 400 gross square feet excluding ancillary structures, play fields, etc not to exceed 200 spaces. Visitor spaces shall be included in the total parking allowed.

4.4.2.5 CONDITIONAL USES

None are allowed.

4.4.2.6 PROHIBITED USES

A) See prohibited use Table 4.01.

4.4.3 ARCHITECTURAL STANDARDS

Architectural standards shall be enforced by the Oasis Master Developer.

4.4.3.1 ARCHITECTURAL CHARACTER

All architectural design shall reflect the vernacular traditions of the West Texas region. The following architectural standards allow for a variety of interpretations, both contemporary and historic.

A) Building massing and facades
No single building facade type shall exceed 180 feet in length along the primary Build-to-Line; change in massing or materials shall constitute a change in facade type.

B) Exterior walls:
All exterior-building walls shall be finished in brick, native stone, cast stone, stucco or cementitious board (Hardie). Exterior insulation finishing system (E.I.F.S.) may not be used. Galvanized or factory finished metal paneling is permitted, but may be used on no more than 50% of exterior elevations.

C) Change in materials:
Shall occur along a horizontal line (with the heavier material at the bottom), or at the joint along an inside corner. Facades shall include no more than three major materials.

D) Awnings and canopies:
Shall be made of factory finished metal or other permanent roofing materials. Plastic, fabric or vinyl awnings are not permitted. Trellises and sun shading devices are recommended and shall be made of wood or metal.

G) Roofs
1) Pitched roofs:
Pitched roofs may be clad in factory finished or galvanized metal, clay or concrete tile. No composition shingles are permitted. Pitched roofs shall be symmetrical gable, hip, or barrel vault with a pitch no less than 3/12. Canopy, colonnade and arcade roofs may be 1/12 min. Pitch. Mansard roofs are not permitted.
2) Flat roofs may be made of built-up roofing or a membrane roofing system.
3) Roof penetrations and rooftop mechanical systems shall be screened or setback from view at street level, including adjacent public rights-of-way.

Ⓕ Building height 2 stories or 25' minimum, 5 stories maximum

HOW DO STREET TYPES AFFECT DEVELOPMENT?

The frontage types outlined in the previous section of these standards are paired with street types to define the general character and quality of public space within the plan. The Regulating Plan defines locations for each street type and frontage type. The remainder of the Development Standards fills in the gaps, specifying landscape and drainage requirements, utility locations, open space programming, etc.

SEQUENCING

All streets within the Oasis PD shall be built in complete block lengths. A block is defined as a section of street from the intersection of one perpendicular street to the next. If the street-type has a parallel alley, the alley and access to it must be built at the same time as the street.

The following street types are detailed in this section:

MS-78: Main Street 78' R.O.W.

BVD-VAR: Boulevard Variable R.O.W.

CS-65: Commercial Street 65' R.O.W.

CS-60: Commercial Street 60' R.O.W.

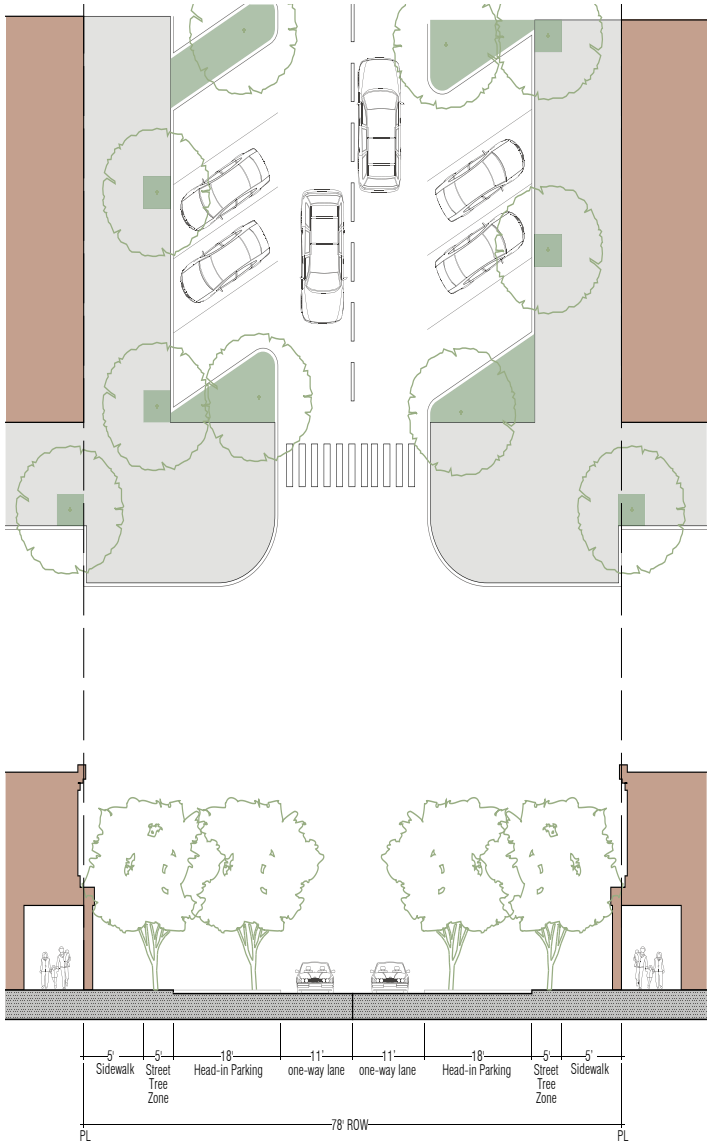
US-50: Urban Street 50' R.O.W.

US-45: Urban Street 45' R.O.W.

US-40: Urban Street 40' R.O.W.

CL-20: Comercial Alley 20' Access Easement

AL-20: Residential Alley 20' Access Easement

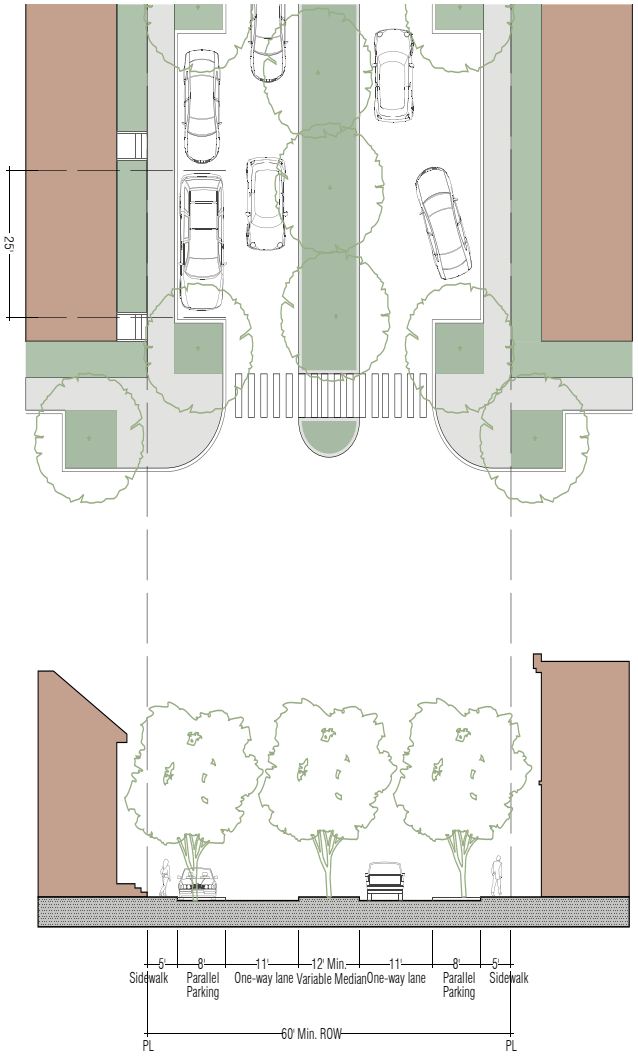


OWNERSHIP AND MAINTENANCE

All streets within the Oasis PD shall be built to meet City of Midland construction standards. However, geometric layout, design speed and details including bulb-outs, pedestrian crossings, sidewalks etc. shall be controlled by this Code.

Maintenance of streets and sidewalks in public rights-of-way shall be performed by a private property owners association as provided for in Section 13.5 of this Code.

Section 5.1



Street Type MS-78 : Main Street 78' R.O.W.

ROW	78'
DESIGN SPEED	25 mph
PAVEMENT WIDTH	58'
PARKING	Head-in both sides
CURB RADIUS	20' radius at street corners
STREET TREES	30' o.c. max.

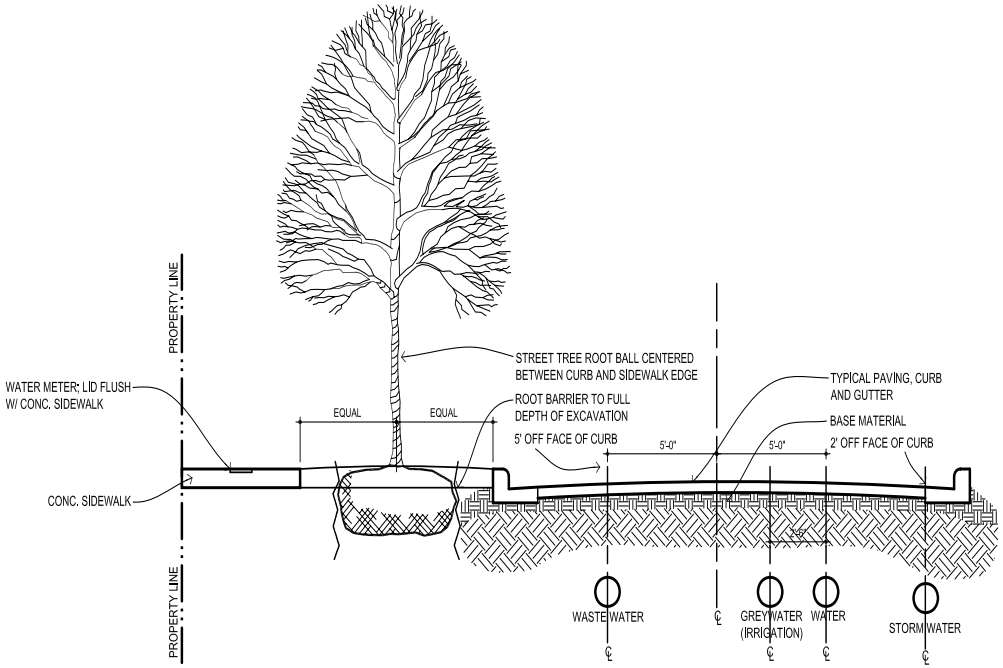
MIN. CENTERLINE RADII	50

6.1 UTILITIES

All utilities must be located in 1) a Dedicated Utility Corridor within a Public Right of Way, 2) a public utility easement (P.U.E.) on a lot as indicated on a final plat, 3) or by separate dedication instrument. This includes both Dry Utilities and Wet Utilities. Except for temporary construction site offices, utilities shall be located underground. Dry Utilities in common trenches are allowed, providing required separation distances are maintained. Utilities must follow the pattern in the Typical Utility Corridor Section diagram unless the City Engineer or the City Engineer's designee authorizes deviation from the standards in the diagram.



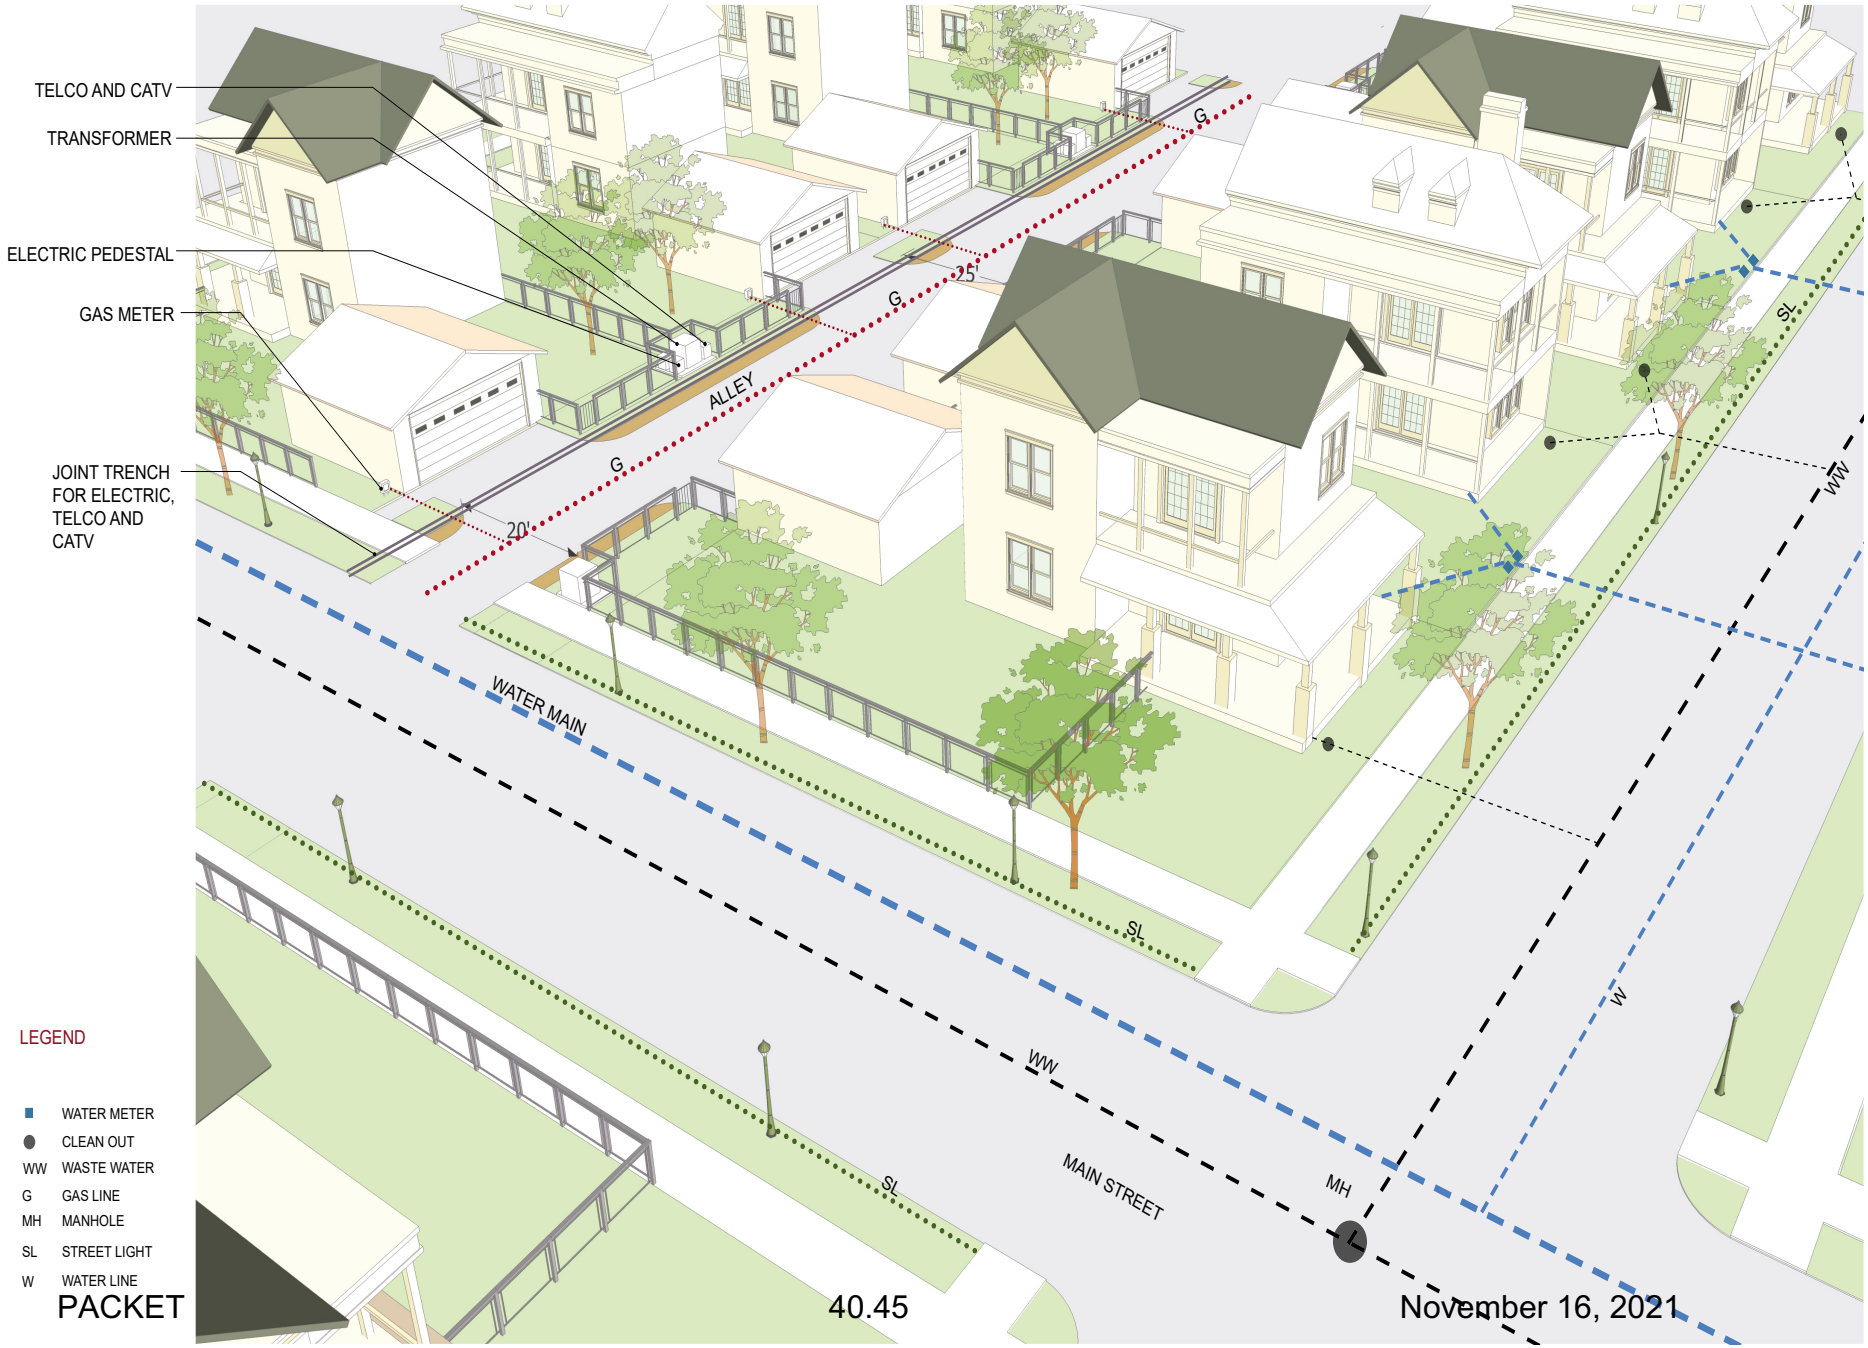


Figure 6a: **Typical Utility Corridor Section**

Fig. 6b: Assignments

7.1 INTENT

The following is the intent of the public space standards:

· To create socially active and culturally vibrant public open spaces.

· To create a public open space system which becomes a source of community pride and an attractive feature for encouraging positive town growth.

· To provide for a range of public open space types for community use from highly developed public squares to larger more loosely programmed public greens and greenbelts.

· Public Spaces shall be privately owned, developed and maintained and publicly accessible.

7.2 DEFINITIONS & PROGRAMMING

7.2.1 PLAZA

A plaza is an open area adjacent to, or part of, a civic building or facility. Plazas function as gathering places and may incorporate a variety of temporary activities such as vendors and display stands. Plazas shall be no less than 75% paved in brick or another type of paver or crushed stone. Plazas shall be level, stepped, or gently sloping (less than 3% grade). The following sizes are recommended but may be larger or smaller depending on the building or facility design. The recommended minimum size is 2000 sf., and the recommended maximum size shall be 30,000 sf.

A) Plantings:
Plaza interiors may be left unplanted or may be planted with shade trees. If a programming element such as an outdoor cafe or seating area is incorporated then trees may be planted to provide shade. Arbors may also be used as shade elements. Street trees shall be planted as per Street Types Standards (see tree list in Landscape Guidelines).

B) Public seating:
Seating should be provided with exposure to both shady and sunny conditions. Benches or seat walls should provide seating for at 10 linear feet of seating per 1,000 square feet of plaza area.

C) Optional programming elements:
Optional programming elements might be music concerts, festivals, outdoor cafes or vending areas. Other elements may be considered if determined appropriate by the City.

D) Street Lamps:
Street lighting shall be provided along pedestrian path and marking entrances to the Plaza. At least on half of a foot candle of light shall be provided per 20 ft. of perimeter sidewalk. All street lighting shall be Metal Halide or color corrected LED light sources and shall have full cut-off shields to minimize light pollution.

D) Irrigation:
Irrigation is required for all landscaped areas within the Plaza.

7.2.2 SQUARE

An open space, spatially defined by the facades of surrounding buildings (as a room is defined by its walls), usually surrounded by streets on at least two sides. Squares are at the intersection of important streets and are designed to accommodate public gathering and activities, usually with an area set aside for civic structures or monuments.

A) Shade Trees:
Shade trees (no less than 4 caliper inches at installation and container grown) shall be planted at no less than 1 tree per 2,000 sf. Street trees (as required in the Street Types Standards) shall count towards the minimum number of tree planting. Trees shall be limbed up to a minimum of 10' at maturity. (see tree list in Landscape Standards)

B) Small Flowering Trees:
Small Flowering Trees (no less than 2 caliper inches) shall be planted at no less than 1 tree per 2,000 sf in groupings no greater than 15' on center. (see tree list in Landscape Standards).

C) Lawn:
In areas requiring turfgrass, only shade tolerant varieties of turfgrass shall be allowed. Decomposed granite and other pervious paving is encouraged in all high traffic areas. Mulched beds and native grasses are encouraged to minimize irrigation demand. Solid sod shall have a sandy loam growing soil, not clay.

D) Street Lamps:
Street lighting shall be provided along pedestrian path and marking entrances to the Square. At least on half of a foot candle of light shall be provided per 20 ft. of perimeter sidewalk. All street lighting shall be Metal Halide or color corrected LED light sources and shall have full cut-off shields to minimize light pollution.

E) Public seating:
Public seating shall include metal, stone or concrete benches placed along pathways. Seating shall be a minimum of 10 linear ft. of seating per 1,000 sf. of square area. Other seating alternatives may be approved or by the Town Architect if they meet the criteria of long term durability and minimal susceptibility to vandalism.

F) Irrigation:
Irrigation is required for all landscaped areas. Irrigation shall be minimized through the use of native and drought resistant landscaping.

G) Drinking fountains:
At least two (2) shall be provided within a Square.

H) Other elements:
Plaza or Square shall incorporate at least one of the following as a primary organizing element to be approved by the Town Architect:

· Fountain or water feature
· Monument, sculpture or statue
· Gazebo, covered pavilion, or shade structure

7.2.3 GREEN

A Green is similar to a Square in that it is spatially defined by the facades of surrounding buildings surrounded by streets on at least two sides. A Green is more informally planted than a Square.

A) Shade Trees:
Shade trees (no less than 4 caliper inches and container grown) shall be planted at no less than 1 tree per 4,000 sf. Street trees (as required in the Street Types Standards) shall count towards the minimum number of tree planting. Trees shall be limbed up to a minimum of 10' at maturity. (see tree list in Landscape Standards)

C) Lawn:
In areas requiring turfgrass, only shade tolerant varieties of turfgrass shall be allowed. Decomposed granite and other pervious paving is encouraged in all high traffic areas. Mulched beds and native grasses are encouraged to minimize irrigation demand.

D) Street Lamps:
At least 1/2 of a foot candle of light shall be provided per 50 ft. of perimeter sidewalk. All street lighting shall be Metal Halide or color corrected LED light sources and shall have full cut-off shields to minimize light pollution.

E) Public seating:
Public seating shall include metal, stone or concrete benches placed along pathways. Seating shall be a minimum of 10 linear ft. of seating per 2,000 sf. of Green area. Other seating alternatives may be approved or by the Town Architect if they meet the criteria of long term durability and minimal susceptibility to vandalism.

F) Irrigation:
Irrigation is required for all landscaped areas. Irrigation shall be minimized through the use of native and drought resistant landscaping.

7.2.4 GREENBELT

Greenbelts are linear greenways or natural preserves which may feature walking or cycling trails and serve to buffer a neighborhood from surrounding non-compatible uses such as highway corridor or industrial district.

Uses may include large scale recreational uses such as golf courses, multiple playing fields, hike and bike trails or other program elements that help to create a green buffer. There are no tree planting requirements along ROWs for greenbelts. Greenbelts shall integrate the existing natural landscape. Newly landscaped area shall be compatible with existing vegetation. Shade trees shall be planted at 1 per 100 linear feet of trail and shall be 2" caliper container grown or 3" balled and burlapped or transplanted trees planted in naturalistic pattern.

7.2.5 PARK

An open space defined by surrounding buildings and vegetation and connecting with streets on at least two sides.

A) Paving:
Parks shall be naturally landscaped, not more than 10% paved.

B) Boundaries:
Parks will be bounded by streets on a minimum of 50% of their perimeter. Parks are encouraged to be entirely bounded by streets.

C) Size:
Minimum size shall be one (1) acre; maximum size shall be three (3) acres. Maximum park size may exceed three (3) acres if through design, the park creates a central open space that services an entire neighborhood or group of neighborhoods, or incorporates physical features which are an asset to the community (i.e., lake frontage, high ground or significant stands of trees.

7.3 IMPLEMENTATION

All public and private open space improvements shall be constructed or installed at the time of adjacent street and utility infrastructure construction. Park land dedication, fee in lieu or development of parks in value equal to fees in lieu will be accomplished as each 100 dwelling units are platted.

PACKET 40.46 November 16, 2021

8.1.THE PUBLIC LANDSCAPE

8.1.1 SOIL PRESERVATION
Wherever possible grades for thoroughfare and open spaces shall follow existing topography and drainage patterns. Areas to be left natural shall be fenced and undisturbed during construction. The soil structure for planting strips shall be protected from compaction with protective fencing. During construction, topsoil shall be removed, and stockpiled for later use.

8.1.2 COMPACTION
All planting areas shall be cultivated and top-dressed with organic matter. Deeply compacted areas shall be cultivated to a depth of one foot and top-dressed with an addition of loose topsoil, coarse sand and compost. Ballfields shall be underlain with a mix of coarse sand.

8.1.3 HYDROLOGY / DRAINAGE
All planting areas shall have drainage outlets achieve positive drainage. Playing fields shall be uniformly graded to a 2% -3% slope.

8.1.4 SITE CLEARING / EROSION CONTROL
To prevent erosion, clearing of easements and access routes should not occur more than 60 days prior to construction. Trees to be removed shall be taken down in a manner that will not impact any of the adjacent trees to remain. All trees will have crown and limbs removed before being felled and depending upon the density of vegetation the trunk shall be felled before the stump is removed. It is recommended that limbs and underbrush be chipped shredded and retained on site to be spread as a mulch after construction has finished. The boundary of construction sites shall be marked with a barrier and erosion control fencing on the downhill sides. No clearing operations will be allowed in an unmarked area. When construction is adjacent to a waterway, care should be taken to prevent any excavated material from spilling into the waterway by use of erosion control barriers.

8.1.5 TREE PROTECTION:
Protecting existing trees on site adds value and prevents additional planting costs. In areas of construction where trees are to be preserved, tree protection fencing must be installed and maintained at the dripline. No storage of materials or equipment is allowed within the dripline area of trees to be protected.

With the exception of Protected Trees as defined by the City's General Landscape Ordinance these Oasis landscape standards shall be adhered to in lieu of City's landscape regulations.

8.1.6 PLANT SELECTION
Trees may be selected from the lists outlined below. The use of native shrubs and ground cover species is encouraged given their adaptability to drought and indigenous soil conditions. Plant quality shall follow the highest Nursery Industry Standards.

8.2. PUBLIC OPEN SPACE TREES

8.2.1 STREETS, SQUARES, AND GREENS
The following is a list of trees that may be used in Squares and Greens, as well as for Street Trees. These trees were selected for their shade providing qualities and their ability to tolerate compaction, drought and pollution typically associated with heavily trafficked areas. Low maintenance and disease resistance are also important qualities for trees in this category. With pruning, these trees also have high a branching character so as not interfere with pedestrian and vehicular activities. Street trees shall have a single trunk and should be limbed up to a minimum of 14' at maturity. All street tree plantings shall utilize root barriers to prevent heaving of adjacent paving.

·Live Oak, Quercus virginiana
·Bur Oak, Quercus macrocarpa
·Texas Red Oak, Quercus texana
·Pecan, Carya illinoensis
·Bald Cypress, Taxodium distinctum
·Afghan Pine, Pinus elderica
·Mexican White Oak, Quercus polymorpha.

8.2.2 GREENBELT TREES

The following trees may be planted in Greenbelts (as defined in the Open Space Standards) This list of trees was selected for their more naturalistic character which is representative of the above listed public open spaces. Native species are encouraged given their adaptability to native soils and drought conditions:

Native Large Trees (Mature Height Over 30'):
·Texas Ash, Fraxinus texensis
·Bald Cypress, Taxodium distinctum
·Cedar Elm, Ulmus crassifolia
·Live Oak, Quercus virginiana
·Pecan, Carya illinoensis
·Bur Oak, Quercus macrocarpa
·Chinkapin Oak, Quercus muhlenbergii
·Texas Red Oak, Quercus texana
·Eastern Red Cedar, Juniperus virginiana

Non-Native Large Trees (Mature Height Over 30'):
·Arizona Cypress, Cupressus arizonica
·Austrian Pine, Pinus nigra
·Goldenraintree, Koelreuteria paniculata
·Italian Stone Pine, Pinus pinea
·Lacebark Elm, Ulmus parvifolia

Native Small Trees (Mature Height 30' or less):
·Crabapple, Malus spp.
·Eve's Necklace, Sophora affinis.
·Goldenball Leadtree, Leucaena retusa.
·Mexican Redbud, Cercis canadensis var. mexicana.
·Mexican-Buckeye, Ungnadia speciosa.
·Pinyon Pine, Pinus edulis.
·Prairie Flameleaf Sumac, Rhus Lanceolata.
·Texas Mountain Laurel, Sophora secundiflora.
·Texas Walnut, Juglans microcarpa.
·Desert Willow, Chilopsis linearis
·Texas Persimmon, Diospyros virginiana
·Texas Pistache, Pistacia texana
·Mexican Plum, Prunus mexicana
·Texas Redbud, Cercis canadensis texensis
·Vitex, Vitex agnus-castus

Non-Native Small Trees (Mature Height 30' or less):
·American Smoketree, Cotinus obovatus
·Crape Myrtle, Lagerstroemia indica
·Chinese Pistache, Pistacia chinensis

8.2.3 PARKS
Shade trees shall be 3" caliper container grown or 4" balled and burlapped trees planted in naturalistic pattern. At least 1 tree per 5,000 sf shall be planted. Existing hardwood trees may count toward the minimum number of trees. Trees may be grouped to allow for large lawn cover areas (see tree list in Landscape Standards 8.2.2)

B) Small Flowering Trees:
Small flowering trees(no less than 2 caliper inches) shall be planted in groupings at no less than 1 per 5,000 SF. (see tree list in Landscape Standards).

C) Lawn:
Lawns shall include Bermuda grass in sun to partly shade conditions; St. Augustine shall be provided in dense shade. In conditions with a more natural landscape character, coverage should be a mixture of native grass and wildflower seed. This mixture should contain a minimum of three (3) different species of grass and five (5) different species of wildflowers.

D) Street Lamps:
Street lamps shall be provided along pedestrian paths and at entrances to a Square or Plaza. At least 1/2 of a foot candle must be maintained.

E) Public seating:
Public seating shall include metal, stone or concrete benches placed along pathways. Seating shall be provided at no less than ten linear feet of seating per 10,000 SF of park area.

F) Irrigation:
Irrigation is required for all landscaped areas.

8.3 PARKING LOT LANDSCAPES

It is the intent of this section to establish standards in harmony with a city's landscape ordinance. However, due to the different development pattern (i.e. parking behind rather than in front of buildings) these standards shall apply where they may conflict with the landscape ordinance, including the Buffer requirements.

8.3.1 LANDSCAPE ISLANDS
In parking lots, landscaped islands must be provided at the end of all parking rows. Landscaped islands shall have a minimum width of 9 feet measured from back of curb to back of curb. A continuous poured-in-place concrete curb shall be provided around parking islands to prevent vehicular intrusion.

8.3.2 TREE ISLANDS
In addition to landscaping islands at the end of all parking rows, tree islands shall be incorporated into the parking lot layout every eight spaces to provide for additional shade. Tree islands shall incorporate a continuous poured-in-place concrete curb and shall be a minimum of 5' from back of curb to back of curb.

8.3.3 PARKING LOT TREES
In parking areas, two shade trees shall be planted in landscape islands at the end of all parking rows. A shade tree shall be installed no further than 30' from each stall. In addition, one shade tree will be provided for each five perimeter parking spaces. The parking lot trees will be a minimum 4 inch caliper balled and burlapped or 3 inch caliper container grown.

8.3.4 STREET TREES
Street trees shall be installed in locations shown on Street Types (Section 5.0), and shall be a minimum of 4" caliper, container grown with a minimum branching height of 9'-0".

8.3.5 MAXIMUM AREA OF PARKING SECTIONS
Parking areas shall be broken into individual sections not to exceed 60 cars. Each section shall be separated by a 10' wide major landscaped buffer to provide visual relief.·

8.3.6 PARKING LOT SCREENING
Any parking lot fronting along a Build-to-Line shall be landscaped at the perimeter and screened from view. A landscaped strip at least three feet wide shall be planted with a shrub hedge at least 30 inches in height at the time of installation and a mature height of 4' to 5'.

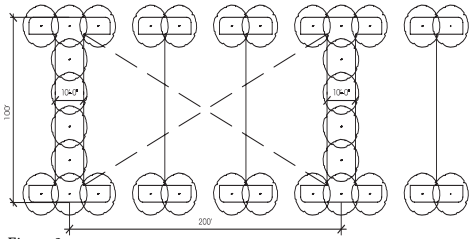

Figure 8a
MAXIMUM PARKING AREA

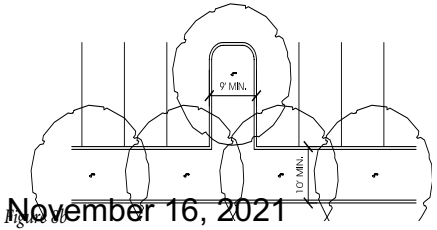

Figure 8b
LANDSCAPE ISLANDS

PACKET 40.47 November 16, 2021

8.3.7 STORAGE SCREENING
All loading and storage areas for commercial uses shall be screened from view from public streets and public open space. This provision includes above grade utility transformers, meters, valve boxes or other such apparatus. Screen elements may include permanent walls, fences, plant material or architectural enclosures. Open storage of goods, materials, machinery, equipment, vehicles, plants, trash or other items shall be similarly screened from public view.

8.3.8 IRRIGATION
All landscape areas shall be irrigated with the exception of natural areas and undeveloped areas. All irrigation systems are to be below ground, fully automated systems and in compliance with applicable building code requirements. The use of drip irrigation for shrubs and trees is acceptable. All backflow control devices are to be installed in below-grade Valve boxes or located and screened so that they are not visible from public streets or parking lots. All parking areas, drives and walks are to be "trimmed" to minimize spray onto pavements. Owners shall be required to irrigate to back of the curb of public roads. Oasis will provide reclaimed waste water to all irrigation users.

8.3. EXISTING TREE LOCATIONS
If specimen quality existing trees of 16" DBH or greater are encountered in tree surveys subsequent to the formulation of these standards, modifications to the layout of streets and walks may be considered. Refer to section 11.0 for Revisions to the Regulating Plan.

8.4 IMPLEMENTATION

All public landscape improvements shall be constructed or installed at the time of adjacent street and utility infrastructure construction.

9.1 STORM WATER MANAGEMENT

A Regional Storm water Management approach is desirable for the Oasis District. The benefits of a regional approach to providing storm water detention over an on-site approach are many. They include the following:

- A greater level of confidence in the hydraulic performance of the regional facilities;
- Less land area required thus increasing taxable land base in the District;
- Centralized, focused long term maintenance and thus a greater level of confidence in the long term function of the regional facility;
- Less overall construction, design, and administration costs;
- The ability to combine the regional facilities into an amenity area.

9.2 DRAINAGE STANDARDS
The Oasis District is anticipated to be a moderately high density and impervious cover area and as such the management of storm water runoff will be essential and critical to the ongoing health, safety, and welfare of not only the District, but also areas downstream of the District.

9.3 FLOODING CONDITIONS
There is increased potential for downstream erosion and degradation of water quality due to the increase in frequency of storm water runoff by the smaller more frequent storm events and corresponding increase in storm runoff volume. The increase in volume of runoff and frequency of storm water runoff events will have the effect of eroding the natural downstream waterways and further the potential for flooding. The effects of this can be mitigated by providing detention for the higher frequency (smaller) storm events and/or providing extended detention or a combination of detention/retention.

9.4 REGIONAL DETENTION
Due to the location of the Oasis District and its direct interface with the Midland County detention facility, accomodating approximately the north half of the project. The south half of the project shall drain to a combination of common area detention facilities.

9.5 WET PONDS
Detention may be combined with irrigation reservoirs and/or aesthetic ponds. Sufficient free board shall be designed into the pond to allow for adequate detention volume. These ponds may also be used to create man made wetlands where appropriate.

9.6 TIME OF IMPLEMENTATION
As with open space and landscape improvements, the implementation of drainage and water quality improvements outlined in this section shall be simultaneous with the development of sub basin served by the various drainage phases.

Figure 9a: Storm water management facilities can become a community amenity (Hogan Park Golf Course, Midland, TX)

Bike Path Plan

LEGEND

- 10' - 12' Bikeway
- 6' - 7' Bike lane / track buffered
- Signed bike paths on regular streets
- Signed crosswalk

11.1 GENERAL INTENT

A) Street lights shall be decorative and blend with the architectural style of the buildings in the Oasis District. Exterior lighting in the Public right-of-way will be coordinated with the electric utility provider. Standards for exterior lighting of private development such as parking areas and public spaces shall be subject to the regulations below and enforced by the Master Developer.

B) Street lights and site lights shall provide adequate lighting, while minimizing adverse impacts, such as glare and upward oriented glow. House side shields shall be provided where abutting a residential use. 'Dark Sky' protocols shall be integrated to the greatest extent possible.

11.2 PLACEMENT

A) Along all commercial or mixed use streets, parking areas, sidewalks, walkways, courtyards, community greens, and common open spaces, twelve to fourteen foot high decorative light posts shall be provided at regular intervals. Post shall be spaced at no greater than 60 feet on center on both sides of a commercial or main street and at all street intersections. Lighting on residential streets should be confined to the intersections and corners. Lighting standards shall be consistent throughout each district.

1) Lighting level along commercial streets shall be no less than one-half foot candle and shall be no greater than two foot candles.
2) Lighting level at an intersection of two residential streets (excluding alleys or access easements) shall be no less than one foot candle and shall be no greater than three foot candles.
3) Lighting level at an intersection of a commercial street and any other street (excluding alleys or access easements) shall be no less than one foot candle and shall be no greater than three foot candles.
4) Lighting level in parking lots shall be no less than one foot candle and shall be no greater than two foot candles.

B) In parking lots, post heights may be extended to a maximum of 18 feet.

11.3 TYPES

A) Use of metal halide or color corrected LED light sources are required. High pressure and sodium and non-color corrected mercury vapor light sources may be considered in special circumstances.

B) Porch light and yard post lighting are encouraged in residential areas. Where yard post lighting is used post and luminaires shall be of compatible styles.

12.1 INTENT

The following Standards address the number, location, size and types of allowable signs throughout the Oasis District. These signage standards take precedent over the Midland Signage Ordinance and shall be enforced by the Master Developer. Where this section is silent, the standards of the Midland Sign Ordinance, if any, shall apply.

12.2 TYPE AND PLACEMENT

12.2.1 SIGNS AND EXTERIORS
Signing should be designed to directly relate to the exterior design of the building. Signing should not cover important features or cross transitions between features. Signing should be at the first floor level, should not project above the cornice or facia line, and should be primarily oriented to the pedestrian with the exception of the commercial district. However, lettering on second story windows, to identify separate uses located there, is appropriate. Anchor tenants (10,000 sq. ft. or greater) may place signage to within two feet of highest point of facade.

12.2.2 PROJECTING SIGNS
Signs should generally be flush with the facade and not protrude more than eight (8) inches from the wall. Projecting signs may be considered when the sign does not conflict with the building's exterior design.

12.2.3 OTHER PERMITTED SIGNS
Under-canopy shingle type signs and signing painted on canopies or awnings are permitted. Symbolic three-dimensional signs, such as barber poles, are encouraged. Moving and rotating signs are not permitted.

12.2.4 FREESTANDING SIGNS
Freestanding signs are allowed to identify a district, or multiple-business complex. In a multiple business complex one permanent directory or freestanding master identification sign, not to exceed twenty-five (25) square feet per sign face, is allowed at each main entrance to a public street.

12.2.5 SHINGLE SIGN STANDARDS
Shingle sign, also known as blade or projecting signs, may be permitted to be placed on a building frontage only if all of the following Standards are met:

A) Context
The sign is historically accurate or appropriate for the building

B) Visibility
The sign does not impair the visibility of adjacent signs

C) Materials
The size, location and materials of the sign are compatible with the building and conform to the requirements of this section.

D) Height
The height of the sign does not extend above the cornice line of a one story building or the sill of a second floor window.

12.2.6 SIGN CONTENT
A permanent sign is limited to the name and graphic logo of the business, the type of service rendered, the principal brand names or classification of merchandise for sale, and street address. Street addresses are mandatory for each building. Brand names may occupy not more than twenty five percent (25%) of the allowable sign area, except for storefront window signs.

12.2.7 NEON SIGNS
Neon signs are permitted only when all of the following Standards are met:

A) Visibility
The sign does not impair the visibility of adjacent signs.

B) Materials
The sign, location and materials of the sign are compatible with the building and conform to the other requirements of this Section.

C) Associated Use
The sign is more appropriate than an otherwise illuminated sign because of its associated use (e.g. nightclub).

12.3 ALLOWABLE SIGN AREA

12.3.1 MAXIMUM SIGN AREA
A maximum area of one-half (1/2) square foot of signing may be permitted for each linear foot of a business on a primary frontage (facing a public street, public parking lot, or public space) not to exceed forty (40) square feet on any one frontage. A maximum of one-fourth (1/4) square foot of signing may be permitted for each linear foot of a business on a secondary frontage (facing an alley, private driveway, an adjacent building, private parking or service area) not to exceed twenty (20) square feet on any one frontage.

12.3.2 APPLICABILITY
The maximum area of signing noted above shall apply to all wall, window and projecting signs and signs painted on awnings. Further, shingle signs shall not exceed twenty (20) square feet per sign face and shall not project more than five (5) feet from the wall. Shingle signs located under canopies may be the width of the canopy.

12.3.3 FIRST FLOOR SIGNS
Each business with first floor frontage or direct sidewalk access may have a pedestrian-oriented sign attached below a canopy not exceeding five (5) square feet per sign face and with a minimum clearance of eight (8) feet above the sidewalk. Such a sign will not count as part of the maximum business sign allowance.

12.3.4 MULTIPLE TENANT SIGNS
Multiple business directories are intended to address situations where businesses have limited visibility from the adjacent street, and may be permitted when not exceeding two (2) square feet per tenant and twenty (20) square feet total per sign face. Such a sign will not count as part of the maximum business sign allowance.

12.4 MATERIALS

Signs should be painted and/or carved wood, wrought iron, cut out, non reflective metal lettering such as brass, or glass (including stained glass). Signs painted directly on plain surfaces, windows and canvas awnings are generally appropriate. Three dimensional metal "box" signs are not permitted. Decorative neon identification signs may be used as an accent or design feature, but shall not dominate the general appearance of the facade.

12.5 ILLUMINATION

12.5.1 INDIRECT ILLUMINATION
Illumination should generally be indirect such as that provided by "goose necked" light fixtures. In some instances, signs may be flood-lighted or may utilize exposed LED light bulbs.

12.5.2 ILLUMINATED SIGNS NOT PERMITTED
No interior-illuminated signs are permitted. Fluorescent, flashing, and intermittent illumination is not permitted.

12.5.3 ILLUMINATED SCHOOL SIGN
One exception will be allowed in the frontage type F5 to allow one internally lit school marque sign. The internally lit portion of the marque shall not exceed 40 square feet.

12.6 TEMPORARY SIGNS

12.6.1 STORE EVENTS
Temporary signs pertaining to special store events or sales lasting no more than thirty (30) days may be painted or affixed to display windows provided that their total area shall not exceed twenty-five percent (25%) of the window area.

12.6.2 TEMPORARY BANNERS
Banners or other promotional signs may be displayed for up to thirty (30) days. The same or similar signage shall not be replaced within thirty (30) days after removal.

12.7 NON-CONFORMING SIGNS

Non-conforming signs or sign structures shall be removed upon change in tenancy or ownership of the business identified by the sign. No change in copy and/or reuse of non-conforming sign or sign structure shall be permitted in order to identify a new business, product, tenant or occupant.

12.8 UNUSED SIGNS

12.8.1 UNUSED SIGNS
Any sign existing as of or after the effective date of these Standards, which no longer advertises a bona fide business conducted or a product available for purchase by the public, shall be taken down and removed by the owner, agent or person having the beneficial use of the building or structure or land upon to do so.

12.8.2 SIGN REMOVAL BY CITY OR DEVELOPER
Upon failure to comply with such notice within the time specified in such order, the Developer is authorized to cause removal of such sign and any expense incident thereto shall be paid by the owner of the building or structure to which such sign is attached or, if the sign is not attached to a building, then such expense shall be paid by the owner of the sign.

12.9 ILLEGAL CONSTRUCTION

If the Developer finds that any sign has been constructed or erected, or is being maintained in violation of the provisions of this Section, they shall give written notice of such conditions to the permittee. In the event no valid permit exists, the owner will remove or alter the sign so as to comply with this section within thirty (30) days after such notice. Such signs may be removed or altered to comply at the expense of the permittee or the owner of the property upon which the sign is located.

12.10 STREET ADDRESS SIGNS

Building shall display a numerical address sign indicating the legal address in letters not less than four inches in height and clearly visible from the public street.

12.11 PROHIBITED SIGNS

All auto oriented pylon, pole mounted berm mounted, or off-premise identification signs are prohibited. Off-premise directional signs may be approved on a case-by-case basis by the Design Review Board or Town Architect.

PACKET 40.51 November 16, 2021

13.1 ADOPTION AND REVISION OF THE REGULATING PLAN

The Regulating Plan for the Oasis District shall be included in the ordinance zoning for the area as the Oasis District.

13.2 REVISION OF THE REGULATING PLAN

13.2.1 MINOR REVISIONS

The Director of Development Services, or their designee, may administratively approve minor revisions to the Regulating Plan if the Director determines that there are no adverse effects on areas that are part of a final plat nor to the overall intent of the Regulating Plan. The following shall be considered minor revisions:

A) The size of a District Area, including its building or structures, may be revised if the size is increased or decreased by not more than 5% and (a) the Director determines that the basic layout of the District remains the same and (b) the Regulating Plan functions as well as before the revision. Any changes shall be in accord with Section 4.0.

B) The location of a Frontage Type may be revised if the Director determines that the revised location is appropriate.

C) The location or size of an open space may be revised if the overall amount of open space does not decrease by more than ten percent, and the Director determines that the quality and functionality of the revised open space is the same or better.

D) A construction phasing plan for open space improvements may be revised to extend a deadline for completion by not more than six months after the adjacent streets are completed.

E) The locations of major utility facilities and easements may be revised if the Director determines the revised locations are more functional or appropriate.

F) The location of a civic site may be revised if the Director determines that (a)the revised location is appropriate, and (b) the transportation network, the infrastructure, and the overall land use mix are not adversely affected.

13.2.2 MAJOR REVISIONS

All revisions other than those described above are major revisions. Major revisions must be approved by the City Council through a rezoning of the property.

13.3 PRIORITY

Requirements of these standards supersede any inconsistent provisions of the City's Development Codes and Ordinances.

13.4 OTHER PERMITS REQUIRED

A) Building Permit Required
A building permit issued by the City is required for a structure within the District.

B) Construction Permit Required
A construction permit is required for development of more than 1,000 sq. ft. of site area if a building permit is not otherwise required.

C) Site Plan
A site plan must be submitted with the building or construction permit application. A building or construction permit may not be issued unless a site plan complies with these Regulations. A site plan must provide the following information, if applicable:

1. Locations and types of easements;

2. The locations of proposed utility connections;

3. Building location and gross building square footage;

4. Proposed use that complies with the Regulating Plan;

5. Locations, quantity, and dimensions of sidewalks, pedestrian ramps, driveways, parking areas, parking spaces, and off-street loading areas;

6. Information that shows compliance with accessibility requirements;

7. Landscaping, screening, and fencing;

8. Locations of protected trees and significant tree clusters;

9. An erosion and sedimentation control plan;

10. Lot size, setbacks, build-to lines, building height and building coverage;

11. Other information that may be required by the Town Architect or Design Review Board.

D) Architectural Standards
A building or construction permit may not be issued unless the Design Review Board or the Town Architect has certified that the proposed development complies with the architectural standards. This requirement applies to other than single family housing intended for sale.

13.5 PROPERTY OWNERS' ASSOCIATIONS

A) Conditions, Covenants, and Restrictions for all single family residential property within the Oasis District must be filed in the county real property records by the owner before a final subdivision plat may be approved, a lot sold, or a building permit issued.

B) Conditions, Covenants, and Restrictions must be approved by the Master Developer, and they must:

1. Create a Property Owners' Association (or Home Owners' Association) with mandatory membership for each property owner;

2. Establish Design Review Board(DRB) if no Town Architect is hired by the master developer.

3. Establish architectural standards that are in conformity with the requirements of these standards;

4. Collaborate with the Town Architect or DRB to review projects for compliance with the architectural standards and issue certificates of approval;

5. Provide for the ownership, development, management, and maintenance of private open space (except plazas owned by individual property owners), community parking facilities, community meeting halls, and other common areas;

6.Provide for the maintenance of the landscaping and trees within the rigth-of-way;

7. Require the collection of assessments from members in an amount sufficient to pay for its functions;

8. Be effective for a term of not less than 50 years;

9. Require that the Property Owners' Association (or Home Owners' Association) obtain the approval of the Director regarding the disposition and management of private open space, community parking facilities, community meeting halls, and other common areas before it may be dissolved; and

10. Require the Property Owners' Association (or Home Owners' Association) obtain the approval of the Director for amendments to the Conditions, Covenants, and Restrictions which relate to provisions required by this chapter.

13.6 ARCHITECTURAL STANDARDS

The Property Owners Association may establish separate Architectural Standards for non commercial buildings in the District. If created those standards shall accomplish the following:

A) Conditions, Covenants, and Restrictions shall establish architectural standards for the property within the Oasis District. The standards must comply with this section.

B) The architectural standards must achieve the following objectives:

1. Architectural compatibility between residential and commercial buildings;

2. Human scale design;

3. Integration of uses;

3. Encouragement of pedestrian activity;

5. Buildings that relate to and are oriented toward the street and surrounding buildings;

6. Residential scale buildings in Mixed Residential Areas;

7. Buildings that contain special architectural features to signify entrances to the Neighborhood Center Area and important street intersections; and

8. Neighborhood Center Area buildings that focus activity on the neighborhood square.

13.7 LIFE SAFETY CODES

A) Due to the proximity of commercial to residential buildings, voluntary sprinkler compliance should be considered for all commercial buildings and residential buildings over 500 sq. ft. in the district.

B) NFPA Standards for commercial buildings in excess of 500 sq. ft. shall apply.

MIDLAND Planning Division

Zone Change/Planned District Amendment/Site Plan Approval

Project Number: Z-21-0266

Case Number:

Applicant *(if acting as Agent, see affidavit on page 2)* Printed Name: Gary Bellomy		Phone (512) 694-8839 Email garyb@landdesignstudio.com

Property Owner Printed Name: Zekelman Property, LLC		Phone (734) 582-2650 Email brandon.ryckman@zekelman.com	
Address 100 West Big Beaver Road, Suite 390	City Troy	State MI	Zip 48084

Representative *(if different from Applicant or Property Owner)* Firm: Land Design Studio Printed Name: Gary Bellomy		Phone (512) 694-8839 Email garyb@landdesignstudio.com	
Address 3307 Nothrland Drive, Suite 240	City Austin	State Texas	Zip 78731

Street Address: N/A - Interstate 20 frontage road between La Mesa Rd and Fairgrounds Rd

Legal Description Section 1, Block 39, T-2-S T&P RR Co Survey, see attachment

Lot: N/A Block: 39 Subdivision: Carolcrest

Current Zoning: Manufactured Housing and Business Park

Proposed Zone: Planned Development *(List by tracts if more than one district is requested)*

Reason for Zone Change Request: To allow a mixed used project.

Present Use of Property: Vacant land

Proposed Use of Property: Planned Develepment based on attached Regulating Plan.

How would this zone change affect the public health, safety and welfare? Provide housing opportunities for a variety of income levels with adjacent neighborhood services. All plan elements are in a well connected, walkable form which promotes healthy living.

These project elements are consistent with many of the goals found in the current Comprehensive Plan.

Describe how conditions affecting the property have changed since present zoning designation: Present zoning is TH,Townhouse However the Future Land Use Map designates the tract as a Future Planning Area. The Planned Development designation being sought and the concepts it includes are well aligned with the vision put forth in the Tall City Tomorrow Plan.

Submittal and Fees

Items to be submitted with this application form:

- Application Fee – Payable to the 'City of Midland' ~$2,500.00
- Dimensioned Site Plan see Regulating Plan
- Digital Copies of Site Plan (PDF/JPEG)

Signature *(by property owner only – authorized agent must sign affidavit below)*	
Applicant (signature):	Date: 9-10-21
Applicant (printed): Gary Bellomy	
Property Owner (signature):	Date:
Property Owner (printed) :	

Digitally signed by Brandon Ryckman
DN: C=US, E=brandon.ryckman@cmpodular.com, O=Z-Modular, OU=Vice President - Field Services, CN=Brandon Ryckman
Date: 2021.09.13 08:35:06-04'00'

The Zone Change/Planned District Amendment/Site Plan Approval shall be considered officially received in the Planning office only when it has been submitted in full compliance with the provisions of Section 212 of the Texas Local Government Code and the Zoning Code of Ordinances of the City of Midland and when such required items for the application are also received.

All materials, including exhibits, submitted in support of an application, or displayed during a public hearing, shall remain the property of the City of Midland.

If an agent is authorized by the property owner to file and execute the application on behalf of the property owner, the agent must complete the affidavit below.

STATE OF TEXAS
COUNTY OF TRAVIS

Before me, the undersigned authority, on this day personally appeared Gary Bellomy who, being by me duly sworn, upon oath says: That (s)he is authorized by Zekelman Property LLC, the owner of the above described property, to fully represent him/her in this application and that (s)he had the legal right, power and authority to sign said owner's name hereto as his/her attorney in fact.

Authorized Agent (*signature*)

Subscribed and sworn to before me, this 10th day of September, 2021, to certify which witness my hand and seal of office.

METES & BOUNDS DESCRIPTION
OF A 57.55-ACRE TRACT
LOCATED IN SECTION 1, BLOCK 39, T-2-S
T&P RR CO. SURVEY
MIDLAND COUNTY, TEXAS

BEING A 57.55-ACRE REMAINDER OF THAT CERTAIN 101.49-ACRE TRACT AS DESCRIBED IN DOCUMENT NO. 2010-4195 OF THE OFFICIAL PUBLIC RECORDS OF MIDLAND COUNTY, TEXAS, IN SECTION 1, BLOCK 39, T-2-S, T&P RR CO. SURVEY, MIDLAND COUNTY TEXAS AND BEING MORE PARTICULARLY DESCRIBED BY METES AND BOUNDS AS FOLLOWS:

BEGINNING AT (Y=10,688,784.49' & X= 1,762,775.17') A 3/8" IRON ROD WITH CAP MARKED "LCA ODESSA TX" (CONTROL MONUMENT) FOUND AT THE NORTHEAST CORNER OF LOT 1 BLOCK 1 TAHOE LAKES ADDITION, AS RECORDED IN CABINET I, PAGE 190 OF THE MIDLAND COUNTY PLAT RECORDS AND ALSO BEING ON THE SOUTH RIGHT-OF-WAY LINE OF THE CURVED SOUTH RIGHT-OF-WAY LINE OF LATTA STREET AS DESCRIBED IN DOCUMENT NO. 2008-22815 OF SAID OFFICIAL PUBLIC RECORDS OF MIDLAND COUNTY, TEXAS HAVING A RADIAL BEARING OF NORTH 37°19'47" WEST;

THENCE ALONG SAID CURVE TO THE LEFT IN A NORTHEASTERLY DIRECTION, HAVING A RADIUS LENGTH OF 330.00 FEET, A DELTA ANGLE OF 33°32'10", AN ARC LENGTH OF 193.15 FEET, A CHORD LENGTH OF 190.41 FEET BEARING NORTH 35°54'06" EAST TO A ½" IRON ROD WITH PLASTIC CAP MARKED "LCA ODESSA TX" SET AT THE POINT OF TANGENCY;

THENCE NORTH 19°08'00" EAST WITH THE SOUTH RIGHT-OF-WAY OF SAID LATTA STREET, A DISTANCE OF 195.48 FEET TO A ½" IRON ROD WITH CAP MARKED "LCA ODESSA TX" SET AT A POINT OF CURVATURE OF A CURVE TO THE LEFT;

THENCE ALONG SAID CURVE TO THE LEFT IN A NORTHEASTERLY DIRECTION, HAVING A RADIUS LENGTH OF 330.00 FEET, A DELTA ANGLE OF 23°09'45", AN ARC LENGTH OF 133.41 FEET, A CHORD LENGTH OF 132.50 FEET BEARING NORTH 07°33'08" EAST TO A ½" IRON ROD WITH PLASTIC CAP MARKED "LCA ODESSA TX" SET FOR THE POINT OF TANGENCY;

THENCE NORTH 04°01'57" WEST WITH THE EASTERN RIGHT-OF-WAY OF SAID LATTA STREET, A DISTANCE OF 24.19 FEET TO A ½" IRON ROD WITH CAP MARKED "LCA ODESSA TX" SET AT THE POINT OF CURVATURE OF A CURVE TO THE RIGHT;

THENCE ALONG SAID CURVE TO THE RIGHT IN A NORTHEASTERLY DIRECTION, HAVING A RADIUS LENGTH OF 295.00 FEET, A DELTA ANGLE OF 23°10'30", AN ARC LENGTH OF 119.32 FEET, A CHORD LENGTH OF 118.51 FEET BEARING NORTH

07°33'31" EAST TO A ½" IRON ROD WITH PLASTIC CAP MARKED "LCA ODESSA TX" SET FOR THE POINT OF TANGENCY;

THENCE NORTH 19°04'24" EAST WITH THE EAST RIGHT-OF-WAY OF SAID LATTA STREET, A DISTANCE OF 36.38 FEET TO A ½" IRON ROD WITH CAP MARKED "LCA ODESSA TX SET AT THE WEST CORNER OF THAT CERTAIN 7.53-ACRE TRACT CURRENTLY IN THE NAME OF MIDLAND COUNTY ON THE EAST RIGHT-OF-WAY LINE OF SAID LATTA STREET, WHENCE A 3/8" IRON ROD (CONTROL MONUMENT) FOUND AT THE INTERSECTION OF THE EAST RIGHT-OF-WAY OF SAID LATTA STREET AND THE SOUTHERN RIGHT-OF-WAY OF E. TAYLOR AVENUE BEARS NORTH 19°03'10" EAST, A DISTANCE OF 300.00 FEET;

THENCE SOUTH 71°05'09" EAST WITH THE SOUTHERN LINE OF SAID 7.53-ACRE TRACT, A DISTANCE OF 467.02 FEET TO A ½" IRON ROD WITH CAP MARKED "LCA ODESSA TX" FOUND AT AN ELL CORNER OF THIS SURVEY AND THE NORTHERNMOST CORNER OF THAT CERTAIN 5.57-ACRE TRACT AS DESCRIBED IN DOCUMENT NO. 2014-17375 OF SAID OFFICIAL PUBLIC RECORDS OF MIDLAND COUNTY TEXAS;

THENCE SOUTH 23°20'09" WEST WITH A WEST LINE OF SAID 5.57-ACRE TRACT, A DISTANCE OF 48.93 FEET TO A ½" IRON ROD WITH CAP MARKED "LCA ODESSA TX" SET AT A POINT OF DEFLECTION OF THIS SURVEY:

THENCE SOUTH 71°08'48" EAST WITH A SOUTH LINE OF SAID 5.57-ACRE TRACT, A DISTANCE OF 152.80 FEET TO A FOUND 3/8" IRON ROD (CONTROL MONUMENT);

THENCE SOUTH 23°29'35" WEST WITH A WEST LINE OF SAID 5.57-ACRE TRACT, A DISTANCE OF 300.87 FEET TO A 3/8" IRON ROD FOUND AT THE SOUTHERNMOST WEST CORNER OF SAID 5.57-ACRE TRACT AND AN ELL CORNER OF THIS SURVEY;

THENCE SOUTH 71°49'04" EAST WITH THE SOUTHERN LINE OF SAID 5.57-ACRE TRACT, A DISTANCE OF 570.74 FEET TO A ½" IRON ROD WITH CAP MARKED "LCA ODESSA TX" SET AT THE NORTH CORNER OF THAT CERTAIN 4.92-ACRE TRACT AS DESCRIBED IN DOCUMENT NO. 2010-12057 OF SAID OFFICIAL PUBLIC RECORDS OF MIDLAND COUNTY TEXAS AND A POINT OF DEFLECTION OF THIS SURVEY;

THENCE SOUTH 23°35'54" WEST WITH THE WESTERN LINE OF SAID 4.92-ACRE TRACT, A DISTANCE OF 363.93 FEET TO A ½" IRON ROD (CONTROL MONUMENT) FOUND AT THE WEST CORNER OF SAID 4.92-ACRE TRACT AND AN ELL CORNER OF THIS SURVEY;

THENCE SOUTH 72°30'41" EAST, WITH THE SOUTH LINE OF SAID 4.92-ACRE TRACT, A DISTANCE OF 627.03 FEET TO A ½" IRON ROD FOUND AT THE SOUTH CORNER OF SAID 4.92-ACRE TRACT, THE NORTH CORNER OF THAT CERTAIN 2.15-ACRE TRACT AS DESCRIBED IN VOLUME 1817, PAGE 300 OF THE DEED RECORDS OF MIDLAND COUNTY TEXAS AND AN ELL CORNER OF THIS SURVEY;

THENCE SOUTH 19°04'38" WEST WITH THE WESTERN LINE OF SAID 2.15-ACRE TRACT, A DISTANCE OF 269.33 FEET TO A ½" IRON ROD FOUND AT THE WEST CORNER OF SAID 2.15-ACRE TRACT AND AN ELL CORNER OF THIS SURVEY;

THENCE SOUTH 73°48'45" EAST WITH THE SOUTHERN LINE OF SAID 2.15-ACRE TRACT, A DISTANCE OF 157.05 FEET TO A ½" IRON ROD FOUND AT THE

NORTHWEST CORNER OF THAT CERTAIN 1.01-ACRE TRACT AS DESCRIBED IN SAID VOLUME 1817 PAGE 300 OF SAID MIDLAND COUNTY DEED RECORDS FOR AN ELL CORNER OF THIS SURVEY;

The Oasis Plan

Oasis was conceived as a new mixed-use, mixed-income neighborhood for the City of Midland, offering local retail, daily services, and residential development all in close proximity to one another. The goal is to offer a quality development in a previously undeveloped area near the core of the city.

While this form of development is traditional from a historic standpoint, it no longer represents conventional suburban development patterns. Traditional Neighborhood Development principles form the backbone for the design decisions that have been made in creating the Oasis plan. Many of these principles are rooted in time-tested methodologies and practices, but vary from current development models in most cities around the country. Consequently, the Oasis team has crafted a Regulating Plan and Development Standards in order to assist the City of Midland in administration of the development and allow the Master Developer to utilize a new form of development regulation in the build-out of Oasis.

The Regulating Plan and Development Standards streamlines the entitlement and site planning process while outlining the desired form of development in greater detail than single purpose zoning regulations.

PRINCIPLES OF TRADITIONAL NEIGHBORHOOD DEVELOPMENT (TND)

These are the principles that have been integrated into the Oasis plan. Each principle is followed by the reason or condition that has caused us to pursue this form of development.

1. Cluster retail and basic services together along a single street, without expansive parking lots between them.

This allows people to 'park once' and walk from store to store, reducing vehicle-miles traveled and the congestion often associated with new suburban retail locations.

2. Locate the parking behind the building, shading the parking and providing broad sidewalks in front of the stores, shaded by street trees.

Shaded parking and pedestrian-oriented sidewalks greatly enhances the experience of coming and going from that retail space. Trees have consistently been shown to increase land values, even if only used to shade or screen parking.

3. Integrate residential in close proximity to retail to create a more walkable, sustainable, and usable neighborhood.

If people can walk or bike to work or shopping locations, a second household vehicle may become optional. This flexibility is also enhanced by alternative transportation options. In communities around Texas and around the country, neighborhoods offering this degree of flexibility are consistently becoming more desirable than neighborhoods that isolate residential from commercial uses.

4. Buildings are required to be built adjacent to the edge of the sidewalk, clearly defining a public street space known as 'the public realm'. Parking is predominantly located in the back of buildings, improving the visual connection of buildings to the street. Parking is connected to the front sidewalk by pedestrian passages between buildings.

Placing commercial space directly on the sidewalk improves the experience of walking along the sidewalk and improves the retailing performance by a continous pedestrian activity zone.

5. Provide moderately dense housing alternatives for people less interested in, or not needing a large house and yard.

Conventional suburban housing is often designed for families with two parents and kids, assuming they are looking for a large house and yard. This demographic now represents a much smaller part of the market than it used to, and increasingly, buyers are looking for smaller homes with less maintenance. The townhouse and cottage neighborhoods included in Oasis are designed to offer a variety of homes catering to a variety of ages and income levels.

Above is an artist's rendering of the desired look and feel of a commercial/mixed use street in Oasis - retail shop fronts are pulled up to the shaded sidewalk, parking is provided along the street and behind the buildings. Sidewalks are generous and street widths are narrower than usual. All streets are designed to accommodate pedestrians and cyclists as well as low speed auto traffic.

PACKET

Oasis' Main Street encourages development of retail frontages and public spaces. This artist's rendering illustrates the possibility of a public open space anchoring one side of the street. Evening entertainment and dining within Oasis would add to the quality of the neighborhood by offering walkable destinations other than just for shopping.

The plan includes a location for a K-12 public charter school. Additionally, Oasis has several acres of public open space of various sizes located throughout the community.

November 16, 2021

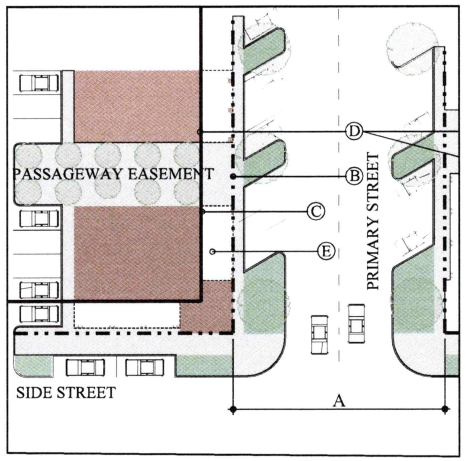
Section 2.0
How to Use These Standards

PACKET 09.09
November 16, 2021

The intent of the Development Standards is to create a clear and predictable system of mandatory design standards that become enabling tools to create a more varied and inherently richer form of community. This form of community embraces a diversity of uses, people, and buildings. The standards are prescriptive, that is, they delineate the desired result and enable its success. The standards are graphic by nature as drawings can more clearly communicate what is prescribed under, or enabled by the standards. The standards are organized into four principle sections, The Regulating Plan, The Frontage Types, The Street Types and Other Standards. Used in concert, these four components form a "Graphical User Interface" utilized by the public and private sectors to expedite the permitting and development process.

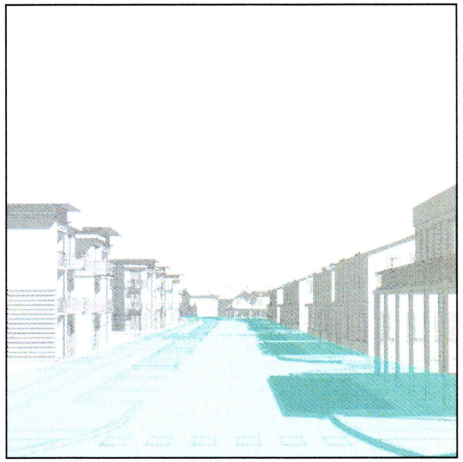
DEVELOPMENT PROCEDURE

Component developments in the various Frontage Type Districts will have the incentive of speed to delivery in that the first two steps in the development process, Zoning and Preliminary Plat, are approved by the adoption of this Regulating Plan. Final plats will follow the same procedure as other projects, but will be aided by being components of the Regulating Plan. Building permits and approval of construction plans for infrastructure will follow the review and approval procedures currently in place.



THE REGULATING PLAN

The Regulating Plan lays out the street grid and precisely marks the various urban design regulations within the Standards which are used to produce the community design or town plan. The Regulating Plan designates where and how the Frontage Types are appropriately combined with the various Street Types. The Regulating Plan also designates sites to be set-aside for public open spaces and special sites reserved for civic buildings (such as town halls, schools, and churches).



THE FRONTAGE TYPES

The Frontage types take the place of typical zoning categories. Each Frontage type defines the required placement of buildings (build-to-line), the minimum and maximum height, parking standards, architectural standards, and allowable uses for the property. By using a Frontage type instead of traditional zoning, the standards require that buildings meet the sidewalk in a particular way, ensuring the quality of the pedestrian experience.

THE STREET TYPES

The Street Types set out, according to the Regulating Plan, the physical parameters of each street including right-of-way and pavement width, design speed, parking, placement of street trees, etc. The Street Type combined with the Frontage Type establishes the all-important public realm. The public realm is the space defined by opposing building fronts which contains the sidewalks, streets, and open spaces.

OTHER STANDARDS

Other Standards including Open Space, Landscape, Drainage and Signage augment the Frontage and Street Types by filling in important details. These details serve to define the quality of the community beyond what type of building should be built. They set out and ensure what the quality of the public realm will be.

PACKET

THE ILLUSTRATIVE PLAN

This plan for Oasis represents one potential build-out option and is not intended to replace individual site plans. Streets, block patterns, and land uses shown on this plan are defined and enabled by the Regulating Plan on the following pages.

40.70
November 16, 2021

Section 3.0
Definitions

PACKET 4 November 9, 2021

For the purposes of these Development Standards, the following terms, phrases, words and their derivations shall have the meaning ascribed to them in this section:

Accessory Dwelling Units
A secondary living space which shares ownership and utility connections, and which is on-site with a primary living space and that may be contained within the same structure as is the primary living space, or may be contained in a separate structure.

Appurtenances: Spires, belfries, cupolas, water tanks, ventilators, chimneys or other appurtenances usually required to be placed above the roof level and not intended for human occupancy.

Arcade: a Private Frontage conventional for Retail use wherein the Facade is a colonnade supporting habitable space that overhangs the Sidewalk, while the Facade at Sidewalk level remains at the Build to Line.

Avenue (AV): a Thoroughfare of high vehicular capacity and low to moderate speed, acting as a short distance connector between urban centers, and usually equipped with a landscaped median.

Bed and Breakfast: An owner-occupied Lodging type offering 1 to 5 bedrooms, permitted to serve breakfast in the mornings to guests.

Bicycle Lane (BL): a dedicated lane for cycling within a moderate-speed vehicular Thoroughfare, demarcated by striping or other markings.

Block: the aggregate of private Lots, Passages, Rear Alleys and Rear Lanes, circumscribed by Thoroughfares.

Boulevard (BV): a Thoroughfare designed for high vehicular capacity and moderate speed, traversing an Urbanized area. Boulevards are often equipped with Slip Roads buffering Sidewalks and buildings.

Civic: the term defining not-for-profit organizations dedicated to arts, culture, education, recreation, government, transit, and/or municipal parking.

Build-to Line (BTL): The line within a property defining the maximum horizontal distance between a building and the adjacent street right of way line.

City: refers to the City of Midland, Texas

Civic Building: a building operated by not-for-profit organizations dedicated to arts, culture, education, economic development, recreation, religion, government, transit, and municipal parking, or for use approved by Oasis.

Civic Uses: The use of a parcel of land for one or more of the following purposes: park and recreation services, cultural services, religious assembly use, safety and medical services, or transit stops.

Commercial: the term collectively defining workplace, Office, Retail, Service, Sales, Display and Lodging Functions.

Diameter at breast height (DBH): Standard method, in forestry terminology, of expressing the diameter of the trunk of a tree at approximately four feet above grade.

Design Speed: is the velocity at which a Thoroughfare tends to be driven without the constraints of signage or enforcement. There are four ranges of speed: Very Low: (below 20 MPH); Low (20-25 MPH); Moderate: (25-35 MPH); High: (above 35 MPH). Lane width is determined by desired Design Speed. Design Speed is related to but separate from the posted Speed Limit.

Developer (Master Developer): Oasis Development Corporation, a Texas Limited Liability Company, or assigns; serves as the owner and development entity for the Oasis project.

Director: The Director of Planning for the City of Midland.

District: An area of land developed with similar, distinguishing characteristics or uses as defined by Frontage Type.

Driveway: a vehicular lane within a Lot, often leading to a garage.

Effective Turning Radius: the measurement of the inside Turning Radius taking parked cars into account.

Elevation: an exterior wall of a building not along a Frontage Line. See: Facade.

Encroach: to break the plane of a vertical or horizontal regulatory limit with a structural element, so that it extends into a Setback, into the Public Frontage, or above a height limit.

Encroachment: any structural element that breaks the plane of a vertical or horizontal regulatory limit, extending into a Setback, into the Public Frontage, or above a height limit.

Facade: the exterior wall of a building that is set along a Frontage Line. See Elevation.

Forecourt: a frontage wherein a portion of the facade is at the build-to line while a significant portion is setback allowing suitable space for a garden, terrace or entry courtyard.

Frontage: The area between a building Facade and the vehicular lanes, inclusive of its built and planted components. Frontage is divided into Private Frontage and Public Frontage.

Frontage Line: a Lot line bordering a Public Frontage,ie the R.O.W. line. Facades facing Frontage Lines define the public realm and are therefore more regulated than the Elevations facing other Lot Lines.

Green: a Civic Space type for unstructured recreation, spatially defined by landscaping rather than building Frontages and having at least one boundary fronting on a public right-of-way.

Half-Story: the portion of a buildings habitable, conditioned space such as an attic or basement with windows.

Home Occupation: non-Retail Commercial enterprises. The work quarters should be invisible from the Frontage, located either within the house or in an Outbuilding.

Live-Work (or Work-Live): a Mixed Use unit consisting of a Commercial and Residential Functions. The Commercial and/or Residential Function may be anywhere in the unit. It may to be occupied by a business operator who lives in the same structure that contains the Commercial activity or industry or it may be leased.

Lodging: Premises available for daily and weekly renting of bedrooms.

Lot Line: the boundary that legally and geometrically demarcates a Lot.

Lot Width: the length along the Principal Frontage Line of a Lot.

Oasis: Oasis Development Corporation, a Texas Limited Liability Company, or assigns; serves as the owner and development entity for the Oasis project.

Off-Street Parking: Vehicular parking outside the street right-of-way that have adequate drives, aisles, and turning and maneuvering areas for access and usability.

Office: uses associated with buildings occupied for the transaction of business, excluding retail and manufacturing.

On-Street Parking: Vehicular parking contained on the street pavement (public and private streets) located outside the primary travel way, which spaces shall be designated and located parallel or at an angle to the street centerline.

Open Space: A parcel or parcels of land or an area of water, or a combination of land and water, which may include floodplain and wetland areas, within a development area and intended for the use and enjoyment of residents of the development area and, where designated, the community at large, which may be landscaped and improved.

Park: a Public Space type that is available for rest and recreation, may be privately developed and maintained but publicly accessible and having at least one boundary fronting on a public right-of-way.

Planned Development (PD): a development in which the applicable code restrictions, other density requirements, may be modified and/or applied to the development as a whole rather than to each individual lot.

Plaza: a Civic Space type designed for Civic purposes and Commercial activities in the more urban Transect Zones, generally paved and spatially defined by building Frontages and having at least one boundary fronting on a public right-of-way.

Primary Street: . The primary street will be determined based on the following criteria:
1. The street with the highest street classification;
2. The street abutting the longest face of the block;
3. The street generally parallel to an alley within the block.

Principal Building: the main building on a Lot, usually located toward the Frontage.

Regulating Plan: a Zoning Map or set of maps that shows the Use Zones, Civic Zones, Special Districts if any, and Special Requirements if any, of areas subject to, or potentially subject to, regulation by the Development Standards.

Retail: uses for commercial enterprises established for the sale of goods and services.

Residential: uses associated with buildings occupied for the purpose of long term human habitation, excluding short term lodging.

Shared Parking Factor: an accounting for parking spaces that are available to more than one Function.

Shopfront: a Private Frontage conventional for Retail use, with substantial glazing and an awning, wherein the Facade is aligned close to the Frontage Line with the building entrance at Sidewalk grade.

Side Yard Lot: A Lot created for the purpose of a dwelling to be constructed along or near an interior side Lot line with a yard created on the opposite side of the Lot.

Sideyard Building: a building that occupies one side of the Lot with a Setback for a yard on the other side. This type can be a Single or Duplex depending on whether it abuts the neighboring house.

Square: a Civic Space type designed for unstructured recreation and Civic purposes, spatially defined by building Frontages and consisting of Paths, lawns and trees, formally disposed and having at least one boundary fronting on a public right-of-way.

Story: a habitable level within a building, excluding an Attic or raised basement and not exceeding 15 feet in height.

Town Architect/Design Review Board: A licensed Architect or designated committee, contracted by Oasis, with the responsibility of reviewing development concepts, finished construction drawings or completed construction for aesthetic compliance with the overall concept of the Oasis project.

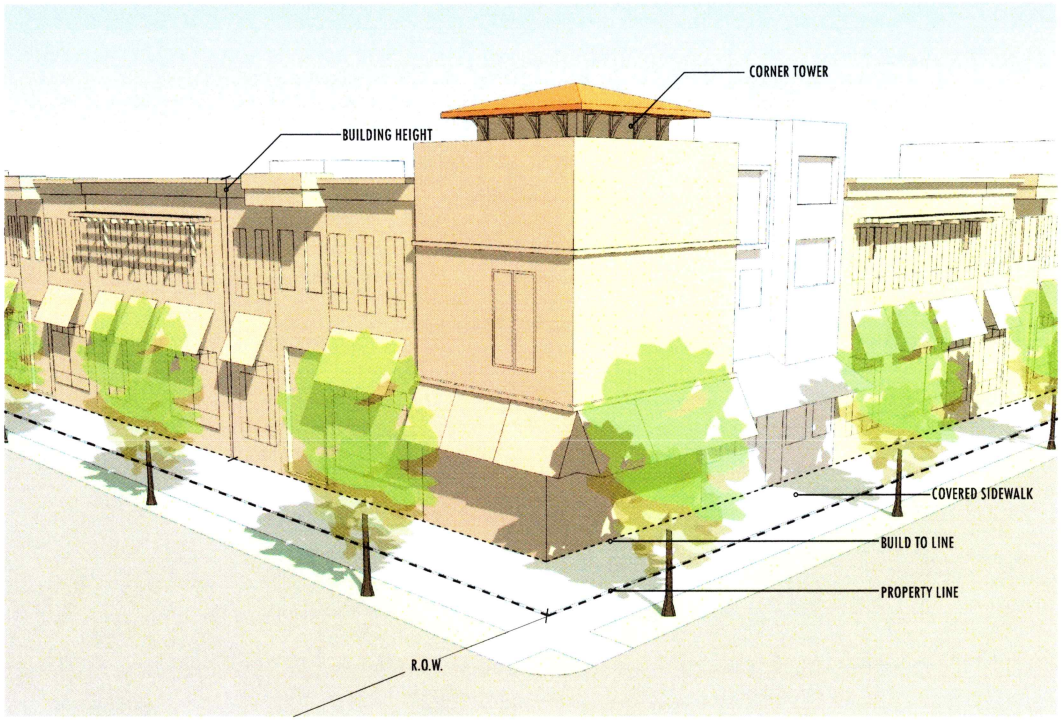
HOW DOES A FRONTAGE TYPE CODE WORK?



The Oasis Regulating Plan is a Frontage Type code; this means that land uses, height restrictions, parking requirements, etc. are defined by street frontage, rather than by zoning of a particular parcel. In most cases, a parcel will have only one frontage designation; however, unlike traditional zoning, the Frontage Type code prescribes the location of buildings in a way that forms a quality public realm between buildings.

Another unique element of this Frontage Type code is that density is limited primarily by parking requirements. There is no mandated mix of uses, nor compatibility restrictions; instead, frontage types have been assigned in a way that forms a cohesive neighborhood with market flexibility as the project is built out.

Each Frontage Type has a text description and a site plan diagram to help illustrate the intended regulation. The summary Table 4.01, gives a snapshot of the five frontage types designated within the Oasis Regulating Plan.

40.73

November 16, 2021

Summary of Frontage Types

Complete detailed requirements of Frontage Types can be found in Sections 4.1 through 4.5

FRONTAGES	F1 (See Section F1) Main Street Commercial	F2 (See Section F2) Live/Work	F3 (See Section F3) Townhouse	F4 (See Section F4) Sideyard House	F5 (See Section F5) Education
PERMITTED USES	Retail Sales and Service (20,000 SF max per tenant) Office/Research and Development Lodging/Hotel Multi-Family Residential Single Family Attached Residential Day Care	Limited Retail (≤3,000 SF) Limited Office (≤3,000 SF) Lodging/Hotel (≤10 rooms) Multi-Family Residential (≤10 dwelling units Single Family Attached Residential	Single Family Attached Residential	Single Family Detached Residential Ancillary unit	Public or private School

Section 4.1

Frontage Type F1 : Main Street Commercial

PACKET Page 405 of 1605 Item 16.

4.1.1 DEVELOPMENT REGULATIONS

4.1.1.1 BUILDING PLACEMENT

A) Build-to Line:
A 10' setback from the front property line
1) Primary building facade shall be constructed along a minimum of 80% of the total length of the Build-to-Line.
2) If a forecourt is utilized it may occupy up to 50% of the frontage

B) Rear and side setbacks:
Not required

C) Encroachment:
Arcades and corner towers with occupied or unoccupied space may encroach beyond the Build-to Line to the Property Line. Arcades and corner towers shall encroach a maximum of 10'. No corner tower shall have more than 300 SF on the ground floor encroaching beyond the Build-to line.

D) Pedestrian Passageways:
If parking is provided behind a building, pedestrian passageway must be provided at the ground level providing access to the parking area from the from the Right-of-Way. The passageway shall be a minimum 15' in width and one full floor in height. The passageway may be covered by additional occupied floors or a roof structure.
1. When pedestrian passageways are required, one must be provided for every 150' of frontage.

E) Covered sidewalks:
Covered sidewalks shall be constructed along a minimum of 80% of the primary building facade. Covered sidewalks may be provided as arcades or shop-fronts (fig.4.1A).
1) Covered sidewalks and associated structures may encroach beyond the build-to-line up to the property line. Occupiable space may be constructed above the covered sidewalk and may also encroach beyond the build-to-line up to the property line.
2) Building facades with a covered sidewalk may be constructed a maximum of 3' behind the build-to-line.
3) Arcades shall be constructed to provide a minimum of 8' clear walkway between vertical supports and building facade.
4) Shop-fronts (fig.4.1A) shall provide a minimum of 8' of continuous covered walkway width.
5) If the building does not occupy the entire frontage the sidewalk must still occupy 100% of the frontage.

F) 1st Floor Elevation:
The finish floor of the first level shall be at grade with street sidewalk or made accessible to disabled persons in compliance with the Americans With Disabilities Act and Texas Accessibility Standards.

G) Minimum and Maximum Wall Height:
The maximum building height shall be five stories. Buildings shall be a minimum of two stories or 25' in height at the primary building facade.

4.1.1.2 PARKING

A) Parking spaces shall be 9' width by 18' depth, up to 10% of the total spaces may be assigned as oversized spaces with a width of 10' and a depth of 20'.

B) On-site parking is allowed only at the rear of the building.

C) On-Street Parking in front of building may be used to satisfy minimum parking requirements (see Use Standards below)

D) Shared Parking Standards:
Shared parking standards may replace conventional parking requirements outlined in Use Standards below. Minimum parking requirements may be reduced by 15% percent if shared parking lots serve more than a single use (e.g. Restaurants and Office) long term shared parking agreement shall apply.

E) Parking supply may not exceed the minimum parking requirements outlined in the Use Standards by more than 15%.

F) Parking Garages
Structured parking may be provided for optimal land use efficiency. Parking structure shall meet architectural standards.

4.1.2 USE STANDARDS

4.1.2.1 RETAIL

A) Defined Retail Use:
Retail uses include commercial enterprises established for the sales of goods and services including shops, entertainment establishments, banking, restaurants, and hotel lobbies, eateries and day care facilities.
1) No single retail space shall exceed 20,000 SF per floor.
2) Retail uses shall provide parking at 4 spaces per 1,000 square feet.

4.1.2.2 OFFICE

A) Office Uses Defined:
Office uses are those associated with buildings occupied for the transaction of business, excluding retail and manufacturing.
1) Office uses shall provide parking at 4 spaces per 1,000 square feet (no maximum square footage)

4.1.2.3 LODGING

A) Lodging Uses Defined:
Lodging uses are those associated with buildings occupied for short-term (not to exceed three consecutive weeks) human habitation.
1) Lodging uses shall provide 1 parking space per lodging unit. (no maximum number of units)

4.1.2.4 RESIDENTIAL

A) Residential Uses Defined:
Residential uses are those associated with buildings occupied for the purpose of long term human habitation, excluding lodging.
1) Residential uses shall provide designated parking at 1.5 spaces per dwelling unit. (no maximum density)
2)Multifamily residential uses may provide detached garages for up to 10% of total dwelling units and may include storage outside dwelling unit not to exceed a rate of 2 storage units per garage.

4.1.2.5 CONDITIONAL USES

A) Conditional Uses Defined:
Conditional Uses are considered exceptional situations that must have the approval of the Design Review Board or Town Architect. The following may be acceptable conditional uses in areas designated F1:
1) Limited Manufacturing:
No single manufacturing occupied building space shall exceed 10,000 SF. All rear service yards and visible materials must be screened by a solid masonry wall at least 6 ft. tall. The parking requirement shall be negotiated according to the specific manufacturing activity. Screens shall match adjacent architecture.
2) Congregate Care:
Longterm residential facilities offering skilled nursing services are allowed, not to exceed 100 beds. Related single family attached residences for individuals utilizing services of the congregate care facility are allowed so long as they are owned and managed by the congregate care provider.

4.1.2.6 PROHIBITED USES

A) See prohibited use Table 4.01

4.1.3 ARCHITECTURAL STANDARDS

Architectural standards shall be enforced by the Oasis Master Developer.

4.1.3.1 ARCHITECTURAL CHARACTER

All architectural design shall reflect the vernacular traditions of the West Texas region. The following architectural standards allow for a variety of interpretations, both contemporary and historic.

A) Building massing and facades:
No single building facade type shall exceed 90' in length along the primary Build-to-Line; change in massing or materials shall constitute a change in facade type.

B) Exterior walls:
All exterior-building walls shall be finished in brick, native stone, cast stone, stucco, cementitious board (Hardie), wood or engineered wood. Exterior insulation finishing system (E.I.F.S.) may be used above the first story or a minimum of 12' above grade, whichever is higher. Galvanized or factory finished metal paneling is permitted, but may be used on no more than 50% of exterior elevations.

C) Change in materials:
Shall occur along a horizontal line (with the heavier material at the bottom), or at the joint along an inside corner. Facades shall include no more than three major materials.

D) Awnings and canopies:
Shall be made of sheet metal or canvas/poly membrane. Plastic or vinyl awnings are not permitted. Trellises and sun shading devices are recommended and shall be made of wood or metal.

E) Signage: refer to signage standards (section 9.0)

F) Bicycle racks:
One bicycle rack shall be provided per 10,000 square feet of occupied building area. Bike racks may be ganged together block-by-block and located in the Passageway Easements.

G) Roofs:
1) Pitched roofs:
Pitched roofs may be clad in painted or galvanized metal, clay or concrete tile. Composition shingles are permitted only where not visible from a public right-of-way. Pitched roofs shall be symmetrical gable, hip, or barrel vault with a pitch no less than 3/12. Porch and arcade roofs may be 2/12 min. Pitch. Mansard roofs are not permitted.
2) Flat roofs may be made of built-up roofing or a membrane roofing system.
3) Roof penetrations and rooftop mechanical systems shall be screened or setback from view at street level from either the front or side. Screening devices may be parapet extensions or free standing and shall be of material similar to the base building.

H) Glazing:
Glazed openings shall be at least 40 percent of the wall surface along a build-to line at the ground level and 25 percent on upper floors. Glazing shall not exceed 80 percent.
1) Framing shall be commercial grade painted wood, aluminum, or steel.
2) Glazing shall be clear; no reflective or spandrel glass is permitted.
3) Window openings shall be vertical or square in proportion.

4.2 DEVELOPMENT REGULATIONS

4.2.1.1 BUILDING PLACEMENT

A) Build-to Line:
A 10' setback from the front property line
1) Primary building facade shall be constructed along a minimum of 80% of the total length of the Build-to-Line.

B) Rear and side setbacks:
Not required

D) Encroachment:
Corner towers, bay windows, or canopies with occupied or unoccupied space may encroach a maximum of 3' beyond the Build-to-Line. No corner tower shall have more than 300 SF on the ground floor encroaching beyond the Build-to-Line.
1) Stoops, porches or balconies may encroach a maximum of 8' beyond the Build-to-Line.
2) If a stoop is provided, it shall be a minimum of 30 square feet.
3) Stoops and/or porches shall be spaced no more than 60 linear feet along the Build-to-Line within a single parcel.

E) Pedestrian Passageways:
None required

F) Covered sidewalks:
Not required

J) 1st Floor Elevation:
The finish floor of the first level shall be at grade with street sidewalk or made accessible to disabled persons in compliance with the Americans With Disabilities Act and Texas accessibility standards.

K) Minimum and Maximum Wall Height:
The maximum building height shall be three stories. Buildings shall be a minimum of two stories at the primary building facade.

4.2.1.2 PARKING

A) Parking spaces shall be 9' in width by 18' depth, up to 10% of the total spaces may be assigned as oversized spaces with a width of 10' and a depth of 20'.

B) On-site parking is allowed only at the rear of the building.

C) On-Street Parking in front of building may be used to satisfy minimum parking requirements (see Use Standards below)

D) Shared Parking Standards:
Shared parking standards may replace conventional parking requirements outlined in Use Standards below. Minimum parking requirements may be reduced by 15% percent if shared parking lots serve more than a single use (e.g. Restaurants and Office)

E) Parking supply may not exceed the minimum parking requirements outlined in the Use Standards by more than 25%.

F) Parking Garages
Structured parking may be provided for optimal land use efficiency. Parking structure shall meet architectural standards.

4.2.2 USE STANDARDS

4.2.2.1 RETAIL (limited)

A) Defined Retail Use:
Retail uses include commercial enterprises established for the sales of goods and services including shops, entertainment establishments, banking, restaurants, and hotel lobbies and eateries.
1) Retail uses shall provide parking at 4 spaces per 1,000 square feet (maximum of 3,000 square feet)

4.2.2.2 OFFICE (limited)

A) Office Uses Defined:
Office uses are those associated with buildings occupied for the transaction of business, excluding retail and manufacturing.
1) Office uses shall provide parking at 4 spaces per 1,000 square feet (maximum of 3,000 square feet)

4.2.2.3 LODGING (limited)

A) Lodging Uses Defined:
Lodging uses are those associated with buildings occupied for short-term human habitation.
1) Lodging uses shall provide 1 parking space per lodging unit. (maximum of 10 units)

4.2.2.4 RESIDENTIAL

A) Residential Uses Defined:
Residential uses are those associated with buildings occupied for the purpose of long term human habitation, excluding lodging.
1) Residential uses shall provide designated parking at 1.5 spaces per dwelling unit. (no maximum density)
2) Parking for conditional uses and non-conventional unit sizes may be modified with approval of the Town Architect.

4.2.2.5 CONDITIONAL USES

A) Conditional Uses Defined:
Conditional Uses are considered exceptional situations that must have the approval of the Master Developer. The following may be acceptable conditional uses in areas designated F2:
1) Multifamily Residential:
Townhouse lots may be combined to create multifamily development parcels. Architectural massing shall remain consistent with that of surrounding uses, as determined by the Town Architect. Multifamily uses shall be allowed a maximum height of 4 stories and not exceed 20 dwelling units. A maximum of 25% of all combined F2 and F3 frontage may be used for Multifamily Residential.
2) Home occupation permitted

4.2.2.6 PROHIBITED USES

A) See prohibited use Table 4.01.

4.2.3 ARCHITECTURAL STANDARDS

Architectural standards shall be enforced by the Oasis Master Developer.

4.1.3.1 ARCHITECTURAL CHARACTER

All architectural design shall reflect the vernacular traditions of the West Texas region. The following architectural standards allow for a variety of interpretations, both contemporary and historicist.

A) Building massing and facades:
No single building facade type shall exceed 90' in length along the primary Build-to-Line; change in massing or materials shall constitute a change in facade type.

B) Exterior walls:
All exterior-building walls shall be finished in brick, native stone, cast stone, stucco, cementitious board (Hardie), wood or engineered wood. Exterior insulation finishing system (E.I.F.S.) may be used above the first story or a minimum of 12' above grade, whichever is higher. Galvanized or factory finished metal paneling is permitted, but may be used on no more than 50% of exterior elevations.

C) Change in materials:
Shall occur along a horizontal line (with the heavier material at the bottom), or at the joint along an inside corner. Facades shall include no more than three major materials.

D) Awnings and canopies:
Shall be made of sheet metal or canvas/poly membrane. Plastic or vinyl awnings are not permitted. Trellises and sun shading devices are recommended and shall be made of wood or metal.

E) Signage: refer to signage standards (section 9.0)

F) Bicycle racks:
One bicycle rack shall be provided per 10,000 square feet of occupied building area. Bike racks may be ganged together block-by-block and located in the Passageway Easements.

G) Roofs:
1) Pitched roofs:
Pitched roofs may be clad in painted or galvanized metal, clay or concrete tile. Composition shingles are permitted only where not visible from a public right-of-way. Pitched roofs shall be symmetrical gable, hip, or barrel vault with a pitch no less than 3/12. Porch and arcade roofs may be 2/12 min. Pitch. Mansard roofs are not permitted.
2) Flat roofs may be made of built-up roofing or a membrane roofing system.
3) Roof penetrations and rooftop mechanical systems shall be screened or setback from view at street level from either the front or side. Screening devices may be parapet extensions or free standing and shall be of material similar to the base building.

H) Glazing:
Glazed openings shall be at least 30 percent of the wall surface along a build-to line at the ground level and 20 percent on upper floors. Glazing shall not exceed 70 percent.
1) Framing shall be commercial grade painted wood, aluminum, or steel.
2) Glazing shall be clear; no reflective or spandrel glass is permitted.
3) Window openings shall be vertical or square in proportion.

A 10' setback from the front property line
1) Primary building facade shall be constructed along a minimum of 80% of the total length of the Build-to-Line.

B) Rear and side setbacks:
Not required

C) Encroachment:
Corner towers, bay windows, or canopies with occupied or unoccupied space may encroach a maximum of 3' beyond the Build-to-Line. No corner tower shall have more than 300 SF on the ground floor encroaching beyond the Build-to-Line.
1) Stoops, porches or balconies may encroach a maximum of 8' beyond the Build-to-Line.
2) If a stoop is provided, it shall be a minimum of 30 square feet.
3) Stoops and/or porches shall be spaced no more than 60 linear feet along the Build-to-Line within a single parcel.

D) Pedestrian Passageways:
None required

E) Covered sidewalks:
Not required

F) 1st Floor Elevation:
The finish floor of the first level shall be a minimum of 24 inches above the sidewalk or top of curb.

G) Minimum and Maximum Wall Height:
The maximum building height shall be three stories. Buildings shall be a minimum of two stories at the primary building facade.

4.3.1.2 PARKING

A) Parking spaces shall be 9' in width by 18' depth, up to 10% of the total spaces may be assigned as oversized spaces with a width of 10' and a depth of 20'.

B) On-site parking is allowed only at the rear of the building.

C) On-Street Parking in front of building may be used to supplement minimum parking requirements (see Use Standards below)

D) Shared Parking Standards:
Shared parking standards may NOT replace minimum parking standards in areas designated F3.

E) Parking supply may not exceed the minimum parking requirements outlined in the Use Standards by more than 15%.

F) Parking garages shall count as required parking.

4.3.2 USE STANDARDS

4.3.2.4 RESIDENTIAL

A) Residential Uses Defined:
Residential uses are those associated with buildings occupied for the purpose of long term human habitation, excluding lodging.
1) Residential uses shall provide designated parking at 2 spaces per dwelling unit. (no maximum density)
2) Parking for conditional uses and non-conventional unit sizes may be modified with approval of the Town Architect.

4.3.2.5 CONDITIONAL USES

A) Conditional Uses Defined:
Conditional Uses are considered exceptional situations that must have the approval of the Town Architect or district Design Review Board. The following may be acceptable conditional uses in areas designated F3:
1) Multifamily Residential:
Townhouse lots may be combined to create multifamily development parcels. Architectural massing shall remain consistent with that of surrounding uses, as determined by the Town Architect. Multifamily uses shall be allowed a maximum height of 4 stories and not exceed 20 dwelling units. A maximum of 25% of all combined F2 and F3 frontage may be used for Multifamily Residential.
2) Home occupation permitted

4.3.2.6 PROHIBITED USES

A) See prohibited use Table 4.01.

4.3.3 ARCHITECTURAL STANDARDS

Architectural standards shall be enforced by the Oasis Master Developer.

4.3.3.1 ARCHITECTURAL CHARACTER

All architectural design shall reflect the vernacular traditions of the Central Texas region. The following architectural standards allow for a variety of interpretations, both contemporary and historicist.

A) Building massing and facades
No single building facade type shall exceed 30' in length along the primary Build-to-Line; change in massing or materials shall constitute a change in facade type.

B) Exterior walls:
All exterior-building walls shall be finished in brick, native stone, cast stone, stucco, cementitious board (Hardie), or wood. Exterior insulation finishing system (E.I.F.S.) may not be used. Galvanized or weathered metal paneling is permitted, but may be used on no more than 50% of exterior elevations.

C) Change in materials:
Shall occur along a horizontal line (with the heavier material at the bottom), or at the joint along an inside corner. Facades shall include no more than three major materials.

D) Awnings and canopies:
Shall be made of sheet metal or canvas membrane. Plastic, fabric or vinyl awnings are not permitted. Trellises and sun shading devices are recommended and shall be made of wood or metal.

E) Roofs
1) Pitched roofs:
Pitched roofs may be clad in painted or galvanized metal, clay or concrete tile. No composition shingles are permitted. Pitched roofs shall be symmetrical gable, hip, or barrel vault with a pitch no less than 3/12. Porch and arcade roofs may be 2/12 min. Pitch. Mansard roofs are not permitted.
2) Flat roofs may be made of built-up roofing or a membrane roofing system.
3) Roof penetrations and rooftop mechanical systems shall be screened or setback from view at street level.

4.4.1 DEVELOPMENT REGULATIONS

4.4.1.1 BUILDING PLACEMENT

A) Build-to Line:
A 20' setback from the front property line
1) Primary building facade shall be constructed along a minimum of 50% of the total length of the Build-to-Line.

B) Rear and side setbacks:
1) 5' rear setback
2) 2.5' side setback on one side; 10' side setback on opposite side.
3) 10' street sideyard setback where the lot occupies the end of a block.

D) Encroachment:
Corner towers, bay windows, or canopies with occupied or unoccupied space may encroach a maximum of 3' beyond the Build-to-Line. No corner tower shall have more than 300 SF on the ground floor encroaching beyond the Build-to-Line.
1) Stoops, porches or balconies may encroach a maximum of 10' beyond the Build-to-Line.
2) If a stoop is provided, it shall be a minimum of 30 square feet.
3) If a porch is provided, it shall be a minimum of 8' deep.

E) Pedestrian Passageways:
None required

F) Covered sidewalks:
Not required

J) 1st Floor Elevation:
The finish floor of the first level shall be a minimum of 24 inches above the sidewalk.

K) Minimum and Maximum Wall Height:
The maximum building height shall be two and one-half stories. Buildings shall be a minimum of two stories at the primary building facade.

4.4.1.2 PARKING

A) Off street parking spaces shall be 9' in width by 18' depth, up to 10% of the total spaces may be assigned as oversized spaces with a width of 10' and a depth of 20'.

B) On-site parking is allowed only at the rear of the building.

C) On-Street Parking in front of building may be used to supplement minimum parking requirements (see Use Standards below)

D) Shared Parking Standards:
Shared parking standards may NOT replace minimum parking standards in areas designated F4.

E) Parking supply may not exceed the minimum parking requirements outlined in the Use Standards by more than 15%.

F) Parking garages shall count as required parking

4.4.2 USE STANDARDS

4.4.2.4 RESIDENTIAL

A) Residential Uses Defined:
Residential uses are those associated with buildings occupied for the purpose of long term human habitation, excluding lodging.
1) Residential uses shall provide designated parking at 2 spaces per dwelling unit plus 1 space per accessory dwelling unit. (no maximum density)
2) Parking for conditional uses and non-conventional unit sizes may be modified with approval of the Town Architect.

4.4.2.5 CONDITIONAL USES

A) Conditional Uses Defined:
Conditional Uses are considered exceptional situations that must have the approval of the Town Architect. The following may be acceptable conditional uses in areas designated F4:
1) Multifamily Residential is not permitted
2) Home occupation permitted
3) Ancillary units permitted

4.4.2.6 PROHIBITED USES

A) See prohibited use Table 4.01.

4.4.3 ARCHITECTURAL STANDARDS

Architectural standards shall be enforced by the Oasis Master Developer.

4.4.3.1 ARCHITECTURAL CHARACTER

All architectural design shall reflect the vernacular traditions of the Central Texas region. The following architectural standards allow for a variety of interpretations, both contemporary and historicist.

A) Building massing and facades
No single building facade type shall exceed 30' in length along the primary Build-to-Line; change in massing or materials shall constitute a change in facade type.

B) Exterior walls:
All exterior-building walls shall be finished in brick, native stone, cast stone, stucco, cementitious board (Hardie), or wood. Exterior insulation finishing system (E.I.F.S.) may not be used. Galvanized or weathered metal paneling is permitted, but may be used on no more than 50% of exterior elevations.

C) Change in materials:
Shall occur along a horizontal line (with the heavier material at the bottom), or at the joint along an inside corner. Facades shall include no more than three major materials.

D) Awnings and canopies:
Shall be made of sheet metal or canvas membrane. Plastic, fabric or vinyl awnings are not permitted. Trellises and sun shading devices are recommended and shall be made of wood or metal.

G) Roofs
1) Pitched roofs:
Pitched roofs may be clad in painted or galvanized metal, clay or concrete tile. No composition shingles are permitted. Pitched roofs shall be symmetrical gable, hip, or barrel vault with a pitch no less than 3/12. Porch and arcade roofs may be 2/12 min. Pitch. Mansard roofs are not permitted.
2) Flat roofs may be made of built-up roofing or a membrane roofing system.
3) Roof penetrations and rooftop mechanical systems shall be screened or setback from view at street level.

4.4.1 DEVELOPMENT REGULATIONS

4.4.1.1 BUILDING PLACEMENT

A) Build-to Line:
A 90' setback from the front property line
1) Primary building facade shall be constructed along a minimum of 50% of the total length of the Build-to-Line.

B) Rear and side setbacks:
1) 5' rear setback
2) 5' side setback

D) Encroachment:
Corner towers, or canopies with occupied or unoccupied space may encroach a maximum of 30' beyond the Build-to-Line. No corner tower shall have more than 1,000 SF on the ground floor encroaching beyond the Build-to-Line.

E) Pedestrian Passageways:
None required

F) Covered sidewalks:
Recommended for primary student entries.

J) 1st Floor Elevation:
The finish floor of the first level shall be at grade with street sidewalk or made accessible to disabled persons in compliance with the Americans With Disabilities Act and Texas accessibility standards.

K) Minimum and Maximum Wall Height:
The minimum building height shall be two and maximum five stories. Ancillary structures may be one story.

4.4.1.2 PARKING

A) Parking spaces shall be 9' in width by 18' depth, up to 10% of the total spaces may be assigned as oversized spaces with a width of 10' and a depth of 20'.

B) On-site parking is allowed only behind the building.

C) On-Street Parking in front of building may be used to satisfy visitor parking requirements.

D) Shared Parking Standards:
Shared parking standards may NOT replace minimum parking standards in areas designated F5.

E) Parking supply may not exceed the minimum parking requirements outlined in the Use Standards by more than 15%.

4.4.2 USE STANDARDS

4.4.2.4 EDUCATIONAL

A) Educational Uses Defined:
Educational uses are those associated with buildings occupied for the purpose of educational instruction and related services, for public school grades Pre-K through 12.
1) Educational uses shall provide designated parking at one space per 400 gross square feet excluding ancillary structures, play fields, etc not to exceed 200 spaces. Visitor spaces shall be included in the total parking allowed.

4.4.2.5 CONDITIONAL USES

None are allowed.

4.4.2.6 PROHIBITED USES

A) See prohibited use Table 4.01.

4.4.3 ARCHITECTURAL STANDARDS

Architectural standards shall be enforced by the Oasis Master Developer.

4.4.3.1 ARCHITECTURAL CHARACTER

All architectural design shall reflect the vernacular traditions of the West Texas region. The following architectural standards allow for a variety of interpretations, both contemporary and historic.

A) Building massing and facades
No single building facade type shall exceed 180 feet in length along the primary Build-to-Line; change in massing or materials shall constitute a change in facade type.

B) Exterior walls:
All exterior-building walls shall be finished in brick, native stone, cast stone, stucco or cementitious board (Hardie). Exterior insulation finishing system (E.I.F.S.) may not be used. Galvanized or factory finished metal paneling is permitted, but may be used on no more than 50% of exterior elevations.

C) Change in materials:
Shall occur along a horizontal line (with the heavier material at the bottom), or at the joint along an inside corner. Facades shall include no more than three major materials.

D) Awnings and canopies:
Shall be made of factory finished metal or other permanent roofing materials. Plastic, fabric or vinyl awnings are not permitted. Trellises and sun shading devices are recommended and shall be made of wood or metal.

G) Roofs
1) Pitched roofs:
Pitched roofs may be clad in factory finished or galvanized metal, clay or concrete tile. No composition shingles are permitted. Pitched roofs shall be symmetrical gable, hip, or barrel vault with a pitch no less than 3/12. Canopy, colonnade and arcade roofs may be 1/12 min. Pitch. Mansard roofs are not permitted.
2) Flat roofs may be made of built-up roofing or a membrane roofing system.
3) Roof penetrations and rooftop mechanical systems shall be screened or setback from view at street level, including adjacent public rights-of-way.

Section 5.0
Street Types

PACKET 40.85 November 16, 2021

HOW DO STREET TYPES AFFECT DEVELOPMENT?

The frontage types outlined in the previous section of these standards are paired with street types to define the general character and quality of public space within the plan. The Regulating Plan defines locations for each street type and frontage type. The remainder of the Development Standards fills in the gaps, specifying landscape and drainage requirements, utility locations, open space programming, etc.

SEQUENCING

All streets within the Oasis PD shall be built in complete block lengths. A block is defined as a section of street from the intersection of one perpendicular street to the next. If the street-type has a parallel alley, the alley and access to it must be built at the same time as the street.

The following street types are detailed in this section:

MS-78: Main Street 78' R.O.W.

BV-VAR: Boulevard Variable R.O.W.

CS-65: Commercial Street 65' R.O.W.

CS-60: Commercial Street 60' R.O.W.

US-50: Urban Street 50' R.O.W.

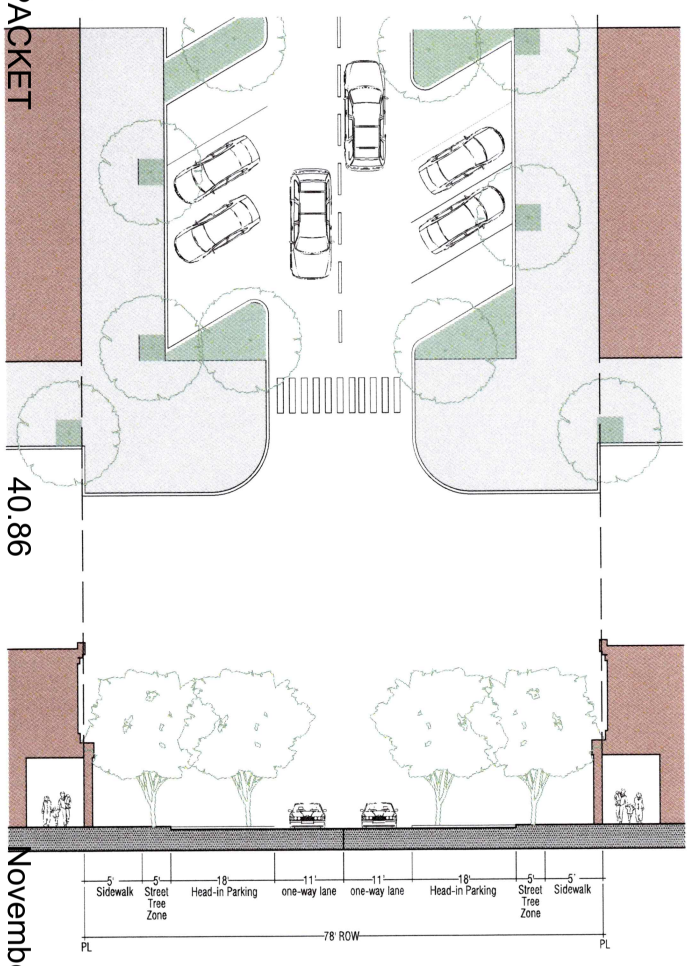
US-45: Urban Street 45' R.O.W.

US-40: Urban Street 40' R.O.W.

CL-20: Comercial Alley 20' Access Easement

AL-20: Residential Alley 20' Access Easement

OWNERSHIP AND MAINTENANCE

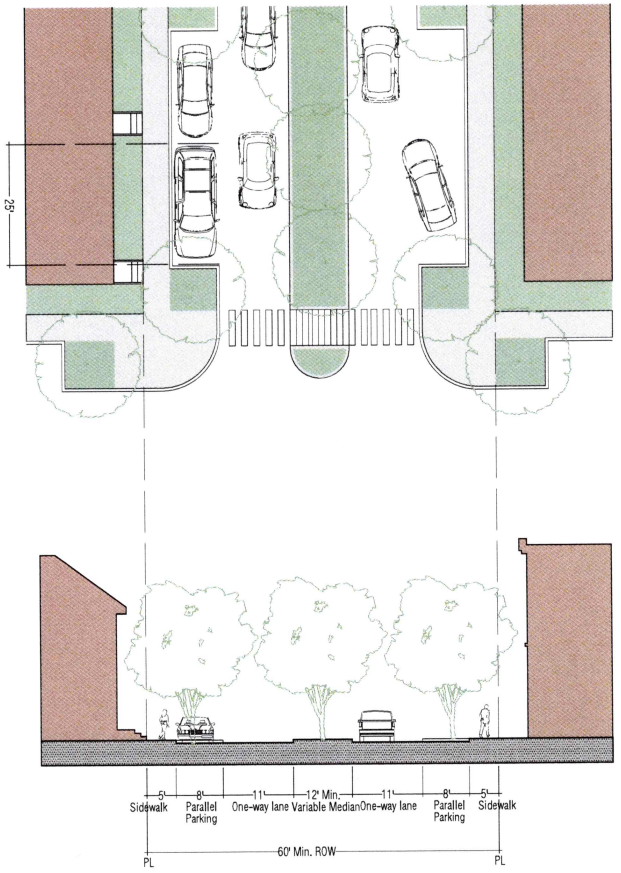


All streets within the Oasis PD shall be built to meet City of Midland construction standards. However, geometric layout, design speed and details including bulb-outs, pedestrian crossings, sidewalks etc. shall be controlled by this Code.

Maintenance of streets and sidewalks in public rights-of-way shall be performed by a private property owners association as provided for in Section 13.5 of this Code.

PACKET 40.86 November 16, 2021

Section 5.1



Street Type MS-78 : Main Street 78' R.O.W.

ROW	78'
DESIGN SPEED	25 mph
PAVEMENT WIDTH	58'
PARKING	Head-in both sides
CURB RADIUS	20' radius at street corners
STREET TREES	50' o.c. max.
MIN. CENTERLINE RADII.	166'

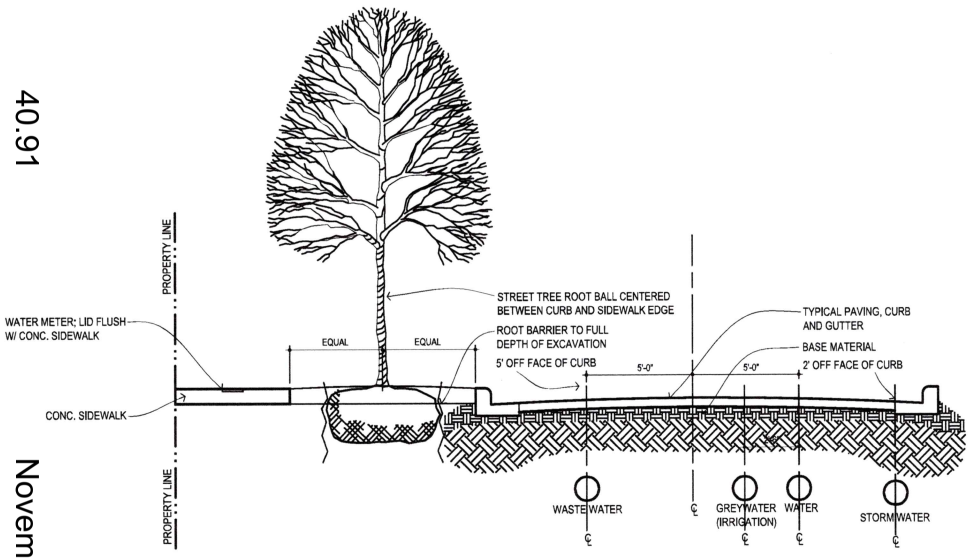
PACKET
40.91
November 16, 2021

6.1 UTILITIES

All utilities must be located in 1) a Dedicated Utility Corridor within a Public Right of Way, 2) a public utility easement (P.U.E.) on a lot as indicated on a final plat, 3) or by separate dedication instrument. This includes both Dry Utilities and Wet Utilities. Except for temporary construction site offices, utilities shall be located underground. Dry Utilities in common trenches are allowed, providing required separation distances are maintained. Utilities must follow the pattern in the Typical Utility Corridor Section diagram unless the City Engineer or the City Engineer's designee authorizes deviation from the standards in the diagram.



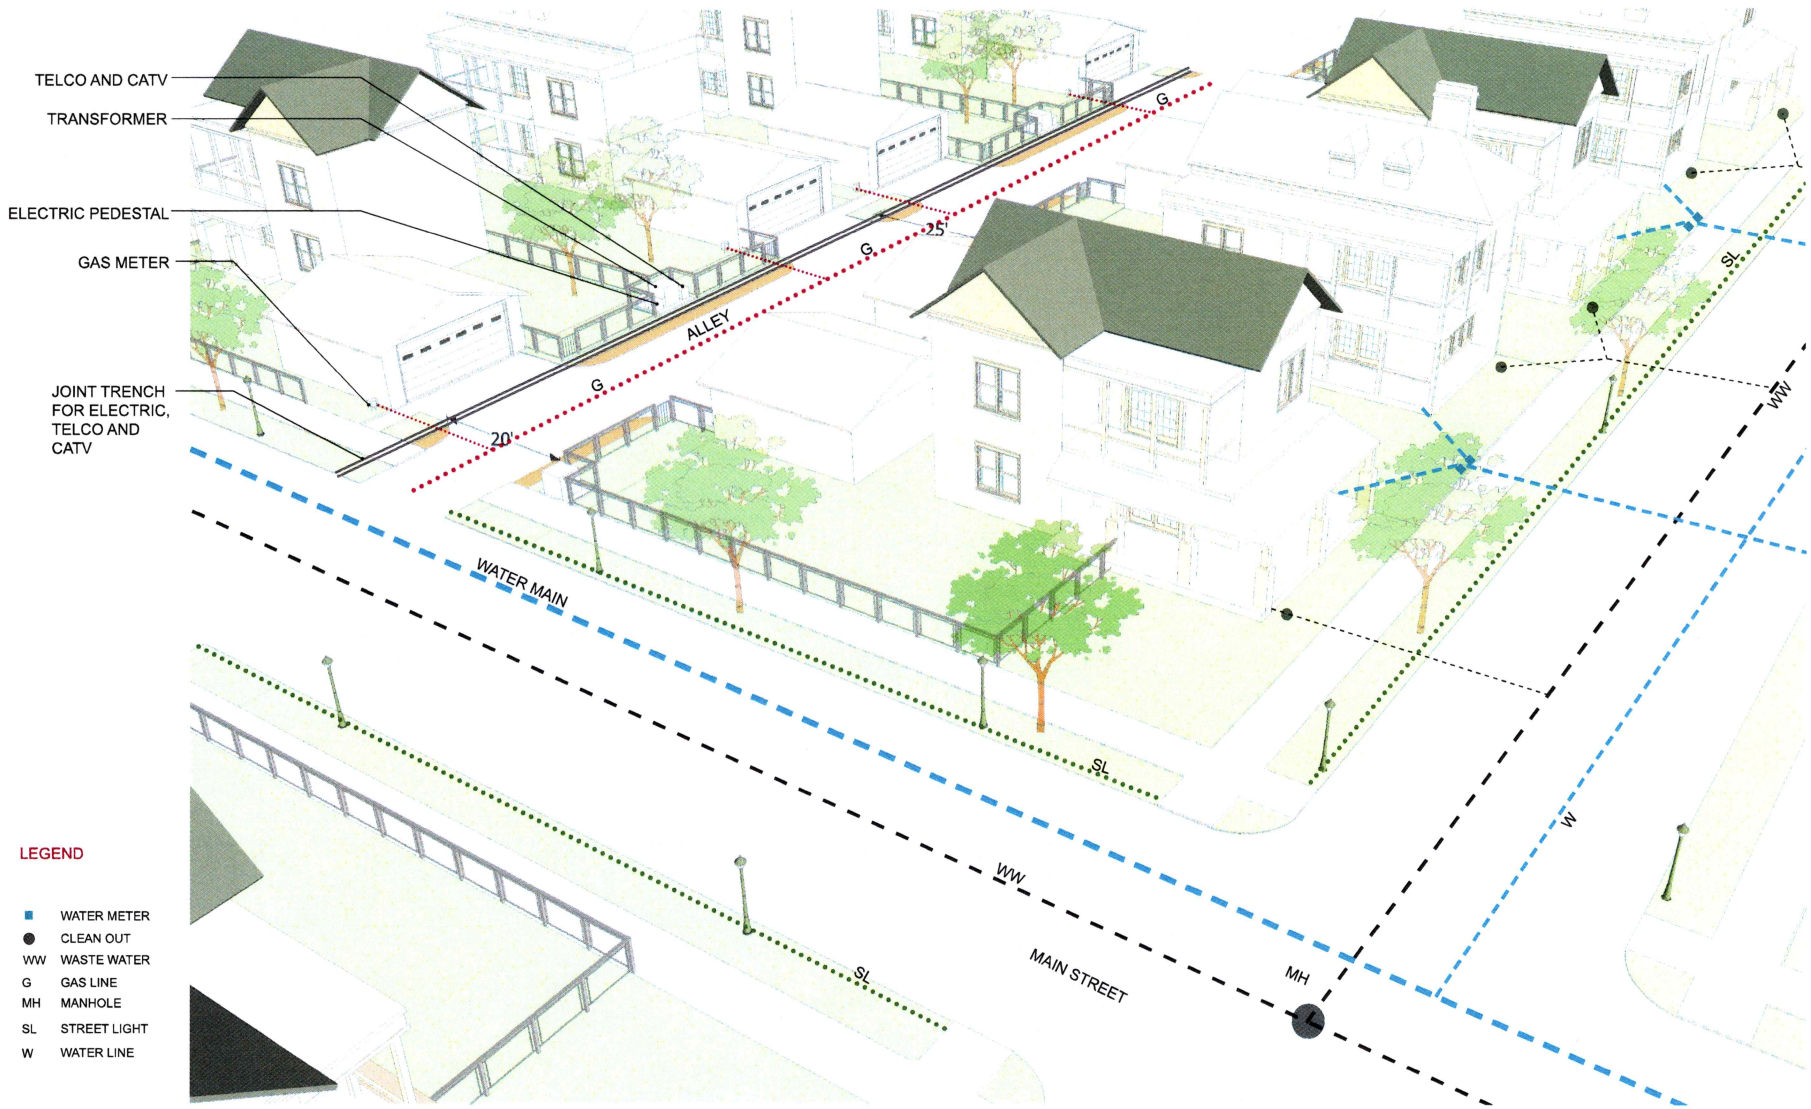


Figure 6a: **Typical Utility Corridor Section**

Fig. 6b: Assignments

PACKET 40.92 November 16, 2021

Section 7.0
Public Space Standards

PACKET 03 Adopted 2/26/08 Revised 3/25/08

7.1 INTENT

The following is the intent of the public space standards:

· To create socially active and culturally vibrant public open spaces.

· To create a public open space system which becomes a source of community pride and an attractive feature for encouraging positive town growth.

· To provide for a range of public open space types for community use from highly developed public squares to larger more loosely programmed public greens and greenbelts.

· Public Spaces shall be privately owned, developed and maintained and publicly accessible.

7.2 DEFINITIONS & PROGRAMMING

7.2.1 PLAZA

A plaza is an open area adjacent to, or part of, a civic building or facility. Plazas function as gathering places and may incorporate a variety of temporary activities such as vendors and display stands. Plazas shall be no less than 75% paved in brick or another type of paver or crushed stone. Plazas shall be level, stepped, or gently sloping (less than 3% grade). The following sizes are recommended but may be larger or smaller depending on the building or facility design. The recommended minimum size is 2000 sf., and the recommended maximum size shall be 30,000 sf.

A) Plantings:
Plaza interiors may be left unplanted or may be planted with shade trees. If a programming element such as an outdoor cafe or seating area is incorporated then trees may be planted to provide shade. Arbors may also be used as shade elements. Street trees shall be planted as per Street Types Standards (see tree list in Landscape Guidelines).

B) Public seating:
Seating should be provided with exposure to both shady and sunny conditions. Benches or seat walls should provide seating for at 10 linear feet of seating per 1,000 square feet of plaza area.

C) Optional programming elements:
Optional programming elements might be music concerts, festivals, outdoor cafes or vending areas. Other elements may be considered if determined appropriate by the City.

D) Street Lamps:
Street lighting shall be provided along pedestrian path and marking entrances to the Plaza. At least on half of a foot candle of light shall be provided per 20 ft. of perimeter sidewalk. All street lighting shall be Metal Halide or color corrected LED light sources and shall have full cut-off shields to minimize light pollution.

D) Irrigation:
Irrigation is required for all landscaped areas within the Plaza.

7.2.2 SQUARE

An open space, spatially defined by the facades of surrounding buildings (as a room is defined by its walls), usually surrounded by streets on at least two sides. Squares are at the intersection of important streets and are designed to accommodate public gathering and activities, usually with an area set aside for civic structures or monuments.

A) Shade Trees:
Shade trees (no less than 4 caliper inches at installation and container grown) shall be planted at no less than 1 tree per 2,000 sf. Street trees (as required in the Street Types Standards) shall count towards the minimum number of tree planting. Trees shall be limbed up to a minimum of 10' at maturity. (see tree list in Landscape Standards)

B) Small Flowering Trees:
Small Flowering Trees (no less than 2 caliper inches) shall be planted at no less than 1 tree per 2,000 sf in groupings no greater than 15' on center. (see tree list in Landscape Standards).

C) Lawn:
In areas requiring turfgrass, only shade tolerant varieties of turfgrass shall be allowed. Decomposed granite and other pervious paving is encouraged in all high traffic areas. Mulched beds and native grasses are encouraged to minimize irrigation demand. Solid sod shall have a sandy loam growing soil, not clay.

D) Street Lamps:
Street lighting shall be provided along pedestrian path and marking entrances to the Square. At least on half of a foot candle of light shall be provided per 20 ft. of perimeter sidewalk. All street lighting shall be Metal Halide or color corrected LED light sources and shall have full cut-off shields to minimize light pollution.

E) Public seating:
Public seating shall include metal, stone or concrete benches placed along pathways. Seating shall be a minimum of 10 linear ft. of seating per 1,000 sf. of square area. Other seating alternatives may be approved or by the Town Architect if they meet the criteria of long term durability and minimal susceptibility to vandalism.

F) Irrigation:
Irrigation is required for all landscaped areas. Irrigation shall be minimized through the use of native and drought resistant landscaping.

G) Drinking fountains:
At least two (2) shall be provided within a Square.

H) Other elements:
Plaza or Square shall incorporate at least one of the following as a primary organizing element to be approved by the Town Architect:

· Fountain or water feature
· Monument, sculpture or statue
· Gazebo, covered pavilion, or shade structure

7.2.3 GREEN

A Green is similar to a Square in that it is spatially defined by the facades of surrounding buildings surrounded by streets on at least two sides. A Green is more informally planted than a Square.

A) Shade Trees:
Shade trees (no less than 4 caliper inches and container grown) shall be planted at no less than 1 tree per 4,000 sf. Street trees (as required in the Street Types Standards) shall count towards the minimum number of tree planting. Trees shall be limbed up to a minimum of 10' at maturity. (see tree list in Landscape Standards)

C) Lawn:
In areas requiring turfgrass, only shade tolerant varieties of turfgrass shall be allowed. Decomposed granite and other pervious paving is encouraged in all high traffic areas. Mulched beds and native grasses are encouraged to minimize irrigation demand.

D) Street Lamps:
At least 1/2 of a foot candle of light shall be provided per 50 ft. of perimeter sidewalk. All street lighting shall be Metal Halide or color corrected LED light sources and shall have full cut-off shields to minimize light pollution.

E) Public seating:
Public seating shall include metal, stone or concrete benches placed along pathways. Seating shall be a minimum of 10 linear ft. of seating per 2,000 sf. of Green area. Other seating alternatives may be approved or by the Town Architect if they meet the criteria of long term durability and minimal susceptibility to vandalism.

F) Irrigation:
Irrigation is required for all landscaped areas. Irrigation shall be minimized through the use of native and drought resistant landscaping.

7.2.4 GREENBELT

Greenbelts are linear greenways or natural preserves which may feature walking or cycling trails and serve to buffer a neighborhood from surrounding non-compatible uses such as highway corridor or industrial district.

Uses may include large scale recreational uses such as golf courses, multiple playing fields, hike and bike trails or other program elements that help to create a green buffer. There are no tree planting requirements along ROWs for greenbelts. Greenbelts shall integrate the existing natural landscape. Newly landscaped area shall be compatible with existing vegetation. Shade trees shall be planted at 1 per 100 linear feet of trail and shall be 2" caliper container grown or 3" balled and burlapped or transplanted trees planted in naturalistic pattern.

7.2.5 PARK

An open space defined by surrounding buildings and vegetation and connecting with streets on at least two sides.

A) Paving:
Parks shall be naturally landscaped, not more than 10% paved.

B) Boundaries:
Parks will be bounded by streets on a minimum of 50% of their perimeter. Parks are encouraged to be entirely bounded by streets.

C) Size:
Minimum size shall be one (1) acre; maximum size shall be three (3) acres. Maximum park size may exceed three (3) acres if through design, the park creates a central open space that services an entire neighborhood or group of neighborhoods, or incorporates physical features which are an asset to the community (i.e., lake frontage, high ground or significant stands of trees.

7.3 IMPLEMENTATION

All public and private open space improvements shall be constructed or installed at the time of adjacent street and utility infrastructure construction. Park land dedication, fee in lieu or development of parks in value equal to fees in lieu will be accomplished as each 100 dwelling units are platted.

BACK UP 10-94
Nov 1995

8.1. THE PUBLIC LANDSCAPE

8.1.1 SOIL PRESERVATION
Wherever possible grades for thoroughfare and open spaces shall follow existing topography and drainage patterns. Areas to be left natural shall be fenced and undisturbed during construction. The soil structure for planting strips shall be protected from compaction with protective fencing. During construction, topsoil shall be removed, and stockpiled for later use.

8.1.2 COMPACTION
All planting areas shall be cultivated and top-dressed with organic matter. Deeply compacted areas shall be cultivated to a depth of one foot and top-dressed with an addition of loose topsoil, coarse sand and compost. Ballfields shall be underlain with a mix of coarse sand.

8.1.3 HYDROLOGY / DRAINAGE
All planting areas shall have drainage outlets achieve positive drainage. Playing fields shall be uniformly graded to a 2% -3% slope.

8.1.4 SITE CLEARING / EROSION CONTROL
To prevent erosion, clearing of easements and access routes should not occur more than 60 days prior to construction. Trees to be removed shall be taken down in a manner that will not impact any of the adjacent trees to remain. All trees will have crown and limbs removed before being felled and depending upon the density of vegetation the trunk shall be felled before the stump is removed. It is recommended that limbs and underbrush be chipped shredded and retained on site to be spread as a mulch after construction has finished. The boundary of construction sites shall be marked with a barrier and erosion control fencing on the downhill sides. No clearing operations will be allowed in an unmarked area. When construction is adjacent to a waterway, care should be taken to prevent any excavated material from spilling into the waterway by use of erosion control barriers.

8.1.5 TREE PROTECTION:
Protecting existing trees on site adds value and prevents additional planting costs. In areas of construction where trees are to be preserved, tree protection fencing must be installed and maintained at the dripline. No storage of materials or equipment is allowed within the dripline area of trees to be protected.

With the exception of Protected Trees as defined by the City's General Landscape Ordinance these Oasis landscape standards shall be adhered to in lieu of City's landscape regulations.

8.1.6 PLANT SELECTION
Trees may be selected from the lists outlined below. The use of native shrubs and ground cover species is encouraged given their adaptability to drought and indigenous soil conditions. Plant quality shall follow the highest Nursery Industry Standards.

8.2. PUBLIC OPEN SPACE TREES

8.2.1 STREETS, SQUARES, AND GREENS
The following is a list of trees that may be used in Squares and Greens, as well as for Street Trees. These trees were selected for their shade providing qualities and their ability to tolerate compaction, drought and pollution typically associated with heavily trafficked areas. Low maintenance and disease resistance are also important qualities for trees in this category. With pruning, these trees also have high a branching character so as not interfere with pedestrian and vehicular activities. Street trees shall have a single trunk and should be limbed up to a minimum of 14' at maturity. All street tree plantings shall utilize root barriers to prevent heaving of adjacent paving.

·Live Oak, Quercus virginiana
·Bur Oak, Quercus macrocarpa
·Texas Red Oak, Quercus texana
·Pecan, Carya illinoensis
·Bald Cypress, Taxodium distinctum
·Afghan Pine, Pinus elderica
·Mexican White Oak, Quercus polymorpha.

8.2.2 GREENBELT TREES

The following trees may be planted in Greenbelts (as defined in the Open Space Standards) This list of trees was selected for their more naturalistic character which is representative of the above listed public open spaces. Native species are encouraged given their adaptability to native soils and drought conditions:

Native Large Trees (Mature Height Over 30'):
·Texas Ash, Fraxinus texensis
·Bald Cypress, Taxodium distinctum
·Cedar Elm, Ulmus crassifolia
·Live Oak, Quercus virginiana
·Pecan, Carya illinoensis
·Bur Oak, Quercus macrocarpa
·Chinkapin Oak, Quercus muhlenbergii
·Texas Red Oak, Quercus texana
·Eastern Red Cedar, Juniperus virginiana

Non-Native Large Trees (Mature Height Over 30'):
·Arizona Cypress, Cupressus arizonica
·Austrian Pine, Pinus nigra
·Goldenraintree, Koelreuteria paniculata
·Italian Stone Pine, Pinus pinea
·Lacebark Elm, Ulmus parvifolia

Native Small Trees (Mature Height 30' or less):
·Crabapple, Malus spp.
·Eve's Necklace, Sophora affinis.
·Goldenball Leadtree, Leucaena retusa.
·Mexican Redbud, Cercis canadensis var. mexicana.
·Mexican-Buckeye, Ungnadia speciosa.
·Pinyon Pine, Pinus edulis.
·Prairie Flameleaf Sumac, Rhus Lanceolata.
·Texas Mountain Laurel, Sophora secundiflora.
·Texas Walnut, Juglans microcarpa.
·Desert Willow, Chilopsis linearis
·Texas Persimmon, Diospyros virginiana
·Texas Pistache, Pistacia texana
·Mexican Plum, Prunus mexicana
·Texas Redbud, Cercis canadensis texensis
·Vitex, Vitex agnus-castus

Non-Native Small Trees (Mature Height 30' or less):
·American Smoketree, Cotinus obovatus
·Crape Myrtle, Lagerstroemia indica
·Chinese Pistache, Pistacia chinensis

8.2.3 PARKS
Shade trees shall be 3" caliper container grown or 4" balled and burlapped trees planted in naturalistic pattern. At least 1 tree per 5,000 sf shall be planted. Existing hardwood trees may count toward the minimum number of trees. Trees may be grouped to allow for large lawn cover areas (see tree list in Landscape Standards 8.2.2)

B) Small Flowering Trees:
Small flowering trees(no less than 2 caliper inches) shall be planted in groupings at no less than 1 per 5,000 SF. (see tree list in Landscape Standards).

C) Lawn:
Lawns shall include Bermuda grass in sun to partly shade conditions; St. Augustine shall be provided in dense shade. In conditions with a more natural landscape character, coverage should be a mixture of native grass and wildflower seed. This mixture should contain a minimum of three (3) different species of grass and five (5) different species of wildflowers.

D) Street Lamps:
Street lamps shall be provided along pedestrian paths and at entrances to a Square or Plaza. At least 1/2 of a foot candle must be maintained.

E) Public seating:
Public seating shall include metal, stone or concrete benches placed along pathways. Seating shall be provided at no less than ten linear feet of seating per 10,000 SF of park area.

F) Irrigation:
Irrigation is required for all landscaped areas.

8.3 PARKING LOT LANDSCAPES

It is the intent of this section to establish standards in harmony with a city's landscape ordinance. However, due to the different development pattern (i.e. parking behind rather than in front of buildings) these standards shall apply where they may conflict with the landscape ordinance, including the Buffer requirements.

8.3.1 LANDSCAPE ISLANDS
In parking lots, landscaped islands must be provided at the end of all parking rows. Landscaped islands shall have a minimum width of 9 feet measured from back of curb to back of curb. A continuous poured-in-place concrete curb shall be provided around parking islands to prevent vehicular intrusion.

8.3.2 TREE ISLANDS
In addition to landscaping islands at the end of all parking rows, tree islands shall be incorporated into the parking lot layout every eight spaces to provide for additional shade. Tree islands shall incorporate a continuous poured-in-place concrete curb and shall be a minimum of 5' from back of curb to back of curb.

8.3.3 PARKING LOT TREES
In parking areas, two shade trees shall be planted in landscape islands at the end of all parking rows. A shade tree shall be installed no further than 30' from each stall. In addition, one shade tree will be provided for each five perimeter parking spaces. The parking lot trees will be a minimum 4 inch caliper balled and burlapped or 3 inch caliper container grown.

8.3.4 STREET TREES
Street trees shall be installed in locations shown on Street Types (Section 5.0), and shall be a minimum of 4" caliper, container grown with a minimum branching height of 9'-0".

8.3.5 MAXIMUM AREA OF PARKING SECTIONS
Parking areas shall be broken into individual sections not to exceed 60 cars. Each section shall be separated by a 10' wide major landscaped buffer to provide visual relief.-

8.3.6 PARKING LOT SCREENING
Any parking lot fronting along a Build-to-Line shall be landscaped at the perimeter and screened from view. A landscaped strip at least three feet wide shall be planted with a shrub hedge at least 30 inches in height at the time of installation and a mature height of 4' to 5'.

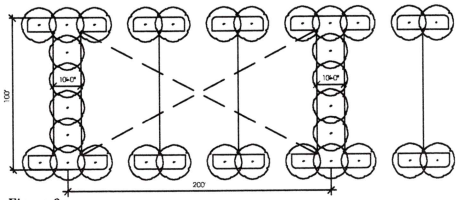

Figure 8a
MAXIMUM PARKING AREA

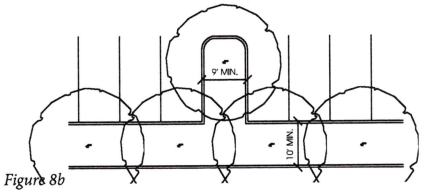

Figure 8b
LANDSCAPE ISLANDS

PACKET 1

8.3. STORAGE SCREENING
All loading and storage areas for commercial uses shall be screened from view from public streets and public open space. This provision includes above grade utility transformers, meters, valve boxes or other such apparatus. Screen elements may include permanent walls, fences, plant material or architectural enclosures. Open storage of goods, materials, machinery, equipment, vehicles, plants, trash or other items shall be similarly screened from public view.

8.3.8 IRRIGATION
All landscape areas shall be irrigated with the exception of natural areas and undeveloped areas. All irrigation systems are to be below ground, fully automated systems and in compliance with applicable building code requirements. The use of drip irrigation for shrubs and trees is acceptable. All backflow control devices are to be installed in below-grade Valve boxes or located and screened so that they are not visible from public streets or parking lots. All parking areas, drives and walks are to be "trimmed" to minimize spray onto pavements. Owners shall be required to irrigate to back of the curb of public roads. Oasis will provide reclaimed waste water to all irrigation users.

8.3. EXISTING TREE LOCATIONS
If specimen quality existing trees of 16" DBH or greater are encountered in tree surveys subsequent to the formulation of these standards, modifications to the layout of streets and walks may be considered. Refer to section 11.0 for Revisions to the Regulating Plan.

8.4 IMPLEMENTATION

All public landscape improvements shall be constructed or installed at the time of adjacent street and utility infrastructure construction.

Page 46 of 48

November 16, 2021

9.1 STORM WATER MANAGEMENT

A Regional Storm water Management approach is desirable for the Oasis District. The benefits of a regional approach to providing storm water detention over an on-site approach are many. They include the following:

- A greater level of confidence in the hydraulic performance of the regional facilities;
- Less land area required thus increasing taxable land base in the District;
- Centralized, focused long term maintenance and thus a greater level of confidence in the long term function of the regional facility;
- Less overall construction, design, and administration costs;
- The ability to combine the regional facilities into an amenity area.

9.2 DRAINAGE STANDARDS
The Oasis District is anticipated to be a moderately high density and impervious cover area and as such the management of storm water runoff will be essential and critical to the ongoing health, safety, and welfare of not only the District, but also areas downstream of the District.

9.3 FLOODING CONDITIONS
There is increased potential for downstream erosion and degradation of water quality due to the increase in frequency of storm water runoff by the smaller more frequent storm events and corresponding increase in storm runoff volume. The increase in volume of runoff and frequency of storm water runoff events will have the effect of eroding the natural downstream waterways and further the potential for flooding. The effects of this can be mitigated by providing detention for the higher frequency (smaller) storm events and/or providing extended detention or a combination of detention/retention.

9.4 REGIONAL DETENTION
Due to the location of the Oasis District and its direct interface with the Midland County detention facility, accomodating approximately the north half of the project. The south half of the project shall drain to a combination of common area detention facilities.

9.5 WET PONDS
Detention may be combined with irrigation reservoirs and/or aesthetic ponds. Sufficient free board shall be designed into the pond to allow for adequate detention volume. These ponds may also be used to create man made wetlands where appropriate.

9.6 TIME OF IMPLEMENTATION
As with open space and landscape improvements, the implementation of drainage and water quality improvements outlined in this section shall be simultaneous with the development of sub basin served by the various drainage phases.

Section 11.0
Lighting Standards

PACKET
4.0.a

11.1 GENERAL INTENT

A) Street lights shall be decorative and blend with the architectural style of the buildings in the Oasis District. Exterior lighting in the Public right-of-way will be coordinated with the electric utility provider. Standards for exterior lighting of private development such as parking areas and public spaces shall be subject to the regulations below and enforced by the Master Developer.

B) Street lights and site lights shall provide adequate lighting, while minimizing adverse impacts, such as glare and upward oriented glow. House side shields shall be provided where abutting a residential use. 'Dark Sky' protocols shall be integrated to the greatest extent possible.

11.2 PLACEMENT

A) Along all commercial or mixed use streets, parking areas, sidewalks, walkways, courtyards, community greens, and common open spaces, twelve to fourteen foot high decorative light posts shall be provided at regular intervals. Post shall be spaced at no greater than 60 feet on center on both sides of a commercial or main street and at all street intersections. Lighting on residential streets should be confined to the intersections and corners. Lighting standards shall be consistent throughout each district.
   1) Lighting level along commercial streets shall be no less than one-half foot candle and shall be no greater than two foot candles.
   2) Lighting level at an intersection of two residential streets (excluding alleys or access easements) shall be no less than one foot candle and shall be no greater than three foot candles.
   3) Lighting level at an intersection of a commercial street and any other street (excluding alleys or access easements) shall be no less than one foot candle and shall be no greater than three foot candles.
   4) Lighting level in parking lots shall be no less than one foot candle and shall be no greater than two foot candles.

B) In parking lots, post heights may be extended to a maximum of 18 feet.

11.3 TYPES

A) Use of metal halide or color corrected LED light sources are required. High pressure and sodium and non-color corrected mercury vapor light sources may be considered in special circumstances.

B) Porch light and yard post lighting are encouraged in residential areas. Where yard post lighting is used post and luminaires shall be of compatible styles.

November 16, 2021

Section 12.0
Signage Standards

12.1 INTENT

The following Standards address the number, location, size and types of allowable signs throughout the Oasis District. These signage standards take precedent over the Midland Signage Ordinance and shall be enforced by the Master Developer. Where this section is silent, the standards of the Midland Sign Ordinance, if any, shall apply.

12.2 TYPE AND PLACEMENT

12.2.1 SIGNS AND EXTERIORS
Signing should be designed to directly relate to the exterior design of the building. Signing should not cover important features or cross transitions between features. Signing should be at the first floor level, should not project above the cornice or facia line, and should be primarily oriented to the pedestrian with the exception of the commercial district. However, lettering on second story windows, to identify separate uses located there, is appropriate. Anchor tenants (10,000 sq. ft. or greater) may place signage to within two feet of highest point of facade.

12.2.2 PROJECTING SIGNS
Signs should generally be flush with the facade and not protrude more than eight (8) inches from the wall. Projecting signs may be considered when the sign does not conflict with the building's exterior design.

12.2.3 OTHER PERMITTED SIGNS
Under-canopy shingle type signs and signing painted on canopies or awnings are permitted. Symbolic three-dimensional signs, such as barber poles, are encouraged. Moving and rotating signs are not permitted.

12.2.4 FREESTANDING SIGNS
Freestanding signs are allowed to identify a district, or multiple-business complex. In a multiple business complex one permanent directory or freestanding master identification sign, not to exceed twenty-five (25) square feet per sign face, is allowed at each main entrance to a public street.

12.2.5 SHINGLE SIGN STANDARDS
A shingle sign, also known as blade or projecting signs, may be permitted to be placed on a building frontage only if all of the following Standards are met:

A) Context
The sign is historically accurate or appropriate for the building

B) Visibility
The sign does not impair the visibility of adjacent signs

C) Materials
The size, location and materials of the sign are compatible with the building and conform to the requirements of this section.

D) Height
The height of the sign does not extend above the cornice line of a one story building or the sill of a second floor window.

12.2.6 SIGN CONTENT
A permanent sign is limited to the name and graphic logo of the business, the type of service rendered, the principal brand names or classification of merchandise for sale, and street address. Street addresses are mandatory for each building. Brand names may occupy not more than twenty five percent (25%) of the allowable sign area, except for storefront window signs.

12.2.7 NEON SIGNS
Neon signs are permitted only when all of the following Standards are met:

A) Visibility
The sign does not impair the visibility of adjacent signs.

B) Materials
The sign, location and materials of the sign are compatible with the building and conform to the other requirements of this Section.

C) Associated Use
The sign is more appropriate than an otherwise illuminated sign because of its associated use (e.g. nightclub).

12.3 ALLOWABLE SIGN AREA

12.3.1 MAXIMUM SIGN AREA
A maximum area of one-half (1/2) square foot of signing may be permitted for each linear foot of a business on a primary frontage (facing a public street, public parking lot, or public space) not to exceed forty (40) square feet on any one frontage. A maximum of one-fourth (1/4) square foot of signing may be permitted for each linear foot of a business on a secondary frontage (facing an alley, private driveway, an adjacent building, private parking or service area) not to exceed twenty (20) square feet on any one frontage.

12.3.2 APPLICABILITY
The maximum area of signing noted above shall apply to all wall, window and projecting signs and signs painted on awnings. Further, shingle signs shall not exceed twenty (20) square feet per sign face and shall not project more than five (5) feet from the wall. Shingle signs located under canopies may be the width of the canopy.

12.3.3 FIRST FLOOR SIGNS
Each business with first floor frontage or direct sidewalk access may have a pedestrian-oriented sign attached below a canopy not exceeding five (5) square feet per sign face and with a minimum clearance of eight (8) feet above the sidewalk. Such a sign will not count as part of the maximum business sign allowance.

12.3.4 MULTIPLE TENANT SIGNS
Multiple business directories are intended to address situations where businesses have limited visibility from the adjacent street, and may be permitted when not exceeding two (2) square feet per tenant and twenty (20) square feet total per sign face. Such a sign will not count as part of the maximum business sign allowance.

12.4 MATERIALS

Signs should be painted and/or carved wood, wrought iron, cut out, non reflective metal lettering such as brass, or glass (including stained glass). Signs painted directly on plain surfaces, windows and canvas awnings are generally appropriate. Three dimensional metal "box" signs are not permitted. Decorative neon identification signs may be used as an accent or design feature, but shall not dominate the general appearance of the facade.

12.5 ILLUMINATION

12.5.1 INDIRECT ILLUMINATION
Illumination should generally be indirect such as that provided by "goose necked" light fixtures. In some instances, signs may be flood-lighted or may utilize exposed LED light bulbs.

12.5.2 ILLUMINATED SIGNS NOT PERMITTED
No interior-illuminated signs are permitted. Fluorescent, flashing, and intermittent illumination is not permitted.

12.5.3 ILLUMINATED SCHOOL SIGN
One exception will be allowed in the frontage type F5 to allow one internally lit school marque sign. The internally lit portion of the marque shall not exceed 40 square feet.

12.6 TEMPORARY SIGNS

12.6.1 STORE EVENTS
Temporary signs pertaining to special store events or sales lasting no more than thirty (30) days may be painted or affixed to display windows provided that their total area shall not exceed twenty-five percent (25%) of the window area.

12.6.2 TEMPORARY BANNERS
Banners or other promotional signs may be displayed for up to thirty (30) days. The same or similar signage shall not be replaced within thirty (30) days after removal.

12.7 NON-CONFORMING SIGNS

Non-conforming signs or sign structures shall be removed upon change in tenancy or ownership of the business identified by the sign. No change in copy and/or reuse of non-conforming sign or sign structure shall be permitted in order to identify a new business, product, tenant or occupant.

12.8 UNUSED SIGNS

12.8.1 UNUSED SIGNS
Any sign existing as of or after the effective date of these Standards, which no longer advertises a bona fide business conducted or a product available for purchase by the public, shall be taken down and removed by the owner, agent or person having the beneficial use of the building or structure or land upon to do so.

12.8.2 SIGN REMOVAL BY CITY OR DEVELOPER
Upon failure to comply with such notice within the time specified in such order, the Developer is authorized to cause removal of such sign and any expense incident thereto shall be paid by the owner of the building or structure to which such sign is attached or, if the sign is not attached to a building, then such expense shall be paid by the owner of the sign.

12.9 ILLEGAL CONSTRUCTION

If the Developer finds that any sign has been constructed or erected, or is being maintained in violation of the provisions of this Section, they shall give written notice of such conditions to the permittee. In the event no valid permit exists, the owner will remove or alter the sign so as to comply with this section within thirty (30) days after such notice. Such signs may be removed or altered to comply at the expense of the permittee or the owner of the property upon which the sign is located.

12.10 STREET ADDRESS SIGNS

Building shall display a numerical address sign indicating the legal address in letters not less than four inches in height and clearly visible from the public street.

12.11 PROHIBITED SIGNS

All auto oriented pylon, pole mounted berm mounted, or off-premise identification signs are prohibited. Off-premise directional signs may be approved on a case-by-case basis by the Design Review Board or Town Architect.

Section 13.0

Amendment Procedure/Other Codes and Development Regulations Applicable

PACKET
40 of 96
November 19, 2015

13.1 ADOPTION AND REVISION OF THE REGULATING PLAN

The Regulating Plan for the Oasis District shall be included in the ordinance zoning for the area as the Oasis District.

13.2 REVISION OF THE REGULATING PLAN

13.2.1 MINOR REVISIONS

The Director of Planning, or their designee, may administratively approve minor revisions to the Regulating Plan if the Director determines that there are no adverse effects on areas that are part of a final plat nor to the overall intent of the Regulating Plan. The following shall be considered minor revisions:

A) The size of a District Area, including its building or structures, may be revised if the size is increased or decreased by not more than 10% and (a) the Director determines that the basic layout of the District remains the same and (b) the Regulating Plan functions as well as before the revision.

B) The location of a Frontage Type may be revised if the Director determines that the revised location is appropriate.

C) The location or size of an open space may be revised if the overall amount of open space does not decrease by more than ten percent, and the Director determines that the quality and functionality of the revised open space is the same or better.

D) A construction phasing plan for open space improvements may be revised to extend a deadline for completion by not more than six months after the adjacent streets are completed.

E) The locations of major utility facilities and easements may be revised if the Director determines the revised locations are more functional or appropriate.

F) The location of a civic site may be revised if the Director determines that (a)the revised location is appropriate, and (b) the transportation network, the infrastructure, and the overall land use mix are not adversely affected.

13.2.2 MAJOR REVISIONS

All revisions other than those described above are major revisions. Major revisions must be approved by the City Council through a rezoning of the property.

13.3 PRIORITY

Requirements of these standards supersede any inconsistent provisions of the City's Development Codes and Ordinances.

13.4 OTHER PERMITS REQUIRED

A) Building Permit Required
A building permit issued by the City is required for a structure within the District.

B) Construction Permit Required
A construction permit is required for development of more than 1,000 sq. ft. of site area if a building permit is not otherwise required.

C) Site Plan
A site plan must be submitted with the building or construction permit application. A building or construction permit may not be issued unless a site plan complies with these Regulations. A site plan must provide the following information, if applicable:

1. Locations and types of easements;

2. The locations of proposed utility connections;

3. Building location and gross building square footage;

4. Proposed use that complies with the Regulating Plan;

5. Locations, quantity, and dimensions of sidewalks, pedestrian ramps, driveways, parking areas, parking spaces, and off-street loading areas;

6. Information that shows compliance with accessibility requirements;

7. Landscaping, screening, and fencing;

8. Locations of protected trees and significant tree clusters;

9. An erosion and sedimentation control plan;

10. Lot size, setbacks, build-to lines, building height and building coverage;

11. Other information that may be required by the Town Architect or Design Review Board.

D) Architectural Standards
A building or construction permit may not be issued unless the Design Review Board or the Town Architect has certified that the proposed development complies with the architectural standards. This requirement applies to other than single family housing intended for sale.

13.5 PROPERTY OWNERS' ASSOCIATIONS

A) Conditions, Covenants, and Restrictions for all single family residential property within the Oasis District must be filed in the county real property records by the owner before a final subdivision plat may be approved, a lot sold, or a building permit issued.

B) Conditions, Covenants, and Restrictions must be approved by the Master Developer, and they must:

1. Create a Property Owners' Association (or Home Owners' Association) with mandatory membership for each property owner;

2. Establish Design Review Board(DRB) if no Town Architect is hired by the master developer.

3. Establish architectural standards that are in conformity with the requirements of these standards;

4. Collaborate with the Town Architect or DRB to review projects for compliance with the architectural standards and issue certificates of approval;

5. Provide for the ownership, development, management, and maintenance of private open space (except plazas owned by individual property owners), community parking facilities, community meeting halls, and other common areas;

6.Provide for the maintenance of the landscaping and trees within the rigth-of-way;

7. Require the collection of assessments from members in an amount sufficient to pay for its functions;

8. Be effective for a term of not less than 50 years;

9. Require that the Property Owners' Association (or Home Owners' Association) obtain the approval of the Director regarding the disposition and management of private open space, community parking facilities, community meeting halls, and other common areas before it may be dissolved; and

10. Require the Property Owners' Association (or Home Owners' Association) obtain the approval of the Director for amendments to the Conditions, Covenants, and Restrictions which relate to provisions required by this chapter.

13.6 ARCHITECTURAL STANDARDS

The Property Owners Association may establish separate Architectural Standards for non commercial buildings in the District. If created those standards shall accomplish the following:

A) Conditions, Covenants, and Restrictions shall establish architectural standards for the property within the Oasis District. The standards must comply with this section.

B) The architectural standards must achieve the following objectives:

1. Architectural compatibility between residential and commercial buildings;

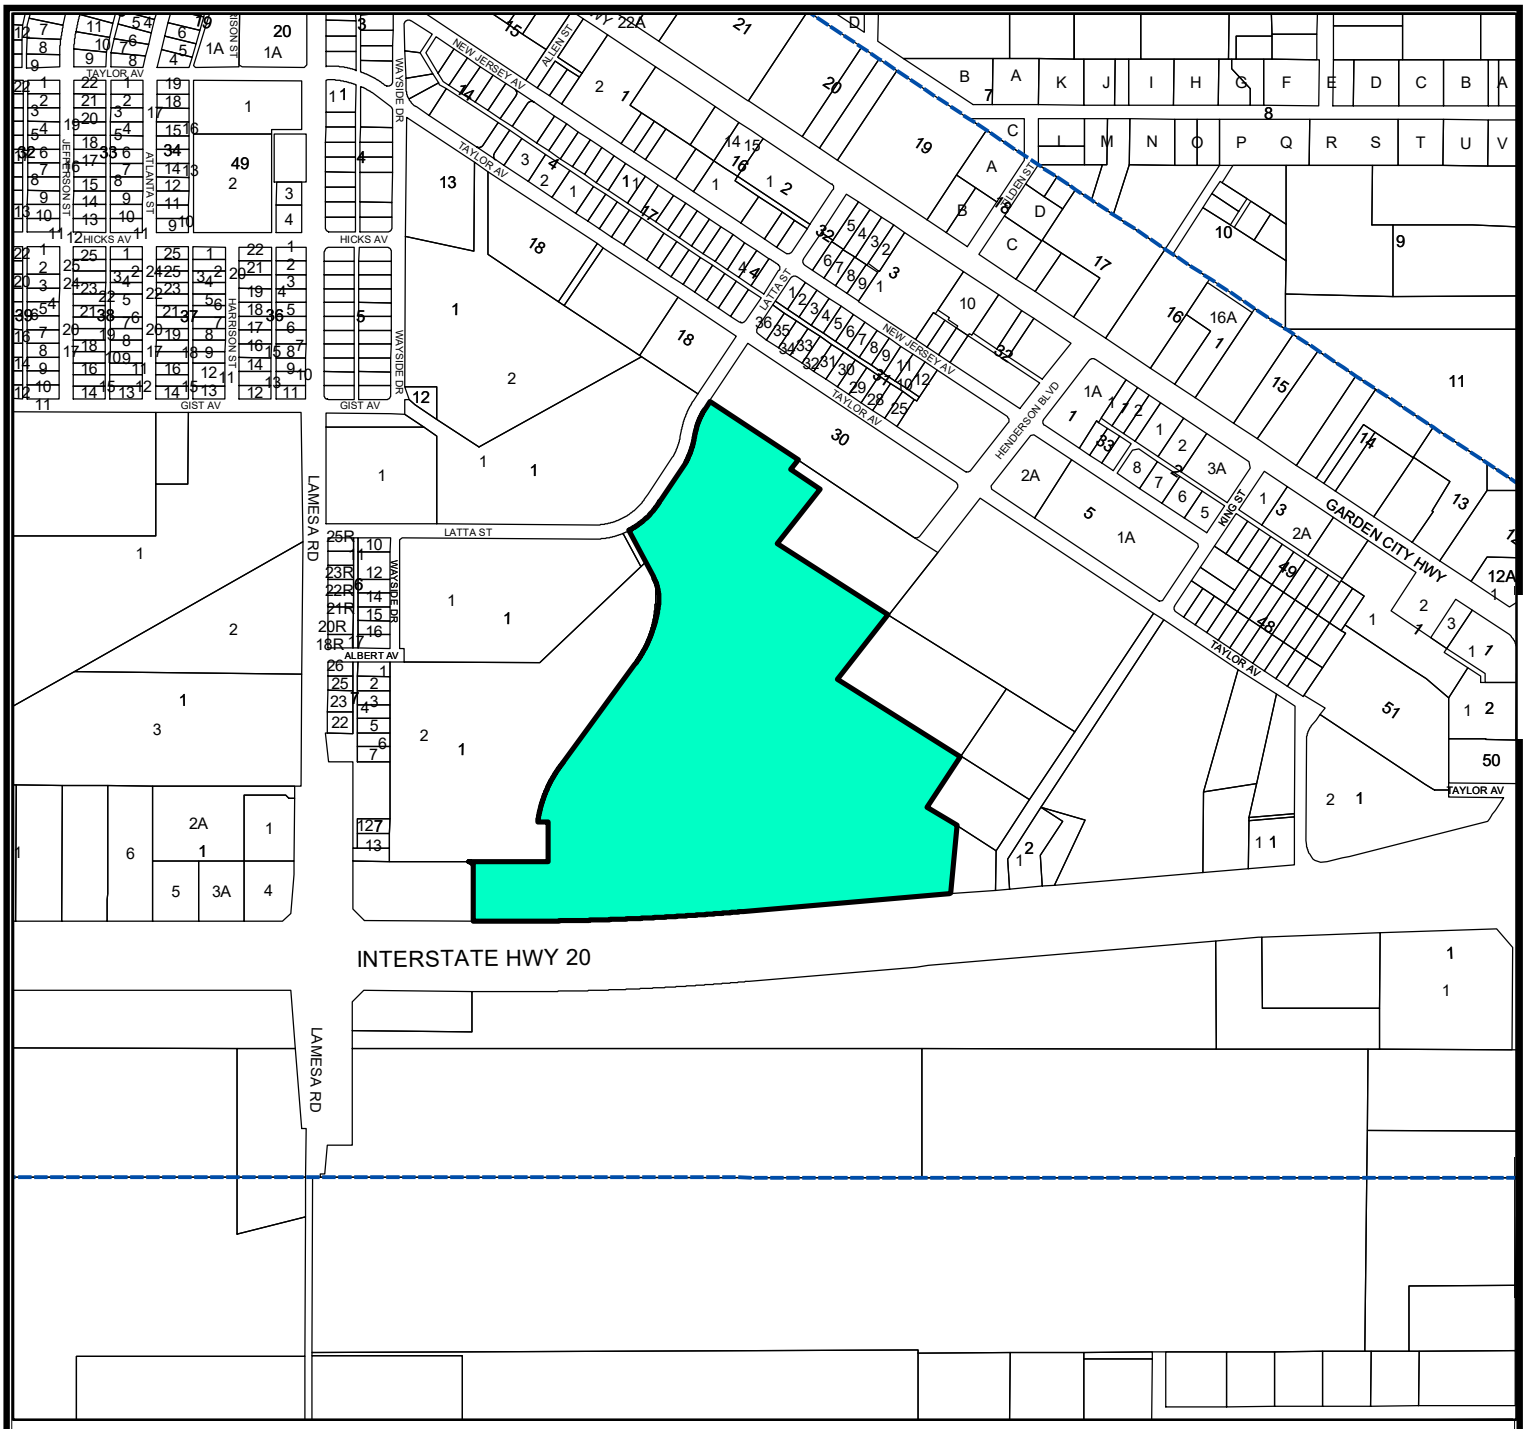
2. Human scale design;

3. Integration of uses;

3. Encouragement of pedestrian activity;

5. Buildings that relate to and are oriented toward the street and surrounding buildings;

6. Residential scale buildings in Mixed Residential Areas;



7. Buildings that contain special architectural features to signify entrances to the Neighborhood Center Area and important street intersections; and

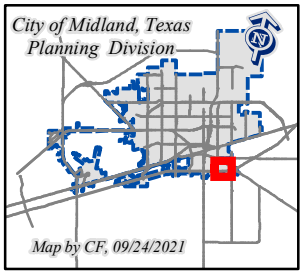
8. Neighborhood Center Area buildings that focus activity on the neighborhood square.

13.7 LIFE SAFETY CODES

A) Due to the proximity of commercial to residential buildings, voluntary sprinkler compliance should be considered for all commercial buildings and residential buildings over 500 sq. ft. in the district.

B) NFPA Standards for commercial buildings in excess of 500 sq. ft. shall apply.

LOCATION MAP



P-21-1196 **Scale: 1" = 833'**

Consider a request by Gary Bellomy for a zone change from a PD, Planned Development District for a Housing Development, Office Center, and Shopping Center to an amended PD, Planned Development District for a Housing Development, Office Center, and Shopping Center on a 57.55-acre tract of land located in Section 1, Block 39, T-2-S, T&P RR Co. Survey, City and County of Midland Texas .

Generally located on the north side of East Interstate 20, approximately 330 feet east of South Lamesa Road (Council District 2)

City Council Meeting

Item Number: 41

Meeting Date: November 16, 2021

To: City Council / City Manager

From: Elizabeth Shaughnessy, Planning Division Manager

Subject: AN ORDINANCE AMENDING THE ZONING DISTRICT MAP OF THE CITY OF MIDLAND TO REZONE LOT 1, BLOCK 21, GRASSLAND ESTATES ADDITION, SECTION 16, CITY AND COUNTY OF MIDLAND, TEXAS, FROM AE, AGRICULTURAL ESTATE DISTRICT TO PD, PLANNED DEVELOPMENT DISTRICT FOR A HOUSING DEVELOPMENT AND A SHOPPING CENTER (GENERALLY LOCATED AT THE SOUTHWEST CORNER OF THE INTERSECTION OF WEST WADLEY AVENUE AND CALLAWAY DRIVE); CONTAINING A CUMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; PROVIDING FOR A MAXIMUM PENALTY OR FINE OF TWO THOUSAND DOLLARS ($2,000.00); AND ORDERING PUBLICATION (DISTRICT 4) (DEVELOPMENT SERVICES)

Purpose:

The applicant, Midland-Odessa Golf Corp. is requesting approval of a zone change to allow for the development of multi-use site including single family housing, townhomes, offices, retail, greenspace, and an amenity center.

Recommended City Council Action:

Deny

Fiscal Impact:

This request does not require any City funds.

Discussion:

Current Zoning:

AE, Agricultural Estate District.

Surrounding Zoning and Land Use:

The properties to the north are zoned AE, Agricultural Estate District and the location of vacant land and a church. The properties to the east are zoned SF-2, Single Family Dwelling District and the locations of single-family residences. The properties to the south are zoned SF-1, Single Family Dwelling District and the locations of single-family residences. The properties to the east are zoned CE, Country Estates District and SF-1, Single Family Dwelling District and the locations of vacant land as well as single family residences.

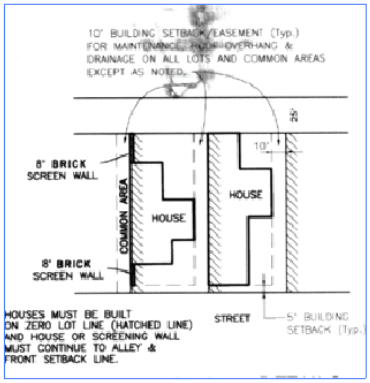
Analysis:

The applicant, Midland-Odessa Golf Corp. is requesting approval of a zone change from AE, Agricultural Estates District to a PD, Planned Development District for Housing Development and Shopping Center on what is currently the Nueva Vista Golf Course. The site plan, attached hereto as Exhibit A, shows total of six hundred twenty-six (626) residential lots, one approximately 2.34-acre amenity center, three (3) local retail lots, and approximately 80.11 acres of green space that is split between parks, a courtyard, greenspace, and drainage ponds. The site plan introduces a new housing prototype called Garden Homes. These homes will have an underlying zoning of SF-3, but with the following amendments.

1. The front yard setback shall be 10 feet.

2. The rear yard setback shall be zero feet.

3. One side of the lot shall have a side yard setback of zero feet, and the other side of the lot shall have a side yard setback of 10 feet.



4. The house shall be built on one side lot line, and the house or screening wall shall extend to the front yard setback line and to the rear lot line.

5. The owner of the lot that adjoins the side of the lot on which there is a 10-foot side yard setback shall be granted a 10-foot easement for purposes of maintenance, roof overhang, and drainage.

6. That the maximum building area coverage shall not exceed 70 percent of the lot area.

The image below is an illustrative example of the Garden Homes prototype.

Illustrative Example 1.0

The proposed development will consist of a variety of uses but will predominantly be a residential development. The proposed residential districts include:

- one hundred and thirteen (113) SF-1, Single Family Dwelling District lots;
- one hundred and forty-five (145) SF-2, Single Family Dwelling District lots;
- one hundred and thirty-seven (137) SF-3, Single Family Dwelling District lots, one hundred and seventy-seven (177) TH, Townhouse Dwelling District lots;
- fifty-four (54) zero lot line GH, Garden Home Dwelling District lots;

In addition to a 2.34-acre amenity center, three parks and a courtyard. The applicant is also proposing to provide an office and/or retail zoning area along the West Wadley Avenue Street frontage. Surrounding the proposed development is an approximately 76.34-acre greenbelt which stretches along the eastern, southern, and western borders of the proposed development creating a buffer between it and the existing single-family developments to the east, south and west.

The proposed density for each district is as followed:

- GH: 6.64 units per acre
- TH: 10 units per acre
- SF-3: 7.04 units per acre
- SF-2: 4.99 units per acre
- SF-1: 4.21 units per acre

The maximum density per zoning district is as followed:

- TH district is 17.42 units per acre
- SF-3 district is 7.92 units per acre
- SF-2 district is 6.22 units per acre

• SF-1 district is 4.84 units per acre

Therefore, the applicant is proposing to have reduced density compared to the maximum allowed in each district.

The appropriate setbacks and maximum height of future development must meet the regulations as described in Section 5.04 Residential Zoning District Dimensional Regulations chart. The proposed lots meet or exceed these requirements.

This proposed zone change has been circulated to and reviewed by respective City departments and their comments, conditions, and requirements are as followed:

Engineering: (Denied)

Denied because transportation's comment from previous site plan review (Z-21-0235) was not addressed and this impacts the layout of the street network.

Site drainage, utilities, driveway access, and traffic circulation may be adjusted during construction drawing review as necessary to receive building permit approval from Engineering and Traffic Operations.

Our staff has examined the FEMA flood map and it appears that this property lies partially within Zone AH, which is a Special Flood Hazard Area subject to inundation by the 1% annual chance flood.

An elevation certificate based off of construction drawings will be required to get a building permit to show compliance to the 1 foot of freeboard above the base flood elevation for residential structures. An elevation certificate based off of finish construction will be required for the Certificate of Occupancy.

Fire: (Approved)

No objection to zoning change.

Building: (Approved)

No issues. All future structures must adhere to the 2018 International Building Codes, the 2015 International Energy Code, the 2020 NEC requirements, the 2015 International Fire Codes, local city ordinances, zoning requirements, established setbacks, and floodplain requirements if necessary. Code years are subject to change.

Code Compliance: (Approved)

No Oil or Gas wells identified within 500 ft. permitted well radius or in the 135 ft. non-permitted well radius of location on plat. Please note if oil & gas wells are not identified or left off of plat, this could prevent receiving city permits for structures.

Transportation: (Denied)

Denied because comment from previous site plan review (Z-21-0235) was not addressed and this impacts the layout of the street network. Previous comment repeated: “The City's coordination efforts between this project and Grasslands West determined that Grasslands West's easternmost roadway will be a cul-de-sac and not connect to Wadley. Therefore, the western roadway in this project must connect to Wadley as shown and a public street cross-connection between the two projects must be provided south of Wadley and north of any access gate, as previously discussed with the Applicant.”
Site drainage, utilities, driveway access, and traffic circulation may be adjusted during construction drawing review as necessary to receive building permit approval from Engineering and Traffic Operations.

Planning:

The proposed development falls under a mix of circumstances surrounding the comprehensive plan. In some regards, the proposed development will propagate the goals and ideas of the plan, but in others, it stands in stark opposition. This request is a mixed bag when it comes to compliance with the Tall City Tomorrow Comprehensive Plan, Chapter 3 An Integrated Land Use Vision. Specifically, this development solves several issues facing development in this area but does so at the expense of removing a large area of open space and recreation potential for residents.

The Tall City Tomorrow Comprehensive Plan, Chapter 3 An Integrated Land Use Vision, “Development Policy Areas” labels this area as part of the “Current Development Area” which seeks to address the compatibility of uses, “specifically between different housing intensities,” As shown in the proposed site plan, the applicant is planning to create a gradual transition from existing housing developments at the southern and western edges of the property in question. Starting with a greenbelt in these areas, the proposed development will transition from the SF-1 sized lots to the Townhouse lots to gradually increase the density and create a smooth transition from the lower intensity housing to the south and the retail development to the north along W. Wadley Ave.

Principle 4 of Chapter 3 of the Tall City Tomorrow Plan seeks to increase the diversity of the housing stock in Midland specifically including the need of smaller lot homes. This proposal works in compliance since the development will be introducing a neighborhood with a mix of housing intensities to include smaller townhouse sized lots as well as larger single-family lots. Additionally, Principle 8 of the Chapter 3 requests that land use policies and regulations support the creation of more balanced neighborhoods, which include “a variety of housing options, access to open space, and contain activity centers such as parks…” The applicant is proposing to develop more specifically delineated park space and an amenity center in the development which will help give the residents a diversity of recreation allowing for a more balance feel than the stark delineation between uses that presently exists because of the golf course.

This development works both for and against creating a sense of community. Principle 5 of Chapter 3 requests planning for community amenities such as parks and open space to

support “community activity, personal interaction a sense of place, and ultimately a sense of ownership in the community.” The applicant is proposing to include a park, greenspace, and an amenity center all of which will contribute to creating a sense of place for new residents. However, the proposed development will also be removing the existing golf course that acts as a pivotal place-making a feature of the existing neighborhoods in this area.

Tall City Tomorrow Comprehensive Plan, Chapter 3 An Integrated Land Use Vision, “Development Policy Areas” seeks to address a lack of parks and greenways across the area. The “Future Land Use Map” designates this area for Park/Open Space, a classification which calls for the area “to remain undeveloped and natural or recreational in character.” Upon first glance, this project is in clear opposition to this guidance from the comprehensive plan because the applicant is proposing to develop this area. However, there is a lens in which this development complies with the goals of the comprehensive plan.

Chapter 9 of the Tall City Tomorrow Plan also seeks to keep us aware of the need for parks and recreational development as Midland continues to expand. Goal 1 of Chapter 9 seeks to provide park facilities accessible to the growing population, nothing that “Midland’s historic trend has been to focus on the need for housing and commercial needs during growth periods without the consideration of additional open space needs.” Chapter 9 also highlights that creating park space in the area outside of Loop 250 should be a priority as developments continue. This development both supports and is in conflict with this goal because, on one hand, it creates more specifically delineated green space which residents that do not play golf will be able to enjoy. On the other, it removes approximately 140 acres of open space and the recreation opportunities afforded to the community by having a second golf course with public access.

The base zoning districts to which the use and development of the Property shall conform, except as modified by conditions listed below, are as follows:

A. That the portions of the Property identified as “AE” in Exhibit A attached here to and incorporated herein for all purposes, AE, Agricultural Estates District;

B. That the portions of the Property identified as “SF-1” in Exhibit A, SF-1, Single-Family Dwelling District;

C. That the portions of the Property identified as “SF-2” in Exhibit A, SF-2, Single-Family Dwelling District,

D. That the portions of the Property identified as “SF-3” and “GH (O Lot Lines)” in Exhibit A, SF-3, Single-Family Dwelling District;

E. That the portions of the Property identified as “TH” in Exhibit A, TH, Townhouse Dwelling District;

F. That the portions of the Property identified as “LR” in Exhibit A, T LR, Local Retail District;

This request was approved at the October 18, 2021, Planning and Zoning Commission meeting. With a 4-2 vote.

If this Zone Change from AE, Agricultural Estates District to PD, Planned Development District for a Housing Development and Shopping Center is approved, staff recommends that it should be subject to conditions A through D.

Conditions:

A. That the Property shall significantly conform to the site plan attached hereto as Exhibit "B".

B. That each lot identified as Exhibit "B" as "Proposed GH (zero lot lines (50' Wide))" is subject to the following conditions and regulation:

1. The front yard setback shall be 10 feet.

2. The rear yard setback shall be zero feet.

3. One side of the lot shall have a side yard setback of zero feet, and the other side of the lot shall have a side yard setback of 10 feet.

4. The house shall be built on one side lot line, and the house or screening wall shall extend to the front yard setback line and to the rear lot line.

5. The owner of the that adjoins the side of the lot on which there is a 10-foot side yard setback shall be granted a 10-foot easement that shall run with the land for purposes of maintenance, roof overhang, and drainage.

6. That the maximum building area coverage shall not exceed 70 percent of the lot area.

C. That the landscaping shown in Exhibit "A" shall be considered illustrative. The landscape shall conform to the regulations set forth in Title XI, Chapter 9 of the City Code.

D. That the signs on the property shall conform to the regulations set in Title XI, Chapter 7a.

Letters of Objection:

As of November 4, 2021, staff has received 62 letters of objection to this request, which amounts to 11% objections within the 200- foot notification area.

ORDINANCE NO. _____

AN ORDINANCE AMENDING THE ZONING DISTRICT MAP OF THE CITY OF MIDLAND TO REZONE LOT 1, BLOCK 21, GRASSLAND ESTATES ADDITION, SECTION 16, CITY AND COUNTY OF MIDLAND, TEXAS, FROM AE, AGRICULTURAL ESTATE DISTRICT TO PD, PLANNED DEVELOPMENT DISTRICT FOR A HOUSING DEVELOPMENT AND A SHOPPING CENTER (GENERALLY LOCATED AT THE SOUTHWEST CORNER OF THE INTERSECTION OF WEST WADLEY AVENUE AND CALLAWAY DRIVE); CONTAINING A CUMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; PROVIDING FOR A MAXIMUM PENALTY OR FINE OF TWO THOUSAND DOLLARS ($2,000.00); AND ORDERING PUBLICATION

WHEREAS, the City Planning and Zoning Commission and the Governing Body of the City of Midland, in compliance with the City Charter, the City Code, and State law, have given the requisite notices by United States mail, publication and otherwise; and after a full and fair hearing to all of the property owners generally and particularly to those interested persons situated in the affected area and in the vicinity thereof, the Governing Body finds that the public health, safety and general welfare will be best served by rezoning Lot 1, Block 21, Grassland Estates Addition, Section 16, City and County of Midland, Texas (the "Property"), to PD, Planned Development District for a Housing Development and a Shopping Center and adopting a site plan therefor, as set out hereinafter;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MIDLAND, TEXAS:

SECTION ONE. That the Zoning District Map of the City of Midland, Texas, is hereby amended to rezone the Property from AE, Agricultural Estate District to PD, Planned Development District for a Housing Development and a Shopping Center.

SECTION TWO. That the base zoning districts to which the use and development of the Property shall conform, except as modified by Section Three of this ordinance, are as follows:

A. For the portions of the Property identified as "AE" in Exhibit "A", which is

attached hereto and incorporated herein for all purposes, AE, Agricultural Estate District;

B. For the portions of the Property identified as "SF-1" in Exhibit "A", SF-1, Single-Family Dwelling District;

C. For the portions of the Property identified as "SF-2" in Exhibit "A", SF-2, Single-Family Dwelling District;

D. For the portions of the Property identified as "SF-3" and "GH (0 LOT LINE)" in Exhibit "A", SF-3, Single-Family Dwelling District;

E. For the portions of the Property identified as "TH" in Exhibit "A", TH, Townhouse (Attached) Dwelling District;

F. For the portions of the Property identified as "LR" in Exhibit "A", LR, Local Retail District.

SECTION THREE. That a site plan, which is attached hereto as Exhibit "B" and incorporated herein for all purposes, is hereby adopted, and the use and development of the Property shall be subject to the following conditions and restrictions:

A. That the Property shall significantly conform to the site plan attached hereto as Exhibit "B".

B. That each lot identified in Exhibit "B" as "PROPOSED GARDEN HOME (ZERO LOT LINE 50' WIDE)" shall be subject to the following conditions and restrictions:

1. The front yard setback shall be 10 feet.

2. The rear yard setback shall be zero feet.

3. One side of the lot shall have a side yard setback of zero feet, and the other side of the lot shall have a side yard setback of 10 feet.

4. The house shall be built on one side lot line, and the house or screening wall shall extend to the front yard setback line and to the rear lot line.

5. The owner of the lot that adjoins the side of the lot on which there is a 10-foot side yard setback shall be granted a 10-foot easement that shall run with the land for purposes of maintenance, roof overhang, and drainage.

6. The maximum building area coverage shall not exceed 70 percent of the lot area.

C. That the landscaping shown in Exhibit "A" shall be considered illustrative. The landscaping shall conform to the regulations set forth in Title XI, Chapter 9 of the City Code.

D. That the signs on the Property shall conform to the regulations set forth in Title XI, Chapter 7a.

SECTION FOUR. That the definitions given in the zoning regulations contained in the City Code of the City of Midland, Texas, shall be applicable to such of those terms as are used herein.

SECTION FIVE. The provisions of this ordinance are to be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided, however, that all prior ordinances or parts of ordinances inconsistent with or in conflict with any of the provisions of this ordinance are hereby expressly repealed to the extent of any such inconsistency or conflict.

SECTION SIX. If any section, subsection, sentence, clause or phrase of this ordinance is, for any reason, held to be unconstitutional or invalid, such holding shall not affect the validity of the remaining portions of this ordinance. The Council of the City of Midland hereby declares that it would have passed this ordinance and each section, subsection, sentence, clause, or phrase hereof irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared unconstitutional or invalid.

SECTION SEVEN. The penalty for violation of this ordinance shall be in accordance with the general penalty provisions contained in Section 1-3-1 of the City Code of Midland, Texas, which provides for a fine not exceeding two thousand dollars ($2,000.00).

SECTION EIGHT. The City Secretary is hereby authorized and directed to publish the descriptive caption of this ordinance in the manner and for the length of time prescribed by the law as an alternative method of publication.

The above and foregoing ordinance was duly proposed, read in full and adopted on first reading, the _____ day of _____, A.D., 2021; and passed to second reading on motion of Council member _____, seconded by Council member

_____, by the following vote:

Council members voting “AYE”:

Council members voting “NAY”:

Street Address: 6101 W Wadley Ave.

Legal Description
Lot: 1 Block: 21 Subdivision: Grassland Estates, Section 16

Current Zoning: AE

Proposed Zone:
(List by tracts if more than one district is requested)

Reason for Zone Change Request: Allow development of multi-use site including SF-1, SF-2, SF-3, TH and Local Retail

Present Use of Property: Golf Course

Proposed Use of Property: Residential and Commercial

How would this zone change affect the public health, safety and welfare? It will provide additional housing opportunities for the city and redevelop land with an uncertain future.

Describe how conditions affecting the property have changed since present zoning designation: This change of zoning will create a change for the adjacent properties, but many amenities have been proposed to alleviate the perceived detriments, including a large green-space buffer as shown on the site plan.

Submittal and Fees

Items to be submitted with this application form:

- Application Fee – Payable to the 'City of Midland'

DATE: November 8, 2021

RE: **<u>Opposition</u> to zoning change and development of Nueva Vista Golf Course**
Case Number: Z-21-0268
Case Name: Presidential Estates

TO: Midland Planning Division

Elizabeth Shaughnessy
Planning Division Manager
Department of Development Services

FROM: Keith and Margie Barlow
5817 Grassland CT (a/k/a Grassland Boulevard)
Midland, Texas 79707-5030

My wife and I live on the corner of Grassland & Callaway. Nueva Vista Golf Course is due west and due south of our home. We purchased our lot and built our home in 2001, and we selected this lot since we liked the conformity and spaciousness of the residential development found in the Grassland neighborhood and the open space provided by Nueva Vista Golf Course.

We oppose any high-density development on the Nueva Vista Golf Course property. There are many issues concerning the proposed development including enhanced drainage issues, loss of green space, intrusion and/or alteration of established wetlands, higher density development, lack of conformity with nearby uses, and excess traffic in to and through Grassland Estates. We are primarily concerned about the following factors:

- **Storm Drainage Problems.**
- **Changing Conformity and Character of Our Neighborhood.**

<u>Drainage</u>

It was my impression early on that Nueva Vista Golf Course was developed where it is since it **<u>is was developed on top of two (2) playa lakes and associated low areas.</u>** We are very concerned about flood drainage and floodwater retention. Our lot was engineered to be one (1) foot above the flood level, so we are worried about the addition of a several hundred more rooftops with associated driveways, sidewalks, hardscape, alleys and streets that facilitate more runoff. We have seen flood waters cross over the 6th, 10th, 11th, and 12th fairways, as well as the driving range and areas surrounding the green for hole No. 2 on numerous occasions.

I don't believe that there is one encompassing drainage land for the total area from Grassland to Thomason Drive, but one can follow drainage ditches and large concrete culverts from Nueva Vista going under SH 191, through commercial and apartment developments and going into Legends residential development – a high density residential development. It appears that runoff from rainfall flowing into the lakes and low areas of the Nueva Vista Golf Course property is collected from SH 191 and Loop 250, Grande Football Stadium, Rockhounds Ballpark, commercial uses including HEB and Sam's along with large and small office buildings with paved parking lots and parking garages, numerous motels and apartments. The existing drainage improvements already serve hundreds of residential properties in Grassland Estates and Grassland West. In summary, the flood retention areas of Nueva Vista Golf Course appear to be <u>used to their capacity with heavy rainfall.</u>

In checking with FEMA (Federal Emergency Management Agency) Map Center, Flood Maps covering most of Grassland Estate and Grassland West, Panels #0068F & #0200F, have not been updated since December 6, 1999. **What we have is a patchwork flood plan with outdated FEMA Maps.**

It would be prudent to have the FEMA maps updated and cohesive flood plan prepared before any zoning change is approved, especially when intensive development is planned in the middle of a flood plain area. It would also seem fair to let neighboring residents have an independent, third-party engineering firm review any flood plan submitted for the area.

Lack of Conformity and Changing Character of Our Neighborhood

A vast majority of lots in Grassland Estates and Grassland West are zoned SF-1 which has a minimum lot area of 9,000 square feet. The primary zoning classifications on early designs for the development of Nueva Vista Golf Course were comprised of predominantly small lots with much higher-density zoning classifications:

- SF-2 which has minimum lot area of 7,000 square feet.
- TH which has a minimum lot area of 2,500 square feet.

Based on recent developments in Midland, the subdivision plan for SF-2 and TH will probably not have alleys for the purpose of *increasing* the density. It does not appear that any alleys were shown on a color version of the proposed subdivision plat for Nueva Vista.

The adjoining neighborhoods of Grassland Estates and Grassland West have a lot of space: wide streets, 25-foot-wide alleys, and LARGE yards with grass and shrubs (NOT GRAVEL AND ROCKS) to catch rainfall. The proposed development has high density with nothing but hard surfaces for stormwater runoff.

COMPARISONS OF EXISTING NEIGHBORHOOD DENSITY TO PROPOSED DENSITY				
Zoning and Density Comparisons	**Grassland Estates**	**Grassland West**	**Proposed Zoning**	**Proposed Density (Units / Acre)**
Predominant Zoning	SF-1 & SF-2	SF-1	GH	6.64
# of homes	575	355	TH	10
Net Acres	240	197	SF-3	7.04
Density (Units/Acre)	**2.40**	**1.80**	SF-2	4.99
			SF-1	4.21

Sources: midcad & P&Z

A proposed subdivision plan for the Nueva Vista property resembled a high-density subdivision with similar to smaller lots of Los Patios (SF-2 and TH) or Legends (SF-3), *unlike* the adjoining neighborhoods of Grassland Estates and Grassland West with larger lots (primarily SF-1). We ask that strong consideration be given to substantial expansion to the of SF-1 lots, along with consideration to incorporating the use of Country Estate ("CE") lots in the subdivision plan.

Soloman Estates and Concho Estates have been built out as quality neighborhoods with larger dwellings – more similar to the homes in Grassland Estates and Grassland West. A less dense subdivision such as one involving CE lots would require fewer public improvements and lower costs per lot for development where drainage issues could be more easily mitigated. Also, some of the open space appeal of the Nueva Vista Golf Course could be maintained.

On May 17, 2021, P&Z approved SF-1 zoning for Grassland West – a continuance of conforming uses of an adjoining and existing development. Most of the zoning was for SF-1 while two (2) tracts on Wadley were zoned RR. This is a good continuation of existing zoning (SF-1) and conformity with existing uses, with a transition to retail on Wadley. A consideration for the development of Nueva Vista could be similar with office sites on Wadley similar to the properties in the 5800 block of West Wadley, with the rest of land zoned SF-1, along with special consideration to flooding issues.

Homeowners in Midland give power to P&Z and City Council to control uses **to protect our properties and our property values.** The job of our public servants is to **protect our homes** from flooding and to ensure compatibility and conformity in new development and smart growth – not just high-density growth. The landowner has a right to sell his property, and the out-of-state developer has the right to develop the property – but not to the detriment of homeowners located in existing and adjoining developments.

In closing, we are strongly opposed to any high-density residential development on the Nueva Vista Property. We appreciate any consideration given to our concerns regarding the proposed development of Nueva Vista Golf Course. Please contact me if you have any questions or comments.

Respectfully submitted,

Keith Barlow, ARA, MAI

Margie Barlow

It seems that it should be of upmost importance that the Developer present a viable Flood Plain plan for this development BEFORE they are granted a Zoning change.

As several of you City Council members have stated---there have been other potential buyers that did not receive an approval of their flood plain, so why keep this going and going and going? Make them get an approved flood plain in place before changing the zoning.

Especially after receiving several flooding rains earlier this year that showed what is in place right now was not adequate to hold the flood waters.

HOW MANY MIDLANDERS ARE FOR THIS DEVELOPMENT???

HOW MANY MIDLANDERS ARE FOR LOSING ANOTHER GOLF COURSE AND GREEN SPACE?

DATE: October 4, 2021

RE: **<u>Opposition</u> to zoning change and development of Nueva Vista Golf Course**
Public Hearing Date: October 18, 2021
Case Number: SUB-21-00400
Case Name: Presidential Estates

TO: Midland Planning Division

Elizabeth Shaughnessy
Planning Division Manager
Department of Development Services

and

Planning and Zoning Commission of the City of Midland

FROM: Keith and Margie Barlow
5817 Grassland CT (a/k/a Grassland Boulevard)
Midland, Texas 79707-5030

CC: City Council of Midland, TX

My wife and I live on the corner of Grassland & Callaway. Nueva Vista Golf Course is due west and due south of our home. We purchased our lot and built our home in 2001, and we selected this lot since we liked the conformity of the residential development found in the Grassland neighborhood and the open space provided by Nueva Vista Golf Course.

We oppose any high-density development on the Nueva Vista Golf Course property. There are many issues concerning the proposed development including enhanced drainage issues, loss of green space, intrusion and/or alteration of established wetlands, higher density development, and excess traffic in to and through Grassland Estates. We are primarily concerned about the following factors:

- **Storm Drainage Problems.**
- **Changing Conformity and Character of Our Neighborhood.**

<u>Drainage</u>

It was my impression early on that Nueva Vista Golf Course was developed where it is since it **<u>contains two (2) playa lakes and associated low areas.</u>** We are very concerned about flood drainage and floodwater retention. Our lot was engineered to be one (1) foot above the flood level, so we are worried about the addition of a several hundred more rooftops with associated driveways, sidewalks, hardscape, alleys and streets that facilitate more runoff. We have seen flood waters cross over the 6th, 10th, 11th, and 12th fairways, as well as the driving range and areas surrounding the green for hole No. 2 on numerous occasions. The "25-year" flood event in June 2021 flooded many of the areas which are designated to be homesites in the proposed high density residential development on Nueva Vista.

The high point for this drainage area is near the location of Thomason Drive. One can follow drainage ditches and large concrete culverts from Nueva Vista going under SH 191, through commercial and apartment developments and going into Legends residential development – a high density residential development. It appears that runoff

from rainfall flowing into the lakes and low areas of the Nueva Vista Golf Course property is collected from SH 191 and Loop 250, Grande Football Stadium, Rockhounds Ballpark, commercial uses including HEB and Sam's along with large and small office buildings with paved parking lots and parking garages, numerous motels and apartments. The existing drainage improvements already serve hundreds of residential properties in Grassland Estates and Grassland West. In summary, the flood retention areas of Nueva Vista Golf Course appear to be used to their capacity.

In June of this year, we had heavy rains – a rainfall that was termed to be a "25-year" flood event. In 20 years of living by Nueva Vista Golf Course, this rain produced by far the most flooding we have seen. The standard for FEMA requirements is to alleviate stormwater accumulations from a 100-year flood event. If our neighborhood receives a 100-year flood event, then our neighborhood will be flooded – prior to the addition of 625+ residential units on the golf course site.

We have not seen a drainage plan to go with the high-density development proposed for Nueva Vista. It would be a poor planning decision by P&Z and by the City Council to approve a high-density development in a flood zone that is surrounded by built up and mature developments.

Lack of Conformity and Changing Character of Our Neighborhood

A vast majority of lots in Grassland Estates and Grassland West are zoned SF-1 which has a minimum lot area of 9,000 square feet. The primary zoning classifications on early designs for the development of Nueva Vista Golf Course were comprised of predominantly small lots with much higher-density zoning classifications:

- SF-2 which has minimum lot area of 7,000 square feet.
- TH which has a minimum lot area of 2,500 square feet.

Based on recent developments in Midland, the subdivision plan for SF-2 and TH will probably not have alleys for the purpose of *increasing* the density. It does not appear that any alleys were shown on a color version of the proposed subdivision plat for Nueva Vista.

At this time, we do not know how many more houses will be added to the neighborhood by the proposed development, and the traffic flow plan is unclear. A proposed subdivision plan for the Nueva Vista property resembled a high-density subdivision with similar to smaller lots of Los Patios (SF-2 and TH) or Legends (SF-3), *unlike* the adjoining neighborhoods of Grassland Estates and Grassland West with larger lots (primarily SF-1). We ask that strong consideration be given to expanding the use of SF-1 lots, along with consideration to incorporating the use of Country Estate ("CE") lots in the subdivision plan.

Soloman Estates and Concho Estates have been built out as quality neighborhoods with larger dwellings – more similar to the homes in Grassland Estates and Grassland West. A less dense subdivision such as one involving CE lots would require fewer public improvements and lower costs per lot for development where drainage issues could be more easily mitigated. Also, some of the open space appeal of the Nueva Vista Golf Course could be maintained.

On May 17, 2021, P&Z approved SF-1 zoning for Grassland West – a continuance of conforming uses of an adjoining and existing development. Most of the zoning was for SF-1 while two (2) tracts on Wadley were zoned

RR. This is a good continuation of existing zoning (SF-1) and conformity with existing uses, with a transition to retail on Wadley. A consideration for the development of Nueva Vista could be similar with office sites on Wadley similar to the properties in the 5800 block of West Wadley, with the rest of land zoned SF-1, along with special consideration to flooding issues.

Homeowners in Midland give power to P&Z and City Council to control uses **to protect our property.** The job of our public servants is to **protect our homes** from flooding and to ensure compatibility and conformity in new development and smart growth – not just high-density growth.

In closing, we are strongly opposed to any high-density residential development on the Nueva Vista Property. We appreciate any consideration given to our concerns regarding the proposed development of Nueva Vista Golf Course. Please contact me if you have any questions or comments.

Respectfully submitted,

Keith Barlow, ARA, MAI

PUBLIC NOTICE

The **Planning and Zoning Commission** of the City of Midland, Texas will hold a public hearing at **3:30 p.m.** on **Monday**, **August 16, 2021,** in the Council Chambers, City Hall, 300 N. Loraine, Midland, TX 79702, and via video conference on a request by **B&H Equity Investments, LLC** for approval of a **Zone Change** on the following described property:

LEGAL DESCRIPTION: On a 223-acres tract of land located in Lot 1, Block 21, Grassland Estates, Section 16, City and County of Midland, Texas.

LOCATION: Generally located on the southwest corner of the intersection of W. Wadley Avenue and Callaway Drive. (Council District 4)

PROPOSED ZONING: From: AE, Agricultural Estate District
To: PD, Planned Development District for a Housing Development and Office Center

Not to be considered a part of the Public Notice: 1) See reverse side for location map; 2) In order to be considered as an official objection to this request a response **must be submitted by mail or delivered *in writing*** to the Planning Division at the address listed above. An official objection may be filed by completing this notice and returning it to the address listed above.

I object to this request X **Comments:** This neighborhood is already congested. More cars will only make air pollution worse.

To the P&Z Board

I have questions ???

(1) How many people are for this zone change that live in the neighborhood? How many against? We live here!!!

(2) Are those of you on the Board serving the people that live in the neighborhood or for those that want to come in and change our landscape?

For those of us that live around the golf course, which is a public course, it is not our fault that the golf course is not profitable. (Let the buyer be ware)

(3) Who is going to pay for the drainage issues that arise out of this debacle? More houses, concrete, & streets, water has to go somewhere!!! Don't want it in my house!!!

(4) What about our home values? especially those of us that back up to the course? Don't care to look at rear houses!!! or a 20' wall!!!

(5) Are y'all looking at increasing the TAX BASE to have more revenue that will be squandered? If so, why do it at the expense of the residents?

Putting in more houses on this property is not a good idea!!! Leave it as IS please.

RE: **<u>Opposition</u> to zoning change and development of Nueva Vista Golf Course**
Case Number: Z-21-0235
Case Name: Presidential Estates

TO: Midland Planning Division

Elizabeth Shaughnessy
Planning Division Manager
Department of Development Services

AUG 1 0 2021
BY: .....

and

Planning and Zoning Commission of the City of Midland

FROM: Keith and Margie Barlow
5817 Grassland CT (a/k/a Grassland Boulevard)
Midland, Texas 79707-5030

My wife and I live on the corner of Grassland & Callaway. Nueva Vista Golf Course is due west and due south of our home. We purchased our lot and built our home in 2001, and we selected this lot since we liked the conformity of the residential development found in the Grassland neighborhood and the open space provided by Nueva Vista Golf Course.

We oppose any high-density development on the Nueva Vista Golf Course property. There are many issues concerning the proposed development including enhanced drainage issues, loss of green space, intrusion and/or alteration of established wetlands, higher density development, and excess traffic in to and through Grassland Estates. We are primarily concerned about the following factors:

- **Storm Drainage Problems.**
- **Changing Conformity and Character of Our Neighborhood.**

<u>Drainage</u>

It was my impression early on that Nueva Vista Golf Course was developed where it is since it **<u>contains two (2) playa lakes and associated low areas.</u>** We are very concerned about flood drainage and floodwater retention. Our lot was engineered to be one (1) foot above the flood level, so we are worried about the addition of a several hundred more rooftops with associated driveways, sidewalks, hardscape, alleys and streets that facilitate more runoff. We have seen flood waters cross over the 6th, 10th, 11th, and 12th fairways, as well as the driving range and areas surrounding the green for hole No. 2 on numerous occasions.

I am not familiar with the current drainage plan for the total area, but one can follow drainage ditches and large concrete culverts from Nueva Vista going under SH 191, through commercial and apartment developments and going into Legends residential development – a high density residential development. It appears that runoff from rainfall flowing into the lakes and low areas of the Nueva Vista Golf Course property is collected from SH 191 and Loop 250, Grande Football Stadium, Rockhounds Ballpark, commercial uses including HEB and Sam's along with large and small office buildings with paved parking lots and parking garages, numerous motels and apartments. The existing drainage improvements already serve hundreds of residential properties in Grassland Estates and Grassland West. In summary, the flood retention areas of Nueva Vista Golf Course appear to be <u>used to their capacity.</u>

Lack of Conformity and Changing Character of Our Neighborhood

A vast majority of lots in Grassland Estates and Grassland West are zoned SF-1 which has a minimum lot area of 9,000 square feet. The primary zoning classifications on early designs for the development of Nueva Vista Golf Course were comprised of predominantly small lots with much higher-density zoning classifications:

- SF-2 which has minimum lot area of 7,000 square feet.
- TH which has a minimum lot area of 2,500 square feet.

Based on recent developments in Midland, the subdivision plan for SF-2 and TH will probably not have alleys for the purpose of *increasing* the density. It does not appear that any alleys were shown on a color version of the proposed subdivision plat for Nueva Vista.

At this time, we do not know how many more houses will be added to the neighborhood by the proposed development, and the traffic flow plan is unclear. A proposed subdivision plan for the Nueva Vista property resembled a high-density subdivision with similar to smaller lots of Los Patios (SF-2 and TH) or Legends (SF-3), *unlike* the adjoining neighborhoods of Grassland Estates and Grassland West with larger lots (primarily SF-1). We ask that strong consideration be given to expanding the use of SF-1 lots, along with consideration to incorporating the use of Country Estate ("CE") lots in the subdivision plan.

Soloman Estates and Concho Estates have been built out as quality neighborhoods with larger dwellings – more similar to the homes in Grassland Estates and Grassland West. A less dense subdivision such as one involving CE lots would require fewer public improvements and lower costs per lot for development where drainage issues could be more easily mitigated. Also, some of the open space appeal of the Nueva Vista Golf Course could be maintained.

On May 17, 2021, P&Z approved SF-1 zoning for Grassland West – a continuance of conforming uses of an adjoining and existing development. Most of the zoning was for SF-1 while two (2) tracts on Wadley were zoned RR. This is a good continuation of existing zoning (SF-1) and conformity with existing uses, with a transition to retail on Wadley. A consideration for the development of Nueva Vista could be similar with office sites on Wadley similar to the properties in the 5800 block of West Wadley, with the rest of land zoned SF-1, along with special consideration to flooding issues.

Homeowners in Midland give power to P&Z and City Council to control uses **to protect our property.** The job of our public servants is to **protect our homes** from flooding and to ensure compatibility and conformity in new development and smart growth – not just high-density growth.

In closing, we are strongly opposed to any high-density residential development on the Nueva Vista Property. We appreciate any consideration given to our concerns regarding the proposed development of Nueva Vista Golf Course. Please contact me if you have any questions or comments.

Respectfully submitted,

Keith Barlow, ARA, MAI

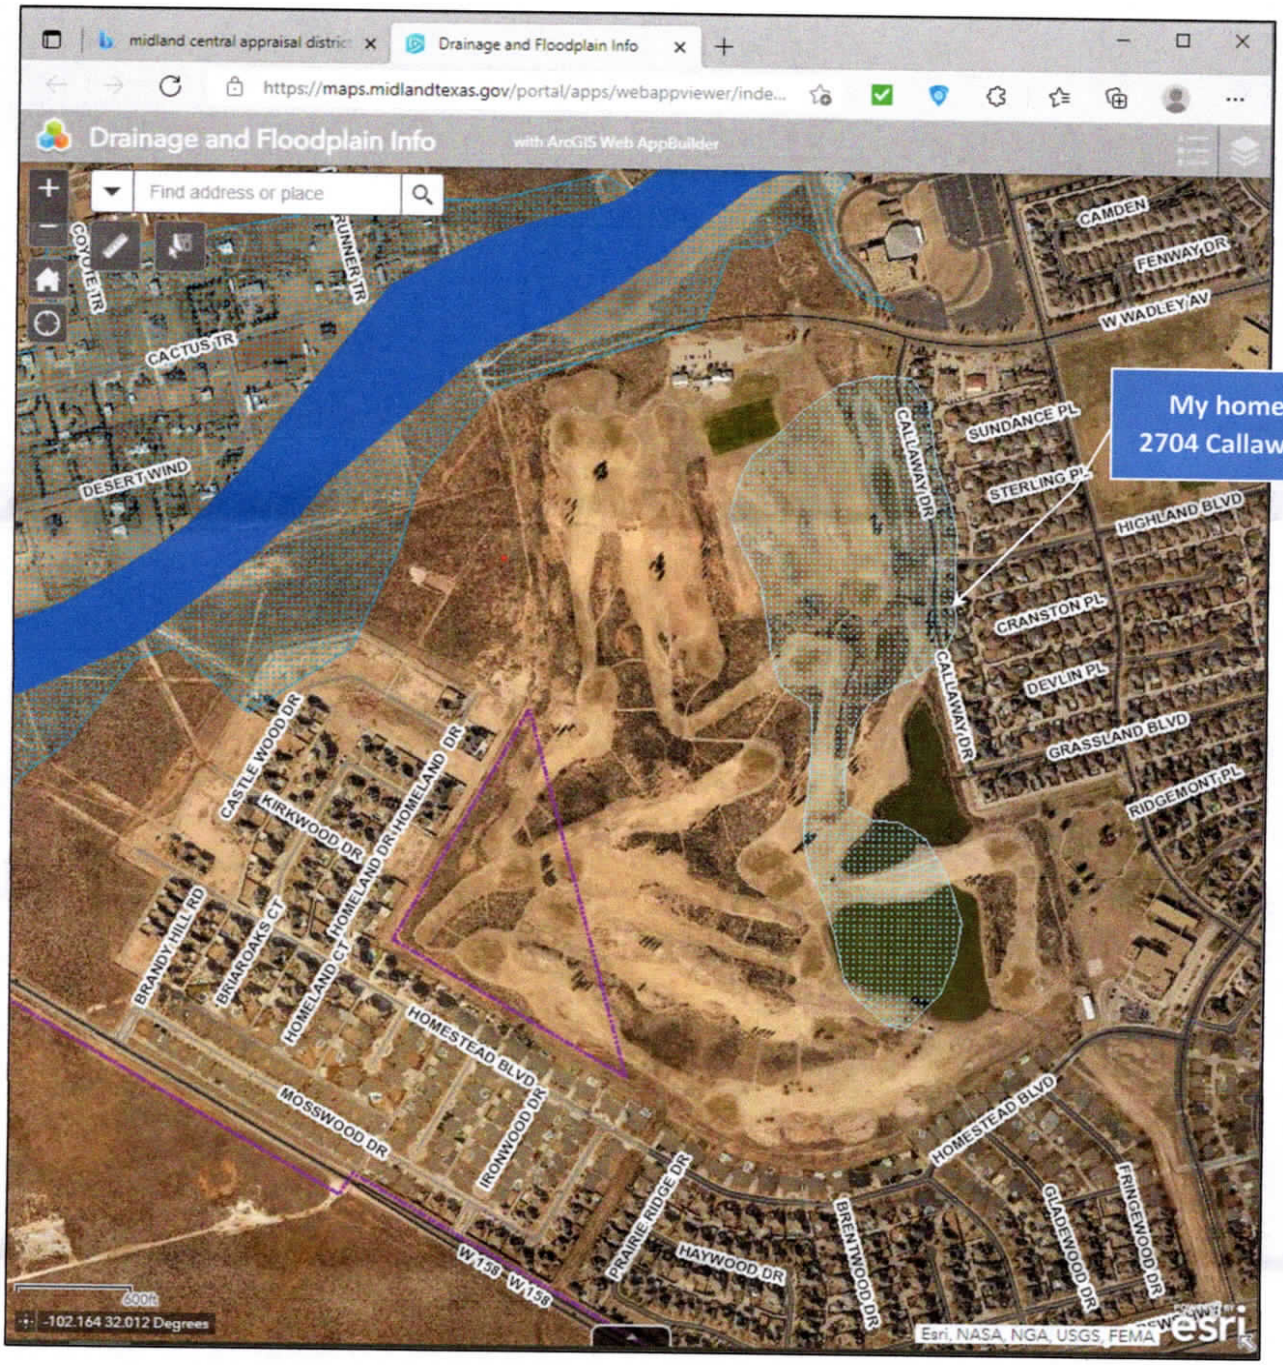
Planning and Zoning Commission
City of Midland, Texas
300 N. Loraine, Midland, TX 79702

Dear Planning and Zoning Members:

I believe that the proposed zoning change to Nueva Vista Golf Course be **denied**, and that future zoning changes include adequate flood control plans. Those plans must include the interest of residents in the adjacent neighborhoods of Grassland Estates and Grassland Estates West. The Nueva Vista Golf course is a unique property because its' retention ponds are vital to maintaining the drainage needs of these adjacent neighborhoods. Any land usage designation that allows for additional development at Nueva Vista Golf Course increases the risk of flooding unnecessarily to these adjacent neighborhoods. I ask that the proposed zoning request be **REJECTED** and the drainage needs of existing properties be the primary concern of any future Nueva Vista Golf Course zoning request.

The recent June 2021 rain event, totaling 4.47 inches is evidence of how critical the Nueva Vista retention ponds are to the adjacent neighborhoods. The photos included are from the Midland Report Telegram's website showing the effects of heavy rainfall during this recent June event. It is not uncommon that the retention ponds are totally dry. You can see from the photos the massive volume of water captured in these retention ponds. The photos reveal water outside the boundaries of the existing retention ponds. Utility buildings on the golf course flooded and water can be seen spilling over from one pond into a lower elevation pond. The Midland County flood control map shows a flood control outline that is approximately 40% of the golf course surface area. This flood outline includes homes in Grassland Estates and my home falls within this flood control boundary. We have lived in Grassland Estates since 2003 and it's impossible for us to imagine where this massive volume of water would flow in the event these retention ponds are eliminated or reduced in size.



These concerns have been with us since we first heard of the potential development of Nueva Vista Golf Course but have been magnified since the colossal rain event in June. To say this proposal is deeply concerning is an understatement. Thank you for your consideration and attention to our concerns.

Sincerely,

Thomas Lynn Beebe

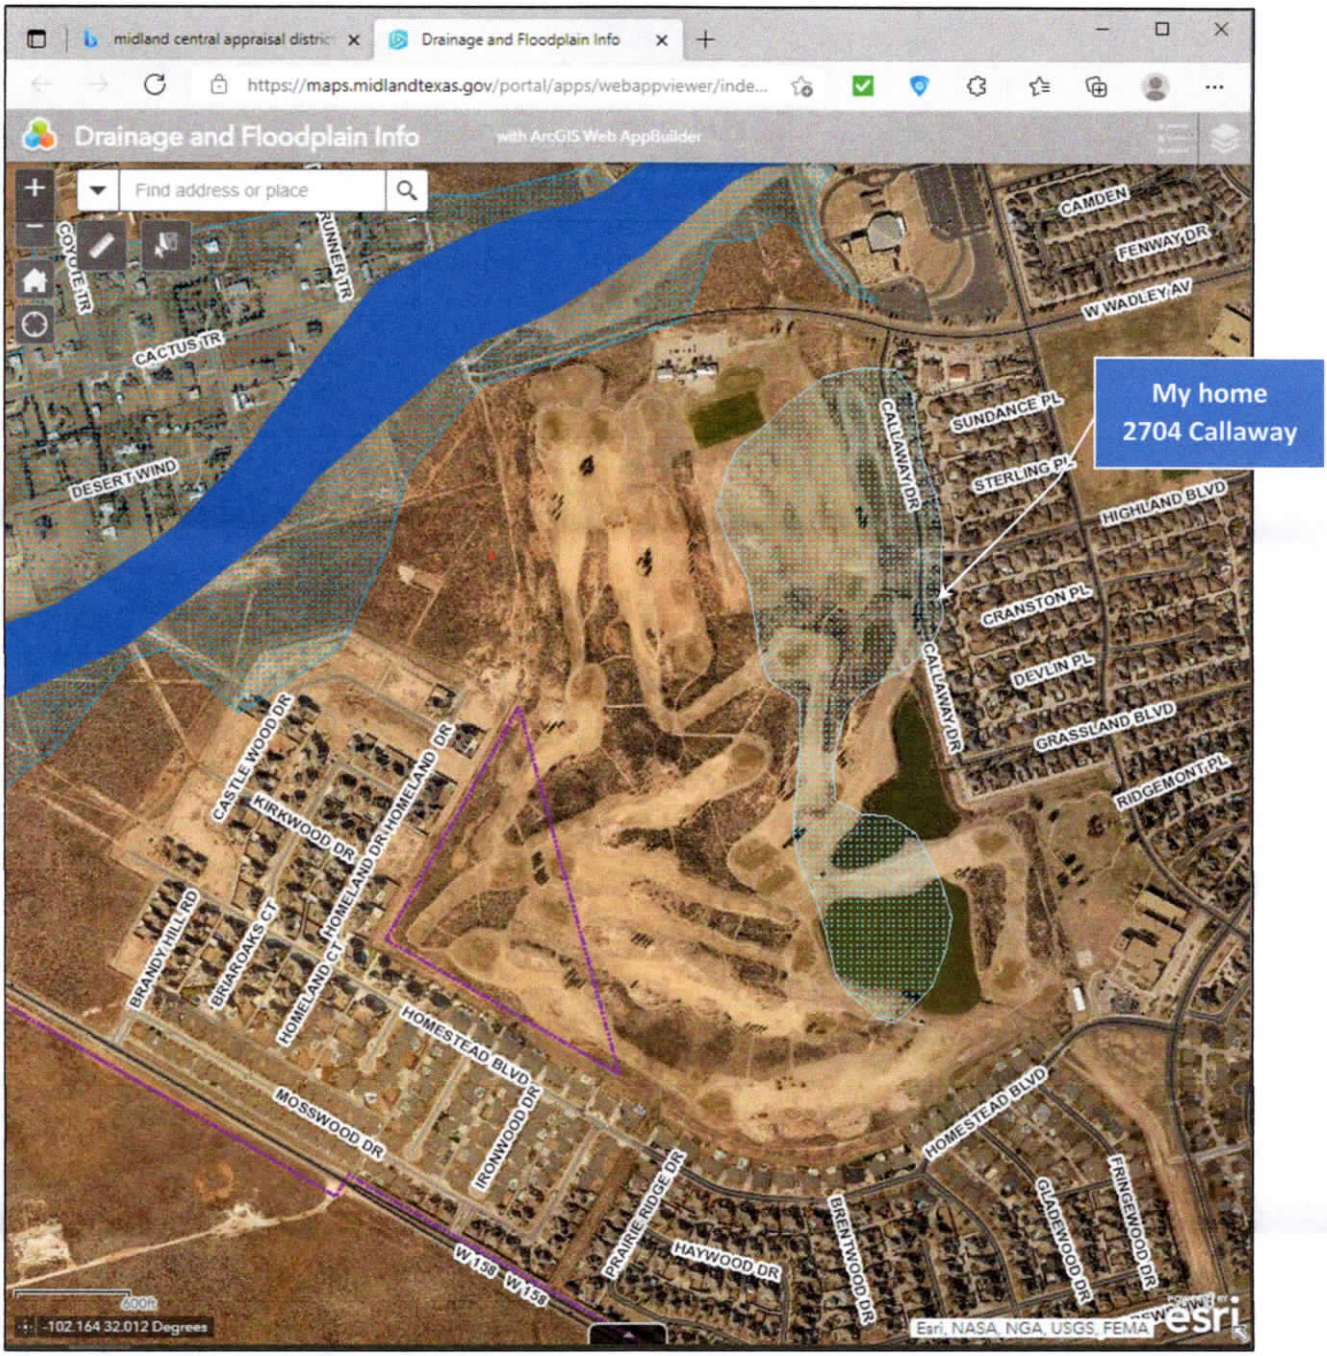
The photos included are from the Midland Report Telegram's website showing the effects of heavy rainfall during this recent June event. It is not uncommon that the retention ponds are totally dry. You can see from the photos the massive volume of water captured in these retention ponds. The photos reveal water outside the boundaries of the existing retention ponds. Utility buildings on the golf course flooded and water can be seen spilling over from one pond into a lower elevation pond. The Midland County flood control map shows a flood control outline that is approximately 40% of the golf course surface area. This flood outline includes homes in Grassland Estates and my home falls within this flood control boundary. We have lived in Grassland Estates since 2003 and it's impossible for us to imagine where this massive volume of water would flow in the event these retention ponds are eliminated or reduced in size.

These concerns have been with us since we first heard of the potential development of Nueva Vista Golf Course but have been magnified since the colossal rain event in June. To say this proposal is deeply concerning is an understatement. Thank you for your consideration and attention to our concerns.



Sincerely,

Thomas Lynn Beebe

I object to this request ✓ **Comments:** Land is in 100 yr Flood Plain - Losing Golf Course & Rangeland would be too many to lose. Midland Growing, needs Golf Courses. Property Value Loss. Plenty of other Land to develop. Built houses here with understanding Golf Course would stay — not more development

NW Wadley Ave

W Wadley Ave

City Council Meeting

Item Number: 42

Meeting Date: November 16, 2021

To: City Council / City Manager

From: Elizabeth Shaughnessy, Planning Division Manager

Subject: **Motion approving with staff's recommended conditions a proposed Preliminary Plat of Grassland Estates Addition, Section 25, being a re-plat of Lot 1, Block 21, Grassland Estates, Section 16, City and County of Midland, Texas. (Generally located on the southwest corner of the intersection of W. Wadley Avenue and Callaway Drive - DISTRICT 4) (DEVELOPMENT SERVICES)**

Purpose:

The applicant, Midland-Odessa Golf Corp., is requesting to re-plat Lot 1, Block 21 Grassland Estates, Section 16, City and County of Midland, Texas into a mixed-use housing and local retail development.

Recommended City Council Action:

Deny

Fiscal Impact:

This request does not require any City funds.

Discussion:

Current Zoning:

AE, Agricultural Estate District.

This request has been routed to all respective departments for internal review. The comments are below.

BUILDING CODE: (Approved)

No issues. All future structures must adhere to the 2018 International Building Codes, the 2015 International Energy Code, the 2020 NEC requirements, the 2015 International Fire Codes, local city ordinances, zoning requirements, established setbacks, and floodplain requirements if necessary.

SURVEYOR: (Approved)

No comments.

ENGINEERING: (Denied)

*** Denied because a preliminary drainage report needs to be submitted and an initial review needs to be conducted to ensure that the big picture drainage concept complies with City of Midland Stormwater Design Manual.

Per Midland City Code Sect. 11-2-3(D)8:

"Standards for approval. No preliminary plat shall be approved by the commission or by the Council unless the following standards have been met:

(a) A preliminary drainage plan has been approved by the City engineer. The city engineer may approve a preliminary drainage plan which does not include information in sufficient detail to determine whether public street, alley and drainage improvement plans which will be submitted later will conform to all usual standards, but the lack of such detailed information shall result in approval of the preliminary plat being conditioned as described in paragraph 13 below, whether such condition is or is not explicit in the commission or Council's action.
(b) The plat conforms to applicable zoning and other regulations.
(c) The plat meets all other requirements of these regulations, subject to approval of variances."***

IMPACT FEES: Note has been provided on plat face.

ROW: Label internal streets as "private streets".

PAVING: Paving is to be private.

WATER: Install public water infrastructure in accordance with City of Midland Standards. Public infrastructure much be installed and accepted prior to Final Plat.

FIRE HYDRANTS: Required as needed to meet NFPA, IFC & City Fire Code; and/or comply with directives of City Fire Marshal. After January 14, 2020 - Fire hydrants shall be spaced no more than 500' apart, Pressure Indicator Rings are to be installed and will require the developers/contractors to pay for the flow test.

PRO RATA: None

SEWER: Install public wastewater infrastructure according to City of Midland Standards. Public infrastructure much be installed and accepted prior to Final Plat.

DRAINAGE: Drainage Report required per Midland City Code Sect. 11-2-3(D)8.

EASEMENTS: Show existing and proposed.

SIDEWALKS: Required with building permit.

DIMENSION: * * *

OTHER: * * * All public infrastructure improvements and plat to comply with City of Midland – Engineering Services, Fire Department & Utilities Policy Statement – City Standards & Development Requirements. (Found on-line at: http://www.midlandtexas.gov/DocumentCenter/View/2625)

New City standard details can be found on-line at: http://www.midlandtexas.gov/DocumentCenter/View/4278/City-of-Midland-Standard-Details.

TRANSPORTATION: (Denied)

Denied because comment from previous site plan review (Z-21-0235) was not addressed and this impacts the layout of the street network. Previous comment repeated: “The City's coordination efforts between this project and Grasslands West determined that Grasslands West's easternmost roadway will be a cul-de-sac and not connect to Wadley. Therefore, the western roadway in this project must connect to Wadley as shown and a public street cross-connection between the two projects must be provided south of Wadley and north of any access gate, as previously discussed with the Applicant.”

Per Midland City Code Sect. 11-2-5(C)3(a): "General. In order to provide for streets of suitable location, width, and improvement to accommodate prospective traffic and afford satisfactory access to police, firefighting, sanitation, and street maintenance equipment, and to coordinate streets so as to comprise a convenient system and avoid undue hardships to adjoining properties, an adequate street and thoroughfare system within and abutting the subdivision and providing access thereto shall be designed and improved in accordance with the standards set forth in these regulations, together with those contained in the major thoroughfare plan, the comprehensive plan and the City of Midland standard specifications, as adopted or amended from time to time by the Council."

Also reference:

--- City Code Sect. 11-2-5(A)3(c): “Streets. Proposed streets shall provide a safe, convenient and functional system for vehicular and pedestrian circulation and shall be properly related to the City's major thoroughfare plan and the comprehensive plan and any amendments thereto and shall be appropriate for the particular traffic characteristics of each proposed subdivision

or development."

--- City Code Sect. 11-2-5(C)3(o): "Continuity… In general, the street system shall provide for the normal circulation of traffic with adequate spacing and continuity of streets to perform their functions, but collector and minor streets shall not be so long as to encourage through traffic. Streets serving all one- and two-family zoned areas of a neighborhood shall connect to the neighborhood collector street system for access to schools, parks and other community facilities."

--- Tall City Tomorrow Comprehensive Plan, Chapter 5 (Transportation) – Goal #2 (pg 116) – "Provide a transportation system that is safe, convenient, and offers a variety of interconnected modes." "The design of streets and the level of connectivity those streets have plays a major role in ensuring a safe and convenient system. A truly unified city requires good connections among neighborhoods and destinations centers. Alternative local links also reduce dependence on major arterials like Big Spring Street for local traffic movement."

--- Tall City Tomorrow Comprehensive Plan, Chapter 5 (Transportation) – Initiatives and Policies #2 (pg 119) – "Establish Street connectivity standards" "Street connectivity benefits all parts of the system. Alternative routes for shorter trips indirectly increases the capacity of arterial streets for more regional or cross-city traffic. More options also means better quiet street opportunities for pedestrians and bicyclists and improved delivery of emergency services…. To improve connectivity between neighborhoods and improve emergency response, the number of entry points should be based on the number of lots, and where available alleys should continue to be used for the trash collection, parking, and access management."

FIRE: (Approved)

Future development shall meet all requirements of IFC 2015 ed. and local ordinances

CODE COMPLIANCE: (Approved)

No Oil or Gas wells identified within 500 ft. permitted well radius or in the 135 ft. non-permitted well radius of location on plat. Please note if oil & gas wells are not identified or left off of plat, this could prevent receiving city permits for structures. Any plugged and abandoned well would need to be identified.

GIS: (Approved)

The existing street Highland Boulevard and the proposed street Policy Way will share the same intersection at Callaway Drive. We recommend that Policy Way should be named Highland Boulevard to prevent any confusion.

PLANNING: (Approved with Conditions)

Lots in this preliminary plat do not conform to the minimum lot area of two acres and the required lot dimensions of the present AE, Agricultural Estate District. *See* Midland City Code §

§ 11-1-5.02, 11-1-5.04.

“No preliminary plat shall be approved by the commission or by the Council unless the following standards have been met: …The plat conforms to applicable zoning and other regulations.” Midland City Code § 11-2-3(D)8(b).

“A preliminary plat which is dependent, for conformance with this Chapter or the comprehensive plan, upon changes in existing zoning districts may be considered by the commission concurrently with its consideration of such zoning district changes. **If the commission makes a recommendation to the Council that the needed zoning district changes be approved, it may then consider and approve the preliminary plat, conditioned upon later zoning approval by the Council.** Following conditional approval by the commission, if the preliminary plat is one that requires Council approval, it shall be forwarded for Council consideration along with the needed zoning district changes. If the commission recommends that the needed zoning district changes be disapproved, the commission shall disapprove the preliminary plat, citing as its basis the lack of conformity of the proposed plat to the existing zoning districts and this Chapter, and the plat shall not be further considered unless the Council subsequently approves the needed zoning district changes. In the event of such subsequent zoning approval within a period of 90 days following the commission's disapproval of the proposed plat, the developer shall be entitled to file the preliminary plat for reconsideration by the commission, and no additional plat review fee shall be charged for the refiling.” Midland City Code § 11-2-3(D)9.

The preliminary plat does not show the owner’s certificate and acknowledgment, which is a requirement for approval of the final plat. “The final plat shall contain all of the information required for plats, as specified in Section 11-2-3(A). In addition, the application shall be accompanied by the following:..Certificates to be placed on plat as applicable: **Owner's certificate** (to be placed on plat), which must be acknowledged by the owner(s) of the property in the same manner as deeds as required by V.T.C.A., Property Code § 12.001, as amended. Acknowledgments may be modified to reflect the type of individual or entity who has an ownership interest in the property and the capacity in which a person is signing, e.g., partner, officer of corporation, etc. A separate acknowledgment should be made for each person signing. A separate acknowledgment need not be done for the same person signing in various capacities (i.e., both individually and as a corporate officer) if the signature block and acknowledgment indicate all capacities in which the person is signing. Midland City Code § 11-2-3(H)3(m)1.

The preliminary plat does not show the surveyor’s certificate, which is a requirement for approval of the final plat. “The final plat shall contain all of the information required for plats, as specified in Section 11-2-3(A). In addition, the application shall be accompanied by the following:..Certificates to be placed on plat as applicable**: Surveyor's certificate.” Midland City Code** § 11-2-3(H)3(m)2.

The preliminary plat does not show the certificate of approval by the City planning and zoning commission, which is a requirement for approval of the final plat. “The final plat shall contain all of the information required for plats, as specified in Section 11-2-3(A). In addition, the application shall be accompanied by the following:..Certificates to be placed on plat as

applicable: **Certificate of approval by the City planning and zoning commission** (to be placed on plat).” Midland City Code § 11-2-3(H)3(m)3.

The preliminary plat does not show the utility company's certificate, which is a requirement for approval of the final plat. “The final plat shall contain all of the information required for plats, as specified in Section 11-2-3(A). In addition, the application shall be accompanied by the following:..Certificates to be placed on plat as applicable**: Utility company's certificate (to be placed on plat)**”. Midland City Code § 11-2-3(H)3(m)4.

The preliminary plat does not identify the proposed uses of lots and restrictive covenants that apply to common area, which is a requirement for approval of the preliminary plat. “The proposed preliminary plat shall conform to the following standards and shall contain the following information in addition to the requirements specified in Section 11-2-3”…**Proposed use of lots and restrictive covenants, if any common area is proposed**.” Midland City Code § 11-2-3(D)4(c).

The preliminary plat does not contain the dimensions of the proposed lots and blocks, nor block numbers, which is a requirement for approval of the preliminary plat. “The proposed preliminary plat shall conform to the following standards and shall contain the following information in addition to the requirements specified in Section 11-2-3:…**Layout, numbers and approximate dimensions of lots and blocks**.” Midland City Code § 11-2-3(D)4(h).

This proposed plat is greater than 25 acres, which qualifies it to be approved by City Council. “Approval by the Council shall be required prior to consideration of a final plat by the commission for any preliminary plat which…**Is ten hectares (25 acres) or more in area** and is located in any survey section (approximately one square mile) which does not contain a publicly owned site or sites intended for both a public school and park, or public site reservation therefor.;” Midland City Code § 11-2-3(D)11(a)6

Remove topographic details from the face of the plat.

Provide a section for the plat recordation information.

This request was approved at the October 18, 2021, Planning and Zoning Commission meeting, with a 3-2 vote and one abstention.

Staff recommends denial of the preliminary plat of Grassland Estates Addition, Section 25 provided however, that if it is approved, staff recommends that it should be subject to conditions A through F.

Conditions:

A. Approval of this preliminary plat is conditioned upon the City Council finally approving a zoning district change for the subject property that will result in this preliminary plat conforming to all applicable zoning regulations, including minimum lot area and dimension regulations. *See* Midland City Code §§ 11-1-5.02, 11-1-5.04, 11-2-3(D)8(b), 11-2-3(D)9.

B. Approval of this preliminary plat is conditioned upon it identifying the proposed uses of lots and restrictive covenants that apply to common areas. *See* Midland City Code 11-2-3(D)4(c).

C. Approval of this preliminary plat is conditioned upon it containing the layout, numbers and approximate dimensions of lots and blocks." Midland City Code § 11-2-3(D)4(h).

D. Approval of this preliminary plat is conditioned upon the approval preliminary drainage plan by the City Engineer. *See* Midland Code § 11-2-3(D)8(a).

E. Approval of this preliminary plat is conditioned upon an approved transportation network offering a variety of interconnected modes, including a transportation system that is safe, convenient, and functional for vehicular and pedestrian circulation. *See* Midland Code § 11-2-5(A)3(c), Tall City Tomorrow Comprehensive Plan, Chapter 5 (Transportation) – Goal #2 (pg 116).

F. Approval of this preliminary plat is conditioned upon adequately design streets in where they are suitably location, provide accurate widths, and improvement to accommodate prospective traffic and afford satisfactory access to police, firefighting, sanitation, and street maintenance equipment, and to coordinate streets so as to comprise a convenient system and avoid undue hardships to adjoining properties are meet. *See* Midland Code § 11-2-5(C)3(a), City Code Sect. 11-2-5(C)3(o).

City Council Meeting

Item Number: 43

Meeting Date: November 16, 2021

To: City Council / City Manager

From: Jamie Radcliff, Budget Manager

Subject: AN ORDINANCE MAKING CERTAIN AMENDMENTS TO THE 2020-2021 FISCAL YEAR BUDGET SO AS TO INCREASE AMOUNTS APPROPRIATED TO CERTAIN FUNDS (DISTRICT: NONE) (FINANCE)

Purpose:

Adopt budget amendments to three Special Revenue Funds in Fiscal Year 2021 due to unforeseen circumstances

Recommended City Council Action:

Approve

Fiscal Impact:

This ordinance will ratify expenditures made by certain governmental funds above their originally adopted budget. These funds are sometimes difficult to forecast, due to the nature of the requirements placed upon them. The total amount of proposed amendments is $225,370. All funds have a sufficient cash balance.

Discussion:

Please see the attached memo from the Finance Department for a further explanation of the funds affected and the financial details.

ORDINANCE NO. _____

AN ORDINANCE MAKING CERTAIN AMENDMENTS TO THE 2020-2021 FISCAL YEAR BUDGET SO AS TO INCREASE AMOUNTS APPROPRIATED TO CERTAIN FUNDS

WHEREAS, expenditures in certain governmental funds exceeded the original estimates in the budget for the 2020-2021 fiscal year; and

WHEREAS, the Council finds it to be in the public interest to amend the 2020-2021 budget as necessary to meet unforeseen conditions that could not by reasonably diligent thought and attention have been included in the original budget for the 2020-2021 fiscal year;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MIDLAND, TEXAS;

THAT in accordance with Texas Local Government Code section 102.009, the official municipal budget for the fiscal year 2020-2021 is hereby amended by increasing amounts appropriated to certain funds from the Unappropriated Fund Balance for the fiscal year ending September 30, 2021, as follows:

Increasing Budget Authority

Police Technology & Equipment Fund (075).. . . . . $94,641.00;

Parks Donation and Special Purpose Fund (077). $74,449.00;

Debt Service Fund (100).. . . . . $56,281.00.

Said budget schedule is on file with the office of the City Secretary referenced by the date and number of this Ordinance.

The above and foregoing ordinance was duly proposed, read in full and adopted on first reading, the _____ day of _____, A.D., 2021; and passed to second reading on motion of Council member _____, seconded by Council member _____, by the following vote:

Council members voting "AYE":

Council members voting “NAY”:

The above and foregoing ordinance was read in full and finally adopted by the following vote upon motion of Council member _____, seconded by Council member _____, on the _____ day of _____, A.D., 2021, at a regular meeting of the City Council:

Council members voting “AYE”:

Council members voting “NAY”:

PASSED AND APPROVED THIS _____ day of _____, A.D., 2021.

_____
Patrick N. Payton, Mayor

ATTEST:

_____
Amy M. Turner, City Secretary

APPROVED AS TO CONTENT AND COMPLETENESS:

_____
Christy Weakland, Director of Finance

APPROVED ONLY AS TO FORM:

_____
John Ohnemiller, City Attorney

TO: **The Honorable Mayor and Members of the City Council**

FROM: **Jamie Radcliff, Budget Manager**

SUBJECT: **Year End Budget Amendments**

DATE: **November 16, 2021**

Appropriations are needed for the following funds:

Fund#	Fund Name	Adopted Budget	FY21 Expenses	Budget Amendment	Cash Balance
075	Police Tech and Equip	$85,600	$180,241	$94,641	$280,197
077	Park Donation and Special Purpose	$170,000	$244,449	$74,449	$2,165,733
100	Debt Service	$11,801,520	$11,857,801	$56,281	$1,934,398

Police Technology & Equipment is used to account for funds received from private organizations or individuals specifically for law enforcement related technology and equipment. Such funds are used solely for law enforcement purposes. The funds were used for ballistic vests and rifles for police officers.

Park Donation & Special Purpose Fund is used to account for funds received from private organizations, individuals, and oil lease money generated from park land. Such funds are used solely for park related development. The funds used here were for the Community Services Department Irrigation and Sod Project, for irrigation design and sod evaluation for four city parks.

****Governmental Debt Service Fund** accumulates revenue from the property tax levy. The overage was due to costs of issuance for the 2021 Certificate of Obligation.

City Council Meeting

Item Number: 44

Meeting Date: November 16, 2021

To: City Council / City Manager

From: Justine Ruff, Director

Subject: AN ORDINANCE AMENDING TITLE XIII, "AIRPORTS", CHAPTER 2, "AIRPORT REGULATIONS", OF THE CITY CODE OF MIDLAND, TEXAS, BY ESTABLISHING SECTION 21, "CUSTOMER FACILITY CHARGE", SO AS TO AUTHORIZE THE IMPOSITION OF A CUSTOMER FACILITY CHARGE TO BE PAID BY EACH PERSON RENTING A MOTOR VEHICLE FROM AN ON-SITE VEHICLE RENTAL CONCESSIONAIRE; CONTAINING A CUMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; ORDERING PUBLICATION; AND ESTABLISHING AN EFFECTIVE DATE OF FEBRUARY 1, 2022 (DISTRICT 4) (AIRPORTS)

Purpose:

AN ORDINANCE AMENDING TITLE XIII, "AIRPORTS", CHAPTER 2, "AIRPORT REGULATIONS" OF THE CITY CODE OF MIDLAND, TEXAS, BY ESTABLISHING SECTION 21, "CUSTOMER FACILITY CHARGE" SO AS TO AUTHORIZE THE IMPOSITION OF A CUSTOMER FACILITY CHARGE TO BE PAID BY EACH PERSON RENTING A MOTOR VEHICLE FROM AN ON-SITE VEHICLE RENTAL CONCESSIONAIRE; CONTAINING A CUMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; ORDERING PUBLICATION; AND ESTABLISHING AN EFFECTIVE DATE OF JANUARY 1, 2022.

Recommended City Council Action:

Approve

Fiscal Impact:

TBD

Discussion:

In the Spring of 2020, the Department of Airports began investigating the possibility of building a Consolidated Rental Car Facility (ConRAC) at MAF. ConRACs were developed in the mid-1980s in an effort to take advantage of financial, environmental, and land-use benefits associated with consolidating all of the rental car agencies' operations into one facility. ConRACs are an extension of the airport and the customer experience, and also serves as the gateway to the area as they are typically viewed as the first experience for the arriving customer and the last experience for the departing customer. ConRACs alleviate congestion and frustration at the airport by creating a consolidated operation that provides a high level of customer service through intuitive wayfinding and providing a safe and secure environment. Additional benefits include much improved rental car operational efficiencies which equate to improved service and increased revenue. The project now involves investigating the cost of a multi-story parking garage with a Consolidated Rental Car Facility on the bottom floors and additional public parking on the higher levels.

Many airports use a Customer Facility Charge to help with the maintenance and financing of such a facility. This Ordinance will collect a $3 per transaction/day Customer Facility Charge (CFC) from customers renting vehicles. The $3 per transaction/day fee will be collected by rental car companies on behalf of the City from Airport customers renting vehicles. The fees collected will initially be used to complete more analysis to determine the most appropriate steps to build a ConRAC at MAF. The $3 rate will be included and adjusted in the City of Midland Rates and Charges Ordinance.

Tina Gaug

City Manager's Office

ORDINANCE NO. _____

AN ORDINANCE AMENDING TITLE XIII, "AIRPORTS", CHAPTER 2, "AIRPORT REGULATIONS", OF THE CITY CODE OF MIDLAND, TEXAS, BY ESTABLISHING SECTION 21, "CUSTOMER FACILITY CHARGE", SO AS TO AUTHORIZE THE IMPOSITION OF A CUSTOMER FACILITY CHARGE TO BE PAID BY EACH PERSON RENTING A MOTOR VEHICLE FROM AN ON-SITE VEHICLE RENTAL CONCESSIONAIRE; CONTAINING A CUMULATIVE CLAUSE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; ORDERING PUBLICATION; AND ESTABLISHING AN EFFECTIVE DATE OF FEBRUARY 1, 2022

WHEREAS, the City of Midland (the "*City*") owns and operates the Midland International Air & Space Port (the "*Airport*") and may enter into agreements for the use of Airport facilities with certain entities ("*On-Site Vehicle Rental Concessionaires*") for the privilege of operating vehicle rental concessions at the Airport, and may place restrictions and establish certain fees and charges related to the use of Airport facilities; and

WHEREAS, the City seeks to study and investigate certain improvements to current facilities occupied by On-Site Vehicle Rental Concessionaires and the proposed construction of a Consolidated Rental Car Facility ("*ConRAC*") on City-owned land at the Airport for the purpose of combining all functional components of On-Site Vehicle Rental Concessionaire operations into a single facility; and

WHEREAS, the improvements to current Airport facilities and the construction of a ConRAC at the Airport (collectively, the "*Improvements*") will alleviate traffic congestion at the Airport, preserve Airport infrastructure, and expand beneficial and convenient vehicle rental services to users of the Airport; and

WHEREAS, the City intends to fund all or a portion of the study, design, construction, operations, management, and maintenance of the Improvements through the imposition of a Customer Facility Charge (the "*CFC*") to be paid by each person renting a motor vehicle from an On-Site Vehicle Rental Concessionaire at Midland International Air & Space Port, and which shall be collected by the On-Site Vehicle Rental Concessionaires and remitted to the City; and

WHEREAS, the Council finds it to be in the public interest to amend Title XIII, "Airports", Chapter 2, "Airport Regulations", of the City Code of Midland, Texas, in order to authorize the imposition of a Customer Facility Charge to be paid by each person renting a motor vehicle from an On-Site Vehicle Rental Concessionaire;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MIDLAND, TEXAS:

SECTION ONE. That Title XIII, "Airports", Chapter 2, "Airport Regulations", of the City Code of Midland, Texas, is hereby amended by adding Section 21, "Customer Facility Charge", which shall read as follows:

13-2-21. Customer Facility Charge.

(A) Definitions. As used in this Section:

1. *ConRAC* means a consolidated rental car facility.
2. *Customer Facility Charge (CFC)* means a user fee imposed on a transactional basis on a person renting a motor vehicle from an on-site vehicle rental concessionaire at Midland International Air & Space Port. The total CFC assessed per transaction shall be a product of the transaction days that are subject to agreement between the person and the on-site vehicle rental concessionaire. The CFC does not constitute income, revenue, or assets of the on-site vehicle rental concessionaire, and is, at all times, property of the City of Midland.
3. *On-Site Vehicle Rental Concessionaire* means any person, association, corporation, entity or other organization that enters into an agreement with the City of Midland for the purpose of occupying facilities located at Midland International Air & Space Port to offer motor vehicle rental concession services.
4. *Person* means any person, association, corporation, entity or organization that arrives at Midland International Air & Space Port and

enters into an agreement either (a) directly with an on-site vehicle rental concessionaire; or (b) with a third party, if such agreement with the third party was facilitated, arranged, or otherwise coordinated by an on-site vehicle rental concessionaire.

5. *Transaction Day* means a 24-hour period, or fraction thereof, that is subject to an agreement between a person and an on-site vehicle rental concessionaire.

(B) A Customer Facility Charge (CFC) is hereby established and shall be charged to each person renting a motor vehicle from an on-site vehicle concessionaire.

(C) Airport Manager; Powers and Duties.

1. The Airport Manager is authorized to implement and administer the CFC consistent with the provisions of this Ordinance and the City Code of Midland, Texas.

2. The Airport Manager may deem an on-site vehicle concessionaire that fails to comply with this Section in default of its agreement with the City of Midland, regardless of whether said agreement incorporates the provisions of this Section, and may recommend said agreement's termination to the City Council.

(D) On-Site Vehicle Concessionaire's Duties. An on-site vehicle concessionaire shall:

1. Charge and collect from each person the total amount of the CFC due under the agreement between the Person and the on-site vehicle concessionaire at the time the final number of transaction days are determined and shall list the CFC separately on the invoice, describing it as a "Customer Facility Charge";

2. Remit the total amount of the CFC to the City on a monthly basis, and not later than the 15th day of the month following the month in which

the CFC is paid by the person, along with supporting documentation in a format acceptable to the Airport Manager.

3. Maintain adequate records that account for the CFC charged to its customers and collected for the benefit of the City of Midland, in accordance with generally accepted accounting principles, and make said records available to the City of Midland upon the request of the Airport Manager.

(E) Permitted Uses of the Customer Facility Charge Funds. All funds collected from the imposition of the CFC shall be designated as such and used only for the study, design, construction, operations, management, and maintenance of:

1. Improvements to current facilities occupied by on-site vehicle rental concessionaires; and

2. A ConRAC to be located at Midland International Air & Space Port.

(F) Amount of Customer Facility Charge. The Customer Facility Charge shall be based on the rate found in the City of Midland Fee Ordinance.

SECTION TWO. The provisions of this Ordinance are to be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided, however, that all prior ordinances or parts of ordinances inconsistent with or in conflict with any of the provisions of this Ordinance are hereby expressly repealed to the extent of any such inconsistency or conflict.

SECTION THREE. If any section, subsection, sentence, clause or phrase of this Ordinance is, for any reason, held to be unconstitutional or invalid, such holding shall not affect the validity of the remaining portions of this Ordinance. The Council of the City of Midland hereby declares that it would have passed this Ordinance and each section, subsection, sentence, clause, or phrase hereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared unconstitutional or invalid.

SECTION FOUR. The City Secretary is hereby authorized and directed to publish

the descriptive caption of this Ordinance in the manner and for the length of time prescribed by law as an alternative method of publication.

SECTION FIVE. The effective date of this Ordinance is February 1, 2022.

The above and foregoing Ordinance was duly proposed, read in full and adopted on first reading, the _____ day of _____, A.D., 2021; and passed to second reading on motion of Council member _____, seconded by Council member _____, by the following vote:

Council members voting "AYE":

Council members voting "NAY":

The above and foregoing Ordinance was read in full and finally adopted by the following vote upon motion of Council member _____, seconded by Council member _____, on the _____ day of _____, A.D., 2021, at a regular meeting of the City Council:

City Council Meeting

Item Number: 45

Meeting Date: November 16, 2021

To: City Council / City Manager

From: Jamie Radcliff, Budget Manager

Subject: AN ORDINANCE ADOPTING A FEE SCHEDULE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; PROVIDING AN APPEAL PROCESS; AND ORDERING PUBLICATION (DISTRICT: ALL) (FINANCE)

Purpose:

Adopt the Fee Schedule as Revised establishing regulatory and user fees collected by the City of Midland in order to adequately cover the costs and expenses incurred with providing the services.

Recommended City Council Action:

Approve

Fiscal Impact:

Regulatory and User fees generate revenue designed to cover the cost of service provided by the City of Midland. The Airport and Parks Department has additions/revisions to their user fees.

Discussion:

The Airport is implementing a $3.00 Customer Facility Charge to be collected daily by the rental car companies from vehicle rentals.

The Parks Department adjusted fees for the Whitehouse Rental. The cost for half day rentals is $200 (10 AM - 4 PM or 6 PM - midnight). The fee is $400 to reserve the Whitehouse All Day, with a $200 deposit.

City Manager's Office

ORDINANCE NO. _____

AN ORDINANCE ADOPTING A FEE SCHEDULE; CONTAINING A SAVINGS AND SEVERABILITY CLAUSE; PROVIDING AN APPEAL PROCESS; AND ORDERING PUBLICATION

WHEREAS, the City Council finds it to be in the public interest to establish fees collected by the City of Midland in order to adequately cover the costs and expenses incurred by the City in connection with providing the services associated with said fees; and

WHEREAS, the City Manager's designees have prepared Exhibits "A" through "O", which are attached hereto and incorporated herein for all purposes, identifying said fees (collectively, the "Fee Schedule"); and

WHEREAS, the City Council of the City of Midland, Texas, finds it to be in the public interest to adopt the Fee Schedule and to establish the fees identified therein as the fees to be collected by the City of Midland, said fees being reasonably related to the costs and expenses incurred by the City in connection with providing the services associated with said fees;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MIDLAND, TEXAS;

SECTION ONE. That the facts and recitations contained in the preamble of this ordinance are hereby found and declared to be true and correct and are adopted as part of this ordinance for all purposes.

SECTION TWO. That the Fee Schedule is hereby approved and adopted. The fees identified in the Fee Schedule are hereby established as the fees to be collected by the City of Midland except for the following types of fees: a fee charged to a requestor who submits a request for information under the Texas Public Information Act; a fee assessed by the Municipal Court that is not identified in the Fee Schedule; a fee established by a contract, to the extent that the fee established by the contract conflicts with or is not identified in the Fee Schedule; a drainage charge; an impact fee; a fee prescribed by a state law, rule, or

regulation; or a fee for which a state law, rule, or regulation, or the City Charter requires a procedure to be followed to establish the fee other than the procedure that was followed to adopt the Fee Schedule.

To the extent that a fee identified in the Fee Schedule conflicts with a fee that was previously established by ordinance (including an ordinance that has been codified in the City Code), resolution, or other City of Midland instrument, this ordinance shall supersede such previous ordinance, resolution, or other instrument, and the fee identified in the Fee Schedule shall be the applicable fee.

To the extent that a fee identified in the Fee Schedule conflicts with a fee prescribed by a state law, rule, or regulation, the fee prescribed by the state law, rule, or regulation shall be the applicable fee.

To the extent that a fee identified in the Fee Schedule is a fee for which a state law, rule, or regulation, or the City Charter requires a procedure to be followed to establish the fee other than the procedure that was followed to adopt the Fee Schedule, such fee that was previously established by following the applicable procedure shall be the applicable fee.

SECTION THREE. Any person wishing to appeal the payment of a fee identified in the Fee Schedule may do so in accordance with the law, rule, regulation, or ordinance that established the procedure for appealing such fee. To the extent no such appeal procedure has been established for a fee identified in the Fee Schedule that is not a fee assessed by the Municipal Court, the following appeal procedure shall apply:

A. Any person may appeal in writing to the City Manager, or the City Manager's designee, prior to paying the fee or after paying the fee. Any person may appeal in writing to the City Manager, or the City Manager's designee, if the person believes that he or she cannot afford the fee. The person may seek an exemption from all or part of the fee. The City Manager, or the City Manager's designee, shall make certain that the fee is not paid under duress.

If a person wishes to appeal after payment of the fee, the person shall appeal in writing to the City Manager, or the City Manager's designee, within ten (10) calendar days of paying the fee.

B. The City shall not file criminal charges against any person related to non-payment of the fee if the fee is not paid. The City shall not file criminal charges against a person in an attempt to collect the fee.

C. The City Manager, or the City Manager's designee, shall provide a full and meaningful review process. The City Manager, or the City Manager's designee, shall provide a fair opportunity for a person to challenge the accuracy and legal validity of his or her fee obligation. The City Manager, or the City Manager's designee, shall also provide a clear and certain remedy for any erroneous or unlawful fee collection to ensure that the opportunity to contest the fee is a meaningful one. Options that the City Manager, or the City Manager's designee, shall consider in providing a clear and certain remedy are a refund of any excess fee paid, as well as other factors, such as ensuring that a person may continue the operation of his or her business.

D. The City Manager, or the City Manager's designee, shall make his or her decision within ten (10) days of receiving the written notice of appeal. The City Manager, or the City Manager's designee, shall ensure that a person has all rights under any applicable law. A person shall incur no financial hardship by exercising his or her right to appeal.

SECTION FOUR. The provisions of this ordinance are to be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided, however, that all prior ordinances or parts of ordinances inconsistent with or in conflict with any of the provisions of this ordinance are hereby expressly repealed to the extent of any such inconsistency or conflict.

SECTION FIVE. If any section, subsection, sentence, clause or phrase of this ordinance is, for any reason, held to be unconstitutional or invalid, such holding shall not affect the validity of the remaining portions of this ordinance. The Council of the City of Midland hereby declares that it would have passed this ordinance and each section, subsection, sentence, clause, or phrase hereof irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared unconstitutional or invalid

SECTION SIX. That this ordinance shall become effective immediately upon final passage and approval.

SECTION SEVEN. The City Secretary is hereby authorized and directed to publish the descriptive caption of this ordinance in the manner and for the length of time prescribed by the law as an alternative method of publication.

The above and foregoing ordinance was duly proposed, read in full and adopted on first reading, the _____ day of _____, A.D., 2021; and passed to second reading on motion of Council member _____, seconded by Council member _____, by the following vote:

Council members voting "AYE":

Council members voting "NAY":

City Council Meeting

Item Number: 46

Meeting Date: November 16, 2021

To: City Council / City Manager

From: Ron Jenkins, Oil and Gas Coordinator

Subject: **RESOLUTION GRANTING VARIANCES FOR FIVE OIL AND GAS WELLS TO BE LOCATED CLOSER THAN 500 FEET OF AN OCCUPIED RESIDENCE OR COMMERCIAL STRUCTURE; AND APPROVING THE ISSUANCE OF PERMITS TO ENDEAVOR ENERGY RESOURCES, L.P. ("OPERATOR") TO DRILL SAID OIL AND GAS WELLS LOCATED IN SECTION 8, BLOCK 39, T-2-S, T&P RR CO. SURVEY, CITY OF MIDLAND, MIDLAND COUNTY, TEXAS (GENERALLY LOCATED 204 FEET SOUTH OF WEST INTERSTATE 20 SERVICE ROAD AND BETWEEN 415 FEET AND 495 FEET EAST OF SOUTH COUNTY ROAD 1220 EXTENSION) (DISTRICT 2) (DEVELOPMENT SERVICES)**

Purpose:

Resolution approving the issuance of permits Endeavor Energy Resources, L.P. for the drilling of the following oil and gas wells: Interstate 5-32 Unit 2 #173; Interstate 5-32 Unit 2 #174; Interstate 5-32 Unit 2 #182; Interstate 5-32 Unit 2 #183; and Interstate 5-32 Unit 2 #281; said wells being generally located 204 feet south of West I-20 Service Road and between 415 feet and 495 feet east of South County Road 1220 extension. The required 30-day public comment has passed, and the Council may consider this request. One notices of objection received for each well from same residence.

Recommended City Council Action:

Approve

Fiscal Impact:

There is no cost to the City to process this application.

Discussion:

The Oil and Gas Advisory Committee has reviewed these well sites in detail and recommends approval with the attention to lighting be directed and update of Exhibit I. Will be using a closed loop system instead of reserve pits. A sound study has been completed and a 900' long and 24' high sound wall will be used during drilling and completions operation. Additionally, Endeavor has offered an industry standard per diem to the affected homeowners for alternative accommodations during drilling and completion operations. Endeavor has a has a surface agreement with the surface owner. Receiving support of the Oil & Gas Advisory Committee, Endeavor Energy Resources is requesting the following variances:

1. Requesting a variance to a residence or commercial structure within 500 feet.
Interstate 5-32 Unit 2 #173- Variance of 386 feet.
Interstate 5-32 Unit 2 #174- Variance of 398 feet.
Interstate 5-32 Unit 2 #182- Variance of 371 feet.
Interstate 5-32 Unit 2 #183- Variance of 357 feet.
Interstate 5-32 Unit 2 #281- Variance of 344 feet.
2. Requesting a variance to have a perimeter fence around the well pad instead of individual wellheads.
3. Requesting a variance to the hours of operation for fracture stimulations and to allow for fracing and completions operations to occur during a 24-hour period.
4. Requesting a variance to the landscaping and irrigation due to wells will be placed on undeveloped land that does not currently have access to City Water.
5. Requesting a variance to remove drill cuttings from the surface location to be transported off site and processed in accordance with Railroad Commission regulations.

RESOLUTION NO. _____

RESOLUTION GRANTING VARIANCES FOR FIVE OIL AND GAS WELLS TO BE LOCATED CLOSER THAN 500 FEET OF AN OCCUPIED RESIDENCE OR COMMERCIAL STRUCTURE; AND APPROVING THE ISSUANCE OF PERMITS TO ENDEAVOR ENERGY RESOURCES, L.P. ("OPERATOR") TO DRILL SAID OIL AND GAS WELLS LOCATED IN SECTION 8, BLOCK 39, T-2-S, T&P RR CO. SURVEY, CITY OF MIDLAND, MIDLAND COUNTY, TEXAS (GENERALLY LOCATED 204 FEET SOUTH OF WEST INTERSTATE 20 SERVICE ROAD AND BETWEEN 415 FEET AND 495 FEET EAST OF SOUTH COUNTY ROAD 1220 EXTENSION)

WHEREAS, on December 8, 2009, the City Council of the City of Midland duly approved Ordinance No. 8769 which amended Title VI, "Police Regulations,"Chapter 1, "General Offenses," of the City Code of Midland, Texas, so as to establish Section 23, "Oil and Gas Well Permits issued on or after January 1, 2010," which governs the granting or rejecting of Oil and Gas Well Permits; and

WHEREAS, the purpose of said section is to establish reasonable and uniform limitations, safeguards, and regulations for present and future operations related to the exploring, drilling, developing, producing, transporting and storing of oil or gas or other substances produced in association with oil and gas within the City of Midland to protect the health, safety, and general welfare of the public and the orderly development of the City of Midland; abate or prevent potential public nuisances; minimize the potential adverse impact to surface and mineral owners, protect the quality of the environment and encourage the orderly production of available mineral resources; and

WHEREAS, Section 6-1-23(C) of the City Code of Midland, Texas, makes it an offense to knowingly drill or participate in the drilling of any well or to re-enter any well within the corporate limits of the City of Midland without a permit having first been issued by the authority of the City Council; and

WHEREAS, Operator has submitted applications to the City of Midland to drill oil and gas wells on the property described in Section Two hereof; and

WHEREAS, pursuant to Section 6-1-23(H)(2)(a) of the City Code of Midland, Texas, Operator has requested variances in order to allow said oil and gas wells to be closer than 500 feet of an occupied residence or commercial structure; and

WHEREAS, notice of the public hearing on this matter was provided in accordance with Section 6-1-23(H)(1) and a public hearing was held on September 28, 2021; and

WHEREAS, subsequent to said public hearing, and in accordance with Section 6-1-23(H)(1), the City Council allowed the public and Operator thirty (30) days to submit written input to the City Manager regarding Operator's applications to drill oil and gas wells on the property described in Section Two hereof; and

WHEREAS, the City Council has considered those issues set forth in Section 6-1-23(I) in determining whether to grant or deny permits to Operator to drill oil and gas wells on the property described in Section Two hereof; and

WHEREAS, the City Council finds and determines that granting permits to Operator to drill oil and gas wells on the property described in Section Two hereof will not present a health or safety risk; and

WHEREAS, the City Council finds it to be in the public interest to approve the issuance of permits to Operator to drill oil and gas wells on the property described in Section Two hereof;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF MIDLAND, TEXAS:

SECTION ONE. That the above recitals are hereby adopted and approved by the City Council of the City of Midland, and variances are hereby granted for oil and gas wells to be located on the property described in Section Two hereof by allowing said oil and gas wells to be closer than 500 feet of an occupied residence or commercial structure subject to the conditions of the permits authorized in Section Two.

SECTION TWO. That the Mayor is hereby authorized and directed to execute

permits, on behalf of the City of Midland, that will allow Operator to drill the following oil and gas wells:

Interstate 5-32 Unit 2 #173; Interstate 5-32 Unit 2 #174; Interstate 5-32 Unit 2 #182; Interstate 5-32 Unit 2 #183; and Interstate 5-32 Unit 2 #281;

located in Section 8, Block 39, T-2-S, T&P RR Co. Survey, City of Midland, Midland County, Texas. Said permits shall be in forms substantially similar to those attached hereto as Exhibits "A" through "E" and incorporated herein for all legal purposes.

On motion of Council member _____, seconded by Council member _____, the above and foregoing resolution was adopted by the City Council of the City of Midland at a regular meeting on the _____ day of _____, A.D., 2021, by the following vote:

OIL AND GAS WELL PERMIT

The City Council of the City of Midland, Texas, at its regular meeting on November 16, 2021, considered the application of Endeavor Energy Resources, L.P. ("Operator") dated July 29, 2021, to drill an oil and gas well inside the territorial limits of the City of Midland, Texas. The City Council of the City of Midland, Texas, by appropriate action approved the application and authorized the issuance of this permit.

This documentation hereby constitutes a permit, issued in accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), to drill an oil and gas well as requested in Operator's application that has been filed with the Oil & Gas Compliance Coordinator and is incorporated herein for all legal purposes.

The location of Operator's Interstate 5-32 Unit 2 #173 oil and gas well shall be 167 feet from the north line and 1,732 feet from the west line, Section 8, Block 39, T-2-S, T&P RR Co. Survey, Midland County, Texas. The hole size, casing program, cement program and total depth of that well shall be in strict compliance with the proposed hole size, casing program, cementing program and proposed total depth found in Operator's application. Further, all operations done under this permit shall be done and accomplished in strict accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), which is hereby incorporated into this permit by reference and made applicable hereto with the same force and effect as if the same were copied fully in this permit, including, but not limited to, Subsections (K) through (Z).

This permit shall be effective from November 16, 2021 through November 16, 2022, and so long thereafter as oil or gas is produced, or until such time as Operator has permanently abandoned the operations of the well or facility for which this permit is issued.

The issuance of this permit by the City of Midland does not in any way alter or modify the rights as between the surface estate owner(s) and mineral estate owner(s) if there exists a severance of the surface estate and mineral estate. This permit in no way exempts Operator from its responsibilities or obligations as to third parties. The issuance of this permit only means that Operator has, at this time, complied with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance No. 8769) and that the Midland City Council, as a regulatory body, will allow Operator to proceed under the conditions of this permit. The issuance of this permit is intended to be only a negative pronouncement that grants no affirmative rights to the permittee to occupy the property. It is expressly provided that this permit does not authorize a trespass by the permittee as to any third party. This

permit does not in any way restrict the use of the surface estate. Securing a permit does not authorize Operator to act with impunity as to third parties, nor does it insulate Operator from the consequences of its actions with regard to those third parties. The receipt of a permit does not undertake to adjudicate property rights.

This permit granted by the City of Midland does not act to immunize Operator from civil tort liability from private parties for actions arising out of the use of the permit. This is because the permit is a "negative pronouncement" that grants no affirmative rights to the permittee. The issuance of this permit does not authorize any injury to persons or property or an invasion of other property rights, or any infringement of State or local law or regulations. Operator has obtained a permit from the City of Midland but the consequences of acting under the permit have not been immunized. The fact that the City of Midland has issued a permit to drill an oil and gas well does not shield Operator from third party tort liability stemming from the consequences of the permitted activity.

NOTWITHSTANDING ANY OTHER PROVISION, OPERATOR HEREBY RELEASES, ACQUITS, RELINQUISHES AND FOREVER DISCHARGES CITY OF MIDLAND, CITY OF MIDLAND'S EMPLOYEES AND OFFICERS, FROM ANY AND ALL DEMANDS, CLAIMS, DAMAGES OR CAUSES OF ACTION OF ANY KIND WHATSOEVER WHICH OPERATOR HAS OR MIGHT HAVE IN THE FUTURE, INCLUDING BUT NOT LIMITED TO BREACH OF CONTRACT, QUANTUM MERUIT, CLAIMS UNDER THE DUE PROCESS AND TAKING CLAUSES OF THE TEXAS AND UNITED STATES CONSTITUTIONS, TORT CLAIMS OR CITY OF MIDLAND'S NEGLIGENCE.

OPERATOR AGREES TO INDEMNIFY AND HOLD HARMLESS AND DEFEND THE CITY OF MIDLAND, THE CITY'S OFFICERS, AGENTS, AND EMPLOYEES FROM ANY AND ALL CLAIMS, LOSSES, DAMAGES, CAUSES OF ACTION, SUITS, AND LIABILITY OF ANY KIND, INCLUDING ALL EXPENSES OF LITIGATION, COURT COSTS, AND ATTORNEY'S FEES, FOR INJURY TO OR DEATH OF ANY PERSON, OR FOR DAMAGE TO ANY PROPERTY ARISING OUT OF OR IN CONNECTION WITH THE WORK DONE BY OPERATOR UNDER AN OIL AND GAS WELL PERMIT WHERE SUCH INJURIES, DEATH, OR DAMAGES ARE CAUSED BY OPERATOR'S SOLE NEGLIGENCE OR THE JOINT NEGLIGENCE OF THE OPERATOR AND ANY OTHER PERSON OR ENTITY.

A right-of-way license agreement approved by a resolution of the Midland City Council is required for any oil and/or gas flowline or pipeline or any other device associated with a proposed well site that extends into, on, above, in, under, across or through any City rights-of-way, including but not limited to streets, alleys, and utility and drainage rights-of-way.

If the well that is the subject of this permit is not located within the County of Midland, Texas, Operator shall notify the Midland Central Appraisal District of the following: (1) the well's location within the territorial limits of the City of Midland; and (2) that the City of

Midland is to be included as a taxing entity. Operator shall make said notification no later than 60 days after completion of the well.

The Midland City Council, in granting this permit, also grants the following variance(s):

1. The well shell be no closer than 386 feet of an occupied residence or commercial structure.
2. In lieu of constructing a perimeter fence around this permitted well, a perimeter fence around the well pad site may be constructed. Said perimeter fence around the well pad site shall, at a minimum, meet the requirements of Ordinance No. 8769.
3. Twenty-four hour hydraulic fracturing and completion operations are permitted.
4. No landscaping or irrigation is required because City water is not available.
5. Drill cuttings shall be removed from the surface location.

Sound walls shall be used during drilling and completion operations as noted in the application.

This permit shall constitute a written contract for purposes of insurance requirements.

In addition to the requirements of this permit and the Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), including, but not limited to Subsections (K) through (Z), Operator shall develop, maintain and operate the well described herein in accordance with the conditions, limitations and safeguards contained in Operator's application for said well.

OIL AND GAS WELL PERMIT

The City Council of the City of Midland, Texas, at its regular meeting on November 16, 2021, considered the application of Endeavor Energy Resources, L.P. ("Operator") dated July 29, 2021, to drill an oil and gas well inside the territorial limits of the City of Midland, Texas. The City Council of the City of Midland, Texas, by appropriate action approved the application and authorized the issuance of this permit.

This documentation hereby constitutes a permit, issued in accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), to drill an oil and gas well as requested in Operator's application that has been filed with the Oil & Gas Compliance Coordinator and is incorporated herein for all legal purposes.

The location of Operator's Interstate 5-32 Unit 2 #174 oil and gas well shall be 166 feet from the north line and 1,392 feet from the west line, Section 8, Block 39, T-2-S, T&P RR Co. Survey, Midland County, Texas. The hole size, casing program, cement program and total depth of that well shall be in strict compliance with the proposed hole size, casing program, cementing program and proposed total depth found in Operator's application. Further, all operations done under this permit shall be done and accomplished in strict accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), which is hereby incorporated into this permit by reference and made applicable hereto with the same force and effect as if the same were copied fully in this permit, including, but not limited to, Subsections (K) through (Z).

This permit shall be effective from November 16, 2021 through November 16, 2022, and so long thereafter as oil or gas is produced, or until such time as Operator has permanently abandoned the operations of the well or facility for which this permit is issued.

The issuance of this permit by the City of Midland does not in any way alter or modify the rights as between the surface estate owner(s) and mineral estate owner(s) if there exists a severance of the surface estate and mineral estate. This permit in no way exempts Operator from its responsibilities or obligations as to third parties. The issuance of this permit only means that Operator has, at this time, complied with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance No. 8769) and that the Midland City Council, as a regulatory body, will allow Operator to proceed under the conditions of this permit. The issuance of this permit is intended to be only a negative pronouncement that grants no affirmative rights to the permittee to occupy the property. It is expressly provided that this permit does not authorize a trespass by the permittee as to any third party. This

permit does not in any way restrict the use of the surface estate. Securing a permit does not authorize Operator to act with impunity as to third parties, nor does it insulate Operator from the consequences of its actions with regard to those third parties. The receipt of a permit does not undertake to adjudicate property rights.

This permit granted by the City of Midland does not act to immunize Operator from civil tort liability from private parties for actions arising out of the use of the permit. This is because the permit is a "negative pronouncement" that grants no affirmative rights to the permittee. The issuance of this permit does not authorize any injury to persons or property or an invasion of other property rights, or any infringement of State or local law or regulations. Operator has obtained a permit from the City of Midland but the consequences of acting under the permit have not been immunized. The fact that the City of Midland has issued a permit to drill an oil and gas well does not shield Operator from third party tort liability stemming from the consequences of the permitted activity.

NOTWITHSTANDING ANY OTHER PROVISION, OPERATOR HEREBY RELEASES, ACQUITS, RELINQUISHES AND FOREVER DISCHARGES CITY OF MIDLAND, CITY OF MIDLAND'S EMPLOYEES AND OFFICERS, FROM ANY AND ALL DEMANDS, CLAIMS, DAMAGES OR CAUSES OF ACTION OF ANY KIND WHATSOEVER WHICH OPERATOR HAS OR MIGHT HAVE IN THE FUTURE, INCLUDING BUT NOT LIMITED TO BREACH OF CONTRACT, QUANTUM MERUIT, CLAIMS UNDER THE DUE PROCESS AND TAKING CLAUSES OF THE TEXAS AND UNITED STATES CONSTITUTIONS, TORT CLAIMS OR CITY OF MIDLAND'S NEGLIGENCE.

OPERATOR AGREES TO INDEMNIFY AND HOLD HARMLESS AND DEFEND THE CITY OF MIDLAND, THE CITY'S OFFICERS, AGENTS, AND EMPLOYEES FROM ANY AND ALL CLAIMS, LOSSES, DAMAGES, CAUSES OF ACTION, SUITS, AND LIABILITY OF ANY KIND, INCLUDING ALL EXPENSES OF LITIGATION, COURT COSTS, AND ATTORNEY'S FEES, FOR INJURY TO OR DEATH OF ANY PERSON, OR FOR DAMAGE TO ANY PROPERTY ARISING OUT OF OR IN CONNECTION WITH THE WORK DONE BY OPERATOR UNDER AN OIL AND GAS WELL PERMIT WHERE SUCH INJURIES, DEATH, OR DAMAGES ARE CAUSED BY OPERATOR'S SOLE NEGLIGENCE OR THE JOINT NEGLIGENCE OF THE OPERATOR AND ANY OTHER PERSON OR ENTITY.

A right-of-way license agreement approved by a resolution of the Midland City Council is required for any oil and/or gas flowline or pipeline or any other device associated with a proposed well site that extends into, on, above, in, under, across or through any City rights-of-way, including but not limited to streets, alleys, and utility and drainage rights-of-way.

OIL AND GAS WELL PERMIT

The City Council of the City of Midland, Texas, at its regular meeting on November 16, 2021, considered the application of Endeavor Energy Resources, L.P. ("Operator") dated July 29, 2021, to drill an oil and gas well inside the territorial limits of the City of Midland, Texas. The City Council of the City of Midland, Texas, by appropriate action approved the application and authorized the issuance of this permit.

This documentation hereby constitutes a permit, issued in accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), to drill an oil and gas well as requested in Operator's application that has been filed with the Oil & Gas Compliance Coordinator and is incorporated herein for all legal purposes.

The location of Operator's Interstate 5-32 Unit 2 #182 oil and gas well shall be 166 feet from the north line and 1,352 feet from the west line, Section 8, Block 39, T-2-S, T&P RR Co. Survey, Midland County, Texas. The hole size, casing program, cement program and total depth of that well shall be in strict compliance with the proposed hole size, casing program, cementing program and proposed total depth found in Operator's application. Further, all operations done under this permit shall be done and accomplished in strict accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), which is hereby incorporated into this permit by reference and made applicable hereto with the same force and effect as if the same were copied fully in this permit, including, but not limited to, Subsections (K) through (Z).

This permit shall be effective from November 16, 2021 through November 16, 2022, and so long thereafter as oil or gas is produced, or until such time as Operator has permanently abandoned the operations of the well or facility for which this permit is issued.

The issuance of this permit by the City of Midland does not in any way alter or modify the rights as between the surface estate owner(s) and mineral estate owner(s) if there exists a severance of the surface estate and mineral estate. This permit in no way exempts Operator from its responsibilities or obligations as to third parties. The issuance of this permit only means that Operator has, at this time, complied with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance No. 8769) and that the Midland City Council, as a regulatory body, will allow Operator to proceed under the conditions of this permit. The issuance of this permit is intended to be only a negative pronouncement that grants no affirmative rights to the permittee to occupy the property. It is expressly provided that this permit does not authorize a trespass by the permittee as to any third party. This

permit does not in any way restrict the use of the surface estate. Securing a permit does not authorize Operator to act with impunity as to third parties, nor does it insulate Operator from the consequences of its actions with regard to those third parties. The receipt of a permit does not undertake to adjudicate property rights.

This permit granted by the City of Midland does not act to immunize Operator from civil tort liability from private parties for actions arising out of the use of the permit. This is because the permit is a "negative pronouncement" that grants no affirmative rights to the permittee. The issuance of this permit does not authorize any injury to persons or property or an invasion of other property rights, or any infringement of State or local law or regulations. Operator has obtained a permit from the City of Midland but the consequences of acting under the permit have not been immunized. The fact that the City of Midland has issued a permit to drill an oil and gas well does not shield Operator from third party tort liability stemming from the consequences of the permitted activity.

NOTWITHSTANDING ANY OTHER PROVISION, OPERATOR HEREBY RELEASES, ACQUITS, RELINQUISHES AND FOREVER DISCHARGES CITY OF MIDLAND, CITY OF MIDLAND'S EMPLOYEES AND OFFICERS, FROM ANY AND ALL DEMANDS, CLAIMS, DAMAGES OR CAUSES OF ACTION OF ANY KIND WHATSOEVER WHICH OPERATOR HAS OR MIGHT HAVE IN THE FUTURE, INCLUDING BUT NOT LIMITED TO BREACH OF CONTRACT, QUANTUM MERUIT, CLAIMS UNDER THE DUE PROCESS AND TAKING CLAUSES OF THE TEXAS AND UNITED STATES CONSTITUTIONS, TORT CLAIMS OR CITY OF MIDLAND'S NEGLIGENCE.

OPERATOR AGREES TO INDEMNIFY AND HOLD HARMLESS AND DEFEND THE CITY OF MIDLAND, THE CITY'S OFFICERS, AGENTS, AND EMPLOYEES FROM ANY AND ALL CLAIMS, LOSSES, DAMAGES, CAUSES OF ACTION, SUITS, AND LIABILITY OF ANY KIND, INCLUDING ALL EXPENSES OF LITIGATION, COURT COSTS, AND ATTORNEY'S FEES, FOR INJURY TO OR DEATH OF ANY PERSON, OR FOR DAMAGE TO ANY PROPERTY ARISING OUT OF OR IN CONNECTION WITH THE WORK DONE BY OPERATOR UNDER AN OIL AND GAS WELL PERMIT WHERE SUCH INJURIES, DEATH, OR DAMAGES ARE CAUSED BY OPERATOR'S SOLE NEGLIGENCE OR THE JOINT NEGLIGENCE OF THE OPERATOR AND ANY OTHER PERSON OR ENTITY.

A right-of-way license agreement approved by a resolution of the Midland City Council is required for any oil and/or gas flowline or pipeline or any other device associated with a proposed well site that extends into, on, above, in, under, across or through any City rights-of-way, including but not limited to streets, alleys, and utility and drainage rights-of-way.

If the well that is the subject of this permit is not located within the County of Midland, Texas, Operator shall notify the Midland Central Appraisal District of the following: (1) the well's location within the territorial limits of the City of Midland; and (2) that the City of

Midland is to be included as a taxing entity. Operator shall make said notification no later than 60 days after completion of the well.

The Midland City Council, in granting this permit, also grants the following variance(s):

1. The well shell be no closer than 371 feet of an occupied residence or commercial structure.
2. In lieu of constructing a perimeter fence around this permitted well, a perimeter fence around the well pad site may be constructed. Said perimeter fence around the well pad site shall, at a minimum, meet the requirements of Ordinance No. 8769.
3. Twenty-four hour hydraulic fracturing and completion operations are permitted.
4. No landscaping or irrigation is required because City water is not available.
5. Drill cuttings shall be removed from the surface location.

Sound walls shall be used during drilling and completion operations as noted in the application.

This permit shall constitute a written contract for purposes of insurance requirements.

In addition to the requirements of this permit and the Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), including, but not limited to Subsections (K) through (Z), Operator shall develop, maintain and operate the well described herein in accordance with the conditions, limitations and safeguards contained in Operator's application for said well.

OIL AND GAS WELL PERMIT

The City Council of the City of Midland, Texas, at its regular meeting on November 16, 2021, considered the application of Endeavor Energy Resources, L.P. ("Operator") dated July 29, 2021, to drill an oil and gas well inside the territorial limits of the City of Midland, Texas. The City Council of the City of Midland, Texas, by appropriate action approved the application and authorized the issuance of this permit.

This documentation hereby constitutes a permit, issued in accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), to drill an oil and gas well as requested in Operator's application that has been filed with the Oil & Gas Compliance Coordinator and is incorporated herein for all legal purposes.

The location of Operator's Interstate 5-32 Unit 2 #183 oil and gas well shall be 166 feet from the north line and 1,332 feet from the west line, Section 8, Block 39, T-2-S, T&P RR Co. Survey, Midland County, Texas. The hole size, casing program, cement program and total depth of that well shall be in strict compliance with the proposed hole size, casing program, cementing program and proposed total depth found in Operator's application. Further, all operations done under this permit shall be done and accomplished in strict accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), which is hereby incorporated into this permit by reference and made applicable hereto with the same force and effect as if the same were copied fully in this permit, including, but not limited to, Subsections (K) through (Z).

This permit shall be effective from November 16, 2021 through November 16, 2022, and so long thereafter as oil or gas is produced, or until such time as Operator has permanently abandoned the operations of the well or facility for which this permit is issued.

The issuance of this permit by the City of Midland does not in any way alter or modify the rights as between the surface estate owner(s) and mineral estate owner(s) if there exists a severance of the surface estate and mineral estate. This permit in no way exempts Operator from its responsibilities or obligations as to third parties. The issuance of this permit only means that Operator has, at this time, complied with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance No. 8769) and that the Midland City Council, as a regulatory body, will allow Operator to proceed under the conditions of this permit. The issuance of this permit is intended to be only a negative pronouncement that grants no affirmative rights to the permittee to occupy the property. It is expressly provided that this permit does not authorize a trespass by the permittee as to any third party. This

permit does not in any way restrict the use of the surface estate. Securing a permit does not authorize Operator to act with impunity as to third parties, nor does it insulate Operator from the consequences of its actions with regard to those third parties. The receipt of a permit does not undertake to adjudicate property rights.

This permit granted by the City of Midland does not act to immunize Operator from civil tort liability from private parties for actions arising out of the use of the permit. This is because the permit is a "negative pronouncement" that grants no affirmative rights to the permittee. The issuance of this permit does not authorize any injury to persons or property or an invasion of other property rights, or any infringement of State or local law or regulations. Operator has obtained a permit from the City of Midland but the consequences of acting under the permit have not been immunized. The fact that the City of Midland has issued a permit to drill an oil and gas well does not shield Operator from third party tort liability stemming from the consequences of the permitted activity.

NOTWITHSTANDING ANY OTHER PROVISION, OPERATOR HEREBY RELEASES, ACQUITS, RELINQUISHES AND FOREVER DISCHARGES CITY OF MIDLAND, CITY OF MIDLAND'S EMPLOYEES AND OFFICERS, FROM ANY AND ALL DEMANDS, CLAIMS, DAMAGES OR CAUSES OF ACTION OF ANY KIND WHATSOEVER WHICH OPERATOR HAS OR MIGHT HAVE IN THE FUTURE, INCLUDING BUT NOT LIMITED TO BREACH OF CONTRACT, QUANTUM MERUIT, CLAIMS UNDER THE DUE PROCESS AND TAKING CLAUSES OF THE TEXAS AND UNITED STATES CONSTITUTIONS, TORT CLAIMS OR CITY OF MIDLAND'S NEGLIGENCE.

OPERATOR AGREES TO INDEMNIFY AND HOLD HARMLESS AND DEFEND THE CITY OF MIDLAND, THE CITY'S OFFICERS, AGENTS, AND EMPLOYEES FROM ANY AND ALL CLAIMS, LOSSES, DAMAGES, CAUSES OF ACTION, SUITS, AND LIABILITY OF ANY KIND, INCLUDING ALL EXPENSES OF LITIGATION, COURT COSTS, AND ATTORNEY'S FEES, FOR INJURY TO OR DEATH OF ANY PERSON, OR FOR DAMAGE TO ANY PROPERTY ARISING OUT OF OR IN CONNECTION WITH THE WORK DONE BY OPERATOR UNDER AN OIL AND GAS WELL PERMIT WHERE SUCH INJURIES, DEATH, OR DAMAGES ARE CAUSED BY OPERATOR'S SOLE NEGLIGENCE OR THE JOINT NEGLIGENCE OF THE OPERATOR AND ANY OTHER PERSON OR ENTITY.

A right-of-way license agreement approved by a resolution of the Midland City Council is required for any oil and/or gas flowline or pipeline or any other device associated with a proposed well site that extends into, on, above, in, under, across or through any City rights-of-way, including but not limited to streets, alleys, and utility and drainage rights-of-way.

If the well that is the subject of this permit is not located within the County of Midland, Texas, Operator shall notify the Midland Central Appraisal District of the following: (1) the well's location within the territorial limits of the City of Midland; and (2) that the City of

Midland is to be included as a taxing entity. Operator shall make said notification no later than 60 days after completion of the well.

The Midland City Council, in granting this permit, also grants the following variance(s):

1. The well shell be no closer than 357 feet of an occupied residence or commercial structure.
2. In lieu of constructing a perimeter fence around this permitted well, a perimeter fence around the well pad site may be constructed. Said perimeter fence around the well pad site shall, at a minimum, meet the requirements of Ordinance No. 8769.
3. Twenty-four hour hydraulic fracturing and completion operations are permitted.
4. No landscaping or irrigation is required because City water is not available.
5. Drill cuttings shall be removed from the surface location.

Sound walls shall be used during drilling and completion operations as noted in the application.

This permit shall constitute a written contract for purposes of insurance requirements.

In addition to the requirements of this permit and the Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), including, but not limited to Subsections (K) through (Z), Operator shall develop, maintain and operate the well described herein in accordance with the conditions, limitations and safeguards contained in Operator's application for said well.

OIL AND GAS WELL PERMIT

The City Council of the City of Midland, Texas, at its regular meeting on November 16, 2021, considered the application of Endeavor Energy Resources, L.P. ("Operator") dated July 29, 2021, to drill an oil and gas well inside the territorial limits of the City of Midland, Texas. The City Council of the City of Midland, Texas, by appropriate action approved the application and authorized the issuance of this permit.

This documentation hereby constitutes a permit, issued in accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), to drill an oil and gas well as requested in Operator's application that has been filed with the Oil & Gas Compliance Coordinator and is incorporated herein for all legal purposes.

The location of Operator's Interstate 5-32 Unit 2 #281 oil and gas well shall be 166 feet from the north line and 1,312 feet from the west line, Section 8, Block 39, T-2-S, T&P RR Co. Survey, Midland County, Texas. The hole size, casing program, cement program and total depth of that well shall be in strict compliance with the proposed hole size, casing program, cementing program and proposed total depth found in Operator's application. Further, all operations done under this permit shall be done and accomplished in strict accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), which is hereby incorporated into this permit by reference and made applicable hereto with the same force and effect as if the same were copied fully in this permit, including, but not limited to, Subsections (K) through (Z).

This permit shall be effective from November 16, 2021 through November 16, 2022, and so long thereafter as oil or gas is produced, or until such time as Operator has permanently abandoned the operations of the well or facility for which this permit is issued.

The issuance of this permit by the City of Midland does not in any way alter or modify the rights as between the surface estate owner(s) and mineral estate owner(s) if there exists a severance of the surface estate and mineral estate. This permit in no way exempts Operator from its responsibilities or obligations as to third parties. The issuance of this permit only means that Operator has, at this time, complied with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance No. 8769) and that the Midland City Council, as a regulatory body, will allow Operator to proceed under the conditions of this permit. The issuance of this permit is intended to be only a negative pronouncement that grants no affirmative rights to the permittee to occupy the property. It is expressly provided that this permit does not authorize a trespass by the permittee as to any third party. This

permit does not in any way restrict the use of the surface estate. Securing a permit does not authorize Operator to act with impunity as to third parties, nor does it insulate Operator from the consequences of its actions with regard to those third parties. The receipt of a permit does not undertake to adjudicate property rights.

This permit granted by the City of Midland does not act to immunize Operator from civil tort liability from private parties for actions arising out of the use of the permit. This is because the permit is a "negative pronouncement" that grants no affirmative rights to the permittee. The issuance of this permit does not authorize any injury to persons or property or an invasion of other property rights, or any infringement of State or local law or regulations. Operator has obtained a permit from the City of Midland but the consequences of acting under the permit have not been immunized. The fact that the City of Midland has issued a permit to drill an oil and gas well does not shield Operator from third party tort liability stemming from the consequences of the permitted activity.

NOTWITHSTANDING ANY OTHER PROVISION, OPERATOR HEREBY RELEASES, ACQUITS, RELINQUISHES AND FOREVER DISCHARGES CITY OF MIDLAND, CITY OF MIDLAND'S EMPLOYEES AND OFFICERS, FROM ANY AND ALL DEMANDS, CLAIMS, DAMAGES OR CAUSES OF ACTION OF ANY KIND WHATSOEVER WHICH OPERATOR HAS OR MIGHT HAVE IN THE FUTURE, INCLUDING BUT NOT LIMITED TO BREACH OF CONTRACT, QUANTUM MERUIT, CLAIMS UNDER THE DUE PROCESS AND TAKING CLAUSES OF THE TEXAS AND UNITED STATES CONSTITUTIONS, TORT CLAIMS OR CITY OF MIDLAND'S NEGLIGENCE.

OPERATOR AGREES TO INDEMNIFY AND HOLD HARMLESS AND DEFEND THE CITY OF MIDLAND, THE CITY'S OFFICERS, AGENTS, AND EMPLOYEES FROM ANY AND ALL CLAIMS, LOSSES, DAMAGES, CAUSES OF ACTION, SUITS, AND LIABILITY OF ANY KIND, INCLUDING ALL EXPENSES OF LITIGATION, COURT COSTS, AND ATTORNEY'S FEES, FOR INJURY TO OR DEATH OF ANY PERSON, OR FOR DAMAGE TO ANY PROPERTY ARISING OUT OF OR IN CONNECTION WITH THE WORK DONE BY OPERATOR UNDER AN OIL AND GAS WELL PERMIT WHERE SUCH INJURIES, DEATH, OR DAMAGES ARE CAUSED BY OPERATOR'S SOLE NEGLIGENCE OR THE JOINT NEGLIGENCE OF THE OPERATOR AND ANY OTHER PERSON OR ENTITY.

A right-of-way license agreement approved by a resolution of the Midland City Council is required for any oil and/or gas flowline or pipeline or any other device associated with a proposed well site that extends into, on, above, in, under, across or through any City rights-of-way, including but not limited to streets, alleys, and utility and drainage rights-of-way.

If the well that is the subject of this permit is not located within the County of Midland, Texas, Operator shall notify the Midland Central Appraisal District of the following: (1) the well's location within the territorial limits of the City of Midland; and (2) that the City of

Midland is to be included as a taxing entity. Operator shall make said notification no later than 60 days after completion of the well.

The Midland City Council, in granting this permit, also grants the following variance(s):

1. The well shell be no closer than 344 feet of an occupied residence or commercial structure.
2. In lieu of constructing a perimeter fence around this permitted well, a perimeter fence around the well pad site may be constructed. Said perimeter fence around the well pad site shall, at a minimum, meet the requirements of Ordinance No. 8769.
3. Twenty-four hour hydraulic fracturing and completion operations are permitted.
4. No landscaping or irrigation is required because City water is not available.
5. Drill cuttings shall be removed from the surface location.

Sound walls shall be used during drilling and completion operations as noted in the application.

This permit shall constitute a written contract for purposes of insurance requirements.

In addition to the requirements of this permit and the Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), including, but not limited to Subsections (K) through (Z), Operator shall develop, maintain and operate the well described herein in accordance with the conditions, limitations and safeguards contained in Operator's application for said well.

Other Permitted Wells in City ***(ATTACHED AS EXHIBIT B*** **[see § J(26)]).**

II. Mineral Ownership

Name(s) and Address(es) of Mineral Estate Lessors (under applicable lease): ***ATTACHED AS EXHIBIT C***

ATTACHED AS EXHIBIT C –is a letter from a licensed Texas Attorney indicating that the Operator has the legal right to develop the mineral estate that is the subject to this application. **[See § J(5)].**

III. Surface Ownership & Use

General Description of Current Surface Use (within 860 feet of proposed surface location): Open Pasture, Commercial and Residential

ATTACHED AS EXHIBIT D **are the most** ***Current Tax Cards from Midland Central Appraisal District,*** **which lists the name(s) and address(es) of all surface owners within 860 feet of the surface well location. [See § J(7)].**

ATTACHED AS EXHIBIT E **is a** ***(map/plat/satellite/aerial photo)*** **depicting all residences, commercial structures, public buildings, all publicly dedicated Streets and alleys, Rights of Way, and permanent accessory structures surrounding the proposed Drill Site. The** ***(map/p lat/satellite/aerial photo)*** **includes two circles, as required by the Ordinance—one depicting a 500 foot radius and one depicting an 860 foot radius from the proposed well's surface location. [See § J(10)].**

ATTACHED AS EXHIBIT F **is a copy of the notification letter(s) sent to one hundred (100%) percent of the surface owners, Certified Mail, Return Receipt Requested. [See § J(36)].**

IV. Well & Operations Information

Proposed Well Name: Interstate 5-32 Unit 2 #173

ATTACHED AS EXHIBIT G is **Proposed Hole Size, Casing Program and Cementing Program [See § J(11) and § L(4)]:**

Legal Description of Proposed Well Site:

Surface Hole Location: 166' FNL 1372' FWL, Section 8, Block 39, T-2-S, T&P RR Co Survey, Midland County, Texas

ATTACHED AS EXHIBIT G **is the Plat and Location Site Plan [See § J(9)].**

ATTACHED AS EXHIBIT H **is the Map with the proposed transportation route(s) and road(s) for equipment, chemicals, or refuse products used or produced in the proposed oil and gas operations. [See § J(12)].**

ATTACHED AS EXHIBIT I **is a copy of the approved Texas Railroad Commission permit to drill (Form W-1), together with all attachments** ***(also file copy of W-1 with City Secretary before commencement of drilling operations).*** **[See § J(16) and (20)].**

ATTACHED AS EXHIBIT J **is a copy of the required TCEQ report as to depth of usable quality ground water. [See § J(17)].**

ATTACHED AS EXHIBIT K **is the location agreement letter with current Surface Owner. [See § J(27)].**

ATTACHED AS EXHIBIT L **is the Fencing and Irrigation Plan. [See § J(30)].**

ATTACHED AS EXHIBIT M **is the Road Repair Agreement and** ***Letter of Credit/Certificate of Deposit/Surety Bond*** **in the amount of at least $75,000.** ***Option (if applicable): Applicant would further state that no City-owned streets or alleys will be used by the Operator in connection with its oil and gas operations and as a result, requests a waiver from the Council of this requirement. Option B (if applicable):*** **Because Applicant has three Road Repair Agreements in effect that have been approved by the Council, Applicant requests that the Council consolidate all agreements into one and is filing the necessary $75,000** ***letter of credit/certificate of deposit/surety bond*** **in conjunction with this request. [See § J(31)].**

ATTACHED AS EXHIBIT N **is the written Concept Plan and Site Plan. [See § J(32)].**

Description of Public Utilities required during (1) drilling and (2) operations:

(1) **Drilling:** Electricity Oncor: 1-888-313-6862

(2) **Operations:** Electricity Oncor: 1-888-313-6862

Description of water source to be used during Drilling: Operator will attempt to use water from the Santa Rosa Aquifer for most all drilling and completion purposes. Operator also has freshwater wells in the area, and will be utilizing a frac pond located outside of City limits.

Description of all electric lines to production facilities (reference exhibits as necessary)
ATTACHED AS EXHIBIT G. **[See § L(10)]**

Plan detailing construction, location, and closure of pits used for Drilling and Completion operations (attach exhibit if necessary)
ATTACHED AS EXHIBIT O. **[See § J(35)]**

V. Additional Required Exhibits

ATTACHED AS EXHIBIT P **is the *Blanket Bond and Rider* in accordance with Subsection (K)(2). [See § J(18)].**

ATTACHED AS EXHIBIT Q **is an Affidavit indicating that all taxes on personal and real property, including minerals, owned by Applicant are current. [See § J(29)].**

ATTACHED AS EXHIBIT R **is the required Insurance Certificate. [See § J(19) and § K(3)].**

ATTACHED AS EXHIBIT S (if applicable) **is the Drainage Plan approved by the City Engineer relating to Applicant's proposed operations. [See § J(21)].**

ATTACHED AS EXHIBIT T **is Applicant's Emergency Action Response Plan. [See § J(22)].**

ATTACHED AS EXHIBIT U **is Applicant's Hazardous Materials Management Plan, a copy of which has been submitted and is on file with the Midland Fire Department. [See § J(23)].**

ATTACHED AS EXHIBIT V **is Applicant's Summary List of Variances**

ATTACHED AS EXHIBIT W **is Acoustic Impact Study and Noise Mitigation Plan**

APPLICATION FOR OIL AND GAS PERMIT

(Pursuant to Midland City Ordinance No. 8769)

I. General Information

Date July 29, 2021	**Operator Name (must match W-1)** Endeavor Energy Resources, L.P.	**Operator Address** 110 N. Marienfeld, Suite 200 Midland, TX 79701
Representative Name	**Representative Address (within Midland City Limits)**	**Rep. Tele.** (432)-556-0588
Alex Bedford, Reservoir Engineer	110 N. Marienfeld, Suite 200 Midland, TX 79701	**Rep. Fax** (432)-682-3088
Fee: $4,000.00 Rec'd Yes X No___	**NOTE: All attachments need to bound and put in a binder before submitting.**	**Pages 1-4**

Permit Compliance Contact (Choose 1): Option B

Option B: Ryan Burrow
1700 ECR 115
Midland, Texas 79706
Office: (432) 262-4271
Cell: (432) 813-3060

Company Compliance Representative (Name, Address, Local Telephone) ***(ATTACH STATEMENT AS EXHIBIT A):***

Emergency Contact Representative (Name, Address, 24-Hour Tele. No.):
Ryan Burrow, Production Foreman for Endeavor Energy Resources, L.P.: Cell: 432-813-3060
Endeavor Energy Resources, L.P. -**24-Hour Emergency Hotline- 432-570-0186**
Midland Police Department: 911 or 432-685-7110
Midland Fire Department: 911
Ambulance: 911
Paramedics: 911

Other Permitted Wells in City ***(ATTACHED AS EXHIBIT B*** **[see § J(26)]).**

II. Mineral Ownership

Name(s) and Address(es) of Mineral Estate Lessors (under applicable lease): ***ATTACHED AS EXHIBIT C***

ATTACHED AS EXHIBIT C –is a letter from a licensed Texas Attorney indicating that the Operator has the legal right to develop the mineral estate that is the subject to this application. **[See § J(5)].**

III. Surface Ownership & Use

General Description of Current Surface Use (within 860 feet of proposed surface location): Open Pasture, Commercial and Residential

ATTACHED AS EXHIBIT D **are the most** ***Current Tax Cards from Midland Central Appraisal District,*** **which lists the name(s) and address(es) of all surface owners within 860 feet of the surface well location. [See § J(7)].**

ATTACHED AS EXHIBIT E **is a** ***(map/plat/satellite/aerial photo)*** **depicting all residences, commercial structures, public buildings, all publicly dedicated Streets and alleys, Rights of Way, and permanent accessory structures surrounding the proposed Drill Site. The** ***(map/p lat/satellite/aerial photo)*** **includes two circles, as required by the Ordinance—one depicting a 500 foot radius and one depicting an 860 foot radius from the proposed well's surface location. [See § J(10)].**

ATTACHED AS EXHIBIT F **is a copy of the notification letter(s) sent to one hundred (100%) percent of the surface owners, Certified Mail, Return Receipt Requested. [See § J(36)].**

IV. Well & Operations Information

Proposed Well Name: Interstate 5-32 Unit 2 #174

ATTACHED AS EXHIBIT G is **Proposed Hole Size, Casing Program and Cementing Program [See § J(11) and § L(4)]:**

Legal Description of Proposed Well Site:

Surface Hole Location: 166' FNL 1392' FWL, Section 8, Block 39, T-2-S, T&P RR Co Survey, Midland County, Texas

ATTACHED AS EXHIBIT G **is the Plat and Location Site Plan [See § J(9)].**

ATTACHED AS EXHIBIT H **is the Map with the proposed transportation route(s) and road(s) for equipment, chemicals, or refuse products used or produced in the proposed oil and gas operations. [See § J(12)].**

ATTACHED AS EXHIBIT I **is a copy of the approved Texas Railroad Commission permit to drill (Form W-1), together with all attachments** ***(also file copy of W-1 with City Secretary before commencement of drilling operations).*** **[See § J(16) and (20)].**

ATTACHED AS EXHIBIT J **is a copy of the required TCEQ report as to depth of usable quality ground water. [See § J(17)].**

ATTACHED AS EXHIBIT K **is the location agreement letter with current Surface Owner. [See § J(27)].**

ATTACHED AS EXHIBIT L **is the Fencing and Irrigation Plan. [See § J(30)].**

ATTACHED AS EXHIBIT M **is the Road Repair Agreement and** ***Letter of Credit/Certificate of Deposit/Surety Bond*** **in the amount of at least $75,000.** ***Option (if applicable): Applicant would further state that no City-owned streets or alleys will be used by the Operator in connection with its oil and gas operations and as a result, requests a waiver from the Council of this requirement. Option B (if applicable):*** **Because Applicant has three Road Repair Agreements in effect that have been approved by the Council, Applicant requests that the Council consolidate all agreements into one and is filing the necessary $75,000** ***letter of credit/certificate of deposit/surety bond*** **in conjunction with this request. [See § J(31)].**

ATTACHED AS EXHIBIT N **is the written Concept Plan and Site Plan. [See § J(32)].**

Description of Public Utilities required during (1) drilling and (2) operations:

(1) **Drilling:** Electricity Oncor: 1-888-313-6862

(2) **Operations:** Electricity Oncor: 1-888-313-6862

Description of water source to be used during Drilling: Operator will attempt to use water from the Santa Rosa Aquifer for most all drilling and completion purposes. Operator also has freshwater wells in the area, and will be utilizing a frac pond located outside of City limits.

Description of all electric lines to production facilities (reference exhibits as necessary)
ATTACHED AS EXHIBIT G. **[See § L(10)]**

Plan detailing construction, location, and closure of pits used for Drilling and Completion operations (attach exhibit if necessary)
ATTACHED AS EXHIBIT O. **[See § J(35)]**

V. Additional Required Exhibits

ATTACHED AS EXHIBIT P **is the *Blanket Bond and Rider* in accordance with Subsection (K)(2). [See § J(18)].**

ATTACHED AS EXHIBIT Q **is an Affidavit indicating that all taxes on personal and real property, including minerals, owned by Applicant are current. [See § J(29)].**

ATTACHED AS EXHIBIT R **is the required Insurance Certificate. [See § J(19) and § K(3)].**

ATTACHED AS EXHIBIT S (if applicable) **is the Drainage Plan approved by the City Engineer relating to Applicant's proposed operations. [See § J(21)].**

ATTACHED AS EXHIBIT T **is Applicant's Emergency Action Response Plan. [See § J(22)].**

ATTACHED AS EXHIBIT U **is Applicant's Hazardous Materials Management Plan, a copy of which has been submitted and is on file with the Midland Fire Department. [See § J(23)].**

ATTACHED AS EXHIBIT V **is Applicant's Summary List of Variances**

ATTACHED AS EXHIBIT W **is Acoustic Impact Study and Noise Mitigation Plan**

CERTIFICATION OF APPLICATION

I, **Alex Bedford**, Reservoir Engineer for Endeavor Energy Resources, L.P., hereby certify that the information contained in this application is true and correct.

Surface Hole Location: 166' FNL 1332' FWL, Section 8, Block 39, T-2-S, T&P RR Co Survey, Midland County, Texas

ATTACHED AS EXHIBIT G **is the Plat and Location Site Plan [See § J(9)].**

ATTACHED AS EXHIBIT H **is the Map with the proposed transportation route(s) and road(s) for equipment, chemicals, or refuse products used or produced in the proposed oil and gas operations. [See § J(12)].**

ATTACHED AS EXHIBIT I **is a copy of the approved Texas Railroad Commission permit to drill (Form W-1), together with all attachments** ***(also file copy of W-1 with City Secretary before commencement of drilling operations).*** **[See § J(16) and (20)].**

ATTACHED AS EXHIBIT J **is a copy of the required TCEQ report as to depth of usable quality ground water. [See § J(17)].**

ATTACHED AS EXHIBIT K **is the location agreement letter with current Surface Owner. [See § J(27)].**

ATTACHED AS EXHIBIT L **is the Fencing and Irrigation Plan. [See § J(30)].**

ATTACHED AS EXHIBIT M **is the Road Repair Agreement and** ***Letter of Credit/Certificate of Deposit/Surety Bond*** **in the amount of at least $75,000.** ***Option (if applicable): Applicant would further state that no City-owned streets or alleys will be used by the Operator in connection with its oil and gas operations and as a result, requests a waiver from the Council of this requirement. Option B (if applicable):*** **Because Applicant has three Road Repair Agreements in effect that have been approved by the Council, Applicant requests that the Council consolidate all agreements into one and is filing the necessary $75,000** ***letter of credit/certificate of deposit/surety bond*** **in conjunction with this request. [See § J(31)].**

ATTACHED AS EXHIBIT N **is the written Concept Plan and Site Plan. [See § J(32)].**

Description of Public Utilities required during (1) drilling and (2) operations:

(1) **Drilling:** Electricity Oncor: 1-888-313-6862

(2) **Operations:** Electricity Oncor: 1-888-313-6862

Description of water source to be used during Drilling: Operator will attempt to use water from the Santa Rosa Aquifer for most all drilling and completion purposes. Operator also has freshwater wells in the area, and will be utilizing a frac pond located outside of City limits.

Description of all electric lines to production facilities (reference exhibits as necessary)
ATTACHED AS EXHIBIT G. **[See § L(10)]**

Plan detailing construction, location, and closure of pits used for Drilling and Completion operations (attach exhibit if necessary)
ATTACHED AS EXHIBIT O. **[See § J(35)]**

V. Additional Required Exhibits

ATTACHED AS EXHIBIT P is the *Blanket Bond and Rider* in accordance with Subsection (K)(2). [See § J(18)].

ATTACHED AS EXHIBIT Q is an Affidavit indicating that all taxes on personal and real property, including minerals, owned by Applicant are current. [See § J(29)].

ATTACHED AS EXHIBIT R is the required Insurance Certificate. [See § J(19) and § K(3)].

ATTACHED AS EXHIBIT S (if applicable) is the Drainage Plan approved by the City Engineer relating to Applicant's proposed operations. [See § J(21)].

ATTACHED AS EXHIBIT T is Applicant's Emergency Action Response Plan. [See § J(22)].

ATTACHED AS EXHIBIT U is Applicant's Hazardous Materials Management Plan, a copy of which has been submitted and is on file with the Midland Fire Department. [See § J(23)].

ATTACHED AS EXHIBIT V is Applicant's Summary List of Variances

ATTACHED AS EXHIBIT W is Acoustic Impact Study and Noise Mitigation Plan

OIL AND GAS WELL PERMIT

The City Council of the City of Midland, Texas, at its regular meeting on November 16, 2021, considered the application of Endeavor Energy Resources, L.P. ("Operator") dated July 29, 2021, to drill an oil and gas well inside the territorial limits of the City of Midland, Texas. The City Council of the City of Midland, Texas, by appropriate action approved the application and authorized the issuance of this permit.

This documentation hereby constitutes a permit, issued in accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), to drill an oil and gas well as requested in Operator's application that has been filed with the Oil & Gas Compliance Coordinator and is incorporated herein for all legal purposes.

The location of Operator's Interstate 5-32 Unit 2 #173 oil and gas well shall be 167 feet from the north line and 1,732 feet from the west line, Section 8, Block 39, T-2-S, T&P RR Co. Survey, Midland County, Texas. The hole size, casing program, cement program and total depth of that well shall be in strict compliance with the proposed hole size, casing program, cementing program and proposed total depth found in Operator's application. Further, all operations done under this permit shall be done and accomplished in strict accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), which is hereby incorporated into this permit by reference and made applicable hereto with the same force and effect as if the same were copied fully in this permit, including, but not limited to, Subsections (K) through (Z).

This permit shall be effective from November 16, 2021 through November 16, 2022, and so long thereafter as oil or gas is produced, or until such time as Operator has permanently abandoned the operations of the well or facility for which this permit is issued.

The issuance of this permit by the City of Midland does not in any way alter or modify the rights as between the surface estate owner(s) and mineral estate owner(s) if there exists a severance of the surface estate and mineral estate. This permit in no way exempts Operator from its responsibilities or obligations as to third parties. The issuance of this permit only means that Operator has, at this time, complied with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance No. 8769) and that the Midland City Council, as a regulatory body, will allow Operator to proceed under the conditions of this permit. The issuance of this permit is intended to be only a negative pronouncement that grants no affirmative rights to the permittee to occupy the property. It is expressly provided that this permit does not authorize a trespass by the permittee as to any third party. This

permit does not in any way restrict the use of the surface estate. Securing a permit does not authorize Operator to act with impunity as to third parties, nor does it insulate Operator from the consequences of its actions with regard to those third parties. The receipt of a permit does not undertake to adjudicate property rights.

This permit granted by the City of Midland does not act to immunize Operator from civil tort liability from private parties for actions arising out of the use of the permit. This is because the permit is a "negative pronouncement" that grants no affirmative rights to the permittee. The issuance of this permit does not authorize any injury to persons or property or an invasion of other property rights, or any infringement of State or local law or regulations. Operator has obtained a permit from the City of Midland but the consequences of acting under the permit have not been immunized. The fact that the City of Midland has issued a permit to drill an oil and gas well does not shield Operator from third party tort liability stemming from the consequences of the permitted activity.

NOTWITHSTANDING ANY OTHER PROVISION, OPERATOR HEREBY RELEASES, ACQUITS, RELINQUISHES AND FOREVER DISCHARGES CITY OF MIDLAND, CITY OF MIDLAND'S EMPLOYEES AND OFFICERS, FROM ANY AND ALL DEMANDS, CLAIMS, DAMAGES OR CAUSES OF ACTION OF ANY KIND WHATSOEVER WHICH OPERATOR HAS OR MIGHT HAVE IN THE FUTURE, INCLUDING BUT NOT LIMITED TO BREACH OF CONTRACT, QUANTUM MERUIT, CLAIMS UNDER THE DUE PROCESS AND TAKING CLAUSES OF THE TEXAS AND UNITED STATES CONSTITUTIONS, TORT CLAIMS OR CITY OF MIDLAND'S NEGLIGENCE.

OPERATOR AGREES TO INDEMNIFY AND HOLD HARMLESS AND DEFEND THE CITY OF MIDLAND, THE CITY'S OFFICERS, AGENTS, AND EMPLOYEES FROM ANY AND ALL CLAIMS, LOSSES, DAMAGES, CAUSES OF ACTION, SUITS, AND LIABILITY OF ANY KIND, INCLUDING ALL EXPENSES OF LITIGATION, COURT COSTS, AND ATTORNEY'S FEES, FOR INJURY TO OR DEATH OF ANY PERSON, OR FOR DAMAGE TO ANY PROPERTY ARISING OUT OF OR IN CONNECTION WITH THE WORK DONE BY OPERATOR UNDER AN OIL AND GAS WELL PERMIT WHERE SUCH INJURIES, DEATH, OR DAMAGES ARE CAUSED BY OPERATOR'S SOLE NEGLIGENCE OR THE JOINT NEGLIGENCE OF THE OPERATOR AND ANY OTHER PERSON OR ENTITY.

A right-of-way license agreement approved by a resolution of the Midland City Council is required for any oil and/or gas flowline or pipeline or any other device associated with a proposed well site that extends into, on, above, in, under, across or through any City rights-of-way, including but not limited to streets, alleys, and utility and drainage rights-of-way.

If the well that is the subject of this permit is not located within the County of Midland, Texas, Operator shall notify the Midland Central Appraisal District of the following: (1) the well's location within the territorial limits of the City of Midland; and (2) that the City of

Midland is to be included as a taxing entity. Operator shall make said notification no later than 60 days after completion of the well.

The Midland City Council, in granting this permit, also grants the following variance(s):

1. The well shell be no closer than 386 feet of an occupied residence or commercial structure.
2. In lieu of constructing a perimeter fence around this permitted well, a perimeter fence around the well pad site may be constructed. Said perimeter fence around the well pad site shall, at a minimum, meet the requirements of Ordinance No. 8769.
3. Twenty-four hour hydraulic fracturing and completion operations are permitted.
4. No landscaping or irrigation is required because City water is not available.
5. Drill cuttings shall be removed from the surface location.

Sound walls shall be used during drilling and completion operations as noted in the application.

This permit shall constitute a written contract for purposes of insurance requirements.

In addition to the requirements of this permit and the Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), including, but not limited to Subsections (K) through (Z), Operator shall develop, maintain and operate the well described herein in accordance with the conditions, limitations and safeguards contained in Operator's application for said well.

GIVEN UNDER MY HAND AND SEAL OF OFFICE, THIS _____ day of November 2021.

OIL AND GAS WELL PERMIT

The City Council of the City of Midland, Texas, at its regular meeting on November 16, 2021, considered the application of Endeavor Energy Resources, L.P. ("Operator") dated July 29, 2021, to drill an oil and gas well inside the territorial limits of the City of Midland, Texas. The City Council of the City of Midland, Texas, by appropriate action approved the application and authorized the issuance of this permit.

This documentation hereby constitutes a permit, issued in accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), to drill an oil and gas well as requested in Operator's application that has been filed with the Oil & Gas Compliance Coordinator and is incorporated herein for all legal purposes.

The location of Operator's Interstate 5-32 Unit 2 #174 oil and gas well shall be 166 feet from the north line and 1,392 feet from the west line, Section 8, Block 39, T-2-S, T&P RR Co. Survey, Midland County, Texas. The hole size, casing program, cement program and total depth of that well shall be in strict compliance with the proposed hole size, casing program, cementing program and proposed total depth found in Operator's application. Further, all operations done under this permit shall be done and accomplished in strict accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), which is hereby incorporated into this permit by reference and made applicable hereto with the same force and effect as if the same were copied fully in this permit, including, but not limited to, Subsections (K) through (Z).

This permit shall be effective from November 16, 2021 through November 16, 2022, and so long thereafter as oil or gas is produced, or until such time as Operator has permanently abandoned the operations of the well or facility for which this permit is issued.

The issuance of this permit by the City of Midland does not in any way alter or modify the rights as between the surface estate owner(s) and mineral estate owner(s) if there exists a severance of the surface estate and mineral estate. This permit in no way exempts Operator from its responsibilities or obligations as to third parties. The issuance of this permit only means that Operator has, at this time, complied with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance No. 8769) and that the Midland City Council, as a regulatory body, will allow Operator to proceed under the conditions of this permit. The issuance of this permit is intended to be only a negative pronouncement that grants no affirmative rights to the permittee to occupy the property. It is expressly provided that this permit does not authorize a trespass by the permittee as to any third party. This

permit does not in any way restrict the use of the surface estate. Securing a permit does not authorize Operator to act with impunity as to third parties, nor does it insulate Operator from the consequences of its actions with regard to those third parties. The receipt of a permit does not undertake to adjudicate property rights.

This permit granted by the City of Midland does not act to immunize Operator from civil tort liability from private parties for actions arising out of the use of the permit. This is because the permit is a "negative pronouncement" that grants no affirmative rights to the permittee. The issuance of this permit does not authorize any injury to persons or property or an invasion of other property rights, or any infringement of State or local law or regulations. Operator has obtained a permit from the City of Midland but the consequences of acting under the permit have not been immunized. The fact that the City of Midland has issued a permit to drill an oil and gas well does not shield Operator from third party tort liability stemming from the consequences of the permitted activity.

NOTWITHSTANDING ANY OTHER PROVISION, OPERATOR HEREBY RELEASES, ACQUITS, RELINQUISHES AND FOREVER DISCHARGES CITY OF MIDLAND, CITY OF MIDLAND'S EMPLOYEES AND OFFICERS, FROM ANY AND ALL DEMANDS, CLAIMS, DAMAGES OR CAUSES OF ACTION OF ANY KIND WHATSOEVER WHICH OPERATOR HAS OR MIGHT HAVE IN THE FUTURE, INCLUDING BUT NOT LIMITED TO BREACH OF CONTRACT, QUANTUM MERUIT, CLAIMS UNDER THE DUE PROCESS AND TAKING CLAUSES OF THE TEXAS AND UNITED STATES CONSTITUTIONS, TORT CLAIMS OR CITY OF MIDLAND'S NEGLIGENCE.

OPERATOR AGREES TO INDEMNIFY AND HOLD HARMLESS AND DEFEND THE CITY OF MIDLAND, THE CITY'S OFFICERS, AGENTS, AND EMPLOYEES FROM ANY AND ALL CLAIMS, LOSSES, DAMAGES, CAUSES OF ACTION, SUITS, AND LIABILITY OF ANY KIND, INCLUDING ALL EXPENSES OF LITIGATION, COURT COSTS, AND ATTORNEY'S FEES, FOR INJURY TO OR DEATH OF ANY PERSON, OR FOR DAMAGE TO ANY PROPERTY ARISING OUT OF OR IN CONNECTION WITH THE WORK DONE BY OPERATOR UNDER AN OIL AND GAS WELL PERMIT WHERE SUCH INJURIES, DEATH, OR DAMAGES ARE CAUSED BY OPERATOR'S SOLE NEGLIGENCE OR THE JOINT NEGLIGENCE OF THE OPERATOR AND ANY OTHER PERSON OR ENTITY.

A right-of-way license agreement approved by a resolution of the Midland City Council is required for any oil and/or gas flowline or pipeline or any other device associated with a proposed well site that extends into, on, above, in, under, across or through any City rights-of-way, including but not limited to streets, alleys, and utility and drainage rights-of-way.

If the well that is the subject of this permit is not located within the County of Midland, Texas, Operator shall notify the Midland Central Appraisal District of the following: (1) the well's location within the territorial limits of the City of Midland; and (2) that the City of

Midland is to be included as a taxing entity. Operator shall make said notification no later than 60 days after completion of the well.

The Midland City Council, in granting this permit, also grants the following variance(s):

1. The well shell be no closer than 398 feet of an occupied residence or commercial structure.
2. In lieu of constructing a perimeter fence around this permitted well, a perimeter fence around the well pad site may be constructed. Said perimeter fence around the well pad site shall, at a minimum, meet the requirements of Ordinance No. 8769.
3. Twenty-four hour hydraulic fracturing and completion operations are permitted.
4. No landscaping or irrigation is required because City water is not available.
5. Drill cuttings shall be removed from the surface location.

Sound walls shall be used during drilling and completion operations as noted in the application.

This permit shall constitute a written contract for purposes of insurance requirements.

In addition to the requirements of this permit and the Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), including, but not limited to Subsections (K) through (Z), Operator shall develop, maintain and operate the well described herein in accordance with the conditions, limitations and safeguards contained in Operator's application for said well.

OIL AND GAS WELL PERMIT

The City Council of the City of Midland, Texas, at its regular meeting on November 16, 2021, considered the application of Endeavor Energy Resources, L.P. ("Operator") dated July 29, 2021, to drill an oil and gas well inside the territorial limits of the City of Midland, Texas. The City Council of the City of Midland, Texas, by appropriate action approved the application and authorized the issuance of this permit.

This documentation hereby constitutes a permit, issued in accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), to drill an oil and gas well as requested in Operator's application that has been filed with the Oil & Gas Compliance Coordinator and is incorporated herein for all legal purposes.

The location of Operator's Interstate 5-32 Unit 2 #182 oil and gas well shall be 166 feet from the north line and 1,352 feet from the west line, Section 8, Block 39, T-2-S, T&P RR Co. Survey, Midland County, Texas. The hole size, casing program, cement program and total depth of that well shall be in strict compliance with the proposed hole size, casing program, cementing program and proposed total depth found in Operator's application. Further, all operations done under this permit shall be done and accomplished in strict accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), which is hereby incorporated into this permit by reference and made applicable hereto with the same force and effect as if the same were copied fully in this permit, including, but not limited to, Subsections (K) through (Z).

This permit shall be effective from November 16, 2021 through November 16, 2022, and so long thereafter as oil or gas is produced, or until such time as Operator has permanently abandoned the operations of the well or facility for which this permit is issued.

The issuance of this permit by the City of Midland does not in any way alter or modify the rights as between the surface estate owner(s) and mineral estate owner(s) if there exists a severance of the surface estate and mineral estate. This permit in no way exempts Operator from its responsibilities or obligations as to third parties. The issuance of this permit only means that Operator has, at this time, complied with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance No. 8769) and that the Midland City Council, as a regulatory body, will allow Operator to proceed under the conditions of this permit. The issuance of this permit is intended to be only a negative pronouncement that grants no affirmative rights to the permittee to occupy the property. It is expressly provided that this permit does not authorize a trespass by the permittee as to any third party. This

permit does not in any way restrict the use of the surface estate. Securing a permit does not authorize Operator to act with impunity as to third parties, nor does it insulate Operator from the consequences of its actions with regard to those third parties. The receipt of a permit does not undertake to adjudicate property rights.

This permit granted by the City of Midland does not act to immunize Operator from civil tort liability from private parties for actions arising out of the use of the permit. This is because the permit is a "negative pronouncement" that grants no affirmative rights to the permittee. The issuance of this permit does not authorize any injury to persons or property or an invasion of other property rights, or any infringement of State or local law or regulations. Operator has obtained a permit from the City of Midland but the consequences of acting under the permit have not been immunized. The fact that the City of Midland has issued a permit to drill an oil and gas well does not shield Operator from third party tort liability stemming from the consequences of the permitted activity.

NOTWITHSTANDING ANY OTHER PROVISION, OPERATOR HEREBY RELEASES, ACQUITS, RELINQUISHES AND FOREVER DISCHARGES CITY OF MIDLAND, CITY OF MIDLAND'S EMPLOYEES AND OFFICERS, FROM ANY AND ALL DEMANDS, CLAIMS, DAMAGES OR CAUSES OF ACTION OF ANY KIND WHATSOEVER WHICH OPERATOR HAS OR MIGHT HAVE IN THE FUTURE, INCLUDING BUT NOT LIMITED TO BREACH OF CONTRACT, QUANTUM MERUIT, CLAIMS UNDER THE DUE PROCESS AND TAKING CLAUSES OF THE TEXAS AND UNITED STATES CONSTITUTIONS, TORT CLAIMS OR CITY OF MIDLAND'S NEGLIGENCE.

OPERATOR AGREES TO INDEMNIFY AND HOLD HARMLESS AND DEFEND THE CITY OF MIDLAND, THE CITY'S OFFICERS, AGENTS, AND EMPLOYEES FROM ANY AND ALL CLAIMS, LOSSES, DAMAGES, CAUSES OF ACTION, SUITS, AND LIABILITY OF ANY KIND, INCLUDING ALL EXPENSES OF LITIGATION, COURT COSTS, AND ATTORNEY'S FEES, FOR INJURY TO OR DEATH OF ANY PERSON, OR FOR DAMAGE TO ANY PROPERTY ARISING OUT OF OR IN CONNECTION WITH THE WORK DONE BY OPERATOR UNDER AN OIL AND GAS WELL PERMIT WHERE SUCH INJURIES, DEATH, OR DAMAGES ARE CAUSED BY OPERATOR'S SOLE NEGLIGENCE OR THE JOINT NEGLIGENCE OF THE OPERATOR AND ANY OTHER PERSON OR ENTITY.

A right-of-way license agreement approved by a resolution of the Midland City Council is required for any oil and/or gas flowline or pipeline or any other device associated with a proposed well site that extends into, on, above, in, under, across or through any City rights-of-way, including but not limited to streets, alleys, and utility and drainage rights-of-way.

If the well that is the subject of this permit is not located within the County of Midland, Texas, Operator shall notify the Midland Central Appraisal District of the following: (1) the well's location within the territorial limits of the City of Midland; and (2) that the City of

Midland is to be included as a taxing entity. Operator shall make said notification no later than 60 days after completion of the well.

The Midland City Council, in granting this permit, also grants the following variance(s):

1. The well shell be no closer than 371 feet of an occupied residence or commercial structure.
2. In lieu of constructing a perimeter fence around this permitted well, a perimeter fence around the well pad site may be constructed. Said perimeter fence around the well pad site shall, at a minimum, meet the requirements of Ordinance No. 8769.
3. Twenty-four hour hydraulic fracturing and completion operations are permitted.
4. No landscaping or irrigation is required because City water is not available.
5. Drill cuttings shall be removed from the surface location.

Sound walls shall be used during drilling and completion operations as noted in the application.

This permit shall constitute a written contract for purposes of insurance requirements.

In addition to the requirements of this permit and the Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), including, but not limited to Subsections (K) through (Z), Operator shall develop, maintain and operate the well described herein in accordance with the conditions, limitations and safeguards contained in Operator's application for said well.

OIL AND GAS WELL PERMIT

The City Council of the City of Midland, Texas, at its regular meeting on November 16, 2021, considered the application of Endeavor Energy Resources, L.P. ("Operator") dated July 29, 2021, to drill an oil and gas well inside the territorial limits of the City of Midland, Texas. The City Council of the City of Midland, Texas, by appropriate action approved the application and authorized the issuance of this permit.

This documentation hereby constitutes a permit, issued in accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), to drill an oil and gas well as requested in Operator's application that has been filed with the Oil & Gas Compliance Coordinator and is incorporated herein for all legal purposes.

The location of Operator's Interstate 5-32 Unit 2 #183 oil and gas well shall be 166 feet from the north line and 1,332 feet from the west line, Section 8, Block 39, T-2-S, T&P RR Co. Survey, Midland County, Texas. The hole size, casing program, cement program and total depth of that well shall be in strict compliance with the proposed hole size, casing program, cementing program and proposed total depth found in Operator's application. Further, all operations done under this permit shall be done and accomplished in strict accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), which is hereby incorporated into this permit by reference and made applicable hereto with the same force and effect as if the same were copied fully in this permit, including, but not limited to, Subsections (K) through (Z).

This permit shall be effective from November 16, 2021 through November 16, 2022, and so long thereafter as oil or gas is produced, or until such time as Operator has permanently abandoned the operations of the well or facility for which this permit is issued.

The issuance of this permit by the City of Midland does not in any way alter or modify the rights as between the surface estate owner(s) and mineral estate owner(s) if there exists a severance of the surface estate and mineral estate. This permit in no way exempts Operator from its responsibilities or obligations as to third parties. The issuance of this permit only means that Operator has, at this time, complied with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance No. 8769) and that the Midland City Council, as a regulatory body, will allow Operator to proceed under the conditions of this permit. The issuance of this permit is intended to be only a negative pronouncement that grants no affirmative rights to the permittee to occupy the property. It is expressly provided that this permit does not authorize a trespass by the permittee as to any third party. This

permit does not in any way restrict the use of the surface estate. Securing a permit does not authorize Operator to act with impunity as to third parties, nor does it insulate Operator from the consequences of its actions with regard to those third parties. The receipt of a permit does not undertake to adjudicate property rights.

This permit granted by the City of Midland does not act to immunize Operator from civil tort liability from private parties for actions arising out of the use of the permit. This is because the permit is a "negative pronouncement" that grants no affirmative rights to the permittee. The issuance of this permit does not authorize any injury to persons or property or an invasion of other property rights, or any infringement of State or local law or regulations. Operator has obtained a permit from the City of Midland but the consequences of acting under the permit have not been immunized. The fact that the City of Midland has issued a permit to drill an oil and gas well does not shield Operator from third party tort liability stemming from the consequences of the permitted activity.

NOTWITHSTANDING ANY OTHER PROVISION, OPERATOR HEREBY RELEASES, ACQUITS, RELINQUISHES AND FOREVER DISCHARGES CITY OF MIDLAND, CITY OF MIDLAND'S EMPLOYEES AND OFFICERS, FROM ANY AND ALL DEMANDS, CLAIMS, DAMAGES OR CAUSES OF ACTION OF ANY KIND WHATSOEVER WHICH OPERATOR HAS OR MIGHT HAVE IN THE FUTURE, INCLUDING BUT NOT LIMITED TO BREACH OF CONTRACT, QUANTUM MERUIT, CLAIMS UNDER THE DUE PROCESS AND TAKING CLAUSES OF THE TEXAS AND UNITED STATES CONSTITUTIONS, TORT CLAIMS OR CITY OF MIDLAND'S NEGLIGENCE.

OPERATOR AGREES TO INDEMNIFY AND HOLD HARMLESS AND DEFEND THE CITY OF MIDLAND, THE CITY'S OFFICERS, AGENTS, AND EMPLOYEES FROM ANY AND ALL CLAIMS, LOSSES, DAMAGES, CAUSES OF ACTION, SUITS, AND LIABILITY OF ANY KIND, INCLUDING ALL EXPENSES OF LITIGATION, COURT COSTS, AND ATTORNEY'S FEES, FOR INJURY TO OR DEATH OF ANY PERSON, OR FOR DAMAGE TO ANY PROPERTY ARISING OUT OF OR IN CONNECTION WITH THE WORK DONE BY OPERATOR UNDER AN OIL AND GAS WELL PERMIT WHERE SUCH INJURIES, DEATH, OR DAMAGES ARE CAUSED BY OPERATOR'S SOLE NEGLIGENCE OR THE JOINT NEGLIGENCE OF THE OPERATOR AND ANY OTHER PERSON OR ENTITY.

A right-of-way license agreement approved by a resolution of the Midland City Council is required for any oil and/or gas flowline or pipeline or any other device associated with a proposed well site that extends into, on, above, in, under, across or through any City rights-of-way, including but not limited to streets, alleys, and utility and drainage rights-of-way.

If the well that is the subject of this permit is not located within the County of Midland, Texas, Operator shall notify the Midland Central Appraisal District of the following: (1) the well's location within the territorial limits of the City of Midland; and (2) that the City of

Midland is to be included as a taxing entity. Operator shall make said notification no later than 60 days after completion of the well.

The Midland City Council, in granting this permit, also grants the following variance(s):

1. The well shell be no closer than 357 feet of an occupied residence or commercial structure.
2. In lieu of constructing a perimeter fence around this permitted well, a perimeter fence around the well pad site may be constructed. Said perimeter fence around the well pad site shall, at a minimum, meet the requirements of Ordinance No. 8769.
3. Twenty-four hour hydraulic fracturing and completion operations are permitted.
4. No landscaping or irrigation is required because City water is not available.
5. Drill cuttings shall be removed from the surface location.

Sound walls shall be used during drilling and completion operations as noted in the application.

This permit shall constitute a written contract for purposes of insurance requirements.

In addition to the requirements of this permit and the Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), including, but not limited to Subsections (K) through (Z), Operator shall develop, maintain and operate the well described herein in accordance with the conditions, limitations and safeguards contained in Operator's application for said well.

OIL AND GAS WELL PERMIT

The City Council of the City of Midland, Texas, at its regular meeting on November 16, 2021, considered the application of Endeavor Energy Resources, L.P. ("Operator") dated July 29, 2021, to drill an oil and gas well inside the territorial limits of the City of Midland, Texas. The City Council of the City of Midland, Texas, by appropriate action approved the application and authorized the issuance of this permit.

This documentation hereby constitutes a permit, issued in accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), to drill an oil and gas well as requested in Operator's application that has been filed with the Oil & Gas Compliance Coordinator and is incorporated herein for all legal purposes.

The location of Operator's Interstate 5-32 Unit 2 #281 oil and gas well shall be 166 feet from the north line and 1,312 feet from the west line, Section 8, Block 39, T-2-S, T&P RR Co. Survey, Midland County, Texas. The hole size, casing program, cement program and total depth of that well shall be in strict compliance with the proposed hole size, casing program, cementing program and proposed total depth found in Operator's application. Further, all operations done under this permit shall be done and accomplished in strict accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), which is hereby incorporated into this permit by reference and made applicable hereto with the same force and effect as if the same were copied fully in this permit, including, but not limited to, Subsections (K) through (Z).

This permit shall be effective from November 16, 2021 through November 16, 2022, and so long thereafter as oil or gas is produced, or until such time as Operator has permanently abandoned the operations of the well or facility for which this permit is issued.

The issuance of this permit by the City of Midland does not in any way alter or modify the rights as between the surface estate owner(s) and mineral estate owner(s) if there exists a severance of the surface estate and mineral estate. This permit in no way exempts Operator from its responsibilities or obligations as to third parties. The issuance of this permit only means that Operator has, at this time, complied with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance No. 8769) and that the Midland City Council, as a regulatory body, will allow Operator to proceed under the conditions of this permit. The issuance of this permit is intended to be only a negative pronouncement that grants no affirmative rights to the permittee to occupy the property. It is expressly provided that this permit does not authorize a trespass by the permittee as to any third party. This

permit does not in any way restrict the use of the surface estate. Securing a permit does not authorize Operator to act with impunity as to third parties, nor does it insulate Operator from the consequences of its actions with regard to those third parties. The receipt of a permit does not undertake to adjudicate property rights.

This permit granted by the City of Midland does not act to immunize Operator from civil tort liability from private parties for actions arising out of the use of the permit. This is because the permit is a "negative pronouncement" that grants no affirmative rights to the permittee. The issuance of this permit does not authorize any injury to persons or property or an invasion of other property rights, or any infringement of State or local law or regulations. Operator has obtained a permit from the City of Midland but the consequences of acting under the permit have not been immunized. The fact that the City of Midland has issued a permit to drill an oil and gas well does not shield Operator from third party tort liability stemming from the consequences of the permitted activity.

NOTWITHSTANDING ANY OTHER PROVISION, OPERATOR HEREBY RELEASES, ACQUITS, RELINQUISHES AND FOREVER DISCHARGES CITY OF MIDLAND, CITY OF MIDLAND'S EMPLOYEES AND OFFICERS, FROM ANY AND ALL DEMANDS, CLAIMS, DAMAGES OR CAUSES OF ACTION OF ANY KIND WHATSOEVER WHICH OPERATOR HAS OR MIGHT HAVE IN THE FUTURE, INCLUDING BUT NOT LIMITED TO BREACH OF CONTRACT, QUANTUM MERUIT, CLAIMS UNDER THE DUE PROCESS AND TAKING CLAUSES OF THE TEXAS AND UNITED STATES CONSTITUTIONS, TORT CLAIMS OR CITY OF MIDLAND'S NEGLIGENCE.

OPERATOR AGREES TO INDEMNIFY AND HOLD HARMLESS AND DEFEND THE CITY OF MIDLAND, THE CITY'S OFFICERS, AGENTS, AND EMPLOYEES FROM ANY AND ALL CLAIMS, LOSSES, DAMAGES, CAUSES OF ACTION, SUITS, AND LIABILITY OF ANY KIND, INCLUDING ALL EXPENSES OF LITIGATION, COURT COSTS, AND ATTORNEY'S FEES, FOR INJURY TO OR DEATH OF ANY PERSON, OR FOR DAMAGE TO ANY PROPERTY ARISING OUT OF OR IN CONNECTION WITH THE WORK DONE BY OPERATOR UNDER AN OIL AND GAS WELL PERMIT WHERE SUCH INJURIES, DEATH, OR DAMAGES ARE CAUSED BY OPERATOR'S SOLE NEGLIGENCE OR THE JOINT NEGLIGENCE OF THE OPERATOR AND ANY OTHER PERSON OR ENTITY.

A right-of-way license agreement approved by a resolution of the Midland City Council is required for any oil and/or gas flowline or pipeline or any other device associated with a proposed well site that extends into, on, above, in, under, across or through any City rights-of-way, including but not limited to streets, alleys, and utility and drainage rights-of-way.

If the well that is the subject of this permit is not located within the County of Midland, Texas, Operator shall notify the Midland Central Appraisal District of the following: (1) the well's location within the territorial limits of the City of Midland; and (2) that the City of

Midland is to be included as a taxing entity. Operator shall make said notification no later than 60 days after completion of the well.

The Midland City Council, in granting this permit, also grants the following variance(s):

1. The well shell be no closer than 344 feet of an occupied residence or commercial structure.
2. In lieu of constructing a perimeter fence around this permitted well, a perimeter fence around the well pad site may be constructed. Said perimeter fence around the well pad site shall, at a minimum, meet the requirements of Ordinance No. 8769.
3. Twenty-four hour hydraulic fracturing and completion operations are permitted.
4. No landscaping or irrigation is required because City water is not available.
5. Drill cuttings shall be removed from the surface location.

Sound walls shall be used during drilling and completion operations as noted in the application.

This permit shall constitute a written contract for purposes of insurance requirements.

In addition to the requirements of this permit and the Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), including, but not limited to Subsections (K) through (Z), Operator shall develop, maintain and operate the well described herein in accordance with the conditions, limitations and safeguards contained in Operator's application for said well.

City Council Agenda

MEETING DATE: November 16, 2021

TO: CITY COUNCIL/CITY MANAGER

FROM: Ron Jenkins, Oil & Gas Coordinator

SUBJECT: **RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE AN OIL AND GAS LEASE TO MIDLAND-PETRO D.C. PARTNERS, LLC COVERING THE CITY-OWNED MINERALS LOCATED IN PORTIONS OF SECTIONS 14, 15, 22, 23, AND 26, ALL OUT OF BLOCK 39, T-1-S, T&P RR CO. SURVEY, CITY AND COUNTY OF MIDLAND, TEXAS, AS MORE PARTICULARLY DESCRIBED IN SAID OIL AND GAS LEASE (SAID ACREAGE INCLUDING ACREAGE LOCATED AT MIDLAND AIRPARK AIRPORT AND ADJACENT CITY-OWNED TRACTS OF LAND AND BEING GENERALLY LOCATED SOUTH OF EAST LOOP 250 NORTH, EAST OF NORTH GARFIELD STREET, NORTH OF ILLINOIS AVENUE, AND WEST OF NORTH LAMESA ROAD), SAID LEASE TO REQUIRE COMPLIANCE WITH ALL APPLICABLE ORDINANCES, LAWS, RULES AND REGULATIONS; AUTHORIZING THE CITY MANAGER TO EXECUTE A SURFACE USE AGREEMENT PROVIDING FOR DRILLING AND PRODUCTION OPERATIONS LOCATED ON TWO TRACTS OF LAND TOTALING APPROXIMATELY 607 ACRES OUT OF SECTIONS 14 AND 15, BOTH IN BLOCK 39, T-1-S, T&P RR CO. SURVEY, CITY AND COUNTY OF MIDLAND, TEXAS, AS MORE PARTICULARLY DESCRIBED IN SAID SURFACE USE AGREEMENT; AND CONSENTING TO MIDLAND-PETRO D.C. PARTNERS, LLC'S ASSIGNMENT OF OPERATORSHIP OF SAID OIL AND GAS LEASE TO PERMIAN DEEP ROCK OIL COMPANY, LLC (DISTRICT:3) (DEVELOPMENT SERVICES)**

Purpose:

Consider a resolution approving an oil and gas lease and surface use agreement, as listed prior.

Recommended City Council Action

☒ Approve ☐ Deny ☐ Direction/Informational

Fiscal Impact:

Funding is not required at this time.

Discussion:

Description of Land:

Approximately 337.08 surface acres in Section 15, Block 39, T-1-S, T&P R.R. Co. Survey, Midland County, Texas;

Approximately 114.37 surface acres in Section 14, Block 39, T-1-S, T&P R.R. Co. Survey, Midland County, Texas;

Approximately 68.61 surface acres in Section 22, Block 39, T-1-S, T&P R.R. Co. Survey, Midland County, Texas;

Approximately 9.11 surface acres in Section 23, Block 39, T-1-S, T&P R.R. Co. Survey, Midland County, Texas; and

Approximately 6.74 surface acres in Section 26, Block 39, T-1-S, T&P R.R. Co. Survey, Midland County, Texas.

Midland Petro D.C. Partners, LLC has proposed a bonus of $12,500.00 per net mineral acre owned by the City of Midland, totaling $9,293,250.00. Breakdown:

Section 15	537.21 net acres	X $12,500.00	= $6,715,125.00
Section 14	103.80 net acres	X $12,500.00	= $1,297,500.00
Section 22	85.26 net acres	X $12,500.00	= $1,065,750.00
Section 23	10.45 net acres	X $12,500.00	= $ 130,625.00
Section 26	6.74 net acres	X $12,500.00	= $ 84,250.00
Total	743.46 net acres	X $12,500.00	= $9,293,250.00

A Surface Use Agreement will allow drill sites on the surface of this city owned property, but no tank battery facilities. The surface agreement would be for the area near the Citizens Collection Station using 16.87 acres. Lessee agrees that it will comply in all its operations with all applicable ordinances, including, without limitation, the City of Midland Oil and Gas Drilling requirements as applied under current Ordinance 8769, as codified in the City of Midland Municipal Code Section 6-1-23. Agreement highlights include: $750,000.00 payment to reconstruct Veterans Airpark; landscaping; use of quiet frac fleet system; closed loop mud system- no reserve pit; 24 ft. sound walls all sides; temporary access to well sites off Big Spring; safety control when moving in drilling rig and equipment; and payment of 1 million in relocation of the Citizens Collection Center within 5 years.

RESOLUTION NO. _____

RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE AN OIL AND GAS LEASE TO MIDLAND-PETRO D.C. PARTNERS, LLC COVERING THE CITY-OWNED MINERALS LOCATED IN PORTIONS OF SECTIONS 14, 15, 22, 23, AND 26, ALL OUT OF BLOCK 39, T-1-S, T&P RR CO. SURVEY, CITY AND COUNTY OF MIDLAND, TEXAS, AS MORE PARTICULARLY DESCRIBED IN SAID OIL AND GAS LEASE (SAID ACREAGE INCLUDING ACREAGE LOCATED AT MIDLAND AIRPARK AIRPORT AND ADJACENT CITY-OWNED TRACTS OF LAND AND BEING GENERALLY LOCATED SOUTH OF EAST LOOP 250 NORTH, EAST OF NORTH GARFIELD STREET, NORTH OF ILLINOIS AVENUE, AND WEST OF NORTH LAMESA ROAD), SAID LEASE TO REQUIRE COMPLIANCE WITH ALL APPLICABLE ORDINANCES, LAWS, RULES AND REGULATIONS; AUTHORIZING THE CITY MANAGER TO EXECUTE A SURFACE USE AGREEMENT PROVIDING FOR DRILLING AND PRODUCTION OPERATIONS LOCATED ON TWO TRACTS OF LAND TOTALING APPROXIMATELY 607 ACRES OUT OF SECTIONS 14 AND 15, BOTH IN BLOCK 39, T-1-S, T&P RR CO. SURVEY, CITY AND COUNTY OF MIDLAND, TEXAS, AS MORE PARTICULARLY DESCRIBED IN SAID SURFACE USE AGREEMENT; AND CONSENTING TO MIDLAND-PETRO D.C. PARTNERS, LLC'S ASSIGNMENT OF OPERATORSHIP OF SAID OIL AND GAS LEASE TO PERMIAN DEEP ROCK OIL COMPANY, LLC

WHEREAS, the City Manager advertised a request for proposals for the lease of City-owned minerals located in the tract of land described in the caption hereof (the "Minerals"); and

WHEREAS, Proposal No. 01-18 was opened on April 17, 2018, with proposals having been submitted by two firms; and

WHEREAS, after reviewing the proposals, the staff recommends that the City execute an oil and gas lease to Midland-Petro D.C. Partners, LLC covering the Minerals and a related surface use agreement; and

WHEREAS, the City Council adopts the recommendation of the staff and finds it to be in the public interest to authorize the City Manager to execute, on behalf of the City of Midland, an oil and gas lease to Midland-Petro D.C. Partners, LLC covering the Minerals, said lease to require compliance with all applicable ordinances, laws, rules and

regulations of each governmental, municipal and regulatory authority having jurisdiction over operations associated with said lease; and

WHEREAS, the City Council finds it to be in the public interest to authorize the City Manager to execute, on behalf of the City of Midland, a surface use agreement with Midland-Petro D.C. Partners, LLC; and

WHEREAS, Midland-Petro D. C. Partners, LLC desires to assign operatorship of the above-referenced lease of the Minerals to Permian Deep Rock Oil Company, LLC and has requested the consent of the City of Midland to such assignment for purposes of both the lease of the Minerals and the above-referenced surface use agreement;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF MIDLAND, TEXAS:

SECTION ONE. That subject to Section Four hereof, the City Manager is hereby authorized and directed to execute, on behalf of the City of Midland, an oil and gas lease to Midland-Petro D.C. Partners, LLC covering the Minerals, said lease to require compliance with all applicable ordinances, laws, rules and regulations of each governmental, municipal and regulatory authority having jurisdiction over operations associated with said lease. Said oil and gas lease shall be in a form substantially similar to Exhibit "A", which is attached hereto and incorporated herein for all purposes. Minor alterations to the descriptions of the subject property shall not prevent the oil and gas lease from being considered substantially similar to Exhibit "A".

SECTION TWO. That subject to Section Four hereof, the City Manager is hereby authorized and directed to execute, on behalf of the City of Midland, a surface use agreement with Midland-Petro D.C. Partners, LLC. Said surface use agreement shall be in a form substantially similar to Exhibit "B", which is attached hereto and incorporated herein for all purposes. Minor alterations to the descriptions of the subject property shall not prevent the surface use agreement from being considered substantially similar to Exhibit "B".

SECTION THREE. That subject to Section Four hereof, the City Manager is hereby authorized and directed to negotiate and execute, on behalf of the City of Midland,

any other agreements or documents necessary or appropriate to effect said lease and production of the Minerals.

SECTION FOUR. That the authority granted to the City Manager to execute the aforementioned lease, surface use agreement and other agreements and documents is conditioned upon the City receiving all necessary approvals from the Federal Aviation Administration.

SECTION FIVE. That the City Manager is hereby authorized and directed to ensure that the lease and all agreements and documents executed in accordance with this resolution are placed on file in the office of the City Secretary, referenced by the date and number of this resolution.

SECTION SIX. That the City of Midland hereby consents to the assignment of operatorship of the above-referenced lease of the Minerals to Permian Deep Rock Oil Company, LLC for purposes of both the lease of the Minerals and the above-referenced surface use agreement. Such consent is not and shall not be deemed to be any consent to any subsequent assignment of operatorship or of any other interest in the above-referenced lease of the Minerals or in the above-referenced surface use agreement to any other person or entity.

On motion of Council member _____, seconded by Council member _____, the above and foregoing resolution was adopted by the City Council of the City of Midland at a regular meeting on the _____ day of _____, A.D., 2021, by the following vote:

EXHIBIT "A" TO RESOLUTION

OIL AND GAS LEASE

THIS AGREEMENT IS EFFECTIVE the _____ day of _____, 2021, between the City of Midland, Texas, whose address is 300 N. Loraine, Midland, Texas, 79701, Attention: City Manager, hereinafter called "Lessor", and Midland-Petro D. C. Partners, LLC, whose address is PO Box 2071, Midland, TX 79702, hereinafter called "Lessee".

1. Lessor in consideration of Ten and No/100 Dollars ($10.00) and other valuable consideration, subject to the provisions of paragraph 28 herein, receipt of which is hereby acknowledged, for the royalties herein provided and the covenants, agreements and obligations hereinafter set forth and contained, hereby grants, leases and lets unto Lessee the land covered hereby for the purposes and with the exclusive right of exploring, drilling and operating for, producing and owning oil and gas. The land covered hereby (herein "said land", "Leased Premises" or "Premises"), is located in the county of Midland, State of Texas, and is described as shown in Exhibit "A" attached hereto and made a part hereof for all purposes.

For the purpose of determining the amount of any bonus initially paid hereunder said land shall be deemed to contain 743.46 net acres, whether actually containing more or less. In the event it is subsequently determined that said land includes more than 743.46 net acres, then for purposes of determining the amount of any bonus, royalty or other payment hereunder said land shall be deemed to contain such actual number of net acres.

Lessor expressly reserves all minerals other than oil and gas. Notwithstanding anything to the contrary contained herein, in the event Lessor owns any surface rights in said land, Lessor expressly reserves all such surface rights, it being expressly understood and agreed that if Lessor owns any surface rights in said land, Lessee shall have no right to use the surface of said land, even insofar as such use might be reasonable and necessary to the enjoyment of the oil and gas leasehold estate conveyed hereby or as might be reasonable and necessary to its enjoyment of any mineral interests covering all or part of said land, save and except to the extent any surface rights are expressly granted to Lessee by separate surface use agreement entered into between Lessor and Lessee or by separate written consent of Lessor acting by and through the City Manager or other authorized designee.

2. Subject to the other provisions herein contained, this lease shall be for a term of three (3) years from this date (called "primary term") and as long thereafter as oil and/or gas is produced in paying quantities from said land. "Paying quantities" as used in this lease shall mean the interest in production of oil and gas acquired by Lessee herein after the deduction of (1) royalties provided for herein, and (2) all of the non-cost-bearing leasehold burdens of whatever nature owned by third parties which were created by Lessee, its heirs, successors and permitted assigns, sufficient to yield a return in excess of operating expenses. "Operating expenses" for purposes hereof shall mean expenses of operation including reasonable overhead expenses, and exclusive of drilling, completing, casing repair and equipping expenses. All of the foregoing shall be calculated based upon the six (6) calendar months immediately preceding the date of such calculation.

3. When production of oil and/or gas is secured during the term of this lease, Lessee covenants and agrees to pay or cause to be paid to Lessor, at its address shown above, the following royalties which are hereby reserved and retained by Lessor:

(a) Oil. Royalty on oil, which is defined as including all hydrocarbons produced in a liquid form at the mouth of the well and also as all condensate, distillate and other liquid hydrocarbons recovered from oil or gas run through a separator or other equipment as hereinafter provided, shall be one-fourth (1/4) of that produced and saved from said land, with Lessee agreeing that in no event shall the proceeds of production received by Lessor be less than one-fourth (1/4) of the actual proceeds of production received by Lessee, or any affiliate of Lessee, for its share of the oil produced from said land.

(b) Gas. Royalty on any gas which is defined as all hydrocarbons and gaseous substances not defined as oil in subparagraph (a) above produced from any well on said land (except as provided herein with respect to gas processed in a plant where there is extraction of gasoline, liquid hydrocarbons or other products) shall be one-fourth (1/4) of that produced and saved from said land, with Lessee agreeing that in no event shall the proceeds of production received by Lessor be less than one-fourth (1/4) of the actual proceeds of production received by Lessee, or any affiliate of Lessee, for its share of the gas produced from said land.

(c) Other Products. Royalty on carbon black, sulphur or any other products produced or manufactured from gas (excepting liquid hydrocarbons) whether said gas be "casinghead", "dry" or any other gas, by fractioning, burning or any other processing shall be one-fourth (1/4) of that produced and saved from said land, with Lessee agreeing that in no event shall the proceeds of production received by Lessor be less than one-fourth (1/4) of the actual proceeds of production received by Lessee, or any affiliate of Lessee, for its share of such products produced and saved from said land.

4. If Lessee enters into a gas purchase contract which contains what is commonly referred to as a "take or pay provision" (such provision meaning that the gas purchaser agrees to take delivery of a specified minimum volume or quantity of gas over a specified term at a specified price or to make minimum periodic payments to producer for gas not taken by the purchaser) and the purchaser under such gas purchase contract makes payments to Lessee by virtue of such purchaser's failure to take delivery of such minimum volume or quantity of gas, then Lessor shall be entitled to one-fourth (1/4) of all such sums paid to Lessee or producer under the "pay" provisions of such gas purchase contract. Said royalty payments shall be due and owing to Lessor within sixty (60) days after receipt of such payments by Lessee. Any royalty payments made to Lessor under the "pay" obligation of any "take or pay" gas purchase contract shall be applied as a credit towards Lessee's royalty obligation. If the gas

purchaser makes up such gas within the period called for in the gas purchase contract, and Lessee is required to give such purchaser a credit for gas previously paid for but not taken, then Lessor shall not be entitled to royalty on such make-up gas. If Lessee is not producing gas in paying quantities from the Leased Premises but is receiving payments under the "pay" portion of such "take or pay" gas purchase contract provision, such payments shall not relieve Lessee of the duty to make shut-in royalty payments if Lessee desires to continue this lease, but such "take or pay" royalty payments shall be applied as a credit against any shut-in royalty obligation of the Lessee. Lessor shall be a third party beneficiary of any gas purchase contract and/or transportation agreement entered into between Lessee and any purchase and/or transporter or pipeline company of Lessor's gas, irrespectively of any provision of said contracts to the contrary. Further, Lessor shall be entitled to one-fourth (1/4) of the value of any benefits obtained by or granted to Lessee from any gas purchaser and/or transporter from the amendment, modification, extension, alteration, consolidation, transfer, translation or settlement of any gas purchase contract and/or transportation agreement.

5. Notwithstanding anything contained in paragraph 3 or elsewhere in this lease to the contrary, Lessor at any time on sixty (60) days prior notice in writing to Lessee, may require that payment of all or any part of the royalties accrued to Lessor under this lease on oil, gas or any product be made in kind effective as of the first day of the calendar month next following the expiration of said sixty (60) day period or if payment of any such royalties are then being made to Lessor in kind, require that such in kind payment cease and that payment of such royalties thereafter be made as provided in paragraph 3 of this lease. In the event Lessor elects to take in kind, Lessee shall make all its leasehold and pipeline facilities available for Lessor's use with reasonable charge therefor but not to include any charges for capitalized costs or depreciation.

6. Notwithstanding any provisions of paragraph 3 herein to the contrary, if gas or gas-condensate and/or other liquefiable hydrocarbon should be discovered on said land in paying quantities, and after the expiration of the primary term or in the event that this lease is not maintained in effect by any other provision, and such substance or substances are not being sold or used for lack of a suitable market, Lessee may pay as royalty (called "shut-in royalty") the sum of Two Thousand and no/100 Dollars ($2,000.00) per well that traverses the actual Leased Premises, without proportionate reduction, each year commencing on or before ninety (90) days after the well is shut-in or this lease ceases to be maintained in effect pursuant to any other provision, whichever is later, and annually thereafter. Said payment may be mailed to Lessor at its address stated herein on or before said due date. If shut-in royalty is paid, the well or wells for which such payment is made shall be considered for all purposes of this lease to be producing gas in paying quantities; provided that the term of this lease may not be extended after the expiration of the primary term solely by the payment of shut-in royalty for any single period exceeding two (2) consecutive years.

7. Within one hundred twenty (120) days following the date of first sale of oil and/or gas produced from the Leased Premises, all royalties from such production due Lessor by virtue of this lease shall be paid to Lessor or its agent, successors and/or assigns, and such royalties shall be paid on a monthly basis thereafter. If said initial payment is not so made, this lease shall be subject to termination by Lessor by notice in writing to Lessee as described below. From and after the date the initial payment is made all further payments of oil royalty shall be made within thirty (30) days following the last day of the month during which production occurred and with respect to gas within sixty (60) days following the last day of the month during which gas production occurred. In the event such initial or further payments are not so made, Lessor shall have the right to terminate this lease by furnishing a written notice to Lessee and such termination shall be effective sixty (60) days from the date such notice is mailed. Termination of this lease, however, shall not take effect if payment is received by Lessor within sixty (60) days after Lessee's receipt of said notice or Lessee has given written notice of reasonable basis for such non-payment and all undisputed royalties then due are paid within said sixty (60) days. Any royalties provided for in this lease which are suspended or not paid to Lessor within the time period specified therefor shall accrue interest, at the highest lawful rate per annum from due date until paid. Acceptance by Lessor of royalties which are past due shall not act as a waiver of its rights to receive or recover any and all interest due thereon under the provisions hereof.

As security for the payment of the royalties hereunder, Lessee agrees by acceptance hereof that Lessor shall have a first lien and security interest upon the leasehold estate created hereby, the personal property and equipment thereon and the proceeds of production accruing to both Lessor and Lessee and that this lease shall be sufficient as a security agreement and financing statement in all respects.

8. Lessee may at any time and from time to time execute and deliver to Lessor or file for record a release or releases of this lease as to any part or all of said land. At such time as this lease or a portion thereof has terminated and Lessor makes a demand for such a release, Lessee shall promptly execute and deliver such release to Lessor, failing in which Lessee shall be liable at the rate of One Hundred and No/100 Dollars ($100.00) per day after the thirtieth (30^{th}) day following receipt of Lessor's request, until such release is delivered to Lessor. Failure to deliver a release as provided herein shall entitle Lessor to file a Notice of Termination in the real property records of Midland County designating those parts of the Leased Premises as to which the lease has terminated.

9. Subject to the provisions of paragraph 10 hereof, if after the expiration of the primary term the production of oil or gas should cease from any cause, this lease shall remain in force as long as additional drilling or reworking operations are conducted upon said land with no cessation of more than sixty (60) consecutive days in a good faith effort to discover and produce oil and/or gas and so long thereafter as oil or gas is produced in paying quantities.

10. Notwithstanding anything herein contained to the contrary, at the end of the primary term this lease shall terminate unless Lessee has secured production or is then conducting drilling and/or completion operations on the Leased Premises or on lands pooled together therewith under the terms of this lease or otherwise combined

together therewith under the terms of an agreement executed by both Lessor and Lessee; then, in either event, this lease shall remain in force and effect for one hundred twenty (120) days from the later of the expiration of the primary term or the completion of the last well commenced prior to the expiration of the primary term, then for so long thereafter as Lessee is engaged in continuous drilling operations on said lands with not more than one hundred twenty (120) days elapsing between the completion or abandonment of one well and the commencement of actual drilling operations on the next well; provided, however, that in the event less than one hundred twenty (120) days elapse between the completion or abandonment of one well and the commencement of actual drilling operations on the next well, Lessee shall be permitted to accumulate any unused portion of the 120 day period and add the unused days to the time for drilling any subsequent well so that the time between wells shall in such event be the sum of 120 days plus the sum of all unused days. Accumulated days between wells shall be carried over and accumulated from well to well until all days provided for and accumulated are finally used or exhausted. For purposes of this paragraph, "completion" shall be defined as the date the drilling rig that drilled the applicable well is released, but in no event more than sixty (60) days after total measured depth is reached in the applicable well. Upon Lessee's failure so to drill, this lease shall terminate except as to the following producing proration units:

(a) Subject to paragraph 12, if Lessee has completed a vertical well on said land or on land pooled with the Leased Premises in accordance with the terms of this lease which is producing, or capable of producing, oil or gas in paying quantities from any portion of the Leased Premises, then this lease shall continue in effect as to a tract of land around each such well designated by Lessee not to exceed the minimum number of acres for a proration or spacing unit under applicable special field rules, or if there are no special field rules in effect, then forty (40) acres (plus 10% tolerance) around each such well;

(b) If Lessee has completed a horizontal well on said land which is producing, or capable of producing, oil or gas in commercial quantities, then this lease shall continue in effect as to a tract of land around each such well designated by Lessee not to exceed the minimum number of acres for a spacing or proration unit for horizontal wells under applicable special field rules, or if there are no special field rules in effect, forty (40) acres around each well, plus so much additional acreage as may be permitted pursuant to Rule 86 of the Texas Railroad Commission rules and regulations, plus a tolerance of 10%, around each such well;

(c) In each case, the acreage around such oil or gas well is to be limited as to depths from the surface of the earth down to one hundred feet (100') below the deepest perforation in any horizontal well then producing in paying quantities in such producing proration unit, and this lease shall terminate as to all depths below one hundred feet (100') below the deepest perforation in any horizontal well then producing in paying quantities in such producing proration unit.

11. Upon the later to occur of (a) five (5) years after the expiration of the primary term, or (b) five (5) years after cessation of continuous drilling operations as provided above, this lease shall further terminate as to all lands within each producing proration unit as to all depths between the surface and one hundred feet (100') above the shallowest perforation in any horizontal well then producing in paying quantities in such producing proration unit.

12. Notwithstanding anything to the contrary contained in this lease, including, without limitation, paragraph 10(a) of this lease, but subject to the temporary cessation of production provisions contained in paragraph 9, if at any time after the cessation of continuous drilling operations under paragraph 10 as to any producing proration unit (a) no horizontal well has been drilled and completed in such producing proration unit or (b) all horizontal wells in such producing proration unit have ceased producing in paying quantities, then this lease shall automatically terminate as to such producing proration unit and as to any and all lands pooled or combined with such producing proration unit and Lessee shall plug and abandon all wells located in such lands in accordance with Texas Railroad Commission rules and regulations. In other words, production only from vertical well(s) shall not perpetuate this lease.

13. After any lease termination under paragraphs 10, 11 or 12 or elsewhere under this lease, Lessee shall promptly execute and deliver to Lessor a recordable release of this lease as to the lands and depths as to which the lease has terminated. If Lessee fails to promptly deliver such release to Lessor, Lessor may make a written request to Lessee for such release, and if Lessee fails to execute and deliver such release to Lessor, Lessee shall be liable to Lessor at the rate of One Hundred and No/100 Dollars ($100.00) per day after the thirtieth (30th) day following receipt of Lessor's request, until such release is delivered to Lessor. Failure to deliver a release as provided herein shall entitle Lessor to file a Notice of Termination in the real property records of Midland County designating those parts of the Leased Premises as to which the lease has terminated. Upon any such partial termination each such producing proration unit shall become a separate lease subject to all the terms and provisions hereof so that production and/or operations from one such producing proration unit shall not constitute production and/or operations on any other such proration unit.

14. After the completion of each well under the terms of this lease, Lessee agrees to notify in writing within thirty (30) days after such completion, the City of Midland, Texas and the Midland Central Appraisal District of the location of such well and to provide any and all information requested by such taxing authorities as to any taxes applicable to or to be assessed with respect to such well and/or the lands from which such well is producing.

15. Except as may otherwise be expressly provided in a separate surface use agreement or other written agreement entered into between Lessor and Lessee, Lessee shall not have the right to use water from said Leased Premises for any operations without the advance written consent of the City Manager. Lessee hereby obligates itself to protect the potable water in, under and on said Leased Premises from contamination from oil and gas operations. When required by the Lessor, Lessee obligates itself to leave all or such part as may be designated by Lessor of the casing in any water well drilled at no expense to Lessor. Any water well permitted to be drilled on

the Leased Premises shall be left in a cased and serviceable condition and shall become the property of Lessor upon completion of the operation for which such well was permitted by Lessor.

Lessee covenants and agrees to exercise due diligence and good oilfield practices to protect fresh water strata or sources of supply underlying the Leased Premises from pollution or contamination, including without limitation, contamination from oil, gas, brine and/or salt water produced from wells situated on lands covered by this lease or lands pooled together therewith under the terms of this lease or otherwise combined together therewith under the terms of an agreement executed by both Lessor and Lessee. Without the advance written consent of the City Manager, Lessee shall not dispose of any salt water or produced water or other fluids of any sort on the Leased Premises. To the extent that Lessee is permitted to dispose of salt water or other water produced from the Leased Premises on the Leased Premises pursuant to written agreement with Lessor acting through its City Manager, Lessee shall pay to Lessor a disposal fee at least equal to market rates for salt water disposal in the field where disposed or such higher fee as Lessor and Lessee may agree, at the same time and in the same manner as provided for the payment of royalties in paragraph 3 of this lease. Lessee shall not under any circumstances accept off-Premises fluids of any type for disposal in any facility located on the Leased Premises without the advance consent of the Midland, Texas City Council.

16. The provisions of this lease shall extend to and bind the heirs, successors and assigns of the parties hereto and shall constitute covenants running with the land hereby leased. In order to assure Lessor that operations hereunder shall be conducted by responsible parties for the mutual benefit of Lessor and Lessee hereunder, Lessee agrees that (i) no assignment, farmout or other transfer of more than twenty-five percent (25%), individually or in the aggregate, of Lessee's rights or interest in the lease, whether voluntary or involuntary, by merger, consolidation, dissolution, operation of law, or any other manner, shall be made without the prior written consent of Lessor and (ii) no assignment, farmout, transfer or other transaction that could reasonably require, lead to a vote for, or otherwise result in a change of the operator of this lease, shall be made without the prior written consent of Lessor. Lessor shall be furnished with a complete address and telephone number of any proposed or permitted assignee of this lease in addition to a recorded copy of any and all permitted assignments of this lease which have been properly filed for record, such recorded copy to be delivered to Lessor within thirty (30) days of such permitted assignment. If Lessee fails to secure prior written consent of Lessor to any such assignment, farmout, transfer or transaction, such assignment, farmout, transfer or transaction shall be void. Lessor shall be under no obligation, implied or otherwise, to approve any proposed assignment, farmout, transfer or transaction by Lessee or its permitted successors.

The rights and estate of Lessor may be assigned from time to time in whole or in part. All the covenants, obligations and consideration of this lease shall extend to and be binding upon the parties hereto, their respective heirs, successors and permitted assigns. No change or division of the ownership of said land, royalties or other monies or any part hereof however effected shall increase the obligation or diminish the rights of Lessee, including, but not limited to, the location in drilling of wells and the measurement of production. Notwithstanding any other actual or constructive knowledge or notice thereof to Lessee, its successors or assigns, no change or division of the ownership of said land or of the royalties or other monies or the right to receive the same shall be binding upon the then record owner of this lease until thirty (30) days after there has been furnished to such record owner notice of such change or division supported by either original or duly certified copies of the instruments which have been properly filed for record which evidence such change or division together with any such court records and proceedings, transcripts or other documents as shall be necessary to establish the validity of such division or change. Any assignment or relinquishment shall not relieve the Lessee of any obligations theretofore accrued hereunder, or impair the lien provided for by law and in this lease.

17. **LESSEE HEREBY RELEASES, ACQUITS AND DISCHARGES LESSOR, AND ITS RESPECTIVE MEMBERS, OFFICERS, EMPLOYEES, AGENTS, REPRESENTATIVES, SUCCESSORS AND ASSIGNS (COLLECTIVELY, THE "INDEMNIFIED PARTIES") FROM ALL AND ANY ACTIONS AND CAUSES OF ACTION OF EVERY NATURE, OR OTHER HARM, INCLUDING ENVIRONMENTAL HARM, FOR WHICH RECOVERY OF DAMAGES IS SOUGHT, INCLUDING, BUT NOT LIMITED TO, ALL LOSSES AND EXPENSES WHICH ARISE OUT OF, ARE INCIDENTAL TO, OR RESULT FROM, THE OPERATIONS OF OR ON BEHALF OF LESSEE ON THE PREMISES, OR THAT MAY ARISE OUT OF OR BE OCCASIONED BY LESSEE'S BREACH OF ANY OF THE TERMS OR PROVISIONS OF THIS LEASE, OR BY ANY ACT OR OMISSION OF LESSEE FOR WHICH LESSEE MAY BE HELD STRICTLY LIABLE. FURTHER, LESSEE HEREBY AGREES TO BE LIABLE FOR, EXONERATE, INDEMNIFY, DEFEND AND HOLD HARMLESS THE INDEMNIFIED PARTIES AGAINST ANY AND ALL CLAIMS, LIABILITIES, LOSSES, DAMAGES, ACTIONS PERSONAL INJURY (INCLUDING DEATH), COSTS AND EXPENSES (INCLUDING, WITHOUT LIMITATION, ATTORNEYS' FEES AND COURT COSTS AND EXPENSES), INCLUDING THOSE RELATED TO ENVIRONMENTAL HAZARDS ON THE PREMISES OR IN ANY WAY RELATED TO LESSEE'S OPERATIONS OR ANY OTHER OF LESSEE'S ACTIVITIES ON THE PREMISES; THOSE ARISING FROM LESSEE'S USE OF THE SURFACE OF THE PREMISES; AND THOSE THAT MAY ARISE OUT OF OR BE OCCASIONED BY LESSEE'S BREACH OF ANY OF THE TERMS OR PROVISIONS OF THIS LEASE OR ANY OTHER ACT OR OMISSION OF LESSEE, ITS DIRECTORS, OFFICERS, EMPLOYEES, AGENTS, CONTRACTORS, GUESTS OR INVITEES. EACH ASSIGNEE OF THIS LEASE, OR AN INTEREST THEREIN, AGREES TO BE LIABLE FOR, EXONERATE, INDEMNIFY, DEFEND AND HOLD HARMLESS THE INDEMNFIED PARTIES IN THE SAME MANNER PROVIDED ABOVE IN CONNECTION WITH THE ACTIVITIES OF SUCH LESSEE, ITS DIRECTORS, OFFICERS, EMPLOYEES, AGENTS, CONTRACTORS, GUESTS OR INVITEES AS DESCRIBED IN THIS PARAGRAPH.**

Lessee shall assure that Lessee and any person acting on Lessee's behalf under this lease carries the following insurance with one or more insurance carriers licensed by the Texas Department of Insurance at any and all times such party or person is on or about the Premises or acting pursuant to this lease, in such amounts as stated below or as from time to time may be reasonably required by Lessor:

i. Worker's Compensation Insurance to cover full liability under the Worker's Compensation laws of the state in which the Premises are located;

ii. Employer's Liability Insurance with limits of not less than $500,000.00 for accidental injury or death of one or more employees;

iii. Comprehensive General Public Liability Bodily Injury Insurance with limits of liability of not less than $1,000,000.00 for the accidental injury or death of one person, and $1,000,000.00 for accidental injury or death of more than one person as the result of one accident or occurrence;

iv. Comprehensive General Public Liability Property Damage Insurance with limits of not less than $1,000,000.00 for damage to property as a result of one accident or occurrence;

v. Automobile Public Liability and Property Damage Insurance combined with the limits of not less than $500,000.00 for injuries to or death of one person or property damage, and $1,000,000.00 for injuries to or death of more than one person and property damage as the result of one accident;

vi. Umbrella Liability with limits of not less than $5,000,000.00 per occurrence; and

vii. Care, custody and control coverage with limits of not less than $100,000.00, or in lieu of coverage, Broad Form Property Damage endorsement.

The Lessee shall cause certificates of insurance evidencing the above coverage to be provided promptly upon request to Lessor, or to such other representative(s) of Lessor as Lessor may from time to time designate but in any event in advance of conducting any physical entry on the Leased Premises. The insurance policies required above, except under item (i), shall name the City of Midland, Texas, as additional insured with regard to the Leased Premises; shall reflect that the City of Midland, Texas will receive thirty (30) days prior written notice of cancellation or material changes in coverage; and shall reflect that the insurer has waived any right of subrogation against the City of Midland, Texas.

18. This lease is executed without warranty, express or implied. If Lessor owns less than the entire estate in oil and gas in all or any part of said land, royalties payable hereunder shall be paid only in the proportion which the interest covered by this lease bears to the whole and undivided fee simple estate except as otherwise expressly provided for in this lease.

19. In the event a well or wells are brought in on adjacent land and within 330 feet of the Leased Premises Lessee agrees, within one hundred eighty (180) days after such well commences actual production, to commence drilling such offset well or wells as a prudent operator would drill under the same or similar circumstances. In lieu of drilling such offset to any such oil or gas well, Lessee shall have the option of either releasing this lease as to the stratigraphic equivalent of the zone or horizon which corresponds with that being produced in the offset well and within a tract of land in as near the form of a square as possible and constituting what would be the proration unit established in conformity with the field rules or spacing laws prescribed or permitted with respect to such offset well, with Lessee retaining all other rights within such tract, or pay Lessor monthly, as compensatory royalty, a sum equal to the payments which would be payable under this lease on the production from such offset well had same been produced from the above Leased Premises and, as long as Lessee may elect to pay such royalty in lieu of drilling an offset well, Lessee shall have satisfied its offset obligations to Lessor as to such well.

20. Lessee is hereby granted the right and power to pool this lease, the Leased Premises covered by it or any part or horizon thereof for the production of oil or gas with such other land, leases, mineral estates or parts thereof as specifically described in and pursuant to the terms of (a) the "Chaparral Unit", as defined in that certain Pooling Authority for the Chaparral Unit dated on or about the date hereof and executed by and between Lessor and Lessee, and (b) the "Knight Unit", as defined in that certain Pooling Authority for the Knight Unit dated on or about the date hereof and executed by and between Lessor and Lessee. Except as specifically provided in the preceding sentence, Lessee shall have no right to pool or unitize any lands covered by this lease, or any portion thereof, without the prior written consent of Lessor, which consent shall be in Lessor's sole discretion. Lessee shall file such written unit designations for record in the office of the county clerk of the county in which the Premises are located before completion of any well in said units. Drilling operations on or production from any part of any such unit shall be considered for all purposes, except the payment of royalty, as operations conducted upon or production from the lands described in this lease and included in such unit. There shall be allocated to the land covered by this lease included in any such unit that portion of the total production of pooled minerals from wells in the unit which the net oil or gas acreage in the land covered by this lease included in the unit bears to the total number of surface acres in the unit. The production so allocated shall be considered for all purposes, including the payment or delivery of royalty, to be the entire production of pooled minerals from the portion of said land covered hereby and included in said unit in the same manner as though produced from said land included in said unit under the terms of this lease. Notwithstanding such allocation, the formation of any unit hereunder shall not have the effect of exchanging or transferring any interest under this lease between parties owning different interests as between lands covered by this lease and lands not covered. If this lease now or hereafter covers separate tracts (a "separate tract" meaning any tract with royalty ownership differing, either as to parties or amounts, from that as to any other part of the Leased Premises), no pooling or unitization of royalty interests

as between any such separate tracts is intended or shall be implied from inclusion of such separate tracts within this lease, from the existence of Lessee's pooling authority herein, or from any other circumstances except by Lessee's express exercise of the pooling authority in the manner herein prescribed, nor shall this lease or the pooling authority hereby granted be construed as constituting an attempt or offer by Lessor to pool or unitize any interest which Lessor has no right or authority to pool or unitize, any such intention to pool or unitize such interests or to apportion any royalty over which Lessor has no such right being expressly disclaimed. Should this lease expire or terminate from any cause, in whole or in part, Lessor's interest in any land no longer subject to this lease shall not be subject to any pooling or unitization effected under the terms hereof, anything herein to the contrary notwithstanding.

21. Should Lessee be prevented from complying with any express or implied covenants of this lease, from conducting drilling or reworking operations thereon or from producing oil or gas therefrom by operation of force majeure, or by any federal, state or local law, ordinance or any order, rule or regulation of any governmental authority, or due to the failure to act by any governmental authority, then while so prevented, Lessee's obligation to comply with such covenant shall be suspended and Lessee shall not be liable in damages for failure to comply therewith and the time provided for compliance shall be extended while and so long as Lessee is prevented by any such cause from conducting drilling or reworking operations or from producing oil or gas from the said land, and the time while Lessee is so prevented shall not be counted against Lessee. However, nothing described in this paragraph 21 shall excuse Lessee from paying, or extend the time for paying, any royalty, shut-in gas royalty or other payment payable in money hereunder, or serve to extend the primary term of this lease beyond five (5) years from the date hereof.

22. Except as otherwise provided herein, Lessee shall have the right and obligation at any time during or within ninety (90) days after the expiration of this lease as to any portion of said land, to remove all property and fixtures placed by Lessee on any such portion of said land, including the right to draw and remove all casing, then belonging to Lessee and not taken over by Lessor under some other provision of this lease. If Lessee fails to remove such property and fixtures within said ninety (90) days, such property and fixtures may be removed by Lessor at Lessee's expense; provided, however, Lessee shall not be relieved of its liability to plug any well so abandoned.

23. Lessee agrees to notify Lessor in advance, in writing, of the location of all wells containing a surface location to be drilled on the Leased Premises prior to commencement of operations and shall provide copies of all reports filed with the State of Texas or its agencies, when filed, including permit applications, completion, plugging, casing, cementing and production reports.

24. Lessee agrees that it will comply in all its operations with all applicable ordinances, laws, rules and regulations of each governmental, municipal and/or regulatory authority having jurisdiction over such operations, including, without limitation, the City of Midland Oil and Gas Drilling requirements as applied under current Ordinance 8769, as codified in the City of Midland Municipal Code Section 6-1-23, as the same may be hereafter amended from time to time, if and to the extent applicable. Without limiting the foregoing, in the event any portion of the Leased Premises is located in or near any airport, Lessee shall comply in all its operations with all applicable Federal Aviation Administration rules and regulations and shall secure in advance all necessary approvals, permits and consents, and shall in addition comply with all reasonable directions of the City of Midland Director of Aviation relating to the public safety and welfare, and the safety of aviation related activities, including without limitation directives, rules and regulations relating to equipment height, location and safety markings. Without limiting any of the foregoing, Lessee acknowledges and agrees that (i) to its knowledge it has satisfied itself as to all applicable ordinances, laws, rules and regulations of each governmental, municipal and/or regulatory authority having jurisdiction over the Leased Premises, this lease, and Lessee's operations, including, without limitation, all federal laws and all applicable Federal Aviation Administration rules, regulations and requirements, and (ii) Lessor has made no representations or warranties that the terms, provisions or conditions of this lease comply with such applicable ordinances, laws, rules or regulations.

25. The venue for any suit arising out of any provision of this lease, whether express or implied, regarding interpretation, breach or alleged breach of this lease, or relating in any way to this lease or to applicable case law, statutes, or administrative rules, shall be in Midland County, Texas. The obligations and undertakings of each of the parties to this lease shall be deemed to have been performed in Midland County, Texas. This lease and all matters pertaining thereto shall be governed by the laws of the State of Texas without reference to any rule or law that would apply the law of another jurisdiction.

26. By executing this lease Lessor is not waiving its right of sovereign immunity. Lessor is retaining its immunity from suit. Lessor is not granting consent to be sued by legislative resolution or action. **THERE IS NO WAIVER OF SOVEREIGN IMMUNITY.**

27. By executing this lease, **LESSEE AGREES TO WAIVE AND DOES HEREBY WAIVE ANY CLAIM IT HAS OR MAY HAVE AGAINST LESSOR, REGARDING THE AWARD OF ATTORNEY'S FEES, WHICH ARE IN ANY WAY RELATED TO THIS LEASE, OR THE CONSTRUCTION, INTERPRETATION OR BREACH OF THIS LEASE. LESSEE SPECIFICALLY AGREES THAT IF LESSEE BRINGS OR COMMENCES ANY LEGAL ACTION OR PROCEEDING RELATED TO THIS LEASE, THE CONSTRUCTION, INTERPRETATION, VALIDITY OR BREACH OF THIS LEASE, INCLUDING BUT NOT LIMITED TO ANY ACTION PURSUANT TO THE PROVISIONS OF THE TEXAS UNIFORM DECLARATORY JUDGMENTS ACT (TEXAS CIVIL PRACTICE AND REMEDIES CODE SECTION 37.001, ET SEQ., AS AMENDED), LESSEE AGREES TO WAIVE AND RELINQUISH ANY AND ALL RIGHTS TO THE RECOVERY OF ATTORNEY'S FEES TO WHICH**

LESSEE MIGHT OTHERWISE BE ENTITLED. Lessee agrees that this is the intentional relinquishment of a presently existing right. Lessee acknowledges that it understands all terms and conditions of this lease.

28. Lessor and Lessee acknowledge that the full amount of the $9,293,250.00 bonus payment payable to Lessor by Lessee is due on or before thirty (30) days after the effective date of this lease. Lessee acknowledges and agrees that in the event Lessee fails to timely make said bonus payment, Lessor shall have the right to terminate this lease by giving written notice to Lessee of said termination.

29. Lessee agrees that in the event Lessee has not drilled and completed eleven (11) or more horizontal wells within the Leased Premises on or before three hundred sixty-five (365) days after the date of cessation of continuous drilling operations as provided under paragraph 10 of this lease, Lessee shall pay to Lessor as liquidated damages an amount equal to the product of: (a) Seven Hundred Fifty Thousand Dollars ($750,000.00) multiplied by (b) the positive difference between eleven (11) and the number of horizontal wells drilled and completed by Lessee within the Leased Premises on or before three hundred sixty-five (365) days after the date of cessation of continuous drilling operations as provided under paragraph 10 of this lease. Such amount shall be due to Lessor on or before three hundred ninety-five (395) days after the date of the cessation of continuous drilling operations as provided under paragraph 10 of this lease. Lessor and Lessee acknowledge and agree that (i) Lessor's actual damages upon Lessee's failure to drill and complete the above-stated number of horizontal wells within the Leased Premises within the stated time period would be difficult to ascertain with certainty, (ii) that the amount payable to Lessor as calculated under this paragraph is a reasonable estimate of such actual damages, and (iii) such liquidated damages do not constitute a penalty.

30. Lessee agrees to drill and complete on or before the end of the primary term: (a) a minimum of one horizontal well in the "Chaparral Unit", as defined in that certain Pooling Authority for the Chaparral Unit dated on or about the date hereof and executed by and between Lessor and Lessee, and (b) a minimum of one horizontal well in the "Knight Unit", as defined in that certain Pooling Authority for the Knight Unit dated on or about the date hereof and executed by and between Lessor and Lessee. In the event Lessee does not drill and complete such horizontal wells within the timeframe and other requirements set forth in the immediately preceding sentence, notwithstanding anything to the contrary contained in this lease, including, without limitation, paragraph 10 of this lease, this lease shall automatically terminate as to all of the Leased Premises at the end of the primary term without any action being required by Lessor. For clarification, notwithstanding anything to the contrary contained in this lease, including, without limitation, paragraph 10(a) of this lease, in the event this lease automatically terminates pursuant to the provisions of this paragraph, the drilling of any vertical well on the Leased Premises prior to such termination shall not perpetuate this lease as to any lands or depths. For purposes of this lease, (i) a "horizontal well" means a well containing a wellbore intentionally deviated from the vertical such that the productive portion of the wellbore extends a minimum of five thousand (5,000) feet laterally in the target formation, and (ii) a "vertical well" means any well other than a horizontal well.

31. Notwithstanding anything to the contrary contained in this lease or in any instrument executed between Lessor and Lessee contemporaneously with this lease, as to any bonus, royalty, shut-in royalty or other payments due to Lessor under the terms of this lease, such payments shall be allocated proportionately based upon the net acres covered by this lease attributable to Midland Airpark and the net acres covered by this lease attributable to the City of Midland, Texas. In connection with the foregoing, all such payments shall be paid in two separate payments as follows: (a) one payment payable to City of Midland Airport Fund including such amount(s) attributable to Midland Airpark as aforesaid and specifying that such payment pertains to Midland Airpark net acreage covered by this lease, and (b) one payment payable to City of Midland General Fund including such amount(s) attributable to the City of Midland, Texas as aforesaid and specifying that such payment pertains to City of Midland, Texas net acreage covered by this lease. Lessor shall provide Lessee, in writing, with net acreage allocation amounts to be used for dividing such payments, and Lessee shall use such amounts in connection with calculating such payments. Lessee may rely upon the direction provided by the City of Midland and shall not be required to reimburse the City of Midland Airport Fund or the City of Midland General Fund in connection with any such payments made by Lessee pursuant to instructions provided by the City of Midland that prove to be incorrect. For clarification and without limiting the foregoing, in the event any portion of the Leased Premises is included in a pooled unit in accordance with the terms of this lease, royalty payments hereunder will be divided based upon the net acres covered by this lease attributable to Midland Airpark and the net acres covered by this lease attributable to the City of Midland, Texas, in each case within the designated pooled units. Notwithstanding the foregoing and without limiting any other provision(s) of this lease, as to any payments that may be due to Lessor in connection with any surface rights owned by Lessor in the Leased Premises, such surface rights payments shall be payable in full to City of Midland General Fund and shall not be allocated between Midland Airpark net acreage and City of Midland, Texas net acreage.

32. No amendment, modification, or alteration of the terms of this lease shall be binding unless it is in writing, dated subsequent to the date of this lease, and duly executed by the parties to this lease.

33. The rights and remedies provided by this lease are cumulative, and the use of any one right or remedy by either party shall not preclude or waive such party's rights to use any or all other remedies. The rights and remedies provided in this lease are given in addition to any other rights the parties may have by law, statute, ordinance, or otherwise.

34. There is no third party beneficiary to this lease. No person or entity who is not a party to this lease shall have any third party beneficiary or other rights hereunder.

35. The parties hereto shall execute a Memorandum of Lease in form and substance mutually agreeable to the parties contemporaneously with execution of this lease, and Lessee shall promptly file the Memorandum in the

public records of the county where the Leased Premises are located. The Memorandum shall provide notice of the existence of this lease and the interests granted or reserved in this lease.

[Remainder of page intentionally left blank; signature pages follow.]

IN WITNESS WHEREOF this lease is executed by the parties hereto effective as of the effective date of said lease.

EXHIBIT "A"
DESCRIPTION OF
LANDS

(Section 14)
Being 103.799 acres of land, more or less, out of the West 200 acres of the North half (N/2) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in the following instruments:

1. Being 2.25 acres of land out of the Northwest Quarter (NW/4) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Warranty Deed from Mrs. Velma Haag, Individually and as Executrix of the Estate of B. Frank Haag, Deceased, Addilese Haag Thomas and Conn C. Thomas, wife and husband, and Merwin Haag and Willie Merle Haag, husband and wife, to The City of Midland on August 28, 1942, in Book 73, Page 136, Deed Records, Midland County, Texas.

2. The West 80 acres of the Northwest Quarter (NW/4) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Warranty Deed from Mrs. Velma Haag, Individually and as Executrix of the Estate of B. Frank Haag, Deceased, Addilese Haag Thomas and Conn C. Thomas, wife and husband, and Merwin Haag and Willie Merle Haag, husband and wife, to The City of Midland on June 8, 1944, In Book 79, Page 557, Deed Records, Midland County, Texas.

3. Tract 1: Being 0.44 acres of land, more or less, out of the North part of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas.

Tract 2: Being 0.486 acres of land, more or less, out of the North part of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas.

Both tracts of land being further described by metes and bounds in Deed from R.J. Stone, Jack L. Coke, Otis Phillips, Jr., and Arthur Hamilton to The City of Midland on March 21, 1961, in Book 359, Page 397, Deed Records, Midland County, Texas.

4. Being 10.753 acres of land, more or less, in the North part of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Deed from R.J. Stone, Jack L. Coke, Otis Phillips, Jr., and Arthur Hamilton to The City of Midland on March 24, 1961, in Book 359, Page 399, Deed Records, Midland County, Texas.

5. Being 0.73 acres of land, more or less, in the Southeast (SE) corner of the West 200 acres of the North half (N/2) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Deed from R.J. Stone, Jack L. Coke, Otis Phillips, Jr., and Arthur Hamilton to The City of Midland on March 24, 1961, in Book 360, Page 431, Deed Records, Midland County, Texas.

6. Being 9.14 acres of land, more or less, in the Northwest Quarter (NW/4) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Warranty Deed from Jack L. Coke, Arthur Hamilton, and Ruth Suehs Phillips, Individually and as Independent Executrix of the Estate of Otis Phillips, Jr., Deceased, to The City of Midland on June 16, 1978, in Book 642, Page 189, Deed Records, Midland County, Texas.

(Section 15)
Being 492.0873 net mineral acres of land, more or less, out of a 640 acre Section being Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, Less and Except the Southeast Quarter (SE/4) of the Southwest Quarter (SW/4) of said Section and the following conveyed tracts of land:

LESS AND EXCEPT:

The Southeast Quarter (SE/4) of the Southwest Quarter (SW/4) of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being 40 acres of land, more or less.

A 45.4927 acre tract of land out of a 45.99 acre tract known as the Midland Airpark Addition in the SE part of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being more fully described by Warranty Deed from the City of Midland to Robert B. Holt filed on February 19, 2004, in Book 2311, Page 300, Official Records of Midland County, Texas and by Warranty Deed from the City of Midland to Robert B. Holt filed on February 19, 2004, in Book 2311, Page 304, Official Records of Midland County, Texas.

A 53.26 acre tract of land in the NW part of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds, and being more fully

described by General Warranty Deed from the City of Midland to Midland Community College District filed on July 26, 1999, in Book 1696, Page 639, Official Records, Midland County, Texas.

A 3.28 acre tract of land now known as Myatt Addition, in the Southwest (SW) corner of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds, and being more fully described by Deed from the City of Midland to Max V. Myatt filed on December 17, 1968, in Book 509, Page 546, Deed Records, Midland County, Texas.

A 5.88 acre tract of land now known as the Chandelle Condominiums, in the Southwest (SW) corner of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds, and being more fully described by Warranty Deed from the City of Midland to W.M. Hickey filed on October 18, 1966, in Book 474, Page 3, Deed Records, Midland County, Texas.

37.460 acres of land, more or less, being the Southeast Quarter (SE/4) of the Southwest Quarter (SW/4) of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, Less and Except a 2.54 acre tract which was conveyed by Warranty Deed from the City of Midland to Hillander School filed on August 26, 1965, in Book 453, Page 163, Deed Records, Midland County, Texas, and being subject to a one-half (1/2) mineral reservation by A.J. Anderson and Lucille Anderson, husband and wife, to Sam Lundie by Warranty Deed filed on May 11, 1929, in Book 44, Page 430, Deed Records, Midland County, Texas.

43.9927 acres of land, more or less, being in Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being further described in the two following tracts:
Tract 1.
Being all of Lot 1, Block 1, Midland Airpark, an Addition to the City of Midland, Midland County, Texas, according to the map or plat thereof recorded in Cabinet F, Page 188, Plat Records of Midland County, Texas.
SAVE AND EXCEPT a 1.5 acre tract of land being described by metes and bounds.
Tract 2.
A tract of land located in the Southwest part of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being all of the area shown as a drainage right-of-way on a plat named Midland Airpark as recorded in Cabinet F, Page 188 of the Midland County Plat Records less a SAVE AND EXCEPT tract being a 0.4973 acre tract described by metes and bounds.
Both tracts being more fully described by metes and bounds in Mineral Deed dated January 15, 2013 from Andrea Holt Catania and Holly Holt Williamson, Co-Independent Executrixes for the Estate of Robert B. Holt, Deceased, to the City of Midland as Document Number 2013-1544, Official Records, Midland County, Texas, whereas the City of Midland received 60% of the minerals and all of the Executive Rights of said land.

(Section 22)
0.518 acres of land, more or less, being a part of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being all of Lots 8 and 9, Block 1, of the Berkshire Place Addition to the City of Midland, Midland County, Texas, as shown by the official map of plat thereof of record in the office of the County Clerk of Midland County, Texas and being more particularly described in that certain Warranty Deed dated March 10, 1958 from William D. Hays, Jr., Individually and as general partner in Hays Construction Company, a co-partnership, to the City of Midland, Texas and recorded at Volume 304, Page 27, Deed Records, Midland County, Texas.

0.761 acres of land, more or less, being a part of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being known as a portion of Avalon Addition to the City of Midland, Midland County, Texas, according to the map or plat thereof recorded at Volume 100, Page 545, Deed Records, and being more particularly described in the two following Warranty Deeds:

1. Being 0.254 acres of land, more or less, out of Avalon Addition, an addition to the City of Midland, Texas, described by metes and bounds, and being more fully described in Warranty Deed dated July 18, 1954 from Ben H. Greenberg and wife, Dora Greenberg to the City of Midland, Texas and recorded at Volume 216, Page 413, Deed Records, Midland County, Texas.

2. Being 0.504 acres of land, more or less, out of Avalon Addition, an addition to the City of Midland, Texas, described by metes and bounds, and being more fully described in Warranty Deed dated June 17, 1998 from C.R. Bailey, joined herein by his wife, Virginia H. Bailey to the City of Midland, Texas and recorded in Volume 1571, Page 367, Deed Records, Midland County, Texas.

98.901 acre tract of land in the N/2 of the NE/4 and the North part of the S/2 of the NE/4 of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being more particularly in the two following Warranty Deeds:

1. Being 80 acres of land being the N/2 of the NE/4 of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being described by metes and bounds, and being conveyed from William P. Bodine, now a single person, and J.A. Bodine and wife, Oza Bodine, Laverne Murchison (nee Bodine) and husband, Gaines Murchison, and patsy Gene Miles (nee Bodine) and

husband, Terrell Miles, the only heirs of Margie Ann Bodine, to the City of Midland dated November 13, 1942, and recorded in Volume 73, Page 351, Deed Records, Midland County, Texas; and

2. Being 18.901 Acres, known as the North part of the S/2 of the NE/4 of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds, and being conveyed from O.M. Tyner and wife, Bessie Tyner to the City of Midland dated December 14, 1942, and recorded in Volume 73, Page 361, Deed Records, Midland County, Texas.

Save and Except the following conveyed tracts of land:

SAVE AND EXCEPT:
5 acres of land, more or less, out of the NE/4 of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, more particularly described by metes and bounds in that Special Warranty Deed dated November 23, 1964 from the City of Midland, Texas, a Home Rule Municipal Corporation to the Midland Council for Retarded Children, Inc., recorded at Volume 441, Page 326 of the Deed Records of Midland County, Texas. Also, known as Lot 1, Block 4 of the “A” Street Community Center, Section 4, an Addition to the City of Midland, Midland County, Texas, according to map or plat or map thereof of record in Cabinet B, Page 359, Plat Records, Midland County, Texas

5.158 acres of land, more or less, out of the NE/4 of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds and being more particularly described in that Special Warranty Deed dated June 24, 1965 from The City of Midland, Texas, a Home Rule Municipal Corporation, to Oaklawn Park Baptist Church, Inc., recorded in Volume 450, Page 279 of the Deed Records of Midland County, Texas. Also known as Lot 2, Block 1, “A” Street Community Center, Section 5, an Addition to the City of Midland, Midland County, Texas, according to the map or plat thereof of record in Cabinet B, Page 396, Plat Records, Midland County, Texas.

3.86 acre tract of land out of the NE/4 of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds and being more particularly described in Special Warranty Deed dated July 7, 1971 from the City of Midland, a municipal corporation, to City of Midland Swim Team, Inc. recorded in Volume 551, Page 32, Deed Records, Midland County, Texas. Also known as Lot 3, Block 6, "A" Street Community Center Section 9 according to the map or plat thereof of record in Cabinet I, Page 171, Plat Records, Midland County, Texas.

0.282 acres of land, more or less, being the North 75 feet of Lot 2, Block 3, “A” Street Community Center, Section 3, an Addition to the City to the City of Midland, Midland County, Texas, according to the map or plat thereof of record in Cabinet B, Page 352, Plat Records, Midland County, Texas, and being more particularly described in Warranty Deed dated July 11, 2002 from Milagros de Gloria, Inc., Midland, Texas to Midland Young Life Building Foundation, Inc., Midland, Texas and recorded at Volume 2017, Page 818 of the Official Records of Midland County, Texas.

0.617 acres of land, more or less, being Lot 5, Block 3, “A” Street Community Center, Section 3, an Addition to the City to the City of Midland, Midland County, Texas, according to the map or plat thereof of record in Cabinet B, Page 352, Plat Records, Midland County, Texas, and being more particularly described in Warranty Deed dated July 11, 2002 from Milagros de Gloria, Inc., Midland, Texas to Midland Young Life Building Foundation, Inc., Midland, Texas and recorded at Volume 2017, Page 818 of the Official Records of Midland County, Texas.

Being 83.984 net mineral acres out of the 98.901 acre tract of land out of the N/2 of the NE/4 and the North part of the S/2 of the NE/4 of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas.

(Section 23)
5.124 acres, more or less, being all of Blocks 1, 2, and 3, of a subdivision of Tracts 31, 32, and 33, Morningside Addition, an addition to the City of Midland, Midland County, Texas, as per plat thereof of record in Volume 180, Page 124, Deed Records, Midland County, Texas, and being more particularly described in Warranty Deed dated April 4, 1955 from W.R. Upham and wife, Lucille A. Upham and H.C. Avery, Jr. and wife, Edith Avery to the City of Midland, Texas recorded in Volume 228, Page 420, Deed Records, Midland County, Texas and Ordinance dated April 26, 1955 petitioned by the Midland Independent School District to the City Council of the City of Midland, which it was ordained to vacate, abandon, and close certain streets, being described in Volume 230, Page 5, Deed Records, Midland County, Texas.

5.33 acre Park Site out of a 10 acre tract situated in the SE corner of W/2 of NW/4, Section Twenty-three (23), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being described by metes and bounds and being more particularly described in Warranty Deed dated March 24, 1958 from Paul McHargue to the City of Midland, a municipal corporation, of the County of Midland, Texas recorded in Volume 288, Page 84, Deed Records, Midland County, Texas.

(Section 26)
0.138 acres of land, more or less, being a part of Section Twenty-six (26), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being known as all of Lot 24 except the West 4 feet thereof, in Block 2 of Russell & High Addition, an addition to the City of Midland, Midland County,

Texas, according to the map or plat thereof recorded in Volume 103, Page 473 of the Deed Records of Midland County, Texas, and being more particularly described in that certain Warranty Deed dated November 6, 1995, from Carl E. Schuder and wife, Mary K. Schuder to the City of Midland, and recorded at Volume 1341, Page 753, Deed Records, Midland County, Texas.

0.75 acres of land, more or less, being a part of Section Twenty-six (26), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being known as Lots 3 and 4, Block 1, Barber-Cole Extension, an addition to the City of Midland, Midland County, Texas, according to the map or plat thereof, recorded in Cabinet C, Page 82, Plat Records, Midland County, Texas. and being more particularly described in that certain General Warranty Deed dated January 9, 1998, from Faustino Quiroz and spouse, Mary Frances Quiroz to the City of Midland, Midland County, Texas and recorded at Volume 1525, Page 8, Deed Records, Midland County, Texas.

0.545 acres of land, more or less, being part of Section Twenty-six (26), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas and being known as Lot 2, Block 1, Barber-Cole Extension, an addition to the City of Midland, Midland County, Texas, according to the map or plat thereof, recorded in Cabinet C, Page 82, Plat Records, Midland County, Texas., and being more particularly described in that certain General Warranty Deed dated January 9, 1998, from A.T. Mendoza to the City of Midland, recorded in Volume 1525, Page 14, Deed Records, Midland County, Texas.

1.468 acres of land, more or less, being a part of Section Twenty-six (26), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being known as Ida Jo Moore Park, in Ridglea Addition to the City of Midland, Midland County, Texas, according to the map or plat thereof recorded at Volume 130, Page 237, Deed Records, No conveyance could be found of record conveying an interest to the City of Midland.

0.239 acres of land, more or less, being a part of Section Twenty-six (26), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being known as Block 12, Highland Addition to the City of Midland, Midland County, Texas, according to the map or plat thereof recorded at Volume B, Page 69, Plat Records, and being more particularly described in that certain Warranty Deed dated May 3, 1949 from Armintie Estes, a widow; Aldredge Estes, individually and as attorney in fact for Thelma Estes Brown and husband, W.T. Brown; Iris Estes Jeffrey and husband Red D. Jeffrey and Ola Dublin Haynes, a widow to the City of Midland, Midland County, Texas and recorded at Volume 110, Page 94, Deed Records, Midland County, Texas.

0.066 acres of land, more or less, being a part of Section Twenty-six (26), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being known as a small triangle of land located in Highland Addition to the City of Midland, Midland County, Texas, according to the map or plat thereof recorded at Volume B, Page 69, Plat Records, and being more particularly described in that certain Warranty Deed dated May 3, 1949 from Armintie Estes, a widow; Aldredge Estes, individually and as attorney in fact for Thelma Estes Brown and husband, W.T. Brown; Iris Estes Jeffrey and husband Red D. Jeffrey and Ola Dublin Haynes, a widow to the City of Midland, Midland County, Texas and recorded at Volume 110, Page 94, Deed Records, Midland County, Texas.

0.377 acres of land, more or less, being part of Section Twenty-six (26), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas and being known as Lots 1, 2, 3, and the East 14 Feet of Lot 4, Block 5, Elmwood, an addition to the City of Midland, Midland County, Texas according to the plat thereof recorded in Volume 59, Page 133, Deed Records, and being more particularly described in that certain Warranty Deed dated June 11, 1940, from B.G. Grafa and wife, Mable Grafa to the City of Midland, recorded in Volume 66, Page 352, Deed Records, Midland County, Texas.

0.805 acres of land, more or less, being Lots 7-11, Block 1, Original Town of Midland, an addition to the City of Midland, Midland County, Texas, located partly in Section 26 and Section 35, Block 39, T-1-S, T&P Rwy. Co. Survey, Midland County, Texas, as per map or plat thereof recorded in Volume 47, Page 526 of the Deed Records of Midland County, Texas, and being more particularly described in that certain Warranty Deed dated August 18, 1988 executed by Georgina G. Figueroa to the City of Midland, recorded in Volume 979, Page 115 of the Deed Records of Midland County, Texas.

Rodriguez to City of Midland, recorded at Document Number 986-309, Deed Records, Midland County, Texas.

N 100' of NW/4, Block 2, Original Town of Midland, an addition to the City of Midland, Midland County, Texas, located partly in Section 26 and Section 35, Block 39, T-1-S, T&P Rwy. Co. Survey, Midland County, Texas, as per map or plat thereof recorded in Volume 47, Page 526 of the Deed Records of Midland County, Texas.

0.964 acres of land, more or less, being part of Section 26, Block 39, Township 1 South, Texas and Pacific Railroad Company Survey, Midland County, Texas and being known as the East One-Half of Block 28, Homestead, an addition to the City of Midland, Midland County, Texas according to the plat thereof recorded

in Volume 1, Page 242, Deed Records, and being more particularly described in that certain Special Warranty Deed dated February 8th, 1989 Prudential Insurance Company of America to the City of Midland, recorded at Volume 994 Page 524, Official Public Records, Midland County, Texas.

0.964 acres of land, more or less, being part of Section 26, Block 39, Township 1 South, Texas and Pacific Railroad Company Survey, Midland County, Texas and being known as the West One-Half of Block 28, Homestead, an addition to the City of Midland, Midland County, Texas according to the plat thereof recorded in Volume 1, Page 242, Deed Records, and being more particularly described in that certain Warranty Deed dated December 19th, 1991 from MWJ Producing Company to the City of Midland, recorded at Volume 1106 Page 199, Official Public Records, Midland County, Texas.

0.37699 acres of land, more or less, being part of Section 26, Block 39, Township 1 South, Texas and Pacific Railroad Company Survey, Midland County, Texas and being known as Lots 1, 2, and 3, and the East 14 feet of Lot 4, Block 5, Elmwood, an addition to the City of Midland, Midland County, Texas according to the plat thereof recorded in Volume 59, Page 133, Deed Records, and being more particularly described in that certain Warranty Deed Agreement dated December 19th, 1991 from B. G. Grafa and wife, Mable C. Grafa to the City of Midland, recorded at Volume 66 Page 352, Official Public Records, Midland County, Texas.

0.13799 acres of land, more or less, being part of Section 26, Block 39, Township 1 South, Texas and Pacific Railroad Company Survey, Midland County, Texas and being known as Lot 24 Except the West 4 feet, Block 2, Resurvey of Russell & High Addition, an addition to the City of Midland, Midland County, Texas according to the plat thereof recorded in Volume 103, Page 1473, Deed Records, and being more particularly described in that certain Warranty Deed Agreement dated November 6th, 1995 from Carle E. Schuder and wife, Mary K. Schuder to the City of Midland, recorded at Volume 1341 Page 753, Official Public Records, Midland County, Texas.

0.5449 acres of land, more or less, being part of Section 26, Block 39, Township 1 South, Texas and Pacific Railroad Company Survey, Midland County, Texas and being known as Lot 2, Block 1, Barber Cole Extension, an addition to the City of Midland, Midland County, Texas according to the plat thereof recorded in Cabinet C, Page 82, Deed Records, and being more particularly described in that certain General Warranty Deed Agreement dated January 21st, 1998 from A. T. Mendoza to the City of Midland, recorded at Volume 1525 Page 14, Official Public Records, Midland County, Texas

0.75 acres of land, more or less, being part of Section 26, Block 39, Township 1 South, Texas and Pacific Railroad Company Survey, Midland County, Texas and being known as Lot 3 and 4, Block 1, Barber Cole Extension, an addition to the City of Midland, Midland County, Texas according to the plat thereof recorded in Cabinet C, Page 82, Deed Records, and being more particularly described in that certain General Warranty Deed Agreement dated January 9th, 1998 from Faustino Quiroz and spouse, Mary Frances to the City of Midland, recorded at Volume 1525 Page 8, Official Public Records, Midland County, Texas

0.24299 acres of land, more or less, being part of Section 26, Block 39, Township 1 South, Texas and Pacific Railroad Company Survey, Midland County, Texas and being known as Lot 2, Block 15, Elmwood Addition Section 2, an addition to the City of Midland, Midland County, Texas according to the plat thereof recorded in Volume 694, Page 579, Deed Records, and being more particularly described in that certain Special Warranty Deed Agreement dated January 9th, 1998 from the City of Midland to the City of Midland, recorded at Volume 694 Page 579, Official Public Records, Midland County, Texas.

0.5 acres of land, more or less, being part of Section 26, Block 39, Township 1 South, Texas and Pacific Railroad Company Survey, Midland County, Texas and being known as Lot 2, Block 18, Elmwood Addition Section 2, an addition to the City of Midland, Midland County, Texas according to the plat thereof recorded in Volume 694, Page 579, Deed Records, and being more particularly described in that certain Special Warranty Deed Agreement dated January 9th, 1998, recorded at Volume 694 Page 579, Official Public Records, Midland County, Texas.

0.04 acres of land, more or less, being part of Section 26, Block 39, Township 1 South, Texas and Pacific Railroad Company Survey, Midland County, Texas and being known as 0.04 acres out of the resurvey of Block 1, Richardson Abilene, an addition to the City of Midland, Midland County, Texas according to the plat thereof recorded in Volume 64, Page 125, Deed Records, and being more particularly described in that certain Warranty Deed Agreement dated July 7th, 1945 from Henry Butler and wife, Margaret Butler to the City of Midland, recorded at Volume 86 Page 39, Official Public Records, Midland County, Texas

0.11 acres of land, more or less, being part of Section 26, Block 39, Township 1 South, Texas and Pacific Railroad Company Survey, Midland County, Texas and being known as Block 12, Highland Addition, an addition to the City of Midland, Midland County, Texas according to the plat thereof recorded in Cabinet B, Page 69, Plat Records, and being more particularly described in that certain Warranty Deed Agreement dated May 3rd, 1949 from Aminite Estes, a widow; Aldredge Estes, individually and as attorney in fact for Thelma Estes Brown and husband, W. T. Brown, Iris Estes Jeffrey and husband Red D. Jeffrey and Ola Dublin Haynes, a widow to the City of Midland, recorded at Volume 110 Page 94, Official Public Records, Midland County, Texas.

0.155 acres of land being part of Section 26, Block 39, Township 1 South, Texas and Pacific Railroad Company Survey, Midland County, Texas and being known as Tract 12, Block 1 and 2, W W Harris Addition,

an addition to the City of Midland, Midland County, Texas per the plat thereof recorded in Volume 100, Page 602, Plat Records, Midland County, Texas.

1.46 acres of land being part of Section 26, Block 39, Township 1 South, Texas and Pacific Railroad Company Survey, Midland County, Texas and being known as Riglea Park, Riglea (aka Ida Jo Moore Park) Addition, an addition to the City of Midland, Midland County, Texas per the plat thereof recorded in Cabinet A, Page 74, Plat Records, Midland County, Texas.

0.066 acres of land being part of Section 26, Block 39, Township 1 South, Texas and Pacific Railroad Company Survey, Midland County, Texas and being known as 87 feet x 35 feet x 80 feet, South Triangle of Block 8, Highland Addition, an addition to the City of Midland, Midland County, Texas per the plat thereof recorded in Cabinet B, Page 69, Plat Records, Midland County, Texas.

0.0929 acres of land being part of Section 26, Block 39, Township 1 South, Texas and Pacific Railroad Company Survey, Midland County, Texas and being a triangle shaped median or strip of land at the intersection East Louisiana Avenue and North Lamesa Road (700 North Mineola Street, Midland, Texas; Property ID R25919), Midland County, Texas.

0.021 acres of land being part of Section 26, Block 39, Township 1 South, Texas and Pacific Railroad Company Survey, Midland County, Texas and being a portion of the Southeast corner of Lot 6, Block 28, Cowden, an addition to the City of Midland, Midland County, Texas per the plat thereof recorded in Cabinet B, Page 22, Plat Records, Midland County, Texas.

W/2 Block 28, Homestead Addition, an addition to the City of Midland, as per plat of record in Volume 1, Page 242, Deed Records, Midland County, Texas.

E/2 Block 28, Homestead Addition, an addition to the City of Midland, as per plat of record in Volume 1, Page 242, Deed Records, Midland County, Texas.

Lot 2, except 0.035 acres thereof described in Document #2018-3235 from City of Midland to Mark L. Branum, dated 10/12/2018, Block 15, Elmwood Addition Section 2, an addition to the City of Midland, Midland County, Texas, according to the map or plat thereof of record in Cabinet D, Page 17, Plat Records, Midland County, Texas.

Lot 4, Block 18, Elmwood Addition Section 2, an addition to the City of Midland, Midland County, Texas, according to the map or plat thereof of record in Cabinet D, Page 17, Plat Records, Midland County, Texas.

EXHIBIT "B" TO RESOLUTION

SURFACE USE AGREEMENT

THIS SURFACE USE AGREEMENT (this "Agreement") is made and entered into this _____ day of _____, 2021, by and between the **CITY OF MIDLAND, TEXAS**, whose address is 300 N. Loraine, Midland, Texas, 79701, Attention: Right-of-Way Manager ("Surface Owner") and **MIDLAND-PETRO D.C. PARTNERS, LLC**, whose address is P.O. Box 2071, Midland, Texas 79702 ("Lessee"), covering the following described lands located in Midland County, Texas (the "Surface Premises"):

See Exhibit "A" attached hereto for a complete description of lands owned by Surface Owner and covered by this Agreement.

Reference is made to that certain Oil and Gas Lease described on Exhibit "B" attached hereto reference to which is hereby made for all purposes (the "Lease"), covering the lands described on Exhibit "B" (the "Leased Premises"). It is the purpose of this Agreement to provide for protection of the surface estate and water resources of the Leased Premises and Surface Premises in connection with oil and gas exploration, development and production under the Lease.

Accordingly, it is agreed as follows:

1. NOTICE BETWEEN SURFACE OWNER AND LESSEE:

(a) Prior to commencing any operations, including, without limitation, seismic, drilling or reworking operations, or road, pipeline or other construction, on the Surface Premises, Lessee shall notify Surface Owner in writing of the specific activity that is to be conducted and the approximate date and location of such activity, such notice to be given within thirty (30) days prior to the actual commencement of operations, provided that any such operations shall commence on or before the end of the primary term of the Lease (the "Drilling Commencement Date").

(b) Lessee agrees to designate in writing the name of the person or persons with whom Surface Owner may communicate about the activities being conducted on the surface and with whom Surface Owner may resolve issues that arise.

(c) All communications by Lessee to Surface Owner shall be directed to:

(d) Name: Mr. John Simmons, Right-of-Way Manager

Address: P.O. Box 1152
Midland, Texas 79702

Phone: 432-685-7470

Email: jsimmons@midlandtexas.gov

2. REASONABLE USE:

Lessee agrees that it shall not be entitled to use any more of the surface of the Surface Premises than is reasonably necessary and that all surface installations shall be kept to a reasonable minimum consistent with good operating practices. Additionally, Lessee hereby acknowledges and agrees that notwithstanding any implied right of use under the laws of the State of Texas that might otherwise apply relating to exploitation of the mineral estate under the Leased Premises, all operations conducted pursuant to the Lease will be conducted in compliance with the terms of this Agreement. Lessee agrees that due to the proximity of the Leased Premises to the active runways at Midland Airpark, Lessee shall prepare and provide to Surface Owner prior to any drilling on the Surface Premises, at Lessee's sole cost and expense, an aeronautical study requested by the Federal Aviation Administration ("FAA") in connection with the necessary permits to drill in the vicinity of Midland Airpark. Surface Owner agrees to reasonably cooperate with and assist Lessee in obtaining all necessary permits required for drilling on the Surface Premises from the FAA, provided that (y) Lessee shall promptly reimburse Surface Owner up to $7,500.00 annually for any and all out of pocket costs and expenses incurred by Surface Owner in connection with Surface Owner's cooperation with and assistance of lessee in obtaining all necessary permits required for drilling on the Surface Premises from the FAA, and (z) Lessee acknowledges and agrees that

Surface Owner makes no representation, warranty or guaranty that the FAA will approve any such requested permit for drilling on the Surface Premises.

Surface Owner and Lessee acknowledge this Agreement is executed in conjunction with the Lease, which will benefit both the Surface Owner and the Lessee by the development of the oil and gas owned by the Surface Owner under the Surface Premises and oil and gas owned by the Surface Owner under other properties in proximity to the Surface Premises. Surface Owner and Lessee acknowledge in the future there may be the necessity to make modifications to this Agreement and specifically Exhibit "A-1" to this Agreement. Such modifications will be evidenced by amendments to this Agreement to be approved and signed by Lessee and the City Manager of the City of Midland, Texas; provided, however, that notwithstanding anything to the contrary contained in this paragraph or elsewhere in this Agreement, any modification or amendment to this Agreement shall be at Surface Owner's sole discretion.

3. ACCESS AND FENCES:

(a) Lessee agrees to access, cross and exit the Surface Premises only in the locations and along the routes on the roads shown on Exhibit "A-1", provided that Lessee may access or cross any area within the perimeter fences of Lessee's multi-well pads located on the Surface Premises. Lessee and all persons entering or leaving the Surface Premises in connection with Lessee's operations hereunder shall keep all outside and interior gates securely closed except during drilling and completion operations. At any gate that is to be locked, Surface Owner may install its own lock in addition to Lessee's lock. Lessee and all persons entering or leaving any portion of Midland Airpark in connection with Lessee's operations hereunder shall observe and comply with all FAA rules, regulations and requirements, including, without limitation, obtaining any and all necessary permissions to access Midland Airpark.

(b) Lessee will construct, prior to Lessee's commencement of any operations on the Surface Premises and at Lessee's sole cost and expense, a temporary access road off Big Spring Street north of the 9.25 acre pad for entrance to the Surface Premises in the location shown on Exhibit "A-1" (the "Temporary Access Road"). The parties hereto acknowledge and agree that the Temporary Access Road is intended to be and shall be the primary route of access to the Surface Premises to be used by Lessee in connection with its operations on the Surface Premises. Except as to roads located within the perimeter fences of Lessee's multi-well pads located on the Surface Premises, Lessee shall not commence to construct any new roads not shown on Exhibit "A-1" upon the Surface Premises without the prior written approval of Surface Owner, which approval shall be at Surface Owner's sole discretion. Lessee may construct, at Lessee's sole cost and expense, roads within the perimeter fences of Lessee's multi-well pads located on the Surface Premises without Surface Owner's approval. Excluding roads located within the perimeter fences of Lessee's multi-well pads located on the Surface Premises, any and all new roads on the Surface Premises approved by Surface Owner and to be used by Lessee in connection with its operations shall be constructed by Lessee at Lessee's sole cost and expense and in accordance with such specifications as may be required by Surface Owner. All roads used or constructed by Lessee shall be topped and crowned with a minimum of 9" of caliche and shall have magnesium chloride applied to the road surface after the completion of road construction, or shall be paved, as required by Surface Owner; provided that as to roads located within the perimeter fences of Lessee's multi-well pads located on the Surface Premises, Lessee may determine whether such roads shall be caliche as aforesaid or paved. While under construction, roads will be kept wet down to avoid excessive dust. Notwithstanding that Surface Owner may use all roads used by Lessee for any and all purposes, Lessee shall maintain all roads used by Lessee in good repair, and all roads shall be maintained as all-weather caliche or paved roads, as applicable, at all times. All holes and ruts in roads used by Lessee shall be filled as soon as practical by Lessee. Lessee shall install adequate culverts wherever any road constructed or used by Lessee crosses a natural drainage, and except as provided below all roads and any pipelines laid by Lessee shall be so constructed and laid as not to interfere with the natural flow of surface waters or with drainage. Lessee shall place water diversions along any road constructed or used by Lessee as necessary to prevent excessive washing out of the road. All material for such diversions will be constructed using materials purchased from Surface Owner and Lessee shall not use materials pushed up from the roadside, unless Surface Owner agrees otherwise.

(c) Lessee agrees that Lessee will not cut or go over any fence at any time or in connection with any operations on the Surface Premises without first obtaining Surface Owner's express consent thereto in writing. All gates or openings in fences shall be at mutually agreeable location(s) between Lessee and Surface Owner and shall be constructed as reasonably required by Surface Owner. Within ninety (90) days after Lessee has completed its drilling operations and removed the sound walls required by Section 16(f) of this Agreement, Lessee shall construct permanent fencing around the 7.62 acre and 9.25 acre pads shown on Exhibit "A-1" attached hereto at locations approved by the City Manager. Said permanent fences shall substantially conform to the schematics attached hereto as Exhibit "D". The terms, provisions and requirements of this subparagraph (c) shall survive the termination or expiration of this Agreement.

(d) In connection with its operations, in addition to the Temporary Access Road Lessee also intends to use (i) Veterans Airpark Lane between Big Spring Street and Smith Road, (ii) Smith Road, and (iii) any other road owned by Surface Owner located on the Surface Premises to which Surface Owner in its sole discretion has consented to Lessee's use (the roads described in the immediately preceding clauses (i)-(iii) are hereinafter collectively referred to as the "Non-Temporary Utilized Roads"). Lessee agrees to pay actual road repair costs up to a maximum amount of Seventy-Five Thousand and No/100 Dollars ($75,000.00) per calendar year for damage done to the Non-Temporary Utilized Roads and the entrance gates on the Surface Premises to the extent that any such damage is verifiably attributable to traffic servicing Lessee. Lessee will not be obligated to pay for any damage to the Non-Temporary Utilized Roads attributable to other parties or for damage associated with normal wear and tear. Lessee has provided to Surface Owner a letter of credit, certificate of deposit or surety bond in form and substance satisfactory to Surface Owner in the amount of $75,000.00 which will serve to secure payment of any such road repair expenses for the Non-Temporary Utilized Roads. In the event such letter of credit, certificate of deposit or surety bond is not restored to $75,000.00 within ten (10) days after the date of the reduction of the letter of credit, certificate of deposit or surety bond, Surface Owner may draw and receive the remaining balance of the letter of credit, certificate of deposit or surety bond and Lessee's Oil and Gas Well Permit(s) shall immediately cease until Lessee files the required letter of credit, certificate of deposit or surety bond. Lessee and Surface Owner agree that the documentation of any road damage determined to be caused by Lessee's use of the Non-Temporary Utilized Roads in connection with its operations shall be presented to Lessee. If Lessee does not agree with such determination, Lessee may file a written objection with the City Manager within ten (10) days of being notified of the road damage. The City Manager shall review the objections and give Lessee the opportunity to be heard and present facts that Lessee deems relevant. Surface Owner reserves the right after giving ten (10) business days written notice to Lessee regarding such violation, to draw upon the letter of credit, certificate of deposit or surety bond as outlined in Subsection (K), General Conditions of all Oil and Gas Well Permits, in order to remedy such situation under Section 6-1-23 "Oil and Gas Well Permits" of the City of Midland Oil and Gas Ordinance (as defined below). The amount drawn from the letter of credit, certificate of deposit or surety bond shall not exceed the limits previously described above. Notwithstanding the foregoing, all costs and expenses of maintaining the Temporary Access Road shall be borne by Lessee and for clarification, such costs and expenses shall not be included in the $75,000 annual road repair maximum amount referenced in this subparagraph (d).

(e) On or before the last day of the thirty-sixth (36^{th}) month after the Drilling Commencement Date, Lessee agrees to pay Surface Owner $750,000.00, which Surface Owner agrees to use in order to reconstruct Veterans Airpark Lane from Big Spring Street to Smith Road.

(f) No less than ten (10) business days prior to the movement onto or delivery to the Surface Premises of any drilling rig, other rig or any equipment or materials to be moved onto or delivered to the Surface Premises by means of any vehicle or other delivery method larger than a semi-tractor-trailer truck, Lessee shall notify Surface Owner thereof and shall coordinate with Surface Owner to provide such traffic control and other similar measures as are reasonably required by Surface Owner. Lessee shall pay all costs and expenses of such traffic control and other similar measures reasonably required by Surface Owner, including, without limitation, reimbursing Surface Owner for any and all out of pocket costs and expenses incurred by Surface Owner in connection therewith.

4. DRILLSITE LOCATIONS:

(a) All drillsite locations and pads shall be at the locations and the sizes shown on Exhibit "A-1" attached hereto. Lessee shall locate all operations within the 7.62 acre and 9.25 acre drill pads shown on Exhibit "A-1" attached hereto and all wells shall be drilled within the Drilling Area designated within the 7.62 acre and 9.25 acre drill pads shown on Exhibit "A-1" attached hereto.

(b) Lessee shall provide trash trailers at drilling sites while drilling, completion and workover operations are in progress.

(c) Within one hundred twenty (120) days after abandonment of the last producing well on the Surface Premises, Lessee will remove all caliche from the applicable drillsite. The drillsite location shall be leveled and the top soil which was previously removed and stacked shall be spread uniformly over the drillsite location. Lessee shall plant the disturbed area with the type and quantity of grass or other reasonable landscaping designated by Surface Owner so that the disturbed area shall be generally restored to its original condition. The drillsite shall be cleaned and all oil and/or gas waste materials, junk, pieces or iron, pipes and other debris shall be removed. The terms, provisions and requirements of this subparagraph (c) shall survive the termination or expiration of this Agreement.

(d) Unless otherwise agreed to in writing by Surface Owner, other than wellheads, pumping units, electrical equipment, production separators, meters and electric pumps, no other structures or facilities, including, without limitation, tank batteries, heater treaters, dehydrators, compressors, or gas treatment facilities, shall be located on the Surface Premises.

(e) All producing well locations and pits will be fenced in accordance with standards set forth in the Midland City Code or otherwise approved by the Surface Owner and Lessee. Permanent internal combustion engines on pumping units (artificial lift equipment) are expressly prohibited from use on the Surface Premises. Lessee shall install an electric motor to operate any pumping unit placed by Lessee on the Surface Premises to produce any well.

(f) Lessee shall at all times maintain all equipment and permitted facilities located on the Surface Premises in good repair and condition, and in a properly painted condition.

(g) Drilling rigs and pulling unit rigs shall not be painted, steam cleaned or cleaned with solvents while on the Surface Premises unless provisions have been made to collect the effluent(s) of the operation for disposal off the Surface Premises. All rig waste shall be removed from the Surface Premises. Demobilization operations shall commence promptly for any drilling rig or workover rig (in no event later than fourteen (14) days after the drilling or workover operations have been completed, except in the event of a heavy rain event that prevents the removal of said rig) unless the rig is to be used to drill or workover another well located on the Leased Premises within thirty (30) days following the completion of its use on a prior operation.

5. RESERVE PITS AND DISPOSAL OF DRILLING FLUIDS AND MUD:

(a) While drilling, Lessee will use a closed loop mud system. While drilling and completing, all cuttings and other drilling and completion fluids will be retained and removed from the Surface Premises in above ground vessels.

(b) There shall be no landfarming or disposal of drilling fluids or muds or other wastes from oil and gas operations on the Surface Premises or into any wellbore located on the Surface Premises without prior written consent of Surface Owner, which consent shall be at Surface Owner's sole discretion.

6. PIPELINES:

(a) All pipelines and flowlines on the Surface Premises shall be buried at least forty-eight (48) inches below the surface unless otherwise agreed in writing by Surface Owner and the location of such lines shall be properly marked with signage approved by Surface Owner. The locations of all pipelines and flowlines are shown on Exhibit "A-1" and such pipelines and flowlines shall not exceed a maximum of twenty-four inches (24") in diameter. All trash and debris from construction of pipelines and flowlines shall be removed from the Surface Premises by

Lessee. The locations of pipelines and flowlines relating to Lessee's operations on property adjacent to the Surface Premises are shown on Exhibit "A-2" attached hereto.

(b) The pipelines located on the Surface Premises shall be adequately marked at all times by Lessee at all road or fence crossings and as required by applicable laws. All pipelines crossing runways or taxiways shall be bored and cased as shown on Exhibit "A-1" and Lessee shall comply with all FAA rules, regulations and requirements in connection with constructing, installing, maintaining and/or accessing such pipelines.

(c) If Lessee shall construct any pipeline on the Surface Premises, Lessee agrees that before the abandonment or removal of any such pipeline, it will offer the same to Surface Owner, without compensation. If Surface Owner elects not to accept any such pipeline, then Lessee shall either (i) remove such pipeline promptly following abandonment, or (ii) perform all work necessary to purge or remove all flammable, explosive and hazardous substances contained within the pipeline or flowline, cap or seal the pipeline or flowline, and then the pipeline or flowline may be abandoned in place, all in accordance with all applicable laws, rules, regulations and prudent engineering practices in a manner so as to render the pipeline or flowline safe. A pipeline or flowline shall be deemed to be abandoned for purposes of this Agreement if it has not been used to transport products for a period of three hundred sixty (360) consecutive days. If Lessee fails to remove or purge and cap any pipeline or flowline, Surface Owner may do so at the sole expense of Lessee. The terms, provisions and requirements of this subparagraph (c) shall survive the termination or expiration of this Agreement.

(d) Unless otherwise agreed to in writing by Surface Owner, no pipeline may be constructed hereunder that will carry any oil, gas, water (other than water used for the fracking process for wells drilled on the Surface Premises pursuant to this Agreement) or other substances which are not produced from the Leased Premises or lands pooled therewith.

7. ELECTRIC LINES:

(a) All electric lines shall be at locations shown on Exhibit "A-1".

(b) Lessee agrees that before abandonment or removal of any such electric line, it will offer the same to Surface Owner, without compensation. If Surface Owner elects not to accept such electric line, then Lessee shall remove such electric line promptly following abandonment. An electric line shall be deemed to be abandoned for purposes of this Agreement if it has not been used to deliver electricity for a period of three hundred sixty (360) consecutive days. The terms, provisions and requirements of this subparagraph (b) shall survive the termination or expiration of this Agreement.

(c) Unless otherwise agreed to in writing by Surface Owner, electric lines may only be constructed hereunder for the purpose of providing electricity to Lessee's permitted facilities and equipment located on the Leased Premises or Surface Premises or lands pooled therewith.

8. STORAGE OF MACHINERY AND EQUIPMENT:

Lessee shall use no part of the Surface Premises to store machinery, rigs, equipment, pipe or other property of Lessee while it is not being used.

9. HOUSING OF EMPLOYEES:

Lessee shall use no part of the Surface Premises to house employees or other personnel except temporarily at well sites during drilling or completion operations on the Leased Premises.

10. USE OF WATER:

Surface Owner hereby grants Lessee use of water located under the Surface Premises for operations located on the Leased Premises or on lands pooled therewith and for irrigation on the Surface Premises and on the Midland College campus. All existing and future water wells shall be shown on Exhibit "A-1" attached hereto or drilled at such locations approved in writing by Surface Owner, with any such approval to be at Surface Owner's sole discretion, and shall be drilled in accordance with such specifications required by Surface Owner. Lessee shall meter at the water wells and at such other points as may be necessary all such water used and shall pay to Surface Owner or to such other party or parties as may be designated in writing by Surface Owner the rate

set forth in the then applicable Rate and Damage Schedule set forth by The University of Texas System, University Lands for any such water so used; provided, however, that for a term of ten (10) years commencing upon the earlier of (i) the first day of the month in which Lessee first uses water located under the Surface Premises for irrigation on the Surface Premises or on the Midland College campus, and (ii) the date occurring two (2) years after the date of this Agreement, Lessee shall have the right to use up to an aggregate amount of one million gallons per month of water located under the Surface Premises for irrigation on the Surface Premises and on the Midland College campus free of charge, but if any water located under the Surface Premises is used for irrigation on the Surface Premises or on the Midland College campus in excess of such aggregate amount of one million gallons per month, Lessee shall pay to Surface Owner or to such other party or parties as may be designated in writing by Surface Owner the rate set forth in the then applicable Rate and Damage Schedule set forth by The University of Texas System, University Lands for any such excess water so used. All payments for water used as provided for in this paragraph shall be paid by Lessee to Surface Owner or to such other party or parties as may be designated in writing by Surface Owner on or before the last day of the month following the month in which such water was used. For any month that Lessee uses water located under the Surface Premises (x) for operations located on the Leased Premises or on lands pooled therewith, or (y) for irrigation on the Surface Premises or for irrigation on the Midland College campus, Lessee shall provide to Surface Owner on or before the last day of the month following the month in which such water was used, such report(s), in form and substance satisfactory to Surface Owner, totaling the number of gallons (or barrels, as applicable) of water located under the Surface Premises used by Lessee during such month for each of the purposes described in the preceding clauses (x) and (y), together with the calculation of such payment(s), if any, owing by Lessee for such water use in accordance with the terms of this paragraph.

11. DISPOSAL OF SALT WATER:

Lessee shall not dispose of salt water on or into the Surface Premises without the prior written consent of Surface Owner. In the event Lessee seeks to complete a salt water disposal well or wells on the Surface Premises, Surface Owner may consent in its sole discretion; provided, that if Surface Owner does consent, such consent shall be subject to Surface Owner and Lessee mutually agreeing on the form of Saltwater Disposal Agreement, the location of any disposal well, the location of disposal facilities, the formation in which such disposal shall be conducted, the compensation to Surface Owner for such disposal and the amount of damage to be paid to Surface Owner for such facilities.

12. TRASH:

Lessee will keep the Surface Premises free of trash and debris at all times. Under no circumstances will Lessee be allowed to bury any trash, debris or foreign material of any kind on or under the Surface Premises. Surface Owner shall have the right to expel and permanently ban from the Surface Premises any person observed disposing of trash on the Surface Premises. Upon the completion of any operation, all ribbons, flags, stakes and similar items shall be promptly removed from the Surface Premises.

13. CALICHE:

INTENTIONALLY OMITTED.

14. HUNTING, FISHING AND ALCOHOL PROHIBITED:

No agent, employee, representative, contractor or subcontractor of Lessee or any other person allowed to enter the Surface Premises by Lessee shall be permitted to hunt, fish, trap, camp, picnic, ride motorcycles or four-wheelers or otherwise conduct any social gathering on the Surface Premises, nor shall any such persons be permitted to bring firearms, archery equipment, dogs, alcoholic beverages or illegal drugs on the Surface Premises at any time. Violations of this provision shall cause the violator to be regarded as a trespasser and subject to prosecution under trespass laws of the State of Texas. Surface Owner shall have the right to expel and permanently ban from the Surface Premises any person observed on the Surface Premises in violation of this provision.

15. SEISMIC OPERATIONS:

Lessee may conduct seismic operations on the Leased Premises or on the Surface Premises only with the prior written consent of Surface Owner. Any such seismic operations shall be conducted at date(s) and time(s) mutually agreeable between Lessee and Surface Owner. In conducting seismic operations there shall be no holes drilled in the ground and there shall be no explosive charges. No seismic operations shall be conducted during wet conditions. In conducting seismic operations Lessee will not use or allow the use of a dozer, grader or similar equipment without express written permission from Surface Owner, and then only to the extent of such approval. If Lessee encounters a fence while conducting any seismic operations, it shall pass through the nearest gate to resume its operations.

16. LOCATION AND CONDUCT OF OPERATIONS:

Notwithstanding anything contained in this Agreement to the contrary, Lessee and Surface Owner acknowledge and agree that:

(a) without express written permission from Surface Owner, no well location, new road, pipeline, electric line, permitted facility or fixture shall be located, nor shall any operation of any kind be conducted, within **one hundred thirty-five (135) feet** of any structure located on the Surface Premises or on adjacent property owned by Surface Owner at the time of such operation;

(b) Lessee shall comply in all its operations with all applicable ordinances, laws, rules and regulations of each governmental, municipal and/or regulatory authority having jurisdiction over such operations, including, without limitation, (i) Chapter 11 of the Municipal Code of Midland, Texas, as the same may be hereafter amended from time to time, and (ii) as to any portion of the Leased Premises or Surface Premises located within the city limits of the City of Midland, Texas, the City of Midland Oil and Gas Drilling requirements as applied under current Ordinance 8769, as codified in Section 6-1-23 of the Municipal Code of Midland, Texas, as the same may be hereafter amended from time to time (the "City of Midland Oil and Gas Ordinance"), if and to the extent applicable;

(c) without limiting (b) immediately above, as to any portion of the Leased Premises or Surface Premises located in or near any airport, Lessee shall comply in all its operations with all applicable FAA rules, regulations and requirements and shall secure in advance all necessary approvals, permits and consents, and shall in addition comply with all reasonable directions of the City of Midland Director of Aviation relating to the public safety and welfare, and the safety of aviation related activities, including without limitation directives, rules and regulations relating to equipment height, location and safety markings;

(d) Lessee shall provide security for the Leased Premises and the Surface Premises during the drilling and completion of wells at such times as commercially reasonably necessary to secure the Leased Premises and the Surface Premises;

(e) all fracking of Lessee's wells on the Surface Premises and the Leased Premises shall be done using a quiet frac fleet system in compliance with Surface Owner's requirements and specifications for such quiet frac fleet system;

(f) Lessee shall construct sound walls of a height of not less than twenty-four feet (24') on all sides of the drillsites for each well drilled on the Surface Premises or on the Leased Premises in accordance with Surface Owner's requirements and specifications for such sound walls, allowing for adequate ingress and egress for Lessee's equipment to operate, and such sound walls shall remain in place during all drilling, fracking and completion operations for each such well, and unless otherwise requested by Surface Owner such sound walls shall be removed within one hundred eighty (180) days of the completion of the last well drilled; and

(g) all trucks and other vehicles of Lessee, its agents, employees, representatives, contractors, subcontractors or others entering upon the Surface Premises under the authority of the Lease or this Agreement, shall access the well sites on the Surface Premises only in the locations and using the routes depicted upon Exhibit "A-3" so as not to interfere or adversely affect the operations of the Citizen's Collection Center (defined below), and without limiting or being limited by the foregoing, Lessee, its agents, employees, representatives, contractors, subcontractors or others entering upon the Surface Premises under the authority of the Lease or

this Agreement, shall comply with reasonable requests of Surface Owner in connection with the coordination of Lessee's operations and activities upon the Surface Premises with those of the Citizen's Collection Center (defined below). As clarification of the foregoing, Lessee, its agents, employees, representatives, contractors, subcontractors or others entering upon the Surface Premises under the authority of the Lease or this Agreement may access or cross any area within the perimeter fences of Lessee's multi-well pads located on the Surface Premises.

17. NOXIOUS VEGETATION:

Lessee shall take all reasonable precautions to keep the Surface Premises free of bitterweed, African rue, tumbleweeds, cockleburs and other noxious vegetation (being native and non-native toxic plants). In the event any such noxious vegetation is encountered around any of Lessee's equipment or permitted facilities, Lessee agrees to promptly spray herbicide to eliminate such vegetation. If Lessee fails to take such action, Surface Owner may have such vegetation sprayed at the sole expense of Lessee. At the request of Surface Owner, Lessee shall weedwash all vehicles and equipment entering upon the Surface Premises at the entrance to the Surface Premises prior to their entry thereon.

18. SPEED LIMIT:

A speed limit of 25 m.p.h. on the Surface Premises will be observed by Lessee and its agents, employees, representatives, contractors and subcontractors. At the request of Surface Owner, Lessee will place speed limit signs approved by Surface Owner at entrances onto the Surface Premises. Surface Owner shall have the right to expel and permanently ban from the Surface Premises any person observed exceeding such speed limit.

19. ARCHAEOLOGICAL SITES:

Lessee, its agents, employees, representatives, contractors and subcontractors or others entering upon the Surface Premises under the authority of the Lease or this Agreement shall not intentionally remove or destroy any fossils, Indian artifacts, or other archeological objects of historical or scientific value which may be situated thereon. Should Lessee or any of its agents, employees, representatives, contractors or subcontractors discover any such objects on the Surface Premises, it shall leave said objects in place and promptly notify Surface Owner of the existence of such objects.

20. DAMAGE TO PROPERTY IN GENERAL AND DAMAGE SCHEDULE:

Lessee agrees to pay for actual damages resulting to the Surface Premises, improvements thereon and to personal property thereon caused by Lessee's operations. Compensation for all damages to property shall be based on the prevailing rates for similar damages in the area at the time the damage occurs.

In addition to any other damages that may become payable by Lessee, Lessee shall pay Surface Owner in advance damages for the following items based upon the then applicable Rate and Damage Schedule set forth by The University of Texas System, University Lands:

- Well Location (New Location and Re-Entry)
- Caliche Sales
- Geophysical Permits
- Roads
- Pipelines
- Utility line easements
- Fresh Water Frac Pit Site

Solely for purposes of calculating damages under the then applicable Rate and Damage Schedule set forth by The University of Texas System, University Lands, (a) the Leased Premises and the Surface Premises shall be classified as "University Lands" under such Schedule, (b) any road, pipeline, or utility line used or constructed by Lessee on the Surface Premises shall be

classified under such Schedule as requiring a "new" easement, and (c) any flowlines (other than and excluding temporary surface pipelines) installed by Lessee on the Surface Premises shall be classified as "pipelines" under such Schedule.

Within ten (10) business days after the date of this Agreement, Lessee shall pay Surface Owner the sum of $1,000,000 (the "Relocation Payment") to be used by Surface Owner to help cover Surface Owner's costs and expenses involved with relocating the Citizen's Collection Center located adjacent to the drillsites and shown on Exhibit "A-1" attached hereto (the "Citizen's Collection Center"). In the event Surface Owner does not close the operations of the Citizen's Collection Center on or before the fifth (5^{th}) anniversary of the date of this Agreement Surface Owner shall refund the Relocation Payment to Lessee.

21. REMOVAL OF PROPERTY:

Except as otherwise provided herein, Lessee shall have the right at any time during or within ninety (90) days after the expiration of the Lease as to any portion of the Leased Premises, to remove all property and fixtures placed by Lessee on any such portion of the Leased Premises, including the right to draw and remove all casing, then belonging to Lessee and not taken over by Surface Owner under some other provision of this Agreement. If Lessee fails to remove such property and fixtures within said ninety (90) day period, such property and fixtures shall at the election of Surface Owner, either become owned by Surface Owner or Surface Owner may have such property removed at the sole expense of Lessee; provided, however, Lessee shall not be relieved of its liability to plug any well so abandoned. The terms, provisions and requirements of this paragraph shall survive the termination or expiration of this Agreement.

22. INDEMNIFICATION AND ENVIRONMENTAL PROTECTION:

TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, LESSEE, ITS SUCCESSORS AND ASSIGNS, AGREE TO INDEMNIFY, PROTECT, DEFEND AND HOLD HARMLESS SURFACE OWNER AND SURFACE OWNER'S REPRESENTATIVES, AGENTS, ATTORNEYS, HEIRS, EXECUTORS, SURFACE LESSEES, AFFILIATES, SUCCESSORS AND ASSIGNS (COLLECTIVELY, "INDEMNITEES") FOR, FROM AND AGAINST ANY AND ALL CLAIMS, LOSSES, DAMAGES, LIABILITIES, LIENS, FINES, PENALTIES, CAUSES OF ACTION, SUITS, CHARGES, JUDGMENTS, ADMINISTRATIVE ORDERS, REMEDIATION REQUIREMENTS, ENFORCEMENT ACTIONS OF ANY KIND, AND ALL COSTS AND EXPENSES INCURRED IN CONNECTION THEREWITH (INCLUDING, BUT NOT LIMITED TO, ATTORNEYS' FEES AND EXPENSES, INCLUDING ALL ATTORNEYS' FEES AND EXPENSES INCURRED IN ENFORCING THIS INDEMNITY) OF ANY NATURE, KIND OR DESCRIPTION OF ANY PERSON OR ENTITY, DIRECTLY OR INDIRECTLY ARISING OUT OF, CAUSED BY OR RESULTING FROM (IN WHOLE OR IN PART) THIS AGREEMENT, OR ANY ACT OR OMISSION OF LESSEE, ANY CONTRACTOR, SUBCONTRACTOR, ANYONE DIRECTLY OR INDIRECTLY EMPLOYED BY THEM, OR ANYONE THAT THEY CONTROL OR EXERCISE CONTROL OVER (COLLECTIVELY, "LIABILITIES"), EVEN IF SUCH LIABILITIES ARISE FROM OR ARE ATTRIBUTED TO THE CONCURRENT NEGLIGENCE OF ANY INDEMNITEE. THE ONLY LIABILITIES WITH RESPECT TO WHICH LESSEE'S OBLIGATION TO INDEMNIFY THE INDEMNITEES DOES NOT APPLY IS WITH RESPECT TO LIABILITIES OF AN INDEMNITEE RESULTING FROM THE SOLE NEGLIGENCE OR WILLFUL MISCONDUCT OF THAT INDEMNITEE. LESSEE SHALL PROMPTLY ADVISE SURFACE OWNER OF ANY ACTION, ADMINISTRATIVE OR LEGAL PROCEEDING OR INVESTIGATION TO WHICH THIS INDEMNIFICATION MAY APPLY, AND OF WHICH LESSEE HAS RECEIVED NOTICE, AND LESSEE AT LESSEE'S EXPENSE, SHALL ASSUME ON BEHALF OF SURFACE OWNER (AND THE OTHER INDEMNITEES) AND CONDUCT WITH DUE DILIGENCE AND IN GOOD FAITH THE DEFENSE THEREOF WITH COUNSEL REASONABLY SATISFACTORY TO SURFACE OWNER; PROVIDED, HOWEVER, THAT ANY INDEMNITEE SHALL HAVE THE RIGHT, AT ITS OPTION, TO BE REPRESENTED THEREIN BY COUNSEL OF ITS OWN SELECTION AND AT ITS OWN EXPENSE. IN THE EVENT OF FAILURE BY LESSEE TO ASSUME THE

DEFENSE OF SURFACE OWNER IN ACCORDANCE WITH THIS INDEMNIFICATION PARAGRAPH, SURFACE OWNER, AT ITS OPTION, AND WITHOUT RELIEVING LESSEE OF ITS OBLIGATION HEREUNDER, MAY ASSUME SUCH DEFENSE, AFTER WRITTEN NOTICE THEREOF TO LESSEE AND LESSEE'S FAILURE TO RESPOND THERETO WITHIN TEN BUSINESS DAYS AFTER RECEIPT OF SUCH NOTICE (SAID TEN DAY PERIOD SHALL NOT APPLY IN ANY CASE WHERE IMMEDIATE ANSWERS, RESPONSES, OR OTHER AFFIRMATIVE ACTION IS REQUIRED TO PRESERVE THE RIGHTS OF THE SURFACE OWNER) BUT ALL REASONABLE COSTS AND EXPENSES SO INCURRED BY SURFACE OWNER IN THAT EVENT SHALL BE REIMBURSED BY LESSEE TO SURFACE OWNER, TOGETHER WITH INTEREST ON THE SAME FROM THE DATE ANY SUCH EXPENSE WAS PAID BY SURFACE OWNER UNTIL REIMBURSED BY LESSEE, AT THE RATE OF INTEREST PROVIDED TO BE PAID ON JUDGMENTS, BY THE LAW OF THE STATE OF TEXAS.

LESSEE, ITS SUCCESSORS AND ASSIGNS, SHALL INDEMNIFY, DEFEND AND HOLD INDEMNITEES HARMLESS FROM AND AGAINST ALL CLAIMS, LOSSES, DAMAGES, LIABILITIES, LIENS, FINES, PENALTIES, CAUSES OF ACTION, SUITS, CHARGES, JUDGMENTS, ADMINISTRATIVE ORDERS, REMEDIATION REQUIREMENTS, ENFORCEMENT ACTIONS OF ANY KIND, AND ALL COSTS AND EXPENSES INCURRED IN CONNECTION THEREWITH (INCLUDING, BUT NOT LIMITED TO, ATTORNEYS' FEES AND EXPENSES, INCLUDING ALL ATTORNEYS' FEES AND EXPENSES INCURRED IN ENFORCING THIS INDEMNITY) OF ANY NATURE, KIND OR DESCRIPTION, DIRECTLY OR INDIRECTLY ARISING OUT OF, CAUSED BY OR RESULTING FROM (IN WHOLE OR IN PART) (i) FAILURE OF LESSEE, ANY CONTRACTOR, SUBCONTRACTOR, ANYONE DIRECTLY OR INDIRECTLY EMPLOYED BY THEM, OR ANYONE THAT THEY CONTROL OR EXERCISE CONTROL OVER (COLLECTIVELY, THE "INDEMNIFYING PARTIES"), TO COMPLY WITH ALL APPLICABLE LOCAL, FEDERAL AND/OR STATE ENVIRONMENTAL LAWS, INCLUDING BUT NOT LIMITED TO THE RESOURCE CONSERVATION AND RECOVERY ACT (RCRA) AND THE COMPREHENSIVE ENVIRONMENTAL RESPONSE, COMPENSATION, AND LIABILITY ACT (CERCLA) (AS THEY MAY BE REAUTHORIZED AND/OR AMENDED) AND ALL OTHER LOCAL, FEDERAL AND STATE LAWS, IN CONNECTION WITH OR RELATED TO ANY INDEMNIFYING PARTY'S OPERATIONS OR ACTIVITIES ON THE SURFACE PREMISES, OR (ii) ANY INDEMNIFYING PARTY'S HANDLING, STORING, RELEASING OR TRANSPORTING OR DISPOSING OF ALL SUBSTANCES, INCLUDING BUT NOT LIMITED TO HAZARDOUS SUBSTANCES AND HAZARDOUS WASTES, ON OR FROM THE SURFACE PREMISES OR ANY OTHER LANDS OF SURFACE OWNER, PROVIDED HOWEVER, LESSEE SHALL NOT BE REQUIRED TO PROVIDE INDEMNIFICATION HEREUNDER TO THE EXTENT OF THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF ANY INDEMNITEE. IT IS THE INTENTION OF THE PARTIES HERETO THAT THE PROVISIONS OF THIS PARAGRAPH SHALL APPLY TO AND PROTECT EACH INDEMNIFIED PARTY FROM THE CONSEQUENCES OF STRICT LIABILITY IMPOSED OR THREATENED TO BE IMPOSED ON SUCH INDEMNIFIED PARTY AS A RESULT OF THE FOREGOING.

THE TERMS, PROVISIONS AND REQUIREMENTS OF THIS PARAGRAPH SHALL SURVIVE THE TERMINATION OR EXPIRATION OF THIS AGREEMENT, AND THESE INDEMNIFICATION OBLIGATIONS SHALL NOT BE LIMITED BY OR TO DAMAGES, COMPENSATION OR BENEFITS PAYABLE UNDER INSURANCE POLICIES, WORKER'S COMPENSATION ACTS, DISABILITY BENEFIT ACTS OR OTHER EMPLOYEES' BENEFIT ACTS.

23. INSURANCE:

At all times during the term of the Lease each operator of all or any portion of the Leased Premises shall maintain adequate insurance to cover any and all damages arising in connection

with its operations pursuant to the Lease, and Lessee shall in any event maintain insurance meeting the following minimum requirements:

Type of Insurance:	Limits:
General Liability	$1,000,000.00
Automobile Liability	$1,000,000.00
Umbrella Liability	$5,000,000.00
Pollution	$1,000,000.00
Workers' Compensation Insurance	$1,000,000.00

Each such operator shall provide evidence that such required insurance is in full force and effect on or before ten (10) days prior to entry onto the Leased Premises or Surface Premises by furnishing to Surface Owner at the address set forth in Section 1(c) above a Certificate of Insurance, or certified copies of the above required policies.

24. RESTROOM FACILITIES:

Lessee or its contractors shall provide its employees with portable toilet facilities during drilling, completion, reworking, pipeline construction, seismic survey operations and any other similar or related operations.

25. LANDSCAPING AND IRRIGATION:

On or before the last day of the twelfth (12^{th}) month after the Drilling Commencement Date, Lessee shall submit to the City Manager of Surface Owner for his or her approval a detailed written plan, including appropriate plats and/or renderings, for reasonable and appropriate landscaping and irrigation of the Surface Premises in order to minimize the impact of Lessee's operations upon the appearance of the Surface Premises and upon the flow and drainage of water across the Surface Premises. Such landscaping and irrigation plan shall include such reasonable requirements as may be requested by Surface Owner, and the approval of the City Manager of such landscaping and irrigation plan shall not be unreasonably withheld, but shall generally be in compliance with the schematics attached hereto as Exhibit "D". Without limiting the foregoing, the parties hereto acknowledge and agree that (i) such landscaping and irrigation plan shall require the installation of appropriate landscaping and irrigation around the perimeter fence of each multi-well pad located upon the Surface Premises, (ii) the landscaping to be located upon the Surface Premises shall be irrigated with a bubbler and sprinkler irrigation system that provides sufficient water volume and coverage for such landscaping, and (iii) Surface Owner's requirements for the landscaping and irrigation to be installed on the Surface Premises shall not be limited by the requirements of the City of Midland Oil and Gas Ordinance or any other applicable ordinance, law, rule or regulation. All costs of the preparation of the landscaping and irrigation plan and of the installation of such landscaping and irrigation shall be paid by Lessee. Unless otherwise agreed by Surface Owner, Lessee shall be responsible for the installation of all such landscaping and irrigation in accordance with such plan and all such landscaping and irrigation shall be installed by Lessee within six (6) months after the removal of the sound walls required by Section 16(f) of this Agreement. Lessee shall be responsible, at Lessee's sole cost and expense, for maintenance of the landscaping and irrigation during the term of this Agreement.

26. WAIVER; SOVEREIGN IMMUNITY:

No waiver of any of the provisions of this Agreement shall be deemed or constitute a waiver of any other provision of this Agreement, nor shall such waiver constitute a continuing waiver unless otherwise expressly provided. Likewise, the failure of Surface Owner to enforce any provision of this Agreement shall not be deemed nor shall constitute a waiver of the right of Surface Owner to enforce such provision.

By executing this Agreement, Surface Owner is not waiving its right of sovereign immunity. Surface Owner is retaining its immunity from suit. Surface Owner is not granting consent to be sued by legislative resolution or action. THERE IS NO WAIVER OF SOVEREIGN IMMUNITY.

27. ENFORCEMENT:

Unless provided otherwise under some other provision of this Agreement, all compensation, damages or other payments due to Surface Owner under the terms of this Agreement shall be paid to Surface Owner within thirty (30) days after the event giving rise to such obligation occurs. In the event Lessee fails to take the actions required under this Agreement, Surface Owner shall notify Lessee and Lessee shall have thirty (30) days to remedy such failure. If Lessee fails to remedy such failure and Surface Owner conducts the required action on behalf of Lessee, Lessee agrees to pay all reasonable costs incurred by Surface Owner related to such required action within thirty (30) days of receipt of an invoice for such action. Any amount not paid within said thirty (30) day period shall bear interest at a rate of eighteen percent (18%) per annum or the highest interest rate allowed by law from its due date until paid.

28. ATTORNEY'S FEES AND EXPENSES:

Should Surface Owner be required to resort to employment of an attorney to enforce this Agreement, or any of its rights under this Agreement, Surface Owner shall be entitled to reimbursement from Lessee for reasonable attorney's fees.

29. SUCCESSORS AND ASSIGNS:

The provisions of this Agreement shall inure to the benefit of and be binding upon Surface Owner and Lessee, their respective heirs, successors, representatives and assigns. Any amendment of this Agreement may be made solely by Surface Owner and Lessee. Lessee shall not have the right to assign any of its rights or obligations under this Agreement except in connection with a permitted assignment of the Lease. Any permitted assignee shall expressly assume all of Lessee's covenants, responsibilities and obligations under this Agreement in writing. No permitted assignment of Lessee's interests in this Agreement shall be effective until Lessee has notified Surface Owner of the assignment and identified the assignee's name, address and contact information. Upon assignment hereof in whole or in part by Lessee, Lessee shall remain fully liable for any breach of an obligation hereunder accruing prior to such assignment. Surface Owner shall be furnished a true and correct copy of any permitted assignment within thirty (30) days after the execution thereof.

30. COVENANTS RUNNING WITH THE LAND:

The covenants and obligations of the parties under this Agreement shall be binding upon and shall run with the land and burden the Lease.

31. MEMORANDUM OF SURFACE USE AGREEMENT:

Surface Owner and Lessee have executed a Memorandum of Surface Use Agreement in the form attached hereto as Exhibit "C", dated of even date herewith, for recording in the records of the County in which the Leased Premises and Surface Premises are situated, to give record notice of this Surface Use Agreement. This Surface Use Agreement shall not be recorded except with the consent of Surface Owner.

32. COUNTERPART EXECUTION:

This Agreement may be executed in several counterparts, and any such agreement shall be deemed an original for all intents and purposes.

33. APPLICABLE LAW:

This Agreement shall be construed and enforced in accordance with the laws of the State of Texas. Venue for any cause of action for enforcement of this Agreement shall be in Midland County, Texas.

34. RELATED AGREEMENT:

This Agreement is executed in conjunction with the Lease. This Agreement shall be for a term consistent with the Lease. Termination or expiration of the Lease or this Agreement shall not relieve Lessee of any liability, duty or obligation which accrued, attached or arose prior to such termination or expiration, nor shall it preclude Surface Owner from asserting any right to specific performance, damages or any other rights or remedies to which Surface Owner may be entitled.

Upon termination or expiration of this Agreement for any reason, Lessee shall execute and deliver a recordable release of this Agreement to Surface Owner.

35. THIRD-PARTY BENEFICIARIES:

Except as provided in Section 22 with respect to Indemnitees, this Agreement is intended solely for the use and benefit of the parties hereto and shall not constitute or be construed as a contract for the benefit of any third party.

36. NO WARRANTY OF TITLE:

LESSEE REPRESENTS AND WARRANTS THAT IT IS FULLY FAMILIAR WITH THE SURFACE PREMISES AND THEIR CONDITION AND STATE OF REPAIR FROM LESSEE'S OWN INVESTIGATION OF SAME, AND LESSEE ACKNOWLEDGES THAT SURFACE OWNER HAS MADE NO EXPRESS REPRESENTATIONS OR WARRANTIES WITH REGARD TO THE SURFACE PREMISES, THE CONDITION THEREOF, OR THE ABILITY OF LESSEE TO CONDUCT THE OPERATIONS CONTEMPLATED UNDER THIS AGREEMENT AND, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, SURFACE OWNER HEREBY DISCLAIMS, AND LESSEE WAIVES THE BENEFIT OF, ANY AND ALL IMPLIED WARRANTIES, INCLUDING IMPLIED WARRANTIES OF HABITABILITY, OR FITNESS OR SUITABILITY FOR LESSEE'S PURPOSE. IN ADDITION, THIS AGREEMENT IS MADE WITHOUT WARRANTY OF TITLE, EXPRESS OR IMPLIED. Without limiting the foregoing, this Agreement is made subject to any and all validly existing rights of way, liens, agreements, instruments, burdens, encumbrances, restrictions and defects in title affecting the Surface Premises evidenced in the records of Midland County, Texas. In addition and without limiting any of the foregoing, Lessee acknowledges and agrees that (i) to its knowledge it has satisfied itself as to all applicable ordinances, laws, rules and regulations of each governmental, municipal and/or regulatory authority having jurisdiction over the Surface Premises, the Leased Premises, this Agreement, the Lease, and Lessee's operations, including, without limitation, all federal laws and all applicable FAA rules, regulations and requirements, and (ii) Surface Owner has made no representations or warranties that the terms, provisions or conditions of this Agreement or the Lease comply with such applicable ordinances, laws, rules or regulations.

EXHIBIT "A"

Attached to that certain Surface Use Agreement
between the City of Midland, Texas, as "Surface Owner"
and
Midland-Petro D.C. Partners, LLC, as "Lessee"

Description of Surface Premises:

MIDLAND COUNTY, TEXAS

(Section 14)

Being 48.017 acres out of a 65.02 acre tract of land in Section 14, Blk 39, Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Special Warranty Deed from Claydesta Corporation to the City of Midland, on December 20, 1989, in Book 1027, Page 199, Deed Records, Midland County, Texas.

Being 103.069 acres of land, more or less, out of the West 200 acres of the North half (N/2) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in the following instruments:

1. Being 2.25 acres of land out of the Northwest Quarter (NW/4) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Warranty Deed from Mrs. Velma Haag, Individually and as Executrix of the Estate of B. Frank Haag, Deceased, Addilese Haag Thomas and Conn C. Thomas, wife and husband, and Merwin Haag and Willie Merle Haag, husband and wife, to The City of Midland on August 28, 1942, in Book 73, Page 136, Deed Records, Midland County, Texas.

2. The West 80 acres of the Northwest Quarter (NW/4) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Warranty Deed from Mrs. Velma Haag, Individually and as Executrix of the Estate of B. Frank Haag, Deceased, Addilese Haag Thomas and Conn C. Thomas, wife and husband, and Merwin Haag and Willie Merle Haag, husband and wife, to The City of Midland on June 8, 1944, in Book 79, Page 557, Deed Records, Midland County, Texas, Less and Except a 24.27 acre tract of land in the west part of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being more particularly described by metes and bounds and being even further described in Special Warranty Deed from the City of Midland, Texas to Clajon Production Corporation on April 1, 1981, recorded in Book 705, Page 353, Deed Records, Midland County, Texas.

3. Tract 1: Being 0.44 acres of land, more or less, out of the North part of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas.

Tract 2: Being 0.486 acres of land, more or less, out of the North part of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas.

Both tracts of land being further described by metes and bounds in Deed from R.J. Stone, Jack L. Coke, Otis Phillips, Jr., and Arthur Hamilton to The City of Midland on March 21, 1961, in Book 359, Page 397, Deed Records, Midland County, Texas.

4. Being 10.753 acres of land, more or less, in the North part of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Deed from R.J. Stone, Jack L. Coke, Otis Phillips, Jr., and Arthur Hamilton to The City of Midland on March 24, 1961, in Book 359, Page 399, Deed Records, Midland County, Texas.

5. Being 9.14 acres of land, more or less, in the Northwest Quarter (NW/4) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Warranty Deed from Jack L. Coke, Arthur Hamilton, and Ruth Suehs Phillips, Individually and as Independent Executrix of the Estate of Otis Phillips, Jr., Deceased, to

The City of Midland on June 16, 1978, in Book 642, Page 189, Deed Records, Midland County, Texas.

(Section 15)

Being Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, Less and Except the following tracts of land:

LESS AND EXCEPT:

The Southeast Quarter (SE/4) of the Southwest Quarter (SW/4) of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being 40 acres of land, more or less, less and except that portion of a 10.936 acre drainage ditch running in a horizontal direction from the west boundary of the Southwest Quarter (SW/4) to the east boundary of the Southwest Quarter (SW/4) being the west boundary of Garfield Street.

A 45.4927 acre tract of land out of a 45.99 acre tract known as the Midland Airpark Addition in the SE part of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being more fully described by Warranty Deed from the City of Midland to Robert B. Holt filed on February 19, 2004, in Book 2311, Page 300, Official Records of Midland County, Texas and by Warranty Deed from the City of Midland to Robert B. Holt filed on February 19, 2004, in Book 2311, Page 304, Official Records of Midland County, Texas.

A 53.26 acre tract of land in the NW part of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds, and being more fully described by General Warranty Deed from the City of Midland to Midland Community College District filed on July 26, 1999, in Book 1696, Page 639, Official Records, Midland County, Texas.

A 3.28 acre tract of land now known as Myatt Addition, in the Southwest (SW) corner of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds, and being more fully described by Deed from the City of Midland to Max V. Myatt filed on December 17, 1968, in Book 509, Page 546, Deed Records, Midland County, Texas.

A 5.88 acre tract of land now known as the Chandelle Condominiums, in the Southwest (SW) corner of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds, and being more fully described by Warranty Deed from the City of Midland to W.M. Hickey filed on October 18, 1966, in Book 474, Page 3, Deed Records, Midland County, Texas.

All of the South 28 acres of a 48.347 acre tract located in Section 15, Block 39, Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds and being more fully described in Warranty Deed from Gibraltar Savings of Washington F.A. to Midland Junior College District on November 21, 1988, recorded in Book 989, Page 653, Deed Records, Midland County, Texas.

A 20.347 acre tract out of the north part of a 48.347 acre tract located in Section 15, Block 39, Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds and being more fully described in Warranty Deed from Gibraltar Savings Bank F.A., formerly known as Gibraltar Savings of Washington F.A. to Midland Junior College District on August 2, 1989 recorded in Book 1013, Page 257, Deed Records, Midland County, Texas, less and except a 1.16 acre tract of land at the North part of said tract, and being the same land conveyed in General Warranty Deed from the Midland Community College District to the City of Midland on August 21, 1999 recorded in Book 1696, Page 636, Official Public Records, Midland County, Texas.

Attached to that certain Surface Use Agreement
between the City of Midland, Texas, as "Surface Owner"
and
Midland-Petro D.C. Partners, LLC, as "Lessee"

Lease and Leased Premises

Oil and Gas Lease dated effective as of _____ ___, 20__, between the City of Midland, Texas, as lessor, and Midland-Petro D.C. Partners, LLC, as lessee, covering the following lands located in Midland County, Texas:

(Section 14)
Being 103.799 acres of land, more or less, out of the West 200 acres of the North half (N/2) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in the following instruments:

1. Being 2.25 acres of land out of the Northwest Quarter (NW/4) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Warranty Deed from Mrs. Velma Haag, Individually and as Executrix of the Estate of B. Frank Haag, Deceased, Addilese Haag Thomas and Conn C. Thomas, wife and husband, and Merwin Haag and Willie Merle Haag, husband and wife, to The City of Midland on August 28, 1942, in Book 73, Page 136, Deed Records, Midland County, Texas.

2. The West 80 acres of the Northwest Quarter (NW/4) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Warranty Deed from Mrs. Velma Haag, Individually and as Executrix of the Estate of B. Frank Haag, Deceased, Addilese Haag Thomas and Conn C. Thomas, wife and husband, and Merwin Haag and Willie Merle Haag, husband and wife, to The City of Midland on June 8, 1944, In Book 79, Page 557, Deed Records, Midland County, Texas.

3. Tract 1: Being 0.44 acres of land, more or less, out of the North part of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas.

Tract 2: Being 0.486 acres of land, more or less, out of the North part of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas.

Both tracts of land being further described by metes and bounds in Deed from R.J. Stone, Jack L. Coke, Otis Phillips, Jr., and Arthur Hamilton to The City of Midland on March 21, 1961, in Book 359, Page 397, Deed Records, Midland County, Texas.

4. Being 10.753 acres of land, more or less, in the North part of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Deed from R.J. Stone, Jack L. Coke, Otis Phillips, Jr., and Arthur Hamilton to The City of Midland on March 24, 1961, in Book 359, Page 399, Deed Records, Midland County, Texas.

5. Being 0.73 acres of land, more or less, in the Southeast (SE) corner of the West 200 acres of the North half (N/2) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Deed from R.J. Stone, Jack L. Coke, Otis Phillips, Jr., and Arthur Hamilton to The City of Midland on March 24, 1961, in Book 360, Page 431, Deed Records, Midland County, Texas.

6. Being 9.14 acres of land, more or less, in the Northwest Quarter (NW/4) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Warranty Deed from Jack L. Coke, Arthur Hamilton, and Ruth Suehs Phillips, Individually and as Independent Executrix of the Estate of Otis Phillips, Jr., Deceased, to The City of Midland on June 16, 1978, in Book 642, Page 189, Deed Records, Midland County, Texas.

(Section 15)
Being 492.0873 net mineral acres of land, more or less, out of a 640 acre Section being Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, Less and Except the Southeast Quarter (SE/4) of the Southwest Quarter (SW/4) of said Section and the following conveyed tracts of land:

LESS AND EXCEPT:

The Southeast Quarter (SE/4) of the Southwest Quarter (SW/4) of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being 40 acres of land, more or less.

A 45.4927 acre tract of land out of a 45.99 acre tract known as the Midland Airpark Addition in the SE part of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being more fully described by Warranty Deed from the City of Midland to Robert B. Holt filed on February 19, 2004, in Book 2311, Page 300, Official Records of Midland County, Texas and by Warranty Deed from the City of Midland to Robert B. Holt filed on February 19, 2004, in Book 2311, Page 304, Official Records of Midland

County, Texas.

A 53.26 acre tract of land in the NW part of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds, and being more fully described by General Warranty Deed from the City of Midland to Midland Community College District filed on July 26, 1999, in Book 1696, Page 639, Official Records, Midland County, Texas.

A 3.28 acre tract of land now known as Myatt Addition, in the Southwest (SW) corner of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds, and being more fully described by Deed from the City of Midland to Max V. Myatt filed on December 17, 1968, in Book 509, Page 546, Deed Records, Midland County, Texas.

A 5.88 acre tract of land now known as the Chandelle Condominiums, in the Southwest (SW) corner of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds, and being more fully described by Warranty Deed from the City of Midland to W.M. Hickey filed on October 18, 1966, in Book 474, Page 3, Deed Records, Midland County, Texas.

37.460 acres of land, more or less, being the Southeast Quarter (SE/4) of the Southwest Quarter (SW/4) of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, Less and Except a 2.54 acre tract which was conveyed by Warranty Deed from the City of Midland to Hillander School filed on August 26, 1965, in Book 453, Page 163, Deed Records, Midland County, Texas, and being subject to a one-half (1/2) mineral reservation by A.J. Anderson and Lucille Anderson, husband and wife, to Sam Lundie by Warranty Deed filed on May 11, 1929, in Book 44, Page 430, Deed Records, Midland County, Texas.

43.9927 acres of land, more or less, being in Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being further described in the two following tracts:
Tract 1.
Being all of Lot 1, Block 1, Midland Airpark, an Addition to the City of Midland, Midland County, Texas, according to the map or plat thereof recorded in Cabinet F, Page 188, Plat Records of Midland County, Texas.
SAVE AND EXCEPT a 1.5 acre tract of land being described by metes and bounds.
Tract 2.
A tract of land located in the Southwest part of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being all of the area shown as a drainage right-of-way on a plat named Midland Airpark as recorded in Cabinet F, Page 188 of the Midland County Plat Records less a SAVE AND EXCEPT tract being a 0.4973 acre tract described by metes and bounds.
Both tracts being more fully described by metes and bounds in Mineral Deed dated January 15, 2013 from Andrea Holt Catania and Holly Holt Williamson, Co-Independent Executrixes for the Estate of Robert B. Holt, Deceased, to the City of Midland as Document Number 2013-1544, Official Records, Midland County, Texas, whereas the City of Midland received 60% of the minerals and all of the Executive Rights of said land.

(Section 22)
0.518 acres of land, more or less, being a part of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being all of Lots 8 and 9, Block 1, of the Berkshire Place Addition to the City of Midland, Midland County, Texas, as shown by the official map of plat thereof of record in the office of the County Clerk of Midland County, Texas and being more particularly described in that certain Warranty Deed dated March 10, 1958 from William D. Hays, Jr., Individually and as general partner in Hays Construction Company, a co-partnership, to the City of Midland, Texas and recorded at Volume 304, Page 27, Deed Records, Midland County, Texas.

0.761 acres of land, more or less, being a part of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being known as a portion of Avalon Addition to the City of Midland, Midland County, Texas, according to the map or plat thereof recorded at Volume 100, Page 545, Deed Records, and being more particularly described in the two following Warranty Deeds:

1. Being 0.254 acres of land, more or less, out of Avalon Addition, an addition to the City of Midland, Texas, described by metes and bounds, and being more fully described in Warranty Deed dated July 18, 1954 from Ben H. Greenberg and wife, Dora Greenberg to the City of Midland, Texas and recorded at Volume 216, Page 413, Deed Records, Midland County, Texas.

2. Being 0.504 acres of land, more or less, out of Avalon Addition, an addition to the City of Midland, Texas, described by metes and bounds, and being more fully described in Warranty Deed dated June 17, 1998 from C.R. Bailey, joined herein by his wife, Virginia H. Bailey to the City of Midland, Texas and recorded in Volume 1571, Page 367, Deed Records, Midland County, Texas.

98.901 acre tract of land in the N/2 of the NE/4 and the North part of the S/2 of the NE/4 of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being more particularly in the two following Warranty Deeds:

1. Being 80 acres of land being the N/2 of the NE/4 of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being described by metes and bounds, and being conveyed from William P. Bodine, now a single person, and J.A. Bodine and wife, Oza Bodine, Laverne Murchison (nee Bodine) and husband, Gaines Murchison, and patsy Gene Miles (nee Bodine) and husband, Terrell Miles, the only heirs of Margie Ann Bodine, to the City of Midland dated November 13, 1942, and recorded in Volume 73, Page 351, Deed Records, Midland County, Texas; and

2. Being 18.901 Acres, known as the North part of the S/2 of the NE/4 of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds, and being conveyed from O.M. Tyner and wife, Bessie Tyner to the City of Midland dated December 14, 1942, and recorded in Volume 73, Page 361, Deed Records, Midland County, Texas.

Save and Except the following conveyed tracts of land:

SAVE AND EXCEPT:
5 acres of land, more or less, out of the NE/4 of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, more particularly described by metes and bounds in that Special Warranty Deed dated November 23, 1964 from the City of Midland, Texas, a Home Rule Municipal Corporation to the Midland Council for Retarded Children, Inc., recorded at Volume 441, Page 326 of the Deed Records of Midland County, Texas. MEMORANDUM OF SURFACE USE AGREEMENT

STATE OF TEXAS §
§
COUNTY OF MIDLAND §

This Memorandum of Surface Use Agreement (this "Memorandum") is made and entered into this _____ day of _____, 2021, by and between the CITY OF MIDLAND, TEXAS, whose address is 300 N. Loraine, Midland, Texas, 79701, Attention: Right of Way Manager (herein "Surface Owner") and MIDLAND PETRO D.C. PARTNERS, LLC, whose address is 500 W. Wall, Suite 300, Midland, Texas 79701 (herein "Lessee"), covering the lands located in Midland County, Texas, more particularly described on Exhibit "A" attached hereto (herein the "Surface Premises").

WITNESSETH:

Reference is made to that certain oil and gas lease described on Exhibit "B" attached hereto (the "Lease") covering the lands described on Exhibit "B" (the "Leased Premises"). Surface Owner and Lessee have entered into that certain Surface Use Agreement dated _____ ___, 2021 (the "Surface Use Agreement") which provides for protection of the surface estate and water resources of the Leased Premises and Surface Premises in connection with oil and gas exploration, development and production under the Lease.

Surface Owner and Lessee are executing this Memorandum for the purpose of placing the same of record in Midland County, Texas, and in order to constitute constructive notice to all third parties dealing with Surface Owner and/or Lessee of the existence of the Surface Use Agreement and of the rights and obligations contained therein. Surface Owner and Lessee give notice that the Surface Use Agreement may be amended or supplemented from time to time in the future and any inquiry as to the contents thereof should also include an inquiry as to the contents of any and all such amendments and supplements.

This Memorandum shall be binding upon both parties signing a counterpart of this Memorandum, whether or not both parties sign the same counterpart hereof. To facilitate recordation, one or more executed counterparts of this Memorandum may be assembled into one document for recording purposes and a single counterpart containing additional signature and acknowledgment pages from the other counterparts may be executed and recorded.

[Remainder of page intentionally left blank; signature pages follow.]

IN WITNESS WHEREOF, this Memorandum is executed as of the dates of the acknowledgments of the respective parties, but effective as of _____ ___, 2021.

Description of Surface Premises:

MIDLAND COUNTY, TEXAS

(Section 14)

Being 48.017 acres out of a 65.02 acre tract of land in Section 14, Blk 39, Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Special Warranty Deed from Claydesta Corporation to the City of Midland, on December 20, 1989, in Book 1027, Page 199, Deed Records, Midland County, Texas.

Being 103.069 acres of land, more or less, out of the West 200 acres of the North half (N/2) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in the following instruments:

1. Being 2.25 acres of land out of the Northwest Quarter (NW/4) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Warranty Deed from Mrs. Velma Haag, Individually and as Executrix of the Estate of B. Frank Haag, Deceased, Addilese Haag Thomas and Conn C. Thomas, wife and husband, and Merwin Haag and Willie Merle Haag, husband and wife, to The City of Midland on August 28, 1942, in Book 73, Page 136, Deed Records, Midland County, Texas.

2. The West 80 acres of the Northwest Quarter (NW/4) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Warranty Deed from Mrs. Velma Haag, Individually and as Executrix of the Estate of B. Frank Haag, Deceased, Addilese Haag Thomas and Conn C. Thomas, wife and husband, and Merwin Haag and Willie Merle Haag, husband and wife, to The City of Midland on June 8, 1944, in Book 79, Page 557, Deed Records, Midland County, Texas, Less and Except a 24.27 acre tract of land in the west part of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being more particularly described by metes and bounds and being even further described in Special Warranty Deed from the City of Midland, Texas to Clajon Production Corporation on April 1, 1981, recorded in Book 705, Page 353, Deed Records, Midland County, Texas.

3. Tract 1: Being 0.44 acres of land, more or less, out of the North part of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas.

Tract 2: Being 0.486 acres of land, more or less, out of the North part of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas.

Both tracts of land being further described by metes and bounds in Deed from R.J. Stone, Jack L. Coke, Otis Phillips, Jr., and Arthur Hamilton to The City of Midland on March 21, 1961, in Book 359, Page 397, Deed Records, Midland County, Texas.

4. Being 10.753 acres of land, more or less, in the North part of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Deed from R.J. Stone, Jack L. Coke, Otis Phillips, Jr., and Arthur Hamilton to The City of Midland on March 24, 1961, in Book 359, Page 399, Deed Records, Midland County, Texas.

5. Being 9.14 acres of land, more or less, in the Northwest Quarter (NW/4) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Warranty Deed from Jack L. Coke, Arthur Hamilton, and Ruth Suehs Phillips, Individually and as Independent Executrix of the Estate of Otis Phillips, Jr., Deceased, to The City of Midland on June 16, 1978, in Book 642, Page 189, Deed Records, Midland County, Texas.

(Section 15)

Being Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, Less and Except the following tracts of land:

LESS AND EXCEPT:

The Southeast Quarter (SE/4) of the Southwest Quarter (SW/4) of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being 40 acres of land, more or less, less and except that portion of a 10.936 acre drainage ditch running in a horizontal direction from the west boundary of the Southwest Quarter (SW/4) to the east boundary of the Southwest Quarter (SW/4) being the west boundary of Garfield Street.

A 45.4927 acre tract of land out of a 45.99 acre tract known as the Midland Airpark Addition in the SE part of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being more fully described by Warranty Deed from the City of Midland to Robert B. Holt filed on February 19, 2004, in Book 2311, Page 300, Official Records of Midland County, Texas and by Warranty Deed from the City of Midland to Robert B. Holt filed on February 19, 2004, in Book 2311, Page 304, Official Records of Midland County, Texas.

A 53.26 acre tract of land in the NW part of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds, and being more fully described by General Warranty Deed from the City of Midland to Midland Community College District filed on July 26, 1999, in Book 1696, Page 639, Official Records, Midland County, Texas.

A 3.28 acre tract of land now known as Myatt Addition, in the Southwest (SW) corner of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds, and being more fully described by Deed from the City of Midland to Max V. Myatt filed on December 17, 1968, in Book 509, Page 546, Deed Records, Midland County, Texas.

A 5.88 acre tract of land now known as the Chandelle Condominiums, in the Southwest (SW) corner of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds, and being more fully described by Warranty Deed from the City of Midland to W.M. Hickey filed on October 18, 1966, in Book 474, Page 3, Deed Records, Midland County, Texas.

All of the South 28 acres of a 48.347 acre tract located in Section 15, Block 39, Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds and being more fully described in Warranty Deed from Gibraltar Savings of Washington F.A. to Midland Junior College District on November 21, 1988, recorded in Book 989, Page 653, Deed Records, Midland County, Texas.

A 20.347 acre tract out of the north part of a 48.347 acre tract located in Section 15, Block 39, Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds and being more fully described in Warranty Deed from Gibraltar Savings Bank F.A., formerly known as Gibraltar Savings of Washington F.A. to Midland Junior College District on August 2, 1989 recorded in Book 1013, Page 257, Deed Records, Midland County, Texas, less and except a 1.16 acre tract of land at the North part of said tract, and being the same land conveyed in General Warranty Deed from the Midland Community College District to the City of Midland on August 21, 1999 recorded in Book 1696, Page 636, Official Public Records, Midland County, Texas.

EXHIBIT "B"

Lease and Leased Premises

Oil and Gas Lease dated effective as of _____ ___, 20__, between the City of Midland, Texas, as lessor, and Midland-Petro D.C. Partners, LLC, as lessee, covering the following lands located in Midland County, Texas:

(Section 14)
Being 103.799 acres of land, more or less, out of the West 200 acres of the North half (N/2) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in the following instruments:

1. Being 2.25 acres of land out of the Northwest Quarter (NW/4) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Warranty Deed from Mrs. Velma Haag, Individually and as Executrix of the Estate of B. Frank Haag, Deceased, Addilese Haag Thomas and Conn C. Thomas, wife and husband, and Merwin Haag and Willie Merle Haag, husband and wife, to The City of Midland on August 28, 1942, in Book 73, Page 136, Deed Records, Midland County, Texas.

2. The West 80 acres of the Northwest Quarter (NW/4) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Warranty Deed from Mrs. Velma Haag, Individually and as Executrix of the Estate of B. Frank Haag, Deceased, Addilese Haag Thomas and Conn C. Thomas, wife and husband, and Merwin Haag and Willie Merle Haag, husband and wife, to The City of Midland on June 8, 1944, In Book 79, Page 557, Deed Records, Midland County, Texas.

3. Tract 1: Being 0.44 acres of land, more or less, out of the North part of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas.

Tract 2: Being 0.486 acres of land, more or less, out of the North part of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas.

Both tracts of land being further described by metes and bounds in Deed from R.J. Stone, Jack L. Coke, Otis Phillips, Jr., and Arthur Hamilton to The City of Midland on March 21, 1961, in Book 359, Page 397, Deed Records, Midland County, Texas.

4. Being 10.753 acres of land, more or less, in the North part of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Deed from R.J. Stone, Jack L. Coke, Otis Phillips, Jr., and Arthur Hamilton to The City of Midland on March 24, 1961, in Book 359, Page 399, Deed Records, Midland County, Texas.

5. Being 0.73 acres of land, more or less, in the Southeast (SE) corner of the West 200 acres of the North half (N/2) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Deed from R.J. Stone, Jack L. Coke, Otis Phillips, Jr., and Arthur Hamilton to The City of Midland on March 24, 1961, in Book 360, Page 431, Deed Records, Midland County, Texas.

6. Being 9.14 acres of land, more or less, in the Northwest Quarter (NW/4) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Warranty Deed from Jack L. Coke, Arthur Hamilton, and Ruth Suehs Phillips, Individually and as Independent Executrix of the Estate of Otis Phillips, Jr., Deceased, to The City of Midland on June 16, 1978, in Book 642, Page 189, Deed Records, Midland County, Texas.

(Section 15)
Being 492.0873 net mineral acres of land, more or less, out of a 640 acre Section being Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, Less and Except the Southeast Quarter (SE/4) of the Southwest Quarter (SW/4) of said Section and the following conveyed tracts of land:

LESS AND EXCEPT:

The Southeast Quarter (SE/4) of the Southwest Quarter (SW/4) of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being 40 acres of land, more or less.

A 45.4927 acre tract of land out of a 45.99 acre tract known as the Midland Airpark Addition in the SE part of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being more fully described by Warranty Deed from the City of Midland to Robert B. Holt filed on February 19, 2004, in Book 2311, Page 300, Official Records of Midland County, Texas and by Warranty Deed from the City of Midland to Robert B. Holt filed on February 19, 2004, in Book 2311, Page 304, Official Records of Midland County, Texas.

A 53.26 acre tract of land in the NW part of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds, and being more fully described by General Warranty Deed from the City of Midland to Midland Community College District filed on July 26, 1999, in Book 1696, Page 639, Official Records, Midland County, Texas.

A 3.28 acre tract of land now known as Myatt Addition, in the Southwest (SW) corner of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds, and being more fully described by Deed from the City of Midland to Max V. Myatt filed on December 17, 1968, in Book 509, Page 546, Deed Records, Midland County, Texas.

A 5.88 acre tract of land now known as the Chandelle Condominiums, in the Southwest (SW) corner of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds, and being more fully described by Warranty Deed from the City of Midland to W.M. Hickey filed on October 18, 1966, in Book 474, Page 3, Deed Records, Midland County, Texas.

37.460 acres of land, more or less, being the Southeast Quarter (SE/4) of the Southwest Quarter (SW/4) of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, Less and Except a 2.54 acre tract which was conveyed by Warranty Deed from the City of Midland to Hillander School filed on August 26, 1965, in Book 453, Page 163, Deed Records, Midland County, Texas, and being subject to a one-half (1/2) mineral reservation by A.J. Anderson and Lucille Anderson, husband and wife, to Sam Lundie by Warranty Deed filed on May 11, 1929, in Book 44, Page 430, Deed Records, Midland County, Texas.

43.9927 acres of land, more or less, being in Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being further described in the two following tracts:
Tract 1.
Being all of Lot 1, Block 1, Midland Airpark, an Addition to the City of Midland, Midland County, Texas, according to the map or plat thereof recorded in Cabinet F, Page 188, Plat Records of Midland County, Texas.
SAVE AND EXCEPT a 1.5 acre tract of land being described by metes and bounds.
Tract 2.
A tract of land located in the Southwest part of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being all of the area shown as a drainage right-of-way on a plat named Midland Airpark as recorded in Cabinet F, Page 188 of the Midland County Plat Records less a SAVE AND EXCEPT tract being a 0.4973 acre tract described by metes and bounds.
Both tracts being more fully described by metes and bounds in Mineral Deed dated January 15, 2013 from Andrea Holt Catania and Holly Holt Williamson, Co-Independent Executrixes for the Estate of Robert B. Holt, Deceased, to the City of Midland as Document Number 2013-1544, Official Records, Midland County, Texas, whereas the City of Midland received 60% of the minerals and all of the Executive Rights of said land.

(Section 22)
0.518 acres of land, more or less, being a part of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being all of Lots 8 and 9, Block 1, of the Berkshire Place Addition to the City of Midland, Midland County, Texas, as shown by the official map of plat thereof of record in the office of the County Clerk of Midland County, Texas and being more particularly described in that certain Warranty Deed dated March 10, 1958 from William D. Hays, Jr., Individually and as general partner in Hays Construction Company, a co-partnership, to the City of Midland, Texas and recorded at Volume 304, Page 27, Deed Records, Midland County, Texas.

0.761 acres of land, more or less, being a part of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being known as a portion of Avalon Addition to the City of Midland, Midland County, Texas, according to the map or plat thereof recorded at Volume 100, Page 545, Deed Records, and being more particularly described in the two following Warranty Deeds:

1. Being 0.254 acres of land, more or less, out of Avalon Addition, an addition to the City of Midland, Texas, described by metes and bounds, and being more fully described in Warranty Deed dated July 18, 1954 from Ben H. Greenberg and wife, Dora Greenberg to the City of Midland, Texas and recorded at Volume 216, Page 413, Deed Records, Midland County, Texas.

2. Being 0.504 acres of land, more or less, out of Avalon Addition, an addition to the City of Midland, Texas, described by metes and bounds, and being more fully described in Warranty Deed dated June 17, 1998 from C.R. Bailey, joined herein by his wife, Virginia H. Bailey to the City of Midland, Texas and recorded in Volume 1571, Page 367, Deed Records, Midland County, Texas.

98.901 acre tract of land in the N/2 of the NE/4 and the North part of the S/2 of the NE/4 of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being more particularly in the two following Warranty Deeds:

1. Being 80 acres of land being the N/2 of the NE/4 of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being described by metes and bounds, and being conveyed from William P. Bodine, now a single person, and J.A. Bodine and wife, Oza Bodine, Laverne Murchison (nee Bodine) and husband, Gaines Murchison, and patsy Gene Miles (nee Bodine) and husband, Terrell Miles, the only heirs of Margie Ann Bodine, to the City of Midland dated November 13, 1942, and recorded in Volume 73, Page 351, Deed Records, Midland County, Texas; and

2. Being 18.901 Acres, known as the North part of the S/2 of the NE/4 of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds, and being conveyed from O.M. Tyner and wife, Bessie Tyner to the City of Midland dated December 14, 1942, and recorded in Volume 73, Page 361, Deed Records, Midland County, Texas.

Save and Except the following conveyed tracts of land:

SAVE AND EXCEPT:
5 acres of land, more or less, out of the NE/4 of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, more particularly described by metes and bounds in that Special Warranty Deed dated November 23, 1964 from the City of Midland, Texas, a Home Rule Municipal Corporation to the Midland Council for Retarded Children, Inc., recorded at Volume 441, Page 326 of the Deed Records of Midland County, Texas. Also, known as Lot 1, Block 4 of the "A" Street Community Center, Section 4, an Addition to the City of Midland, Midland County, Texas, according to map or plat or map thereof of record in Cabinet B, Page 359, Plat Records, Midland County, Texas

5.158 acres of land, more or less, out of the NE/4 of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds and being more particularly described in that Special Warranty Deed dated June 24, 1965 from The City of Midland, Texas, a Home Rule Municipal Corporation, to Oaklawn Park Baptist Church, Inc., recorded in Volume 450, Page 279 of the Deed Records of Midland County, Texas. Also known as Lot 2, Block 1, "A" Street Community Center, Section 5, an Addition to the City of Midland, Midland County, Texas, according to the map or plat thereof of record in Cabinet B, Page 396, Plat Records, Midland County, Texas.

3.86 acre tract of land out of the NE/4 of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds and being more particularly described in Special Warranty Deed dated July 7, 1971 from the City of Midland, a municipal corporation, to City of Midland Swim Team, Inc. recorded in Volume 551, Page 32, Deed Records, Midland County, Texas. Also known as Lot 3, Block 6, "A" Street Community Center Section 9 according to the map or plat thereof of record in Cabinet I, Page 171, Plat Records, Midland County, Texas.

0.282 acres of land, more or less, being the North 75 feet of Lot 2, Block 3, "A" Street Community Center, Section 3, an Addition to the City to the City of Midland, Midland County, Texas, according to the map or plat thereof of record in Cabinet B, Page 352, Plat Records, Midland County, Texas, and being more particularly described in Warranty Deed dated July 11, 2002 from Milagros de Gloria, Inc., Midland, Texas to Midland Young Life Building Foundation, Inc., Midland, Texas and recorded at Volume 2017, Page 818 of the Official Records of Midland County, Texas.

0.617 acres of land, more or less, being Lot 5, Block 3, "A" Street Community Center, Section 3, an Addition to the City to the City of Midland, Midland County, Texas, according to the map or plat thereof of record in Cabinet B, Page 352, Plat Records, Midland County, Texas, and being more particularly described in Warranty Deed dated July 11, 2002 from Milagros de Gloria, Inc., Midland, Texas to Midland Young Life Building Foundation, Inc., Midland, Texas and recorded at Volume 2017, Page 818 of the Official Records of Midland County, Texas.

Being 83.984 net mineral acres out of the 98.901 acre tract of land out of the N/2 of the NE/4 and the North part of the S/2 of the NE/4 of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas.

(Section 23)
5.124 acres, more or less, being all of Blocks 1, 2, and 3, of a subdivision of Tracts 31, 32, and 33, Morningside Addition, an addition to the City of Midland, Midland County, Texas, as per plat thereof of record in Volume 180, Page 124, Deed Records, Midland County, Texas, and being more particularly described in Warranty Deed dated April 4, 1955 from W.R. Upham and wife, Lucille A. Upham and H.C. Avery, Jr. and wife, Edith Avery to the City of Midland, Texas recorded in Volume 228, Page 420, Deed Records, Midland County, Texas and Ordinance dated April 26, 1955 petitioned by the Midland Independent School District to the City Council of the City of Midland, which it was ordained to vacate, abandon, and close certain streets, being described in Volume 230, Page 5, Deed Records, Midland County, Texas.

5.33 acre Park Site out of a 10 acre tract situated in the SE corner of W/2 of NW/4, Section Twenty-three (23), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being described by metes and bounds and being more particularly described in Warranty Deed dated March 24, 1958 from Paul McHargue to the City of Midland, a municipal corporation, of the County of Midland, Texas recorded in Volume 288, Page 84, Deed Records, Midland County, Texas.

(Section 26)
0.138 acres of land, more or less, being a part of Section Twenty-six (26), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being known as all of Lot 24 except the West 4 feet thereof, in Block 2 of Russell & High Addition, an addition to the City of Midland, Midland County, Texas, according to the map or plat thereof recorded in Volume 103, Page 473 of the Deed Records of Midland County, Texas, and being more particularly described in that certain Warranty Deed dated November 6, 1995, from Carl E. Schuder and wife, Mary K. Schuder to the City of Midland, and recorded at Volume 1341, Page 753, Deed Records, Midland County, Texas.

0.75 acres of land, more or less, being a part of Section Twenty-six (26), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being known as Lots 3 and 4, Block 1, Barber-Cole Extension, an addition to the City of Midland, Midland County, Texas, according to the map or plat thereof, recorded in Cabinet C, Page 82, Plat Records, Midland County, Texas. and being more particularly described in that certain General Warranty Deed dated January 9, 1998, from Faustino Quiroz and spouse, Mary Frances Quiroz to the City of Midland, Midland County, Texas and recorded at Volume 1525, Page 8, Deed Records, Midland County, Texas.

0.545 acres of land, more or less, being part of Section Twenty-six (26), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas and being known as Lot 2, Block 1, Barber-Cole Extension, an addition to the City of Midland, Midland County, Texas, according to the map or plat thereof, recorded in Cabinet C, Page 82, Plat Records, Midland County, Texas., and being more particularly described in that certain General Warranty Deed dated January 9, 1998, from A.T. Mendoza to the City of Midland, recorded in Volume 1525, Page 14, Deed Records, Midland County, Texas.

1.468 acres of land, more or less, being a part of Section Twenty-six (26), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being known as Ida Jo Moore Park, in Ridglea Addition to the City of Midland, Midland County, Texas, according to the map or plat thereof recorded at Volume 130, Page 237, Deed Records, No conveyance could be found of record conveying an interest to the City of Midland.

0.239 acres of land, more or less, being a part of Section Twenty-six (26), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being known as Block 12, Highland Addition to the City of Midland, Midland County, Texas, according to the map or plat thereof recorded at Volume B, Page 69, Plat Records, and being more particularly described in that certain Warranty Deed dated May 3, 1949 from Armintie Estes, a widow; Aldredge Estes, individually and as attorney in fact for Thelma Estes Brown and husband, W.T. Brown; Iris Estes Jeffrey and husband Red D. Jeffrey and Ola Dublin Haynes, a widow to the City of Midland, Midland County, Texas and recorded at Volume 110, Page 94, Deed Records, Midland County, Texas.

0.066 acres of land, more or less, being a part of Section Twenty-six (26), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being known as a small triangle of land located in Highland Addition to the City of Midland, Midland County, Texas, according to the map or plat thereof recorded at Volume B, Page 69, Plat Records, and being more particularly described in that certain Warranty Deed dated May 3, 1949 from Armintie Estes, a widow; Aldredge Estes, individually and as attorney in fact for Thelma Estes Brown and husband, W.T. Brown; Iris Estes Jeffrey and husband Red D. Jeffrey and Ola Dublin Haynes, a widow to the City of Midland, Midland County, Texas and recorded at Volume 110, Page 94, Deed Records, Midland County, Texas.

0.377 acres of land, more or less, being part of Section Twenty-six (26), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas and being known as Lots 1, 2, 3, and the East 14 Feet of Lot 4, Block 5, Elmwood, an addition to the City of Midland, Midland County, Texas according to the plat thereof recorded in Volume 59, Page 133, Deed Records, and being more particularly described in that certain Warranty Deed dated June 11, 1940, from B.G. Grafa and wife, Mable Grafa to the City of Midland, recorded in Volume 66, Page 352, Deed Records, Midland County, Texas.

0.805 acres of land, more or less, being Lots 7-11, Block 1, Original Town of Midland, an addition to the City of Midland, Midland County, Texas, located partly in Section 26 and Section 35, Block 39, T-1-S, T&P Rwy. Co. Survey, Midland County, Texas, as per map or plat thereof recorded in Volume 47, Page 526 of the Deed Records of Midland County, Texas, and being more particularly described in that certain Warranty Deed dated August 18, 1988 executed by Georgina G. Figueroa to the City of Midland, recorded in Volume 979, Page 115 of the Deed Records of Midland County, Texas.

0.161 acres of land, more or less, being part of Section 26, Block 39, Township 1 South, Texas and Pacific Railroad Company Survey, Midland County, Texas, and being known as Lot Twelve (12), Block One (1), Original Town, an addition to the City of Midland, Midland County, Texas according to the plat thereof recorded in Volume 3, Pages 232 and 233, Deed Records, Midland County, Texas, and being more particularly described in that certain Deed, dated November 15, 1988, from Vincenta Rodriguez, joined by husband, Ruben P. Rodriguez to City of Midland, recorded at Document Number 986-309, Deed Records, Midland County, Texas.

N 100' of NW/4, Block 2, Original Town of Midland, an addition to the City of Midland, Midland County, Texas, located partly in Section 26 and Section 35, Block 39, T-1-S, T&P Rwy. Co. Survey, Midland County, Texas, as per map or plat thereof recorded in Volume 47, Page 526 of the Deed Records of Midland County, Texas.

0.964 acres of land, more or less, being part of Section 26, Block 39, Township 1 South, Texas and Pacific Railroad Company Survey, Midland County, Texas and being known as the East One-Half of Block 28, Homestead, an addition to the City of Midland, Midland County, Texas according to the plat thereof recorded in Volume 1, Page 242, Deed Records, and being more particularly described in that certain Special Warranty Deed dated February 8th, 1989 Prudential Insurance Company of America to the City of Midland, recorded at Volume 994 Page 524, Official Public Records, Midland County, Texas.

0.964 acres of land, more or less, being part of Section 26, Block 39, Township 1 South, Texas and Pacific Railroad Company Survey, Midland County, Texas and being known as the West One-Half of Block 28, Homestead, an addition to the City of Midland, Midland County, Texas according to the plat thereof recorded in Volume 1, Page 242, Deed Records, and being more particularly described in that certain Warranty Deed dated December 19th, 1991 from MWJ Producing Company to the City of Midland, recorded at Volume 1106 Page 199, Official Public Records, Midland County, Texas.

0.37699 acres of land, more or less, being part of Section 26, Block 39, Township 1 South, Texas and Pacific Railroad Company Survey, Midland County, Texas and being known as Lots 1, 2, and 3, and the East 14 feet of Lot 4, Block 5, Elmwood, an addition to the City of Midland, Midland County, Texas according to the plat thereof recorded in Volume 59, Page 133, Deed Records, and being more particularly described in that certain Warranty Deed Agreement dated December 19th, 1991 from B. G. Grafa and wife, Mable C. Grafa to the City of Midland, recorded at Volume 66 Page 352, Official Public Records, Midland County, Texas.

0.13799 acres of land, more or less, being part of Section 26, Block 39, Township 1 South, Texas and Pacific Railroad Company Survey, Midland County, Texas and being known as Lot 24 Except the West 4 feet, Block 2, Resurvey of Russell & High Addition, an addition to the City of Midland, Midland County, Texas according to the plat thereof recorded in Volume 103, Page 1473, Deed Records, and being more particularly described in that certain Warranty Deed Agreement dated November 6th, 1995 from Carle E. Schuder and wife, Mary K. Schuder to the City of Midland, recorded at Volume 1341 Page 753, Official Public Records, Midland County, Texas.

0.5449 acres of land, more or less, being part of Section 26, Block 39, Township 1 South, Texas and Pacific Railroad Company Survey, Midland County, Texas and being known as Lot 2, Block 1, Barber Cole Extension, an addition to the City of Midland, Midland County, Texas according to the plat thereof recorded in Cabinet C, Page 82, Deed Records, and being more particularly described in that certain General Warranty Deed Agreement dated January 21st, 1998 from A. T. Mendoza to the City of Midland, recorded at Volume 1525 Page 14, Official Public Records, Midland County, Texas

0.75 acres of land, more or less, being part of Section 26, Block 39, Township 1 South, Texas and Pacific Railroad Company Survey, Midland County, Texas and being known as Lot 3 and 4, Block 1, Barber Cole Extension, an addition to the City of Midland, Midland County, Texas according to the plat thereof recorded in Cabinet C, Page 82, Deed Records, and being more particularly described in that certain General Warranty Deed Agreement dated January 9th, 1998 from Faustino Quiroz and spouse, Mary Frances to the City of Midland, recorded at Volume 1525 Page 8, Official Public Records, Midland County, Texas

0.24299 acres of land, more or less, being part of Section 26, Block 39, Township 1 South, Texas and Pacific Railroad Company Survey, Midland County, Texas and being known as Lot 2, Block 15, Elmwood Addition Section 2, an addition to the City of Midland, Midland County, Texas according to the plat thereof recorded in Volume 694, Page 579, Deed Records, and being more particularly described in that certain Special Warranty Deed Agreement dated January 9th, 1998 from the City of Midland to the City of Midland, recorded at Volume 694 Page 579, Official Public Records, Midland County, Texas.

0.5 acres of land, more or less, being part of Section 26, Block 39, Township 1 South, Texas and Pacific Railroad Company Survey, Midland County, Texas and being known as Lot 2, Block 18, Elmwood Addition Section 2, an addition to the City of Midland, Midland County, Texas according to the plat thereof recorded in Volume 694, Page 579, Deed Records, and being more particularly described in that certain Special Warranty Deed Agreement dated January 9th, 1998, recorded at Volume 694 Page 579, Official Public Records, Midland County, Texas.

0.04 acres of land, more or less, being part of Section 26, Block 39, Township 1 South, Texas and Pacific Railroad Company Survey, Midland County, Texas and being known as 0.04 acres out of the resurvey of Block 1, Richardson Abilene, an addition to the City of Midland, Midland County, Texas according to the plat thereof recorded in Volume 64, Page 125, Deed Records, and being more particularly described in that certain Warranty Deed Agreement dated July 7th, 1945 from Henry Butler and wife, Margaret Butler to the City of Midland, recorded at Volume 86 Page 39, Official Public Records, Midland County, Texas

0.11 acres of land, more or less, being part of Section 26, Block 39, Township 1 South, Texas and Pacific Railroad Company Survey, Midland County, Texas and being known as Block 12, Highland Addition, an addition to the City of Midland, Midland County, Texas according to the plat thereof recorded in Cabinet B, Page 69, Plat Records, and being more particularly described in that certain Warranty Deed Agreement dated May 3rd, 1949 from Aminite Estes, a widow; Aldredge Estes, individually and as attorney in fact for Thelma Estes Brown and husband, W. T. Brown, Iris Estes Jeffrey and husband Red D. Jeffrey and Ola Dublin Haynes, a widow to the City of Midland, recorded at Volume 110 Page 94, Official Public Records, Midland County, Texas.

0.155 acres of land being part of Section 26, Block 39, Township 1 South, Texas and Pacific Railroad Company Survey, Midland County, Texas and being known as Tract 12, Block 1 and 2, W W Harris Addition, an addition to the City of Midland, Midland County, Texas per the plat thereof recorded in Volume 100, Page 602, Plat Records, Midland County, Texas.

1.46 acres of land being part of Section 26, Block 39, Township 1 South, Texas and Pacific Railroad Company Survey, Midland County, Texas and being known as Riglea Park, Riglea (aka Ida Jo Moore Park) Addition, an addition to the City of Midland, Midland County, Texas per the plat thereof recorded in Cabinet A, Page 74, Plat Records, Midland County, Texas.

0.066 acres of land being part of Section 26, Block 39, Township 1 South, Texas and Pacific Railroad Company Survey, Midland County, Texas and being known as 87 feet x 35 feet x 80 feet, South Triangle of Block 8, Highland Addition, an addition to the City of Midland, Midland County, Texas per the plat thereof recorded in Cabinet B, Page 69, Plat Records, Midland County, Texas.

0.0929 acres of land being part of Section 26, Block 39, Township 1 South, Texas and Pacific Railroad Company Survey, Midland County, Texas and being a triangle shaped median or strip of land at the intersection East Louisiana

Avenue and North Lamesa Road (700 North Mineola Street, Midland, Texas; Property ID R25919), Midland County, Texas.

0.021 acres of land being part of Section 26, Block 39, Township 1 South, Texas and Pacific Railroad Company Survey, Midland County, Texas and being a portion of the Southeast corner of Lot 6, Block 28, Cowden, an addition to the City of Midland, Midland County, Texas per the plat thereof recorded in Cabinet B, Page 22, Plat Records, Midland County, Texas.

W/2 Block 28, Homestead Addition, an addition to the City of Midland, as per plat of record in Volume 1, Page 242, Deed Records, Midland County, Texas.

E/2 Block 28, Homestead Addition, an addition to the City of Midland, as per plat of record in Volume 1, Page 242, Deed Records, Midland County, Texas.

Lot 2, except 0.035 acres thereof described in Document #2018-3235 from City of Midland to Mark L. Branum, dated 10/12/2018, Block 15, Elmwood Addition Section 2, an addition to the City of Midland, Midland County, Texas, according to the map or plat thereof of record in Cabinet D, Page 17, Plat Records, Midland County, Texas.

Lot 4, Block 18, Elmwood Addition Section 2, an addition to the City of Midland, Midland County, Texas, according to the map or plat thereof of record in Cabinet D, Page 17, Plat Records, Midland County, Texas.

OIL AND GAS LEASE

THIS AGREEMENT IS EFFECTIVE the _____ day of _____, 2021, between the City of Midland, Texas, whose address is 300 N. Loraine, Midland, Texas, 79701, Attention: City Manager, hereinafter called "Lessor", and Midland-Petro D. C. Partners, LLC, whose address is PO Box 2071, Midland, TX 79702, hereinafter called "Lessee".

1. Lessor in consideration of Ten and No/100 Dollars ($10.00) and other valuable consideration, subject to the provisions of paragraph 28 herein, receipt of which is hereby acknowledged, for the royalties herein provided and the covenants, agreements and obligations hereinafter set forth and contained, hereby grants, leases and lets unto Lessee the land covered hereby for the purposes and with the exclusive right of exploring, drilling and operating for, producing and owning oil and gas. The land covered hereby (herein "said land", "Leased Premises" or "Premises"), is located in the county of Midland, State of Texas, and is described as shown in Exhibit "A" attached hereto and made a part hereof for all purposes.

For the purpose of determining the amount of any bonus initially paid hereunder said land shall be deemed to contain 743.46 net acres, whether actually containing more or less. In the event it is subsequently determined that said land includes more than 743.46 net acres, then for purposes of determining the amount of any bonus, royalty or other payment hereunder said land shall be deemed to contain such actual number of net acres.

Lessor expressly reserves all minerals other than oil and gas. Notwithstanding anything to the contrary contained herein, in the event Lessor owns any surface rights in said land, Lessor expressly reserves all such surface rights, it being expressly understood and agreed that if Lessor owns any surface rights in said land, Lessee shall have no right to use the surface of said land, even insofar as such use might be reasonable and necessary to the enjoyment of the oil and gas leasehold estate conveyed hereby or as might be reasonable and necessary to its enjoyment of any mineral interests covering all or part of said land, save and except to the extent any surface rights are expressly granted to Lessee by separate surface use agreement entered into between Lessor and Lessee or by separate written consent of Lessor acting by and through the City Manager or other authorized designee.

2. Subject to the other provisions herein contained, this lease shall be for a term of three (3) years from this date (called "primary term") and as long thereafter as oil and/or gas is produced in paying quantities from said land. "Paying quantities" as used in this lease shall mean the interest in production of oil and gas acquired by Lessee herein after the deduction of (1) royalties provided for herein, and (2) all of the non-cost-bearing leasehold burdens of whatever nature owned by third parties which were created by Lessee, its heirs, successors and permitted assigns, sufficient to yield a return in excess of operating expenses. "Operating expenses" for purposes hereof shall mean expenses of operation including reasonable overhead expenses, and exclusive of drilling, completing, casing repair and equipping expenses. All of the foregoing shall be calculated based upon the six (6) calendar months immediately preceding the date of such calculation.

3. When production of oil and/or gas is secured during the term of this lease, Lessee covenants and agrees to pay or cause to be paid to Lessor, at its address shown above, the following royalties which are hereby reserved and retained by Lessor:

(a) Oil. Royalty on oil, which is defined as including all hydrocarbons produced in a liquid form at the mouth of the well and also as all condensate, distillate and other liquid hydrocarbons recovered from oil or gas run through a separator or other equipment as hereinafter provided, shall be one-fourth (1/4) of that produced and saved from said land, with Lessee agreeing that in no event shall the proceeds of production received by Lessor be less than one-fourth (1/4) of the actual proceeds of production received by Lessee, or any affiliate of Lessee, for its share of the oil produced from said land.

(b) Gas. Royalty on any gas which is defined as all hydrocarbons and gaseous substances not defined as oil in subparagraph (a) above produced from any well on said land (except as provided herein with respect to gas processed in a plant where there is extraction of gasoline, liquid hydrocarbons or other products) shall be one-fourth (1/4) of that produced and saved from said land, with Lessee agreeing that in no event shall the proceeds of production received by Lessor be less than one-fourth (1/4) of the actual proceeds of production received by Lessee, or any affiliate of Lessee, for its share of the gas produced from said land.

(c) Other Products. Royalty on carbon black, sulphur or any other products produced or manufactured from gas (excepting liquid hydrocarbons) whether said gas be "casinghead", "dry" or any other gas, by fractioning, burning or any other processing shall be one-fourth (1/4) of that produced and saved from said land, with Lessee agreeing that in no event shall the proceeds of production received by Lessor be less than one-fourth (1/4) of the actual proceeds of production received by Lessee, or any affiliate of Lessee, for its share of such products produced and saved from said land.

4. If Lessee enters into a gas purchase contract which contains what is commonly referred to as a "take or pay provision" (such provision meaning that the gas purchaser agrees to take delivery of a specified minimum volume or quantity of gas over a specified term at a specified price or to make minimum periodic payments to producer for gas not taken by the purchaser) and the purchaser under such gas purchase contract makes payments to Lessee by virtue of such purchaser's failure to take delivery of such minimum volume or quantity of gas, then Lessor shall be entitled to one-fourth (1/4) of all such sums paid to Lessee or producer under the "pay" provisions of such gas purchase contract. Said royalty payments shall be due and owing to Lessor within sixty (60) days after receipt of such payments by Lessee. Any royalty payments made to Lessor under the "pay" obligation of any "take or pay" gas purchase contract shall be applied as a credit towards Lessee's royalty obligation. If the gas

purchaser makes up such gas within the period called for in the gas purchase contract, and Lessee is required to give such purchaser a credit for gas previously paid for but not taken, then Lessor shall not be entitled to royalty on such make-up gas. If Lessee is not producing gas in paying quantities from the Leased Premises but is receiving payments under the "pay" portion of such "take or pay" gas purchase contract provision, such payments shall not relieve Lessee of the duty to make shut-in royalty payments if Lessee desires to continue this lease, but such "take or pay" royalty payments shall be applied as a credit against any shut-in royalty obligation of the Lessee. Lessor shall be a third party beneficiary of any gas purchase contract and/or transportation agreement entered into between Lessee and any purchase and/or transporter or pipeline company of Lessor's gas, irrespectively of any provision of said contracts to the contrary. Further, Lessor shall be entitled to one-fourth (1/4) of the value of any benefits obtained by or granted to Lessee from any gas purchaser and/or transporter from the amendment, modification, extension, alteration, consolidation, transfer, translation or settlement of any gas purchase contract and/or transportation agreement.

5. Notwithstanding anything contained in paragraph 3 or elsewhere in this lease to the contrary, Lessor at any time on sixty (60) days prior notice in writing to Lessee, may require that payment of all or any part of the royalties accrued to Lessor under this lease on oil, gas or any product be made in kind effective as of the first day of the calendar month next following the expiration of said sixty (60) day period or if payment of any such royalties are then being made to Lessor in kind, require that such in kind payment cease and that payment of such royalties thereafter be made as provided in paragraph 3 of this lease. In the event Lessor elects to take in kind, Lessee shall make all its leasehold and pipeline facilities available for Lessor's use with reasonable charge therefor but not to include any charges for capitalized costs or depreciation.

6. Notwithstanding any provisions of paragraph 3 herein to the contrary, if gas or gas-condensate and/or other liquefiable hydrocarbon should be discovered on said land in paying quantities, and after the expiration of the primary term or in the event that this lease is not maintained in effect by any other provision, and such substance or substances are not being sold or used for lack of a suitable market, Lessee may pay as royalty (called "shut-in royalty") the sum of Two Thousand and no/100 Dollars ($2,000.00) per well that traverses the actual Leased Premises, without proportionate reduction, each year commencing on or before ninety (90) days after the well is shut-in or this lease ceases to be maintained in effect pursuant to any other provision, whichever is later, and annually thereafter. Said payment may be mailed to Lessor at its address stated herein on or before said due date. If shut-in royalty is paid, the well or wells for which such payment is made shall be considered for all purposes of this lease to be producing gas in paying quantities; provided that the term of this lease may not be extended after the expiration of the primary term solely by the payment of shut-in royalty for any single period exceeding two (2) consecutive years.

7. Within one hundred twenty (120) days following the date of first sale of oil and/or gas produced from the Leased Premises, all royalties from such production due Lessor by virtue of this lease shall be paid to Lessor or its agent, successors and/or assigns, and such royalties shall be paid on a monthly basis thereafter. If said initial payment is not so made, this lease shall be subject to termination by Lessor by notice in writing to Lessee as described below. From and after the date the initial payment is made all further payments of oil royalty shall be made within thirty (30) days following the last day of the month during which production occurred and with respect to gas within sixty (60) days following the last day of the month during which gas production occurred. In the event such initial or further payments are not so made, Lessor shall have the right to terminate this lease by furnishing a written notice to Lessee and such termination shall be effective sixty (60) days from the date such notice is mailed. Termination of this lease, however, shall not take effect if payment is received by Lessor within sixty (60) days after Lessee's receipt of said notice or Lessee has given written notice of reasonable basis for such non-payment and all undisputed royalties then due are paid within said sixty (60) days. Any royalties provided for in this lease which are suspended or not paid to Lessor within the time period specified therefor shall accrue interest, at the highest lawful rate per annum from due date until paid. Acceptance by Lessor of royalties which are past due shall not act as a waiver of its rights to receive or recover any and all interest due thereon under the provisions hereof.

As security for the payment of the royalties hereunder, Lessee agrees by acceptance hereof that Lessor shall have a first lien and security interest upon the leasehold estate created hereby, the personal property and equipment thereon and the proceeds of production accruing to both Lessor and Lessee and that this lease shall be sufficient as a security agreement and financing statement in all respects.

8. Lessee may at any time and from time to time execute and deliver to Lessor or file for record a release or releases of this lease as to any part or all of said land. At such time as this lease or a portion thereof has terminated and Lessor makes a demand for such a release, Lessee shall promptly execute and deliver such release to Lessor, failing in which Lessee shall be liable at the rate of One Hundred and No/100 Dollars ($100.00) per day after the thirtieth (30th) day following receipt of Lessor's request, until such release is delivered to Lessor. Failure to deliver a release as provided herein shall entitle Lessor to file a Notice of Termination in the real property records of Midland County designating those parts of the Leased Premises as to which the lease has terminated.

9. Subject to the provisions of paragraph 10 hereof, if after the expiration of the primary term the production of oil or gas should cease from any cause, this lease shall remain in force as long as additional drilling or reworking operations are conducted upon said land with no cessation of more than sixty (60) consecutive days in a good faith effort to discover and produce oil and/or gas and so long thereafter as oil or gas is produced in paying quantities.

10. Notwithstanding anything herein contained to the contrary, at the end of the primary term this lease shall terminate unless Lessee has secured production or is then conducting drilling and/or completion operations on the Leased Premises or on lands pooled together therewith under the terms of this lease or otherwise combined

together therewith under the terms of an agreement executed by both Lessor and Lessee; then, in either event, this lease shall remain in force and effect for one hundred twenty (120) days from the later of the expiration of the primary term or the completion of the last well commenced prior to the expiration of the primary term, then for so long thereafter as Lessee is engaged in continuous drilling operations on said lands with not more than one hundred twenty (120) days elapsing between the completion or abandonment of one well and the commencement of actual drilling operations on the next well; provided, however, that in the event less than one hundred twenty (120) days elapse between the completion or abandonment of one well and the commencement of actual drilling operations on the next well, Lessee shall be permitted to accumulate any unused portion of the 120 day period and add the unused days to the time for drilling any subsequent well so that the time between wells shall in such event be the sum of 120 days plus the sum of all unused days. Accumulated days between wells shall be carried over and accumulated from well to well until all days provided for and accumulated are finally used or exhausted. For purposes of this paragraph, "completion" shall be defined as the date the drilling rig that drilled the applicable well is released, but in no event more than sixty (60) days after total measured depth is reached in the applicable well. Upon Lessee's failure so to drill, this lease shall terminate except as to the following producing proration units:

(a) Subject to paragraph 12, if Lessee has completed a vertical well on said land or on land pooled with the Leased Premises in accordance with the terms of this lease which is producing, or capable of producing, oil or gas in paying quantities from any portion of the Leased Premises, then this lease shall continue in effect as to a tract of land around each such well designated by Lessee not to exceed the minimum number of acres for a proration or spacing unit under applicable special field rules, or if there are no special field rules in effect, then forty (40) acres (plus 10% tolerance) around each such well;

(b) If Lessee has completed a horizontal well on said land which is producing, or capable of producing, oil or gas in commercial quantities, then this lease shall continue in effect as to a tract of land around each such well designated by Lessee not to exceed the minimum number of acres for a spacing or proration unit for horizontal wells under applicable special field rules, or if there are no special field rules in effect, forty (40) acres around each well, plus so much additional acreage as may be permitted pursuant to Rule 86 of the Texas Railroad Commission rules and regulations, plus a tolerance of 10%, around each such well;

(c) In each case, the acreage around such oil or gas well is to be limited as to depths from the surface of the earth down to one hundred feet (100') below the deepest perforation in any horizontal well then producing in paying quantities in such producing proration unit, and this lease shall terminate as to all depths below one hundred feet (100') below the deepest perforation in any horizontal well then producing in paying quantities in such producing proration unit.

11. Upon the later to occur of (a) five (5) years after the expiration of the primary term, or (b) five (5) years after cessation of continuous drilling operations as provided above, this lease shall further terminate as to all lands within each producing proration unit as to all depths between the surface and one hundred feet (100') above the shallowest perforation in any horizontal well then producing in paying quantities in such producing proration unit.

12. Notwithstanding anything to the contrary contained in this lease, including, without limitation, paragraph 10(a) of this lease, but subject to the temporary cessation of production provisions contained in paragraph 9, if at any time after the cessation of continuous drilling operations under paragraph 10 as to any producing proration unit (a) no horizontal well has been drilled and completed in such producing proration unit or (b) all horizontal wells in such producing proration unit have ceased producing in paying quantities, then this lease shall automatically terminate as to such producing proration unit and as to any and all lands pooled or combined with such producing proration unit and Lessee shall plug and abandon all wells located in such lands in accordance with Texas Railroad Commission rules and regulations. In other words, production only from vertical well(s) shall not perpetuate this lease.

13. After any lease termination under paragraphs 10, 11 or 12 or elsewhere under this lease, Lessee shall promptly execute and deliver to Lessor a recordable release of this lease as to the lands and depths as to which the lease has terminated. If Lessee fails to promptly deliver such release to Lessor, Lessor may make a written request to Lessee for such release, and if Lessee fails to execute and deliver such release to Lessor, Lessee shall be liable to Lessor at the rate of One Hundred and No/100 Dollars ($100.00) per day after the thirtieth (30th) day following receipt of Lessor's request, until such release is delivered to Lessor. Failure to deliver a release as provided herein shall entitle Lessor to file a Notice of Termination in the real property records of Midland County designating those parts of the Leased Premises as to which the lease has terminated. Upon any such partial termination each such producing proration unit shall become a separate lease subject to all the terms and provisions hereof so that production and/or operations from one such producing proration unit shall not constitute production and/or operations on any other such proration unit.

14. After the completion of each well under the terms of this lease, Lessee agrees to notify in writing within thirty (30) days after such completion, the City of Midland, Texas and the Midland Central Appraisal District of the location of such well and to provide any and all information requested by such taxing authorities as to any taxes applicable to or to be assessed with respect to such well and/or the lands from which such well is producing.

15. Except as may otherwise be expressly provided in a separate surface use agreement or other written agreement entered into between Lessor and Lessee, Lessee shall not have the right to use water from said Leased Premises for any operations without the advance written consent of the City Manager. Lessee hereby obligates itself to protect the potable water in, under and on said Leased Premises from contamination from oil and gas operations. When required by the Lessor, Lessee obligates itself to leave all or such part as may be designated by Lessor of the casing in any water well drilled at no expense to Lessor. Any water well permitted to be drilled on

the Leased Premises shall be left in a cased and serviceable condition and shall become the property of Lessor upon completion of the operation for which such well was permitted by Lessor.

Lessee covenants and agrees to exercise due diligence and good oilfield practices to protect fresh water strata or sources of supply underlying the Leased Premises from pollution or contamination, including without limitation, contamination from oil, gas, brine and/or salt water produced from wells situated on lands covered by this lease or lands pooled together therewith under the terms of this lease or otherwise combined together therewith under the terms of an agreement executed by both Lessor and Lessee. Without the advance written consent of the City Manager, Lessee shall not dispose of any salt water or produced water or other fluids of any sort on the Leased Premises. To the extent that Lessee is permitted to dispose of salt water or other water produced from the Leased Premises on the Leased Premises pursuant to written agreement with Lessor acting through its City Manager, Lessee shall pay to Lessor a disposal fee at least equal to market rates for salt water disposal in the field where disposed or such higher fee as Lessor and Lessee may agree, at the same time and in the same manner as provided for the payment of royalties in paragraph 3 of this lease. Lessee shall not under any circumstances accept off-Premises fluids of any type for disposal in any facility located on the Leased Premises without the advance consent of the Midland, Texas City Council.

16. The provisions of this lease shall extend to and bind the heirs, successors and assigns of the parties hereto and shall constitute covenants running with the land hereby leased. In order to assure Lessor that operations hereunder shall be conducted by responsible parties for the mutual benefit of Lessor and Lessee hereunder, Lessee agrees that (i) no assignment, farmout or other transfer of more than twenty-five percent (25%), individually or in the aggregate, of Lessee's rights or interest in the lease, whether voluntary or involuntary, by merger, consolidation, dissolution, operation of law, or any other manner, shall be made without the prior written consent of Lessor and (ii) no assignment, farmout, transfer or other transaction that could reasonably require, lead to a vote for, or otherwise result in a change of the operator of this lease, shall be made without the prior written consent of Lessor. Lessor shall be furnished with a complete address and telephone number of any proposed or permitted assignee of this lease in addition to a recorded copy of any and all permitted assignments of this lease which have been properly filed for record, such recorded copy to be delivered to Lessor within thirty (30) days of such permitted assignment. If Lessee fails to secure prior written consent of Lessor to any such assignment, farmout, transfer or transaction, such assignment, farmout, transfer or transaction shall be void. Lessor shall be under no obligation, implied or otherwise, to approve any proposed assignment, farmout, transfer or transaction by Lessee or its permitted successors.

The rights and estate of Lessor may be assigned from time to time in whole or in part. All the covenants, obligations and consideration of this lease shall extend to and be binding upon the parties hereto, their respective heirs, successors and permitted assigns. No change or division of the ownership of said land, royalties or other monies or any part hereof however effected shall increase the obligation or diminish the rights of Lessee, including, but not limited to, the location in drilling of wells and the measurement of production. Notwithstanding any other actual or constructive knowledge or notice thereof to Lessee, its successors or assigns, no change or division of the ownership of said land or of the royalties or other monies or the right to receive the same shall be binding upon the then record owner of this lease until thirty (30) days after there has been furnished to such record owner notice of such change or division supported by either original or duly certified copies of the instruments which have been properly filed for record which evidence such change or division together with any such court records and proceedings, transcripts or other documents as shall be necessary to establish the validity of such division or change. Any assignment or relinquishment shall not relieve the Lessee of any obligations theretofore accrued hereunder, or impair the lien provided for by law and in this lease.

17. **LESSEE HEREBY RELEASES, ACQUITS AND DISCHARGES LESSOR, AND ITS RESPECTIVE MEMBERS, OFFICERS, EMPLOYEES, AGENTS, REPRESENTATIVES, SUCCESSORS AND ASSIGNS (COLLECTIVELY, THE "INDEMNIFIED PARTIES") FROM ALL AND ANY ACTIONS AND CAUSES OF ACTION OF EVERY NATURE, OR OTHER HARM, INCLUDING ENVIRONMENTAL HARM, FOR WHICH RECOVERY OF DAMAGES IS SOUGHT, INCLUDING, BUT NOT LIMITED TO, ALL LOSSES AND EXPENSES WHICH ARISE OUT OF, ARE INCIDENTAL TO, OR RESULT FROM, THE OPERATIONS OF OR ON BEHALF OF LESSEE ON THE PREMISES, OR THAT MAY ARISE OUT OF OR BE OCCASIONED BY LESSEE'S BREACH OF ANY OF THE TERMS OR PROVISIONS OF THIS LEASE, OR BY ANY ACT OR OMISSION OF LESSEE FOR WHICH LESSEE MAY BE HELD STRICTLY LIABLE. FURTHER, LESSEE HEREBY AGREES TO BE LIABLE FOR, EXONERATE, INDEMNIFY, DEFEND AND HOLD HARMLESS THE INDEMNIFIED PARTIES AGAINST ANY AND ALL CLAIMS, LIABILITIES, LOSSES, DAMAGES, ACTIONS PERSONAL INJURY (INCLUDING DEATH), COSTS AND EXPENSES (INCLUDING, WITHOUT LIMITATION, ATTORNEYS' FEES AND COURT COSTS AND EXPENSES), INCLUDING THOSE RELATED TO ENVIRONMENTAL HAZARDS ON THE PREMISES OR IN ANY WAY RELATED TO LESSEE'S OPERATIONS OR ANY OTHER OF LESSEE'S ACTIVITIES ON THE PREMISES; THOSE ARISING FROM LESSEE'S USE OF THE SURFACE OF THE PREMISES; AND THOSE THAT MAY ARISE OUT OF OR BE OCCASIONED BY LESSEE'S BREACH OF ANY OF THE TERMS OR PROVISIONS OF THIS LEASE OR ANY OTHER ACT OR OMISSION OF LESSEE, ITS DIRECTORS, OFFICERS, EMPLOYEES, AGENTS, CONTRACTORS, GUESTS OR INVITEES. EACH ASSIGNEE OF THIS LEASE, OR AN INTEREST THEREIN, AGREES TO BE LIABLE FOR, EXONERATE, INDEMNIFY, DEFEND AND HOLD HARMLESS THE INDEMNFIED PARTIES IN THE SAME MANNER PROVIDED ABOVE IN CONNECTION WITH THE ACTIVITIES OF SUCH LESSEE, ITS DIRECTORS, OFFICERS, EMPLOYEES, AGENTS, CONTRACTORS, GUESTS OR INVITEES AS DESCRIBED IN THIS PARAGRAPH.**

Lessee shall assure that Lessee and any person acting on Lessee's behalf under this lease carries the following insurance with one or more insurance carriers licensed by the Texas Department of Insurance at any and all times such party or person is on or about the Premises or acting pursuant to this lease, in such amounts as stated below or as from time to time may be reasonably required by Lessor:

i. Worker's Compensation Insurance to cover full liability under the Worker's Compensation laws of the state in which the Premises are located;

ii. Employer's Liability Insurance with limits of not less than $500,000.00 for accidental injury or death of one or more employees;

iii. Comprehensive General Public Liability Bodily Injury Insurance with limits of liability of not less than $1,000,000.00 for the accidental injury or death of one person, and $1,000,000.00 for accidental injury or death of more than one person as the result of one accident or occurrence;

iv. Comprehensive General Public Liability Property Damage Insurance with limits of not less than $1,000,000.00 for damage to property as a result of one accident or occurrence;

v. Automobile Public Liability and Property Damage Insurance combined with the limits of not less than $500,000.00 for injuries to or death of one person or property damage, and $1,000,000.00 for injuries to or death of more than one person and property damage as the result of one accident;

vi. Umbrella Liability with limits of not less than $5,000,000.00 per occurrence; and

vii. Care, custody and control coverage with limits of not less than $100,000.00, or in lieu of coverage, Broad Form Property Damage endorsement.

The Lessee shall cause certificates of insurance evidencing the above coverage to be provided promptly upon request to Lessor, or to such other representative(s) of Lessor as Lessor may from time to time designate but in any event in advance of conducting any physical entry on the Leased Premises. The insurance policies required above, except under item (i), shall name the City of Midland, Texas, as additional insured with regard to the Leased Premises; shall reflect that the City of Midland, Texas will receive thirty (30) days prior written notice of cancellation or material changes in coverage; and shall reflect that the insurer has waived any right of subrogation against the City of Midland, Texas.

18. This lease is executed without warranty, express or implied. If Lessor owns less than the entire estate in oil and gas in all or any part of said land, royalties payable hereunder shall be paid only in the proportion which the interest covered by this lease bears to the whole and undivided fee simple estate except as otherwise expressly provided for in this lease.

19. In the event a well or wells are brought in on adjacent land and within 330 feet of the Leased Premises Lessee agrees, within one hundred eighty (180) days after such well commences actual production, to commence drilling such offset well or wells as a prudent operator would drill under the same or similar circumstances. In lieu of drilling such offset to any such oil or gas well, Lessee shall have the option of either releasing this lease as to the stratigraphic equivalent of the zone or horizon which corresponds with that being produced in the offset well and within a tract of land in as near the form of a square as possible and constituting what would be the proration unit established in conformity with the field rules or spacing laws prescribed or permitted with respect to such offset well, with Lessee retaining all other rights within such tract, or pay Lessor monthly, as compensatory royalty, a sum equal to the payments which would be payable under this lease on the production from such offset well had same been produced from the above Leased Premises and, as long as Lessee may elect to pay such royalty in lieu of drilling an offset well, Lessee shall have satisfied its offset obligations to Lessor as to such well.

20. Lessee is hereby granted the right and power to pool this lease, the Leased Premises covered by it or any part or horizon thereof for the production of oil or gas with such other land, leases, mineral estates or parts thereof as specifically described in and pursuant to the terms of (a) the "Chaparral Unit", as defined in that certain Pooling Authority for the Chaparral Unit dated on or about the date hereof and executed by and between Lessor and Lessee, and (b) the "Knight Unit", as defined in that certain Pooling Authority for the Knight Unit dated on or about the date hereof and executed by and between Lessor and Lessee. Except as specifically provided in the preceding sentence, Lessee shall have no right to pool or unitize any lands covered by this lease, or any portion thereof, without the prior written consent of Lessor, which consent shall be in Lessor's sole discretion. Lessee shall file such written unit designations for record in the office of the county clerk of the county in which the Premises are located before completion of any well in said units. Drilling operations on or production from any part of any such unit shall be considered for all purposes, except the payment of royalty, as operations conducted upon or production from the lands described in this lease and included in such unit. There shall be allocated to the land covered by this lease included in any such unit that portion of the total production of pooled minerals from wells in the unit which the net oil or gas acreage in the land covered by this lease included in the unit bears to the total number of surface acres in the unit. The production so allocated shall be considered for all purposes, including the payment or delivery of royalty, to be the entire production of pooled minerals from the portion of said land covered hereby and included in said unit in the same manner as though produced from said land included in said unit under the terms of this lease. Notwithstanding such allocation, the formation of any unit hereunder shall not have the effect of exchanging or transferring any interest under this lease between parties owning different interests as between lands covered by this lease and lands not covered. If this lease now or hereafter covers separate tracts (a "separate tract" meaning any tract with royalty ownership differing, either as to parties or amounts, from that as to any other part of the Leased Premises), no pooling or unitization of royalty interests

as between any such separate tracts is intended or shall be implied from inclusion of such separate tracts within this lease, from the existence of Lessee's pooling authority herein, or from any other circumstances except by Lessee's express exercise of the pooling authority in the manner herein prescribed, nor shall this lease or the pooling authority hereby granted be construed as constituting an attempt or offer by Lessor to pool or unitize any interest which Lessor has no right or authority to pool or unitize, any such intention to pool or unitize such interests or to apportion any royalty over which Lessor has no such right being expressly disclaimed. Should this lease expire or terminate from any cause, in whole or in part, Lessor's interest in any land no longer subject to this lease shall not be subject to any pooling or unitization effected under the terms hereof, anything herein to the contrary notwithstanding.

21. Should Lessee be prevented from complying with any express or implied covenants of this lease, from conducting drilling or reworking operations thereon or from producing oil or gas therefrom by operation of force majeure, or by any federal, state or local law, ordinance or any order, rule or regulation of any governmental authority, or due to the failure to act by any governmental authority, then while so prevented, Lessee's obligation to comply with such covenant shall be suspended and Lessee shall not be liable in damages for failure to comply therewith and the time provided for compliance shall be extended while and so long as Lessee is prevented by any such cause from conducting drilling or reworking operations or from producing oil or gas from the said land, and the time while Lessee is so prevented shall not be counted against Lessee. However, nothing described in this paragraph 21 shall excuse Lessee from paying, or extend the time for paying, any royalty, shut-in gas royalty or other payment payable in money hereunder, or serve to extend the primary term of this lease beyond five (5) years from the date hereof.

22. Except as otherwise provided herein, Lessee shall have the right and obligation at any time during or within ninety (90) days after the expiration of this lease as to any portion of said land, to remove all property and fixtures placed by Lessee on any such portion of said land, including the right to draw and remove all casing, then belonging to Lessee and not taken over by Lessor under some other provision of this lease. If Lessee fails to remove such property and fixtures within said ninety (90) days, such property and fixtures may be removed by Lessor at Lessee's expense; provided, however, Lessee shall not be relieved of its liability to plug any well so abandoned.

23. Lessee agrees to notify Lessor in advance, in writing, of the location of all wells containing a surface location to be drilled on the Leased Premises prior to commencement of operations and shall provide copies of all reports filed with the State of Texas or its agencies, when filed, including permit applications, completion, plugging, casing, cementing and production reports.

24. Lessee agrees that it will comply in all its operations with all applicable ordinances, laws, rules and regulations of each governmental, municipal and/or regulatory authority having jurisdiction over such operations, including, without limitation, the City of Midland Oil and Gas Drilling requirements as applied under current Ordinance 8769, as codified in the City of Midland Municipal Code Section 6-1-23, as the same may be hereafter amended from time to time, if and to the extent applicable. Without limiting the foregoing, in the event any portion of the Leased Premises is located in or near any airport, Lessee shall comply in all its operations with all applicable Federal Aviation Administration rules and regulations and shall secure in advance all necessary approvals, permits and consents, and shall in addition comply with all reasonable directions of the City of Midland Director of Aviation relating to the public safety and welfare, and the safety of aviation related activities, including without limitation directives, rules and regulations relating to equipment height, location and safety markings. Without limiting any of the foregoing, Lessee acknowledges and agrees that (i) to its knowledge it has satisfied itself as to all applicable ordinances, laws, rules and regulations of each governmental, municipal and/or regulatory authority having jurisdiction over the Leased Premises, this lease, and Lessee's operations, including, without limitation, all federal laws and all applicable Federal Aviation Administration rules, regulations and requirements, and (ii) Lessor has made no representations or warranties that the terms, provisions or conditions of this lease comply with such applicable ordinances, laws, rules or regulations.

25. The venue for any suit arising out of any provision of this lease, whether express or implied, regarding interpretation, breach or alleged breach of this lease, or relating in any way to this lease or to applicable case law, statutes, or administrative rules, shall be in Midland County, Texas. The obligations and undertakings of each of the parties to this lease shall be deemed to have been performed in Midland County, Texas. This lease and all matters pertaining thereto shall be governed by the laws of the State of Texas without reference to any rule or law that would apply the law of another jurisdiction.

26. By executing this lease Lessor is not waiving its right of sovereign immunity. Lessor is retaining its immunity from suit. Lessor is not granting consent to be sued by legislative resolution or action. **THERE IS NO WAIVER OF SOVEREIGN IMMUNITY.**

27. By executing this lease, **LESSEE AGREES TO WAIVE AND DOES HEREBY WAIVE ANY CLAIM IT HAS OR MAY HAVE AGAINST LESSOR, REGARDING THE AWARD OF ATTORNEY'S FEES, WHICH ARE IN ANY WAY RELATED TO THIS LEASE, OR THE CONSTRUCTION, INTERPRETATION OR BREACH OF THIS LEASE. LESSEE SPECIFICALLY AGREES THAT IF LESSEE BRINGS OR COMMENCES ANY LEGAL ACTION OR PROCEEDING RELATED TO THIS LEASE, THE CONSTRUCTION, INTERPRETATION, VALIDITY OR BREACH OF THIS LEASE, INCLUDING BUT NOT LIMITED TO ANY ACTION PURSUANT TO THE PROVISIONS OF THE TEXAS UNIFORM DECLARATORY JUDGMENTS ACT (TEXAS CIVIL PRACTICE AND REMEDIES CODE SECTION 37.001, ET SEQ., AS AMENDED), LESSEE AGREES TO WAIVE AND RELINQUISH ANY AND ALL RIGHTS TO THE RECOVERY OF ATTORNEY'S FEES TO WHICH**

LESSEE MIGHT OTHERWISE BE ENTITLED. Lessee agrees that this is the intentional relinquishment of a presently existing right. Lessee acknowledges that it understands all terms and conditions of this lease.

28. Lessor and Lessee acknowledge that the full amount of the $9,293,250.00 bonus payment payable to Lessor by Lessee is due on or before thirty (30) days after the effective date of this lease. Lessee acknowledges and agrees that in the event Lessee fails to timely make said bonus payment, Lessor shall have the right to terminate this lease by giving written notice to Lessee of said termination.

29. Lessee agrees that in the event Lessee has not drilled and completed eleven (11) or more horizontal wells within the Leased Premises on or before three hundred sixty-five (365) days after the date of cessation of continuous drilling operations as provided under paragraph 10 of this lease, Lessee shall pay to Lessor as liquidated damages an amount equal to the product of: (a) Seven Hundred Fifty Thousand Dollars ($750,000.00) multiplied by (b) the positive difference between eleven (11) and the number of horizontal wells drilled and completed by Lessee within the Leased Premises on or before three hundred sixty-five (365) days after the date of cessation of continuous drilling operations as provided under paragraph 10 of this lease. Such amount shall be due to Lessor on or before three hundred ninety-five (395) days after the date of the cessation of continuous drilling operations as provided under paragraph 10 of this lease. Lessor and Lessee acknowledge and agree that (i) Lessor's actual damages upon Lessee's failure to drill and complete the above-stated number of horizontal wells within the Leased Premises within the stated time period would be difficult to ascertain with certainty, (ii) that the amount payable to Lessor as calculated under this paragraph is a reasonable estimate of such actual damages, and (iii) such liquidated damages do not constitute a penalty.

30. Lessee agrees to drill and complete on or before the end of the primary term: (a) a minimum of one horizontal well in the "Chaparral Unit", as defined in that certain Pooling Authority for the Chaparral Unit dated on or about the date hereof and executed by and between Lessor and Lessee, and (b) a minimum of one horizontal well in the "Knight Unit", as defined in that certain Pooling Authority for the Knight Unit dated on or about the date hereof and executed by and between Lessor and Lessee. In the event Lessee does not drill and complete such horizontal wells within the timeframe and other requirements set forth in the immediately preceding sentence, notwithstanding anything to the contrary contained in this lease, including, without limitation, paragraph 10 of this lease, this lease shall automatically terminate as to all of the Leased Premises at the end of the primary term without any action being required by Lessor. For clarification, notwithstanding anything to the contrary contained in this lease, including, without limitation, paragraph 10(a) of this lease, in the event this lease automatically terminates pursuant to the provisions of this paragraph, the drilling of any vertical well on the Leased Premises prior to such termination shall not perpetuate this lease as to any lands or depths. For purposes of this lease, (i) a "horizontal well" means a well containing a wellbore intentionally deviated from the vertical such that the productive portion of the wellbore extends a minimum of five thousand (5,000) feet laterally in the target formation, and (ii) a "vertical well" means any well other than a horizontal well.

31. Notwithstanding anything to the contrary contained in this lease or in any instrument executed between Lessor and Lessee contemporaneously with this lease, as to any bonus, royalty, shut-in royalty or other payments due to Lessor under the terms of this lease, such payments shall be allocated proportionately based upon the net acres covered by this lease attributable to Midland Airpark and the net acres covered by this lease attributable to the City of Midland, Texas. In connection with the foregoing, all such payments shall be paid in two separate payments as follows: (a) one payment payable to City of Midland Airport Fund including such amount(s) attributable to Midland Airpark as aforesaid and specifying that such payment pertains to Midland Airpark net acreage covered by this lease, and (b) one payment payable to City of Midland General Fund including such amount(s) attributable to the City of Midland, Texas as aforesaid and specifying that such payment pertains to City of Midland, Texas net acreage covered by this lease. Lessor shall provide Lessee, in writing, with net acreage allocation amounts to be used for dividing such payments, and Lessee shall use such amounts in connection with calculating such payments. Lessee may rely upon the direction provided by the City of Midland and shall not be required to reimburse the City of Midland Airport Fund or the City of Midland General Fund in connection with any such payments made by Lessee pursuant to instructions provided by the City of Midland that prove to be incorrect. For clarification and without limiting the foregoing, in the event any portion of the Leased Premises is included in a pooled unit in accordance with the terms of this lease, royalty payments hereunder will be divided based upon the net acres covered by this lease attributable to Midland Airpark and the net acres covered by this lease attributable to the City of Midland, Texas, in each case within the designated pooled units. Notwithstanding the foregoing and without limiting any other provision(s) of this lease, as to any payments that may be due to Lessor in connection with any surface rights owned by Lessor in the Leased Premises, such surface rights payments shall be payable in full to City of Midland General Fund and shall not be allocated between Midland Airpark net acreage and City of Midland, Texas net acreage.

32. No amendment, modification, or alteration of the terms of this lease shall be binding unless it is in writing, dated subsequent to the date of this lease, and duly executed by the parties to this lease.

33. The rights and remedies provided by this lease are cumulative, and the use of any one right or remedy by either party shall not preclude or waive such party's rights to use any or all other remedies. The rights and remedies provided in this lease are given in addition to any other rights the parties may have by law, statute, ordinance, or otherwise.

34. There is no third party beneficiary to this lease. No person or entity who is not a party to this lease shall have any third party beneficiary or other rights hereunder.

35. The parties hereto shall execute a Memorandum of Lease in form and substance mutually agreeable to the parties contemporaneously with execution of this lease, and Lessee shall promptly file the Memorandum in the

public records of the county where the Leased Premises are located. The Memorandum shall provide notice of the existence of this lease and the interests granted or reserved in this lease.

[Remainder of page intentionally left blank; signature pages follow.]

IN WITNESS WHEREOF this lease is executed by the parties hereto effective as of the effective date of said lease.

EXHIBIT "A"
DESCRIPTION OF
LANDS

(Section 14)
Being 103.799 acres of land, more or less, out of the West 200 acres of the North half (N/2) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in the following instruments:

1. Being 2.25 acres of land out of the Northwest Quarter (NW/4) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Warranty Deed from Mrs. Velma Haag, Individually and as Executrix of the Estate of B. Frank Haag, Deceased, Addilese Haag Thomas and Conn C. Thomas, wife and husband, and Merwin Haag and Willie Merle Haag, husband and wife, to The City of Midland on August 28, 1942, in Book 73, Page 136, Deed Records, Midland County, Texas.

2. The West 80 acres of the Northwest Quarter (NW/4) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Warranty Deed from Mrs. Velma Haag, Individually and as Executrix of the Estate of B. Frank Haag, Deceased, Addilese Haag Thomas and Conn C. Thomas, wife and husband, and Merwin Haag and Willie Merle Haag, husband and wife, to The City of Midland on June 8, 1944, In Book 79, Page 557, Deed Records, Midland County, Texas.

3. Tract 1: Being 0.44 acres of land, more or less, out of the North part of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas.

Tract 2: Being 0.486 acres of land, more or less, out of the North part of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas.

Both tracts of land being further described by metes and bounds in Deed from R.J. Stone, Jack L. Coke, Otis Phillips, Jr., and Arthur Hamilton to The City of Midland on March 21, 1961, in Book 359, Page 397, Deed Records, Midland County, Texas.

4. Being 10.753 acres of land, more or less, in the North part of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Deed from R.J. Stone, Jack L. Coke, Otis Phillips, Jr., and Arthur Hamilton to The City of Midland on March 24, 1961, in Book 359, Page 399, Deed Records, Midland County, Texas.

5. Being 0.73 acres of land, more or less, in the Southeast (SE) corner of the West 200 acres of the North half (N/2) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Deed from R.J. Stone, Jack L. Coke, Otis Phillips, Jr., and Arthur Hamilton to The City of Midland on March 24, 1961, in Book 360, Page 431, Deed Records, Midland County, Texas.

6. Being 9.14 acres of land, more or less, in the Northwest Quarter (NW/4) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Warranty Deed from Jack L. Coke, Arthur Hamilton, and Ruth Suehs Phillips, Individually and as Independent Executrix of the Estate of Otis Phillips, Jr., Deceased, to The City of Midland on June 16, 1978, in Book 642, Page 189, Deed Records, Midland County, Texas.

(Section 15)
Being 492.0873 net mineral acres of land, more or less, out of a 640 acre Section being Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, Less and Except the Southeast Quarter (SE/4) of the Southwest Quarter (SW/4) of said Section and the following conveyed tracts of land:

LESS AND EXCEPT:

The Southeast Quarter (SE/4) of the Southwest Quarter (SW/4) of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being 40 acres of land, more or less.

A 45.4927 acre tract of land out of a 45.99 acre tract known as the Midland Airpark Addition in the SE part of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being more fully described by Warranty Deed from the City of Midland to Robert B. Holt filed on February 19, 2004, in Book 2311, Page 300, Official Records of Midland County, Texas and by Warranty Deed from the City of Midland to Robert B. Holt filed on February 19, 2004, in Book 2311, Page 304, Official Records of Midland County, Texas.

A 53.26 acre tract of land in the NW part of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds, and being more fully

described by General Warranty Deed from the City of Midland to Midland Community College District filed on July 26, 1999, in Book 1696, Page 639, Official Records, Midland County, Texas.

A 3.28 acre tract of land now known as Myatt Addition, in the Southwest (SW) corner of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds, and being more fully described by Deed from the City of Midland to Max V. Myatt filed on December 17, 1968, in Book 509, Page 546, Deed Records, Midland County, Texas.

A 5.88 acre tract of land now known as the Chandelle Condominiums, in the Southwest (SW) corner of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds, and being more fully described by Warranty Deed from the City of Midland to W.M. Hickey filed on October 18, 1966, in Book 474, Page 3, Deed Records, Midland County, Texas.

37.460 acres of land, more or less, being the Southeast Quarter (SE/4) of the Southwest Quarter (SW/4) of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, Less and Except a 2.54 acre tract which was conveyed by Warranty Deed from the City of Midland to Hillander School filed on August 26, 1965, in Book 453, Page 163, Deed Records, Midland County, Texas, and being subject to a one-half (1/2) mineral reservation by A.J. Anderson and Lucille Anderson, husband and wife, to Sam Lundie by Warranty Deed filed on May 11, 1929, in Book 44, Page 430, Deed Records, Midland County, Texas.

43.9927 acres of land, more or less, being in Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being further described in the two following tracts:
Tract 1.
Being all of Lot 1, Block 1, Midland Airpark, an Addition to the City of Midland, Midland County, Texas, according to the map or plat thereof recorded in Cabinet F, Page 188, Plat Records of Midland County, Texas.
SAVE AND EXCEPT a 1.5 acre tract of land being described by metes and bounds.
Tract 2.
A tract of land located in the Southwest part of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being all of the area shown as a drainage right-of-way on a plat named Midland Airpark as recorded in Cabinet F, Page 188 of the Midland County Plat Records less a SAVE AND EXCEPT tract being a 0.4973 acre tract described by metes and bounds.
Both tracts being more fully described by metes and bounds in Mineral Deed dated January 15, 2013 from Andrea Holt Catania and Holly Holt Williamson, Co-Independent Executrixes for the Estate of Robert B. Holt, Deceased, to the City of Midland as Document Number 2013-1544, Official Records, Midland County, Texas, whereas the City of Midland received 60% of the minerals and all of the Executive Rights of said land.

(Section 22)
0.518 acres of land, more or less, being a part of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being all of Lots 8 and 9, Block 1, of the Berkshire Place Addition to the City of Midland, Midland County, Texas, as shown by the official map of plat thereof of record in the office of the County Clerk of Midland County, Texas and being more particularly described in that certain Warranty Deed dated March 10, 1958 from William D. Hays, Jr., Individually and as general partner in Hays Construction Company, a co-partnership, to the City of Midland, Texas and recorded at Volume 304, Page 27, Deed Records, Midland County, Texas.

0.761 acres of land, more or less, being a part of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being known as a portion of Avalon Addition to the City of Midland, Midland County, Texas, according to the map or plat thereof recorded at Volume 100, Page 545, Deed Records, and being more particularly described in the two following Warranty Deeds:

1. Being 0.254 acres of land, more or less, out of Avalon Addition, an addition to the City of Midland, Texas, described by metes and bounds, and being more fully described in Warranty Deed dated July 18, 1954 from Ben H. Greenberg and wife, Dora Greenberg to the City of Midland, Texas and recorded at Volume 216, Page 413, Deed Records, Midland County, Texas.

2. Being 0.504 acres of land, more or less, out of Avalon Addition, an addition to the City of Midland, Texas, described by metes and bounds, and being more fully described in Warranty Deed dated June 17, 1998 from C.R. Bailey, joined herein by his wife, Virginia H. Bailey to the City of Midland, Texas and recorded in Volume 1571, Page 367, Deed Records, Midland County, Texas.

98.901 acre tract of land in the N/2 of the NE/4 and the North part of the S/2 of the NE/4 of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being more particularly in the two following Warranty Deeds:

1. Being 80 acres of land being the N/2 of the NE/4 of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being described by metes and bounds, and being conveyed from William P. Bodine, now a single person, and J.A. Bodine and wife, Oza Bodine, Laverne Murchison (nee Bodine) and husband, Gaines Murchison, and patsy Gene Miles (nee Bodine) and

husband, Terrell Miles, the only heirs of Margie Ann Bodine, to the City of Midland dated November 13, 1942, and recorded in Volume 73, Page 351, Deed Records, Midland County, Texas; and

2. Being 18.901 Acres, known as the North part of the S/2 of the NE/4 of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds, and being conveyed from O.M. Tyner and wife, Bessie Tyner to the City of Midland dated December 14, 1942, and recorded in Volume 73, Page 361, Deed Records, Midland County, Texas.

Save and Except the following conveyed tracts of land:

SAVE AND EXCEPT:
5 acres of land, more or less, out of the NE/4 of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Loraine, Midland, Texas, 79701, Attention: Right-of-Way Manager ("Surface Owner") and **MIDLAND-PETRO D.C. PARTNERS, LLC**, whose address is P.O. Box 2071, Midland, Texas 79702 ("Lessee"), covering the following described lands located in Midland County, Texas (the "Surface Premises"):

See Exhibit "A" attached hereto for a complete description of lands owned by Surface Owner and covered by this Agreement.

Reference is made to that certain Oil and Gas Lease described on Exhibit "B" attached hereto reference to which is hereby made for all purposes (the "Lease"), covering the lands described on Exhibit "B" (the "Leased Premises"). It is the purpose of this Agreement to provide for protection of the surface estate and water resources of the Leased Premises and Surface Premises in connection with oil and gas exploration, development and production under the Lease.

Accordingly, it is agreed as follows:

1. NOTICE BETWEEN SURFACE OWNER AND LESSEE:

(a) Prior to commencing any operations, including, without limitation, seismic, drilling or reworking operations, or road, pipeline or other construction, on the Surface Premises, Lessee shall notify Surface Owner in writing of the specific activity that is to be conducted and the approximate date and location of such activity, such notice to be given within thirty (30) days prior to the actual commencement of operations, provided that any such operations shall commence on or before the end of the primary term of the Lease (the "Drilling Commencement Date").

(b) Lessee agrees to designate in writing the name of the person or persons with whom Surface Owner may communicate about the activities being conducted on the surface and with whom Surface Owner may resolve issues that arise.

(c) All communications by Lessee to Surface Owner shall be directed to:

(d) Name: Mr. John Simmons, Right-of-Way Manager

Address: P.O. Box 1152
Midland, Texas 79702

Phone: 432-685-7470

Email: jsimmons@midlandtexas.gov

2. REASONABLE USE:

Lessee agrees that it shall not be entitled to use any more of the surface of the Surface Premises than is reasonably necessary and that all surface installations shall be kept to a reasonable minimum consistent with good operating practices. Additionally, Lessee hereby acknowledges and agrees that notwithstanding any implied right of use under the laws of the State of Texas that might otherwise apply relating to exploitation of the mineral estate under the Leased Premises, all operations conducted pursuant to the Lease will be conducted in compliance with the terms of this Agreement. Lessee agrees that due to the proximity of the Leased Premises to the active runways at Midland Airpark, Lessee shall prepare and provide to Surface Owner prior to any drilling on the Surface Premises, at Lessee's sole cost and expense, an aeronautical study requested by the Federal Aviation Administration ("FAA") in connection with the necessary permits to drill in the vicinity of Midland Airpark. Surface Owner agrees to reasonably cooperate with and assist Lessee in obtaining all necessary permits required for drilling on the Surface Premises from the FAA, provided that (y) Lessee shall promptly reimburse Surface Owner up to $7,500.00 annually for any and all out of pocket costs and expenses incurred by Surface Owner in connection with Surface Owner's cooperation with and assistance of lessee in obtaining all necessary permits required for drilling on the Surface Premises from the FAA, and (z) Lessee acknowledges and agrees that

Surface Owner makes no representation, warranty or guaranty that the FAA will approve any such requested permit for drilling on the Surface Premises.

Surface Owner and Lessee acknowledge this Agreement is executed in conjunction with the Lease, which will benefit both the Surface Owner and the Lessee by the development of the oil and gas owned by the Surface Owner under the Surface Premises and oil and gas owned by the Surface Owner under other properties in proximity to the Surface Premises. Surface Owner and Lessee acknowledge in the future there may be the necessity to make modifications to this Agreement and specifically Exhibit "A-1" to this Agreement. Such modifications will be evidenced by amendments to this Agreement to be approved and signed by Lessee and the City Manager of the City of Midland, Texas; provided, however, that notwithstanding anything to the contrary contained in this paragraph or elsewhere in this Agreement, any modification or amendment to this Agreement shall be at Surface Owner's sole discretion.

3. ACCESS AND FENCES:

(a) Lessee agrees to access, cross and exit the Surface Premises only in the locations and along the routes on the roads shown on Exhibit "A-1", provided that Lessee may access or cross any area within the perimeter fences of Lessee's multi-well pads located on the Surface Premises. Lessee and all persons entering or leaving the Surface Premises in connection with Lessee's operations hereunder shall keep all outside and interior gates securely closed except during drilling and completion operations. At any gate that is to be locked, Surface Owner may install its own lock in addition to Lessee's lock. Lessee and all persons entering or leaving any portion of Midland Airpark in connection with Lessee's operations hereunder shall observe and comply with all FAA rules, regulations and requirements, including, without limitation, obtaining any and all necessary permissions to access Midland Airpark.

(b) Lessee will construct, prior to Lessee's commencement of any operations on the Surface Premises and at Lessee's sole cost and expense, a temporary access road off Big Spring Street north of the 9.25 acre pad for entrance to the Surface Premises in the location shown on Exhibit "A-1" (the "Temporary Access Road"). The parties hereto acknowledge and agree that the Temporary Access Road is intended to be and shall be the primary route of access to the Surface Premises to be used by Lessee in connection with its operations on the Surface Premises. Except as to roads located within the perimeter fences of Lessee's multi-well pads located on the Surface Premises, Lessee shall not commence to construct any new roads not shown on Exhibit "A-1" upon the Surface Premises without the prior written approval of Surface Owner, which approval shall be at Surface Owner's sole discretion. Lessee may construct, at Lessee's sole cost and expense, roads within the perimeter fences of Lessee's multi-well pads located on the Surface Premises without Surface Owner's approval. Excluding roads located within the perimeter fences of Lessee's multi-well pads located on the Surface Premises, any and all new roads on the Surface Premises approved by Surface Owner and to be used by Lessee in connection with its operations shall be constructed by Lessee at Lessee's sole cost and expense and in accordance with such specifications as may be required by Surface Owner. All roads used or constructed by Lessee shall be topped and crowned with a minimum of 9" of caliche and shall have magnesium chloride applied to the road surface after the completion of road construction, or shall be paved, as required by Surface Owner; provided that as to roads located within the perimeter fences of Lessee's multi-well pads located on the Surface Premises, Lessee may determine whether such roads shall be caliche as aforesaid or paved. While under construction, roads will be kept wet down to avoid excessive dust. Notwithstanding that Surface Owner may use all roads used by Lessee for any and all purposes, Lessee shall maintain all roads used by Lessee in good repair, and all roads shall be maintained as all-weather caliche or paved roads, as applicable, at all times. All holes and ruts in roads used by Lessee shall be filled as soon as practical by Lessee. Lessee shall install adequate culverts wherever any road constructed or used by Lessee crosses a natural drainage, and except as provided below all roads and any pipelines laid by Lessee shall be so constructed and laid as not to interfere with the natural flow of surface waters or with drainage. Lessee shall place water diversions along any road constructed or used by Lessee as necessary to prevent excessive washing out of the road. All material for such diversions will be constructed using materials purchased from Surface Owner and Lessee shall not use materials pushed up from the roadside, unless Surface Owner agrees otherwise.

(c) Lessee agrees that Lessee will not cut or go over any fence at any time or in connection with any operations on the Surface Premises without first obtaining Surface Owner's express consent thereto in writing. All gates or openings in fences shall be at mutually agreeable location(s) between Lessee and Surface Owner and shall be constructed as reasonably required by Surface Owner. Within ninety (90) days after Lessee has completed its drilling operations and removed the sound walls required by Section 16(f) of this Agreement, Lessee shall construct permanent fencing around the 7.62 acre and 9.25 acre pads shown on Exhibit "A-1" attached hereto at locations approved by the City Manager. Said permanent fences shall substantially conform to the schematics attached hereto as Exhibit "D". The terms, provisions and requirements of this subparagraph (c) shall survive the termination or expiration of this Agreement.

(d) In connection with its operations, in addition to the Temporary Access Road Lessee also intends to use (i) Veterans Airpark Lane between Big Spring Street and Smith Road, (ii) Smith Road, and (iii) any other road owned by Surface Owner located on the Surface Premises to which Surface Owner in its sole discretion has consented to Lessee's use (the roads described in the immediately preceding clauses (i)-(iii) are hereinafter collectively referred to as the "Non-Temporary Utilized Roads"). Lessee agrees to pay actual road repair costs up to a maximum amount of Seventy-Five Thousand and No/100 Dollars ($75,000.00) per calendar year for damage done to the Non-Temporary Utilized Roads and the entrance gates on the Surface Premises to the extent that any such damage is verifiably attributable to traffic servicing Lessee. Lessee will not be obligated to pay for any damage to the Non-Temporary Utilized Roads attributable to other parties or for damage associated with normal wear and tear. Lessee has provided to Surface Owner a letter of credit, certificate of deposit or surety bond in form and substance satisfactory to Surface Owner in the amount of $75,000.00 which will serve to secure payment of any such road repair expenses for the Non-Temporary Utilized Roads. In the event such letter of credit, certificate of deposit or surety bond is not restored to $75,000.00 within ten (10) days after the date of the reduction of the letter of credit, certificate of deposit or surety bond, Surface Owner may draw and receive the remaining balance of the letter of credit, certificate of deposit or surety bond and Lessee's Oil and Gas Well Permit(s) shall immediately cease until Lessee files the required letter of credit, certificate of deposit or surety bond. Lessee and Surface Owner agree that the documentation of any road damage determined to be caused by Lessee's use of the Non-Temporary Utilized Roads in connection with its operations shall be presented to Lessee. If Lessee does not agree with such determination, Lessee may file a written objection with the City Manager within ten (10) days of being notified of the road damage. The City Manager shall review the objections and give Lessee the opportunity to be heard and present facts that Lessee deems relevant. Surface Owner reserves the right after giving ten (10) business days written notice to Lessee regarding such violation, to draw upon the letter of credit, certificate of deposit or surety bond as outlined in Subsection (K), General Conditions of all Oil and Gas Well Permits, in order to remedy such situation under Section 6-1-23 "Oil and Gas Well Permits" of the City of Midland Oil and Gas Ordinance (as defined below). The amount drawn from the letter of credit, certificate of deposit or surety bond shall not exceed the limits previously described above. Notwithstanding the foregoing, all costs and expenses of maintaining the Temporary Access Road shall be borne by Lessee and for clarification, such costs and expenses shall not be included in the $75,000 annual road repair maximum amount referenced in this subparagraph (d).

(e) On or before the last day of the thirty-sixth (36th) month after the Drilling Commencement Date, Lessee agrees to pay Surface Owner $750,000.00, which Surface Owner agrees to use in order to reconstruct Veterans Airpark Lane from Big Spring Street to Smith Road.

(f) No less than ten (10) business days prior to the movement onto or delivery to the Surface Premises of any drilling rig, other rig or any equipment or materials to be moved onto or delivered to the Surface Premises by means of any vehicle or other delivery method larger than a semi-tractor-trailer truck, Lessee shall notify Surface Owner thereof and shall coordinate with Surface Owner to provide such traffic control and other similar measures as are reasonably required by Surface Owner. Lessee shall pay all costs and expenses of such traffic control and other similar measures reasonably required by Surface Owner, including, without limitation, reimbursing Surface Owner for any and all out of pocket costs and expenses incurred by Surface Owner in connection therewith.

4. DRILLSITE LOCATIONS:

(a) All drillsite locations and pads shall be at the locations and the sizes shown on Exhibit "A-1" attached hereto. Lessee shall locate all operations within the 7.62 acre and 9.25 acre drill pads shown on Exhibit "A-1" attached hereto and all wells shall be drilled within the Drilling Area designated within the 7.62 acre and 9.25 acre drill pads shown on Exhibit "A-1" attached hereto.

(b) Lessee shall provide trash trailers at drilling sites while drilling, completion and workover operations are in progress.

(c) Within one hundred twenty (120) days after abandonment of the last producing well on the Surface Premises, Lessee will remove all caliche from the applicable drillsite. The drillsite location shall be leveled and the top soil which was previously removed and stacked shall be spread uniformly over the drillsite location. Lessee shall plant the disturbed area with the type and quantity of grass or other reasonable landscaping designated by Surface Owner so that the disturbed area shall be generally restored to its original condition. The drillsite shall be cleaned and all oil and/or gas waste materials, junk, pieces or iron, pipes and other debris shall be removed. The terms, provisions and requirements of this subparagraph (c) shall survive the termination or expiration of this Agreement.

(d) Unless otherwise agreed to in writing by Surface Owner, other than wellheads, pumping units, electrical equipment, production separators, meters and electric pumps, no other structures or facilities, including, without limitation, tank batteries, heater treaters, dehydrators, compressors, or gas treatment facilities, shall be located on the Surface Premises.

(e) All producing well locations and pits will be fenced in accordance with standards set forth in the Midland City Code or otherwise approved by the Surface Owner and Lessee. Permanent internal combustion engines on pumping units (artificial lift equipment) are expressly prohibited from use on the Surface Premises. Lessee shall install an electric motor to operate any pumping unit placed by Lessee on the Surface Premises to produce any well.

(f) Lessee shall at all times maintain all equipment and permitted facilities located on the Surface Premises in good repair and condition, and in a properly painted condition.

(g) Drilling rigs and pulling unit rigs shall not be painted, steam cleaned or cleaned with solvents while on the Surface Premises unless provisions have been made to collect the effluent(s) of the operation for disposal off the Surface Premises. All rig waste shall be removed from the Surface Premises. Demobilization operations shall commence promptly for any drilling rig or workover rig (in no event later than fourteen (14) days after the drilling or workover operations have been completed, except in the event of a heavy rain event that prevents the removal of said rig) unless the rig is to be used to drill or workover another well located on the Leased Premises within thirty (30) days following the completion of its use on a prior operation.

5. RESERVE PITS AND DISPOSAL OF DRILLING FLUIDS AND MUD:

(a) While drilling, Lessee will use a closed loop mud system. While drilling and completing, all cuttings and other drilling and completion fluids will be retained and removed from the Surface Premises in above ground vessels.

(b) There shall be no landfarming or disposal of drilling fluids or muds or other wastes from oil and gas operations on the Surface Premises or into any wellbore located on the Surface Premises without prior written consent of Surface Owner, which consent shall be at Surface Owner's sole discretion.

6. PIPELINES:

(a) All pipelines and flowlines on the Surface Premises shall be buried at least forty-eight (48) inches below the surface unless otherwise agreed in writing by Surface Owner and the location of such lines shall be properly marked with signage approved by Surface Owner. The locations of all pipelines and flowlines are shown on Exhibit "A-1" and such pipelines and flowlines shall not exceed a maximum of twenty-four inches (24") in diameter. All trash and debris from construction of pipelines and flowlines shall be removed from the Surface Premises by

Lessee. The locations of pipelines and flowlines relating to Lessee's operations on property adjacent to the Surface Premises are shown on Exhibit "A-2" attached hereto.

(b) The pipelines located on the Surface Premises shall be adequately marked at all times by Lessee at all road or fence crossings and as required by applicable laws. All pipelines crossing runways or taxiways shall be bored and cased as shown on Exhibit "A-1" and Lessee shall comply with all FAA rules, regulations and requirements in connection with constructing, installing, maintaining and/or accessing such pipelines.

(c) If Lessee shall construct any pipeline on the Surface Premises, Lessee agrees that before the abandonment or removal of any such pipeline, it will offer the same to Surface Owner, without compensation. If Surface Owner elects not to accept any such pipeline, then Lessee shall either (i) remove such pipeline promptly following abandonment, or (ii) perform all work necessary to purge or remove all flammable, explosive and hazardous substances contained within the pipeline or flowline, cap or seal the pipeline or flowline, and then the pipeline or flowline may be abandoned in place, all in accordance with all applicable laws, rules, regulations and prudent engineering practices in a manner so as to render the pipeline or flowline safe. A pipeline or flowline shall be deemed to be abandoned for purposes of this Agreement if it has not been used to transport products for a period of three hundred sixty (360) consecutive days. If Lessee fails to remove or purge and cap any pipeline or flowline, Surface Owner may do so at the sole expense of Lessee. The terms, provisions and requirements of this subparagraph (c) shall survive the termination or expiration of this Agreement.

(d) Unless otherwise agreed to in writing by Surface Owner, no pipeline may be constructed hereunder that will carry any oil, gas, water (other than water used for the fracking process for wells drilled on the Surface Premises pursuant to this Agreement) or other substances which are not produced from the Leased Premises or lands pooled therewith.

7. ELECTRIC LINES:

(a) All electric lines shall be at locations shown on Exhibit "A-1".

(b) Lessee agrees that before abandonment or removal of any such electric line, it will offer the same to Surface Owner, without compensation. If Surface Owner elects not to accept such electric line, then Lessee shall remove such electric line promptly following abandonment. An electric line shall be deemed to be abandoned for purposes of this Agreement if it has not been used to deliver electricity for a period of three hundred sixty (360) consecutive days. The terms, provisions and requirements of this subparagraph (b) shall survive the termination or expiration of this Agreement.

(c) Unless otherwise agreed to in writing by Surface Owner, electric lines may only be constructed hereunder for the purpose of providing electricity to Lessee's permitted facilities and equipment located on the Leased Premises or Surface Premises or lands pooled therewith.

8. STORAGE OF MACHINERY AND EQUIPMENT:

Lessee shall use no part of the Surface Premises to store machinery, rigs, equipment, pipe or other property of Lessee while it is not being used.

9. HOUSING OF EMPLOYEES:

Lessee shall use no part of the Surface Premises to house employees or other personnel except temporarily at well sites during drilling or completion operations on the Leased Premises.

10. USE OF WATER:

Surface Owner hereby grants Lessee use of water located under the Surface Premises for operations located on the Leased Premises or on lands pooled therewith and for irrigation on the Surface Premises and on the Midland College campus. All existing and future water wells shall be shown on Exhibit "A-1" attached hereto or drilled at such locations approved in writing by Surface Owner, with any such approval to be at Surface Owner's sole discretion, and shall be drilled in accordance with such specifications required by Surface Owner. Lessee shall meter at the water wells and at such other points as may be necessary all such water used and shall pay to Surface Owner or to such other party or parties as may be designated in writing by Surface Owner the rate

set forth in the then applicable Rate and Damage Schedule set forth by The University of Texas System, University Lands for any such water so used; provided, however, that for a term of ten (10) years commencing upon the earlier of (i) the first day of the month in which Lessee first uses water located under the Surface Premises for irrigation on the Surface Premises or on the Midland College campus, and (ii) the date occurring two (2) years after the date of this Agreement, Lessee shall have the right to use up to an aggregate amount of one million gallons per month of water located under the Surface Premises for irrigation on the Surface Premises and on the Midland College campus free of charge, but if any water located under the Surface Premises is used for irrigation on the Surface Premises or on the Midland College campus in excess of such aggregate amount of one million gallons per month, Lessee shall pay to Surface Owner or to such other party or parties as may be designated in writing by Surface Owner the rate set forth in the then applicable Rate and Damage Schedule set forth by The University of Texas System, University Lands for any such excess water so used. All payments for water used as provided for in this paragraph shall be paid by Lessee to Surface Owner or to such other party or parties as may be designated in writing by Surface Owner on or before the last day of the month following the month in which such water was used. For any month that Lessee uses water located under the Surface Premises (x) for operations located on the Leased Premises or on lands pooled therewith, or (y) for irrigation on the Surface Premises or for irrigation on the Midland College campus, Lessee shall provide to Surface Owner on or before the last day of the month following the month in which such water was used, such report(s), in form and substance satisfactory to Surface Owner, totaling the number of gallons (or barrels, as applicable) of water located under the Surface Premises used by Lessee during such month for each of the purposes described in the preceding clauses (x) and (y), together with the calculation of such payment(s), if any, owing by Lessee for such water use in accordance with the terms of this paragraph.

11. DISPOSAL OF SALT WATER:

Lessee shall not dispose of salt water on or into the Surface Premises without the prior written consent of Surface Owner. In the event Lessee seeks to complete a salt water disposal well or wells on the Surface Premises, Surface Owner may consent in its sole discretion; provided, that if Surface Owner does consent, such consent shall be subject to Surface Owner and Lessee mutually agreeing on the form of Saltwater Disposal Agreement, the location of any disposal well, the location of disposal facilities, the formation in which such disposal shall be conducted, the compensation to Surface Owner for such disposal and the amount of damage to be paid to Surface Owner for such facilities.

12. TRASH:

Lessee will keep the Surface Premises free of trash and debris at all times. Under no circumstances will Lessee be allowed to bury any trash, debris or foreign material of any kind on or under the Surface Premises. Surface Owner shall have the right to expel and permanently ban from the Surface Premises any person observed disposing of trash on the Surface Premises. Upon the completion of any operation, all ribbons, flags, stakes and similar items shall be promptly removed from the Surface Premises.

13. CALICHE:

INTENTIONALLY OMITTED.

14. HUNTING, FISHING AND ALCOHOL PROHIBITED:

No agent, employee, representative, contractor or subcontractor of Lessee or any other person allowed to enter the Surface Premises by Lessee shall be permitted to hunt, fish, trap, camp, picnic, ride motorcycles or four-wheelers or otherwise conduct any social gathering on the Surface Premises, nor shall any such persons be permitted to bring firearms, archery equipment, dogs, alcoholic beverages or illegal drugs on the Surface Premises at any time. Violations of this provision shall cause the violator to be regarded as a trespasser and subject to prosecution under trespass laws of the State of Texas. Surface Owner shall have the right to expel and permanently ban from the Surface Premises any person observed on the Surface Premises in violation of this provision.

15. SEISMIC OPERATIONS:

Lessee may conduct seismic operations on the Leased Premises or on the Surface Premises only with the prior written consent of Surface Owner. Any such seismic operations shall be conducted at date(s) and time(s) mutually agreeable between Lessee and Surface Owner. In conducting seismic operations there shall be no holes drilled in the ground and there shall be no explosive charges. No seismic operations shall be conducted during wet conditions. In conducting seismic operations Lessee will not use or allow the use of a dozer, grader or similar equipment without express written permission from Surface Owner, and then only to the extent of such approval. If Lessee encounters a fence while conducting any seismic operations, it shall pass through the nearest gate to resume its operations.

16. LOCATION AND CONDUCT OF OPERATIONS:

Notwithstanding anything contained in this Agreement to the contrary, Lessee and Surface Owner acknowledge and agree that:

(a) without express written permission from Surface Owner, no well location, new road, pipeline, electric line, permitted facility or fixture shall be located, nor shall any operation of any kind be conducted, within **one hundred thirty-five (135) feet** of any structure located on the Surface Premises or on adjacent property owned by Surface Owner at the time of such operation;

(b) Lessee shall comply in all its operations with all applicable ordinances, laws, rules and regulations of each governmental, municipal and/or regulatory authority having jurisdiction over such operations, including, without limitation, (i) Chapter 11 of the Municipal Code of Midland, Texas, as the same may be hereafter amended from time to time, and (ii) as to any portion of the Leased Premises or Surface Premises located within the city limits of the City of Midland, Texas, the City of Midland Oil and Gas Drilling requirements as applied under current Ordinance 8769, as codified in Section 6-1-23 of the Municipal Code of Midland, Texas, as the same may be hereafter amended from time to time (the "City of Midland Oil and Gas Ordinance"), if and to the extent applicable;

(c) without limiting (b) immediately above, as to any portion of the Leased Premises or Surface Premises located in or near any airport, Lessee shall comply in all its operations with all applicable FAA rules, regulations and requirements and shall secure in advance all necessary approvals, permits and consents, and shall in addition comply with all reasonable directions of the City of Midland Director of Aviation relating to the public safety and welfare, and the safety of aviation related activities, including without limitation directives, rules and regulations relating to equipment height, location and safety markings;

(d) Lessee shall provide security for the Leased Premises and the Surface Premises during the drilling and completion of wells at such times as commercially reasonably necessary to secure the Leased Premises and the Surface Premises;

(e) all fracking of Lessee's wells on the Surface Premises and the Leased Premises shall be done using a quiet frac fleet system in compliance with Surface Owner's requirements and specifications for such quiet frac fleet system;

(f) Lessee shall construct sound walls of a height of not less than twenty-four feet (24') on all sides of the drillsites for each well drilled on the Surface Premises or on the Leased Premises in accordance with Surface Owner's requirements and specifications for such sound walls, allowing for adequate ingress and egress for Lessee's equipment to operate, and such sound walls shall remain in place during all drilling, fracking and completion operations for each such well, and unless otherwise requested by Surface Owner such sound walls shall be removed within one hundred eighty (180) days of the completion of the last well drilled; and

(g) all trucks and other vehicles of Lessee, its agents, employees, representatives, contractors, subcontractors or others entering upon the Surface Premises under the authority of the Lease or this Agreement, shall access the well sites on the Surface Premises only in the locations and using the routes depicted upon Exhibit "A-3" so as not to interfere or adversely affect the operations of the Citizen's Collection Center (defined below), and without limiting or being limited by the foregoing, Lessee, its agents, employees, representatives, contractors, subcontractors or others entering upon the Surface Premises under the authority of the Lease or

this Agreement, shall comply with reasonable requests of Surface Owner in connection with the coordination of Lessee's operations and activities upon the Surface Premises with those of the Citizen's Collection Center (defined below). As clarification of the foregoing, Lessee, its agents, employees, representatives, contractors, subcontractors or others entering upon the Surface Premises under the authority of the Lease or this Agreement may access or cross any area within the perimeter fences of Lessee's multi-well pads located on the Surface Premises.

17. NOXIOUS VEGETATION:

Lessee shall take all reasonable precautions to keep the Surface Premises free of bitterweed, African rue, tumbleweeds, cockleburs and other noxious vegetation (being native and non-native toxic plants). In the event any such noxious vegetation is encountered around any of Lessee's equipment or permitted facilities, Lessee agrees to promptly spray herbicide to eliminate such vegetation. If Lessee fails to take such action, Surface Owner may have such vegetation sprayed at the sole expense of Lessee. At the request of Surface Owner, Lessee shall weedwash all vehicles and equipment entering upon the Surface Premises at the entrance to the Surface Premises prior to their entry thereon.

18. SPEED LIMIT:

A speed limit of 25 m.p.h. on the Surface Premises will be observed by Lessee and its agents, employees, representatives, contractors and subcontractors. At the request of Surface Owner, Lessee will place speed limit signs approved by Surface Owner at entrances onto the Surface Premises. Surface Owner shall have the right to expel and permanently ban from the Surface Premises any person observed exceeding such speed limit.

19. ARCHAEOLOGICAL SITES:

Lessee, its agents, employees, representatives, contractors and subcontractors or others entering upon the Surface Premises under the authority of the Lease or this Agreement shall not intentionally remove or destroy any fossils, Indian artifacts, or other archeological objects of historical or scientific value which may be situated thereon. Should Lessee or any of its agents, employees, representatives, contractors or subcontractors discover any such objects on the Surface Premises, it shall leave said objects in place and promptly notify Surface Owner of the existence of such objects.

20. DAMAGE TO PROPERTY IN GENERAL AND DAMAGE SCHEDULE:

Lessee agrees to pay for actual damages resulting to the Surface Premises, improvements thereon and to personal property thereon caused by Lessee's operations. Compensation for all damages to property shall be based on the prevailing rates for similar damages in the area at the time the damage occurs.

In addition to any other damages that may become payable by Lessee, Lessee shall pay Surface Owner in advance damages for the following items based upon the then applicable Rate and Damage Schedule set forth by The University of Texas System, University Lands:

- Well Location (New Location and Re-Entry)
- Caliche Sales
- Geophysical Permits
- Roads
- Pipelines
- Utility line easements
- Fresh Water Frac Pit Site

Solely for purposes of calculating damages under the then applicable Rate and Damage Schedule set forth by The University of Texas System, University Lands, (a) the Leased Premises and the Surface Premises shall be classified as "University Lands" under such Schedule, (b) any road, pipeline, or utility line used or constructed by Lessee on the Surface Premises shall be

classified under such Schedule as requiring a "new" easement, and (c) any flowlines (other than and excluding temporary surface pipelines) installed by Lessee on the Surface Premises shall be classified as "pipelines" under such Schedule.

Within ten (10) business days after the date of this Agreement, Lessee shall pay Surface Owner the sum of $1,000,000 (the "Relocation Payment") to be used by Surface Owner to help cover Surface Owner's costs and expenses involved with relocating the Citizen's Collection Center located adjacent to the drillsites and shown on Exhibit "A-1" attached hereto (the "Citizen's Collection Center"). In the event Surface Owner does not close the operations of the Citizen's Collection Center on or before the fifth (5^{th}) anniversary of the date of this Agreement Surface Owner shall refund the Relocation Payment to Lessee.

21. REMOVAL OF PROPERTY:

Except as otherwise provided herein, Lessee shall have the right at any time during or within ninety (90) days after the expiration of the Lease as to any portion of the Leased Premises, to remove all property and fixtures placed by Lessee on any such portion of the Leased Premises, including the right to draw and remove all casing, then belonging to Lessee and not taken over by Surface Owner under some other provision of this Agreement. If Lessee fails to remove such property and fixtures within said ninety (90) day period, such property and fixtures shall at the election of Surface Owner, either become owned by Surface Owner or Surface Owner may have such property removed at the sole expense of Lessee; provided, however, Lessee shall not be relieved of its liability to plug any well so abandoned. The terms, provisions and requirements of this paragraph shall survive the termination or expiration of this Agreement.

22. INDEMNIFICATION AND ENVIRONMENTAL PROTECTION:

TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, LESSEE, ITS SUCCESSORS AND ASSIGNS, AGREE TO INDEMNIFY, PROTECT, DEFEND AND HOLD HARMLESS SURFACE OWNER AND SURFACE OWNER'S REPRESENTATIVES, AGENTS, ATTORNEYS, HEIRS, EXECUTORS, SURFACE LESSEES, AFFILIATES, SUCCESSORS AND ASSIGNS (COLLECTIVELY, "INDEMNITEES") FOR, FROM AND AGAINST ANY AND ALL CLAIMS, LOSSES, DAMAGES, LIABILITIES, LIENS, FINES, PENALTIES, CAUSES OF ACTION, SUITS, CHARGES, JUDGMENTS, ADMINISTRATIVE ORDERS, REMEDIATION REQUIREMENTS, ENFORCEMENT ACTIONS OF ANY KIND, AND ALL COSTS AND EXPENSES INCURRED IN CONNECTION THEREWITH (INCLUDING, BUT NOT LIMITED TO, ATTORNEYS' FEES AND EXPENSES, INCLUDING ALL ATTORNEYS' FEES AND EXPENSES INCURRED IN ENFORCING THIS INDEMNITY) OF ANY NATURE, KIND OR DESCRIPTION OF ANY PERSON OR ENTITY, DIRECTLY OR INDIRECTLY ARISING OUT OF, CAUSED BY OR RESULTING FROM (IN WHOLE OR IN PART) THIS AGREEMENT, OR ANY ACT OR OMISSION OF LESSEE, ANY CONTRACTOR, SUBCONTRACTOR, ANYONE DIRECTLY OR INDIRECTLY EMPLOYED BY THEM, OR ANYONE THAT THEY CONTROL OR EXERCISE CONTROL OVER (COLLECTIVELY, "LIABILITIES"), EVEN IF SUCH LIABILITIES ARISE FROM OR ARE ATTRIBUTED TO THE CONCURRENT NEGLIGENCE OF ANY INDEMNITEE. THE ONLY LIABILITIES WITH RESPECT TO WHICH LESSEE'S OBLIGATION TO INDEMNIFY THE INDEMNITEES DOES NOT APPLY IS WITH RESPECT TO LIABILITIES OF AN INDEMNITEE RESULTING FROM THE SOLE NEGLIGENCE OR WILLFUL MISCONDUCT OF THAT INDEMNITEE. LESSEE SHALL PROMPTLY ADVISE SURFACE OWNER OF ANY ACTION, ADMINISTRATIVE OR LEGAL PROCEEDING OR INVESTIGATION TO WHICH THIS INDEMNIFICATION MAY APPLY, AND OF WHICH LESSEE HAS RECEIVED NOTICE, AND LESSEE AT LESSEE'S EXPENSE, SHALL ASSUME ON BEHALF OF SURFACE OWNER (AND THE OTHER INDEMNITEES) AND CONDUCT WITH DUE DILIGENCE AND IN GOOD FAITH THE DEFENSE THEREOF WITH COUNSEL REASONABLY SATISFACTORY TO SURFACE OWNER; PROVIDED, HOWEVER, THAT ANY INDEMNITEE SHALL HAVE THE RIGHT, AT ITS OPTION, TO BE REPRESENTED THEREIN BY COUNSEL OF ITS OWN SELECTION AND AT ITS OWN EXPENSE. IN THE EVENT OF FAILURE BY LESSEE TO ASSUME THE

DEFENSE OF SURFACE OWNER IN ACCORDANCE WITH THIS INDEMNIFICATION PARAGRAPH, SURFACE OWNER, AT ITS OPTION, AND WITHOUT RELIEVING LESSEE OF ITS OBLIGATION HEREUNDER, MAY ASSUME SUCH DEFENSE, AFTER WRITTEN NOTICE THEREOF TO LESSEE AND LESSEE'S FAILURE TO RESPOND THERETO WITHIN TEN BUSINESS DAYS AFTER RECEIPT OF SUCH NOTICE (SAID TEN DAY PERIOD SHALL NOT APPLY IN ANY CASE WHERE IMMEDIATE ANSWERS, RESPONSES, OR OTHER AFFIRMATIVE ACTION IS REQUIRED TO PRESERVE THE RIGHTS OF THE SURFACE OWNER) BUT ALL REASONABLE COSTS AND EXPENSES SO INCURRED BY SURFACE OWNER IN THAT EVENT SHALL BE REIMBURSED BY LESSEE TO SURFACE OWNER, TOGETHER WITH INTEREST ON THE SAME FROM THE DATE ANY SUCH EXPENSE WAS PAID BY SURFACE OWNER UNTIL REIMBURSED BY LESSEE, AT THE RATE OF INTEREST PROVIDED TO BE PAID ON JUDGMENTS, BY THE LAW OF THE STATE OF TEXAS.

LESSEE, ITS SUCCESSORS AND ASSIGNS, SHALL INDEMNIFY, DEFEND AND HOLD INDEMNITEES HARMLESS FROM AND AGAINST ALL CLAIMS, LOSSES, DAMAGES, LIABILITIES, LIENS, FINES, PENALTIES, CAUSES OF ACTION, SUITS, CHARGES, JUDGMENTS, ADMINISTRATIVE ORDERS, REMEDIATION REQUIREMENTS, ENFORCEMENT ACTIONS OF ANY KIND, AND ALL COSTS AND EXPENSES INCURRED IN CONNECTION THEREWITH (INCLUDING, BUT NOT LIMITED TO, ATTORNEYS' FEES AND EXPENSES, INCLUDING ALL ATTORNEYS' FEES AND EXPENSES INCURRED IN ENFORCING THIS INDEMNITY) OF ANY NATURE, KIND OR DESCRIPTION, DIRECTLY OR INDIRECTLY ARISING OUT OF, CAUSED BY OR RESULTING FROM (IN WHOLE OR IN PART) (i) FAILURE OF LESSEE, ANY CONTRACTOR, SUBCONTRACTOR, ANYONE DIRECTLY OR INDIRECTLY EMPLOYED BY THEM, OR ANYONE THAT THEY CONTROL OR EXERCISE CONTROL OVER (COLLECTIVELY, THE "INDEMNIFYING PARTIES"), TO COMPLY WITH ALL APPLICABLE LOCAL, FEDERAL AND/OR STATE ENVIRONMENTAL LAWS, INCLUDING BUT NOT LIMITED TO THE RESOURCE CONSERVATION AND RECOVERY ACT (RCRA) AND THE COMPREHENSIVE ENVIRONMENTAL RESPONSE, COMPENSATION, AND LIABILITY ACT (CERCLA) (AS THEY MAY BE REAUTHORIZED AND/OR AMENDED) AND ALL OTHER LOCAL, FEDERAL AND STATE LAWS, IN CONNECTION WITH OR RELATED TO ANY INDEMNIFYING PARTY'S OPERATIONS OR ACTIVITIES ON THE SURFACE PREMISES, OR (ii) ANY INDEMNIFYING PARTY'S HANDLING, STORING, RELEASING OR TRANSPORTING OR DISPOSING OF ALL SUBSTANCES, INCLUDING BUT NOT LIMITED TO HAZARDOUS SUBSTANCES AND HAZARDOUS WASTES, ON OR FROM THE SURFACE PREMISES OR ANY OTHER LANDS OF SURFACE OWNER, PROVIDED HOWEVER, LESSEE SHALL NOT BE REQUIRED TO PROVIDE INDEMNIFICATION HEREUNDER TO THE EXTENT OF THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF ANY INDEMNITEE. IT IS THE INTENTION OF THE PARTIES HERETO THAT THE PROVISIONS OF THIS PARAGRAPH SHALL APPLY TO AND PROTECT EACH INDEMNIFIED PARTY FROM THE CONSEQUENCES OF STRICT LIABILITY IMPOSED OR THREATENED TO BE IMPOSED ON SUCH INDEMNIFIED PARTY AS A RESULT OF THE FOREGOING.

THE TERMS, PROVISIONS AND REQUIREMENTS OF THIS PARAGRAPH SHALL SURVIVE THE TERMINATION OR EXPIRATION OF THIS AGREEMENT, AND THESE INDEMNIFICATION OBLIGATIONS SHALL NOT BE LIMITED BY OR TO DAMAGES, COMPENSATION OR BENEFITS PAYABLE UNDER INSURANCE POLICIES, WORKER'S COMPENSATION ACTS, DISABILITY BENEFIT ACTS OR OTHER EMPLOYEES' BENEFIT ACTS.

23. <u>INSURANCE:</u>

At all times during the term of the Lease each operator of all or any portion of the Leased Premises shall maintain adequate insurance to cover any and all damages arising in connection

with its operations pursuant to the Lease, and Lessee shall in any event maintain insurance meeting the following minimum requirements:

Type of Insurance:	Limits:
General Liability	$1,000,000.00
Automobile Liability	$1,000,000.00
Umbrella Liability	$5,000,000.00
Pollution	$1,000,000.00
Workers' Compensation Insurance	$1,000,000.00

Each such operator shall provide evidence that such required insurance is in full force and effect on or before ten (10) days prior to entry onto the Leased Premises or Surface Premises by furnishing to Surface Owner at the address set forth in Section 1(c) above a Certificate of Insurance, or certified copies of the above required policies.

24. RESTROOM FACILITIES:

Lessee or its contractors shall provide its employees with portable toilet facilities during drilling, completion, reworking, pipeline construction, seismic survey operations and any other similar or related operations.

25. LANDSCAPING AND IRRIGATION:

On or before the last day of the twelfth (12th) month after the Drilling Commencement Date, Lessee shall submit to the City Manager of Surface Owner for his or her approval a detailed written plan, including appropriate plats and/or renderings, for reasonable and appropriate landscaping and irrigation of the Surface Premises in order to minimize the impact of Lessee's operations upon the appearance of the Surface Premises and upon the flow and drainage of water across the Surface Premises. Such landscaping and irrigation plan shall include such reasonable requirements as may be requested by Surface Owner, and the approval of the City Manager of such landscaping and irrigation plan shall not be unreasonably withheld, but shall generally be in compliance with the schematics attached hereto as Exhibit "D". Without limiting the foregoing, the parties hereto acknowledge and agree that (i) such landscaping and irrigation plan shall require the installation of appropriate landscaping and irrigation around the perimeter fence of each multi-well pad located upon the Surface Premises, (ii) the landscaping to be located upon the Surface Premises shall be irrigated with a bubbler and sprinkler irrigation system that provides sufficient water volume and coverage for such landscaping, and (iii) Surface Owner's requirements for the landscaping and irrigation to be installed on the Surface Premises shall not be limited by the requirements of the City of Midland Oil and Gas Ordinance or any other applicable ordinance, law, rule or regulation. All costs of the preparation of the landscaping and irrigation plan and of the installation of such landscaping and irrigation shall be paid by Lessee. Unless otherwise agreed by Surface Owner, Lessee shall be responsible for the installation of all such landscaping and irrigation in accordance with such plan and all such landscaping and irrigation shall be installed by Lessee within six (6) months after the removal of the sound walls required by Section 16(f) of this Agreement. Lessee shall be responsible, at Lessee's sole cost and expense, for maintenance of the landscaping and irrigation during the term of this Agreement.

26. WAIVER; SOVEREIGN IMMUNITY:

No waiver of any of the provisions of this Agreement shall be deemed or constitute a waiver of any other provision of this Agreement, nor shall such waiver constitute a continuing waiver unless otherwise expressly provided. Likewise, the failure of Surface Owner to enforce any provision of this Agreement shall not be deemed nor shall constitute a waiver of the right of Surface Owner to enforce such provision.

By executing this Agreement, Surface Owner is not waiving its right of sovereign immunity. Surface Owner is retaining its immunity from suit. Surface Owner is not granting consent to be sued by legislative resolution or action. THERE IS NO WAIVER OF SOVEREIGN IMMUNITY.

27. ENFORCEMENT:

Unless provided otherwise under some other provision of this Agreement, all compensation, damages or other payments due to Surface Owner under the terms of this Agreement shall be paid to Surface Owner within thirty (30) days after the event giving rise to such obligation occurs. In the event Lessee fails to take the actions required under this Agreement, Surface Owner shall notify Lessee and Lessee shall have thirty (30) days to remedy such failure. If Lessee fails to remedy such failure and Surface Owner conducts the required action on behalf of Lessee, Lessee agrees to pay all reasonable costs incurred by Surface Owner related to such required action within thirty (30) days of receipt of an invoice for such action. Any amount not paid within said thirty (30) day period shall bear interest at a rate of eighteen percent (18%) per annum or the highest interest rate allowed by law from its due date until paid.

28. ATTORNEY'S FEES AND EXPENSES:

Should Surface Owner be required to resort to employment of an attorney to enforce this Agreement, or any of its rights under this Agreement, Surface Owner shall be entitled to reimbursement from Lessee for reasonable attorney's fees.

29. SUCCESSORS AND ASSIGNS:

The provisions of this Agreement shall inure to the benefit of and be binding upon Surface Owner and Lessee, their respective heirs, successors, representatives and assigns. Any amendment of this Agreement may be made solely by Surface Owner and Lessee. Lessee shall not have the right to assign any of its rights or obligations under this Agreement except in connection with a permitted assignment of the Lease. Any permitted assignee shall expressly assume all of Lessee's covenants, responsibilities and obligations under this Agreement in writing. No permitted assignment of Lessee's interests in this Agreement shall be effective until Lessee has notified Surface Owner of the assignment and identified the assignee's name, address and contact information. Upon assignment hereof in whole or in part by Lessee, Lessee shall remain fully liable for any breach of an obligation hereunder accruing prior to such assignment. Surface Owner shall be furnished a true and correct copy of any permitted assignment within thirty (30) days after the execution thereof.

30. COVENANTS RUNNING WITH THE LAND:

The covenants and obligations of the parties under this Agreement shall be binding upon and shall run with the land and burden the Lease.

31. MEMORANDUM OF SURFACE USE AGREEMENT:

Surface Owner and Lessee have executed a Memorandum of Surface Use Agreement in the form attached hereto as Exhibit "C", dated of even date herewith, for recording in the records of the County in which the Leased Premises and Surface Premises are situated, to give record notice of this Surface Use Agreement. This Surface Use Agreement shall not be recorded except with the consent of Surface Owner.

32. COUNTERPART EXECUTION:

This Agreement may be executed in several counterparts, and any such agreement shall be deemed an original for all intents and purposes.

33. APPLICABLE LAW:

This Agreement shall be construed and enforced in accordance with the laws of the State of Texas. Venue for any cause of action for enforcement of this Agreement shall be in Midland County, Texas.

34. RELATED AGREEMENT:

This Agreement is executed in conjunction with the Lease. This Agreement shall be for a term consistent with the Lease. Termination or expiration of the Lease or this Agreement shall not relieve Lessee of any liability, duty or obligation which accrued, attached or arose prior to such termination or expiration, nor shall it preclude Surface Owner from asserting any right to specific performance, damages or any other rights or remedies to which Surface Owner may be entitled.

Upon termination or expiration of this Agreement for any reason, Lessee shall execute and deliver a recordable release of this Agreement to Surface Owner.

35. THIRD-PARTY BENEFICIARIES:

Except as provided in Section 22 with respect to Indemnitees, this Agreement is intended solely for the use and benefit of the parties hereto and shall not constitute or be construed as a contract for the benefit of any third party.

36. NO WARRANTY OF TITLE:

LESSEE REPRESENTS AND WARRANTS THAT IT IS FULLY FAMILIAR WITH THE SURFACE PREMISES AND THEIR CONDITION AND STATE OF REPAIR FROM LESSEE'S OWN INVESTIGATION OF SAME, AND LESSEE ACKNOWLEDGES THAT SURFACE OWNER HAS MADE NO EXPRESS REPRESENTATIONS OR WARRANTIES WITH REGARD TO THE SURFACE PREMISES, THE CONDITION THEREOF, OR THE ABILITY OF LESSEE TO CONDUCT THE OPERATIONS CONTEMPLATED UNDER THIS AGREEMENT AND, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, SURFACE OWNER HEREBY DISCLAIMS, AND LESSEE WAIVES THE BENEFIT OF, ANY AND ALL IMPLIED WARRANTIES, INCLUDING IMPLIED WARRANTIES OF HABITABILITY, OR FITNESS OR SUITABILITY FOR LESSEE'S PURPOSE. IN ADDITION, THIS AGREEMENT IS MADE WITHOUT WARRANTY OF TITLE, EXPRESS OR IMPLIED. Without limiting the foregoing, this Agreement is made subject to any and all validly existing rights of way, liens, agreements, instruments, burdens, encumbrances, restrictions and defects in title affecting the Surface Premises evidenced in the records of Midland County, Texas. In addition and without limiting any of the foregoing, Lessee acknowledges and agrees that (i) to its knowledge it has satisfied itself as to all applicable ordinances, laws, rules and regulations of each governmental, municipal and/or regulatory authority having jurisdiction over the Surface Premises, the Leased Premises, this Agreement, the Lease, and Lessee's operations, including, without limitation, all federal laws and all applicable FAA rules, regulations and requirements, and (ii) Surface Owner has made no representations or warranties that the terms, provisions or conditions of this Agreement or the Lease comply with such applicable ordinances, laws, rules or regulations.

EXHIBIT "A"

Attached to that certain Surface Use Agreement
between the City of Midland, Texas, as "Surface Owner"
and
Midland-Petro D.C. Partners, LLC, as "Lessee"

Description of Surface Premises:

MIDLAND COUNTY, TEXAS

(Section 14)

Being 48.017 acres out of a 65.02 acre tract of land in Section 14, Blk 39, Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Special Warranty Deed from Claydesta Corporation to the City of Midland, on December 20, 1989, in Book 1027, Page 199, Deed Records, Midland County, Texas.

Being 103.069 acres of land, more or less, out of the West 200 acres of the North half (N/2) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in the following instruments:

1. Being 2.25 acres of land out of the Northwest Quarter (NW/4) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Warranty Deed from Mrs. Velma Haag, Individually and as Executrix of the Estate of B. Frank Haag, Deceased, Addilese Haag Thomas and Conn C. Thomas, wife and husband, and Merwin Haag and Willie Merle Haag, husband and wife, to The City of Midland on August 28, 1942, in Book 73, Page 136, Deed Records, Midland County, Texas.

2. The West 80 acres of the Northwest Quarter (NW/4) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Warranty Deed from Mrs. Velma Haag, Individually and as Executrix of the Estate of B. Frank Haag, Deceased, Addilese Haag Thomas and Conn C. Thomas, wife and husband, and Merwin Haag and Willie Merle Haag, husband and wife, to The City of Midland on June 8, 1944, in Book 79, Page 557, Deed Records, Midland County, Texas, Less and Except a 24.27 acre tract of land in the west part of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being more particularly described by metes and bounds and being even further described in Special Warranty Deed from the City of Midland, Texas to Clajon Production Corporation on April 1, 1981, recorded in Book 705, Page 353, Deed Records, Midland County, Texas.

3. Tract 1: Being 0.44 acres of land, more or less, out of the North part of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas.

Tract 2: Being 0.486 acres of land, more or less, out of the North part of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas.

Both tracts of land being further described by metes and bounds in Deed from R.J. Stone, Jack L. Coke, Otis Phillips, Jr., and Arthur Hamilton to The City of Midland on March 21, 1961, in Book 359, Page 397, Deed Records, Midland County, Texas.

4. Being 10.753 acres of land, more or less, in the North part of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Deed from R.J. Stone, Jack L. Coke, Otis Phillips, Jr., and Arthur Hamilton to The City of Midland on March 24, 1961, in Book 359, Page 399, Deed Records, Midland County, Texas.

5. Being 9.14 acres of land, more or less, in the Northwest Quarter (NW/4) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Warranty Deed from Jack L. Coke, Arthur Hamilton, and Ruth Suehs Phillips, Individually and as Independent Executrix of the Estate of Otis Phillips, Jr., Deceased, to

The City of Midland on June 16, 1978, in Book 642, Page 189, Deed Records, Midland County, Texas.

(Section 15)

Being Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, Less and Except the following tracts of land:

LESS AND EXCEPT:

The Southeast Quarter (SE/4) of the Southwest Quarter (SW/4) of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being 40 acres of land, more or less, less and except that portion of a 10.936 acre drainage ditch running in a horizontal direction from the west boundary of the Southwest Quarter (SW/4) to the east boundary of the Southwest Quarter (SW/4) being the west boundary of Garfield Street.

A 45.4927 acre tract of land out of a 45.99 acre tract known as the Midland Airpark Addition in the SE part of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being more fully described by Warranty Deed from the City of Midland to Robert B. Holt filed on February 19, 2004, in Book 2311, Page 300, Official Records of Midland County, Texas and by Warranty Deed from the City of Midland to Robert B. Holt filed on February 19, 2004, in Book 2311, Page 304, Official Records of Midland County, Texas.

A 53.26 acre tract of land in the NW part of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds, and being more fully described by General Warranty Deed from the City of Midland to Midland Community College District filed on July 26, 1999, in Book 1696, Page 639, Official Records, Midland County, Texas.

A 3.28 acre tract of land now known as Myatt Addition, in the Southwest (SW) corner of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds, and being more fully described by Deed from the City of Midland to Max V. Myatt filed on December 17, 1968, in Book 509, Page 546, Deed Records, Midland County, Texas.

A 5.88 acre tract of land now known as the Chandelle Condominiums, in the Southwest (SW) corner of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds, and being more fully described by Warranty Deed from the City of Midland to W.M. Hickey filed on October 18, 1966, in Book 474, Page 3, Deed Records, Midland County, Texas.

All of the South 28 acres of a 48.347 acre tract located in Section 15, Block 39, Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds and being more fully described in Warranty Deed from Gibraltar Savings of Washington F.A. to Midland Junior College District on November 21, 1988, recorded in Book 989, Page 653, Deed Records, Midland County, Texas.

A 20.347 acre tract out of the north part of a 48.347 acre tract located in Section 15, Block 39, Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds and being more fully described in Warranty Deed from Gibraltar Savings Bank F.A., formerly known as Gibraltar Savings of Washington F.A. to Midland Junior College District on August 2, 1989 recorded in Book 1013, Page 257, Deed Records, Midland County, Texas, less and except a 1.16 acre tract of land at the North part of said tract, and being the same land conveyed in General Warranty Deed from the Midland Community College District to the City of Midland on August 21, 1999 recorded in Book 1696, Page 636, Official Public Records, Midland County, Texas.

Attached to that certain Surface Use Agreement
between the City of Midland, Texas, as "Surface Owner"
and
Midland-Petro D.C. Partners, LLC, as "Lessee"

Lease and Leased Premises

Oil and Gas Lease dated effective as of _____ ___, 20__, between the City of Midland, Texas, as lessor, and Midland-Petro D.C. Partners, LLC, as lessee, covering the following lands located in Midland County, Texas:

(Section 14)
Being 103.799 acres of land, more or less, out of the West 200 acres of the North half (N/2) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in the following instruments:

1. Being 2.25 acres of land out of the Northwest Quarter (NW/4) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Warranty Deed from Mrs. Velma Haag, Individually and as Executrix of the Estate of B. Frank Haag, Deceased, Addilese Haag Thomas and Conn C. Thomas, wife and husband, and Merwin Haag and Willie Merle Haag, husband and wife, to The City of Midland on August 28, 1942, in Book 73, Page 136, Deed Records, Midland County, Texas.

2. The West 80 acres of the Northwest Quarter (NW/4) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Warranty Deed from Mrs. Velma Haag, Individually and as Executrix of the Estate of B. Frank Haag, Deceased, Addilese Haag Thomas and Conn C. Thomas, wife and husband, and Merwin Haag and Willie Merle Haag, husband and wife, to The City of Midland on June 8, 1944, In Book 79, Page 557, Deed Records, Midland County, Texas.

3. Tract 1: Being 0.44 acres of land, more or less, out of the North part of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas.

Tract 2: Being 0.486 acres of land, more or less, out of the North part of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas.

Both tracts of land being further described by metes and bounds in Deed from R.J. Stone, Jack L. Coke, Otis Phillips, Jr., and Arthur Hamilton to The City of Midland on March 21, 1961, in Book 359, Page 397, Deed Records, Midland County, Texas.

4. Being 10.753 acres of land, more or less, in the North part of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Deed from R.J. Stone, Jack L. Coke, Otis Phillips, Jr., and Arthur Hamilton to The City of Midland on March 24, 1961, in Book 359, Page 399, Deed Records, Midland County, Texas.

5. Being 0.73 acres of land, more or less, in the Southeast (SE) corner of the West 200 acres of the North half (N/2) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Deed from R.J. Stone, Jack L. Coke, Otis Phillips, Jr., and Arthur Hamilton to The City of Midland on March 24, 1961, in Book 360, Page 431, Deed Records, Midland County, Texas.

6. Being 9.14 acres of land, more or less, in the Northwest Quarter (NW/4) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Warranty Deed from Jack L. Coke, Arthur Hamilton, and Ruth Suehs Phillips, Individually and as Independent Executrix of the Estate of Otis Phillips, Jr., Deceased, to The City of Midland on June 16, 1978, in Book 642, Page 189, Deed Records, Midland County, Texas.

(Section 15)
Being 492.0873 net mineral acres of land, more or less, out of a 640 acre Section being Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, Less and Except the Southeast Quarter (SE/4) of the Southwest Quarter (SW/4) of said Section and the following conveyed tracts of land:

LESS AND EXCEPT:

The Southeast Quarter (SE/4) of the Southwest Quarter (SW/4) of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being 40 acres of land, more or less.

A 45.4927 acre tract of land out of a 45.99 acre tract known as the Midland Airpark Addition in the SE part of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being more fully described by Warranty Deed from the City of Midland to Robert B. Holt filed on February 19, 2004, in Book 2311, Page 300, Official Records of Midland County, Texas and by Warranty Deed from the City of Midland to Robert B. Holt filed on February 19, 2004, in Book 2311, Page 304, Official Records of Midland

County, Texas.

A 53.26 acre tract of land in the NW part of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds, and being more fully described by General Warranty Deed from the City of Midland to Midland Community College District filed on July 26, 1999, in Book 1696, Page 639, Official Records, Midland County, Texas.

A 3.28 acre tract of land now known as Myatt Addition, in the Southwest (SW) corner of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds, and being more fully described by Deed from the City of Midland to Max V. Myatt filed on December 17, 1968, in Book 509, Page 546, Deed Records, Midland County, Texas.

A 5.88 acre tract of land now known as the Chandelle Condominiums, in the Southwest (SW) corner of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds, and being more fully described by Warranty Deed from the City of Midland to W.M. Hickey filed on October 18, 1966, in Book 474, Page 3, Deed Records, Midland County, Texas.

37.460 acres of land, more or less, being the Southeast Quarter (SE/4) of the Southwest Quarter (SW/4) of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, Less and Except a 2.54 acre tract which was conveyed by Warranty Deed from the City of Midland to Hillander School filed on August 26, 1965, in Book 453, Page 163, Deed Records, Midland County, Texas, and being subject to a one-half (1/2) mineral reservation by A.J. Anderson and Lucille Anderson, husband and wife, to Sam Lundie by Warranty Deed filed on May 11, 1929, in Book 44, Page 430, Deed Records, Midland County, Texas.

43.9927 acres of land, more or less, being in Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being further described in the two following tracts:
Tract 1.
Being all of Lot 1, Block 1, Midland Airpark, an Addition to the City of Midland, Midland County, Texas, according to the map or plat thereof recorded in Cabinet F, Page 188, Plat Records of Midland County, Texas.
SAVE AND EXCEPT a 1.5 acre tract of land being described by metes and bounds.
Tract 2.
A tract of land located in the Southwest part of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being all of the area shown as a drainage right-of-way on a plat named Midland Airpark as recorded in Cabinet F, Page 188 of the Midland County Plat Records less a SAVE AND EXCEPT tract being a 0.4973 acre tract described by metes and bounds.
Both tracts being more fully described by metes and bounds in Mineral Deed dated January 15, 2013 from Andrea Holt Catania and Holly Holt Williamson, Co-Independent Executrixes for the Estate of Robert B. Holt, Deceased, to the City of Midland as Document Number 2013-1544, Official Records, Midland County, Texas, whereas the City of Midland received 60% of the minerals and all of the Executive Rights of said land.

(Section 22)
0.518 acres of land, more or less, being a part of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being all of Lots 8 and 9, Block 1, of the Berkshire Place Addition to the City of Midland, Midland County, Texas, as shown by the official map of plat thereof of record in the office of the County Clerk of Midland County, Texas and being more particularly described in that certain Warranty Deed dated March 10, 1958 from William D. Hays, Jr., Individually and as general partner in Hays Construction Company, a co-partnership, to the City of Midland, Texas and recorded at Volume 304, Page 27, Deed Records, Midland County, Texas.

0.761 acres of land, more or less, being a part of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being known as a portion of Avalon Addition to the City of Midland, Midland County, Texas, according to the map or plat thereof recorded at Volume 100, Page 545, Deed Records, and being more particularly described in the two following Warranty Deeds:

1. Being 0.254 acres of land, more or less, out of Avalon Addition, an addition to the City of Midland, Texas, described by metes and bounds, and being more fully described in Warranty Deed dated July 18, 1954 from Ben H. Greenberg and wife, Dora Greenberg to the City of Midland, Texas and recorded at Volume 216, Page 413, Deed Records, Midland County, Texas.

2. Being 0.504 acres of land, more or less, out of Avalon Addition, an addition to the City of Midland, Texas, described by metes and bounds, and being more fully described in Warranty Deed dated June 17, 1998 from C.R. Bailey, joined herein by his wife, Virginia H. Bailey to the City of Midland, Texas and recorded in Volume 1571, Page 367, Deed Records, Midland County, Texas.

98.901 acre tract of land in the N/2 of the NE/4 and the North part of the S/2 of the NE/4 of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being more particularly in the two following Warranty Deeds:

1. Being 80 acres of land being the N/2 of the NE/4 of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being described by metes and bounds, and being conveyed from William P. Bodine, now a single person, and J.A. Bodine and wife, Oza Bodine, Laverne Murchison (nee Bodine) and husband, Gaines Murchison, and patsy Gene Miles (nee Bodine) and husband, Terrell Miles, the only heirs of Margie Ann Bodine, to the City of Midland dated November 13, 1942, and recorded in Volume 73, Page 351, Deed Records, Midland County, Texas; and

2. Being 18.901 Acres, known as the North part of the S/2 of the NE/4 of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds, and being conveyed from O.M. Tyner and wife, Bessie Tyner to the City of Midland dated December 14, 1942, and recorded in Volume 73, Page 361, Deed Records, Midland County, Texas.

Save and Except the following conveyed tracts of land:

SAVE AND EXCEPT:
5 acres of land, more or less, out of the NE/4 of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. MEMORANDUM OF SURFACE USE AGREEMENT

STATE OF TEXAS §
§
COUNTY OF MIDLAND §

This Memorandum of Surface Use Agreement (this "Memorandum") is made and entered into this _____ day of _____, 2021, by and between the CITY OF MIDLAND, TEXAS, whose address is 300 N. Loraine, Midland, Texas, 79701, Attention: Right of Way Manager (herein "Surface Owner") and MIDLAND PETRO D.C. PARTNERS, LLC, whose address is 500 W. Wall, Suite 300, Midland, Texas 79701 (herein "Lessee"), covering the lands located in Midland County, Texas, more particularly described on Exhibit "A" attached hereto (herein the "Surface Premises").

WITNESSETH:

Reference is made to that certain oil and gas lease described on Exhibit "B" attached hereto (the "Lease") covering the lands described on Exhibit "B" (the "Leased Premises"). Surface Owner and Lessee have entered into that certain Surface Use Agreement dated _____ ___, 2021 (the "Surface Use Agreement") which provides for protection of the surface estate and water resources of the Leased Premises and Surface Premises in connection with oil and gas exploration, development and production under the Lease.

Surface Owner and Lessee are executing this Memorandum for the purpose of placing the same of record in Midland County, Texas, and in order to constitute constructive notice to all third parties dealing with Surface Owner and/or Lessee of the existence of the Surface Use Agreement and of the rights and obligations contained therein. Surface Owner and Lessee give notice that the Surface Use Agreement may be amended or supplemented from time to time in the future and any inquiry as to the contents thereof should also include an inquiry as to the contents of any and all such amendments and supplements.

This Memorandum shall be binding upon both parties signing a counterpart of this Memorandum, whether or not both parties sign the same counterpart hereof. To facilitate recordation, one or more executed counterparts of this Memorandum may be assembled into one document for recording purposes and a single counterpart containing additional signature and acknowledgment pages from the other counterparts may be executed and recorded.

[Remainder of page intentionally left blank; signature pages follow.]

IN WITNESS WHEREOF, this Memorandum is executed as of the dates of the acknowledgments of the respective parties, but effective as of _____ ___, 2021.

Description of Surface Premises:

MIDLAND COUNTY, TEXAS

(Section 14)

Being 48.017 acres out of a 65.02 acre tract of land in Section 14, Blk 39, Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Special Warranty Deed from Claydesta Corporation to the City of Midland, on December 20, 1989, in Book 1027, Page 199, Deed Records, Midland County, Texas.

Being 103.069 acres of land, more or less, out of the West 200 acres of the North half (N/2) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in the following instruments:

1. Being 2.25 acres of land out of the Northwest Quarter (NW/4) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Warranty Deed from Mrs. Velma Haag, Individually and as Executrix of the Estate of B. Frank Haag, Deceased, Addilese Haag Thomas and Conn C. Thomas, wife and husband, and Merwin Haag and Willie Merle Haag, husband and wife, to The City of Midland on August 28, 1942, in Book 73, Page 136, Deed Records, Midland County, Texas.

2. The West 80 acres of the Northwest Quarter (NW/4) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Warranty Deed from Mrs. Velma Haag, Individually and as Executrix of the Estate of B. Frank Haag, Deceased, Addilese Haag Thomas and Conn C. Thomas, wife and husband, and Merwin Haag and Willie Merle Haag, husband and wife, to The City of Midland on June 8, 1944, in Book 79, Page 557, Deed Records, Midland County, Texas, Less and Except a 24.27 acre tract of land in the west part of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being more particularly described by metes and bounds and being even further described in Special Warranty Deed from the City of Midland, Texas to Clajon Production Corporation on April 1, 1981, recorded in Book 705, Page 353, Deed Records, Midland County, Texas.

3. Tract 1: Being 0.44 acres of land, more or less, out of the North part of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas.

Tract 2: Being 0.486 acres of land, more or less, out of the North part of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas.

Both tracts of land being further described by metes and bounds in Deed from R.J. Stone, Jack L. Coke, Otis Phillips, Jr., and Arthur Hamilton to The City of Midland on March 21, 1961, in Book 359, Page 397, Deed Records, Midland County, Texas.

4. Being 10.753 acres of land, more or less, in the North part of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Deed from R.J. Stone, Jack L. Coke, Otis Phillips, Jr., and Arthur Hamilton to The City of Midland on March 24, 1961, in Book 359, Page 399, Deed Records, Midland County, Texas.

5. Being 9.14 acres of land, more or less, in the Northwest Quarter (NW/4) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Warranty Deed from Jack L. Coke, Arthur Hamilton, and Ruth Suehs Phillips, Individually and as Independent Executrix of the Estate of Otis Phillips, Jr., Deceased, to The City of Midland on June 16, 1978, in Book 642, Page 189, Deed Records, Midland County, Texas.

(Section 15)

Being Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, Less and Except the following tracts of land:

LESS AND EXCEPT:

The Southeast Quarter (SE/4) of the Southwest Quarter (SW/4) of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being 40 acres of land, more or less, less and except that portion of a 10.936 acre drainage ditch running in a horizontal direction from the west boundary of the Southwest Quarter (SW/4) to the east boundary of the Southwest Quarter (SW/4) being the west boundary of Garfield Street.

A 45.4927 acre tract of land out of a 45.99 acre tract known as the Midland Airpark Addition in the SE part of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being more fully described by Warranty Deed from the City of Midland to Robert B. Holt filed on February 19, 2004, in Book 2311, Page 300, Official Records of Midland County, Texas and by Warranty Deed from the City of Midland to Robert B. Holt filed on February 19, 2004, in Book 2311, Page 304, Official Records of Midland County, Texas.

A 53.26 acre tract of land in the NW part of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds, and being more fully described by General Warranty Deed from the City of Midland to Midland Community College District filed on July 26, 1999, in Book 1696, Page 639, Official Records, Midland County, Texas.

A 3.28 acre tract of land now known as Myatt Addition, in the Southwest (SW) corner of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds, and being more fully described by Deed from the City of Midland to Max V. Myatt filed on December 17, 1968, in Book 509, Page 546, Deed Records, Midland County, Texas.

A 5.88 acre tract of land now known as the Chandelle Condominiums, in the Southwest (SW) corner of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds, and being more fully described by Warranty Deed from the City of Midland to W.M. Hickey filed on October 18, 1966, in Book 474, Page 3, Deed Records, Midland County, Texas.

All of the South 28 acres of a 48.347 acre tract located in Section 15, Block 39, Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds and being more fully described in Warranty Deed from Gibraltar Savings of Washington F.A. to Midland Junior College District on November 21, 1988, recorded in Book 989, Page 653, Deed Records, Midland County, Texas.

A 20.347 acre tract out of the north part of a 48.347 acre tract located in Section 15, Block 39, Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds and being more fully described in Warranty Deed from Gibraltar Savings Bank F.A., formerly known as Gibraltar Savings of Washington F.A. to Midland Junior College District on August 2, 1989 recorded in Book 1013, Page 257, Deed Records, Midland County, Texas, less and except a 1.16 acre tract of land at the North part of said tract, and being the same land conveyed in General Warranty Deed from the Midland Community College District to the City of Midland on August 21, 1999 recorded in Book 1696, Page 636, Official Public Records, Midland County, Texas.

EXHIBIT "B"

Attached to that certain Memorandum of Surface Use Agreement
between the City of Midland, Texas, as "Surface Owner"
and
Midland-Petro D.C. Partners, LLC, as "Lessee"

Lease and Leased Premises

Oil and Gas Lease dated effective as of _____ ___, 20__, between the City of Midland, Texas, as lessor, and Midland-Petro D.C. Partners, LLC, as lessee, covering the following lands located in Midland County, Texas:

(Section 14)
Being 103.799 acres of land, more or less, out of the West 200 acres of the North half (N/2) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in the following instruments:

1. Being 2.25 acres of land out of the Northwest Quarter (NW/4) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Warranty Deed from Mrs. Velma Haag, Individually and as Executrix of the Estate of B. Frank Haag, Deceased, Addilese Haag Thomas and Conn C. Thomas, wife and husband, and Merwin Haag and Willie Merle Haag, husband and wife, to The City of Midland on August 28, 1942, in Book 73, Page 136, Deed Records, Midland County, Texas.

2. The West 80 acres of the Northwest Quarter (NW/4) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Warranty Deed from Mrs. Velma Haag, Individually and as Executrix of the Estate of B. Frank Haag, Deceased, Addilese Haag Thomas and Conn C. Thomas, wife and husband, and Merwin Haag and Willie Merle Haag, husband and wife, to The City of Midland on June 8, 1944, In Book 79, Page 557, Deed Records, Midland County, Texas.

3. Tract 1: Being 0.44 acres of land, more or less, out of the North part of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas.

Tract 2: Being 0.486 acres of land, more or less, out of the North part of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas.

Both tracts of land being further described by metes and bounds in Deed from R.J. Stone, Jack L. Coke, Otis Phillips, Jr., and Arthur Hamilton to The City of Midland on March 21, 1961, in Book 359, Page 397, Deed Records, Midland County, Texas.

4. Being 10.753 acres of land, more or less, in the North part of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Deed from R.J. Stone, Jack L. Coke, Otis Phillips, Jr., and Arthur Hamilton to The City of Midland on March 24, 1961, in Book 359, Page 399, Deed Records, Midland County, Texas.

5. Being 0.73 acres of land, more or less, in the Southeast (SE) corner of the West 200 acres of the North half (N/2) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Deed from R.J. Stone, Jack L. Coke, Otis Phillips, Jr., and Arthur Hamilton to The City of Midland on March 24, 1961, in Book 360, Page 431, Deed Records, Midland County, Texas.

6. Being 9.14 acres of land, more or less, in the Northwest Quarter (NW/4) of Section Fourteen (14), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being further described in Warranty Deed from Jack L. Coke, Arthur Hamilton, and Ruth Suehs Phillips, Individually and as Independent Executrix of the Estate of Otis Phillips, Jr., Deceased, to The City of Midland on June 16, 1978, in Book 642, Page 189, Deed Records, Midland County, Texas.

(Section 15)
Being 492.0873 net mineral acres of land, more or less, out of a 640 acre Section being Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, Less and Except the Southeast Quarter (SE/4) of the Southwest Quarter (SW/4) of said Section and the following conveyed tracts of land:

LESS AND EXCEPT:

The Southeast Quarter (SE/4) of the Southwest Quarter (SW/4) of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being 40 acres of land, more or less.

A 45.4927 acre tract of land out of a 45.99 acre tract known as the Midland Airpark Addition in the SE part of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being more fully described by Warranty Deed from the City of Midland to Robert B. Holt filed on February 19, 2004, in Book 2311, Page 300, Official Records of Midland County, Texas and by Warranty Deed from the City of Midland to Robert B. Holt filed on February 19, 2004, in Book 2311, Page 304, Official Records of Midland County, Texas.

A 53.26 acre tract of land in the NW part of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds, and being more fully described by General Warranty Deed from the City of Midland to Midland Community College District filed on July 26, 1999, in Book 1696, Page 639, Official Records, Midland County, Texas.

A 3.28 acre tract of land now known as Myatt Addition, in the Southwest (SW) corner of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds, and being more fully described by Deed from the City of Midland to Max V. Myatt filed on December 17, 1968, in Book 509, Page 546, Deed Records, Midland County, Texas.

A 5.88 acre tract of land now known as the Chandelle Condominiums, in the Southwest (SW) corner of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds, and being more fully described by Warranty Deed from the City of Midland to W.M. Hickey filed on October 18, 1966, in Book 474, Page 3, Deed Records, Midland County, Texas.

37.460 acres of land, more or less, being the Southeast Quarter (SE/4) of the Southwest Quarter (SW/4) of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, Less and Except a 2.54 acre tract which was conveyed by Warranty Deed from the City of Midland to Hillander School filed on August 26, 1965, in Book 453, Page 163, Deed Records, Midland County, Texas, and being subject to a one-half (1/2) mineral reservation by A.J. Anderson and Lucille Anderson, husband and wife, to Sam Lundie by Warranty Deed filed on May 11, 1929, in Book 44, Page 430, Deed Records, Midland County, Texas.

43.9927 acres of land, more or less, being in Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being further described in the two following tracts:
Tract 1.
Being all of Lot 1, Block 1, Midland Airpark, an Addition to the City of Midland, Midland County, Texas, according to the map or plat thereof recorded in Cabinet F, Page 188, Plat Records of Midland County, Texas.
SAVE AND EXCEPT a 1.5 acre tract of land being described by metes and bounds.
Tract 2.
A tract of land located in the Southwest part of Section Fifteen (15), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being all of the area shown as a drainage right-of-way on a plat named Midland Airpark as recorded in Cabinet F, Page 188 of the Midland County Plat Records less a SAVE AND EXCEPT tract being a 0.4973 acre tract described by metes and bounds.
Both tracts being more fully described by metes and bounds in Mineral Deed dated January 15, 2013 from Andrea Holt Catania and Holly Holt Williamson, Co-Independent Executrixes for the Estate of Robert B. Holt, Deceased, to the City of Midland as Document Number 2013-1544, Official Records, Midland County, Texas, whereas the City of Midland received 60% of the minerals and all of the Executive Rights of said land.

(Section 22)
0.518 acres of land, more or less, being a part of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being all of Lots 8 and 9, Block 1, of the Berkshire Place Addition to the City of Midland, Midland County, Texas, as shown by the official map of plat thereof of record in the office of the County Clerk of Midland County, Texas and being more particularly described in that certain Warranty Deed dated March 10, 1958 from William D. Hays, Jr., Individually and as general partner in Hays Construction Company, a co-partnership, to the City of Midland, Texas and recorded at Volume 304, Page 27, Deed Records, Midland County, Texas.

0.761 acres of land, more or less, being a part of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being known as a portion of Avalon Addition to the City of Midland, Midland County, Texas, according to the map or plat thereof recorded at Volume 100, Page 545, Deed Records, and being more particularly described in the two following Warranty Deeds:

1. Being 0.254 acres of land, more or less, out of Avalon Addition, an addition to the City of Midland, Texas, described by metes and bounds, and being more fully described in Warranty Deed dated July 18, 1954 from Ben H. Greenberg and wife, Dora Greenberg to the City of Midland, Texas and recorded at Volume 216, Page 413, Deed Records, Midland County, Texas.

2. Being 0.504 acres of land, more or less, out of Avalon Addition, an addition to the City of Midland, Texas, described by metes and bounds, and being more fully described in Warranty Deed dated June 17, 1998 from C.R. Bailey, joined herein by his wife, Virginia H. Bailey to the City of Midland, Texas and recorded in Volume 1571, Page 367, Deed Records, Midland County, Texas.

98.901 acre tract of land in the N/2 of the NE/4 and the North part of the S/2 of the NE/4 of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being more particularly in the two following Warranty Deeds:

1. Being 80 acres of land being the N/2 of the NE/4 of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being described by metes and bounds, and being conveyed from William P. Bodine, now a single person, and J.A. Bodine and wife, Oza Bodine, Laverne Murchison (nee Bodine) and husband, Gaines Murchison, and patsy Gene Miles (nee Bodine) and husband, Terrell Miles, the only heirs of Margie Ann Bodine, to the City of Midland dated November 13, 1942, and recorded in Volume 73, Page 351, Deed Records, Midland County, Texas; and

2. Being 18.901 Acres, known as the North part of the S/2 of the NE/4 of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds, and being conveyed from O.M. Tyner and wife, Bessie Tyner to the City of Midland dated December 14, 1942, and recorded in Volume 73, Page 361, Deed Records, Midland County, Texas.

Save and Except the following conveyed tracts of land:

SAVE AND EXCEPT:
5 acres of land, more or less, out of the NE/4 of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, more particularly described by metes and bounds in that Special Warranty Deed dated November 23, 1964 from the City of Midland, Texas, a Home Rule Municipal Corporation to the Midland Council for Retarded Children, Inc., recorded at Volume 441, Page 326 of the Deed Records of Midland County, Texas. 5.158 acres of land, more or less, out of the NE/4 of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds and being more particularly described in that Special Warranty Deed dated June 24, 1965 from The City of Midland, Texas, a Home Rule Municipal Corporation, to Oaklawn Park Baptist Church, Inc., recorded in Volume 450, Page 279 of the Deed Records of Midland County, Texas. Also known as Lot 2, Block 1, "A" Street Community Center, Section 5, an Addition to the City of Midland, Midland County, Texas, according to the map or plat thereof of record in Cabinet B, Page 396, Plat Records, Midland County, Texas.

3.86 acre tract of land out of the NE/4 of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, described by metes and bounds and being more particularly described in Special Warranty Deed dated July 7, 1971 from the City of Midland, a municipal corporation, to City of Midland Swim Team, Inc. recorded in Volume 551, Page 32, Deed Records, Midland County, Texas. Also known as Lot 3, Block 6, "A" Street Community Center Section 9 according to the map or plat thereof of record in Cabinet I, Page 171, Plat Records, Midland County, Texas.

0.282 acres of land, more or less, being the North 75 feet of Lot 2, Block 3, "A" Street Community Center, Section 3, an Addition to the City to the City of Midland, Midland County, Texas, according to the map or plat thereof of record in Cabinet B, Page 352, Plat Records, Midland County, Texas, and being more particularly described in Warranty Deed dated July 11, 2002 from Milagros de Gloria, Inc., Midland, Texas to Midland Young Life Building Foundation, Inc., Midland, Texas and recorded at Volume 2017, Page 818 of the Official Records of Midland County, Texas.

0.617 acres of land, more or less, being Lot 5, Block 3, "A" Street Community Center, Section 3, an Addition to the City to the City of Midland, Midland County, Texas, according to the map or plat thereof of record in Cabinet B, Page 352, Plat Records, Midland County, Texas, and being more particularly described in Warranty Deed dated July 11, 2002 from Milagros de Gloria, Inc., Midland, Texas to Midland Young Life Building Foundation, Inc., Midland, Texas and recorded at Volume 2017, Page 818 of the Official Records of Midland County, Texas.

Being 83.984 net mineral acres out of the 98.901 acre tract of land out of the N/2 of the NE/4 and the North part of the S/2 of the NE/4 of Section Twenty-two (22), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas.

(Section 23)
5.124 acres, more or less, being all of Blocks 1, 2, and 3, of a subdivision of Tracts 31, 32, and 33, Morningside Addition, an addition to the City of Midland, Midland County, Texas, as per plat thereof of record in Volume 180, Page 124, Deed Records, Midland County, Texas, and being more particularly described in Warranty Deed dated April 4, 1955 from W.R. Upham and wife, Lucille A. Upham and H.C. Avery, Jr. and wife, Edith Avery to the City of Midland, Texas recorded in Volume 228, Page 420, Deed Records, Midland County, Texas and Ordinance dated April 26, 1955 petitioned by the Midland Independent School District to the City Council of the City of Midland, which it was ordained to vacate, abandon, and close certain streets, being described in Volume 230, Page 5, Deed Records, Midland County, Texas.

5.33 acre Park Site out of a 10 acre tract situated in the SE corner of W/2 of NW/4, Section Twenty-three (23), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, being described by metes and bounds and being more particularly described in Warranty Deed dated March 24, 1958 from Paul McHargue to the City of Midland, a municipal corporation, of the County of Midland, Texas recorded in Volume 288, Page 84, Deed Records, Midland County, Texas.

(Section 26)
0.138 acres of land, more or less, being a part of Section Twenty-six (26), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being known as all of Lot 24 except the West 4 feet thereof, in Block 2 of Russell & High Addition, an addition to the City of Midland, Midland County, Texas, according to the map or plat thereof recorded in Volume 103, Page 473 of the Deed Records of Midland County, Texas, and being more particularly described in that certain Warranty Deed dated November 6, 1995, from Carl E. Schuder and wife, Mary K. Schuder to the City of Midland, and recorded at Volume 1341, Page 753, Deed Records, Midland County, Texas.

0.75 acres of land, more or less, being a part of Section Twenty-six (26), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being known as Lots 3 and 4, Block 1, Barber-Cole Extension, an addition to the City of Midland, Midland County, Texas, according to the map or plat thereof, recorded in Cabinet C, Page 82, Plat Records, Midland County, Texas. and being more particularly described in that certain General Warranty Deed dated January 9, 1998, from Faustino Quiroz and spouse, Mary Frances Quiroz to the City of Midland, Midland County, Texas and recorded at Volume 1525, Page 8, Deed Records, Midland County, Texas.

0.545 acres of land, more or less, being part of Section Twenty-six (26), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas and being known as Lot 2, Block 1, Barber-Cole Extension, an addition to the City of Midland, Midland County, Texas, according to the map or plat thereof, recorded in Cabinet C, Page 82, Plat Records, Midland County, Texas., and being more particularly described in that certain General Warranty Deed dated January 9, 1998, from A.T. Mendoza to the City of Midland, recorded in Volume 1525, Page 14, Deed Records, Midland County, Texas.

1.468 acres of land, more or less, being a part of Section Twenty-six (26), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being known as Ida Jo Moore Park, in Ridglea Addition to the City of Midland, Midland County, Texas, according to the map or plat thereof recorded at Volume 130, Page 237, Deed Records, No conveyance could be found of record conveying an interest to the City of Midland.

0.239 acres of land, more or less, being a part of Section Twenty-six (26), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being known as Block 12, Highland Addition to the City of Midland, Midland County, Texas, according to the map or plat thereof recorded at Volume B, Page 69, Plat Records, and being more particularly described in that certain Warranty Deed dated May 3, 1949 from Armintie Estes, a widow; Aldredge Estes, individually and as attorney in fact for Thelma Estes Brown and husband, W.T. Brown; Iris Estes Jeffrey and husband Red D. Jeffrey and Ola Dublin Haynes, a widow to the City of Midland, Midland County, Texas and recorded at Volume 110, Page 94, Deed Records, Midland County, Texas.

0.066 acres of land, more or less, being a part of Section Twenty-six (26), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas, and being known as a small triangle of land located in Highland Addition to the City of Midland, Midland County, Texas, according to the map or plat thereof recorded at Volume B, Page 69, Plat Records, and being more particularly described in that certain Warranty Deed dated May 3, 1949 from Armintie Estes, a widow; Aldredge Estes, individually and as attorney in fact for Thelma Estes Brown and husband, W.T. Brown; Iris Estes Jeffrey and husband Red D. Jeffrey and Ola Dublin Haynes, a widow to the City of Midland, Midland County, Texas and recorded at Volume 110, Page 94, Deed Records, Midland County, Texas.

0.377 acres of land, more or less, being part of Section Twenty-six (26), Block Thirty-nine (39), Township 1 South, T & P Ry. Co. Survey, Midland County, Texas and being known as Lots 1, 2, 3, and the East 14 Feet of Lot 4, Block 5, Elmwood, an addition to the City of Midland, Midland County, Texas according to the plat thereof recorded in Volume 59, Page 133, Deed Records, and being more particularly described in that certain Warranty Deed dated June 11, 1940, from B.G. Grafa and wife, Mable Grafa to the City of Midland, recorded in Volume 66, Page 352, Deed Records, Midland County, Texas.

0.805 acres of land, more or less, being Lots 7-11, Block 1, Original Town of Midland, an addition to the City of Midland, Midland County, Texas, located partly in Section 26 and Section 35, Block 39, T-1-S, T&P Rwy. Co. Survey, Midland County, Texas, as per map or plat thereof recorded in Volume 47, Page 526 of the Deed Records of Midland County, Texas, and being more particularly described in that certain Warranty Deed dated August 18, 1988 executed by Georgina G. Figueroa to the City of Midland, recorded in Volume 979, Page 115 of the Deed Records of Midland County, Texas.

0.161 acres of land, more or less, being part of Section 26, Block 39, Township 1 South, Texas and Pacific Railroad Company Survey, Midland County, Texas, and being known as Lot Twelve (12), Block One (1), Original Town, an addition to the City of Midland, Midland County, Texas according to the plat thereof recorded in Volume 3, Pages 232 and 233, Deed Records, Midland County, Texas, and being more particularly described in that certain Deed, dated November 15, 1988, from Vincenta Rodriguez, joined by husband, Ruben P. Rodriguez to City of Midland, recorded at Document Number 986-309, Deed Records, Midland County, Texas.

N 100' of NW/4, Block 2, Original Town of Midland, an addition to the City of Midland, Midland County, Texas, located partly in Section 26 and Section 35, Block 39, T-1-S, T&P Rwy. Co. Survey, Midland County, Texas, as per map or plat thereof recorded in Volume 47, Page 526 of the Deed Records of Midland County, Texas.

0.964 acres of land, more or less, being part of Section 26, Block 39, Township 1 South, Texas and Pacific Railroad Company Survey, Midland County, Texas and being known as the East One-Half of Block 28, Homestead, an addition to the City of Midland, Midland County, Texas according to the plat thereof recorded in Volume 1, Page 242, Deed Records, and being more particularly described in that certain Special Warranty Deed dated February 8th, 1989 Prudential Insurance Company of America to the City of Midland, recorded at Volume 994 Page 524, Official Public Records, Midland County, Texas.

City Council Meeting

Item Number: 48

Meeting Date: November 16, 2021

To: City Council / City Manager

From: Ron Jenkins, Oil and Gas Coordinator

Subject: RESOLUTION GRANTING VARIANCES FOR TWO OIL AND GAS WELLS TO BE LOCATED CLOSER THAN 500 FEET OF AN OCCUPIED RESIDENCE OR COMMERCIAL STRUCTURE; AND APPROVING THE ISSUANCE OF PERMITS TO PERMIAN DEEP ROCK OIL CO., LLC ("OPERATOR") TO DRILL SAID OIL AND GAS WELLS LOCATED IN SECTION 14, BLOCK 39, T-1-S, T&P RR CO. SURVEY, CITY OF MIDLAND, MIDLAND COUNTY, TEXAS (GENERALLY LOCATED BETWEEN 703 FEET AND 717 FEET EAST OF NORTH A STREET EXTENSION AND BETWEEN 1,909 FEET AND 1,922 FEET SOUTH OF WEST LOOP 250 NORTH) (DISTRICT 3) (DEVELOPMENT SERVICES)

Purpose:

Resolution approving the issuance of permit Permian Deep Rock Oil Co., LLC for the drilling of the following oil and gas wells: Chaparral H110UH and Knight H140UH; said wells being generally located between 717 feet and 703 feet east of North A Street extension and between 1,922 feet and 1,909 feet south of W Loop 250 N. The required 30-day public comment has passed, and the Council may consider this request. Currently no notices of objection received.

Recommended City Council Action:

Approve

Fiscal Impact:

There is no cost to the City to process this application.

Discussion:

The Oil and Gas Advisory Committee has reviewed the well site in detail and recommends approval. Per the City agreement requirements, Permian Deep Rock will be using 24 ft. tall

sound walls on all sides of location during drilling and fracing. In addition, a quiet frac system will be used for all wells and truck traffic will enter from turn out lane off of Big Spring and follow a row to well locations and then exit leaving on Smith Road and then left on Veterans Parkway. A closed loop system will be used for drilling operations so no reserve pits or drillings will be on the property. A production tank battery will be located outside the city limits and transfer facility will be located on the North West corner of the actual well pad location. The wells permit approval will be dependent upon the operator having a council approved surface agreement and lease agreement with the City of Midland. Receiving support of the Oil & Gas Advisory Committee, Permian Deep Rock Oil is requesting the following variances:

(1) requests variance to residence or commercial structure within 500 feet.
Chaparral H110UH- Variance of 295 feet.
Knight H140UH- Variance 311 feet.
(2) requests to allow for twenty-four-hour fracing operations.
(3) requests variance for fence of the drill pad instead of individual well
(4) request a variance to the landscaping and irrigation to follow the Surface Agreement.
(5) requests variance to remove drill cuttings from the location per the Surface Agreement with the City of Midland.

RESOLUTION NO. _____

RESOLUTION GRANTING VARIANCES FOR TWO OIL AND GAS WELLS TO BE LOCATED CLOSER THAN 500 FEET OF AN OCCUPIED RESIDENCE OR COMMERCIAL STRUCTURE; AND APPROVING THE ISSUANCE OF PERMITS TO PERMIAN DEEP ROCK OIL CO., LLC ("OPERATOR") TO DRILL SAID OIL AND GAS WELLS LOCATED IN SECTION 14, BLOCK 39, T-1-S, T&P RR CO. SURVEY, CITY OF MIDLAND, MIDLAND COUNTY, TEXAS (GENERALLY LOCATED BETWEEN 703 FEET AND 717 FEET EAST OF NORTH A STREET EXTENSION AND BETWEEN 1,909 FEET AND 1,922 FEET SOUTH OF WEST LOOP 250 NORTH)

WHEREAS, on December 8, 2009, the City Council of the City of Midland duly approved Ordinance No. 8769 which amended Title VI, "Police Regulations,"Chapter 1, "General Offenses," of the City Code of Midland, Texas, so as to establish Section 23, "Oil and Gas Well Permits issued on or after January 1, 2010," which governs the granting or rejecting of Oil and Gas Well Permits; and

WHEREAS, the purpose of said section is to establish reasonable and uniform limitations, safeguards, and regulations for present and future operations related to the exploring, drilling, developing, producing, transporting and storing of oil or gas or other substances produced in association with oil and gas within the City of Midland to protect the health, safety, and general welfare of the public and the orderly development of the City of Midland; abate or prevent potential public nuisances; minimize the potential adverse impact to surface and mineral owners, protect the quality of the environment and encourage the orderly production of available mineral resources; and

WHEREAS, Section 6-1-23(C) of the City Code of Midland, Texas, makes it an offense to knowingly drill or participate in the drilling of any well or to re-enter any well within the corporate limits of the City of Midland without a permit having first been issued by the authority of the City Council; and

WHEREAS, Operator has submitted applications to the City of Midland to drill oil and gas wells on the property described in Section Two hereof; and

WHEREAS, pursuant to Section 6-1-23(H)(2)(a) of the City Code of Midland, Texas, Operator has requested variances in order to allow said oil and gas wells to be closer than 500 feet of an occupied commercial structure; and

WHEREAS, notice of the public hearing on this matter was provided in accordance with Section 6-1-23(H)(1) and a public hearing was held on September 14, 2021; and

WHEREAS, subsequent to said public hearing, and in accordance with Section 6-1-23(H)(1), the City Council allowed the public and Operator thirty (30) days to submit written input to the City Manager regarding Operator's applications to drill oil and gas wells on the property described in Section Two hereof; and

WHEREAS, the City Council has considered those issues set forth in Section 6-1-23(I) in determining whether to grant or deny permits to Operator to drill oil and gas wells on the property described in Section Two hereof; and

WHEREAS, the City Council finds and determines that granting permits to Operator to drill oil and gas wells on the property described in Section Two hereof will not present a health or safety risk; and

WHEREAS, the City Council finds it to be in the public interest to approve the issuance of permits to Operator to drill oil and gas wells on the property described in Section Two hereof;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF MIDLAND, TEXAS:

SECTION ONE. That the above recitals are hereby adopted and approved by the City Council of the City of Midland, and variances are hereby granted for oil and gas wells to be located on the property described in Section Two hereof by allowing said oil and gas wells to be closer than 500 feet of an occupied residence or commercial structure subject to the conditions of the permits authorized in Section Two.

SECTION TWO. That the Mayor is hereby authorized and directed to execute

permits, on behalf of the City of Midland, that will allow Operator to drill the following oil and gas wells:

Chaparral H110UH and Knight H140UH;

located in Section 14, Block 39, T-1-S, T&P RR Co. Survey, City of Midland, Midland County, Texas. Said permits shall be in forms substantially similar to those attached hereto as Exhibits "A" and "B" and incorporated herein for all legal purposes.

On motion of Council member _____, seconded by Council member _____, the above and foregoing resolution was adopted by the City Council of the City of Midland at a regular meeting on the _____ day of _____, A.D., 2021, by the following vote:

OIL AND GAS WELL PERMIT

The City Council of the City of Midland, Texas, at its regular meeting on November 16, 2021, considered the application of Permian Deep Rock Oil Co., LLC ("Operator") dated July 1, 2021, to drill an oil and gas well inside the territorial limits of the City of Midland, Texas. The City Council of the City of Midland, Texas, by appropriate action approved the application and authorized the issuance of this permit.

This documentation hereby constitutes a permit, issued in accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), to drill an oil and gas well as requested in Operator's application that has been filed with the Oil & Gas Compliance Coordinator and is incorporated herein for all legal purposes.

The location of Operator's Chaparral H110UH oil and gas well shall be 1,922 feet from the north line and 703 feet from the west line, Section 14, Block 39, T-1-S, T&P RR Co. Survey, Midland County, Texas. The hole size, casing program, cement program and total depth of that well shall be in strict compliance with the proposed hole size, casing program, cementing program and proposed total depth found in Operator's application. Further, all operations done under this permit shall be done and accomplished in strict accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), which is hereby incorporated into this permit by reference and made applicable hereto with the same force and effect as if the same were copied fully in this permit, including, but not limited to, Subsections (K) through (Z).

This permit shall be effective from November 16, 2021 through November 16, 2022, and so long thereafter as oil or gas is produced, or until such time as Operator has permanently abandoned the operations of the well or facility for which this permit is issued.

The issuance of this permit by the City of Midland does not in any way alter or modify the rights as between the surface estate owner(s) and mineral estate owner(s) if there exists a severance of the surface estate and mineral estate. This permit in no way exempts Operator from its responsibilities or obligations as to third parties. The issuance of this permit only means that Operator has, at this time, complied with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance No. 8769) and that the Midland City Council, as a regulatory body, will allow Operator to proceed under the conditions of this permit. The issuance of this permit is intended to be only a negative pronouncement that grants no affirmative rights to the permittee to occupy the property. It is expressly provided that this permit does not authorize a trespass by the permittee as to any third party. This

permit does not in any way restrict the use of the surface estate. Securing a permit does not authorize Operator to act with impunity as to third parties, nor does it insulate Operator from the consequences of its actions with regard to those third parties. The receipt of a permit does not undertake to adjudicate property rights.

This permit granted by the City of Midland does not act to immunize Operator from civil tort liability from private parties for actions arising out of the use of the permit. This is because the permit is a "negative pronouncement" that grants no affirmative rights to the permittee. The issuance of this permit does not authorize any injury to persons or property or an invasion of other property rights, or any infringement of State or local law or regulations. Operator has obtained a permit from the City of Midland but the consequences of acting under the permit have not been immunized. The fact that the City of Midland has issued a permit to drill an oil and gas well does not shield Operator from third party tort liability stemming from the consequences of the permitted activity.

NOTWITHSTANDING ANY OTHER PROVISION, OPERATOR HEREBY RELEASES, ACQUITS, RELINQUISHES AND FOREVER DISCHARGES CITY OF MIDLAND, CITY OF MIDLAND'S EMPLOYEES AND OFFICERS, FROM ANY AND ALL DEMANDS, CLAIMS, DAMAGES OR CAUSES OF ACTION OF ANY KIND WHATSOEVER WHICH OPERATOR HAS OR MIGHT HAVE IN THE FUTURE, INCLUDING BUT NOT LIMITED TO BREACH OF CONTRACT, QUANTUM MERUIT, CLAIMS UNDER THE DUE PROCESS AND TAKING CLAUSES OF THE TEXAS AND UNITED STATES CONSTITUTIONS, TORT CLAIMS OR CITY OF MIDLAND'S NEGLIGENCE.

OPERATOR AGREES TO INDEMNIFY AND HOLD HARMLESS AND DEFEND THE CITY OF MIDLAND, THE CITY'S OFFICERS, AGENTS, AND EMPLOYEES FROM ANY AND ALL CLAIMS, LOSSES, DAMAGES, CAUSES OF ACTION, SUITS, AND LIABILITY OF ANY KIND, INCLUDING ALL EXPENSES OF LITIGATION, COURT COSTS, AND ATTORNEY'S FEES, FOR INJURY TO OR DEATH OF ANY PERSON, OR FOR DAMAGE TO ANY PROPERTY ARISING OUT OF OR IN CONNECTION WITH THE WORK DONE BY OPERATOR UNDER AN OIL AND GAS WELL PERMIT WHERE SUCH INJURIES, DEATH, OR DAMAGES ARE CAUSED BY OPERATOR'S SOLE NEGLIGENCE OR THE JOINT NEGLIGENCE OF THE OPERATOR AND ANY OTHER PERSON OR ENTITY.

A right-of-way license agreement approved by a resolution of the Midland City Council is required for any oil and/or gas flowline or pipeline or any other device associated with a proposed well site that extends into, on, above, in, under, across or through any City rights-of-way, including but not limited to streets, alleys, and utility and drainage rights-of-way.

If the well that is the subject of this permit is not located within the County of Midland, Texas, Operator shall notify the Midland Central Appraisal District of the following: (1) the well's location within the territorial limits of the City of Midland; and (2) that the City of

Midland is to be included as a taxing entity. Operator shall make said notification no later than 60 days after completion of the well.

The Midland City Council, in granting this permit, also grants the following variance(s):

1. The well shall be no closer than 295 feet of an occupied residence or commercial structure.
2. Twenty-four hour hydraulic fracturing operations are permitted.
3. In lieu of constructing a perimeter fence around this permitted well, a perimeter fence around the well pad site may be constructed. Said perimeter fence around the well pad site shall, at a minimum, meet the requirements of Ordinance No. 8769.
4. No landscaping or irrigation is required because City water is not available.
5. Drill cuttings shall be removed from the surface location.

Sound walls shall be used during drilling and completion operations as noted in the application.

This permit shall constitute a written contract for purposes of insurance requirements.

In addition to the requirements of this permit and the Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), including, but not limited to Subsections (K) through (Z), Operator shall develop, maintain and operate the well described herein in accordance with the conditions, limitations and safeguards contained in Operator's application for said well.

OIL AND GAS WELL PERMIT

The City Council of the City of Midland, Texas, at its regular meeting on November 16, 2021, considered the application of Permian Deep Rock Oil Co., LLC ("Operator") dated July 1, 2021, to drill an oil and gas well inside the territorial limits of the City of Midland, Texas. The City Council of the City of Midland, Texas, by appropriate action approved the application and authorized the issuance of this permit.

This documentation hereby constitutes a permit, issued in accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), to drill an oil and gas well as requested in Operator's application that has been filed with the Oil & Gas Compliance Coordinator and is incorporated herein for all legal purposes.

The location of Operator's Knight H140UH oil and gas well shall be 1,909 feet from the north line and 717 feet from the west line, Section 14, Block 39, T-1-S, T&P RR Co. Survey, Midland County, Texas. The hole size, casing program, cement program and total depth of that well shall be in strict compliance with the proposed hole size, casing program, cementing program and proposed total depth found in Operator's application. Further, all operations done under this permit shall be done and accomplished in strict accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), which is hereby incorporated into this permit by reference and made applicable hereto with the same force and effect as if the same were copied fully in this permit, including, but not limited to, Subsections (K) through (Z).

This permit shall be effective from November 16, 2021 through November 16, 2022, and so long thereafter as oil or gas is produced, or until such time as Operator has permanently abandoned the operations of the well or facility for which this permit is issued.

The issuance of this permit by the City of Midland does not in any way alter or modify the rights as between the surface estate owner(s) and mineral estate owner(s) if there exists a severance of the surface estate and mineral estate. This permit in no way exempts Operator from its responsibilities or obligations as to third parties. The issuance of this permit only means that Operator has, at this time, complied with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance No. 8769) and that the Midland City Council, as a regulatory body, will allow Operator to proceed under the conditions of this permit. The issuance of this permit is intended to be only a negative pronouncement that grants no affirmative rights to the permittee to occupy the property. It is expressly provided that this permit does not authorize a trespass by the permittee as to any third party. This

permit does not in any way restrict the use of the surface estate. Securing a permit does not authorize Operator to act with impunity as to third parties, nor does it insulate Operator from the consequences of its actions with regard to those third parties. The receipt of a permit does not undertake to adjudicate property rights.

This permit granted by the City of Midland does not act to immunize Operator from civil tort liability from private parties for actions arising out of the use of the permit. This is because the permit is a "negative pronouncement" that grants no affirmative rights to the permittee. The issuance of this permit does not authorize any injury to persons or property or an invasion of other property rights, or any infringement of State or local law or regulations. Operator has obtained a permit from the City of Midland but the consequences of acting under the permit have not been immunized. The fact that the City of Midland has issued a permit to drill an oil and gas well does not shield Operator from third party tort liability stemming from the consequences of the permitted activity.

NOTWITHSTANDING ANY OTHER PROVISION, OPERATOR HEREBY RELEASES, ACQUITS, RELINQUISHES AND FOREVER DISCHARGES CITY OF MIDLAND, CITY OF MIDLAND'S EMPLOYEES AND OFFICERS, FROM ANY AND ALL DEMANDS, CLAIMS, DAMAGES OR CAUSES OF ACTION OF ANY KIND WHATSOEVER WHICH OPERATOR HAS OR MIGHT HAVE IN THE FUTURE, INCLUDING BUT NOT LIMITED TO BREACH OF CONTRACT, QUANTUM MERUIT, CLAIMS UNDER THE DUE PROCESS AND TAKING CLAUSES OF THE TEXAS AND UNITED STATES CONSTITUTIONS, TORT CLAIMS OR CITY OF MIDLAND'S NEGLIGENCE.

OPERATOR AGREES TO INDEMNIFY AND HOLD HARMLESS AND DEFEND THE CITY OF MIDLAND, THE CITY'S OFFICERS, AGENTS, AND EMPLOYEES FROM ANY AND ALL CLAIMS, LOSSES, DAMAGES, CAUSES OF ACTION, SUITS, AND LIABILITY OF ANY KIND, INCLUDING ALL EXPENSES OF LITIGATION, COURT COSTS, AND ATTORNEY'S FEES, FOR INJURY TO OR DEATH OF ANY PERSON, OR FOR DAMAGE TO ANY PROPERTY ARISING OUT OF OR IN CONNECTION WITH THE WORK DONE BY OPERATOR UNDER AN OIL AND GAS WELL PERMIT WHERE SUCH INJURIES, DEATH, OR DAMAGES ARE CAUSED BY OPERATOR'S SOLE NEGLIGENCE OR THE JOINT NEGLIGENCE OF THE OPERATOR AND ANY OTHER PERSON OR ENTITY.

A right-of-way license agreement approved by a resolution of the Midland City Council is required for any oil and/or gas flowline or pipeline or any other device associated with a proposed well site that extends into, on, above, in, under, across or through any City rights-of-way, including but not limited to streets, alleys, and utility and drainage rights-of-way.

If the well that is the subject of this permit is not located within the County of Midland, Texas, Operator shall notify the Midland Central Appraisal District of the following: (1) the well's location within the territorial limits of the City of Midland; and (2) that the City of

Midland is to be included as a taxing entity. Operator shall make said notification no later than 60 days after completion of the well.

The Midland City Council, in granting this permit, also grants the following variance(s):

1. The well shall be no closer than 311 feet of an occupied residence or commercial structure.
2. Twenty-four hour hydraulic fracturing operations are permitted.
3. In lieu of constructing a perimeter fence around this permitted well, a perimeter fence around the well pad site may be constructed. Said perimeter fence around the well pad site shall, at a minimum, meet the requirements of Ordinance No. 8769.
4. No landscaping or irrigation is required because City water is not available.
5. Drill cuttings shall be removed from the surface location.

Sound walls shall be used during drilling and completion operations as noted in the application.

This permit shall constitute a written contract for purposes of insurance requirements.

In addition to the requirements of this permit and the Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), including, but not limited to Subsections (K) through (Z), Operator shall develop, maintain and operate the well described herein in accordance with the conditions, limitations and safeguards contained in Operator's application for said well.

Permit Compliance Contact (Choose 1):

Option A:

24/7 Answering Services - No. 1 (Tele.): **No. 2 (Tele.):**

Option B:

Company Compliance Representative (Name, Address, Local Telephone) ***(ATTACH STATEMENT AS EXHIBIT A):*** See Exhibit "A"

Emergency Contact Representative (Name, Address, 24-Hour Tele. No.):

See Exhibit "A"

Other Permitted Wells in City ***(ATTACH EXHIBIT B*** **[see § J(26)]).** See Exhibit "B"

II. Mineral Ownership

Name(s) and Address(es) of Mineral Estate Lessors (under applicable lease):

1.

2.

3.

ATTACHED AS EXHIBIT C **is** List of subdivisions

See Exhibit "C"

III. Surface Ownership & Use

General Description of Current Surface Use (within 860 feet of proposed surface location):
Surface use: Undeveloped Rangeland, service company yards and apartment complex
Surface ownership: Two residences, apartment complex and service company yards:

See Exhibit "D"

ATTACHED AS EXHIBIT D **is**

Current Tax Roll from Midland Central Appraisal District), **which lists the name(s) and address(es) of all surface owners within 860 feet of the surface well location. [See § J(7)].**

ATTACHED AS EXHIBIT E **is a** ***(map/p lat/satellite/aerial photo)*** **depicting all Residences, commercial structures, public buildings, all publicly dedicated Streets and alleys, Rights of Way, and permanent accessory structures surrounding the proposed Drill Site. The** ***(map/p lat/satellite/aerial photo)*** **includes two circles, as required by the Ordinance—one depicting a 500 foot radius and one depicting an 860 foot radius from the proposed well's surface location. [See § J(10)].**

ATTACHED AS EXHIBIT F **is a copy of the notification letter(s) sent to 100 percent of the surface owners, Certified Mail, Return Receipt Requested. [See § J(36)].**

IV. Well & Operations Information

Proposed Well Name: Chaparral H110UH

Proposed Hole Size, Casing Program and Cementing Program (attach Exhibit as Necessary)[See § J(11) and § L(4)]:

See Exhibit "G"

Legal Description of Proposed Well Site: SHL: 1922' FNL & 703' FWL, Section 14
Block 39, T1S, T&PRR Co. Survey, Midland County, Texas

ATTACHED AS EXHIBIT G **is the Location Site Plan [See § J(9)].**

ATTACHED AS EXHIBIT H **is the Map with the proposed transportation route(s) and road(s) for equipment, chemicals, or refuse products used or produced in the proposed oil and gas operations. [See § J(12)].**

ATTACHED AS EXHIBIT I **is a copy of the approved Texas Railroad Commission permit to drill (Form W-1), together with all attachments** ***(also file copy of W-1 with City Secretary before commencement of drilling operations).*** **[See § J(16) and (20)].**

ATTACHED AS EXHIBIT J **is a copy of the required TCEQ report as to depth of usable quality ground water. [See § J(17)].**

ATTACHED AS EXHIBIT K (if applicable) **is the list of alternative locations developed in consultation with the Oil & Gas Advisory Committee. [See § J(27)].**

ATTACHED AS EXHIBIT L **is the Fencing and Irrigation Plan. [See § J(30)].**

ATTACHED AS EXHIBIT M: **No city roads will be used**

ATTACHED AS EXHIBIT N **is the Concept Plan depicting the proposed Operations Site (which includes tanks, roads, power lines, and pipeline routes). [See § J(32)].**

Description of Public Utilities required during (1) drilling and (2) operations:

(1) Drilling: None

(2) Operations: Oncor

Description of water source to be used during Drilling: Water is to be piped in from our water wells, drill additional water wells or truck fresh water in. All brine water will be trucked in.

Description of all electric lines to production facilities (reference exhibits as necessary) [See § L(10)]:

See Exhibit "N"

Plan detailing construction, location, and closure of pits used for Drilling and Completion operations (attach exhibit if necessary) [See § J(35)]: Trench and encapsulate per TXRRC Rule 27(c)(10)(v)

See Exhibit "O"

V. Additional Required Exhibits

ATTACHED AS EXHIBIT P **is the** *Letter of Credit/Certificate of Deposit* **in accordance with Subsection (K)(2). [See § J(18)].**

ATTACHED AS EXHIBIT Q **: Tax certificates from Midland Central Appraisal District to be submitted indicating that all taxes on personal and real property, including minerals, owned by applicant are current. (See § J(29)**

ATTACHED AS EXHIBIT R **is the required Insurance Certificate. [See § J(19) and § K(3)].**

ATTACHED AS EXHIBIT S (if applicable) **is the Drainage Plan relating to Applicant's proposed operations. [See § J(21)].**

ATTACHED AS EXHIBIT T **is Applicant's Emergency Action Response Plan. [See § J(22)].**

ATTACHED AS EXHIBIT U **is Applicant's Hazardous Materials Management Plan, a copy of which has been submitted and is on file with the Midland Fire Department. [See § J(23)].**

OIL AND GAS WELL PERMIT

The City Council of the City of Midland, Texas, at its regular meeting on November 16, 2021, considered the application of Permian Deep Rock Oil Co., LLC ("Operator") dated July 1, 2021, to drill an oil and gas well inside the territorial limits of the City of Midland, Texas. The City Council of the City of Midland, Texas, by appropriate action approved the application and authorized the issuance of this permit.

This documentation hereby constitutes a permit, issued in accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), to drill an oil and gas well as requested in Operator's application that has been filed with the Oil & Gas Compliance Coordinator and is incorporated herein for all legal purposes.

The location of Operator's Chaparral H110UH oil and gas well shall be 1,922 feet from the north line and 703 feet from the west line, Section 14, Block 39, T-1-S, T&P RR Co. Survey, Midland County, Texas. The hole size, casing program, cement program and total depth of that well shall be in strict compliance with the proposed hole size, casing program, cementing program and proposed total depth found in Operator's application. Further, all operations done under this permit shall be done and accomplished in strict accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), which is hereby incorporated into this permit by reference and made applicable hereto with the same force and effect as if the same were copied fully in this permit, including, but not limited to, Subsections (K) through (Z).

This permit shall be effective from November 16, 2021 through November 16, 2022, and so long thereafter as oil or gas is produced, or until such time as Operator has permanently abandoned the operations of the well or facility for which this permit is issued.

The issuance of this permit by the City of Midland does not in any way alter or modify the rights as between the surface estate owner(s) and mineral estate owner(s) if there exists a severance of the surface estate and mineral estate. This permit in no way exempts Operator from its responsibilities or obligations as to third parties. The issuance of this permit only means that Operator has, at this time, complied with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance No. 8769) and that the Midland City Council, as a regulatory body, will allow Operator to proceed under the conditions of this permit. The issuance of this permit is intended to be only a negative pronouncement that grants no affirmative rights to the permittee to occupy the property. It is expressly provided that this permit does not authorize a trespass by the permittee as to any third party. This

permit does not in any way restrict the use of the surface estate. Securing a permit does not authorize Operator to act with impunity as to third parties, nor does it insulate Operator from the consequences of its actions with regard to those third parties. The receipt of a permit does not undertake to adjudicate property rights.

This permit granted by the City of Midland does not act to immunize Operator from civil tort liability from private parties for actions arising out of the use of the permit. This is because the permit is a "negative pronouncement" that grants no affirmative rights to the permittee. The issuance of this permit does not authorize any injury to persons or property or an invasion of other property rights, or any infringement of State or local law or regulations. Operator has obtained a permit from the City of Midland but the consequences of acting under the permit have not been immunized. The fact that the City of Midland has issued a permit to drill an oil and gas well does not shield Operator from third party tort liability stemming from the consequences of the permitted activity.

NOTWITHSTANDING ANY OTHER PROVISION, OPERATOR HEREBY RELEASES, ACQUITS, RELINQUISHES AND FOREVER DISCHARGES CITY OF MIDLAND, CITY OF MIDLAND'S EMPLOYEES AND OFFICERS, FROM ANY AND ALL DEMANDS, CLAIMS, DAMAGES OR CAUSES OF ACTION OF ANY KIND WHATSOEVER WHICH OPERATOR HAS OR MIGHT HAVE IN THE FUTURE, INCLUDING BUT NOT LIMITED TO BREACH OF CONTRACT, QUANTUM MERUIT, CLAIMS UNDER THE DUE PROCESS AND TAKING CLAUSES OF THE TEXAS AND UNITED STATES CONSTITUTIONS, TORT CLAIMS OR CITY OF MIDLAND'S NEGLIGENCE.

OPERATOR AGREES TO INDEMNIFY AND HOLD HARMLESS AND DEFEND THE CITY OF MIDLAND, THE CITY'S OFFICERS, AGENTS, AND EMPLOYEES FROM ANY AND ALL CLAIMS, LOSSES, DAMAGES, CAUSES OF ACTION, SUITS, AND LIABILITY OF ANY KIND, INCLUDING ALL EXPENSES OF LITIGATION, COURT COSTS, AND ATTORNEY'S FEES, FOR INJURY TO OR DEATH OF ANY PERSON, OR FOR DAMAGE TO ANY PROPERTY ARISING OUT OF OR IN CONNECTION WITH THE WORK DONE BY OPERATOR UNDER AN OIL AND GAS WELL PERMIT WHERE SUCH INJURIES, DEATH, OR DAMAGES ARE CAUSED BY OPERATOR'S SOLE NEGLIGENCE OR THE JOINT NEGLIGENCE OF THE OPERATOR AND ANY OTHER PERSON OR ENTITY.

A right-of-way license agreement approved by a resolution of the Midland City Council is required for any oil and/or gas flowline or pipeline or any other device associated with a proposed well site that extends into, on, above, in, under, across or through any City rights-of-way, including but not limited to streets, alleys, and utility and drainage rights-of-way.

If the well that is the subject of this permit is not located within the County of Midland, Texas, Operator shall notify the Midland Central Appraisal District of the following: (1) the well's location within the territorial limits of the City of Midland; and (2) that the City of

Midland is to be included as a taxing entity. Operator shall make said notification no later than 60 days after completion of the well.

The Midland City Council, in granting this permit, also grants the following variance(s):

1. The well shall be no closer than 295 feet of an occupied residence or commercial structure.
2. Twenty-four hour hydraulic fracturing operations are permitted.
3. In lieu of constructing a perimeter fence around this permitted well, a perimeter fence around the well pad site may be constructed. Said perimeter fence around the well pad site shall, at a minimum, meet the requirements of Ordinance No. 8769.
4. No landscaping or irrigation is required because City water is not available.
5. Drill cuttings shall be removed from the surface location.

Sound walls shall be used during drilling and completion operations as noted in the application.

This permit shall constitute a written contract for purposes of insurance requirements.

In addition to the requirements of this permit and the Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), including, but not limited to Subsections (K) through (Z), Operator shall develop, maintain and operate the well described herein in accordance with the conditions, limitations and safeguards contained in Operator's application for said well.

OIL AND GAS WELL PERMIT

The City Council of the City of Midland, Texas, at its regular meeting on November 16, 2021, considered the application of Permian Deep Rock Oil Co., LLC ("Operator") dated July 1, 2021, to drill an oil and gas well inside the territorial limits of the City of Midland, Texas. The City Council of the City of Midland, Texas, by appropriate action approved the application and authorized the issuance of this permit.

This documentation hereby constitutes a permit, issued in accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), to drill an oil and gas well as requested in Operator's application that has been filed with the Oil & Gas Compliance Coordinator and is incorporated herein for all legal purposes.

The location of Operator's Knight H140UH oil and gas well shall be 1,909 feet from the north line and 717 feet from the west line, Section 14, Block 39, T-1-S, T&P RR Co. Survey, Midland County, Texas. The hole size, casing program, cement program and total depth of that well shall be in strict compliance with the proposed hole size, casing program, cementing program and proposed total depth found in Operator's application. Further, all operations done under this permit shall be done and accomplished in strict accordance with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), which is hereby incorporated into this permit by reference and made applicable hereto with the same force and effect as if the same were copied fully in this permit, including, but not limited to, Subsections (K) through (Z).

This permit shall be effective from November 16, 2021 through November 16, 2022, and so long thereafter as oil or gas is produced, or until such time as Operator has permanently abandoned the operations of the well or facility for which this permit is issued.

The issuance of this permit by the City of Midland does not in any way alter or modify the rights as between the surface estate owner(s) and mineral estate owner(s) if there exists a severance of the surface estate and mineral estate. This permit in no way exempts Operator from its responsibilities or obligations as to third parties. The issuance of this permit only means that Operator has, at this time, complied with Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance No. 8769) and that the Midland City Council, as a regulatory body, will allow Operator to proceed under the conditions of this permit. The issuance of this permit is intended to be only a negative pronouncement that grants no affirmative rights to the permittee to occupy the property. It is expressly provided that this permit does not authorize a trespass by the permittee as to any third party. This

permit does not in any way restrict the use of the surface estate. Securing a permit does not authorize Operator to act with impunity as to third parties, nor does it insulate Operator from the consequences of its actions with regard to those third parties. The receipt of a permit does not undertake to adjudicate property rights.

This permit granted by the City of Midland does not act to immunize Operator from civil tort liability from private parties for actions arising out of the use of the permit. This is because the permit is a "negative pronouncement" that grants no affirmative rights to the permittee. The issuance of this permit does not authorize any injury to persons or property or an invasion of other property rights, or any infringement of State or local law or regulations. Operator has obtained a permit from the City of Midland but the consequences of acting under the permit have not been immunized. The fact that the City of Midland has issued a permit to drill an oil and gas well does not shield Operator from third party tort liability stemming from the consequences of the permitted activity.

NOTWITHSTANDING ANY OTHER PROVISION, OPERATOR HEREBY RELEASES, ACQUITS, RELINQUISHES AND FOREVER DISCHARGES CITY OF MIDLAND, CITY OF MIDLAND'S EMPLOYEES AND OFFICERS, FROM ANY AND ALL DEMANDS, CLAIMS, DAMAGES OR CAUSES OF ACTION OF ANY KIND WHATSOEVER WHICH OPERATOR HAS OR MIGHT HAVE IN THE FUTURE, INCLUDING BUT NOT LIMITED TO BREACH OF CONTRACT, QUANTUM MERUIT, CLAIMS UNDER THE DUE PROCESS AND TAKING CLAUSES OF THE TEXAS AND UNITED STATES CONSTITUTIONS, TORT CLAIMS OR CITY OF MIDLAND'S NEGLIGENCE.

OPERATOR AGREES TO INDEMNIFY AND HOLD HARMLESS AND DEFEND THE CITY OF MIDLAND, THE CITY'S OFFICERS, AGENTS, AND EMPLOYEES FROM ANY AND ALL CLAIMS, LOSSES, DAMAGES, CAUSES OF ACTION, SUITS, AND LIABILITY OF ANY KIND, INCLUDING ALL EXPENSES OF LITIGATION, COURT COSTS, AND ATTORNEY'S FEES, FOR INJURY TO OR DEATH OF ANY PERSON, OR FOR DAMAGE TO ANY PROPERTY ARISING OUT OF OR IN CONNECTION WITH THE WORK DONE BY OPERATOR UNDER AN OIL AND GAS WELL PERMIT WHERE SUCH INJURIES, DEATH, OR DAMAGES ARE CAUSED BY OPERATOR'S SOLE NEGLIGENCE OR THE JOINT NEGLIGENCE OF THE OPERATOR AND ANY OTHER PERSON OR ENTITY.

A right-of-way license agreement approved by a resolution of the Midland City Council is required for any oil and/or gas flowline or pipeline or any other device associated with a proposed well site that extends into, on, above, in, under, across or through any City rights-of-way, including but not limited to streets, alleys, and utility and drainage rights-of-way.

If the well that is the subject of this permit is not located within the County of Midland, Texas, Operator shall notify the Midland Central Appraisal District of the following: (1) the well's location within the territorial limits of the City of Midland; and (2) that the City of

Midland is to be included as a taxing entity. Operator shall make said notification no later than 60 days after completion of the well.

The Midland City Council, in granting this permit, also grants the following variance(s):

1. The well shall be no closer than 311 feet of an occupied residence or commercial structure.
2. Twenty-four hour hydraulic fracturing operations are permitted.
3. In lieu of constructing a perimeter fence around this permitted well, a perimeter fence around the well pad site may be constructed. Said perimeter fence around the well pad site shall, at a minimum, meet the requirements of Ordinance No. 8769.
4. No landscaping or irrigation is required because City water is not available.
5. Drill cuttings shall be removed from the surface location.

Sound walls shall be used during drilling and completion operations as noted in the application.

This permit shall constitute a written contract for purposes of insurance requirements.

In addition to the requirements of this permit and the Midland City Code § 6-1-23, "Oil and Gas Well Permits Issued On or After January 1, 2010" (Ordinance 8769), including, but not limited to Subsections (K) through (Z), Operator shall develop, maintain and operate the well described herein in accordance with the conditions, limitations and safeguards contained in Operator's application for said well.

Keith E. Bucy

General Manager

City Council Meeting

Item Number: 49

Meeting Date: November 16, 2021

To: City Council / City Manager

From: Ron Jenkins, Oil and Gas Coordinator

Subject: **RESOLUTION AUTHORIZING THE EXECUTION OF A ROAD REPAIR AGREEMENT WITH PERMIAN DEEP ROCK OIL CO., LLC REGARDING ITS APPLICATION TO DRILL OIL AND GAS WELLS WITHIN THE CITY LIMITS IN SECTION 14, BLOCK 39, T-1-S, T&P RR CO. SURVEY, CITY OF MIDLAND, MIDLAND COUNTY, TEXAS (DISTRICT 3) (DEVELOPMENT SERVICES)**

Purpose:

Resolution approving a road repair agreement between the City of Midland and Permian Deep Rock Oil Co., LLC.

Recommended City Council Action:

Approve

Fiscal Impact:

This agreement will cover the cost of road damages to Veterans Airpark Lane and Smith Road that are attributable to Permian Deep Rock Oil Co., LLC, in association with the above drilling permits. The total amount of the bond covering proposed and existing well sites within the City is $75,000.00; this is the amount specified in the City's oil and gas drilling regulations.

Discussion:

Permian Deep Rock Oil Co., LLC, have met the requirements contained in the City code related to this matter. The road repair agreement approval will be dependent upon the operator having a council approved surface agreement and lease agreement with the City of Midland.

Attachments: Exhibit A-Road Repair Agreement, Exhibit- Route

Road Use and Repair Agreement

Per the terms of the Surface Use Agreement, Permian Deep Rock Oil Company LLC (" PDROC") intends to use (i) Veterans Airpark Lane between Big Spring Street and Smith Road, (ii) Smith Road, and (iii) any other road owned by Surface Owner located on the Surface Premises to which Surface Owner in its sole discretion has consented to PDROC's use (collectively, the "Utilized Roads"). PDROC agrees to pay actual road repair costs up to a maximum amount of Seventy-Five Thousand and No/100 Dollars ($75,000.00) per calendar year for damage done to the Utilized Roads and the entrance gates on the Surface Premises to the extent that any such damage is verifiably attributable to traffic servicing PDROC. PRROC will not be obligated to pay for any damage to the Utilized Roads attributable to other parties or for damage associated with normal wear and tear. PRROC has provided to Surface Owner a letter of credit, certificate of deposit or surety bond in form and substance satisfactory to Surface Owner in the amount of $75,000.00 which will serve to secure payment of any such road repair expenses for the Utilized Roads. In the event such letter of credit, certificate of deposit or surety bond is not restored to $75,000.00 within ten (10) days after the date of the reduction of the letter of credit, certificate of deposit or surety bond, Surface Owner may draw and receive the remaining balance of the letter of credit, certificate of deposit or surety bond and PRROC's Oil and Gas Well Permit(s) shall immediately cease until PRROC files the required letter of credit, certificate of deposit or surety bond. PRROC and Surface Owner agree that the documentation of any road damage determined to be caused by PRROC's use of the Utilized Roads in connection with its operations shall be presented to PRROC. If PRROC does not agree with such determination, PRROC may file a written objection with the City Manager within ten (10) days of being notified of the road damage. The City Manager shall review the objections and give PRROC the opportunity to be heard and present facts that PRROC deems relevant. Surface Owner reserves the right after giving ten (10) business days written notice to PRROC regarding such violation, to draw upon the letter of credit, certificate of deposit or surety bond as outlined in Subsection (K), General Conditions of all Oil and Gas Well Permits, in order to remedy such situation under Section 6-1-23 "Oil and Gas Well Permits" of the City of Midland Oil and Gas Ordinance (as defined below). The amount drawn from the letter of credit, certificate of deposit or surety bond shall not exceed the limits previously described above.

As an applicant for a City board, commission, or committee, please be advised that all information on this application is subject to the Texas Open Records Act and will be available to the public.

PLEASE TYPE OR PRINT CLEARLY:

Date: 8/19/2021

Name: Anson (Andy) Moreno

Phone: 432-230-3092 **(Home)**

Address: 5117 Ashdown Place

(Business)

Midland TX 79705

Email: anson_moreno@yahoo.com

(City) (State) (Zip)

I am ☑ **I am not** ☐ **a U.S. Citizen**

Please tell us about yourself:

Are you a graduate of Midland 101? ☐ **yes** ☑ **no**

I have lived in Midland 23 **years.**

Occupation: Human Resources

Professional and/or Community Activities:

Board of Directors - Camp Fire West Texas since 2014. Former President and Secretary (each 2 year terms)

Board of Directors - Permian Basin Society for Human Resource Management (PBSHRM) since 2017

Member, Mid-Cities Community Church since 1999

What is your personal vision for the City?

I want our city to be clean, safe, and to have great public schools. I also want our city to be financially responsible with a diverse economy.

Please specify any time constraints you may have.

N/A

Please list below the Board(s) or Commission(s) on which you are interested in serving:

(You can find a complete and current list on the City's website at *www.midlandtexas.gov*)

(1) Name of Board/Commission:

Zoning Board of Adjustment and Airport Zoning Board of Adjustment

Planning and Zoning Commission

Please tell us why you are interested in serving on this board or commission.

I have a sincere interest in understanding Building codes and Zoning. I want to play an active role in how our city government can best serve our businesses and citizens.

What contribution would you most like to make?

As a citizen and member of the business community, I bring perspectives that will be value added to the Board. Our citizens, businesses, and the city have mutual interests in how properties are developed. Property owners want to increase the utility and value of properties. The city wants planning that is consistent, safe, and increases the taxable value of properties.

Additional pertinent information or references:

Master of Business Administration - Concentration in Finance

Bachelor degree - Organizational Management

(2) Name of Board/Commission:

Personnel Board of Appeals

What contribution would you most like to make?

I have 15 years of Human Resources experience. I have conducted countless investigations and disciplinary actions. These matters require special consideration of the individual's past conduct, the particulars of the situation, policies, law, and precedence. I have experiences that would be directly beneficial to employees and the city.

Additional pertinent information or references:

Society for Human Resource Management - Senior Certified Professional (SHRM-SCP certification)

Master of Business Administration - Concentration in Finance

Bachelor degree - Organizational Management

I am ☑ **I am not** ☐ **a U.S. Citizen**

Please tell us about yourself:

Are you a graduate of Midland 101? ☐ **yes** ☑ **no**

I have lived in Midland 4 **years.**

Occupation:

Professional and/or Community Activities:

Member of Lifehouse Fellowship

What is your personal vision for the City?

I hope to see Midland continue to grow through the changes with economic downturn that we are facing. Providing affordabiilty in transportaton, housing, community out reach and growth. Being a transplant to this city, I want to learn and be apart of this city, I am looking for to this next chapter.

Please specify any time constraints you may have.

None

Please list below the Board(s) or Commission(s) on which you are interested in serving:

(You can find a complete and current list on the City's website at *www.midlandtexas.gov*)

(1) Name of Board/Commission:

MIDLAND DEVELOPMENT CORPORATION

Please tell us why you are interested in serving on this board or commission.

I have worked here in Midland for the last four years, and I know this is home now with my children and I. So I want to step up and be there for the community. Learn and grow for my interpersonal goals, and then assist with anything I can.

What contribution would you most like to make?

With my background in HR and working for the Transit District I can bring my knowledge and skills to the discussions. Help with strategic planning, and law regulations.

Doug Provance- dprovance@ez-rider.org

Jack Ladd jackladdjr@gmail.com

EJ Baldridge ejbaldridge@gmail.com

(2) Name of Board/Commission:

ZONING BOARD OF ADJUSTMENTS AND AIRPORT ZONING BOARD OF ADJUSTMENTS (

What contribution would you most like to make?

Stepping up for my community, learning my city and where different projects are happening and how to assist in those. Learning the infrastructure of the airport, all that comes with it. I am new, but I am ready to help.

Additional pertinent information or references:

Director of Support Services- EZ Rider

I am ☑ **I am not** ☐ **a U.S. Citizen**

Please tell us about yourself:

Are you a graduate of Midland 101? ☐ **yes** ☑ **no**

I have lived in Midland 30 **years.**

Occupation: Assistant District Manager

Professional and/or Community Activities:

Servant leader at Stonegate Fellowship

What is your personal vision for the City?

My vision for the city of Midland is for it to be a place that is known not only for the work we do in the Basin, but to be a place for those workers to bring their families willingly to grow our community.

Please specify any time constraints you may have.

I am able to adjust my schedule with advance notice.

Please list below the Board(s) or Commission(s) on which you are interested in serving:

(You can find a complete and current list on the City's website at *www.midlandtexas.gov*)

(1) Name of Board/Commission:

Zoning Board of Adjustment and Airport Zoning Board of Adjustment

Please tell us why you are interested in serving on this board or commission.

I believe that city codes are designed to address the most common issues that may arise. Sometimes there are special cosiderations that may need to be addressed. I believe that I can be a fair participant in the appeal process.

What contribution would you most like to make?

I would like to offer my experience in working with contractors to complete projects while representing the citizens of Midland.
